It really is a shame that Canadian TV shows have to be diminished by American and British film; if anything they should be added as worthy equals! Personally I think Hollywood has seen its heyday; I don't go to the movies much and when I watch TV I end up really liking shows which are British or yes, Canadian. I loved Flashpoint and I love Bomb Girls! I can't believe such superb shows get cancelled. I have signed the petitions to save Bomb Girls and really hope some other network picks it up.

Bomb Girls is the best Canadian drama in decades. It is a disgrace that it is being cancelled to make room for more U.S. simulcasts.

Part of Canadian history that made a difference in the World we live in today. Much has been said about Canadian servicemen here and abroad, but this is all about the infrastructure that made it all possible. As a naval veteran, I am saddened by the demise of this Canadian historical story line. The Avro Arrow was terminated by Dieffenbaker. Bomb Girls was terminated by Global. Both are monumental blunders.

As a fifty one year old white guy I'm fed up with the increasingly bland stereotypical, cookie cutter, c**p that's coming out of the U.S. Period dramas are proving to be a rich proving ground of fresh ideas. Even a period that's from an era that's only 70 years ago, is great in finding how things had changed since. Seconded by the fact that this show is female driven. There's too many "Law and Order" cop and lawyer shows, and Global is backing Rookie Blue over Bomb Girls. Well guess what Global, I don't watch Rookie Blue. I'm fed up with cop shows, cop shows and more cop shows. Same thing with hospital dramas. THIS IS DIFFERENT!!! We need more T.V execs with vision and guts, who'd venture into new territory.

<i>Shannon B.</i>	Good enough to be nominated for best drama series, but not good enough to be kept on TV? Psssh.
<i>Bonnie J. H.</i>	Probably the ONLY reason it was cancelled was dollars and cents. It's all about the bottom line.....who "cares" about Canadian culture and identity!!!

<i>Jeanne M.M.</i>	nominations. More awards. But yet still we have some of the most talented Actors, writer, set designers, researchers, directors, make up artists, lighting, and wardrobe departments, in North America, and they are all going to out of work soon! What a sad waste! #makesmeVERYangry

<i>Natalie A.</i>	Should NEVER have been cancelled!!!

<i>Adrienne M.</i>	Bomb Girls receiving a nomination for a Rockie award is such an honour!!! The series keeps getting such wonderful accolades. Sooooo proud.
<i>Jill M.</i>	Good question...then why is it being cancelled ??? It's getting interesting now with Gladys stepping into spy waters.
<i>Holly R.K.</i>	Keep this going! Love the show.
<i>Laura M.</i>	Love this show too
<i>Daun F.</i>	I LOVE This show!
<i>Athena G.</i>	Seriously stupid to cancel award nominated show. Global, what are you thinking?!?!
<i>Kerianne C. F.</i>	Bring back Bomb Girls!!! And not just as a special. Do the right thing Global. The ratings went down because you freakin' hid the show to broadcast an old tired American "reality" show and then didn't even have the decency to bring it back on the same nights. You suck Global! Un-suck and do the right thing!!!
<i>Mary T. G.</i>	Please don't cancel this show!!! As an American living on the border, I cannot STAND most of the crap we put out...It infatuates me! All that reality garbage and Survivor--Hello! Give it a rest! I can't believe people still watch it! I LOVE LOVE LOVE this show and have become so connected to the characters...I have loved Canadian TV since Anne of Green Gables to Deglassi Junior High to the Kids in the Hall...This show is AMAZING! Just because it doesn't appeal to

	American's...Please...We put out Teen Mom and Jersey Shore, for crying out loud...Ugh...Please keep Bomb Girls!!!!
<i>Debra D.</i>	Bomb Girls is wonderful TV ... the deep endearing characters immersed in a tough time in history and the situations they find themselves in! Please keep the show on, it's worth watching!
<i>Janet P.</i>	I thought the US was quick to cancel good shows. We love this show and hope they reconsider. We are sick of reality shows!
<i>Debi D.</i>	WooHoo!! Over 20,000 Bomb Girls Likes. Bomb Girl Fans Rock!!!!
<i>Nancy B.</i>	Hey Global
<i>Rosalie F.</i>	this is a great show for us women ;) how can they cancel it...I've had it with the reality shows...PLS DON'T CANCEL!!!!!!!!!!!!!!
<i>Judy L.</i>	Bomb Girls just got Nominated for Rockie Award for Continuing Series Drama at the Banff Media Festival . The show got cancelled why is it getting nominated for awards?
<i>Monica W.</i>	I love this show more and more every week. please do not cancel it

<i>Stephanie M.</i>	Please - do not cancel this show!! In an era of bad reality TV with ridiculous excuses for entertainment like the Kardashians and Teen Mom this show is not only a breath of fresh air but these characters are inspiring! I love that it's set in the 1940s (great job on the fashion!) and focusing on several "Rosies" who made a real difference in the world!
<i>Gail T.</i>	I really hate to see this wonderful series end. There is so much more material for further shows and it is the best Canadian drama series we have had in years.
<i>Tracy T.</i>	How can you guys cancel this show? I'm in the U.S. and I love this show. It's probably my favorite show on television right now. Please don't cancel it!
<i>Nancy W.J.</i>	Don't cancel Bomb Girls!!!
<i>Margie P.G.</i>	I absolutely love this series! The show is informative from a historical point of view, heart
<i>Meg A.</i>	Monday nights are not the same without my favourite girls... :
<i>Amanda J.G.</i>	I first saw this show on Netflix because I only have local channels. I am so happy I discovered it! An era I have such a passion for and respect so much. Can't wait to catch up!
<i>Jesu H.</i>	Finally starting watching from season 1 and can't stop watching it. I love all the characters. But Antonio Cupo takes the cutest cake of all. Yummy!

<i>Christine P.</i>	LOVE THIS SHOW!!!! PLEASE PLEASE PLEASE KEEP IT GOING!!!!!!
<i>Shirley H.</i>	I LOVE this series! It is fascinating! I've told all my friends about it
<i>Janeen V.D.W.</i>	Wish I could watch all the episodes online. All I get is "Geographic Restriction" when I try on Globe.
<i>Coffee P.</i>	I just found this show on Netflix US and marathoned the whole first season. Then hit the internet looking for more, and discovered... cancelled?! Who cancels such a great show?! Are they INSANE? I want more Bomb Girls! Already signed the petition.
<i>Cathrine C.</i>	One of the few programs out there of quality and substance with an engrossing story that I can enjoy with my teenage daughters. We've been faithful USA fans watching online. Thought Canadian TV was smart enough to recognize when they have a hit on their hands!
<i>Janice D.</i>	Love the show. I am upset this is cancelled!
<i>Gregory E.</i>	Again another great Canadian produced show cancelled to make way for American simulcasts. How can the youth of Canada learn of the great things done by ones left at home during the WWII if we cancel great shows depicting it. What a shame!!!

<i>Sheila F.</i>	Really angry and disgusted that it is being cancelled. Finally, after the way Americans treat our history and heritage, we get a show that we can be proud of and Global cancels. Maybe if they had not messed around with it, breaking it into two viewings and switching nights so it was competing with a very similar show based on Canadian history, it might have done better.
<i>Michelle S.</i>	Is there anyway of saving the show. It the best written show on TV!
<i>Pamela M.</i>	Please don't go...Bomb Girls is a show I can't stop talking about! There is so much story that hasn't yet been told. This is just the beginning!!
<i>Jennifer P.</i>	I can't believe it. I heard the show didn't get renewed for next season!!! THIS IS TERRIBLE!!!
<i>Patti O.</i>	This show is so inspiring! It really drives home the way WWII changed the world for women. Each character is riveting. I hope they do another season. We need to know what will happen next!
<i>Misty S.</i>	I love this show! :)
<i>Joyce J.</i>	Wondering when I'm going to stop feeling so badly that our Bomb Girls has been cancelled.:(:(:(
<i>Bj T.C.</i>	Love love love this show. Makes me think of my aunt Opal and grandma Bernice.
<i>Debra D.</i>	Love this Show ... Please keep it going ... History and Entertainment in one ... what could be better!

<i>Marisa G.</i>	Can't believe they cancelled this show. Must have been a group of men who made the decision
<i>Helen R.</i>	Love this show
<i>Jo-Anne H.T.</i>	DO NOT CANCEL THIS SHOW. Its by far the best one global has to offer. Stupid, stupid decision. Global, you are in my bad books.
<i>Carole Y.</i>	love this show
<i>Kristina L. H.</i>	Help save Bomb Girls! Once again we need to save an awesome TV show...Not because the show is too expensive or low ratings...Nooo! The networks in Canada don't want to air their locally made show in favor of some reality bullshit because of ADVERTISING PROFITS. It's shameful...Canceling a beloved and quality TV show just to replace it with crappy reality TV irks me to no end. So help by signing this petition to save an awesome show about some awesome women!
<i>Courtney A.</i>	Am I missing something?? This show is not only amazing, but has garnered a large world
<i>Frank D.F.</i>	I know this comment will probably get looked over but I was really working hard so I could at least get a small one episode part on Bomb Girls and now, that goal has been halted.

<i>Tan Y.</i>	To all the actors and crew of Bomb Girls. It was an amazing show we watched every episode and are very sad, that there will not be a third season... but any way we enjoyed it a lot. In only one weekend we watched online the two complete seasons and went addicted:
<i>Debby T.</i>	Hey, I'm from rural Georgia, USA and just found the show! I am hooked and plan to do marathon Netflix to see season One! Awesome show, learning a lot I didn't know about the war. I'm also reading "The Girls Of Atomic City", Denise Kiernan, about the Secret City (Oakridge, TN USA) very similar storyline
<i>Craig L.T.</i>	to all the crew, this is simply the best show, showing another side of the war that has been hidden by a mountain of dust, the woman that took over when the men went to fight. they should be remembered and this show does just that
<i>David A.</i>	I've never heard of this series. I am a history nut and would love to see it!
<i>Hedy B.D.</i>	we're HOOKED! Season 2 finale last night! It's well written, incredible sets and costumes, and just a good watch!
<i>Geary L.</i>	getting better with every series.
<i>Stéphanie L.</i>	"It's maybe the end of the begining.." – Gladys I'm so sad it's over! Can't wait for the movie! It was a very very good last episode! My heart breaks with the story of Betty and Kate :(I'll miss Vera, Marco, Kate, Betty, Lorna and Gladys! ! They are amazing actress!

<i>Judy L.</i>	I went on Global TV facebook and gave them a message. We should all give them a message on their facebook. "Global TV Facebook."
<i>Pat F.</i>	I feel like we are the bomb girls. Like, women from the 1940s, this time not being recognized for our viewing interests. How many shows are geared towards male audiences? I for one can't stand reality shows where people are treated like fodder, screamed at, told they are being sent home. What crap!
<i>Lisa P.</i>	Who can I contact to protest the cancellation of this great show?? This is a program my husband and I both look forward to watching every single week!
<i>Stéphanie L.</i>	I've wrote them...but they've said that they don't do for sur another season..juste the movie...but you know what...screw this! I'm gonna do my Bomb Girls and wrote again and again to save this fantastic show! At least for another season!
<i>Colleen W.</i>	please save this show
<i>Kathryn M.</i>	Why on earth are they cancelling this excellent piece of drama. I would set in on the same scale of some of my favourite running British dramas such as Downton Abbey, Mr. Selfridge and The Bletchley Circle.

Lynn M.P.

This show is exceptional! Unlike the usual crap that we have come to expect from some of our Canadian shows, this one is above the garbage that we have been seeing the past 10 years or so. We must keep it on air, we need quality Canadian made programs in Canada, about Canada! The fact that so many viewers from other countries are saying good things about the show should tell Global how GOOD this show is. Save Bomb Girls!!!

Erin M.

We've got all sorts of negative role models for young women, from Snooki to *New York (from MTV I think it was). Now we have a show with incredibly strong female role models, a positive representation of Canadians and some quality historical content but Survivor is more important? Really? The almighty dollar and ratings are such a driving force that they won't give Bomb Girls the chance to rebuild the head of steam it had before the hiatus and that saddens me to no end. It's a wonderful show and I don't want to see it go. "Reality Television" wins another one.

Tanya C.

This is not a show that should be canceled! Save Bomb Girls!

Margaret G.

Global TV should be ashamed that they are canceling such an amazing TV show..one that shows the women who help during the war..its a way of honour these people..its that what Global doesn't like..it shows women did mens' work? that they were a vital part of the war effort...shame on you all...

Carol G.

So sorry to hear the show was cancelled

<i>Sue F.</i>	Please don't cancell this Bomb Girls!!!!!! It is an amazing show.
<i>Heather D.S.</i>	I have thoroughly enjoyed this show but was very disappointed with how the writers decided to end it. Hopefully Global will consider bringing a series back using a lot of the well
<i>Faith M.</i>	I can't believe they are chopping such a good series.
<i>Sara B.</i>	Bomb Girls, why oh why must you be over! Please, for the love of all is good in this world, let them renew it! Best show ever. In only 18 episodes it has captured all of us and I know for me that I have gotten genuinely invested myself in all of these women. What a tragedy!
<i>Carol A. D.</i>	I love this show and so does my daughter, why is it being cancelled?
<i>Wendy L. H.H</i>	It's a blood shame this show has been cancelled. Bomb Girls is one of the few great shows on television AND it focuses on Canadian women's contributions to WWII. We need programs like Bomb Girls, not reality tv crap like 'Pregnant Teenage Gypsy Hillbilly Handfishing Amish Mafia Survivors'.
<i>MaryandJoa S.</i>	I am truly disappointed that the show is over. It was one of the best shows on TV, and made me realize what a time my parents had during that point in history. It is a shame that the good shows are the ones that go, and all these awful reality shows continue to be renewed. Canada has some really great shows to offer, too bad Canadian networks can't seem to support that content.

<i>Robert M.</i>	I am really going to miss this show. I now hope Global holds true to their promise of producing a two hour special for the fall to tie
<i>Geoff B.</i>	Please don't discontinue one of the best TV series to come along in decades!!!!!!
<i>Emily F.</i>	I can't believe they have cancelled this, thank you to everyone involved in the show, it was a magnificent show to watch.
<i>Nicole S.</i>	so very disappointed in the decision to cancel this show. I enjoyed watching and never missed an episode. global needs to reconsider!!!
<i>Sarah A.</i>	That can't be it! It just can't.
<i>Megan P.</i>	So disappointed to see this as the series finale. It is hard to get a decent show that doesn't involve police dramas, or reality tv.
<i>Amanda A.</i>	This show has ruined my life in the best way possible, and now that it's over, I want to go on living and refusing that the finale ever happened because things cannot end this way with no guarantee that a TV movie will be made. This is the kind of television I live for and the reason why I'm studying creative writing in the first place. You broke my heart.
<i>Lisa P.</i>	Be still, my beating heart. Crazy episode. Hope you guys are able to find a way to properly continue the stories or at least give some form of closure... that's not an end, but I guess it could be the end of the beginning.

Bernice J.D.

moen please!!! So much better then all the reality crap. Trump and dancing and competitions on TV is so trite and a waste of time. Making fools out of people for TV rating is so dumb. Global you were on to something, don't let it go. Real people and real war. I think you really do know about the interest in this show and just fall into the trap of USA tripe. You can not go broke if you continue with this series. Think of your viewers. When awake I will get down to this and pass on and yell and cry for more bomb girls.. I like every one of the girls and the men and the poor parents worried about their children while a war is going on. Wonderful script. I hope to buy all up to date now... Don't trust my PVR FOREVER.

Candice T.

The last episode left so many unanswered questions, and I know they are supposed to give us a two hour movie NEXT winter to tie up loose ends, but I hardly think that is enough time to fully explain everything. The characters all have their own plot lines and lives on this show. A two hour movie is not going to do them justice. Why on earth would you cancel a show that thousands of Canadians adore, plus so many others worldwide? This show resonates with so many of us, who had family members in the war, and in the factories. What better show to air, one that the general public can relate to? What do you plan on replacing this gem of a show with? A brainless, mindless, idiotic "reality" show? Don't you think TV channels are clogged up enough with that garbage as it is? I cannot understand why... Just weeks ago, articles everywhere were shown stating that the writers for the show would love to write episodes up

	until the end of the war, when the boys come home, and then all of a sudden, we get notice of a cancellation? Shame on you.
Jillian J.	It's not fair! I didn't know about the show until too late!!!! NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO OOOO!!!!... who do i need to write?
Barbara R.B.	I'm pissed....I love this show I sit glued to it like no other. My mother in law worked the lines and she said they used coke to clean the tables as it would eat the acid! Don't cancel it...keep it going!
Chae A.O.	So disappointed that Global is choosing to let this show go.
Gen N.	Save Bomb Girls!
Mona P.	I love Bomb Girls and look so forward to each episode. It is enjoyed by both myself and my husband. I am proud of Canadians producing such a great series. Please do not cancel such a worthwhile series which shows us and our part in the war.
Michael S.	We love this show
Leslie M.	was bomb girls cancelled???!!!! i sure hope not i love this show. ugh i hope its not cancelled. history, canada, pin up girl styles. yes please.

<i>Katelynn W.</i>	Thank you to everyone who was a part of making Bomb Girls happen. While I'm sad, angry, and disappointed that this is the end I'm also grateful that we were able to see a part of our history, and a truly wonderful story so thank you, thank you, thank you for all that you've done!
<i>Kirsten A.M.</i>	Omg please tell me that isnt the laast episode of BombGirls ... being left hanging like that is absolutely insane!!!!!!!!!!
<i>Elaine T.S.</i>	What an amazing finale. If this show really is over for good I will be devastated. :(
<i>Debi D.</i>	Now this is not the end. its not even the beginning of the end but it is the end of the beginning. Thankyou Bomb Girls fans everywhere.
<i>Courtney B.</i>	Would Netflix Canada be an option for a third season? Let's face it Canadian Netflix could use the content, and Netflix is getting into original series now. AMC's The Killing was revived thanks to Netflix.
<i>Judy L.</i>	E-mail Global tv and tell them you want Bomb Girls to stay.
<i>Donna D.</i>	Please keep protesting the cancellation of our favorite show!!! My Grandmother and Aunt worked at a munitions plant in Toronto....this show is near and dear to my heart and many others!!! Lets roll up our sleeves and flood them with responses!!!!
<i>Sarah R.</i>	I hope this isn't the end.

<i>Joicelyn D.F.</i>	n there gonna leave us with a thing like betty confessing her love thats so not nice :'(
<i>Erika Lindsay S.B.</i>	Is there going to be a triva question for tonights episode?
<i>Ale B.</i>	So sad that it has been canceled. It hasn't been even 2 days since I started watching and consequently got really addicted to it. You must be sure that not only Canada watches Bomb Girls, I'm from Brazil and I want this series back!!
<i>Sandy G.D.</i>	Love this show. Please keep it going. We don't need another reality show.
<i>Linda C.</i>	One of the best shows on TV, really sorry to hear it won't be continuing.
<i>Meg A.</i>	I can't believe tonight is the finale! This show has meant so much to me. It is so empowering to women, Canadians, feminists, members of the LGBT community... WHY IS THERE NOT MORE TV OF THIS CALIBRE??!! Bomb Girls and all involved, I salute you.
<i>Kim L.R.</i>	Global Tv's facebook page has activated their message field...now you can leave them a direct message! I appreciate the fact that you have activated the ability to leave you a direct message. I must share my disappointment and frustration in regards to your decision to cancel Bomb Girls. As a 44 year old mother of 3, and a proud Canadian, i find it incomprehensible that you would throw away the chance to share these well acted, historically thoughtful stories with women and viewers of a new

generation. In this day and age our time is precious, and Bomb Girls represents a show that actively wins the contest in terms of how women like me choose to spend our time. I am quite prepared to avoid Global TV in general as your inability to consider the needs of your viewers over the money making obligations to American TV is your highest priority. Its a shame really, you had a good thing here. These stories deserved to be told, for the women who lived it, they deserved better. I am saddened by your decision.

Joss H.

So disappointed to hear that Bombgirls is not returning. It is a very good Canadian show and shows us one of the big steps women made towards their own freedom. It also reflects so many of the negative attitudes of that time. Good history for younger people too. We need to develop it further in future seasons!!

Mj U.

Do not cancell the show. What is wrong with Canada and it TV shows???? You cancell all the good ones and leave us with JUNK.

Lyn S.

Yes a movie they will release a year from now when everyone has forgotten the story line; great move on Globals part!

Karen B.H.

I do not want to see Bomb Girls cancelled. This is a terrific show! It sure beats all the reality junk on the tube! Typical.

Donna S.

OK, just discovered the show here in America. Watched first season this weekend. How to watch the show's second season from the start?

<i>Margaret H.</i>	This is a great show so please don't cancel it.
<i>Alayna N.</i>	So upset they cancelled it but apparently they will be making a tv movie special to wrap things up, but are leaving us with hope it might come back
<i>Christina B.</i>	Since the movie is not finalized, we're going to fight for the show. At the very least, don't let them think that we'll forget the promise of of movie. http://savebombgirls.com/
<i>Jaleen S.</i>	What sad news of the show's cancellation,....a true Canadian gem that is being slighted by a bigger greedy network schedule!!!
<i>Janet P.</i>	POLEease like and sign! Asode from the Westminster Dog Show this is the only show my nieces and nephews (and the cubs) are allowed to watch!
<i>Laurie S.</i>	Please do not cancel this show. It is shameful that this show should be replaced by a show like survivor
<i>Laurie S.</i>	I visited the savebombgirls website right after I posted on facebook. Hopefully we will be able to make an impact on their decision.
<i>Lyn M.H.</i>	I JUST discovered Bomb Girls and really like it, only to find out it's been cancelled. GEEEEEEZ, what's up with that?!
<i>Joni S.</i>	I love this show & now in true Canadian style

<i>Brenda M.</i>	Save Bomb Girls! I can't believe it's been cancelled. It's one of my favorite shows.
<i>Rianne M.</i>	I know you won't listen but just the same, Global don't cancel this excellent Canadian series.
<i>Sherri M.W.</i>	I seriously cannot believe this show has been cancelled. It is one of the best shows to come out of Canada in a long time. It shows a part of history that should be acknowledged and talked about with pride. Shame on global for canceling this. No doubt it is going to be replaced with some stupid mindless idiotic reality t.v. So many people love this show, it is so well done
<i>Betty H.A.</i>	I love Bomb Girls, can't believe it's been cancelled.
<i>Claudia R.</i>	Love ur show!!!!
<i>Carol B.</i>	This is a great series.....it's interesting, it's well written and acted....so why is it being cancelled.....ah, only in Canada eh?!!
<i>Royden M.</i>	We love this show and can't believe it is being cancelled! A smart well written series about an important period of Canadian history. The characters and the stories that surround them invoke great discussion. Someone made a bad call. This is a show that needs to be renewed.

<i>Royden M.</i>	Well, I have to say a Canadian show about Canadians, and about women....sure sounds like something that SHOULD be Cancelled. We wouldn't want anything to fly in the face of canned laughter now would we.
<i>Danna M.</i>	I am disappointed to hear Bomb Girls is going to be cancelled. I love this show!
<i>Linda H.</i>	Bomb Girls, is a great reminder of the hardships and difficulties of families during the war, as well as a great insight into how women struggled to be considered equal....something still not resolved. I cannot believe Global are so narrow minded...or is it ignorance? This is a great tale of struggle...keep it on the air!!
<i>Marti-Lou N.</i>	I discovered this show just this season and love it. I have just about stopped turning the TV on except for news....hate those reality shows! Now I read its cancelled? How typical. Back to the Internet....
<i>Val A.</i>	Cannot believe this show is cancelled. One of best shows ever. Is it because it is about women?? Never missed an episode even when the time and day was changed. Are ratings taking into account the number of people that record and watch later?
<i>Paulette H.</i>	One of the few shows I make sure I watch or record every week. Being cancelled because it is good, or because it is a great alternative to reality schlock? How sad.
<i>Cordelia H.</i>	So tired of having favourite shows canceled. Please, please renew.

<i>Lynda D.D.</i>	Finally a series equal in calibre to BBC/PBS's Call The Midwife and Global decides to cancel it! What's wrong with you people! Shame on you. DO NOT CANCEL IT.
<i>Sindy B.</i>	don't cancel love the show!
<i>Susan B. B.</i>	Please don't cancel this show!!
<i>Jeffrey J.J. Sr.</i>	What a great show....
<i>Lyn G.</i>	pleeease keep bomb girls
<i>Lenora C.</i>	Please don't cel !!! One of my favorite shows !!!! Please keep it ?!!!!
<i>Angela R.</i>	PLEEEEEEEASE SIGN THIS PETITION. WE MAY BE ABLE TO SAVE BOMB GIRLS. WE JUST HAVE TO CONVINCE THEM THAT THERE IS AN AUDIENCE OUT THERE WHO TRULY LOVES THIS SHOW AND WANTS TO KEEP IT ON OUR SCREENS. WE HAVE TO FIGHT FOR IT. SPREAD THE PETITION AROUND.
<i>Angela R.</i>	This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows...
<i>Nina M.</i>	please, please don't cancel BOMB GIRLS, excellent show, great actors, it has great potential, give it a chance, please.
<i>Giorgia S.</i>	We Want Bomb Girls SEASON 3!!!! Pleaseeeeeee!!!!!!Do not cancel it!!!!

<i>Dawn B.</i>	:(Can't believe this is being cancelled. Finally a show that's not about crap, and it gets cancelled after only 2 seasons. I love this show, because it brings you back to when people had values, dreams and hope for the future. Plus it was Canadian, which made it even better because it felt like I got a glimps of what life was like for my grandparents.
<i>Vanessa V.</i>	CANCELLED?? Say it ain't so!!
<i>Sheila E.</i>	Guys, is there a FB page for Do Not Cancel Bomb Girls? Please post the link if there is. This show cannot be cancelled. It is great!
<i>Michelle A.VM.</i>	I hope the creators and producers are working and looking for alternatives to keep this show alive. This is such a well made series, and it is the only tv show I watch right now. Betty is THAT character I've been waiting to see...Please don't deny me the delight of having McSwagger every week on my tv! =)
<i>Linda W.</i>	Please DO NOT cancel this show..it's so unique and different from all the other stupid shows on T.V.
<i>Cathy H.</i>	Save Bomb Girls.... I have already written to Global Tv.... What are they thinking!
<i>Heather B.</i>	What happened to the Save Bomb Girls facebook page? I can't find it now...is it still up?
<i>Margaret C.K.</i>	Let's see if we can reverse this decision...it's a great show. Please don't cancel the show!

<i>Terrie T.P.</i>	KEEP IT GOING!!!
<i>Sandy D.</i>	We'll miss the show. Betty was a great role model for my 17 year old daughter.
<i>Blake H.</i>	Don't cancel Bomb Girls
<i>Tina Y.</i>	I can't believe the show is not being renewed for a third season! We all just found you! Can't someone reverse this decision?! It was so great to see complex characters brought to life by talented actors.
<i>Charles M.</i>	This is one of the best things on TV My family loves it
<i>Daphne H.</i>	NOOOOOOOOOO, don't cancel it! Give viewers a chance to find it again, and WOM to grow the audience.
<i>Dawn C.</i>	For the record: was the last episode "Kings and Pawns" (as in chess pieces) or "Kings and Prawns" (as in shrimp)?
<i>Rosita N N.</i>	I luv this show, truly classic
<i>Judy W.</i>	Sad to see it go. I did enjoy the Canadian effort. One of the better ones.
<i>Jody H.</i>	really disappointed to read that my favourite show is being cancelled, it was a real treat to watch this show on Monday nights. Television is so full of reality shows these days, it was nice to sit back and relax to a TV show that actually had a story line... Lorna and the gals will be missed in this household ... oh and we can't forget Marco.

<i>Muriel H.</i>	Global, please renew this program for a third season. It is well acted and period costumes and atmosphere are very good.
<i>Sue M.</i>	Keep up the pressure on Global/ShawMedia, folks! They are being very quiet right now, which makes me think they are waiting for the uproar to die down. Let's make sure it doesn't! Remember, the squeaky wheel gets the grease. May it be OUR wheel this time!
<i>Shelly C.</i>	Just wrote my letter to Global. Don't forget to send yours!
<i>Glenn B.</i>	Bomb Girls should not be cancelled..easier to cancel Global. I have the ability to change a channel on my television and I will cancel/delete/stop/remove Global from my life...oh and those who advertise on Global also! Ha...
<i>Kim L.R.</i>	When is Global actually going to comment on anything...the cone of silence around this is truly astounding! C'mon Global i know you can hear us...say something! :p
<i>Sue M.</i>	Keep up the pressure. If they are waiting for things to die down, let's make sure it doesn't!
<i>Kim L.R.</i>	Someone posted that the crew and cast haven't been approached about a movie yet...yet that was in their news release. Hmmmmmm....not sure what to think...anyway they should speak up and say something.

