darn! Did find out a movie is in the making, but, I actually was enjoying this series. In some respect was bland, but, in other respects refreshing too

Elizabeth F.

I can't believe they're not continuing this show! I came across it on Netflix and it's helped me get through the flu. I literally don't know what else to watch now because nothing sounds nearly as entertaining. Please bring it back!

Kathy T.

I didn't realize Bomb Girls was not returning to TV, its one of the best shows on TV and it gets cancelled that figures it was to good. There is so much junk on TV like stupid reality shows. TV executives start getting in touch with what people want to watch and that is good programing, we are tired of watching idiots on TV fighting and sweating that is not entertainment.

Edna W.

Watching this show gave me great insight into my mother's life.

Marlene I.

I just started watching this on Netflix and I love it! I hope it stays on , great story and cast!

Leo K.

will there be a 3rd season?

| <i>Amanda M.</i> | I didn't realize the show had ended. That's how behind I was. I thought I was missing something. Now I understand the purpose of the movie. Well I loved the show. I'm sad it's over. |
| <i>Sarah S.</i> | When are we able to watch in the U.S.? Thanks |
| <i>Karen W.</i> | Do you think the film will be shown in the UK? I certainly hope so, otherwise I'll have to cry x |

Cinzia L. This Is a great Historical Program! Please
bring it back!

Kathy H. Bomb girls is a great show. It is about our
history. Who makes the decisions. You get
a program of substance and cancel it but
keep crap like phony reality shows on.
Bomb girls is a true reality show. One of a
few shows I enjoyed. Keep this show on
the air.

Maureen N. We never got this on American TV---not
even on BBC TV---and it is too bad
because it was a real quality production---
I got addicted this past Monday morning
and watched Part one & Part two---all
episodes in less than 2 days---Thanks to
Netflix. Hope this gets picked up again on
Canadian TV---and we get to see more of
the terrific Bomb Girls!

Marie W. Please DO NOT take bomb girls off the
air. It is a fantastic show and my husband
and I both love it!!

Margaret C. I have been looking at the t.v. schedule for
months, wondering when the next season
of Bomb Girls was going to begin. It is
March 20th, and I have just learned some
fools at a network cancelled one of the
best and most original programs ever
created. Were the individuals who
cancelled this program men? I am
stunned-a high quality program about the

women on the home front and their critically important contributions to winning the war and some network fools cancel it! I am American, not Canadian- the fools who cancelled this show deprived Canadian, American, and, I assume, British viewers of the opportunity to learn about an aspect of World War 2 which isn't given much attention by anyone and they deprived the viewers of a magnificent program. My sincere gratitude to those of you who are trying to save the show.

Linda S.

It is a shame that Bomb Girls is not being continued!! It is quality television, and an excellent history lesson for the young women of today ... as well as young men, and nostalgia for many of the elder generation. The programs already produced are greatly appreciated ... please re-consider providing more for the future.

Cindy C.

If the show gets enough awards, maybe the CBC will finally realize they've got an Orange is the new Black on their hands here, and bring it back!

Helen W.

Heartbroken to hear that there will not be a Season 3...but thankful that there will be a movie to tie up all the loose ends...hopefully to the viewers satisfaction. Great Show, excellent acting, terrific storylines....I will miss this Series terribly.

Karen K.

I cannot wait to see this movie! Bomb Girls is such an awesome series with excellent, professional acting. I especially enjoy Meg Tilly and Jodi Balfour. Please bring us more Bomb Girls absolutely ASAP.

Sue C.

... bring back the series, please.

Carol S.

Took off an awesome series, just like the series Pan Am was cancelled too. Another awesome series.

Gail C.

I stumbled across this show on Shaw PPV. Much to my irritation, though, the last two episodes aren't available yet. Yes I have a laptop but it's not the same as HD, big screen TV.

Lindsay W.

So sad it's been cancelled wish they would reconsider. Need a date for the movie, don't want to miss it!

