Che W.	I've tweeted, posted, and emailed netflix execs...SAVE BOMB GIRLS!!
--------	---------------------------------------------------------------------

---

wanderingaroundyoutube	Every day on twitter I see people fall in love with Bomb Girls for the first time on Netflix. I don't mean they simply enjoy the show, tweet about it, then move on. I mean they devour those 18 episodes then go <b>LOOKING</b> for more. That is a huge thing, so I'm going to type it again, on it's own line in bold. They go looking for more. They fall for this show, for these characters, so hard that they open a new tab in their browser of choice and google "bomb girls season 3". They expect there to be more. And they are devastated when they find out there isn't. If that doesn't convince television execs that Bomb Girls needs to be saved, I don't know what will.

<i>dragul</i>	What do you mean there are only two season of Bomb Girls
<i>mechromancerm ermaid</i>	NETFLIX GOLD. BOMB GIRLS IS THE MOST UNDERRATED SHOW EVER IT'S EDUCATIONAL AND PATRIOTIC AND THRILLING AND GOT GREAT REVIEWS YET NO ONE WATCHES IT
<i>minniemindscolide</i>	So I've been watching this new show called bomb girls and I just watched the episode that really made me fall in love with the show. The strong women featured in this, and the type of writing. It's tough, patriotic, and strong.
<i>teaandbbc</i>	BOMB GIRLS BOMB GIRLS BOMB GIRLS WHY DID THIS JUST END ON THAT NOTE WHY WHY WHY I NEED THIS MOVIE NOW
<i>whatshername89</i>	Bomb Girls is the shit. Seriously. Every episode breaks my heart. Such amazing women.

<i>ofcrosseddaggers</i>	I was so upset when my friend told me that it was cancelled before I even finished the first season :c this show NEEDS to come back, THE WORLD NEEDS MORE 1940S CANADIAN LESBIANS AND PRECIOUS FACTORY GIRLS.
<i>johnwatsonablog ging</i>	Bomb girls is so important because it show's the women's side of the war and how women helped win the war and how the war effect them and their familys. Whenever you watch movies or show's about the war it's all about men and what they did and even when it's about women it's about women who are love sick and waiting for their man return. Nothing else. Yes bomb girl's show's that side of things but it also shows other things like how kick ass they are and how they are also fighting the war not just sitting

---

---

around and waiting for their boyfriends or whatever to come home. With out women we wouldn't have been able to win the war. I believe that and I am so glad that bomb girl's show's that. It is such an amazing show we turely need more show's like it. Continuing the show wouldn't hurt ether.

So uh, hey followers, you heard of Bomb Girls? Yes I know the majority of you reading this would love this show. And you know the number one reason why you should check it out? LGBT Representation BITCHES. We gotta support and show love to those writers who show their willingness to portray LGBT persons on their shows, and do it responsibly and respectfully. We have to make sure shows like Bomb Girls stay on television and change minds and perspectives. We owe that to ourselves, other LGBT persons, and to society. So check out Bomb Girls on Netflix or anywhere else you can find and get behind shows like these that REPRESENT.

<i>Lorie F.</i>	Looking forward to it, but wishing this wasn't going to be the last of Bomb Girls. When I see some of the things that stay on TV for years, I'm still in shock that this was pulled from the air so soon.
<i>Michael M.</i>	Such a good show...will be missed
<i>Elizabeth A.</i>	I wish I lived in Canada so I could watch Bomb Girls: Facing the Enemy next week. Any ideas when it will be shown on Reelz TV?
<i>Kelly A.</i>	When will it be on Reelz?
<i>Bomb G.</i>	Reelz will be airing the movie in the US sometime this spring. We'll let you know as soon as we hear a confirmed airdate!

---

---

<i>Kathi G.</i>	Looking forward to the new season!
<i>Valerie T.</i>	Please tell me Reelz will air this!!!!
<i>Chris M.</i>	Bomb Girls responded in these comments that it will air in the US this spring on Reelz. So glad because I never heard of Global.
<i>Tori S.</i>	Omg ! I thought the show was cancelled ??
<i>Joyce J.</i>	Yah...so looking forward to the movie.
<i>Amanda P.</i>	I hope it will be coming to the states soon!
<i>Crystal P.</i>	I cant wait!!! is the movie going to be in the US?
<i>Jo W.</i>	hope we get it here on reelz the Canada site will not let us even access the global site
<i>Diane W.</i>	They're building a device to destroy whomever it was that decided it was a good idea to cancel this show.
<i>Tracy W.</i>	Looking forward this being shown in the UK, love the series, is it available on Blu-ray Bomb Girls?
<i>Cindy R.</i>	When will this be aired in US? This show is great material for a project I'm researching, giving a good visual to that era. My mother worked in similar settings in the US.
<i>Sarah R.</i>	We want it in the US also!!! More than the movie, we want the weekly show back!!!!

---

---

<i>Diana M.</i>	YES!!! So glad it will air in the US, can't wait!
<i>Peggy S.</i>	Waiting for it to air in the us! Wish we knew what date!?
<i>Sandi E.</i>	Love to see the movie but wish the series was still one. gave me such insight to my grandparents generation why the women I know were so strong and such matriarchs.
<i>Elizabeth A.</i>	Can't wait until Spring has sprung and Bomb Girls: Facing the Enemy airs in the US. One of the best shows on television. Too bad the powers that be would rather air lesser quality programming.
<i>Theresa S.</i>	Get netflix to produce your show!!!!
<i>Christina J.</i>	Cant wait. This show is fantastic for so many reasons.
<i>Megan E.</i>	When is it on in the UK ? Looking forward to it !
<i>Marisa W.</i>	When they cancelled Bomb Girls I cancelled my cable. Is this coming out on DVD?
<i>Tina M.</i>	So far no listing on Direct tv. Will it be coming to the US?
<i>Jill J.</i>	I see it announced but don't see it scheduled, does anyone know what channel it will be on in Canada
<i>Marlene I.</i>	No idea where or when we will see it in the US . hoping Netflix pics it up . you can watch both seasons on there! Sell the rights to Netlix so we can see it too!