<i>Heather J.</i>	This program was one of few reasons to watch Global. What is the thought process in cancelling? Bomb Girls is a show worth watching and not the usual mindless drivel we're force
<i>Jane B.</i>	Can another network pick up Bomb Girls? Why can they not put the show back on Sunday on another channel???? Really good show.
<i>Annie B.</i>	Don't put it on Sunday try another during the week.
<i>Vicky O.</i>	I heard they are not renewing Bomb Girls. How in the name of heaven could they take off such a good series? I LOVE, LOVE , LOVE this.
<i>Joyce J.</i>	I LOVE, LOVE, LOVE it too! Makes me so sad that it's been cancelled.
<i>Carrie S.</i>	Cancel Bomb girls?? PLEASE dont leave me to only have "reality" shows to watch!! A GREAT show! Let us have one good one, PLEASE!!
<i>Cathy S.</i>	WHY CANCEL????? Awesome show. My husband and I LOVE it!!!
<i>Jackie A.</i>	Hey I'm with you Cathy. I love Bomb Girls!!!
<i>Kim L.R.</i>	When i signed it there were about 300 and some...its up over 1000 now but more signatures are needed for sure! I love the comments...such passion for a great show! So well deserved!

Linda M.

This ridiculous. Do not cancel one of the few Canadian productions that we as Canadians can be proud of. You will reduce us to watching the "reality" fluff that is pure nonsense. I don't want reality. I want quality tv and Bomb Girls is quality. Everyone send emails to Global with your complaint.

Wendy B.

<i>Annabeth T.</i>	I can't believe that Bomb Girls has been cancelled!!! It is one of my favourite shows that I watch every week. I am very upset and am going to miss it. Hopefully there is a small chance of renewal. If it has to end, I hope that Marco and Vera end up together and I think I am the only one, but Gladys and Eugene.
<i>Ginni L.</i>	Just heard that "they" have cancelled Bomb Girls. Why???? We all love this show. A great CANADIAN show. Good characters and good story lines. Come on Global, give your head a shake. Bring it back.
<i>Jessie M.S.</i>	they need more then their head a shake. Your right about everything, good characters etc.
<i>Marianna R.</i>	NOOOOOO! I LOVE this show! I can't believe it's cancelled :(
<i>Bob G.</i>	good show
<i>Joan F.</i>	Sad to see this show has been cancelled but hey, if it's good, usually it gets cancelled
<i>Diana R.</i>	Very sad this great Canadian show has been cancelled. My friends and I looked forward to it every week. I loved the historical information and the fine blending of actors. I hope it is not cancelled.

<i>Karen D.</i>	Sad to hear of cancellation. This is an example of one of the reasons network television is losing to channels like HBO and AMC that are willing to let shows fully explore story lines and come to a satisfying conclusion for fans. Change of timeslot and split season did not help either.
<i>Janet S.V.</i>	Bomb Girls is amazing. It would be a crime to cancel it.
<i>Cathy B.</i>	Please don't cancel it.
<i>Rose Anne D.G.</i>	Please don't cancel Bomb Girls. It is a really good Canadian show with good characters. Give it a chance.
<i>Victoria P.</i>	I would like to say that i am EXTREMELY disappointed that Bomb Girls is being canceled. I mean seriously?! Why cancel such a well written show?!?!?
<i>Chaza S.</i>	Unbelievable!!! Smart, beautifully done show, cancelled?!?!?!? I am so upset! Bring back Bomb Girls!!!
<i>Dianne M.B.</i>	If Global have decided to cancel Bomb Girls, then they are just STUPID!!!!!!! This is an excellent show, well balanced, good plot lines, and Vintage is in. I love this show.
<i>Lorraine G. F.</i>	I was so disappointed to hear that Bomb Girls is not being renewed for a third season. This is a fabulous show! Come on... Let's show our Canadian Pride and renew this series. It gives us such a great insight into part of our history.

<i>Roxanne W.</i>	I LOVE THIS SHOW!! Can't wait until Season 2 comes out on Netflix!!!!
<i>Jennifer S.</i>	So sad Bomb Girls won't be renewed next year!
<i>Cassie H.</i>	I just read that the Bomb Girls has been cancelled...why do they keep doing this??? Bomb Girls is one of the best Canadian tv shows EVER!!
<i>Brian M</i>	I read that Bomb Girls will be cancelled. This was a great show. I think the target demo numbers should be from the post war babies age group or put the show at a later time slot. Thanks for a look at Canadian history in the 40s.
<i>Debi D.</i>	Wow... It is amazing to see my dream end in something that meant so much to so many. Thankyou for this entry and to all the fans of Bomb Girls. And a big thankyou to all the real Bomb Girls out their and in our hearts and minds
<i>Aida S.</i>	My heart skipped a beat when I discovered that the show was being cancelled. I find it to be a huuuuuuuge mistake. Nowadays is my favorite show on tv because so many reasons: It's refreshing and different from other tv shows... (come on.. nowadays we are stuck into shitty reality shows and other absurd series), it is also educational because it allows us to learn and experience the role women had on the WWII and I think that is very important because we are often shown the experience of men. It also offers the point of view of different collectives and harmonize all them. Believe me when I say I'm really sad and dissapointed.

Jiska A.

Why is this awesome show cancelled? It makes NO sense. Sure there will be a movie in 2014. Is there something that we can do??

Kim L.R.

WOW i signed this petition this morning and the numbers are doubled! Global are you getting the message yet...small numbers might not work for you but for those of us who watch your tv station we are juggling kids husbands dishes laundry and God knows what else to watch Bomb Girls and basically the message you are sending to us is 'who gives a royal crap!' Thanks alot...we're not happy AT ALL!!!! Our time is precious...and it was yours. Don't cancel this show...its not too late, please change your mind and we can all move forward!

Angela R.

**I don't understand how an award winning & nominated show can be cancelled. The stories are intelligent, educational, passionate, thought provoking and are relevant to today with its universal themes. They improve each time and surprise its viewers with intriguing twists and turns. The characters are well developed and humanistic. Each with both weaknesses and inspirational strengths. The cast members are such talented and amazing actors and they truly deserve employment. In a world where media is fraught of pathetic "reality tv shows" it is a true pleasure to be able to watch a tv show of such substance. Bomb Girls is my favourite show and I look forward to each and every episode, counting down the days until the next episode with excitement. Rather than cancelling the show maybe time slot or marketing

	adjustments could be made. Analyze it and change it if you must but please don't cancel it yet. Give it a second chance. Please reconsider your decision of cancelling Bomb Girls for everybody involved: actors, writers, crew and viewers.
<i>Natasha M.</i>	So sorry to hear that Bomb Girls is being cancelled! I've appreciated the well
<i>Liz G.H.</i>	So upset by the cancelation :(soooo sad like really sad
<i>Dianne H.</i>	Is it true that the show has been canceled?
<i>Ginny B.</i>	Hey just heard the show won't be renewed, seriously? This is great TV. If this show is gone it is another nail in linear TV
<i>Joyce J.B.</i>	I agree that cancelling this show is wrong on all counts! I am definitely going to re
<i>Lyn S.</i>	Due to the Internet and PVR's, stations like Global can't count the viewers accurately. Tens of thousands of people download programs but are not counted in the "almighty viewers" numbers. Due to time constraints people watch when they have time, not when it is necessarily on T.V. More shows like this and Harry's Law will get cancelled because view count is not accurate! Figure it out Global!
<i>Susan F.B.</i>	Of course this show is cancelled. It is intelligent, well written and well acted. Lets make sure we air more inane shows, that is what people seem to want. I think Global will not be on my TV anymore

<i>Karla C.A.</i>	What?!?! Why?? :S I really liked this show... :s
<i>Maggie O.</i>	Let's write the president of Global! This is insane!
<i>Judy B.</i>	Terrible news
<i>Maggie O.</i>	They put it up against Murdoch Mysteries on CBC at 9pm...STUPID move Global programmers! The ONLY other TV drama filmed in Toronto, not impersonating an American city. Gheesh! I wonder how many American transplants they have working for Global now???
<i>Ashley S.</i>	Thumbs down about you cancelling bomb girls... Its such a great show and wish you would reconsider cancelling :(
<i>Agnes M.</i>	Bomb Girls is a very good show, with a very good cast, but unfortunately it has been put up against too many other equally good programs. I have had to watch about 4/5 different programs at different time zones or downloads just to keep up with all the different story lines because of this Monday night madness. Then, come Wednesday, Thursday and Saturday, there is nothing to watch. I realize it's about ratings but all of the shows on at the same time are not a smart idea. The new series The Following has been very good. Being Human US, is also good. 2 Broke Girls has been very difficult to follow except by watching it on the Global website at a later time. Murdoch Mysteries i watched on the Atlantic Canada time zone. Then of course, I was also following the great British series Broadchurch, soon to be released this side

of the pond. It's almost a relief, that I am now down to about 2 or 3 shows on Mondays, but I don't want any of them cancelled, just spread out, on days when we have those silly and stupid reality shows that many of us mature adults cannot relate to at all. It appears that Nikita will also be cancelled because they have moved it around so much in the past 3 years that most fans cannot keep up with the storyline. It too is a very good show with good actors, but hard to keep up when it is only available on the CW at 8pm on Friday nights or at 7pm on CTV Two at different times. Now that there is no TV guide available anymore, no one can keep up with the scheduling or planning ahead anymore. It's become a moment to moment thing, available only on the screen of the tv. I would gladly pay for a proper tv guide again that is accurate.

Grace C.

As someone from the United States, this show is by far much better than any of the Crappy US reality show.... Fight for quality Television, because we sure don't have it here... This show is much more meaningful than all the reality crap we have... I wish I knew how to catch the latest episode... Global, be smart don't cancel this...

Cait G.

Don't cancel it! This show is awesome!

Gillian M.

Sorry to hear its not coming back!

Janet P.M.

Please don't cancel Bomb Girls

<i>Debbie B.</i>	The cancellation of this show only goes to prove how Canadian TV networks do everything possible to destroy original programming. They prefer to run mindless US reality TV instead. Talk about dumb and dumber!!
<i>Clara P.</i>	A two hour film is HOURS less than a season! More Bombgirls on our screens! Here is a less discussed fact: dads and granddads are Bombshells too and want the show to stay EVEN if they aren't the primary tweeters etc. Dads and granddads ALSO appreciate strong female (and male) characters and stories. To conclude, this show has lots of fans that are a little quieter about the enjoyment they get from the show, but who would miss the show lots. Just saying...
<i>Kathy L.</i>	Global TV has cancelled this great show after two award winning seasons..if anyone disagrees with the cancellation.. Let Global TV know!
<i>Miranda L.L.</i>	Aww no more bomb girls ...what's up global??? U take and then you throw away!
<i>Heather B.</i>	This is an excellent Canadian show
<i>Nina D.</i>	Why take the cancellation of such an awesome show sitting down..write them and tell them how you feel~! We can't change their minds my just sitting on our hands. I have emailed the network and signed the petition. I am also sharing so others can do the same.
<i>Christine S.M.</i>	Love this show! Something amazing on T.V.

<i>Jo B.</i>	Please reconsider this decision that was probably financially driven. This show is uniquely Canadian and tells our herstory! Trust your gut not the figures.
<i>Georgia A.</i>	So sad about the cancellation
<i>Aida S.</i>	Why on earth do you cancell the show? It is amazing... I'm gonna miss it :(
<i>David P.</i>	Cancellation? Ridiculous. Why do Canadian networks cancel popular shows. If you pit it against Dancing with the Stars of course the numbers will drop. I have a suggestion...fire the idiot who scheduled it at that time. The show is an excellent example of Canadian programming that the network should be proud of.
<i>Susan A.</i>	I just read below that Bomb Girls will be cancelled after the upcoming episode. RATS! This happens so often to good Canadian tv drama. Is this for certain?? I know that they extended it after one season, and I was so glad they did. There would be lots of good wartime historical content to add in and carry on the story. As was mentioned, I agree that the CBC should take it over as they did with another of my favourite shows Murdoch Mysteries, and its popularity has soared. Then Bomb Girls would have a chance to be seen by a wider audience.
<i>Susan B.H.</i>	Sad to hear that the show has been cancelled !

Nan D.C.

What am I missing? What makes people think that this show is cancelled. I see the talk about it being so, but I don't see any evidence that they cancelled it?!???? I wish someone from Bomb Girls would get on here and set the record straight. I heard that they were going to do a two hour movie for t.v. But I never heard of it being cancelled. I hope this excellent show and fantastic cast and writers continues.

Janet R.A.

It has been cancelled. I received an official email from Global today in response to my protest email.

Heather M.

I heard today that the third season, if there is one I'm not sure, will not be aired by Global anymore. Please DO NOT cancel this show. It is well written even down to the littlest detail about how life was back. If it needs spicing up to attract fans adding famous stars like you did with Rosie O'Donnell was a great choice. Advertise that you are on Facebook because over a million viewers but not even 20,000 likes.

Meaghan C.

Please don't cancel the show! This is such an important part of history. Very upset. Was my favorite show and watching on a delay in the US on the Reelz station too. At least come out with a box set DVD for all of us to cherish it by.

Wanda F.M.

Such a great show

Habiba E.S.

Women need this show. We need positive, real, characters. We need a show that challenges the stereotypes that women still face today. A show that is against slut shaming and homophobia. If the girls of Bomb Girls were around, they would not take this quietly. Let's channel our inner Betty and Gladys and fight for the show we love!

Maggie O.

I am shocked and disgusted that Bomb Girls was not given another season!!! What is wrong with these giant corporations? Do they not value us as CANADIANS? This is a story about Canada, filmed in Canada, and if Global lets this go, they will never get this amazing ensemble of actors back. If you follow through, you will see a major backlash! I encourage everyone who LIKES this page to post something on their own Facebook page about this UN-CANADIAN move.

Diane S.

I am very disappointed to hear NO SEASON 3 OF BOMB GIRLS!! Outrageous! Come on Global, this a wonderful show. Well acted, well written remarkable stories of our heritage.

Carol G.

I could make some suggestion of what Global can cancel to make room for Bomb Girls!

Kareena S.F.

I just heard there will be no Season 3 ,they are going to make a 2 hour long movie for TV episode :(then that it :(

Katarina C.

Hey Canada, wake up! If u matter, than speak up! We had a good show going on, Bomb Girls to be proud of., and Global canceled. If there is anyone who's not happy about it? Speak Up!

Ian E.

The people at Global who cared about Bomb Girls must feel betrayed by upper management, whose primary interest in the show was obviously to meet the broadcaster's legal obligation to satisfy CanCon requirements. In that context, the offer of a movie seems like a shallow attempt at exploitation. I guess because the show revolves around women (characters, producers, actors, audience, real Bomb Girls), the number crunchers can get away with the decision – sexism still pervades our broadcasting system, and trumps pride in our Canadian heritage.

Kim L.R.

I also signed the petition...I was a little grumpy this morning :p but singing kumbaya isn't going to help anyway so here is what I put: How incredibly frustrating! Cancelling Bomb Girls has got to be the biggest goose egg on Canadian tv execs foreheads up to this point...what are they thinking? Believe it or not, there are still some people, in Canada and elsewhere, who love this show and the important history it tells, who actually enjoy a story with great actors who bring it to life. Just ask the viewers from the UK and Australia and the US who are begging for access to our little Canadian show! What is so incredibly complicated about having familiar Canadian actresses being re-introduced to a broader audience, having the chance to learn more about our own history as Canadians, and

catering to viewers who actually have the attention span to keep watching something beyond an hour time slot? We don't need another 'chop her up leave her in the dumpster for the big detective man to come along and save the day' type of show. Been there done that...time to move on. You have created a great thing here...and these Canadian heroines deserve to have their stories told. Don't give up on them now...a 2hour movie doesn't give these women justice that is well earned and deserved! Change your mind, bring it back and focus on the stories that have so much potential, and lets move forward. Thank you.

Janet R.A.

Just signed the petition and sent a snarky email to Global. Make sure you do it. We had to beg for a second season, it may help us to get a third!!!!

Laura L.

Where is the petition to sign?

Roslyn E.

I just found out that they plan to cancel Bomb Girls. This is a great Canadian drama that teaches us history as well represents Canadian culture. Time to stop watching Global Tv and most of their American programming..Maybe the CBC will pick up this great show.

Kate B.

Noooooo!

Kristina C.

I just found this show and now it being cancelled. I watch this online from Australia and really enjoy how it about women and what they did during WWII. It way better that some of the shows on tv today.

<i>Kristina C.</i>	I have spread the word on my Twitter account and will email Global & Shaw
<i>Lynne S.</i>	This show is great!! It is so refreshing to watch drama that is not a cop show...or realityTV. I love watching and learning more about history. Thank you for making Canadian TV exciting and entertaining as well as educational :D
<i>Andy O.</i>	What a shame about the cancellation. Canada finally gets a really fantastic, WATCHABLE, intelligent program and it gets canned? Seriously, what the hell? We're all going to bother Global TV about it. I hope it helps get us a third season...
<i>Leyla G.</i>	no! please don't cancel bomb girls! :(it's such a wonderful tv show... great stories and fantastic actresses. i'm going to miss it like hell. also it seems like the fanbase is growing with every day, i'm sure it would be even more popular and successful pretty soon. so this seems like a really bad time for canceling. please, please, please reconsider!
<i>Maddy J.</i>	Please don't cancel Bomb Girls. This show is amazing! There's nothing else like it on tv.
<i>Patricia M.F.</i>	We are willing to pitch in for a kickstarter campaign and produce this as a webseries.
<i>Lisa P.</i>	Glad to see that the finale's finally going to bring up that incident early in the season... it's scary but exciting!!!
<i>Burch C.M.</i>	What the crap!! Everytime there is a great show they give it the axe! stupid. where are the petitions??

<i>Tom D.</i>	Disgusting.... Bomb Girls is a great Canadian storyline and for Global to throw out a terrific series as such to probably replace it with some American reality crap is sad. Time to boycott all programs on Global in my house! http://www.theloop.ca/showbiz/tv
<i>Paula K.</i>	There are online petitions to save the show. Find them. Sign them. Now.
<i>Kayla P.</i>	Just watched the first ep. On netflix! Love it! The head lady is a killer actress. Like her too!
<i>Celina E.</i>	It's a damn shame. But have a look over on twitter to see if there still is something we can do. #Bomb Girls Uprising!
<i>Kim L.R.</i>	thanks alot Global now because of you i have to learn how to use twitter Good luck ladies i think i will have to leave that fight to the twitterverse experts!
<i>Celina E.</i>	Well I'm pretty much saying to check the Bomb Girls Uprising page on twitter.
<i>Kim L.R.</i>	sorry to those who may have read this already since i posted it three times but i must repeat myself..i dont understand why with all this realitycrap tv...we finally get a show on the air that women can watch with pride and admiration, and you take it off the air? Not only was Bomb Girls a wonderful forum for Canadian actresses but it brought a whole era of Canadian history to a new generation...Im so dissapointed! :(Please change your mind...don't cancel Bomb Girls!!!!
<i>Gabriella L.</i>	WHYYYYYYY GLOBAL!!!! WHYYYYYYY!!!! This is the best show on TV.

<i>Lori S.F.</i>	I'm heartbroken to hear of the cancellation of this show. Such a great cast, with compelling story lines. Canada, get your act together and stop canceling shows that are popular and often even have good ratings. It's making me cranky.
<i>Sarah R.</i>	WTH Bomb Girls cancelled! ! NO
<i>Jenny P.</i>	I absolutely LOVE this show !
<i>Ursula W.</i>	One reason I loved watching the show was because of the partly unknown, talented Canadian actors. Their acting really delighted me. It's a mystery to me, why you then brought in Rosie O'Donnell? I think, that was a mistake.
<i>Holly A.L.B.</i>	Where can I watch season 2 in United States? Many sites won't allow me to do to geographic location?
<i>Skylar P.</i>	If it is getting cancelled, I sincerely hope that it gets picked back up. I'm genuinely the furthest thing from an avid TV watcher, but this show honestly makes me take time for myself to sit in front of my television whilst on the phone with my great grandmother and consistently ask her questions. This show, I can safely say, has not only captivated me, but improved my relationship with my family matriarch incredibly; made me see her in an entirely different light. To me that is priceless. I do hope they consider a third season. There's so many more stories to tell, and selfishly, more moments like this I'd love to have with my Memere.

Skylar P.

My memere never served, but she lived through it, saw the devastation as a young girl. It's terrifying to think about her going through that. My imaginary hat goes off to your in

Christina C.D.M.

Well said Skylar! Here's hoping...

Christina C.D.M.

I am so precisely angry it hurts. Yet another brilliant CANADIAN show tanked by the networks. I'm disgusted and I can't understand why. How do they count their ratings? Who makes these decisions?? I can't keep giving my heart to amazing shows only to have it broken all the time :(Bomb Girls is the only show I watch on Global and they've lost a viewer when it's over. I'm sorry #bombshells, I'm too mad right now...

Julie K.

This is a great tv show portraying strong women doing their best during a dark a difficult time. Please keep it on so our younger generations can experience what these women went through and we can all enjoy it!

Carol L.

its the best program on TV

Caitlin K.

This is a great show featuring strong women in an important time in history!

Katie Y.

I love this show and how it brings history of WWII to life! The best part is that it gives insight into women's lives during this time period. I live in the U.S. and love seeing the Canadian experience with WWII.

<i>Kristy L.</i>	This show is not only entertaining but needed to help educate the younger generations about the struggles faced during WWII. It's a breath of fresh air!
<i>Trish A.</i>	This is a wonderful Canadian show whose appeal reaches across all generations
<i>Brittany C.</i>	I started watching this show when I found it on Netflix. It definitely captured my heart. All of the girls are so dimensional. They all have flaws and weaknesses, and they all have strengths. They're real. Watching this show motivates me and makes me want to push myself forward. I hope that it will be renewed for another season. I just watched the Season 2 finale, and I know there are so many unresolved story lines. And I know the show revolves around the war, but I think it would also be amazing to see how these characters handle their lives after the war. They have all been so obviously affected by it I'm sure watching them handle the changes that would come would be inspiring.
<i>Cynthia C.</i>	I truly enjoy watching "Bomb Girls"
<i>Allison S.</i>	Love the costumes history, storylines, etc.
<i>Tiffany S</i>	Those women really did risk their lives every single day. And, most of them, as the show shows, were away from their families as well. To me, they were just as brave as the men. They did their part in the war-effort, & we should do our part in recognizing them for it. Plus, Bomb Girls has an amazing cast, & they help make it as amazing as it is. It's one of my favorite shows of all time.

<i>Martha F.</i>	We love this show!!!!' Don't take it away
<i>Krista T.</i>	Because I haven't found a show that I exited about like this one in a long time. I record every week and haven't missed a single one.
<i>Kimmi T.</i>	I've enjoyed many period pieces on tv like Mad Men and Downton Abbey. I lucked up on Bomb girls and loved it! I've learned a lot about history even though it's not my own country. The actors are exceptional and deserve another season!
<i>Karen M.</i>	We need smart well written shows like this to stay on the air. The teach us about the women during wartimes, they teach us about the war effort. The show give us history lessons and geography lessons of our country. Please bring Bomb Girls back for a third season.
<i>Laura G.</i>	Bomb girls is my FAVORITE show. There are currently no other shows like it!
<i>Ann S.</i>	It is a high quality scripted television show. I love it and it deserves to be seen!
<i>Rebecca V.</i>	This is an amazing show! Well written and great acting! It shows what Canadians did in the war effort and what we can do now with broadcasting! There are not enough great canadian shows out there and when we get one, it gets cancelled! It doesn't make any sense!

<i>Jann F.</i>	Bomb Girls is extremely well written, has a synergistic cast, and complex, believable plots. This show has the potential to enrich our understanding of our recent history and experiences of those who participated.
<i>Kathleen K.</i>	It is an excellent show, and one of the few that shows women's perspective during the war.
<i>Leigh M.</i>	Canadian, history, woman, live in Ajax near where the factory would have been, great show, good writers and actresses, etc
<i>B. F.</i>	Our Grandmothers and Mothers contribution should be acknowledged. This show did an exceptional job at doing just that. Do not cancel this show, it is empowering and positive, and more of that vs. all that other garbage on tv is what we need.
<i>Sandy H.</i>	Bomb Girls is very well done series that should be renewed because, it's a historical period about the life and culture of WW2. During that time, it was the peak for women to have rights, and to be treated equally. Not only that, it opens up a new perspective about WWII. What is remarkable as well, is that a Canadian based story, created by Canadians. Americans has "Mad Men" and the UK has "Downton Abbeytown" & "Call the Midwife", that is adding to their history of television. "Bomb Girls" is a great addition to Canadian television, and has the potential to show to other countries that Canadians CAN make great entertainment.

<i>Victoria B.</i>	I love this show. It's so engaging and the fact that it's about Toronto where I live and about women, is amazing. Nothing on tv is like it!
<i>Diana S.</i>	One of the few shows I watch on television - well written, great cast, and I want to know what happens to them all!
<i>Darlene G.</i>	Great show!! My Mum was a bomb girl in Montreal in the 40's. She is now 94. I remember all her stories so watching this show reminds me of Mum and the danger to all these women who came to work and could possibly be blown sky high. Quite a dangerous job..hats off to the ladies all!!
<i>Shanna W.</i>	I love this show! I get together with my girlfriends to watch it every week. You are making such a mistake canceling it. Arrested Development was cancelled and look what happened!
<i>Cheyenne M.</i>	Bomb Girls brought back such an important part of history to younger generations today. The cinematography and acting really captures that 1940's feel. I never lived back then, but every time I watch an episode it is as though I am right in tune with the time, the characters and this feeling is so rare in today's television. My daughter who is seven also loves the show and the girlishness each woman brings to our household every Monday night. Please do not cancel Bomb Girls!!

<i>Beth H.</i>	The quality of writing, the flaws and fabulousness of such well rounded characters would make it such a shame if this show were not renewed. It's so difficult to find amazingly portrayed and well-rounded women, and it would be simply heartless to makes us fall in love with your characters and not give us closure with a finale that was written intentionally as a finale.
<i>C.D.</i>	Need to feed my Bomb Girls addiction!!
<i>Andrea P.</i>	This is single-handedly one of the best Canadian produced shows about women that has ever aired! Great characters, good writing, good stories: what the hell are you thinking, Global?!
<i>Stephanie V.</i>	cuz the show kicks butt!!
<i>Karen T.L.</i>	Because it is simply good television. It is Canadian, it contains drama, history and humour. It features strong female characters. it relies on good plot and good characters and good writing, not on a laugh-rack, skimpy clothes, cheap gags or half-baked 'reality' elements. It makes me want to do the right thing, it makes me feel good. It makes me feel like there are good people in the world trying to do right by others and be better. A little romance doesn't hurt its cause either. Global shold be proud of this show and do right byit and keep it around.
<i>Becky C.</i>	Because this is a breath of fresh air amongst all the shit that is polluting our television screens.

<i>Shannon C.</i>	It's Canadian. It's about women making a difference. It's about our Mothers, our Aunt's, our Grandmothers. The women pioneers of our country, our families. Why cancel this amazing program when shows like "Honey Boo Boo" are still being aired?
<i>Mark B.</i>	I cannot imagine this show being taken off the air! The writing is great, the character interactions are fascinating, and the message showing that the 'simpler life' wasn't always so simple, shows the struggles of earlier generations. It shows a patriotism that should make us all proud - - not the 'what is in it for me' society we have today. A fantastic show!! I am hoping this outpouring of fan support does get your attention. Thank you, Mark.
<i>Becky C.</i>	Because this is a breath of fresh air amongst all the shit that pollutes our television screens.
<i>Nicole H.</i>	This is an excellent show! Still so much to tell! Please do not cancel. This is a great show that Canadians can be proud of. I love this show!!
<i>Lindsay P.</i>	This show brings my husband and I together, we converse on the subjects offered and it allows me to feel a link to my ancestry. Please keep it alive!
<i>Stephanie M.</i>	Besides the period setting (love the fashion!) it's about strong women making a difference. In an era of bad reality TV with poor excuses for women, this series is not only refreshing but inspiring! Please, don't cancel!

<i>Sierra G.</i>	I love this show. Why take away an amazing show?
<i>Annamarie B.</i>	It's history it's American its a great show and there is nothing else like this on tv.
<i>Kayla J.</i>	Bomb Girls is an amazing show. It taught me so much. I never learned about what women were doing during war times in school. These characters are such strong women that every person should have the chance to watch. This show tells a great story and has an excellent cast.
<i>Stuart S.</i>	An excellent Canadian series which is head and shoulders above most of the other programs out there.
<i>Lesley R.</i>	Proudly watching a Canadian TV show with my daughter...great stories and great actors.
<i>Sarah K.</i>	Bomb girls shows strong women in a time when abuse against women seems to be rising worldwide. Don't can it.
<i>Kathleen W.</i>	Bomb Girls is unique tv show. The writers, cast, designers & directors are in a league of their own. It Deserves 3rd Season & more. Please RENEW it !
<i>Amy H.</i>	Intelligent and informative television has fallen by the wayside, but Bomb Girls portrayed women as smart and complex individuals and I really appreciate that. My grandfather fought in the war, so this time period is especially interesting to me. The characters are well developed and the acting excellent. The writing brings to life so many different stories. This show needs to be renewed!!!!