ACTORS...BRING THIS SHOW BACK..IT
MADE ME FEEL LIKE I WAS REALLY
THERE...BESTSHOWEVER !!!!!

Laura_D

I really hope everyone's efforts work to get
this show saved and picked up for a third
season. I haven't enjoyed a Canadian
show like Bombs Girls since I use to
watch the original Degrassi reruns on
ShowCase. Global needs to take notice
and renew Bomb Girls. I'll definitely be
tuned in to the movie.

catseyes14

My sister and have greatly enjoyed
watching Bomb Girls. SAVE THE SHOW!
We all love it!

SUSN B.

LOVE IT! I JUST STARTED WATCHING
THIS SERIES LAST WEEK AND WAS
VERY UPSET TO SEE ONLY TWO
SEASONS. NOW I AM MORE UPSET TO
KNOW IT'S BEEN CANCELED. LOVED
THE STORY LINE AND OF COURSE
THE MUSIC AND WARDROBE WAS
KILLER. LET ME KNOW WHAT ELSE I
CAN DO, IF ANYTHING TO GET THIS
SHOW BACK ON THE ROAD.

Michelle S.

I love bomb girls cannot believe it has
been cancelled. Best series I have seen in
a long time. Come on give us series 3, 4, 5
,6 you get the point. Its the type of show
that i have my NETFLIX account in the
first place, its unsual and epic filled with
talent not very often i get the chance to
view and appreciate Canadian television
being in Scotland. I want more. Save the
Bomb Girls you know you want to.

Brittnee V.

I love this show. I even convinced my
grandmother to starting paying for Netflix

just to watch the two seasons available!
We are both incredibly sad that they won't continue the seasons and are ending so pathetically with a movie. My connection to this show is simple: my husband is in the Army, Active Duty, as an Explosive Ordnance Disposal Technician or in other words a Bomb Tech. His career puts him on the line every time he is at training, in the field, or even when he will deploy who knows how many times in his military life. To me, Bomb Girls is a way to connect myself with knowledge on how women handled being part of the explosive aspects on war and life compared to how we handle them today. I love knowing how history was run on the female perspective. I love that EOD wives like myself have a show we can turn to that's not as dramatic and annoying as Army Wives (to each their own). Thanks to this show myself and friends who are also EOD spouses like to stand proudly beside our amazing bomb tech husband's and support them and we call ourselves Bomb Girls. If we had the option we would be in a factory building bombs for our husbands any day! Even though the concepts are totally different, the fact is that the fear we have for our husband's while they are working can be pushed aside and forgotten for a mere 45 minutes because of Bomb Girls. A movie is just never going to cut it. We need this show for our sanity. I pay Netflix, they need to give me what I want to watch!

Dwight D.

KEEP BOMB GIRLS GOING! I recently retired and had to cut back on expenses. One of them was canceling Comcast cable @\$120 a month for which I received 100+ channels. I was paying for

a lot of junk shows =_ 15 or so spanish language (i do not speak it), 9 home shopping channels, yecch!!, 7 cartoon channels (no kids), 10 god channels no comment, 15 to 20 sports channels (mostly talking heads)12 or so news channels mostly same except for fox (I do miss) and other junk channels. paying \$120 for crap. I do miss History, Nat Geo, comedy, discovery, science, and a few others like that. I HATE REALITY SHOWS. I went to Netflix and Hula+ for \$8.00 a month for each. I DISCOVERED "BOMB GIRLS" which I really liked. I was stuned by the quality of the series. I am happy that the public outrage has brought back the show, albeit a movie. I was looking forward to Gladys work for SOE. My mother was a Canadian (war bride) and was involved with nat security issues, best wishes to the cast.

Laurie B.

Bomb girls was a fantastic series. My whole family, including my eighty-seven year old mother, could hardly wait each week for the show! We compared it to series like Downton Abbey with respect to the wonderful costumes, sets, writing and acting. Television now seems to be loaded with phony and often mean-spirited "reality" shows. Bomb girls is not only extremely entertaining but also an important history lesson in a time that should never be forgotten. Please bring it back!!

Cornel & Cheryl M.

Sorry, I don't use twitter or Facebook but would like you to know that everyone I know loves Bomb girls. This is one of the ONLY shows we watch, as there is so much garbage on the TV in the evening hours. You've got a HIT, so why cancel it!

Please give us another season!

Jim K.

Please save Bomb Girls as it shows a slice of Canadiana which very few programmes do nowadays to our younger Canadians. It illustrates a well-written, well acted and very interesting chance to show many young ladies of today what the war made some Canadian ladies go through. The ladies in this programme show girls of today the strength and depth of character that some of their grandmothers and great aunts had to endure to keep our society and country intact. If I were still a teacher of Canadian history today I would show this movie to some of my students. Thank you re reconsidering your decision to cancel this worth-while, educational programme about our great past. Again, thank you for your reconsideration.

Laurianne

It's the best show EVER!!! I love this show! It is such a great story line and so well done!!! I totally feel like I'm in the days of my parents time and I would have just been a baby. So well done please don't cancel this show! What can I do to help? Is there a petition to sign??? I'll sign it!!! Whatever I can do I will.

onthepond

Love this show, please keep it!

AL H.

Please continue this series as this program is a refreshing entertainment that does not have a lot of violence, killing and a lot CGI glitz to promote what I call nonsense drivel programing. "Artic Air" that is also facing cancelation a CBC production is another is another program that should be put in the same category as "Bomb Girls". Thank you.

Andre T.

Just watched Facing the enemy. I quite enjoyed it, but longed for more. Unfortunately I did not get a sense of closure, catching saboteurs and the death of Vera , was a good storyline, but it sure left the door open. Now, if one had not seen the show before, they might think this was the pilot episode, not the series finale. Now if that was the intention of the producers BRAVO! Talk about the potential for a whole new audience to get hooked, and begging for more. Hopefully that is the case, imagine if Netflix, AMC , or even History channel, would pick it up and back it financially as a series, it would be way too cool. If they did do it, it would have to be stipulated, that creative control would be left up to the present writers and producers. The last thing I would want to see is an American channel, go " Great show, but, can we have it take place in the good ole, US of A, you know the Rosie the riveter angle, that would make marketing it to an American audience a whole lot easier". When I first saw the show, I thought the factory set was a little cheesy, you know with lathes going, drills, etc, etc. But after seeing the the screen capture of the real bomb girls, they really nailed it, spartan and efficient, they were there to fill shells not to manufacture them. I don't tweet, so I hope this is enough to help save the Bomb Girls!!

We love this show.....great to see the movie last night. Save this show please!!!!!!

This show was awesome, great quality tv and it NEEDS to be brought back!! SAVE BOMB GIRLS

| <i>Dorothea H.</i> | I love the show, characters, storylines. I looked forward to it each week & could hardly wait for the movie. Keep Bomb Girls Going! |
| <i>Tweetyk</i> | Please add this email to your count to SAVE "Bomb Girls Show." Loved the movie! Keep the show going - it's getting even better! Thanks! |
| <i>Jennifer J.</i> | I fail to understand media economics, with such a popular show. There are far too few opportunities for us to see women, especially, during the war effort. Well done. This middle-aged woman remembers her late mother talking about the war years. This all brings it home. |
| <i>Mally U.</i> | I love this show! |
| <i>Nanapatty</i> | hope to see Bomb Girls saved. |
| <i>Dulcinea H.</i> | It is really sad that Global has not realised the importance and impact of this show. We will keep on fighting! |
| <i>Soraya G.</i> | "Bomb Girls" renewed my faith in Canadian television with everything that it has done. And you [Save Bomb Girls], as a group, with everything you have done, have also inspired me to fight for it: whether by hosting watch parties until my friends were hooked, or composing my own V-MAIL -- especially since the film doesn't feel like enough closure. |
| <i>Julie G.</i> | Keep calm and save Bomb Girls!!! I sooo love this show!!! |
| <i>Errol</i> | A great series I found out about through your site. I have just watched the movie |

and want more of this great series. The plots scenery and characterization has been great. A credit to Global TV. Give us more!