<i>Megan B.</i>	both my grandmoms would be proud...built bombs at a factory in the states.
<i>D. M. P.</i>	This is the first t.v. show that I have faithfully watched in twenty years. I haven't missed an episode. I already own Season 1 on DVD. What a refreshing change from other t.v. fare. Cancelling this show is just wrong. As Canadians we need to tell our own stories. Bomb Girls is doing an excellent job of this.
<i>Shani M.</i>	this is an amazing show. The story deserves way more than 2 seasons.
<i>Heather L.</i>	Show ratings wouldn't drop if you would stop interrupting seasons for other shows. This is a great Canadian show with Canadian content about unknown hero's of the war.
<i>Sandra S.</i>	It is a very good show showing how strong and motivated women can be in a time of the need. I am proud of those women who worked so tirelessly when our country needed them. So tired of the so called reality shows that are currently on TV. Bomb Girls depicts the 'real reality' of the day.
<i>Diane D.</i>	Best show on TV
<i>Katie M.</i>	Bomb Girls is one of the best television shows I have ever watched. I never knew it was possible to be so emotionally involved with each and every character. I don't think it was given the chance it deserved.

<i>Tiffany B.</i>	Bomb Girls is truly amazing and unique. It is literally the ONLY television show that I MUST and do watch on a weekly basis. It reminds us of a part of our history that seems to have been forgotten and left in the dark. It is beautifully scripted, played, and presented. It would be such a shame to get rid of this amazing show.
<i>Anthony K.</i>	Terrific show
<i>Desirae D.</i>	The show is well written, and entertaining. It had me invested in the characters, which I am not ready to let go.
<i>Nikole B.</i>	I love the show bomb girls, I'm addicted! The cast and story line are great, and the strong female roles are something to look up to.
<i>Andrea K.</i>	This show is TOO good to cancel. It is one of the only shows on television I feel good about watching with my 12 year old daughter. Well written, well acted, and well made has got to be worthy of more.
<i>Bobbie F.</i>	This show highlights an important and not well known piece of our colourful history. It was nice to have something of quality back on TV.
<i>Tatiana A.</i>	It is an amazing show with great cast and i'd love to see more seasons.
<i>Andie L.</i>	Bomb Girls is a great Canadian show that manages to convey important themes on Canadian history and women's empowerment. This kind of quality content is becoming more and more rare to find.

Sue C.

My friend really loves this show. Renew it for her. Plus we have so few depictions of lesbians from North America where they're shown to be just people. We need more of that.

Harnaz H.

this is my favorite show and the only thing i look forward to. theres no other show based on the 40s on WWII and women making bombs

Jason T.

This is a magnificent series touch on so many different items not usually covered in media portrayals of WWII. -it provides a Canadian viewpoint, something not often seen in the media. -rather than being set on the frontlines, this shows WWII from the Canadian home front. -its central characters are women, an important voice in the war effort yet rarely focused on in media productions. -a fascinating hard look at how Canada treated "enemy aliens" (e.g., Marco Moretti and his family. As a student and a teacher of Canadian history, I feel that this series provides a unique look at Canada in WWII, and I have recommended the series not only to family and friends, but to my students as a tool for learning a new aspect of a key point in the history of this great country. Please allow this series to continue on.

Kayleigh H.

fantastic show with great values and historical merit

<i>Amber M.</i>	This is a quality program with interesting characters and excellent production value. It is simply an extra benefit that the content is richly Canadian. The stories told within this program deserve to be developed, not cut down in the prime of life! Is there really no hope for anything but garbage, 'reality' TV.... are we doomed to nothing better than Honey Boo Boo? Please do not do this Global!
<i>Bethany M.</i>	This is the best show I have ever seen in my life - don't cancel it!
<i>Edwin P.</i>	It is a long time ago that I saw such a good serie. I live in Holland but also there the serie is very populair. So please re-think the idea to end Bomb Girls. Please!
<i>Julia C.V.</i>	Because this show is amazing!
<i>Ariel M.</i>	Bomb girls is an important, moving, and absolutely unique show and I would watch at least 8 seasons of it. Please bring it back!
<i>Derral P.</i>	Please don't cancel this series.
<i>Wendy E.</i>	it is one of the most intelligent shows on Canadian television (or anywhere). Save the show.

Linda G.

This has been an excellent series that takes you back to an era that provides so many memories of the good old days that have past. The series has been well researched. It has provided tidbits of the history of Canada. I was born & raised in the City of Toronto, have ancestors from that era. It has taken me on a journey down memory lane, not only with the streets I once walked in the City of Toronto but to remembering the slips & silk stockings my grandmother & mother once wore. - Excellent acting & an excellent series that is beyond belief that anyone would think of cancelling!

Sophie L.

This show is unique, there is nothing else like it out there. Please don't get rid of another amazing show.

Cathie H.

This is a great quality show. Why is it being cancelled??

Beverly P.

I wouldn't sign a petition for just any show that I didn't want to be cancelled. Bomb girls is special, and I believe it can do a lot of good. How often do we learn about the part that women played in history? Almost never. How many shows give us so many different complicated female relationships? None that I can think of. Having representation of women making history and living their lives in a three-dimensional way is important for everyone. Bomb girls is a well written, well acted, well designed show, and I hope everyone who is a part of it knows that they are doing something important. I hope this show gets renewed for another season. Thank you, Beverly Poole.

Mary K.

This is one of the best Canadian shows ever and one of the best on tv today. Don't cancel it! It is well acted, well written with great costumes and sets. Keep Bomb Girls on the air!

Blair A.

There is so much trash on TV. A quick browse through Global Prime time is to peer into a proverbial trash heap. Yet, there is Bomb Girls, a rare gem amid the muck (ahem, the Bachelor, Survivor...) this is a show that I would allow, nay require my daughter to watch. Executives don't care about the value of a program. It's the bottom line. Fair enough, here is your bottom line boys...merchandising revenue! I for one would pretty well buy anything Bomb Girls, so would my mother, grandmother, sister and daughter. There you have it, FOUR generations of women for whom this show is relevant. At say \$35 bucks per item, one family alone generates \$175 minimum! Now check out all these signatures...take out your calculators and start number crunching. Add to that the viewership you may alienate by cancelling this show. Bomb Girls is the ONLY reason I go to Global. The rest of your shows are...well...crap. Get creative boys and you'll find that cancelling Bomb Girls is like killing the goose that lays the golden egg.

<i>Blair A.</i>	This show is a raity on TV today. It is intelligent, witty, well written and cast. A brief look at Globals prime time line up is to peer into the proverbial garbage heap of TV. There is Bomb Girls, the jewel that shines through the muck. Executives could care less, if it brings in cash they will cram anything down their viewers throats (Survivor Im looking in your direction...) so I will pitch this from another angle. If Bomb girls were merchandised well, the revenues have the potential to be quite lucrative. Many women across a diverse demographic would enjoy a variety of Bomb Girls inspired clothing and accessories, as a for instance. Lets not see another wonderful show be tamped out in favor of "reality" TV. Come on boys, wake up and smell the revenues.
<i>Luce M.</i>	It's an exceptional show...why cancel it, My husband and I look forward to watching it every week!
<i>Beth R.</i>	Bomb Girls is a great show and I've seen every episode. Please keep making it.
<i>Lisa D.</i>	good tv is hard to find!
<i>Martina J.</i>	I'm not even supposed to have seen this, but love it. Why not keep it on, release a region free DVD, make a few bucks instead? Go on take my money.
<i>Jessie S.A.</i>	This show is extremely good and I would hate for it to go away.
<i>Melissa K.</i>	Great show, great characters!

Sue B.

Excellent show, well written and so authentic as I remember stories my Mother told me.

Darlene D.

It makes you sit on the edge of your seat very real to life.

Amber B.

Bomb Girls is such a terrific show -- interesting from a historical perspective and written with more heart, wit and intelligence than the vast majority of what's currently on TV. Not to mention how rare (unfortunately) it is to have a female-centric show that doesn't make the women caricatures. Please keep these storylines and wonderful characters going for a third season.

Allan P.

Bomb Girls is an extremely well scripted, acted and produced show that highlights the depth and breadth of talent in this country -both in front of the camera and behind it. Investment should be made to continue making Bomb Girls and proper promotion should be undertaken so it can find more audience and grow. Lengthy breaks in broadcasting and changes in show days make it impossible for a show to find a larger audience.

DANNY M.

It's a really good show Im learning about the history of bomb girls I didn't knew there part in the war. :) love it.

Tarquini P.

BEST SHOW EVER, the only one I followed seriously and with interest, very well written, the characters are so lovely you get attached to them and as a woman I find it is important to show what was the life of women during WWII, their strenght and their sacrifices. I think that every women recognize themselves in at least one of the characters. This is my little happiness ! Had wonderful times watching it ! Please, renew this series ! Don't disappoint us!

Carmen R.

Es una serie brillante y con una calidad técnica y artística más que notable. Sería una pena verla abocada a un final anticipado por una supuesta falta de seguidores, que como se aprecia es del todo impreciso.

Adrianne C.

It is hard to find quality television and to have a show of this caliber cancelled is practically criminal. It is comparable with the BBC's Call the Midwives which has very high ratings on both the national and international levels. Such exceptional shows with such strong heroines should be continued.

Patricia O.

The show is a classic. Its vintage costumes and historical setting make it a rare jewel. The characters and acting are phenomenal and the intrigue keeps me on the edge of my seat.

Jill E.

It's an interesting and little known part of what happened during WWII, and a part of history. Too much garbage on. Why discontinue something as interesting as this, and is actually factual

<i>William T.</i>	I enjoy this show about a portion of Western history that has not had enough attention paid to it. Save Our Show!!!
<i>James J.</i>	an untold part of Canada's history.
<i>Beth J.</i>	Education, visibility, for these types Of Characters To Be Recognized And Appreciated
<i>Sofia T.</i>	ARGENTINA WANTS BOMB GIRLS
<i>Kent W.</i>	It is an island of intelligent writing, good acting and technical work in a sea of TV mediocrity.
<i>Emma G.</i>	Great Canadian production!!
<i>Judith B.</i>	Save this show because we like it. Give it a time slot to allow it to continue to thrive. The show is comic, tragic, educational, entertaining, thought-provoking and so much more. It is Canadian television at its best and an opportunity to show younger people what women's lives were like. Strong female characters are not shown enough. We need to save this show.

Sophie P.S.

I love Bomb Girls and I'm very attached to all of the characters. There are so many unresolved problems and so many fans. You can't just end it!! Bomb Girls is a show anybody can enjoy and it's gaining popularity! I just went to a Jill Barber concert. She was in an episode once and she mentions Bomb Girls at every show! It would be stupid to waste such potential and end the show now. So many diverse people watch Bomb Girls, it's crazy! I'm a fourteen year old girl and I'm in the fandom, my 40 or 50 something male math teacher watches it, and so does my aunt. It needs to continue!!

Dawn M.C.

My friend Ian doesn't do pleas for TV shows he feels strongly enough about it then so do I!!!

Kevin K.

I only recently discovered this show in the UK and quite frankly I love it! It's is charming while dark in places but ultimately a very smart and sweet telling of an interesting story. When I heard it was to be cancelled I was quite surprised just how upset I was. Needless to say I am fully behind the SaveBombGirls campaign which many are. If it isn't making enough money in its current format there must be more that can be done to make the show viable. Perhaps the show can be sold to more international markets, if it can be enjoyed in England, it can be enjoyed in other places too. Also a focus more on the online numbers and advertising that goes with that would create a different financial picture for the program surely? Regardless, I am thoroughly unhappy with your decision and do hope you will reconsider, we need a new season, not just a tv movie. Kindest Regards, Kevin

	Kaczmarczyk.
Rachel R.	It's such a wonderful show like nothing else on air.
Rebecca C.	Quality show! Come back, please
Marlene K.	A Canadian perspective of our effort during WWII. A well written, beautifully filmed show. I am familiar with the Etobicoke factory where the show was being shot and last summer was thrilled to see the actors in costume outside the building.
T.M.R.	Thank you for airing this show, but please reconsider your decision to cancel it. The writing is incredible, the actors are believable and the stories are rich in content! We women are finally being seen as more than just eye candy or slaves to a home. Through our many faults we are strong and persevere and not so easily dismissed. This show is a fantastic opportunity to enrich other people's view of what women can accomplish behind the scenes and make us stronger in front of them as well. I love the fact that these ladies are not being exploited as we see so much in our current shows. "Kate's" burlesque performance was so damn sexy. Betty faces her struggles head on and won't back down - I love her ballsy approach. Lorna, mother to them all and still she's shown growing and conquering her fears. And don't get me started on the stories. So compelling, so dramatic, so witty, so engaging and so spot on! Tackling the struggles we all face daily - equality, independence, interracial relationships, racism, secrets, friendship

and family. C'mon Global TV! You're a staple right next to the Jays, the Leafs and maple syrup - help Bomb Girls secure their place as a home grown force to be reckoned with as well. Please give them their due for (at the very least) a five season run! Thanks for reading.

Ian M.

Typically, the fact that a TV show or movie was Canadian would be enough to keep me from not watching it. They are often plagued by poor production values: bad scripts, lame acting, and uninteresting story lines. By trying to hard to be authentically Canadian, they frequently ended up looking inauthentic. But there was something about Bomb Girls that said "give me a chance." After watching one episode I was hooked. It is such a unique show in so many ways. Few movies or TV shows set during WWII focus on the home front and certainly not on the lives of women working in a munitions plant, let alone one in Toronto. It tells a unique story about a part of our history that I suspect most Canadians are unfamiliar with. And it does so in a most interesting way. It depicts realistic characters (all brilliantly acted) in realistic situations. It's obviously Canadian, but never in a contrived manner. I believe Bomb Girls has become a victim of a broadcasting system discriminate against Canadian content. In order for a show like it to succeed, it requires the network committed to backing it. Changing it's viewing night and then putting it on hiatus to air a cheesy reality show, do not demonstrate a real commitment. In fact, it appears that viewership dropped significantly after that 6 week break. The network needs to show

some vision and determination to commit to the show, by keeping it on the same night, buying a significant number of episodes and airing it consistently. Global, you've given up the good fight too soon. Please reconsider your decision, Bomb Girls is a surefire Canadian TV success story, just give it a chance.

Marcy M.

Programming on most channels is absolutely disgusting with repeats over and over again and to see a series as interesting and magnetic at Bomb Girls gave myself and many people I know in renewed hope that the network would continue with a running series of it such as Roots. It appears that some management on certain networks don't see a good thing when they have it. If this continue I'm getting rid of a lot of the different networks. Bring 'Bomb Girls' back!

Yaacov L.

Excellent historical series, very enlightening and entertaining at the same time. This is a show that has not played itself out by a longshot.

Maurren B.

There are not that have enough quality shows on T.V.anymore.I enjoy the strong female characters who, are not man haters. Please renew this show, we send enough drivel to you so you know how bad our shows are. But honestly Americans appreciate good television.

<i>Kelly F.</i>	TV Shows like this dont come around often, and when they do, they need to be cherished. I live in the states and have fallen in love with the show. I am deeply saddened by the end of this show. Even though their will be a movie special in its place. I need my girls.
<i>Sarah D.</i>	I love this show. It is about a time period that is important in history and is inspiring to women of all ages. I think it would be a grave mistake to cancel this show!
<i>Rebecca H.</i>	One of the best Canadian shows I've sen in a while. The period drama aspect adds a lot to it too.
<i>Alison M.</i>	dont cancel the show please!!!
<i>Glynis T.</i>	This is an incredible show. Why would a successful well-written canadian tv show be cancelled? I hope some other network picks it up. I'll be watching!
<i>Janet V.</i>	There are so few excellent historical fiction series.
<i>Mary J. U.</i>	This is a great show
<i>Shirley H.</i>	I loved the multiple views of history that overlapped. There was something in every show that made me think.
<i>Cheri S.</i>	I love the history in the show as well as the well written storylines!
<i>Caroline G.</i>	Bomb Girls was a wholly unique show that deserves at least a proper final episode, if not TV movie, if not a third season!

<i>Elaine D.</i>	This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment
<i>Mar E.</i>	Because there has never been a show like this one before. It's so original and that's what makes it amazing. Please don't take this away from us! Please renew for a third season!
<i>Shashawna A.</i>	this is a great show please don't cancel it.
<i>Kerry T.</i>	Bomb girls is an inspiring show that showcases women in a strong role, showing what everyone, men and women were going through during a difficult war time. It is historic and relevant and incredibly interesting. the show itself is very well done, I absolutely love the characters and am always interested to see the next development in there roles. This show is an inspiration to me and helps me understand the life my grandmother had a little bit more
<i>Ocean K.</i>	Bomb Girls is an inspirational program that showcases both the strength of Canada and the strength of women. Recently on TV there isn't much worth watching it's the same garbage repeated channel after channel Bomb Girls is something different, something engaging, and something special.
<i>Jana H.</i>	It has strong female characters and is amazingly put together- from the music, acting to the costumes.

<i>Brenda K</i>	For once a show about the war from the aspect of those left at home, not the battlefield, but the effort of the people supporting the troops.
<i>Susan O.</i>	Love the show!
<i>Johanna F.</i>	This is a brilliant series that doesn't hesitate to tackle difficult stories or character journeys. It is beautifully written, the cast is stellar, and the set feels completely authentic. I've learnt a lot about the time period, and each episode captured me from beginning to end! I have also noticed that the show seems to have a diverse audience in terms of age group, background and interests, something that should be celebrated! I want to see more seasons of Bomb Girls, like the final episode concluded - this is not the beginning of the end, it's the end of the beginning.
<i>Elise H.</i>	This is a beautiful, well-written show.
<i>Pierre L.</i>	I think it's important to have this type of show on the air to remind us of our past, how we became who we are and that we had/have a voice in the world.
<i>Amber L.</i>	This is one of the best shows and humble, close to the human spirit as possible! Please save this show! I truly appreciate its quality storytelling!
<i>John T.</i>	Contrary to popular opinion. The US did NOT win WW II alone. Shows like this help put that truth in perspective - not to mention, it's just a darned good show. WHY has it been kept a secret?

<i>Jennifer R.</i>	I love this show and it is one that I can watch with my family. I love the history showing how the women and men dealt with the war. It opens so many discussions in my household.. The acting is wonderful and the sets are beautiful. Please don't cancel this. I am sick and tired of watching "reality" shows and greatly enjoy this riveting drama
<i>Debbie G.</i>	This show is my favourite and I hope you reconsider the decision to cancel it. There is so much garbage on TV these days, that I can't believe you would cancel such a gem.
<i>Chrysty B.</i>	It shows us what took place in world war II, I love the story.
<i>Sarah G.</i>	Bomb Girls is terrific! It shows just how important women were in the war effort, which needs to be celebrated and not silenced. As well, it is lead by a stellar cast of strong women; something uncommon in today's society.
<i>Sophia P.</i>	I love this show! It gives me a view into the world my grandparents lived in during their youth. My grandfather was a rear gunner with the RAF, and this time was the prime of his life. Aside from that, the characters are so strong and interesting, I could watch endless seasons of Bomb Girls!
<i>Julia A.</i>	When Canadian shows draw Canadian audiences, they're a hit, when they draw international audiences, they're fantastic.
<i>Michelle S.</i>	This show is the best written show on TV. I look forward each week for Bomb Girls

<i>Sheila F.</i>	This is a show that tells our history, not how America chooses to tell our history or usually ignore or disrespect it.
<i>Heather S.</i>	Great characters, great Canadian show.
<i>Rick G.</i>	This is a great series! No guns, no killing, no american BS. We need more purely canadian shows like this. Please re-instate this delightful series. Maybe global just lost viewers here!!
<i>Julie Z.</i>	I truly love this show. Please keep it on the air.
<i>Clémentine C.</i>	This show is definitely one of the smartest, best written, shot and acted on TV and it would be a shame to see it disappear while it's both a critical and popular success worldwide.
<i>Susan B.</i>	Its so rare to find a quality drama on TV that has a strong female cast and teaches us all something about our past.
<i>Renelle D.</i>	because it is a ggod canadian series...and shows us part of our history
<i>Carla L.</i>	I had family fight, die, and get captured in WWII. It is great television with facts and fiction. It is a shame that this show has been cancelled. It's better than so much that is out there. Most programs on T.V. are awful and this has sustenance. I don't feel like my brain is rotting when I watch Bomb Girls. We had brave men who had to fight in that war. This show honours their commitment to our country and freedom. It also paved the way for women in the workforce.

<i>Charmaine B.</i>	This is a favourite show - we never miss it! It's historical, entertaining, well written, well acted. KEEP IT please!
<i>Karine D. G.</i>	Bomb Girls is one of the best shows on TV these days. It's well written, deep and just excellent.
<i>A. C.</i>	This is a smart, well-written show - the type of programming which deserves space on television. Through the lens of time, we are better able to examine the roots of the women's movement, Canada's nationhood and our multicultural mosaic. Bomb Girls also reminds Canadians of history we would like to forget (incarceration and/or relocation of Japanese and Italians residents), and as the adage goes "Those who cannot remember the past are condemned to repeat it". I hope you will renew this program so we can continue to have a glimpse of the lives our mothers and grandmothers lived and the challenges faced by all Canadians during the Second World War.
<i>Elaine H.</i>	1. It is a series filmed in Canada with Canadian actors, keeping jobs here. It shows an era during the war years that some people are not aware of & I have enjoyed watching it weekly. I agree that it broaches many issues. I have to agree with all of the positive reasons given in former comments & I hope that they reconsider & continue the series.
<i>Wendy S.</i>	I love this show.
<i>Tara E.</i>	This is one of the best shows that I have ever watched in my life.

Carisa R.

All of the Rosie the Riveters and the Doughnut Dollies were real people that made a huge contribution to the winning of the war. I think all the young Americans out there (boys and girls) would benefit from their perspective.

Matthew B.

This show is phenomenal. It's easily among the best 3-5 shows on TV period. YOU MUST NOT CANCEL THIS MASTERPIECE!!!!

Ryanne L.

There are few shows I really truly love and I have seen many great shows like Bomb Girls get cancelled. I went out of my way to find a petition to sign this time to keep this show going. Every episode I watch presents me with an idea of what women had to struggle through everyday in a not-so-distant historical era just to achieve decent treatment. Bomb Girls reminds me to be grateful for the courage and heart women in the past showed during difficult and unjust social situations which eventually led to a more liberated lifestyle for modern day women, including myself. I connect with the characters in the show and appreciate the interesting plot lines. I have yet to see a boring episode. I ask that you please reconsider your decision and renew Bomb Girls. You will always have a loyal fan in me. Thank you so much for your time.

Please keep quality programming like this alive! It's so important for us to see history come alive like this. To understand what life was like for the people who fought through WWII on both the home front and front lines. Please honor those who served and sacrificed by offering up this glimpse into their realities. A taste no one else has offered so well, in my opinion.

Evelyn H.

this is important to me because you have cancelled a great show. this show isnt just another series, it represent the heardships women had to go through during that time period and the new grudges and liberties that the inherited from their husbands. and i personally find this fascinating because as a young viewer this how i have a glimpse into our countries past and all the historical events that took place in a way i actually enjoy indulging myself in

Not only is it a fantastic show, with great stories and characters... but it's so refreshing to see how the war affected Canada. Wartime movies & shows are always about the US, or England... we never get our story. Bomb Girls gives us that. Plus, my Grandma riveted war planes at Canada Car & Foundry in Fort William during WWII - the planes that would've dropped the bombs made in Southern Ontario! It's like I'm reliving parts of her past through Bomb Girls.

Gillian G.

This is quality television. Something that is hard to come by in today's entertainment. These storylines and these characters and these actors deserve another season. It's as simple as that.

Kelsey D.

Bomb Girls is an award-winning, critically-acclaimed show with a steady fanbase, and somehow it has been cancelled? Rather than tell the stories of the men and women who fought on the Canadian home front during WWII, Global would rather fill its slot with some syndicated American reality show. It's time to support quality programming that relates the stories of a diverse cast of characters with integrity and humanity.

Laurie S.

This show had a fantastic lesbian character, and to end it with her going to jail for murder is unacceptable and homophobic. This is a pattern of media homophobia that has been well-documented, and I know the creators of this show can do SO much better than that.

Robert S.

A well written and acted show, with great character development and inspired set design. We've come to love these characters. Please keep the story going!

Nazanien S.

This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV.

Erica B.

This show is fantastic!! It is great to have an alternative to the reality garbage flooding the networks! Please, please keep Bomb Girls alive!

Trinda W.

I love this show! It's an amazing look at our own personal canadian history! It's amazing CANADIAN television, don't take it away!

Chantal V.

Bomb Girls is a show that Canadians can be proud of. It has a fresh and innovative perspective - the perspective of the strong Canadian women supporting the war effort, their struggle to maintain families while working, their struggle to move forward in their lives regardless of the war. It depicts a different time in Canadian society and of Canadian history - an ideal way for immigrants to learn of their new country's history and achievements. It also gives those viewers in foreign countries the ability to know Canada a little better. I love this show. I love its stories. I love its characters. I love the various settings - they remind me of places I have been to when I was a little girl. I love that it is Canadian in every sense of the word. I watch it and understand where my parents and grandparents came from. Bomb Girls is worth saving and continuing to develop.

I accidentally ran across this wonderful period piece program while channel surfing. It was a refreshing change to the programs currently airing in the USA. Please continue producing and airing this program. I didn't find out about it until the second season. The third season, I'm sure, will yield additional faithful followers such as myself.

Norma R.

it is that rare thing, a program that is unashamedly about Canada, Candisns and our history. ir is also superbly acted and just plain damn good television! we need more Bomb Girls and less .u.s reality crap!

<i>Hannah L.</i>	this show is amazing, it is one of the few that i look forward to every week. the way it showcases the women during wwII instead of just focusing on the men is one of the best things about it.
<i>Lauren H.</i>	I would trade any other show on television to keep this amazing show on the air.
<i>Kathy M. D. L.</i>	Quality entertainment is so rare these days. This show deserves to go on...
<i>Kym H.</i>	NO! NO! NO! I LOVE Bomb Girls!!! This is the ONE show I look forward to watching every week! I LOVE these characters!!! Please don't cancel Bomb Girls. There's so much we still need to see!
<i>Sam M.</i>	I think this show is AMAZING! I just started watching the first season on netflix, I wish I had the television channel to watch it on cable! I feel like this show is VERY inspirational to woman. It was a time in our countries history that woman were starting to gain more respect! I feel like sometimes we forget and this show reminds us that! This is why Bomb Girls should be renewed for another season!
<i>Mchimicha.</i>	I love the second world war history, and watching episodes it's like being in this period of our history. The characters are so incredible, they are kind, beautiful and the most important thing : strong. I wait each week, in France, to see these amazing girls. Plus, the actresses are P.E.R.F.E.C.T. I love them and, canceling this show, is like losing friends. Please, don't do it, this show is too good to be canceled...! Thank you.

<i>Kenza.</i>	This is one of the few shows that depicts history or has settings in the past which I love.
<i>Liisa L.</i>	This kind of positive and multifaceted representation of women in media is incredibly rare, it needs to be supported so it can become the norm instead of the exception.
<i>Tracy T.</i>	Please don't kill this show. It's wonderful and I feel like I get a glimpse back in time.
<i>Anne T.</i>	Great show. Great female actors, good role models.
<i>Claudia A.</i>	Muestra una visión muy importante y olvidada por la historia de lo que fue la participación de la mujer en la Guerra.
<i>Pattie O.</i>	Canadian Content -- great show - a story we Canadians should be proud to share. Grass roots of women rights in the workforce. Too good to cancel. History is the original "reality show" Why throw away a great show that tells our history with the war and women's rights. I have lots of highschool students watching the show and they are fascinated with this piece of history. Canadians need to be proud and this show lets us shine.

<i>Dina C.</i>	I love Bomb Girls. The show's cancellation has only brought out the fire and passion in its fans. We are fighting for the life of this series. With brilliant writing, superb acting, and beautiful sets and cinematography, Bomb Girls stands apart from almost every other TV show currently airing. It cannot be over now. We need more. Please, don't give up on Bomb Girls. Canadian History, a different perspective on WWII both from Canada and from women on the homefront, and I love the dancing and music and the costumes!!!
<i>Megan P.</i>	This show has international distribution in more than one country! I really don't get why it's getting cancelled.
<i>Tracy L.</i>	This show is so unique, there's nothing like it on TV.
<i>Roger T.</i>	Finally a great Canadian content tv show that I look forward to seeing every week.
<i>Arden J.</i>	Bomb Girls is hands down the most amazing TV drama I've EVER seen. It's the first show I've watched over and over, and still got something new out of it each time. The script is amazing and original, and the actors are so skilled at bringing the characters to life, I get lost in their world, and when the episode ends, I feel lost upon re-entering reality. I don't want these amazing characters' stories to end.
<i>Kavita S.</i>	This show is an excellent portrayal of the "changing tides" as they said in the last episode, especially the change in gender attitudes.