Ginnie S. Keep it up gals! I believe in this show! <3

Maureen L. I really miss Bomb Girls, and my friends English class is doing gender role equality in films and television, and I told their teachers to watch Bomb Girls because it's practically girl power! Bomb Girls has changed my life in many ways, I'm definitely going to miss the show, the movie was amazing

Claudia S. can't wait to see the movie.

Katherine W. Voted for my favourite on Bomb Girls! So wanting this show to win in all it's nominated categories.

Mikos L. BRING THE SERIES BACK

Michelle F. Love this shooooow!

Tony B. So far, the BOMB GIRLS Wikipedia Page still has the very vague "First Quarter of 2014" for it's 2 Hour Movie broadcast. Considering the end of 2014's first quarter is now little more than a month away, one would think that an air date SHOULD have been announced by now! We'll just have to wait and see, I guess! CHEERS!

Isis L. Meg Tilly blew me away! She was amazing in this show, I just wish there was more to see. Very sad to hear that this ending! Thank you Meg Tilly for your outstanding performance you are an exceptional

| <i>Donna P.</i> | I just found and have been watching season two and now it's gone. Always how it goes! We loved it! |
| <i>Tatiana K.</i> | So sad to see this show isn't getting picked up I just discovered it on Netflix! I hope they bring it back! |
| <i>Jeanne F.</i> | My husband and I have just finished watching the series on Netflix. We are very disappointed to learn that the series was not renewed. My father was raised near Winnipeg, and went to Toronto as a young man, before coming to the States to find work. This series has helped flesh out his background. There is very little on television, Stateside, that tells real stories about real Canadians. I will miss this series. Good writing, great acting. Thanks for that. |
| <i>Shirley H.</i> | I loved this show! So many historical programs neglect the story in order to focus on the violence. This had intrigue, |

| | |

| | fantastic characters and great plot lines. I told all my friends to watch, but unfortunately it was broadcast on a channel/network many did not get. I wish the History Channel would pick it up! Can't wait for the movie! |

| <i>Fran M.</i> | I love this show! Any progress on getting it reinstated? |
| <i>Deb H.</i> | Of all the garbage on TV and they go and cancel one of the best series I've ever seen??? Stupid boys. |
| <i>Kathryn M.</i> | Finished watching the reruns of Bomb Girls on Global two weeks ago and have now been waiting in anticipation for the film and looking for any clues as to when it may come out! |
| <i>Felicia R.</i> | I'm so sad! i just discovered this show 2 days ago and have already watched it all! i need more! This is one of the best shows i have watched in a while. |

| <i>Kelley B.</i> | Love this show. I can only watch this show on Netflix since I have no idea if they are running it in the states. I really hope they keep it going. |
| <i>Eugene F.</i> | Any word as to when the movie will air???? |
| <i>Judy L.</i> | I'm a fan of this show and I want season 3. |
| <i>Susan B.</i> | Finding it incomprehensible that an award winning Canadian program has been cancelled. Sounds as though the almighty dollar wields more influence than the interest and wishes of the viewing audience. Pity. It's a really good show. |
| <i>Shelley W.</i> | All of my friends are hooked, we want you to bring it back please! |
| <i>Isabel H.</i> | there needs to be more seasons!!! |

Any news on starting the show again? Can't believe that know one will take a shot at this great series

Jean W.

will there be any more bomb girls? I miss it

Faye W.

I just discovered that Bomb Girls was being canceled and a movie was being made to tie up loose ends. I'm so disappointed there will be no more seasons to done. I looked forward to watching it. Hopefully there will be enough of an outcry of support, that it can be saved. It's so hard to find a show you can really get in to.

Amber M.

I cant believe they are taking this show off, We loved it. Please bring it back on.

David W.

Used my Twitter account for the third time to bomb Netflix!

Michaela T.

Just sent my emails off to the Netflix head honchos! I so hope they pick Bomb Girls up!

Susan G.

Have no idea if the letter will be read, but I have written the A&E network that owns the History Channel requesting their creative programming team review the Bomb Girls series for consideration of picking it up as an episodic annual series (example of their new annual series: The Vikings). Bomb Girls is a well written/costumed/staged/acted historical period piece, not only entertaining but

educational and I believe would be a wonderful fit on the History Channel. I will provide the email address for A&E (wasn't easy to locate) and anyone who thinks this might be of influence, please write them for support of them picking up this series.

Colette T.

People! Bomb Girls is a FANTASTIC Canadian-made drama set in a munitions factory in WWII. It's never aired in Australia & was cancelled last year after only 2 seasons despite critical acclaim & a growing fanbase. Why are women's stories always undervalued? How many decent dramas out there focus on the individual & collective plight of women during the war years? Via this show, the courage of these women is being remembered & honoured. Help Save Bomb Girls to PETITION NETFLIX to pick it up!

Cheryl S.

I love bomb girls and was so sorry when it was cancelled!!

Che W.

I just love this show. I'm watching Bomb Girls for the second time. I love the characters and how they share in each other's lives. I highly recommend it.

Sharra W.

I am American, and have never seen such an astounding show (never mind it being Canadian) that portrays the incredible capacity, skill, and influence that Women have. Not just during the war, but all throughout the ages. Please #savebombgirls!!!

Save Bomb Girls

| <i>Kelly B.</i> | Save it !!!!!! |
| <i>Mari D.</i> | Bring back bomb girls! |
| <i>Danielle R.</i> | Best Canadian TV series EVER !!! I have been sitting around waiting for the continuation of the series. I had no idea it was cancelled. How much more U.S. mass murder shows are we going to be subjected to ? This was an incredible series and I too want it back. |
| <i>Nancy M.</i> | Would be great if they would bring back 'Bomb Girls' for a 3rd season ! Such a good story - entertaining & informative - about the women who worked in bomb factories during WWII |
| <i>Amber D.</i> | Could there be more Bomb Girls movies in store? http://bit.ly/P4NeiV |
| <i>Claire P.</i> | My mom was during these times, and talk about it all the time. She remembers at 97 years old. Someone should pick her brain from the Directors! |
| <i>Maryann B.</i> | Will "Bomb Girls: Facing the Enemy" be shown in the US? If so, when? |

Joyce J.

Thank you! SO looking forward to the movie.

Theresa S.

Have to get Netflix behind this show. I just discovered it two weeks ago. Netflix can independently produce it like house of cards.

Susan D.

I absolutely agree! I've had to take some "down time" these past few days during which time I have discovered bomb Girls" on Netflix. I love this show! My down time can be tough to deal with but Bomb Girls has been a life saver. I really hope that Netflix will consider carrying on this wonderful show.

Laura P.

loved the series

Tom D.

Loved the series but will NOT watch this movie.... sorry but I refuse to support something that threw their fans to the garbage by dropping the series like it did.

Elizabeth Y.

Was there only 12 episodes to season 2?
Can't wait for the movie!

Cathy S.