<i>Ashley D.</i>	The show is educational, provides intelligent social commentary on many controversial topics. It needs more time to allow for its characters and story to unfold.
<i>Jasmine L.</i>	B/C the show finally gives us a representation of what gay life was like back then in a POSITIVE way. We need this show!!
<i>Lara S.</i>	This show has portrayed a side of the WW II effort that hasn't been properly shown before, with women as the major role players! It also addresses issues that, while more prevalent 70+ years ago, still linger on today. Problems such as income disparity and sexism are dealt with. We see just how much more difficult it was for LGBT persons to live and love at that time in history. This television show has offered a rare glimpse into the world of the Have's vs. the Have Not's, those that were persecuted for their ethnicity and other racial issues, and how women proved their intelligence and worth in the workplace. A story like this, one that is so powerful, deserves to play out. Please renew it for at least one more season!
<i>Lita S.</i>	The show reminds me of how people struggled during the war and not to forget what people gave up for for the war effort
<i>Beth D.</i>	Such a great show. Great characters, well written, and different from all the other boring shows. Please do not cancel the show.
<i>Liana B.</i>	This is an incredible show and deserves to be continued!

<i>Marisa G.</i>	This show honors women who fought for their country. Unsung heros. The show is so authentic and well done.
<i>Peggy S.</i>	This show ,shows the strength ,hardships and callenges that these women indured thru the war, the show is well written, well casted, I look forward to every Wednesday night. Being a seamstress that has sewn 1940's fashion for theater events it is wonderful to see the amount if detail put into this show. It will be a great loss to the fans and tv if it s not renewed!
<i>Andrew H.</i>	I think it is 1 of the best shows on telly down to earth not all sex etc
<i>Jordan H.</i>	For an era where terrible reality television reigns supreme, we need to keep the well-scripted and acted shows in the lineup. This show is highly entertaining and is a glimpse into life that we wouldn't have known. Putting this off the air would be incredibly disappointing.
<i>Harold & Jennifer C.</i>	We love the show and watch it faithfully
<i>CJ J.</i>	Love the characters and how they interacted with one another; GREAT CAST; loved that story and time period.
<i>Laura W.</i>	Quality television is truly rare these days. Please don't cancel this excellent program.
<i>Elaine N.</i>	Great content about part of Canadian and world history.
<i>Danielle P.</i>	This show is one of the best, give it a second chance please!

<i>Grant A.</i>	This show shows the spirit of Canadians in trying circumstances. Much better than the usual U.S. drivel we are usually subjected to.
<i>Katie B.</i>	I love this era, and this show! I am a swing dancer and love that this show explores issues of the WWII period. The actors, characters, and entire show are fantastic! Renew!!!
<i>Deborah C.</i>	There is no other show like Bomb Girls. Equal parts entertaining and educational that honours the legacy of these Bomb Women. One of the best high production shows to come out of Canada. We can be proud of this series!
<i>Carole H.</i>	Best Canadian show ever!! Come on give it a third season
<i>Julia M.</i>	this show is right up there with PBS' masterpiece theater shows! It is just fantastic and so important to remember the women of WW2 not just the men!
<i>Campbell K.</i>	I'm on a robotics team whose logo is Rosie the Riveter. To me these characters are an inspiration. Please don't cancel the show. We need more strong female characters in the media.
<i>Janeille F.</i>	Favorite subject is history & being a girl adding a tad bit of romance/drama is the best mixture of show so far. Instead of watching drunkard harlots brawl on reality television, this keen perspective of American drama is just what tv needs more of!

<i>Haze W.</i>	With the cancellation of Flashpoint, Bomb Girls is the only Canadian show that is currently worth watching. Intelligent tv is rare, and this show hits the mark! As others have stated, it is just starting to be discovered in international markets. Give it the chance it deserves!
<i>Lori C.</i>	I would really hate to lose this show. It beautifully captures the period and has an amazing cast of characters! I'll watch to the very end.
<i>Jaime G.</i>	This has become one of my favorite shows on TV. I was disappointed that the seasons were so short and beyond disappointed that the series has not been renewed for another season. the story line has been so great to follow. I tune in every week to see where their lives are taking them. I cant believe I wont be able to tune in next season to see what is going to happen in their lives next.
<i>Michelle H.</i>	I LOVE this show. It is such a great reminder of where we've been and what we made it through in those trying, uncertain times. We should remember those things!!!! Plus it's just a great show.
<i>Georgina B.</i>	Because it inspires me, and Betty McRae in amazing!
<i>Alison F.</i>	Amazing to watch a female-centric show, detailing the contribution made by women during WW2. Bomb Girls has really strong writing and performances, with characters that I can relate to and don't often see portrayed on screen. It is the only show of its kind on TV.

<i>Rodney C.</i>	This is a fantastic show. Please reconsider and bring back one of the best Canadian shows on TV.
<i>Debbie T.</i>	I am in the UK and have loved this show. Educational, inspirational and well acted to boot. Please don't cancel it!
<i>Maggie C.</i>	It empowers women, and it's an important story line.
<i>Rhea L.</i>	I watch this show on Reelz in the US. It's a great period show, unlike anything else on TV. I would hate to lose these great characters, and not be able to find out what happens to them. It's a travesty.
<i>Emma B.</i>	We need more TV shows centering around strong women.
<i>Beth B.</i>	My grandmother was a bomb girl!!..she worked at the general electric company of Ontario at eglinton and warden in scarborough. She was sixteen at the time and had to lie about her age so that she could support her family. This show must stay so that my grandmother and all the other women that worked with her in that factory are not forgotten. So that their stories and strength and courage is not forgotten...please my grandmother's strong character made me the strong woman that I am today...don't let her stories and those like her's disappear
<i>Lauren S.</i>	This show is so progressive, well written, well acted, intelligent, and just generally brilliant! Its cancellation is a travesty and a massive waste of the potential of the best show I've watched in years!

<i>Dana H.</i>	Strong drama, great characters, an examination of Canadian sociocultural interactions during World War II, and a piece of Canadian history.
<i>Christine H.</i>	Bomb Girls tells a wonderful story about sacrifice, loneliness, love, and HISTORY!!!
<i>Mareike Z.</i>	Because it attracts also international Viewer.
<i>Alison M.</i>	Love this show. Powerful, historical & inspiring.
<i>Jerry K.</i>	I always watch Bomb Girls with my daughter because she loves this series. In the meanwhile, I became a big fan myself!
<i>Wendy and Ab H.</i>	Great TV, superbly crafted, intelligent... so refreshing after all this reality TV.
<i>Brianne C.</i>	This is a quality show, it shows the unique and often glazed over story of the women on the homefront during WWII, a story that's not often told, and not this well! Please reconsider canceling this amazing show, It's a refreshing break from all the reality TV crap. The women in Bomb Girls are better role models than most TV women. Keep the show going for a little while longer, at least give it another season, you have a real gem on your hands!
<i>Kayleigh K.</i>	I want Bomb Girls back. Please renew for a Season three! Greetings from Holland
<i>Rachel S.</i>	Best TV show I have seen for years.

Adriana A. the show is simply amazing. enough said.

Rhonda K. My husband and I have really been enjoying this show and were in shock to learn this evening that the next season has been cancelled. It is so refreshing to see an intelligent, well-acted show depicting WWII through the eyes of these strong female characters as they efficiently carried out their important job for the war and interacted with the men who stayed behind as well as the young men who went to war. I feel sorry for the audience who has invested so much time in viewing this program but especially for the talented actors who have done an excellent job in this historical program. I sincerely hope Global will reconsider their business decision and allow Bomb Girls to continue for another season. .

Craig T. simply one of the best shows I currently watch showing another side of the war rarely been discussed and that has been tucked away in a corner gathering dust

Lilia N. I love everything about this show. The storyline, the characters, the way women were important in World War II, fashion, figures, the value of things, everything! Is the best show on television today. Every week I was looking forward to watch .. so sad.

Natalia O. As a queer lady, it is so so so wonderful to see realistic, powerful female characters that are comfortable with their sexualities and that maintain REAL relationships! We need shows like Bomb Girls!!

<i>Lauren M.</i>	There is nothing else like it, and the world needs realistic, human, womens stories
<i>Melanie S.</i>	It is a well-written, gripping story with intelligent dialogue and wonderful characters. Please respect the intelligence of your viewers - we don't need any more reality shows.
<i>Kirati K.</i>	One of the best i have seen in a while. strong women, strong characters, great acting and dialogues (well, except the phony Clifford). It is refreshing to see that the show brought up some well thought questions that should have been, but until now has never been asked seriously on any show on tv thus far. I want such an intelligent show to be watched and appreciated by everyone, specially women, to understand and appreciate what this show is trying to do. There are too many horrendous tv shows that run for so many seasons and to see that a great show like this cancelled is very unfortunate.
<i>Alexis A.</i>	Save Bomb Girls!! We need this show to continue!!!!
<i>Kristina H.</i>	I LOVE this show! Please bring it back for a 3rd Season!

Carolyn L.

This is a great series my family enjoys. My husband's grandmother built planes at Boeing during WW2. We dug through old family pics and letters, and hounded the grand aunts and uncles for stories from those days. My 9 year old son is absorbed with this history and is writing a report about it for class. How the characters deal with social issues and humanity is complex, intelligent and sensitive. Bomb Girls has been an absolute positive experience for my family; and will be a big loss for us when the season ends.

Joanne K.

It's great to see good quality, Canadian shows that depict things that actually went on during the war. It's well written, you can connect with the characters, and it's a truly enjoyable show to watch!

Dana M.

I have never found a show where I could relate to the cast in such a way. I see a bit of myself in all these strong women, and it would be a shame to cut their story short.

Brittany B.

I love this show! It's so refreshing to watch a show based on the female perspective, which is a high caliber drama instead of some night time, degrading "soap opera" equivalent that draws on cheap and easy tactics to gain ratings from the female demographic. This show is inspiring, engaging, intelligent and superbly done. It is a show Canada can be proud of producing. We all know our entertainment industry needs work, because our talent is forever being lost to the US. Please keep this amazing show alive. This is such a shame. Let's stop selling out to garbage, cookie cutter shows produced by huge US conglomerates.

Stephanie K.

You would think that in this day and age, shows with strong female characters would not be hard to come by, and it's true that sometimes it feels like there are plenty of shows out there, but just after a few minutes of watching Bomb Girls, it becomes clear that those other shows pale in comparison to Bomb Girls. There simply isn't a show out there right now that treats its characters with such respect, that creates storylines from the heart in the way that Bomb Girls does. These women are not just good characters. They are role models. I look up to them. I see myself in them, regardless of the time/period difference. Bomb Girls has found what exists in all of us. It would be such a travesty to let it go. As someone living in the United States, I can't buy the episodes. But I want it to be known that I would. In a heartbeat. And I know others that would do the same. I want so badly to support this show, and living in the US makes that difficult. I know sometimes viewership numbers and money count more than they should, but PLEASE know that there is a viewership out here (in the world, outside of Canada). We care, we're devoted to this show, we will keep watching (and loving and supporting). I hope you reconsider, or find another venue for this show. Thank you.

Melissa M.

I haven't been invested in Canadian TV shows since watching the original Degraasi series and Road to Avonlea and that was when I was growing up. I'm not one who usually joins campaigns to save shows but this show is too good to just give up and move on. The storylines are well written and all the actresses and actors have great chemistry amongst each other. I love the friendships between the women and to see the difficulties and discrimination women faced at that time. Plus this show is Canadian, what more can I say about having Canadian pride for such a good show! As you can see it's not only Canadians and Americans that watch this show but others around the world too. So please don't give up on this show!

Kashmir A.

I love this show to bits! It makes me feel proud to be a Canadian woman.

Alisa W.

This show is exceptionally well written. The cast is amazing. There are not many shows outlining the history of Canada's war times. This show has opened my eyes to everything that women in Canada had to go through. Smart, well written shows that center strong women are rare. It is encouraging for women to see other women stand up and work for Canada like the girls in this show. Please renew! This show has been so moving and powerful, and the story is far from over.

Adam M.

This show is important to me for a few reasons. First off, my cousin-in-law Jim Codrington plays Leon Riley on the show and it has been one of the most consistent roles of his career. It has helped my family so much and I'm eternally grateful. Also, as a writer and fan of good TV Drama, I feel like Bomb Girls has raised the bar for Canadian TV shows. All too often, we see the "made in Canada" logo on a show and cringe in terror at the cheesiness and forced Canadian references that will ensue. Bomb Girls does away with that, ensuring that while the show is set in Canada, it never gets cheesy or hokey. It focuses on its characters and tells a great period war story. In short; its fantastic. Canada needs Bomb Girls!

Rebecca J.

Remember the suggestion box? Well this is ours! The daughters and granddaughters of the real bomb girls are DEMANDING another season. This show reminded me what it means to be a woman in America. I'd rather watch this than naked women on "reality" shows any day. You want good ratings? You want to make the big bucks? Then quit disappointing your fans, quit canceling shows that your audience loves and make another season of Bomb Girls. JUST DO IT!

<i>Diane B.</i>	Can't believe they want to cancel this program. Has the kind of content so lacking in today's tv schedules. Those (un)reality shows so popular with the tv networks are just stylized form of bullying. Bomb Girls handles real life issues of domestic violence, prejudice, unconventional relationships, poverty and disability with sensitivity. Keep it on, trash the Amazing Race, Survivor, Apprentice, et al.
<i>Pilar J.</i>	This is an amazing show! It is one of a kind. Please don't cancel it!
<i>Amanda G.</i>	Bomb Girls is a fantastic TV show. It's a real drama with a good story without all of the flash, pomp and nonsense. More shows like this should be on television not canceled.
<i>Mary R. D.</i>	I love this show. I am proud that it is Canadian, in it's story and its production. I especially love Betty. I had never considered before how hard it must have been to be gay or lesbian in an era when there were simply no role models like, for example, Ellen or Rosie. Please save this wonderful show - it's refreshing to watch a show about strong women - who LOOK like real women - and who have believable relationships. Please save this show!!
<i>Zoe M.</i>	This show gives me pride to be a lady who loves lady
<i>Paige W.</i>	This is the first time I have seen a strong lesbian character with whom I identify on a television show.

Crystal M.

I love watching bomb girls please don't cancel it theres still a lot of stories to be told with each of them!

Mia B.

Dear, Global Network, I'm am a huge fan of Bomb Girls it is such a unique show and has wonderful stories and tells a history that is very rarely represented so well on TV. This show connects with me the characters (especially Betty) connect with me. The actors are wonderful! The plot is fantastic! Please, please, please reconsider your decision in canceling Bomb Girls please, don't be like every other TV network and take away something so many love!! Thank you so much!!!

Karen T. H

I have been watching a number of shows detailing the time just prior to WWI to just after WWII. All of these shows are from Britain and I was thrilled to learn about "Bomb Girls" as it presents the second World War from the perspective of Canada and women. I have an entirely new perspective on war and on our Canadian History of that time. It is interesting to then "marry" that perspective with what I am learning from the four or five British programs I am watching set in and around the same time period. This program is well done and shows how difficult the lives of women were even while we were expanding our horizons through meaningful work. I am hoping that young women will see how important it is to fight for our rights and for the rights of all people. It really is one of the best programs on TV, well written, excellent cast. Please reconsider.

<i>Jonathan B. J</i>	we all loves the bomb girls is the best show we all ever watched, we look forward watching every monday,can,t keep our eyes off that show,true diehard fan of the bomb girls, we all truly loved the show.
<i>Elizabeth N.</i>	I believe I speak for many American viewers who are just discovering this show via Netflix and were simultaneously thrilled to find it and saddened to find that it is being cancelled. Why not take advantage of this new and growing audience? Please reconsider your decision.
<i>Claire W.</i>	Bomb Girls is a great show and deserves more seasons
<i>Frieda M.</i>	Quality Canadian TV that actually gives a fair representation of women.
<i>Karen S. D.</i>	Good Canadian shows are so important!
<i>Wendy C.</i>	This is excellent quality Canadian television at its finest, giving historical background as well as addressing always current social issues. There is so much more potential for this series and it would be a shame to let that wasted.
<i>Cathy B.</i>	There are very little good shows on tv and this was one of the best. Canadian made and set in Canada. We need more shows like this and less of the reality crap that I don't watch at all.
<i>Joel F.</i>	Please don't cancel this show. It's one of the best to come out of Canada ever.

<i>Emily L.</i>	I feel its important to continue this series, it provides a view to CANADIAN history.
<i>Valerie S.</i>	Finally a GOOD Canadian show .. Please keep it going
<i>Brianna B.</i>	This show brings people together, it is something that everyone can watch and enjoy!!
<i>Penny H.</i>	Excellent Canadian production, and a hit in the UK. Could make a lot of money. Cancelling it is shortsighted.
<i>Wendy W.</i>	It is a great show about women at a time when women were strong. I think we need to have more shows about strong women!
<i>Lauren M.</i>	Bomb Girls is a special, innovative, original show that needs to be on television because it sheds light on the untold stories of the heroic women who put there lives on the line to help make a difference in the world during war. I think those stories are needed and surely laking in t.v these days. I love all the cast, crew, writers, etc that were able to put a masterpiece like this show together. You can't let that group of talented individual go. I will be watching it in America with a lot of my friends on reelz. So, please renew Bomb Girls for a 3rd season.
<i>Spike M.</i>	Good to see a program that tells the story of human history through the eyes of women. People who are often left to deal with the day to day continuation of life.
<i>Susan B.</i>	This is a fantastic show focusing on historical Canadian events using CANADIAN ACTORS.

<i>Michelle I.</i>	Strong women need more representation on television. This show is inspiring and still has so many stories to tell! I need this show, the world needs this show!
<i>Penny M.</i>	This show is very empowering to women and to the history of their war efforts. So little is known about women's roles, outside the traditional ones,
<i>Mi M.</i>	this show is incredible and deserves more seasons. Its sad how horrible shows that reeks of misogyny and homophobia like Glee gets to have 6 seasons.
<i>Emma M.</i>	This show has finally shown something so rarely displayed on tv; women in real friendships, fighting for real issues and not just revolving their lives around who they're dating and having that be the extent of their storyline. These characters are complex, they're complicated, they're 3 dimensional for once. Cancelling this show and depriving its audience of a real ending would be a massive disservice to everyone whos fallen in love with them.
<i>Frances B.</i>	There is no other show on tv, nor characters so real, that deserves their stories to be told than this one.
<i>Selena T.</i>	The idea of the show is just excellent and orifinal, the actors are amazingly good, it is one of the most well done shows I have ever seen. The storyline is impressive.

Cosette P.

Bomb Girls was my favourite TV show. A smart show about an important piece of Canadian History, focussing on the lives of smart, sassy girls. How much more intelligent than the endless stream of reality tv shows focussing on fat, illiterate Americans.

Laura N.

If I could live for a month inside any TV show, it would be this one. the writing is superb and makes the viewer really feel part of the lives of the characters. Having a Gay character gives those in the LGBT community a voice and it's also showing that true friends don't care what your sexuality is. This is an important show and must be saved.

Lea T.

I've been so over tv lately and then I decided to watch an episode of bomb girls on Netflix and I was so overwhelmingly surprised. This show has, hands down, some of the best writing and characters I've seen in years. I mean honestly, a show where women aren't depicted as catty bitches and mere plot devices for the men? It's actually rather disgusting to say that has been so hard to find recently. Bomb girls really moved me, and I really do believe if picked up for another season this amazing shows fanbase will certainly grow.

Louise G.

I love history and there needs to be more historical related television shows. Even more than that it's wonderful to get the Canadian perspective of the Second World War instead of the usual American.

<i>Gina C.</i>	Bomb Girls is a great show that helps shed some light into what might have happened in Canada during WWII. The characters in this show are relatable and well developed. The story line is interesting and ever changing.
<i>Erin T.</i>	Far to good of show to be ending now! Found it on Netflix, and I am hooked! Please, please, please keep it going!
<i>Brandi K.</i>	I LOVE THIS SHOW! It's created really well, the details are fantastic, the story line is intriguing, the actors are phenomenal. Global's best decision was making season two and worst decision is cancelling the series. It's great for showing females of all ages their importance and teaching them they, as well as the men, can have everything, including a family and a career. It sheds light on huge part of the war that was overlooked. BRING IT BACK!
<i>Sue B.</i>	Wonderful acting, truly Canadian; I want more!
<i>Sherri B.</i>	Finally we have an excellent Canadian show which I love and won't miss each week. Why in heavens is it being cancelled??? It's a refreshing change from mindless reality shows and silly sitcoms.
<i>Lindsay M.</i>	Finally a show with some drama... not some stupid reality show! I really thought this show was going to be around for many season to come, it has so much potential for stories... Renew Bomb Girls!

<i>Angelina F.</i>	Bomb Girls is some of the finest television that Canada has ever produced. It also tells the story of women during the war and how important their efforts were, a story not often told.
<i>Kristen H.</i>	This show represents what women on the home front went through during WWII, and letting the show go would be a mistake for Global.
<i>Lori G.</i>	We love this show!!! We laugh, we cry and we look forward to watching every week. Not only is it entertaining it is somewhat of a history lesson. My children ask questions about our (Canadian) part in WWII. It also allows us to see the type of place that my grandmother worked during the war. It shows how women's roles began to change and how challenging it was. Please don't cancel this wonderful program!
<i>Shannon L.</i>	This is an excellent show portraying strong, independent women fighting a war on the homefront.
<i>Spring M.</i>	This is one of the best original shows to air on TV in ages. Period. Not just for Canada, not just for its genre. Please don't give in to the American model of garbage reality TV -- this is a gem and you know it! Do not cancel something with so much talent, substance and integrity!
<i>Reinhold V.</i>	An amazing show! Different and entertaining. Belongs on PBS, too good for whoever decided to schedule the show so badly. Low ratings in Canada were surely not because of the show itself, but more likely by mismanagement with the way it was scheduled.

<i>Vanessa S.</i>	Bomb Girls is an intelligent show with diverse, strong roles for women. A rarity in all TV, not just Canadian TV. Let's keep this homemade gem!
<i>Teresa L.</i>	This is important to me because I feel bomb girls exhibited not only important historical events but also portrayed women during this time in a new light (which was much needed). The shows exciting storyline, unique characters and authenticity is what ultimately set it apart from all the other shows.
<i>Lib L.</i>	Bomb Girls is one of the best tv shows out there, and the fact that it's Canadian is more than enough to keep it on. it's the only show that let's us see what it was like during WWII for women, who are the unsung heroes. without them, who knows what would have happened? everyone should know that.
<i>Brian S.</i>	it's the best show on air that has a true Canadian content.
<i>Raylene F.</i>	I absolutely love this show! Canada needs more credit for such good shows but they all get cancelled! This show is the best that Canada has made in a long time! Don't cancel it!
<i>Mckayla D.</i>	The show is not only historical but also interesting. Many young women and older women alike can relate to the characters in the show. Not only that, but the show is completey well-written and the actors/actresses are great.

Karen C.

This is an excellent show depicting a very important time in our history. It shows how very important women were during wartime. My mother worked in a defense plant and I have been able to see just how things were at that time. Such a great show. Not enough good TV. Sick and tired of reality shows.

Margaret H.

Bomb Girls is an excellent show and it tells some of our history. It is well written and very enjoyable to watch. The characters are believable and I want to know what happens to them each week.

Joyce G.

Can't imagine why this series would be cancelled. It's one of the few shows on TV worth watching. History, superlative acting, awesome story line. There has not been an episode that I didn't enjoy. Please reconsider and keep this show on the air. There is so much more storyline to explore.

Ydamor R.

Global Executives! Dare to support quality TV! Stand behind a show that presents a different point of view to the most significant even in the history of the northern hemisphere! Shows like Bomb Girls are our last hope to stop the idiotization of TV viewers!

Olga B.

Great show, Canadian and stories are interesting about strong women. Please keep it!!

Lisa C.

I love watching Bomb Girls! I was surprised at Global's decision to cancel it when it's one of the few good shows on tv.

Kelsi P.

I love this show. It is a thing of beauty and deserves ten seasons. Even if that can't happen, please ensure the promised movie DOES happen.

Megan F.

Bomb Girls is hands down one of the best shows I have seen in my life. It is not just entertaining, but moving, thought provoking and educational. I love watching the character development of the strong and diverse female leads. Bomb Girls does not shy away from tackling controversial issues such as infidelity, sexuality, abortion, religion etc. The show promotes diversity and evokes empathy from its audience. This is so refreshing as most stations are saturated with banal reality shows. As a young Canadian woman, watching this show empowers me to consider my impact on the world, and also helps me imagine my Grandmother's youth. It unites generations and has so much potential. Please keep telling these compelling stories about great women. Thank you.

Jennifer C.

I grew up listening to stories told by my Nanny about the wars, now with "Bomb Girls" these stories come to life. PLEASE KEEP THIS GREAT CANADIAN SHOW ON THE AIR!!!!

Jamie M.

Not only is this absolutely my favorite show of all time, but it's also playing an important role in showing people what life was like in that time period for everybody of all origins/orientations. Please don't let this show go.

Hannah M.

The show is unlike many shows out there right now. The different story lines show different peoples lives back in the day.

Carla G.

My Grandmother was a Bomb Girl, its like watching her back then. and I love all the characters!!!! Save my Bomb Girls

John G.

There are so few programs - TV or feature length movies - that tell about the Canadian involvement in WWII. There is so much we do not know about our own history! This show helps rectify that, to a degree. It's well-written, well-acted and an award-winning show, as well. I really do thing it would be extremely unfortunate for Global to cancel it while continuing to pick up feeds of American shows from US-based networks. Shame on you, Global! Where is your sense of Canadian patriotism?

Kathleen A.

Why on Earth would you ever want to cancel Bomb Girls??!!!! I love this show, my son loves this show, my coworkers love this show, my friends love this show. It's what we talk about at work every Tuesday. Seriously! The cast is awesome, the acting phenomenal and the costumes and set decor is so authentic and it brings back wonderful memories of my Mother and Father and my childhood growing up in Vancouver, BC. The story lines, the plots, everything about this show is so wonderfully good! I can't get enough of it. This is good television, tv watching at its best. . It is such a refreshing change from all the boring reality shows, really, how many more bachelor shows and hoarding shows can one stomach. Please please please, I beg you, my son begs you, my coworkers beg you my friends beg you and all the other Bomb Girl fans beg you, don't cancel the show! It's what we want to watch! A forever Bomb Girls fan, Kathleen Allen.

<i>Linda C.</i>	My Mom worked at the Sydney Steel Plant during the war and I loved hearing all her stories of that time. Watching this show brings it all back. There is and never will be anything on TV like this again. Please keep it going.
<i>Beverly S.</i>	It's unique, covering a period in our history heretofore unaddressed. It' well-written, acted, produced.
<i>Diane H.</i>	I love this show . . . please give it another season. It's better than most shows on network TV.
<i>Kim R.</i>	People today need to be reminded about how all Canadians pulled together during the War and how it affected their lives....and our future!
<i>Amber M.</i>	It's a wonderful program and theirs nothing like it.
<i>Krista H.T.</i>	This show is a great drama, showing us a slice of history with great entertainment value. Truly one of my favourite shows.
<i>Sue B.</i>	BOMB GIRLS is one of the "can hardly wait for the next episode" shows. It encourages so much conversation about womens' development, social issuses & changes, personal interactions & Canadian History, that some of us can remember & relate to. And, it's won awards.

Esme O.

Bomb Girls is very important to me. The tough, fearless characters have given me courage in a difficult time of my life. It is really great to see positive, real, media portrayals of women, and Betty especially has given me courage to accept myself. Thank you Global TV network for what you have given me so far; please continue Bomb Girls so other girls can gain confidence from your show, as I have. The world needs more positive feminist role models!

Heather S.

one of the best shows out there now!!!!!!!
please reconsider another season to wrap it up at least!!!! 2 hr movie is not gonna cut it!!!

Mallory B.

There is no other show on television that we'll be able to find that portrays women as honourably, as strongly, and as importantly as the team of writers for this show do. Each woman's story is unique and equally important, and essentially necessary to be told altogether. It's really saddening that these story lines, history lessons, character's developments, and messages of empowerment, are going to be stopped so short. When there's so much more to be told and shown through them. Such important and relatable issues are addressed and broadened on this show because of the entire phenomenal team behind it.

Toni G.

one of the few great shows onTV.. it is Canadian history and Canadian product..
HOW COULD YOU cancel it??