Absolutely enjoyed each and every episode of this show and I'm so so disappointed that the series was cancelled!! With the followaing this show had...I really don't understand the network cancelling it!! FANS hate when networks can the best of the best!! I will watch the final movie, but only because the actresses and actors deserve to be seen and should have a fitting departure! Shame on the people who threw these very talented performers away and left us, the viewers, disgruntled and shocked!!

| | |
|-------------------|--|
| <i>Sam F.</i> | How about a real treat and give us a season 3. |
| <i>Katie C.</i> | Still can't believe they cancelled this! |
| <i>Nancy M.</i> | Entertaining (and also interesting) series. We got 'hooked' on it on Netflix and stayed up past midnight watching for several nights. |
| <i>Dani B.</i> | This was SUCH a great show I have no idea why they pulled it! There is so little quality tv to watch....BRING IT BACK!!! |
| <i>Colette T.</i> | Just discovered this show!... Can't believe it's already been cancelled while other crap shows survive. It hasn't even aired in Australia or NZ, which makes me wonder if poor distribution was the nail in the coffin. #savebombgirls |
| <i>Becky M.</i> | Still so bummed it was canceled in the first place, but can't wait to see the movie. |
| <i>Marlene I.</i> | yes , when can we see this in the US? the series was great and could have went on a long time. Too bad Hallmark or Lifetime doesn't pick it up. Army wives was a huge hit , this show is just as good . |
| <i>Heather G.</i> | Another great show been axed I can't stand that we have to watch repeated repeats of sheer crap when there's educational and interesting entertainment like Bomb Girls. |
| <i>Kim C.</i> | Still REALLY upset that they would "cancel" this great series. |
| <i>Anna W.</i> | ill be watching...loved the show and its ashame they canceled it..just crap on tv |

| <i>Kat G.</i> | Bring the show back |
| <i>Elena G.</i> | Can't wait for the movie! Can't wait for the second season to come out on DVD! |

| <i>Emily L.</i> | Yay! Can't wait for the movie, miss this show. |
| <i>César L.</i> | Bring back the show for another season! |

Tanya B.

Why do all the shows worth watching have to go off the air so fast..very excited to see the movie!!

Julia F.

Love this show, really sad to hear it is ending. But i still have my pvr material when i get lonely for the girls.

Diane W.

Also Global, did you cancel Bomb Girls because you haven't ever watched it? Do you even go here? Helen doesn't exist in the show.

Helen R.

was a REAL Bomb Girl who provided inspiration, which took all of .5 seconds to Google. Not to mention "We're happy to announce the final chapter of our beloved

series Bomb Girls is coming" is one of the most insulting ways to word that--you're happy to announce the final chapter of Bomb Girls? You call it 'beloved'? That's ridiculously contradictory.

Bree M.

Love this show. Sad you put it out to pasture.

Kath J.

I love this programme here in UK, can't understand why it's been stopped. Bring it back PLEASE

Linda G.

This is the BEST show! Ever.I love it makes.T.V. worth watching! Will there be dvds of the whole show 4 sale.If so let me no so.I can buy them.Thanks!

Anne-Julie O.

This show was incredibly real and should have stayed on air for a lot longer! This is truly sad to end a part of the woman's history like that! These woman in the past gave us the freedom we have now and they spit on them! A huge step behind...

John F.

I want Bomb Girls I want Bomb Girls I want Bomb Girls. come back

Kim L.

I haven't watched anything on Global since you cancelled the best series on your program schedule...seriously how many cop shows do we need anyway...didn't take you long to add more of those! Bomb Girls the movie will raise your ratings for a two hour period...then buh bye...again. You guys took a golden goose egg and smashed it on your own fforeheads with that stupid decision. Bring back the SERIES!!!!

written show, wonderful acting, I forget for 44 minutes (on Netflix) that I'm not watching real women in the 40's. They are so believable I am just mesmerized. I feel like I'm watching my mother and her friends, what life was like for them at that time in history. Maybe everyone should write to the History channel and ask them to look at this as an opportunity to keep this wonderful show alive?

Jan B.

Such a wonderful series, too bad it was cancelled.

Marlene I.

lifetime or Hallmark should pick it up . Shame it's over , it's so good!

Sheri F.