<i>Gelyn A.</i>	Because I can see myself represented in its characters and I think it's one of the best written shows currently on air. Bomb Girls still has stories to develop and we all want to see that.
<i>Sandra B.</i>	Outstanding programming that makes me even more proud to be a Canadian woman.
<i>Shana B.</i>	This is a rare show with women at the center of the cast, and all the women are strong-willed that need to be more publicized in this world. They all have great stories that we need to hear.
<i>Marilyn L.</i>	find out how many independant 'likes' or tweets they need to realize there are many of us out here who love appreciate this show and what it represents for the women who bravely did this work, and other factories that made planes and ammunition . Talk to the sponsors, how do they feel about this? Is there a larger sponsor(s) who would pony up and pay for the show? like pbs does. anyone selling products to women might be interested.
<i>Valerie H-T.</i>	Such a good show - why why cancel - please keep the show on the air!
<i>Anonymous</i>	Please give this show another chance, and consider another six-episode season. It would allow some much-needed closure, and give the writers the time it deserves to wrap it up. Also a season 2 dvd and cd soundtrack would help us share this wonderful show!
<i>Jasmine L.</i>	Can't wait to get my bandana to show support for this cause!

<i>Anonymous</i>	Thank you to all the fans working so hard to save a GREAT Show.
<i>Kristina C.</i>	This show is one of the best I have seen in years. Would love my victory bandana and will take a pic when I get it
<i>Sandy. H.</i>	I LOVE BOMB GIRLS. It's true to the 1940's- 1950's life and culture and very rare shows/tv are so precise with detail. I also love how its CANADIAN! WOOO HOO! WE LOVE YOU BOMB GIRLS!
<i>Katie S.</i>	I love you guys...
<i>Tricia</i>	Save Bomb Girls! I looked forward to every week, the story lines, sets, clothes. So inspiring to all women!!
<i>Melanie N.</i>	I gave to support this amazing and inspirational show.
<i>Jaimie C.</i>	Best show on TV! Bring it back!!
<i>Anonymous</i>	The world needs more Vera Burr! (sent here by RophyDoes)
<i>Marilyn L.</i>	Can hardly wait for this show to finish the story about what happens to Kate and Betty, and keep shooting with those great costumes, and drama that takes us back to what our Moms and Grandmothers did to make their Canadian contribution and sacrifice towards the WW2 effort.
<i>Anonymous</i>	With love from RophyDoes (Rin and Sophy)
<i>Anonymous</i>	We have got to save this show!

<i>Janise S.</i>	Love Bomb Girls
------------------	-----------------

<i>Anonymous</i>	I fell in love with this series when I first started watching it; I knew we had something special here. A period drama set in Canada during WWII is so rare on Canadian TV, the last one I remember being Home Fires that ran between 1981-83 on the CBC. This high-quality drama must be continued and not replaced by some lower-quality reality show or an American drama. We need more Canadian dramas that look at Canadian lives, society, and history!
------------------	---

<i>Kelsey K.</i>	I want this show back because fandoms I share with my amazing Baba (grandmother) are few and far between! <3
------------------	--

<i>Rosanna Lucy W.</i>	Can't thank you enough for putting together this whole idea. This show is something truly special, as are the people who love it so much.
------------------------	---

<i>Hannah</i>	I would love to see this talented group of writers, directors, and actors get a chance to continue telling the story of these compelling women and men.
---------------	---

<i>Anonymous</i>	Bomb Girls being cancelled makes me incredibly sad, I hope this helps to the effort. Did you consider to send several shipments of bandana's a short period time apart instead of one large one? Maybe that makes an extra impact :)
------------------	--

<i>Bronwyn R.</i>	Bomb Girls is the same quality show it was last year when it was deemed a "certified hit!". In fact, it got better! Schedule shenanigans are responsible and can be corrected! Why start from scratch with a new show that could be hit or miss, when they already have one with support, interest and growing buzz!
<i>Sarah G.</i>	'Bomb Girls' is an important show to keep on television. Not only does it illustrate a pivotal moment in our history, it is led by a strong FEMALE cast. Save 'Bomb Girls!'
<i>Anonymous</i>	This programme means so much to a lot of us. I'll wear my bandanna with pride and as a thanks not only to the crew of the show but to the fans that have the passion to make this happen and the women who inspired this and a massive leap forward in women's rights x
<i>Erin</i>	This show is one of a kind and deserves to be saved!
<i>Lisa P.</i>	Anything to keep this show on the air!
<i>Anonymous</i>	This show should be seen around the entire globe! While I am thankful for what has come so far, there MUST be more. Let's make it happen!

<i>Yol Z.</i>	I'm SO proud of all the people around the world whose lives were touched and transformed by this little Canadian gem called 'BOMB GIRLS'; proud mostly because they have contributed time, skills, effort and money to get the show back on the air. We also aim to make a difference by donating a large sum to the real women who fought the war 70 years ago and helped to make this world a better place: the Ajax Bomb Girls.
<i>Lindsay D.</i>	Please don't cancel this amazing Canadian show!
<i>Kelsey D.</i>	Bomb Girls is top-notch Canadian programming, with a great crew of writers and actors. In a market saturated with "reality" shows, sitcoms, hospital dramas and the sudden fairy tale boom, Bomb Girls is a much-needed breath of fresh air. The complexity and intelligence with which these characters are written and acted is such a gift to the viewer. I'm happy to do my part to save Bomb Girls. I hope Global listens!
<i>Tracey S.</i>	LOVE this show SO much! I REALLY hope this campaign succeeds in getting more Bomb Girls.
<i>Anonymous</i>	Bomb Girls is worth it.
<i>Anonymous</i>	This show is way too good to go away. Seriously.

<i>Anonymous</i>	I love the WWII era. It was my parents time. Dad was in N. Africa (Algiers) and later the Pacific theater. Mom had to stay home but she told me she wanted to join up real bad. Had kids at home and could not.
<i>Anonymous</i>	I love this show!! One of the few shows that I just can't miss! :) It definitely deserves more seasons! I really hope this campaign will help!!
<i>Rachel D.</i>	Wish I could give more to support the effort to get Bomb Girls renewed. This amazing show deserves a third and forth season! Truly something special.
<i>Danielle G.</i>	I believe these characters still have more to tell us. Please give their stories a chance to be heard.
<i>Tina</i>	Bomb Girls is an amazing television show that deserves a chance to get all its stories told. Please give the show a third season, Global!
<i>Anonymous</i>	I'm with all the Bombshells to support this cause!
<i>Anonymous</i>	Believe it or not, Bomb Girls taught me a lot about Canada during wartime. Quality TV like this shouldn't be pulled off the air if we can help it!
<i>Anonymous</i>	The importance of keeping quality Canadian content on air cannot be stressed enough, especially when they tell tales that would otherwise be overlooked. Save Bomb Girls.

<i>Brittany L.</i>	We won't let this show go down without a fight. We CAN'T.
<i>Kim F.</i>	Save our Bomb Girls!
<i>Brian McR.</i>	Has anyone contacted oprah's own network to see if they might pick up the show?
<i>Tammy C-W.</i>	I think thats an awesome idea! Empowering women who take charge!
<i>Sue M.</i>	The bandanas look amazing! So proud! SAVE BOMB GIRLS!!!
<i>Anonymous</i>	Support Bomb Girls - Best thing on TV.
<i>Jayne P.</i>	This show is too good to not be renewed. Lets show these people that Bomb Shells mean business and aren't giving up without a fight! Bomb Girls needs you.
<i>Siri</i>	This is the best cause I have ever given money to, besides charity ;)
<i>Kimberly M.</i>	Congrats! I really love this show...I love the costumes and hats off to the historical researchers making sure they get the era correct. Kimberly M. "Founder" Cowgirls of the West Living History
<i>Esther S.</i>	During World War 2, my father's taxi company was manned by women to service the Windsor community. Their service remains unsung and never to be forgotten.

<i>Kat G.</i>	and again... i ponder what reasons you possibly had for cancelling this amazing show which continues to get nominations! So disappointing.
<i>Colleen R.</i>	The show shouldn't be cancelled!
<i>Lenora C.</i>	How do we get another season? I love this show !!!!
<i>Catherine H.</i>	This show is well worth watching! Please give us more episodes/seasons!
<i>Sandy W.</i>	I am a USA fan!!!! This is a fabulous show please don't cancel it.
<i>Jane D.</i>	We still have two more episodes in the States. I wish our shows were like this one
<i>Kathy S. G.</i>	Why did they cancel Bomb Girls, that was a crazy decision that I hope they regret.
<i>Judy W. F.</i>	Love this program! Why is it being cancelled???
<i>Amy W.</i>	And again. Please find a way to un- cancel this show!!
<i>Steph W.</i>	This is a very good show And it should not be canceled I watch every week it's on here
<i>Karen G.</i>	Ditto here in the US!!!!!! We love Bomb Girls!!!!!!!!!!!!!!!!!!!!
<i>Brenda B. J.</i>	Dear Television Powers that Be: We are not above bribery. If you bring back Bomb Girls, we will provide an endless supply of cookies. Good home made ones, not Chips Ahoy. Whadayasay? KEEP BOMB GIRLS GOING!!

<i>Cory B.</i>	Biggest mistake canceling this show
<i>Marga M.</i>	#SaveBombGirls
<i>Roxann L.</i>	And still they are cancelling it? Everyone write in, I did and I receive a response. Maybe if hundreds of thousands of people do the same, the network will rethink the cancellation. Squeaky wheel get the grease.
<i>Marcy M. C.</i>	I wanna BOMB GIRLS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
<i>Tammy W. M.</i>	So why cancel the show?
<i>Sue F.</i>	@ tammy exactly my thought!
<i>Stacey M. S.</i>	Bring it back! That many nominations and cancelled? Doesn't make any sense!! Love Bomb Girls here in US!
<i>Anonymous</i>	Please give this show another chance, and consider another six- episode season - it would allow some much-needed closure, and give the writers the time it deserves to wrap it up. Also a season 2 dvd and cd soundtrack would help us share this wonderful show!
<i>Cynthia M. T.</i>	Bring it back! I love this show!
<i>Sheila E. W.</i>	And still, no renewal of this show! This just is NOT fair!
<i>Sherri M. W.</i>	totally agree!

<i>Victoria T.</i>	I guess 4 leo awards just isnt enough to warrant a renewal. Sadly I got a response from someone at Global and they're not renewing for another season. They intend to do a 2 hour TV movie that will tie up all the loose ends with the characters. Im thinking it doesnt matter how many people support the show or how many petition and how many people write...they're insistent on not renewing. How truly disappointing....but who knows...many shows have gotten cancelled and then came back years later
<i>Debbie R.</i>	very very sad...
<i>Courtney B.</i>	Yep. Many awards=cancellation. Makes SO much sense. :((This was utterly sarcastic, in case that is misunderstood).
<i>Candice T.</i>	What I can't stand is that the producers refuse to give a reason why it's being cancelled.
<i>Anne M.-D.</i>	I loved Bomb Girls! It was such a powerful, well written show! Good, thought provoking shows always get cancelled. Stupid reality shows that appeal to the lowest common denominator are more popular than intelligent drama.
<i>Janet R.</i>	Why is such a successful and popular show being canceled? I mean, it is still being nominated for awards! Just think how much more popular it could get and how many more nominations it could receive after another season. I really don't understand.

<i>Jeanne M.</i>	I can't stomach these messages...I love and want nothing but the best for all actors and artists involved with BombGirls, but every time I see messages like this one makes me furious that the show is being canceled!
<i>Anthony P.</i>	I agree, with above comment the show should NOT be canceled!
<i>Kathryn W.</i>	And, this show is being cancelled, because...?!
<i>Lori S. K.</i>	why do they want to stop a great show and leave the crap on?
<i>Sandy R. C.</i>	Why is an award winner being canceled?
<i>Alicia G.</i>	SAVE BOMB GIRLS!!!!!!
<i>Julia D. E.</i>	I assume this AWESOME show is being cancelled in order to make room for some piece of drivel. Maybe another reality show since only have a few hundred running. PLEASE LEAVE THIS SHOW ON THE AIR..
<i>Raymond T. C.</i>	How is it that this show is cancelled???
<i>Maria M. R.</i>	SAVE BOMB GIRLS!!
<i>Donald M.</i>	Its the bean counters at Global. They pay attention to numbers not us the consumers. A boycott of Global?
<i>Athena G.</i>	And again I must ask... Why did Global cancel this show?!?!?

<i>Kelly L.</i>	Agreed! Keep Bomb Girls going! There are more fans than the network thinks. We need good Canadian shows like this with intelligent content and positive role models for young girls and women.
<i>Denise L.</i>	'Bomb Girls' ROCKS!
<i>Melissa O.</i>	Award winning show gets cancelled...seriously!!
<i>Natalie A.</i>	I don't understand... It's a great show... It won an award... Acting was awesome... And all this is unworthy of renewal? Does not many sense to me. I loved this show and deemed it one of the best Canadian shows on air... What is the management thinking????
<i>Brenda R.</i>	This is one of the best TV series I have seen in years.
<i>Mike G.</i>	Who dare cancelled Bomb Girls?! It was the only reason I watched Global. Get rid of Survivor and replace it with Bomb Girls so we can watch some decent TV for a change.
<i>Anonymous</i>	This show breaks the mold of shows, I love watching it and have gotten my mom hooked. I hope either Global and Shaw or some other amazing contributor picks it up. The actors and actresses with writers and i am sure all support staff are awesome. GOOD LUCK # savebombgirlz

<i>Sue M.</i>	I made sure to get my Victory Bandana right away, but now I want one for my mom, too. I'm giving her a Bomb Girls-themed present this weekend, and now will have her bandana show up magically in the mail as a further surprise! SAVE BOMB GIRLS!!!
<i>Christina -B</i>	The 1000 Victory Bandanas are in production. Victory Bandanas are being mailed to donors this week. The donation for Ajax has increased fivefold in five days. So much progress has been made and it's all because of you Bombshells! Thank you!
<i>Jenny T.</i>	RophyDoes/rophiite reporting for duty. For all those involved in the show. For the fans who are fighting for it. For the real life Bomb Girls.
<i>Olga N.</i>	Please Please Please renew Bomb Girls. The stories arent finished and I'm not finished wanting to watch my favourite show
<i>Anonymous</i>	Supporting Bomb Girls and the Ajax Bomb Girls Legacy? Yes, please.
<i>Helen F. F.</i>	We need more shows like this not less! Please keep them coming.
<i>Claire P.</i>	Keep the Bomb girls going.....we need to know more real stories from the War....our elders will not be around one day.....hey ! my mother is 96 yrs old and she talks about those days / love / family / economy all the time - EVERY DAY!!! it's wonderful to hear and listen

Diane C.

I think this is one of the best TV shows, Canadian, that has been around for ages. The writing, the acting and the music is so clever. Can't wait for more episodes.

Sofi S.

Bomb Girls ♥ merci d'exister, please continuez ! ;-) (Translation: Thank you for existing, please continue!)

Louise C. L.

There are so few Canadian tv shows that remain on air for as long as Bomb Girls has. Corner Gas, and Flashpoint have proved that Canadian tv shows can be just as popular and as good as American shows. Why are Canadian tv shows being knocked out of the race early? Canadians fight tooth and nail to have their tv shows and movies produced, only to have them be diminished by American and British film. This is a serious problem that has been present since film started. Bomb Girls is an excellent tv show that is fresh, educational, edgy, and Canadian! We cannot afford to keep cutting fresh tv shows like Bomb Girls, only to replace them with typical crime shows or reality shows that offer nothing new.

Melody M.

I live in the States and saw Bomb Girls on Netflix's. What a shame that the show has been canceled. This is a terrific period drama and deserves to be picked up by another station if the CBC won't continue to produce it. There are so few quality television shows out there and Bomb Girls is a great example of Canadian television versus Hollywood!

Marisa W.

Oh last night's episode that aired on BBC America was awesome! Surprisingly topical for a show set 60 years ago. And the scene with Marco showing Vera his dance moves could have gone on a bit longer! I also loved how Betty got teary watching Kate perform. Can't some other company pick up this show? It's truly awesome but it hasn't been advertised enough to give it a chance to find viewers. I keep recommending it but no one has heard of it. Then they have trouble figuring out when to tune in.

Barbara P.

I have been watching this series.....must say I am hooked on it. It really makes you feel you are there in the 1940's, and the main characters feel like friends. Can't wait for the next one!

Ber H.

I can not believe this show is cancelled! Why is it the good shows go to the TV graveyard?

Soraya R.

I just read Bomb Girls is going to be cancelled. Really. Finally some decent TV. Maybe it could continue on Reelz. Just ridiculous this couldn't continue.

Gail F.

Booooo Global for cancelling "Bomb Girls". I want to watch Canadian television but if they cancel shows like this, there's not much else to watch but American.

<i>Charles H.</i>	I just read the article that Bomb Girls has been cancelled. This troubles me. The fact that we finally have a program with a storyline that is worth watching, interesting, with a great line up of players, and networks want to pull it, and replace it with what, More reality swill??? Bring it back and make more like it!!!!!!
<i>Louisa F. R.</i>	Is this true? A friend forwarded it to me, but its dated last month: http://www.thefutoncritic.com/news/2013/04/22/global-announces-a-bomb-girls-two-hour-tv-movie-event-coming-winter-2014-771512/20130422shaw01/
<i>Anna M. S.</i>	So sad to see a decent show get cancelled. WHAT are you thinking?
<i>Ravenjade S.</i>	bring bomb girls back!!!!
<i>Moiyan T.</i>	When is it coming back on again?
<i>Judy R.-J.</i>	It's cancelled and we were left with a cliff-hanger???
<i>Lynn K. C.</i>	Love this show...
<i>Jennifer B.</i>	I LOVE THIS SHOW!
<i>Debbie D. S.</i>	I've just discovered Bomb Girls and was able to watch the last four shows. I can't believe it has been cancelled. Amazing show!! My husband and daughters are hooked too. We only learned about the show due to the media coverage when Rosie O'Donnell made a guest appearance. Global needs to give it another chance. The cast is fantastic, especially Meg Tilly!

<i>Cathy M.</i>	love the show! its like a fresh blast from the past...actors are amazing director is great please leave the show on...or at least conclude it before taking I off the air...cant leave us in the middle of the series
<i>Judy L.</i>	The show they just cancelled has won The Gracie award.
<i>Harry B.</i>	Seems odd to me that Bomb Girls is being nominated and winning awards yet it was cancelled. Great show. I will miss it.
<i>Kathy M.</i>	I just learned that this show has been cancelled and I am so very disappointed. I just discovered it this year, but watched all the episodes that I missed from season 1 online. I was excited to find a show that was Canadian and historical and entertaining. I truly hope this show will come back.
<i>Karen C.</i>	Where is the petition to bring this show back? Amazing content - always looked forward to it - they drew you in so that you felt you were living the worries of WWII just as they were. Listening to radios, avoiding people with telegrams, always knowing that bad news was just a posting away. They could have at least extended the show to have the full series wrap up at the end of the war. Great Canadian history; great Canadian content - please don't tell me this is replaced with a "reality" show (ugh/gag). Enough of them already! We want to be entertained by professionals at least some of the time, and not all shows need to be in a hospital or court room/police station.

Geary L.

love the series dont change anything.

Francesca B.

Why did Shaw have to go and cancel Bomb Girls. What gives? Im sure if it was about american factory workers and aired on NBC it would still be on the air. Yet another great show gone. Im sorry but a two hour tv movie to conclude story lines doesn't cut it.

Renee R.

I read that Bomb Girls was cancelled. I hope somehow, you can get a different network to pick you up. I came across you on Netflix and instantly fell in love after I watched the first episode. I had never heard of it before then. I believe you would get more viewers if you advertised a lot more. We need to get back to good programming, not all this reality crap. Please think twice before calling it quits, for good.

Theresa S.

Bomb Girls was drawing in new viewers and teaching a whole new generation about the important work we did during WW2... bring it back!

<i>Aubry</i>	Since the show has been cancelled, I've felt this huge gap in my life. My friends and I would obsess over every little aspect of every episode and I'd go and read blogs/forums and get even more people's interpretations on that week's episode. This show is what television should be like: informative, entertaining, complex, and having the ability to invoke the full spectrum of human emotions. I hope that our efforts will show some production company out there that this show not only has a large, supportive fanbase, but that this is a quality show that deserves to continue to tell its story.
<i>Anonymous</i>	Help save Bomb Girls! Seriously a wonderful show!
<i>Christine D.</i>	Are there any smart executives from other networks catching all these comments? I don't care which channel I watch Bomb Girls on...my TV remote works !! Just bring the show back please!!!
<i>Judy P.</i>	There's a group of us in the States who wish Bomb Girls were coming back. What a great show!!!
<i>Erica S.</i>	Please please PLEASE bring back this show!!! Its the best show on TV!!!
<i>Elizabeth L. R.</i>	I'm so upset that this show isn't coming back! L I look forward to this show!!!!
<i>Gloria D.</i>	When is season 3 coming?!!! I CAN'T WAIT!!!!!!!!!! And I'm in Texas.
<i>Tammy W.</i>	aww, dont cancel the show its great!! its the way life was :)

<i>Joe M.</i>	Just heard that they are cancelling this show. What a disgrace. Go to savebombgirls.com to help save the show.
<i>Racheal S.</i>	We love bomb girls! The information and getting a visual is fun, and entertaining ! I always was a history nut.
<i>Mark C.</i>	Just finished Season 2. This is a fantastic show and I hope the producers reconsider their decision to cancel. This is quality entertainment and I was hooked immediately even though I'm a guy. The home fronts during the war are rarely covered and this shows just how important women were to winning the war. Our neighbors to the north in Canada really know how to produce a show -- lets hope we see more the girls in a season 3.
<i>Sarah S.</i>	I love this show. It should not be cancelled. cbc should pick it up lets see our tax \$ at work'
<i>Katherine B.</i>	This show is amazing but needs to be marketed better, that is why not a lot of people watch it...because they simply do not know about it. The only way I found it was on netflix. Not only is the story, cast, music amazing but the imagery and the real world issues presented hit home.

<i>Diane J.</i>	We came across this series and love it. My Mom was born in 1923, my Father 1922 and it is just like the stories, fashion and history they were so proud of for America. People bash America now and this show is so well done it makes me proud. We have one more episode to go tomorrow. I wanted to see if there was going to be another season now I am sad. Pleaaasee consider continuing. We have fallen in love with the writing and music.
<i>Stacy M.</i>	There are not many shows nowadays like Bomb Girls.
<i>Heather M.</i>	I am a Canadian Historian who studies working women during the 20th Century. This is an invaluable program to generate excitement for Canadian and Women's history!
<i>Miriam O.</i>	I will literally die if they do not make another season.
<i>Bonnie D.</i>	It's historical fiction at it's finest. Bomb Girls is intelligently written and well acted, a welcomed respite from the normal crap!
<i>rebecca h.</i>	I believe this show is an opportunity for men and women to see how things were in the 40's, during war. Although, things aren't the same, it is still easy to relate to some instances because of women's rights, the war, and the recession.
<i>Linda P.</i>	Canadian history

<i>Tracey M.</i>	I enjoyed the insight to the first working women and see how some of the same things we deal with today got started. It's a GREAT show!
<i>Paula V.</i>	This is a very well written program that is interesting, educational and entertaining for most of my family.
<i>Susan R.</i>	This is the first show i have watched in so long that makes you think, feel and fall in love with the idea of love itself! You cannot take this away from us!
<i>Kim G.</i>	An amazing show! Great characters, great storyline... Original programming at it's best!
<i>Laura S.</i>	The show is incredibly good
<i>LaRhonda M.</i>	As a young watcher, this program, even with it's hardships, downfalls, racism, womanism and any ism you can think of, points out everything positive for me. I see women stepping up handling business during a time when the world saw years of hard times. It has taught me that adversity does not mean give up but press on through terrible time. Stand side by side, stay strong no matter how different you are or what you believer. Each episode was well written and although it told a constant story, there was a lesson to be learned from each show. I really enjoyed how each character was given a voice, was allowed to show strength. This show seemed to be addressing things that our country is still fighting till this day. It is a huge mistake to cancel this program. I know that if given the chance too, it can become the best program around. I have

told so many people to go back and watch the episodes that are now available on Netflix because it is a must see. The numerous times I rewinded the episodes, just to see what happened. I have not been able to stop watching and since I only have 2 seasons, I will rewatch them again with the guarantee of catching something new that I did not catch the first time. Please bring back this amazing show, with the same amazing actors, the same vision- to address and bring to light a view from a womans perspective. I think even now, people born in this time can appreciate what women were to them during this time.

Mary C.

Brilliant series!

Renee S.

I love that it is NOT the reality garbage on TV, but something that reflects on our Canadian heritage.

Caitlin B.

Such an amazing show, obviously WWII hadn't ended by the end of season 2. I would love to see what happens next! Please please please create a 3rd season!!

brian m.

I just found the show on Netflix and couldn't stop until I saw all of it. It's a fantastic series and I very much hope they'll make more episodes

Michelle M.

I love this show. It is empowering and makes us remember the women who participated in the war effort. (I love the drama!) Please keep this series on the air using the same actors!

Jennifer S.

It's such a great show

James A.

Bomb Girls is an amazing series with a brilliant cast. It paints a picture of the time, showing us the myriad of ways people suffered without being heavy handed. There aren't enough female role models on TV, too many of them are just walking tropes instead of characters with depth. It's obvious that this show didn't receive proper advertisement, give it another chance. I was going to cancel my Netflix subscription, bring back Bomb Girls and I'll stick around.

Colleen C.

Its a great show with a huge fan base. No brainer!

Jennifer B.

It is a great show! I loved watching it.

Kate G.

I loved this show. It's so much better than most tv.

Christina E.

I don't have a lot of free time to sit and watch crap tv. When I do get the chance, I go for non- reality shows as when i dont, I can literally feel all my brain cells dying, gasping for a savior. Then came season 1 of bomb girls on Netflix. I live in the US And can't get Canadian television. It only took one episode to get me hooked. And I've been patiently waiting for season 2 to arrive. Once I watched it (on my two consecutive days off) I searched for my new count down of season 3 to air. Sadly I learned they were canceled and I'm in uproar. With an incredible plot and characters I want to be friends with in real life, I cannot believe it was canceled. Bring back bomb girls!!!! I already feel empty as the spot this show has had in my heart has been ripped from its fans.

<i>Sereata L.</i>	I love this show. Better than most of the vapid crap that is currently on tv these days. entertaining and historically relevant drama.
<i>Monique C.</i>	I never had before the opportunity to see how things were during the war here Canadian families. Allowing Bomb Girls season 3 to be aired falls completely under CBC mandate to promote Canadian content.
<i>irwin s.</i>	most tv is really bad. this show was excellently written and acted
<i>Raquel B.</i>	THE SHOW IS PERFECT AS IS THE CASTING. Please let us have at least 1 more season to wrap it up!
<i>sonja h.</i>	because its a great show!
<i>jennifer h.</i>	i love the history to it and find it very inspiring as i am a fashion student i love the 1940s
<i>Linda O.</i>	This show is amazing, well done, important to me for these women who work so hard to help all these men. This is a inspiration for me and the show deserve to continue in the future for these women and men who work and fight for us. They deserve respect and the world to know about their story. Thank you from me to these women and men at war.
<i>David E.</i>	Historical significance as to the great contribution and sacrifice that women made for the war effort.

<i>Yousef S.</i>	Amazing writing, acting and a wonderful depiction of strong female (and male) characters.
<i>Theresa W.</i>	This is a very good series and I'm not sure why the "best" always seem to get pulled? This has happened on the CW too with other shows that had great potential. This is a really good show that depicts the history and life during this specific era...very sadden by this news!
<i>tabatha r.</i>	i just started watching this show on Netflix and I can't get enough. love this show!
<i>Nadine A.</i>	I've watched a lot of UK WW2 dramas and this is the first Canadian drama I've seen. I am a Canadian living abroad and it makes me feel proud to see part of my country's history as well as feeling homesick. Please do not take this off the air, it is the best show out of Canada I've seen. It needs to be advertised to its full potential rather than being passed on for some stupid American show which the majority of them I don't watch and I'm 22! There needs to be shows like Bomb Girls on the air for the minority of people who are not brain dead. We may only be a minority now but there have been other period dramas that have sparked the interest of the world before.
<i>Linda O.</i>	Because it show that all the women in the world can be strong when this is time for their country.
<i>Taylor R.</i>	best show for women in years. i adore it. it needs to air in the US

<i>Viviane A.</i>	Because the show is exceptionally well written and played.
<i>John K.</i>	Though fictional, this show portrays an important part of the history of 1941 to 1945
<i>Ted K.</i>	Good entertainment is hard to come by. This is a classic. The solution is in front of you. Don't over think the problem, you'll have revenue stream for years, like a Disney film!
<i>Brianna G.</i>	An incredible show with incredible storylines- especially Betty's which was left very unfinished.
<i>Cloé A.</i>	This show is exceptionally good, and its take on WWII and the war effort is too good to be stopped before we get to see the end of the war. Please renew the show !
<i>gabrielle b.</i>	It's the best show ever and it needs to stay on air.
<i>Kathleen H.</i>	Great TV.
<i>Heather W.</i>	I really enjoyed watching Bomb Girls. I was so excited for Season 2 to start and then have been let down to find only episode one was going to air. Please continue the show. TV needs more quality programming, Two Broke Girls does not fall into that category.

<i>Michelle W.</i>	Its a big part of history. Finally a show that shows morals and what life was like back in the day. We have a lot of crap shows nowadays. This shows meaning and how females learned to help our country. It should be a show of inspiration for our young females vs ones of sex that are already on every station. That is what kids see today instead of something inspirational and of roll models. Then ppl wonder why the world is going to crap.
<i>Lisa J.</i>	This show is amazing please renew!!!!
<i>Kelly A.</i>	This is a really great emotional show about a very important and interesting topic and time in American history, for both men and women of all races. It touches on so many important topics and was done quite well. I'll be disappointed to not see several more seasons of Bomb Girls. A 2-hour wrap-up movie isn't enough.
<i>Marsha H.</i>	Loved this show great acting and I actually learned something.
<i>Milena L.</i>	LOVE the show! Bring it back!
<i>Nicole S.</i>	I'm currently obtaining my bachelors in history.... and I may say, it's nice to finally see a well done, historic show about women!!
<i>Ashley O.</i>	This show is absolutely stunning, please don't take it from the fans.
<i>Houston J.</i>	Cause my wife said so.

<i>Pamela J.</i>	Historical and we see women meeting, facing and conquering opposition and challenges head on at a time when we had very little opportunity, freedom to express and explore our womanhood and much less a voice. Young woman today need to see why many of our excuses, immoral loose behaviors, and what women before us had to endure being taken in vain is UNACCEPTABLE. Really though how can anyone deny this show has everything you want.
<i>Pamela J.</i>	Well written and very historical, young women need to know that some of their very same struggles today were met, faced and conquered at time when women had even less opportunity and practically no voice.
<i>Olivia A.</i>	Love the show. Needs to continue.
<i>Greta C.</i>	Because it was a good show. Things our parents and grandparents went through. I hope they give it a chance.
<i>Colleen S.</i>	One of the best shows ever! Absolutely can't believe a show of this quality would be cancelled! Please bring it back, it's a bright,sophisticated oasis, in an endless sea of trivial, uninteresting shows. It's a gem and should be brought back, at the very least for one or two seasons!!!
<i>patrice a.</i>	Great show!!! featuring strong leading women roles

<i>Joan D.</i>	Bomb Girls is amazing! It's well written and has a lot of heart. It shows the stories of a wide spectrum of women. Nowadays it's very hard to find really great shows with a predominately female cast. Bomb Girls deserves more than two seasons!
<i>Regina S.</i>	1) THE WRITING 2) THE CAST 3) WWII HISTORY RE WOMEN
<i>Nicolle J.</i>	I love the show.
<i>Chantal C.</i>	I love this program and i NEED a third season!PLEASE PLASE do it!
<i>Kelsey J.</i>	This show is an important part of educating modern women how we got to where we are today. It isn't anything like the gossip drama wreaking havoc on today's networks. Please keep it going!
<i>charlene s.</i>	Love the story line and great actors.

Bonita L.

With all of the bad tv(really horrible), I thought perhaps Canadian TV was the respite I was looking for. I was discussing just today with a friend, telling him that at least Canada had raised the bar and we didn't ' all have to watch usa junk. Well, that was short-lived when today, after watching the last episode of season 2, I learned that the series had been cancelled. What is wrong with you people who once in a while produce good TV, and then cancel and replace with horrible, degrading, dumbed down reality TV or some such other muck? Pleas reconsider or at least finish the plot lines in a movie. Why do you think call the midwife and such from young british counterparts have done so well? Because good TV is just that...good. Get ready from pushback...your audience is not going to consist of adolescent boys for long....you forgot that we midde agers have the funds to effect change.

ravenna g.

To hear great stories of strong women who where trying to be acknowledged at such a time. The characters in this show really drew me in with their lives.

Sammie W.

It's great television! An interesting and different perspective on period dramas

Michelle L.

This show means a lot to me! It shows how strong women can be, as well as forgotten piece of history of our country. Please don't take this away from us.

<i>Colleen M.</i>	I have only just bought the 1st season of Bomb girls yesterday and I have 2 episodes left. It's a really great show! I think that this show is one of those really great sleepers that need to keep going and get some publicity as I had never heard of it until I was perusing the T.V series aisles. And now that I have it's been cancelled? WOW! To go from one great high to a low in a matter of seconds. Please give this delightful series a 3rd season as I'm sure that there are a few people just beginning to find this series. I am in love with Betty! I am excited to see where Kate and their romance goes.....
<i>brittney h.</i>	This show can empower women, and is written in such a beautiful way.
<i>Sally K.</i>	It was the only one hour drama I watched. Please keep it. may not have been bigger in the USA because most elderly people don't know about Reelz to check it out. They should have advertised more on other TV station.
<i>Jennifer H.</i>	Amazing cast! Great story... Need to see what happens next!!!!!!!!!!
<i>lisa t.</i>	the show is great. love every character. season 2 ended so well. i most know what happens next please
<i>Tammy M.</i>	This series is historically important. It is wonderfully written and the actors are excellent. I have never written to a TV program or a celebrity. I have a degree in Comparative Cultural studies and I am the mother of two men who have served over seas. PLEASE renew this historically significant program. Thank you

<i>Ber L.</i>	We LOVE this show with its juxtaposition of glamor and hard work towards the war effort. Love the costumes, the social aspects, the era etc, BRING IT BACK - women everywhere will love you for it!!
<i>Ella B.</i>	Because Betty is just perfect.
<i>Karen S.</i>	This is a wonderful show.... shines a light on another era and paints a picture of some very brave women
<i>Aimee A.</i>	This is an amazing show and with all the USELESS ridiculous television that is broadcast these days THIS NETWORK or ANOTHER NETWORK should JUMP at the chance to produce a show that can make them PROUD!
<i>Josefine J.</i>	Bomb girls inspires me!! Not just the clothes but the attitude. I think young girls needs to see this show in sweden..
<i>Megan S.</i>	Please bring back this show! There are so many stories left to be told!
<i>glynis h.</i>	shows young girls today what women are capable of then and now
<i>Lynda K.</i>	It's a fabulous series. Something different and not full of violence or swearing, just a great show with some splendid characters.
<i>Lisa S.</i>	I love the show. Telling the stories with strong women is not seen enough on TV. Good show, good cast, will hate it if this is the end of the show! My daughter and I watch it and it is amazing to a lesbian especially in this time period. Fingers crossed!

<i>Kat K.</i>	Bomb girls is wonderful and should be renewed for a third season.
<i>LANA V.</i>	This is one the best shows on TV! I have been impatiently waiting for the new season to begin so I go online to find it's been cancelled?!?! My husband and I are so upset that we my block Reelz from our programing!! This is just crazy! If it's all about ratings then change the darn timeslot!
<i>Cheryl E.</i>	Great show
<i>norma c.</i>	Bring back our heroic Bomb Girls. The show should not have moved to Mon. from Wed. It was up against Murdoch Mysteries which is another great production .This show had all of my friends talking about it .My grandmother and great aunt were bomb girls which I did not know about until I was telling my mom about the show. It is important for people to be educated with productions with Canadian history. I hope to see the return of the amazing Bomb Girls.
<i>Susan W.</i>	Because it's a GOOD show with engaging characters about an interesting era. I would put it right up there with Call the Midwife, and well ahead of most other TV.
<i>Wendi W.</i>	Because I just love Bomb Girls and it needs to stay!
<i>Nicole W.</i>	I enjoy the show for entertainment and historical reasons.

<i>Terri R.</i>	I love this show. It's one of the few good indie scripted shows out there. Please come back for a season three. There's still so much to explore in a plot
<i>Jose P.</i>	I love Bomb Girls. It teaches about the power of women during WWII.
<i>Karen D.</i>	This is such a great show! I've been wondering when the new season would start and decided to look online to see if I could find out. I was shocked to see that it has been cancelled. I just discovered this show in the spring, and it quickly became a must see for me. Please bring it back!
<i>Sandy D.</i>	Sick Sick Sick of reality tv junk and same old same old shows. #
<i>Kelly A.</i>	amazing show...
<i>Brittany E.</i>	This is an amazing show that I've really enjoyed watching and would like to continue watching.
<i>melanie m.</i>	I love this show!
<i>Paul M.</i>	It's a fantastic program!
<i>Rebecca K.</i>	Love this show, want badly to see what happens next.
<i>Rachel H.</i>	Sick of the same old garbage on tv! Love that this is a good clean family show that shows how strong we women are!

<i>jennifer b.</i>	This is one of the best tv shows I have watched in a long time. With all of the trashy tv out there it is a breath of fresh air and a story that women today need to see.
<i>Mark H.</i>	It's a great show!
<i>stacey d.</i>	Because it's the best show EVER!! This is the only Canadian show that is actually any good, and it's not only good, it's awesome, and their taking it away! Stupid decision! Atleast they are ending it properly with the TV movie, but I would still rather watch the show.....new ones! Just can't believe it, I was absolutely shocked when I read it was cancelled
<i>J B.</i>	Because it's too good a show to cancel.
<i>barbara d.</i>	Loved the show. Great actors. Tired of all the trash on tv. Pls don't let it fade away.
<i>kristine m.</i>	Bomb Girls has been one of my favorite shows. I want to see what happens next.
<i>Lindsay M.</i>	amazing show!!!
<i>Jessie R.</i>	I just discovered and devoured this show via Netflix. And I'm devastated to find that it's already been cancelled. Smart, historical fiction, strong women characters + compelling story-telling. You have a hit here with an ever-growing fanbase. Please don't let it end prematurely!
<i>Sharon W.</i>	Quality and engaging entertainment

<i>Anna P.</i>	Female Protagonists. There aren't many decent role models out there for women these days, most of the time we just see gossipy trash, and recently more supernatural themed goop. But bomb girls gives a feeling of empowerment to young female viewers, and it provides a small insight into the world of war and history. Bomb Girls is not 100% historically accurate, but at least viewers may now see what life used to be like without cell phones and the internet. It's good, we all love Bomb Girls, please don't cancel it.
<i>Margaret P.</i>	Television worth watching, please save Bombgirls! True Canadian Drama!
<i>Amy K.</i>	Intelligent, well-written tv featuring strong woman that are very human. Please give it chance to keep going.
<i>Annie B.</i>	it's awesome and gives more understanding of the women and the hardships they have to go through at that period of time
<i>Tyna E.</i>	There are so few really good programs on anymore, this is one. Please keep it going.
<i>Bianca G.</i>	The show makes me happy and it's hard to come by one with such strong female leads.
<i>Michael A.</i>	Series is brilliant
<i>BJ S.</i>	it's important to see this side of our Canadian history of women and how the war affected their lives

<i>Leslie B.</i>	Great show to watch with my mom. Then global shut us out! Love the story IT IS SO Real.
<i>Barbara C.</i>	We are forced to turn off our TV's so we don't have to watch the dreck they call entertainment these days. Please don't let one of the few intelligent, historic and eminently watchable shows slip away from from fans. RENEW BOMB GIRLS!!
<i>Roxana L.</i>	Bomb girls is different and amazing. Over here in CA we have horrible shows that are mindless but you guys have something great please dont cancel it.
<i>Jana O.</i>	We dont have any tv series that portray this time period and such a unique gripping story line.
<i>dawn c.</i>	I love, love, LOVE this show! It is so fresh and so different from anything else on tv. I have learned a lot about the 1940's by watching this. Bomb Girls is fascinating! Bring it back!
<i>Kay M.</i>	Bomb Girls is a wonderful show! It is so nice to watch a Canadian show that isn't pretending to take place in a fictitious American town. Canada and Canadians have much to be proud of and Bomb Girls is a prime example!
<i>Phillip O.</i>	Quality shows deserve support and this show also teaches our youth about a time no generation can afford to forget.

<i>Michelle W.</i>	Shows that engage both my partner and me with this kind of intrigue are rare indeed. Canada can be proud of this production - a cut well above its competition - strongly written, eye opening historical perspectives remain relevant today. World War II dramas focus on the men - mostly British and American- this one brings balance...Canadian women and their loved ones who who experienced this pivotal period in history. Please continue to entertain - but more importantly - to enlighten us!
<i>Shannon D.</i>	I love this show and would be deeply saddened and disappointed if it was cancelled.
<i>Debbie L.</i>	I love the show and the characters
<i>Beth E.</i>	I was impressed by this show when I found it on Netflix! The characters are so endearing, and true to life! Imagine my sadness at finding my new favorite show was cancelled before it really got off the ground. What a shame. Even fictional women are so threatening that they must be silenced....
<i>M. K.</i>	This show is the best show I've seen in years. It came to mean so much more to me than a regular show. Too bad their PR sucks otherwise it could have been a bigger success.
<i>Kelly R.</i>	I nearly cried when I finished season 2 on Netflix and saw they weren't making a season 3.
<i>Jacqueline T.</i>	Renew...season 3

<i>Brandi E.</i>	This is an excellent show that would likely succeed with better marketing support.
<i>John M.</i>	Because it's simply great historically based TV drama.
<i>Brianna B.</i>	It's just such an interesting look at the war, and what women did to help.
<i>Shelley F.</i>	Love the show! I would hate to see it end There's more to be done with the series it's too good to cancel
<i>Dana W.</i>	I LOVE Bomb Girls!!!! I'm sorry to hear it's been cancelled. PLEASE bring it back!!!!
<i>Angil T.</i>	I love this show!
<i>Vicki M.</i>	Just love the show! Come on people, don't let these characters go!
<i>Jim M.</i>	Love the series!
<i>Katie M.</i>	We need more Bomb Girls! One of the best and most well written shows I've ever seen.
<i>Ann G.</i>	This show is amazing! If it had had a better time slot and there hadn't been an 11 month wait until season 2, season 2 would've done just as well as season 1. I can't believe such a brilliant show would be canceled- not good enough global
<i>susan t.</i>	Fantastic drama - this one deserves another series!

<i>Karen S.</i>	If Canadian television has too many great shows there is no room - PRODUCE FOR NETFLIX !! It illustrates to Americans the Canadian WWII experience. Great acting.
<i>dana s.</i>	Love the show, love the characters...so much terrible crap on television these days I hate it when a decent show is cancelled. We are not all mindless zombies willing watch whatever reality show crap they shove at us. I am not one of those anyway. BBC produces wonderful shows, what is wrong with American and Canadian television execs.
<i>Allison G.</i>	The strong female characters based in an important part of history
<i>Lysbeth C.</i>	This time in our History is a time we will never get back! Please keep our lives enriched by continuing this beautiful show!
<i>James S.</i>	Me and my wife love Bomb Girls, please keep the series going!
<i>Gloria G.</i>	This is a quality show. I love the characters and story line. It provides history of a very important time that people may have forgotten. People should remember the historical events of the world war II era. Please bring it back.
<i>Ellen M.</i>	This show has a fantastic storyline that touches the soul of all woman. Please do not cancel!!
<i>Sammantha t.</i>	Don't cancel great Canadian tv, there's so little good Canadian tv as it is

<i>Todd R.</i>	In an era of reality t.v..it is refreshing to have a well written show with a cast of character that you can relate to. This show deserves to continue.
<i>Astra S.</i>	I love this show so much!
<i>W. A.</i>	I love this history-based drama. Great TV should never be cancelled.
<i>Patty H.</i>	It's a fine drama that deepened as it progressed.
<i>Theresa K.</i>	There are so few shows that show the sisterhood, strong female characters, and history of such a unique time in our history. Please keep it!
<i>martha q.</i>	Bomb girls is history seen from Canada when our northern neighbor was helping england while the United States dithered promising help but not delivering. These girls were committed to saving Western civilization and England. That it's so good is a plus.
<i>gwendoline c.</i>	I think this is a top rate show. Great acting , great story lines. I love it.

<i>Elizabeth M.</i>	Others have stressed the high quality of the production, acting and writing. The show is telling an unknown story about WWII that deserves more notice and that should be carried out to a satisfying finale for all the characters. It is reminiscent of "Foyle's War" in telling about aspects of history that people would otherwise never hear about, unless they became historical experts. The show is great, and we in the U.S. want more! I have just finished dashing through the second season and Netflix and am hoping for a third!
<i>Lisa J.</i>	Excellent writing and unique to anything out there.
<i>Juliane C.</i>	Bomb Girls is an amazing show. Americans want season 3!!!!
<i>Yannique F.</i>	Not only was this program interesting to watch because of excellent writing and story development, but I think it's important to have more stories centering around strong women. I feel attached to every character on the show. I was enlightened to Canada's war efforts during WWII and feel so inspired by the work the real women in that era did.
<i>Denise S.</i>	Bomb Girls is one of the most intelligent, well written, & well acted series in all of current television. I am disappointed in the decision makers who made the decision to cancel this series. I hope they have the wisdom to recognize this as an unwise decision. And, continue this valuable asset.

<i>Sue W.</i>	Here is a show showcasing the best in Canadian talent. A look into our past as well as providing us with stories full of heart and souls of these families. We are strong because of these women and their stories.
<i>Sue M.</i>	It's not a reality show. There are too few really great shows on now. All the best ones seem to get cancelled and replaced with stupid reality crap. Please bring it back!!!
<i>Audrey K.</i>	Strong realistic female leads telling a story that was historically over glorified and where the role of women has been downplayed. This is a fabulously entertaining and inspiring show that appeals to many markets and intelligent women everywhere!
<i>Karen D.</i>	I love this show
<i>Patty T.</i>	I really enjoyed it. My father was in World War II. I really like story during that era.
<i>Denise M.</i>	Strong female leads! Finally! Mostly female run cast.
<i>Pamela P.</i>	Love the show have all my friends watching.
<i>Marion S.</i>	I am an historian and specialized in 1899-1945. Too little information is widely and popularly made available of the vital role of women during those years. Bomb girls is important.

<i>Alan C.</i>	This is not just a show depicting a time in Canada's history and showing what women went through to get respect in the workplace. it is well written and entertaining. Give me this over reality shows pretending to be real
<i>Brenda C.</i>	It is our history that even I can learn about and I'm a Nan. In addition it is a very well written series that is a nice break from moronic reality shows.
<i>Felicia S.</i>	We need more shows with strong, independent female leads! Bring back Bomb Girls!
<i>Melinda S.</i>	This show is outstanding and so important for women to have available. It is so awesome to see the historical contributions made by women, but also include story lines that are entertaining and and draw in so many different types of viewers.
<i>Elizabeth D.</i>	Bomb Girls is one of the best shows I've ever seen. The actresses and story lines, I could hardly wait for the next season. Please don't take Bomb Girls away!
<i>D G.</i>	we love this show. Please don't cancel it

Alisa F.

I loved the series Bomb Girls. This show was an intelligent and highly entertaining look at a very important time for women in history. The media seldom shows anything that represents women truthfully and intelligently. This show is such a powerful and moving insight into women's lives. Women are very under represented as 3 dimensional characters. I am so tired of seeing sex based portrayals of what women do in culture and history. There is really nothing to replace this incredible show. You had ratings you didn't even know about, albeit they were women.

Gail Y.

Great Canadian show!

Cheryl C.

It is an amazing show and it was the only show I looked forward to watching every week. Plus, the only one I got to watch with being the mother of 2 under the age of 5

Tara E.

This is a great show; families can watch this together.

Emily B.

It is important that the stories of women like myself and countless others around the world continue to be created.

<i>Christina K.</i>	This is more than just a television show. It showcases amazing talent from Canada and it pays tribute to the ladies who were working behind the scenes during WWII. I fear that the new generations are beginning to forget what a horrible time it was for everyone involved (directly and indirectly), and they see war as just a game. This show portrays the emotional toll the war took on people who were not on the front-lines but still deeply affected by one of the worst times in human history.
<i>Stephanie M.</i>	This show portraits another, yet important side of WWII. A side that we not always have in mind. It's a wonderful show. Not to disrespect other tv shows, but Bomb girls is high on the quality list. I really think this show should be renewed.
<i>Sherry D.</i>	This is by far the best series on TV. Please reconsider the cancellation.
<i>Jeannie A.</i>	My grandmother was a nurse during wwll and my grandfather was in the Navy. Since they have both passed away, it's great to watch a show about that era. More shows should be like it not cancelled
<i>amanda b.</i>	It is s really great show. Not everyone likes reality shows. Those are the shows that should be cancelled.
<i>laurie e.</i>	This is an amazing show that CAN NOT be canceled!
<i>Antonia A.</i>	This is important to me because it is an amazing show with spectacular acting and phenomenal writing. please let this show continue, it is not only inspirational but also a great pass time.

<i>Susan S.</i>	Best opportunity since CBC's Avro Arrow for showcasing Canadian talent.
<i>Oriane K.</i>	Je veux sauver cette série car je la trouve très intéressante, elle apprend beaucoup de choses sur la vie des femmes pendant la guerre, et l'histoire de chacune des personnages est captivante !
<i>Susan C.</i>	It is a well written and acted show. There aren't that many good Canadian shows on television.
<i>margot v.</i>	i really really really like the show. i love it and hate it to see it gone
<i>Patty D.</i>	Please do not cancel this show - as a lover of the 1940's - this show brings such pleasure to watch and it helps me to know what it was like for my parents during this era when they were married. This is the best show - you have to be crazy to cancel this - this is a show that reminds you of when things were old fashioned and people weren't caught up in the fast pace we have today in life.
<i>Patrick M.</i>	This show has a great story and so many strong smart and beautiful characters. A great antidote to thoughtless reality TV.
<i>Cyndy S.</i>	loved this show!

<i>Martin F.</i>	This serial is great.!

<i>Marye P.</i>	I love this show.
<i>Dina J.</i>	I played it for my 92 year old grandmother and she loved it so much she cried when I told her it had ended. I love it as well and have introduced it to my friends and other family members
<i>Sherry M.</i>	Thoughtful story line, historic setting, wonderful acting. Please don't cancel.
<i>Christine W.</i>	There is so little worth while TV, this is a great show, keep it going!!
<i>David E.</i>	This show depicts a significant part of history. It should not be lost in the pages of time.
<i>Shauntae C.</i>	This show is better than a majority of what's on TV now and I would love to see Bomb Girls continue!
<i>Anne B.</i>	An exceptional Canadian show

<i>Lizabeth R.</i>	It is so unusual to find a show that shows the values most people espouse - hard work, pride of country, close friendship. It seems the very best shows are the ones that don't make it.
<i>June S.</i>	I love the history, the story, the girls, the music. I think it helps the Veterans. My Dad loves to watch it.
<i>Erin C.</i>	It is an exceptionally high quality show and 100% CANADIAN! Not aware of any other show that meets these same standards. Only show that accurately illustrates women in Canada during the WW2. This is too important a subject matter to lose! BRING IT BACK!!
<i>Margaret G.</i>	Don't be like the guy who decided canceling Star Trek was a good idea! We LOVE this show!
<i>Stacia K.</i>	My daughter and I love Bomb Girls. Please don't disappoint it's huge fan base by letting the show become a casualty of circumstance.
<i>monika g.</i>	Great show, well-written, authentic set and costume design. The story line is important for the progress of Women's Rights.
<i>Wayne J.</i>	This is a TOP QUALITY show!
<i>Ana G.</i>	The world needs to know the amazing contribution that these girls did. Young girls need role models like them.

<i>Eleisha C.</i>	This is a wonderful period TV drama. The finale of season 2 said it perfectly: "This is not the end." There's so much more to the story!
<i>Amy D.</i>	Bomb Girls has so much potential, with a wealth of possible stories and amazing, strong female characters. It's a crime to cancel it!
<i>Debbie R.</i>	This show lets today's world have a glimpse into the hardships felt during some of the toughest times, that has given us what we have today...not to mention it is not full of cursing, sex scenes that do not leave anything to the imagination...great story, great actors. Didn't know they were cancelling until I was looking for the season premier...for some reason the good stuff seems to disappear...
<i>Staci S.</i>	This is the best show I have seen in a loooooong time. It's so rare to have a show where you get so wrapped up in each characters' lives and stories. The writing is fantastic, and the acting is wonderful! There needs to be a show on the air that is this amazing, and it needs to be Bomb Girls.
<i>Suelen S.</i>	is an injection of reasons to return to the feminist movement!
<i>Teresa F.</i>	Best drama on TV

<i>candice c.</i>	I found Bomb Girls on Netflix and Fell in love with the show! I Don't care for Reality tv but to find a show that reflects a time that my Great Grandma went through and i pictured her there with the other women. I have admired for what those women did. Please Bring back Bomb Girls!!! Thabk you
<i>Monia A.</i>	There is no word good enough to describe the amazingness of this show. It is just great. We feel for the characters and it is really worth watching. I would be a shame to leave it this way.

<i>Heidi B.</i>	The show has an amazing story line. I love the characters, the fashion, and it brings us a hint as to what life was like for the men and women of the 1940s during WWII.

<i>Laura B.</i>	This show is far more interesting than reality TV and it is based on a very important part of history. it makes me proud to see a Canadian show that is so well written and well produced. More!
<i>Yusha-Marie S.</i>	This show is one of the best that I've seen in a long time. I would be so very much like to see more of it. Two seasons is just not enough!
<i>Wayne M.</i>	This is the one of only a few shows on TV that is about strong willed women. It is very well written.

<i>Monica A.</i>	While serving in the US Army, stationed in Korea, I came across Bomb Girls and was hooked. Of all the trash that is kept on TV, this is worth keeping. Wish the US had a show like this. Watching this show is worth my time.
<i>LINDA U.</i>	women's role in history
<i>Francine M.</i>	Love this show about strong women
<i>Kim S.</i>	Finally a show that doesn't "look" Canadian. Please keep up the good work!
<i>Holly L.</i>	This is a wonderful show, also hard to get in Scotland but worth the struggle! The show is not only hugely entertaining but also underlines the history of the women who served in the war all those years ago. So it's educational and great to watch, what more could you want?
<i>Karoliina H.</i>	I love this show. And I love the cast. We need something that isn't as popular as Downton because that will not ruin the script. I think this is my favourite show right now and to not get anything anymore just crushes me.
<i>William M.</i>	This is an excellent show and there are so few, I'd like to save the good ones.
<i>Nicholas W.</i>	Really enjoyed the show, looking for more info and seen it was cancelled. Sad.

<i>Emma T.</i>	The show is amazing and not just a peice of fluff. I watch it for the characters and their relation to the war effort. It is also really imporant to show what it was like at the home front (much like Foyles War which was cancelled and renewed!) and its rare tha we see a series about how war affected Canada and of course women. Please bring it back!!
<i>nancy t.</i>	Quality tv
<i>John D.</i>	Best show on tv last year
<i>Lauriem N.</i>	I love Bomb Girl. It's an intelligent serial
<i>Arlene S.</i>	It is a shame to lose good Canadian television ... especially when there is so little of it being made!
<i>dave k.</i>	tHE SHOW IS GREAT fabulous story lines,
<i>Brittany S.</i>	This show shows strong female roles and it shows sexuality through another decade! I feel the audience and everyone who watches it can really learn from that time and benefit from it. Its well written, the cast has such chemistry it is insane. Why would you cancel it? At least do one more season to wrap it up. I am dying to know what happens and what will happen. Please dont cancel it this show is amazing and has such freaking potential, its uncanny.
<i>linda n.</i>	Really need to keep quality programs on the air especially since there are so few these days.

<i>Deborah H.</i>	Genuine quality in acting and story line, which is a rare find in TV or film today.
<i>Carla M.</i>	Excellent show. There aren't many quality programs on TV but Bomb Girls is a standout. It is well written, well acted and very entertaining. Why do companies cancel all the best shows and leave the garbage on TV?
<i>Caroline Y.</i>	Hello, Bomb Girls is a history lesson for all of Canada to see, appreciate and learn from. I am embarrassed to say I am one of the ignorant that did not know what went on in our own city. This series is beautifully written, which stars exceptional talent and is very, very well cast....Shame, Shame on you if you think this show is not worth continuing. It's a creation that everyone should be very proud of and now it is the networks responsibility, a Canadian Network at that to make sure it happens. A crack-whip marketing team needs to be working on making sure the numbers watching grow....Regards, Caroline Yli-Luoma
<i>Anna D.</i>	Bomb Girls is great Canadian programming, it does not warrant cancellation!
<i>Cornelia R.</i>	because since watching it I've instantly become addicted. The story line is different to any other show I've watched. It shows heroism and the fight of what would did women in WWII and instead of other shows just showing men.
<i>Emem U.</i>	it's the most original, simple yet fantastic show we've seen in a long time

<i>gretchen c.</i>	this is such an unusual show ...history, drama, very unique
<i>Melanie H.</i>	So interesting to see what life was like for both my grandmas. They told me stories at their knees, and also how lucky I was to have so many choices in life but I never really understood. I love this show. Only one I care about on tv. Bring it back!
<i>David J.</i>	Excellent,well acted series good to see a Canadian series for a change
<i>Sandra A.</i>	This is a great show!!!! Please don't cancel!!!
<i>Lilli C.</i>	Love the show!
<i>Colleen B.</i>	We live close to the Defense Industries site and feel it is important to maintain the history behind Canada's war support.
<i>George S.</i>	I am a teacher and this show was quite instructional as to what WWII was like at home for the women who contributed. MY grandmother had been an employee at Wallace Barnes Spring for 15 years when the war broke out. Much like Lorna, she had a difficult family to deal with while working as a caring matron to the new women on the line. The stories of Bomb Girls are very reminiscent of stories she told. For the sake of History and Culture, please reconsider your decision.
<i>Steven K.</i>	Love the show. There are little decent programming on TV. Especially Canadian.