HOW??!! Explain to me HOW a show winning winning screen awards can be cancelled??!! Is the network high or just stupid??!! Seriously, what do we, as fans, have to do to band together and make this happen? Either bake BBC America see the error of their ways or pitch the wonderfulness that is the quality of the Bomb Girls show to another network until they pick it up? C'mon!! The girls didn't give up when the chips were down and things seemed impossible!! Are we going to cave like ninnies and just throw up our hands and say, "Oh well!" Let's not sit here on FB drivelling, "oh maybe some other network will pick it up." Let's take it to them and shove it in their face and tell them they NEED to pick it up!!!!

Marissa K.

So happy about the awards but wish it wasn't canceled. It was and still is a great show and maybe an American channel will want to but it or maybe make it into a series on Netflix?!

| <i>Matt D.</i> | I see the other actors branching off to new things, but this looks like it's got a fan base that may not be seen in the ratings. |
| <i>Kim L.</i> | Im really looking forward to the movie...but it doesn't ease my frustration with the cancellation of the series. The real women who inspired this show deserve the honor of having their story told...even if its fictionalized. This was a show worth watching...i miss it |

| <i>George F.</i> | THANK YOU!! |
| <i>Connie S.</i> | Thank you thank you! I love that series and was furious it was not renewed! |
| <i>Michaela T.</i> | It's important to keep this show going, not just because of the amazing cast, the story lines and the incredible sets and fashions of the day. This is our mothers', grandmothers' and great aunties story that is being told. Their contribution to |

the war effort should be recognised and a great way to do that is to keep this show going for historical and of course entertainment reasons! My grandma worked in a munitions factory in Scotland during the war so I was instantly fascinated by the series and love the characters. I really hope it gets picked up again! I miss it!

Jacqueline B. I love this show

Barbara B. I love this show!! Please continue with season 3

Colette T. My Granman, Doreen Taylor, worked in a munitions factory in Rocklea, Brisbane (Australia). This show finally tells the stories of the many women who risked their lives daily. They never got to march in parades for their courage, & they all knew that enemies would target munitions factories first. **SOMEBODY PLEASE PICK UP BOMB GIRLS!**

Elena A. I love Bomb Girls! It would be great if Netflix picked up the series! Love it!

May C. I really hope this works, it seems like all the really good shows are ending leaving us with mostly crap!

Kathryn M. Don't get Netflix and won't just to watch one show. I'd have to wait until it comes out on DVD!

David W. Be impressive to see a bomb load of comments on the Netflix FB page. There's a lot of BG fans out there, many more than are on this page and the more folks who make their will known, the more

liable the show is to be picked up. It's just too darned good to see fall away. My mother was Canadian and I know she's behind the show and the women it portrays as much as if she were still alive today. Her sister, my aunt worked in a war plant in Massachusetts having been released from the WAC's as her war time job was more critical. Bomb Girls is a part of my heritage and I'm proud of that fact. And Betty is so amazing!

Amy P.

This show needs to be picked up by Netflix! !

Judy L.

TO Global and Shaw, You made a BIG mistake!!!!

Michele S.

When will the movie be on us netflix?
That how I saw it.

Alice S.

I want to move to Canada for lots of reasons and now this is one more.

Tonje N.

Oh, wish I was in Canada Can't wait to see this movie! Hope it spreads to other countries fast

Bobbie F.

Why doesn't Canadian Netflix have this brilliant show on its rotation? Glad its on American Netflix but since its a Canadian based show shouldn't it be available on Canadian Netflix too?

Colette T.

I just binge-watched ALL of Bomb Girls. Bring on Season 3, Netflix!!

Kim F.

Dear Mr. Hastings, My husband and I have been loyal Netflix customers for 5 or 6 years now. We stayed with you through the price hike when many people jumped ship. We stayed with you when you

started concentrating on STREAMING...(which, to be honest, we like). So, Here IT IS....We want you to SAVE THE BOMB GIRLS! Bring us a season 3!!!! Make it....throw money towards it, whatever. But, you introduced us to it, so now you need to help save a great historical-fiction show. (E Mails sent!)

Erin S. I is like my favorite show. Can't wait for the movie, bit that won't be enough