<i>Chelsea M.</i>	I discovered Bomb Girls on Netflix and was devastated to learn that I would not be able to continue watching these characters I've become so invested in. Despite the story taking place over 70 years ago, the issues translate to the present. I do hope Global TV will reconsider the continuation of Bomb Girls.
<i>Roman R.</i>	Great drama!
<i>Emma B.</i>	This show is creative and inspiring. It's unique among tv shows these days which mostly show drunk stupid people making poor choices. Bomb Girls hits home on many important human rights and womens' rights issues of the time. It also has excellent actors and plenty of interesting story lines.
<i>Erin R.</i>	It's good entertainment. And it reminds us of an important era in world history.
<i>diana g.</i>	bring back this show! it matters, it's unique, it's our history and it's made very well,
<i>Kelly W.</i>	I just started watching this show in April 2013. I cam upon it accidentally and have been hooked ever since. I love the strong female characters and the historical setting. I have looked forward to every Wednesday at 7:00 pm. Please please don't cancel this quality programming and wonderful show.
<i>ezra s.</i>	This show is important historically and has many viewers. Should not be cancelled due to baseless politics.

<i>Rachel A.</i>	This show is incredibly powerful both with the cast and with the story it tells. It is heartbreaking that due to cancellation this show may not live up to its full potential and tell the story it could tell. Bring back Bomb Girls.
<i>Diane H.</i>	This is absolutely one of the best shows on TV.
<i>Shoua L.</i>	This is an outstanding show. The cast is amazing!!! It's nice to see a show the whole family can enjoy. Also getting to see WWII through the eyes of these wonderful women. Getting to experience the nation coming together. It's just really genuine television that you can't get anymore in today's living. Too many reality stuff.
<i>Denise G.</i>	KEEP BOMB GIRLS FOR MORE TV SEASONS!!!!
<i>Robin M.</i>	Canada's role in supplying bombs during the war is not well known nor is the role of women as factory workers. This show brings out many important issues of the time.
<i>P D.</i>	As I was growing up we learned mostly about American history. This show highlights the contribution that Canada along with its men and women put forth during the second war. Stellar cast and great show that the whole family can watch.
<i>Alexa K.</i>	This is my absolute favourite show. It is the only one I watch faithfully! It is a show that debuts an exciting history for Canada! Please do not cancel.

<i>Dan L.</i>	A really great narrative portraying a bit of Canadian history and who we were. We seem to be denying our history in the broader world and this is a great antidote
<i>Lisa W.</i>	Rarely does a TV show depict multiple intelligent, strong female characters. This show is a positive influence on our young girls and women
<i>Leah E.</i>	It is a wonderfully crafted television show that highlights strong female characters that is truthful and empowering.
<i>Randy M.</i>	A great show that tells stories that needed to be told for decades.
<i>Raylene N.</i>	Great Canadian Television!
<i>Julia A.</i>	It is a really nice change to see a tv drama with women fighting against the stereotypes of the time period.
<i>Meredith L.</i>	This show's strong female characters (and the actors who portray them) are breathtaking! Every young women like me should watch this show! It serves as a reminder of how much women have achieved in the workplace and also how much more we can achieve in the future! I started to watch this show on Netflix and finished the first season in a day and a half because it was unlike anything else I have seen on television! Please consider the audience you have and the audience you could have in the future if this show got more exposure! Please renew Bomb Girls!

<i>Pat R.</i>	Bom Girls is the most relevant show on TV that shows just how important women are, both in times of war & in daily life. The show is so well written, & provides role models for today's young girls, who seem to have no idea how to stand up for themselves, whether it be abusive boyfriends or bullying, etc. There is so much garbage on TV, I can't believe that Global would cancel such an important & relevant show.
<i>Lynn M.</i>	Represents the important role of Canadian women during the war. Being the daughter of a Canadian airman and British citizen, it helps remind me of life experienced during those difficult times....
<i>Ashley H.</i>	Bomb Girls is one of the best shows and has such great characters! You feel connected to these characters! Please listen to your public! Keep Bomb Girls!!
<i>Paz M.</i>	Because this show is amazing, it has a really good message and it's super well written!
<i>E. G.</i>	Bomb Girls is GREAT show
<i>Judy L.</i>	It's a great tv show about Canadian women for Canadians.
<i>Chris A.</i>	I enjoy the show, it's Canadian content and view.

Mable L.

My Mother was a "Bomb Girl"!! This wonderful series has remembered my mother's work and dedication to this country!! This is why this series should continue!! The Bomb Girls series, has brought my own daughters relation to the past, seeing how her own grandmother worked as a Real Bomb Girl!!!! Please, continue the series Bomb Girls!!

Morgan L.

Bomb Girls is one of the most amazingly written and historically accurate shows I have ever seen. It's brilliant how a show set so far in the past can affect and entertain so many. It really shines a light on women during this crucial era in history, many forget all the contributions women made and what a turning point it was for feminism and progress in general. With all the trash currently on television I think that it is crucial that we keep such a stunning and genius show running. Save Bomb Girls!

CAROL F.

This is an excellent show. Guess i should quit watching TV as every show I really enjoy gets cancelled. Too bad that some people could learn about history, but apparently this is not important anymore.

Cindy M.

This is a GREAT show and there aren't that many good things to watch these days.

Sue F.

im learning about another countrys war efforts to start with...but love the stories of the familys surrounding the factory, found this program by chance, and never looked back only wishing i could watch the next episode there and then. brilliant program...want lots more.....

<i>Rhonda S.</i>	I don't watch alot of tv. When I saw a commercial a month ago. I have been spending time catching up on globaltv.ca. I am on season 2 episode 4 now and then I find out it has been cancelled. With PVR's and TIVO out there now, half a season with low numbers isn't enough time to judge the ratings. I just found it.
<i>Stephanie G.</i>	This is a show unlike any other out there. Where else can we witness our early feminists' triumphs? Don't hide this from the world.
<i>Clare D.</i>	As a Canadain living in The US, this is brillant Canadian Television. As a daughter of a WWII veteran and surviour, this is an important story, this is our story.
<i>Margaret B.</i>	love this series . please bring another season back.
<i>BRENDA M.</i>	I love this show. It's one of the best on TV, and a very talented cast. I love that the writers are giving such a true account of the women of WW11. Please Renew!
<i>Katie W.</i>	I don't live in Canada, but I really dig this show. Please renew it (and syndicate it in the states!)
<i>Russell H.</i>	great ww2 drama!
<i>Aarlene C.</i>	I want more. Just more.
<i>Carlene C.</i>	Great story lines and lovelable characters.

<i>Susan M.</i>	One of the best shows to come on TV in a long time. Look forward to each new episode.
<i>Karen V.</i>	I never knew that Bomb Girls existed! That's a marketing problem. Netflix suggested it. I love it. It's not full of blood, guts, and gore. It's a quality program that develops complex characters. If you go through the effort of producing and making a series, for goodness sake, market it! Please bring Bomb Girls back.
<i>simone s.</i>	The show is so original with great actors and production values. Characters are really likable. Please give us a season 3....and save me from watching more reality TV garbage.
<i>Sheila S.</i>	Excellent Canadian historical drama. I looked forward to each show and was never disappointed.
<i>barbara m.</i>	This is a well acted historical, important genre that reflects women's importance in a crucial time in world war II
<i>Charles R.</i>	It is a well written and acted series. We have the talent why don't we showcase it? It is an interesting look at a part of our history and one of the most engaging shows on television. I cannot understand why a show of this calibre is cancelled and mindless American sitcoms and reality shows are being aired. This show has a fan base, a silent one, but it is there.

Chrystelle B. It's based on a historic well written, compassionate story with much potential. Great actresses & actors , the characters are unique and lovable. For once a show from a canadian perspective beautifully shown on Bomb Girls. The chemistry of the show is wonderful. Don't cancel Bomb Girls, it would be a mistake.

Paul B. Aside from being entertaining, this series has educated me on issues such as wartime detention in Canada. It has inspired me to learn more about how Canada wa affected by the war and Canadian culture. (I am a U.S. citizen.)

Jasmine M. This show has genuinely good actors! I look forward every week for this show and it cannot just end after 2 seasons! Bring it back!

Cristal H. Because it teaches history in a fun way. It shows strong women gaining their independance. Plus it is a great show.

rick c. my wife & I enjoy watching it. I feel that it is very well done. It reflects an often overlooked view of the home front during ww2. Woman ran industry, & the world really never was the same afterward. They were now interested in more than just being a housewife. Can you imagine what they went through? Being a locomotive engineer while your loved ones where at war overseas. Then expected to go home & raise children when it was over? The world hasn't been the same since.

ellizabeth k. I love the series.....please continue it

<i>Aimee B.</i>	There aren't enough shows with a mainly female cast, especially not ones this awesome. Keep this show and these wonderful characters.
<i>elise b.</i>	this show is one of the best why take that away for shows that will not make it
<i>shamil b.</i>	show cases Canada's history and is generally a well planned show with good plots
<i>DeeDee M.</i>	The show is so original there will never be another show even close to this. I've grown so tired of all of the reality shows and the shows that aren't even close to reality. It was so nice to watch a show about something that actually took place during an important time in our history. Love the characters, love the attention to detail, with everything from their clothes and scenery, to the way they speak the correct slang for the time. I hope Global TV will reconsider and give this show another season.
<i>Brenda W.</i>	There is only a few shows that Global offers that have any quality to them and this show is one of the best. I f they must give priority to the US then perhaps anouther channel can pick it up.
<i>Judith M.</i>	Bomb Girls is a great show. Tv doesn't have a lot of really good shows but Bomb Girls is by far one of the best.

Lorine H.

This was the only show I made time for while I was in paramedic school! My grandfather was a T4 in the US Army during WWII and this show allows us to see what the lives in North America was like during this time. It is QUALITY television! I am so SICK of the crap that passes as television anymore. Reality tv is a joke! I want Bomb Girls! Please renew it for another season! It is doing well, why fix something when it is not broken!!! Go BOMB GIRLS!!!

Nancy M.

The story line is brilliant and gives us glimpse of the past that has only been equaled lately by Downton Abbey! The cast works together so well that you caught up in the story line and at the end of the show have to remind yourself that WWII is not still being fought! I worked in a factory myself until recently and they got the details right! There is more than enough poor programing out there-- save this great one!

Lynne C.

I like the show and it's different than anything offered on tv right now.

Cate M.

The knowledge of the show passes down information not to be forgotten. I love to hear stories of WWII and have since I was very young. This is a wholesome show that my daughter and I can watch together while learning about such an important time in our culture. Please save this gem of a show!!

<i>Rhonda M.</i>	As an historian, I value this show for both its historic richness and its entertainment value. This is an important piece of television that is incredibly well written and performed. It is completely absurd to cancel it when it is just now coming into its own so to speak.
<i>Joan R.</i>	great show, interesting story lines, strong cast
<i>Christine C.</i>	My grandmother was one of these women. She worked in a similar factory here in the US.
<i>Penelope G.</i>	This is one of the few great Canadian shows we have. Why cancel a good thing? This show had a lot of viewers, and would have had more if it weren't for the interruption by an American reality show. It shows a pivotal shift in our history, which resonates with people world wide. Give Canadian television it's chance to shine.
<i>April R.</i>	My father was a tail gunner in the 8th Air Force in World War II . I love Bomb Girls and also believe it serves as a video history lesson to our younger generations in an interesting format.
<i>Georgina M.</i>	The best Canadian show. Keep Canadian Actors working.
<i>Beverley C.</i>	One of the few Canadian shows that I like to watch. Great female characters. No car chases. Smart dialogue. Love it.

<i>John M.</i>	I had a whole list of reasons why my wife and I love this show and why it should NOT be cancelled. However, after reading the many fine comments already posted, I find that I can't add anything new to the discussion except to say that this show is wonderful and meaningful to us as my wife's mother was a "bomb girl" in the US during WWII - please save this show!
<i>Rosemarymary D.</i>	I just love Bomb Girls! Please renew it! Its also a piece of History and we should be proud to produce it! Please let it continue!
<i>Kathryn L.</i>	this is an amazing, fun, informative, and addictive show. I want more, more, more! My 15 year old daughter watches it too, and its much more fun than her American and world history class - its turning her around from "hating history" to loving it. keep it coming, please! there is so much more to see and learn and be "in the know" about. The younger generation needs to understand how they got where they are today. this is a story that needs to be told- the good, the bad, & the ugly! we need more, more, more! please! bomb girls season 3! Aho!
<i>Rebecca T.</i>	It is a fabulous show that is well written and produced. Keep it going!
<i>Josie H.</i>	It's incredible to see the representation of women on television in such an honest and positive light.
<i>Jocelyne A.</i>	Part of our history
<i>Amelia H.</i>	This is the only show worth watching and it's great that it airs on the global website, so easy to catch up.

<i>Chris W.</i>	I love the show. The time frame and historical Canadian aspect gives me pride. It's nice to see a show with depth rather than the mind numbing dribble we are usually blasted with.
<i>Patty T.</i>	Simply put, the show is smart. The dialogue, the acting, the storyline; it's real T.V. ,not reality T.V. And thank goodness for that. I enjoy watching a good drama that isn't full of drama queens and stupid dialogue. It has so much going for it. I hope you will consider keeping it on. You should be proud of it.
<i>Eric S.</i>	Great acting, important part of our history.
<i>Pat K.</i>	This show represents real people and a part of Canada's history.
<i>Kelly M.</i>	I live in Ajax and one of my Aunts worked here during the war. The show is better than most shows on TV today.
<i>Julie P.</i>	I love this show. My grandmother and her sister worked in munitions factories in Detroit. I feel like i'm looking into their lives with this show. I just discovered it on Netflix and I was so disappointed to learn that it was canceled before i even started watching. Please bring it back!

<i>Kristine S.</i>	This show isn't just another show!! It portrays our history and what are past generations have gone through and the most elegant and beautiful way! It brings tears to my great grandmothers and grandmothers eyes! There should be more shows like this on TV instead of all the bullshit shows like Jersey Shore on MTV!! This show means so much to me and to everyone else I know watching it! PLEASE PLEASE RENEW BOMB GIRLS!!!
<i>Leanne L.</i>	This is an amazing show, portraying women, as strong, and resilient. It is NOT another "reality" show, it educates and entertains and lets people know about Canada's involvement in the war effort.
<i>Angie C.</i>	Bomb Girls is critically acclaimed, has mass appeal, and the strength of vocal fans. I am flummoxed by its cancellation. It makes no business sense to me. Certainly, there must be another producer that would pick up this gem? The time is right for women to see themselves as vital participants in history.
<i>Elizabeth M.</i>	I love this series so much, I would even go so far as to say it is my favourite tv series. The plot is original, the acting is superb and the storyline is worth fighting for.
<i>Layla G.</i>	This was a great show at a time where you have to really look for a great show. Do not cancel a keeper
<i>teresa m.</i>	it is untold story of our history that has been so far untold

<i>Bruce H.</i>	It covers an important part of Canadian history and highlights the significant contribution of Canadian women during WWII.
<i>Aimee S.</i>	History lessons never really mentioned the part women played in the war. This program was educational, thoroughly entertaining and endlessly inspirational. Save Bomb Girls!
<i>Luanne M.</i>	Amazing show that I wish to support.
<i>Jacquie T.</i>	I love this show and would hate to see it cancelled!
<i>Alicia H.</i>	Bomb Girls is not only an incredible TV show, it is also an excellent adaptation of working women in WWII. I am totally gutted to hear of its cancellation.
<i>Bobbie S.</i>	I love this show! It has an amazing story line with great actors/actresses and is a quality television show. It engages you and is full of emotional complexities and truth about an era of femininity. I truly believe this is the type of show that can renew female relationships and make women look at one another differently. This is so much more than just another television show!

<i>Carole S.</i>	This is intelligent drama that focuses on life at home during the Second World War and the essential role of women and other people on the home front. My Mother tells me that her senior friends are very disappointed. Most do not have Internet access and will not see this petition. this excellent show needs another chance..give it more publicity..Many people I know did not even know it existed.
<i>Roxanne E.</i>	This show is not just an entertaining drama, but it addresses the way women once had to concede to the male dominated society. These women provide a look into how far women have come...and how far we have to go.
<i>Emily C.</i>	Because its a great show and I want to see more, why else?
<i>Sandee R.</i>	Our daughter has an undergraduate degree in History and is now pursuing her Masters in History. Clearly, history is very important to our family. The show Bomb Girls brings history to life. Loyal viewers want to see this show back on the air.
<i>Art S.</i>	Excellent drama. Counters dumb reality TV shows. WWII history from the young Canadian women's perspective.
<i>Anna L.</i>	This is one of the best WWII-related YV shows I've ever seen. I'd hate to see it go so soon.
<i>Fran A.</i>	I absolutly love this show. Can't wait each week to watch. Please keep it on, I love it so much.

<i>Sandra R.</i>	I have met many women in the course of my work over the years who made immense contributions in various roles during the war effort. I have always listened to their stories in complete awe. This show plays an important key in keeping their legacy alive. As Lorna says in the first season... these women were our soldiers at home. Lest we forget.
<i>Abigail T.</i>	This show is not only entertaining it is also inspirational. Seeing how strong and hard working the women are portrayed can touch any one who feels small and insignificant.
<i>Melissa R.</i>	Great show I found on Netflix . Love it!
<i>Heather P.</i>	I think this show is great, and should continue telling the stories of the women during World War Two. It's smart, compassionate, well written and exceptionally acted.
<i>Betty L.</i>	Cast portrayal of strong women characters who made great contributions to Canada and the War efforts.
<i>Dawn N.</i>	I just found this show and am wondering why you have tried selling each episode on Amazon for us in the United States. I'd buy the season, this is an amazingly well written show and the chemistry with the cast is great. Please reconsider.
<i>Sherry A.</i>	It is an educational show and it shows us women in their age bracket how different life was even as short as 70 years ago
<i>Enda P.</i>	Love this show and I would love to see another season.

<i>Tracy F.</i>	This has been one of the best shows on TV in years.
<i>Zoe W.</i>	This show is amazing, with fantastic female characters and an excellent dose of rare, well done queer representation
<i>William A.</i>	This show is original, fresh, interesting, and wonderful. I absolutely love it! Please save it!
<i>Nancy R.</i>	I look forward to this show every week. Canadian has come a long way from Beach Combers Great show, great actors, and great story line
<i>Denise S.</i>	This series brings back so much history in an era that was so important and vital to remember. It really gives the audience a true picture of the character of people back then and how they lived. I absolutely love it, and look forward to each episode. Please do not cancel it, the younger generation really needs to be exposed to series like the Bomb Girls.
<i>samantha k.</i>	this show is to good to let slip away,im so tired of seeing so many good show "die" in the 1st or 2nd seasons,to lose bomb girls so early would be horrible.
<i>James C.</i>	It is an EXCELLENT show, not the reality crap we are being forced fed. Great cast, great story line, and GREAT production work.
<i>Jose C.</i>	It is one of the best Canadian shows I have seen here in the US and from anywhere.

renee g.

i liked that bomb girls was based on something real, i think it shows how bad things are when a show that is based on what really happened and what women went through to get us where we are now, is cancelled and the shows about vampires and werewolves are top shows. i wont lie i watch the vampire diaries and other shows, but i do like bomb girls because it shows how women were treated, i was looking forward to see what happened and how it ended..... im wondering how i can watch the rest even though its not being played.

Judith A.

What an excellent series this is! The historical perspective is unique and probably new to many viewers. I think the acting is very good, and it is such fun to see the period fashions and hair styles. Please renew Bomb Girls for another season!

Sharon N.

Class TV

Karina S.

There are so few shows with the writing and acting quality as Bomb Girls. No schtick. Just great stories and excellent acting. Inspiring and moving performances by lead actresses who deserve to be seen. I would hate not to see these women's stories play to their natural conclusions.

Brittany R.

Bomb Girls is a mighty fine show. I would love to see more shows with such gumption and complexities while giving viewers such interesting characters that they effortlessly come to know and to which they can relate. Definitely give it more time to grow.

<i>Kevin H.</i>	It is important that Canadian stories get told, and there is a world out there waiting to hear them! This should go on as a series. Two seasons is not enough!
<i>Natalie B.</i>	Bomb Girls is one of the most 1. well made 2. educational 3. feminist 4. sensitive shows on television.
<i>Karen M.</i>	Very very good show about an important time in our history, with a unique Canadian perspective on WWII
<i>Amanda R.</i>	Great show, Canadian heritage and exceptional all around
<i>Alyce K.</i>	this is one of the best shows on and for young girls having these ladies as role models is a hell of a lot better than the Kardashians etc please save this show and save our girls
<i>Melissa R.</i>	I love this show I watch it every morning as I do my make up. The old timey fashion and style is so inspiring. In addition the strong characters help me feel confident to start my day. Don't cancel the show. I LOVE the characters!
<i>Deborah M.</i>	A great show! Great cast!
<i>Sharon F.</i>	I think we need to keep good Canadian shows.
<i>McKenzie W.</i>	This show is wonderful!
<i>Shannon T.</i>	I love this show! We need to keep quality programming on the air.

<i>Kristin P.</i>	Rare is it to find a show that can make you cheer for the characters when they do something great, be sad when they are hurt, and yell when everything goes wrong. It's rare to find something that connects with you so deeply and inspires you. So please consider renewing Bomb Girls.
<i>Carrie S.</i>	This show is something worth continuing, please reconsider the decision to cancel the show.
<i>Tara C.</i>	The show is entertaining. It is historical and shows the importance of women during this time period. The show is very well written and most of all shows off Canadian views.
<i>Mary P.</i>	This is the best show on the air. Why stop a great thing in the making? What will I discuss with my other medical friends. Please NO! NO! NO let it live on.
<i>Carmina H.</i>	It's a great show
<i>Jenni K.</i>	I just found this outstanding show. Far better than other shows out there.

Marti D.

Bomb Girls has really empowered me! I've never been hooked onto a TV Serious besides cartoons because in the cartoons I can escape from reality. Live action TV Serious in the US currently don't teach anything worth learning and I thought the people who wrote and acted in them were just annoying attention hogs. That's until I watched "Bomb Girls"... Its sad to have read that a TV serious that is making aware of a part of human history, dedication the lives of the Bomb Girls who did live in that era and SACRIFICED just as much as the men, and is empowering many Women and Men being canceled. WHY!? I was proud to see someone create such a beautifully outrageous story honoring not only the Bomb Girls and women, but also a lot of minorities. Please, please don't cancel "Bomb Girls"!!

Susan C.

This is such a good television show. I have been captivated from the beginning. So much of what is on is pure garbage! Please bring it back!

Cindy P.

One day when flipping through the channels on my TV, I found this show and fell in love with it after 2 episodes. The acting and storyline for bomb girls is fantastic and I even love the costuming. I am very upset that the show has been cancelled and can only hope that the global tv network can change their minds and understand that fans of bomb girls love history and most importantly this show!

Irin V.

It`s a good and interesting show, I like it. Please renew Bomb Girls for another season.

<i>Allison M.</i>	One in a life time show. Seriously the best.
<i>kahlil r.</i>	because the show is GREAT!
<i>hillary w.</i>	This is an excellent show that needs to be kept on the air. It is interesting and fascinating and much better too watch than alot or the programming that we have on television now.
<i>Celeste C.</i>	It's a great Show
<i>Julio D.</i>	Cause I'm a fan of the era and the cast is great. I want More!!!
<i>Kelly B.</i>	Bomb Girls portrays historical facts about life in Canada during the 2nd World War; things that I didn't learn about in high school history class....and probably should have.
<i>J. B.</i>	Bomb Girls is not only interesting, but a true piec eof Canadian history that needs to be shown. Also, it was placed on Monday night up against two really strong shows - Murdoch Mysteries and The Following. Global needs to put it back where it was before so that those who want to watch don't have to time shift it on their PVR's! please give it one more season in a better time slot and see what happens! Finally, stop splitting the season for other shows, especially for inane American shows that are useless!
<i>stacy j.</i>	Because it is one of the best shows on tv!!!!

<i>Alain A.</i>	There are too many cop, lawyer, hospital and "Reality" shows. Bomb Girls, being a period drama is different. Displaying a important in history where women were let out of the kitchen and into the working world en mass. The differences in attitudes between then and now is amazing to see. Watching these women face new challenges and new ideals. Keep your blinkin' cop dramas (Rookie Blue) then, you just lost another viewer.
<i>Keirsten G.</i>	Bomb Girls is is a poular , critcally acliamed Candian televsion show. It helps tell a very important part of histroy that often get forgotten. Please Global and Shaw please change your'e minds on the canceling of this wonderful show that Canad and world so badly need.
<i>Barbara B.</i>	There aren't many good shows on TV anymore and I think this show is worth keeping on the air.
<i>Ivan R.</i>	M'y favorite series
<i>Brian I.</i>	It shows my daughter history in a very different light and from the females point of view and shows all they sacrificed while the men were over sea's fighting. how hard they worked. Its very accurate and realistic. Please keep such a good show going.
<i>Debbie S.</i>	The show is grest and I enjoy it, and please bill it back
<i>ed s.</i>	Great show, well written. Why the split season?

Jennifer H.

The best original show I've seen in a very long time that features very well-written complex and strong female characters. Don't stifle a good thing!

Russell G.

Bomb Girls is an incredible show. The characters are strong role models for young girls, and brings to life the history of such an important era. Please reconsider your decision to cancel this show.

Anna A.

Lets be honest, there is little GOOD television out right now. Rarely have I seen a show that makes me check a website (global even!) daily to see if a new episode is out. The story lines are compelling, you can't not watch! On the same token, its incredibly educational and touches a number of social issues without feeling like a "heritage minute" or "The More You Know" moment. I love it. This is what I've been dying for in the television realm. You watch a really great episode and go...OMG I have to wait a week for another episode!?! Then you stop and go, wait, did they have a lesbian on a historical TV show? Wait it wasn't forced! Damn, that's genius. Not only that, but lets be honest, it seems rare that a Canadian Television series is good enough to be seen outside of Canada and it seems that there are Bomb Girls fans all over the world. This is an excellent testament to the amazing people we have working in the Canadian film and television industry.

marisol c.

Keep quality tv.

<i>Akisa T.</i>	Please please save this show!!! I absolutely love everything about it and have never missed an episode!!
<i>Maya C.</i>	This show is extraordinary. The acting is superb and the story is gripping! Please renew Bomb Girls for another season! It's so much better then most shows you are airing at this time.
<i>Lisa M.</i>	So many Canadians complain that Americans don't know much about Canada or her history; well this show is a fine example of a TV show which presents our neighbor to the north in a very significant light. Many Americans who watch this show will learn not only about the heroic war effort in Canada similar to our own during WWII but will see Canada as another producer of quality TV just like Britain!
<i>Candace E.</i>	Amazing, powerful show!
<i>Jessica S.</i>	this show is a great show to give the young a more independent positive female role model. The old can share their experiences from the past with younger generations. please keep bomb girls on.
<i>Judy I.</i>	Bomb Girls is well written, and has a wonderful cast. Please keep this show on the air.

Celena N.

It's amazing. It's Canadian. It's the best show Ive seen since Being Erica or Big Bang Theory. Its not reality tv. I face reality everyday. When I turn tv, I want to be taken somewhere to relax. Not to someone's reality of teen pregnancy or survival skills. I dont care if you're the biggest loser. Im an athlete struggling with injuries. I have my own health to focus on. Honey Boo Boo only teaches us to laugh at the less fortunate. It teaches us to laugh at overweight folks. It's makes people think it's okay to make fun of others. Keep substance in shows alive. Keep the bombgirls alive!

Torrie S.

It is our canadian history and heritage!

Michael D.

Because there is nothing out there quite like this show; it gives a glimpse of the past that the younger generations have never experienced.

Marie-Anne L.

Bomb Girls is an incredible show telling a story that is never seen on Canadian television. And it is done so well it's a shame it came to an end after only 2 seasons. Plus, there's still 4 years left to the war!

Heather H.

It's about Canadian woman! It's a time frame I'm too young to know personally but have certainly heard about from my older parents. It's a rare, intelligent show and there just aren't enough intelligent things to watch on tv these days...

<i>Nina A.</i>	This show has easily been one of my favorites. I adore this time era and it not only provides historical significant but also amazing character development. PLEASE DON'T GET RID OF IT!!!!
<i>Choley B.</i>	It's a wonderfully, unique show with extraordinary actors, and that is definitely a rare occurrence in the flood of rubbish that society refers to as "entertainment".
<i>Krystal M.</i>	I really enjoy a female empowerment show as well and learning a bit of Canadian history.
<i>Lisa T.</i>	I support programs on Canadian History, even if it is a drama, it was well acted and spoke to real issue like homosexuality, racism and gender roles. Their aren't very many good Canadian shows, this was one of the very few.
<i>gilbert b.</i>	This show has a truly Canadian flavour. Compared to the junk (reality TV) that is currently on TV, this show has good characters, Canadiana, history, costumes, and an above average plot line.
<i>Jennifer M.</i>	Great show-intelligent script. With TV shows it is almost like "only the really great die young". So sad! Hopefully another network will pick it up!
<i>amy a.</i>	because this show is part of our history and shows an important mile stone in woman history
<i>Jacqueline B.</i>	Interesting, talented cast, witty.

Paul M.

My dear father fought at Omaha Beach during the D-Day invasion. He would not talk about the war, other than how awful to watch your buddies getting killed. Approaching 70 years since D-Day. My generation and especially younger generations need to be reminded of WWII and its significance. I visited Omaha Beach and a concentration camp near Salzburg. The horrors were very real.

Melissa B.

Finally, a good, interesting and Canadian show that should stick around. Its the only show I actually watch!

David B.

one of the best Canadian produced shows I've seen. Great story, great acting and a great period piece that some of us heard our parents and grand parents talk about. Looked forward to it every week. Will miss the Girls very much. back to mind numbing reality TV I guess.

John B.

This is a beautifully crafted show that explores an aspect of 20th Century Canadian history unappreciated, or forgotten by many. The acting is wonderful, the costumes and sets are sumptuous, and the storyline is riveting and everything about this show is critically acclaimed. It is a very positive portrayal of fighting for various individuals rights including women, minorities and it shows them overcoming great odds and growing in the process. We value the richness of the characters and the plot lines.

Sandy M.

For its historical significance

<i>Evey G.</i>	This show brings to light things about our greatest generation to a generation that has no IDEA what it was all about.
<i>C. B.</i>	This show deals with real issues, with the drama to keep things going. Excellent Canadian programming, revealing a piece of our history that was unknown to many until now. Keep this show going online if you can't keep it on TV. The following will continue to grow.
<i>Colleen W.</i>	I LOVE THIS SHOW AND PROUD THAT IT IS CANADIAN!
<i>Carolyn R.</i>	This is a high quality Canadian series that sheds light on an interesting part of our national history.
<i>Elise M.</i>	Do you see how this show has managed to bring people all over the world together?! Don't give up on Bomb Girls. Bring on a sponsor that fans will commit to support and you won't regret it (ex. 'Chuck' fans who bought Subway every week)! Long live the blue shift!
<i>Diana L.</i>	I absolutely love this show, and always make it home from where ever I am to watch it. Its just getting really good!!!
<i>Kiki J.</i>	This is my fav show
<i>Paul C.</i>	A great show with so much potential left. It is still only halfway through the war. What happens marco when Italy surrenders etc

<i>Alex M.</i>	There is so much mediocre television out there, when you find a show that stirs your heart and keeps you interested, you have to fight to keep it going.
<i>Courtney R.</i>	Its important to see strong women on tv. I'm inspired with every episode.
<i>jeannie s.</i>	I love period pieces. I had hoped for years that a series would be made about WWII. This a great show. I look forward to it weekly, It's a shame for it to be canceled.
<i>Lois L.</i>	This a show that is thoughtful, caring, compassionate with characters who show real feelings. It is a Must Keep show.
<i>pricope v.</i>	It's been a long time since I've seen such a great show with such inspiring characters. we need more of it!!
<i>Miranda H.</i>	I have only recently been introduced to this show, and it is incredible. Having female and LGBT representation in the media is incredible, and Bomb Girls is one of the few shows that does this. Please renew Bomb Girls for another season.
<i>Dawn B.</i>	Bomb Girls is a wonderful show. Please reconsider cancelling it.
<i>Sharon S.</i>	Love the story line in particular the history of Toronto during ww2. It is really important as a woman to see how our roles and rights have changed. I think this is of particular important for young women who have no. Idea how limited life was for women not all that long ago.
<i>Donna M.</i>	I don't watch many shows but I look forward to this one each week!

Janet P.

I am from the U.S. I find it interesting to see how life in Canada was during WWII. My late dad served in the U.S. Air Force in WWII and I am sure he would have loved this show. I think we all need this type of programming. It's nostalgic and somewhat educational to the younger "reality show" generation.

shiree s.

This show is about the feminist movement during the war and it has so much historical significance.

Lotte T.

Finally a show with some damn good power woman in it!

Ana V.

I'm an immigrant to Canada, and watching Bomb Girls inspired me. I love the strong characters and the female power and determination. I just watched the final episode of season 2 and when I looked for the season 3 premier date I found out about its cancellation. I look toward to see the rest of the stories. Please take into account this petition, if the series wasn't popular people wouldn't bother to do this!

Caitlin M.

Bomb Girls is a show with unique Canadian content With brilliant writing, superb acting, and beautiful sets and cinematography. Bomb Girls stands apart by other televised dramas by bringing to the forefront strong female characters that are rich and layered.

<i>Tara T.</i>	This show is an amazing product coming out of Canada. One that as a nation, we should be absolutely PROUD of. It is a show that demonstrates superb acting, wonderful writing and great cinematography. Telling a story about a little discussed subject in our military history that I never really thought about. Bomb Girls has opened my eyes and educated me on the important role that women played in the war efforts specifically in WWII. I, for one find it not only difficult but unfathomable that such a dynamic show can so easily be taken off the air. I do believe that the power of the viewers will persuade the "powers that be" to reconsider their decision and return this excellent program to its rightful place and not relegate it to the memories of what could have been.
<i>Kelsey S.</i>	Bomb girls is very educational and it also serves a purpose for the LGBT community. I have never seen such an honest representation of a lesbian in the media yet, i really don't want to see that end.
<i>Charles N.</i>	Best show on tv, period!
<i>Lia P.</i>	I love the show
<i>Anna A.</i>	This show is AMAZING! I wish there were more like it. Please renew it for another season!
<i>marina k.</i>	great tv show
<i>angelina e.</i>	save Bomb Girls!

<i>CL M.</i>	Wonderful acting, storylines, a top quality show featuring strong, inspiring women. We need more characters like Betty, Lorna, Gladys, et al. Please renew this terrific show.
<i>Jackie S.</i>	It's a great show
<i>Dale-Anne S.</i>	My mother worked as a manager of the Massey Ferguson munitions factory during WW2. I enjoyed stepping back in time to watch the bomb girls capture this era. The show was well done and a triumph to Canadian television. I am sad to see it so easily dropped by Global considering its appeal to both Canadians and those living in distant lands. I hope the decision is reconsidered by the outpouring of public support garnered by the public.
<i>Rebecca T.</i>	Terrific storylines, terrific actors and terrific exposure of often-looked historical women's issues and history.
<i>Andrea H.</i>	Found this on Netflix and have been happily searching for season 2 until the discovery the show was cancelled. This is a great show and deserves more time.

Amanda A.

Why 'Bomb Girls' deserves a full third season: Great period dramas like Bomb Girls come along once in a blue moon, and more often than not, they teach us something about an era long passed. I grew up with a love for this era thanks to the Golden Age of Hollywood, but never did I see a story so true to the daily struggles of women like our grandmothers and great-grandmothers. Bomb Girls is an eye-opening tale with a remarkably talented cast that shouldn't be laid to rest in such an anti-climactic fashion. A movie to tie up all loose ends just won't do. We need another full season to fully explore these unsung heroes of the Second World War.

foghatdw

Easily room for more exploration of the main plot and the character dynamic. Nothing but good ink and a large fan following, what more can any media production entity ask? This cast is solid from top to bottom. Every bit as good as several other productions garnering press attention, there should be no question of expanding the series.

@ReadingBukowski

I NEED a 3rd season of Bomb Girls. I also wanted a lot more drama between Lorna and Marco in the 2nd season.

<i>Brenda M.</i>	I love this show. Great role models for women!
<i>Heather J.</i>	A show demonstrating the strength and backbone of Canadian women in a historically relevant and accurate fashion? Really, who in their right mind doesn't want this program? Gentlemen? Token female Executive?
<i>Maria C.</i>	This show is amazing! You can't take it off after only two seasons! This is the only show I watch. It's amazingly written and self empowering.
<i>G.L. P.</i>	This is a great show. Good characters and great story lines. It also is a CANADIAN show. You can't get any better than that.
<i>Lisa F.</i>	As period pieces go, this is one of the most thrilling and unique I've ever seen. As female-driven shows go, this is one of the best in terms of characterization, storylines and cast. And as general television shows go, "Bomb Girls" is just too much fun not to be able to watch it again. Shows like this are what inspire me to want to become a TV writer.
<i>Tameka T.</i>	I want to save Bomb Girls! I just found out tonight that the 2nd season has began. I've waiting for it. Need more advertising, you'll have more viewers.
<i>Jessie-Anne P.</i>	This is my favourite television show! I usually watch it online on global's website... I don't want it to go!

<i>Colleen Z.</i>	it was a wonderfully written drama that also served a purpose of educating the younger generation about a very important time in our history. bottom line, we need more well written Canadian dramas on television....too much reality tv on now!!!
<i>Helene W.</i>	This is a great show!
<i>Giles A.</i>	Factory girls saved us all in WWII, now let's save Bomb Girls!
<i>Liz B.</i>	This is such a fine, beautifully made show! You have no idea of your real viewership numbers. As a US viewer, I say, teach me more about Canada--and let me follow all these wonderful women's stories further.
<i>S Q.</i>	Seriously?! There are so many horrible shows on TV, WHY would you think of cancelling THIS one?
<i>Yolanda C.</i>	betty mcrea is such an inspiration to so many people and shares a story that so many relate to
<i>Ruth H.</i>	It is the only series I watch....I love it!!!
<i>George T.</i>	I am a regular viewer. I think it is very well produced Canadian program giving a historical aspect of our Canadian heritage during World War 2.
<i>Viv Z.</i>	terrific writing, terrific acting, a really good story....OUR story!
<i>Christine B.</i>	This is the best show.... I look forward to it every week.

Anna I.

This is more than just a TV show. This is history. Amazing how much you can learn and understand about the history of your society through TV. Please keep this show on to make spread this knowledge to more people!

Brittany G.

The show has not only greatly enlightened me on women's roles during WWII, it is also well acted and all around quite entertaining. It is by far the best period-piece I have seen in a while!

Andrea L.

Bomb Girls tells a uniquely Canadian story in an accessible and universal way. It does not shy away from the tough subjects of sexuality, racism, abortion, PTSD, etc. It features strong women characters in a time when we need those role models. It is well written, well acted, and it is CANADIAN.

Erica B.

I love this show, I love these characters, I love the period setting. I need Bomb Girls to go on!

Meghan K.

Bomb Girls allows viewers a peek into the world of women workers in WWII. Not only does the show have an amazing cast, the storyline covers a broad range of topics, and there is much more that needs to be said through Bomb Girls.

Karen W.

How many shows out there tell such exceptional stories about women? Women want more television like this? These are our stories. And I know just as many men who are interested in these stories, especially this show as it is written and performed so well. You can't discount the calibre of the talent that makes this show so successful.. 40 plus don't want another Glee. We want it stories that speak to us.

Siri S.

Keep this show alive, please, I wanna see how this war ends! but seriously, this is not just a drama series, its a piece of art that reflects upon a very important time period in history, all the characters and stories are dealt with in such a genius awesome way, and everything just hits you in the heart as authentic, honest and real. everything is done with the greatest care, and we as viewers feel & see that. You should be proud to support this series, there shouldn't be an issue of renewal or not, it should just be - make the world a better place & air another season ..and btw it needs to be shipped throughout the world as well..Love & hope from Norway

Hannah N.

Bomb Girls is an incredible show. I have just found it in the past couple weeks and hate to think that next week might be the last episode.

Victoria G.

I looove bomb girls!

Amy P.

Bomb Girls is the best show on television!

<i>Malia W.</i>	This show is amazingly written and portrayed. To see it go would be a tragedy of cinema
<i>Caitlin K.</i>	It shows women that it is ok to fight for what you want and not what society wants for you.
<i>Michael R.</i>	This is sane television entertainment, telling a story based in our history without a lot of guns and violence and fear. it could be developed and supported, and become a Coronation Street. Why stop it?
<i>L N.</i>	We finally have a world-class, award-winning Made in Canada series after years and years of creative drought, and you want to cut it? And it highlights the accomplishments of Canada women, for the most part played BY Canadian women. What is WRONG with you??? This show puts Canada back on the map for TV drama, and back on the international stage of creativity and audience engagement. Renew this show. Don't be daft.
<i>Marcella B.</i>	This show is historically significant to women. It fills a niche that doesn't exist anywhere else. Let's keep inspiring young girls to be curious about the stories of these courageous and strong women! It is worth keeping for a third season.
<i>Andrea M.</i>	Because everyone need some more Betty in their lives.

<i>Cheryl M.</i>	It's a damn good show. Give it a chance. It speaks to our history and spotlights a story that hasn't really been told. There are plenty of stories about the men's war effort. How often do we see the women's side of the story? How often do we see stories about women?
<i>DJ S.</i>	Quality historical piece with complex female lead characters and an LGBT character? I need this show to continue. This is one of the best things on TV right now. Don't cancel it; renew it and expand your audience.
<i>Allison B.</i>	I love this show!! As a Canadian, I'm so proud that this show is home grown. Great writing and amazing cast.
<i>Fiona D.</i>	I love this show.
<i>Daisy L.</i>	Amazing show, too much potential to let it just fade off into the distance
<i>Gena S.</i>	Good t.v. shows, smart t.v. shows, worth-watching t.v. shows SHOULD NOT BE CANCELLED!
<i>Traci G.</i>	This is such a well written and well acted show, not to mention it is one of the few shows that have such strong women characters. This show also appeals to both the younger and older crowd and depicts such an important time in history.
<i>Kim C.</i>	I love this show! We need to see more portraits of women working during the war.

Beth H.

This is an amazing series, showcasing powerful women. It would be a shame if it were cancelled.

Sarah A.

This show is already incredible, but it has so much potential to go beyond into the pantheon of Greatest Shows Ever on Television. Seeing WWII through the eyes of these women has been so powerful and moving - and this story is far from over. 2) Period pieces are at an all-time high in popularity. This is the time to market Bomb Girls to a ready audience, after the success of shows like Mad Men or Downton Abbey (which lacks Bomb Girls consistent writing and acting). 3) The music essential to the story is an untapped opportunity for merchandising. Market Kate Andrews as a singer, put out an album, capitalize on the romance of USO-related stories to sell both the show and the music to a wider audience. 4) Bomb Girls, by featuring complex, well-written female characters and showcasing Betty McRae has gained a loyal following within the LGBT community. Popular websites such as AfterEllen have championed the show and markedly increased the audience. Support for the show will only intensify in the coming months, illustrating the long-term success that would result from rewarding Bomb Girls' loyal viewership. Bomb Girls has more to offer than you think. It's potential for story and associated marketing, as well as for a wider audience (that is already growing throughout America) make canceling Bomb Girls, especially now, a huge mistake. History from a Canadian perspective is so rarely showcased, let alone so beautifully as in Bomb Girls. Betty McRae's journey needs

to be shown: there are so few LGBT characters on television, and Betty's story of strength and determination has accomplished more in two seasons than other shows have managed in ten. Just imagine what would happen with just a few more episodes! Aside from my personal feelings about the show, I really do feel that this is the wrong time to cancel it from a purely business perspective: 1) Bomb Girls has a steadily growing audience outside of Global TV's Canadian network. While unable to view the show as it airs, a majority of American fans watch new episodes a day later when they appear online. Not counting or capitalizing on this audience is a wasted opportunity in marketing and in revenue. 1.5) Bomb Girls has recently become available to stream via Netflix. In the coming months the show will make a large leap in viewers, only to find a lack of new material when they go looking for the rest of the story

Natasha F.

A very good show... can't get enough. The woman are good rolemodels and we need more female leads that take care of buissness.

Daffny L.

It truly is one of the best shows on tv- depicting a time in our history we should never forget-the characters and cast are outstanding! please dont let it end!

Karen R.

CANCELLED?? There's no way this can be true. It is undeniably the best ever Canadian TV show to come to production, you would be nuts to let this go and have an American network pick it up and make all the money off of it. Beyond it's amazing entertainment value this program is significant because if it's important role in educating and informing with it's window into the world of many viewers parents and grandparents during WW2 and the incredible role women played throughout these years. There are only 2 shows on tv that, in this age of programming idiocy, my husband and I are sure to sit and watch and Bomb Girls is #1. PLEASE DO NOT CANCEL THIS PROGRAM

Tessa K.

We need more shows like this on television. Bomb Girls has touched not only the hearts of its audience but also of some issues which are rarely represented on television.

Nancy G.

One of the best written shows on TV. Great actors deserve every award they earn. Listen to your public!!

Cherlyn G.

This is an excellent show, and a Canadian show. One of the better shows on tv. Hate to see it cancelled.

<i>Dawn C.</i>	Bomb Girls is exceptionally well-written, and fills a niche in being a period drama (of which Canada does not have many at the present moment). It also tells important stories of history, and puts faces on the unique roles that women played on the homefront during World War Two. Quite honestly there are quite a few more war years left to cover and it is very disappointing that one of the only shows I care to watch is being cancelled in favour of poorly-written, and repetitive crap.
<i>Kelli H.</i>	Haven't seen a show this good in a long time. strong women, strong story lines, great writers, great actors I don't understand why you would want to cancel it.
<i>Erica S.</i>	There has never been a more important show. There is no point in cancelling it.
<i>Sean B.</i>	this show is fantastic. it has quickly become one of my favourites. It is full of female empowerment and wonderful actors. each character has been fleshed out and treated with respect. this show is wonderful and deserves more than two seasons.
<i>Lesla H.</i>	I have been telling everyone I know about Bomb Girls. It is such a great show, with strong female characters, still a rarity on television. Please keep this show going, and I will continue to spread the word!
<i>Adéla S.</i>	Excellent series, capturing the time I did not recognize. It would be a shame canceling the show.

<i>Claudia R.</i>	It's what keeps me going.
<i>Amarantha G.</i>	This is one of the best shows I've ever watched. You are making a big mistake.
<i>Naomi V.</i>	My grandmother worked in a munitions factory during WWII. I feel it's important to keep her story alive.
<i>Erin K.</i>	This show is such an accurate representation of the WW2 era and brings up issues that can be paralleled in today's society. It's about feminism, the effects of homophobia, other social prejudices, and tons of other issues all while being exceptionally entertaining! A show such as Bomb Girls can improve the world, give it a chance to do so!
<i>Madalyn H.</i>	I love watching this show, and I'm saddened to see that it will be cancelled. It stands on its own from all the other female-centric shows, as it has given viewers an insight into Canadian womens' roles during WWII, and highlights the impact they made in our country's history. What other Canadian show has done this? I believe it should stay on for a few more seasons at least; it has been so successful, and there is much more potential for its plot line and characters.
<i>Christina C.</i>	this show is way too good for it to be canceled! It has a lot of amazing talent in it. It is something someone could easily get into.
<i>Katherine H.</i>	I love everything about this show

<i>Lois W.</i>	It was engaging and showed another side of war. It portrayed Toronto as Toronto. We need to support Canadian stories and talent.
<i>Ruby B.</i>	Shows like this are very few and far between... it would be a crime to abandon it when it has so much more to offer. It has so much more potential.
<i>Daniela P.</i>	It's an amazing show, unlike anything on TV right now!
<i>Jana Z.</i>	This is the best show of all!
<i>Caitlyn P.</i>	This is amazing show, with wonderful female role models.
<i>Zoe B.</i>	<p>Alot could be put into this box but heres a few things - The consideration, depth and attention to detail in the program is what sets it flying high. The stories that have been told have been thorough, heartfelt in the depth shown and educational (insert more description words) and I feel that there are many stories left to tell.</p> <p>Amazing acting and storylines that tugs on your heart strings and sense of relatability even if it was in the 1940's as some of the topics tackled in the show still resonate today. The ability to invest emotionally in every characters storyline is something special about this show. In my personal opinion there is not a show out there that is like Bomb Girls yes, there is other period dramas but something about this show which is not fully explainable in words as it's more of a feeling that captures many people's emotions across the world. It is a show that truly deserves more seasons and, to</p>

see such authenticity to a show & it's creators with such consideration and passion on a level that fans can feel on the same page is fresh in these times. There is much more that could be said but I hope that the network reconsiders it's decision as it has left many fans around the world saddened (amongst many other emotions) to lose such a great show.

Ivan K.

Bomb Girls is the best show ever!

Brittney S.

Because I freaking LOVE this show and need Betty in my life for at least another season!

Aine R.

It's important to see all kinds of women represented on TV from the meek to the kick-ass, all colors, creeds and classes, and this show has them all! I found the show on Netflix and was hooked from the first episode. I laughed, I cried (esp when it was cancelled!) and I came to love these characters. Please don't take these wonderful women away from us so soon.

Debbie O.

This show is incredibly well-written and showcases tremendous actors. The best part is that it's Canadian!! This is no American patriotic show being funneled up from the south. It's our very own show, that highlights Canada's role in the war. We deserve to share our story - especially the one about how women played a pivotal role in the war efforts. Come on Global! You know what to do.

Samantha C. This show needs a third season (AT LEAST) to do justice to the characters and storylines of the past 2 seasons. In the States we got on the 'Bomb Girls' train a little too late. You'd be making a big mistake by not letting it finish its run on REELZ before assessing those "number" you say are the reason you are not going to renew the show for another season. Heck, I'll take a half-season! Just let 'Bomb Girls' finish the stories you started.

Charlotte P. There are so many shows that inexplicably keep getting renewed, but a very good program with great character development that deals with real life issues is being cancelled?

Sophia P. This show deals with issues that we all can relate to. It was inspiring and refreshing to finally have a television show with strong and intelligent women navigating the struggles and inequalities within our society. Please, reconsider. Renew Bomb Girls for another season!

Jennifer W. Bomb Girls portrays a very important time in history. Society changed dramatically when women jumped in to fill the holes left by men who were off fighting the war. This is the only show to portray this. It needs to keep going!

Clariss K. This show was the best thing that I've watched in a long time. The characters were awesome, the writing was incredible and the storyline was fascinating. Please GlobalTv bring Bomb Girls back!!!

Shane D.

This has been the best show I have ever seen that is based during ww2. I look forward to each new show. I was totally engulfed in the show on the Dieppe Raid my uncle was there (RHLL). He ended up as a POW for the rest of the war. It was interesting to see how Canada reacted to the news coming back home. Made me think about how my aunt and his mother and father must of felt knowing only that he was MIA till they found out he was a POW. Must of been awful.

Erica O.

The show is amazing! It is the best show I've seen in years! Bomb Girls is intelligent, complex, and has great depth. Please keep telling the story. We know it's not done yet. Thank you.

Tori L.

I have enjoyed watching Bomb Girls since it first premiered. Every week I am pulled into the unique setting of 1940's Canada. Even more intriguing are the stories of the Bomb Girls themselves. All of them have very different perspectives but somehow manage to remain close friends. It's rare to see such program in a television landscape rife with shallow sitcoms and reality shows, very rare indeed. I hope the powers that be will allow the series the third season it's actors and it's audience deserve.

Jiri M.

it is pleasant to see something like this

Kim R.

Bomb Girls is more than a TV show, it is a tribute, one that deserves every moment of glory it has achieved so far. I was thinking about all the women who contributed so much to Canada and how Bomb Girls finally gives them a voice.

They didnt get medals, probably never got a hand shake or a Thank You, and unfortunately many have probably passed away never knowing that Canadians truly do appreciate their hard work and dedication. Bomb Girls is their voice to a new generation, it is an absolute shame that executives and dollar signs silence their voices yet again. A true shame. Please keep Bomb Girls on the air. It's the right thing to do.

Ruth M.

Bomb Girls is one of the very few television productions of quality, and high standards. Why in the world would you cancel it?

Cassandra H.

It is an amazingly well written and very educational show. The best Canadian show ever produced!!

Aragorn M.

Just one more season!

Kim L.

I love this show. For once you have a show that is not made up of a bunch of fools trying to get their 15 minutes of fame and money. These people are real actors and are really showing us all what it was like to live during the war when the women had to build the bombs. My father, father-in law, many uncles and even some aunts fought in World War 2 and I have learned so much from this show regarding the war. Things that they could not think about or talk about that much. I love this show and if it is canceled you can be sure I will never watch Global Television again. This show is meant to let us all know about the war. My aunt is 88 and lives for this show. Perhaps just try putting it back in the Wednesday night

	time slot. The older people do not care about stupid reality television.
<i>Kayla S.</i>	I love Bomb Girls!
<i>Emina I.</i>	its a great show that has amazing characters and writing is A+
<i>Arlene S.</i>because it is one of the better shows on TV.
<i>Kirsty M.</i>	Bomb girls is an amazing show with amazing actors and writers, I think its sad that it is potentially off the air when it represents generation that we have a lot to thank for. The characters are real and relatable and I've fell in love with all of them in their own way because they're not perfect, and that makes them better. Its a fantastic show and there is so much support behind it, taking it off the air would be an insult to the fans, the writers and the actors.
<i>Liz J.</i>	I only just discovered this show recently but I immediately fell in love with it! I am not aware of any way to watch the show in broadcast in the US but I do watch online. Please do not cancel this show. It is important for women, it is a work of art, and reflects well on your network. Renew Bomb Girls!
<i>Siria M.</i>	I love this show! Kiss from Italy

Kendra W.

Bomb Girls is the only show that I have found that really works to create wonderful plots, great characters (that are true to their characteristics, yet are developed well), with fantastic actors. This show portrays powerful female role models which is exactly what TV needs! We need strong, independent women on television who's plots are not shaped by the male characters. Bomb Girls gives us exactly that! I am so pleased to call myself a Bomb Girls fan, and one can see that the fan base is fighting for this show. We are loyal and dedicated fans who will not go down without a fight! We love Bomb Girls!

Ylva H.

Bomb girls is one of the best shows I've ever seen on tv, its so refreshing with a quality drama telling a historically interesting story centered around strong female characters. It's quite unique, and so well written and acted! This is what tv should be like! Please consider the fact that this show has resonated with viewers around the world who don't have access to Global and hence will not be included in your ratings. And since it only recently became available on Netflix, we haven't been able to pay for it until now, but i promise you I will be happy to if there is another season!

Helena M.

Well written. Best show on television right now.

<i>Ayanna G.</i>	This is a wonderfully written show that depicts strong female characters along with the problems faced by many minority groups during the 1940's. I love the characters of Bett McRae and Gladys Witham as well. All of the characters are three dimensional and continuously develop and grow with each episode. Please renew the show for one more season. It is inspiring. It is motivational. It is entertainment at its finest.
<i>Christina G.</i>	Because this is one of the best shows in a long time. What do you need more?
<i>Justine G.</i>	it is important to me because I believe there are not enough well written, or accurate portrayals of strong independant women or queer women for that matter in the media.
<i>Delilah J.</i>	This is one of the few shows I scramble to watch the newest episode as soon as I can. It's an excellent show, very character driven and is a period drama that is never boring while remaining true to the time period it takes place. I've been greatly upset that because I live in another country I haven't been able to properly support the show
<i>Arthur W.</i>	Great Canadian show!
<i>Tomas T.</i>	One of very good TV Show, War from the other side.

Janet R.

i think this show tell a bigger story about our mothers and grandmothers with all this new technology we have the kids don't get what wit was like for them " back In the day" i have a14 year old who love this show as well as my 20 year old niece

Karalyn M.

For a Canadian network to cancel an award winning Canadian show is absolutely appalling. Bomb Girls is one of the few shows that is truly family fare. As a multi generational family watching this, we discuss the history of Toronto, discuss the family members that were involved in the war effort; as workers in the bomb factories, as soldiers, and those that stayed home and how they were affected. I suppose this cancellation is to make room for some "reality show". Thanks, but no thanks.

Lana B.

It is so hard to find a good Canadian show. I Love BOMB GIRLS!!!

R T.

A great show that informs us about the amazing work that was done here during world war 2 and how Canada was evolving at the time.

Judy T.

Canadians deserve to see their own culture and history represented in the media. Canadian actors and others involved in television and film production deserve to work in Canada to produce quality programming like this, that is far better than most of the drivel being produced in the U.S. Both of my children trained in arts programmes (music and dance) and it sickens me to watch as so many young people like them have fewer opportunities to work in their chosen profession in the country that educated

	them. This show is an outstanding example of what Canada has to offer the world. It should be nurtured with pride, not cast off, to be replaced by yet another mindless American reality TV show.
<i>Christina M.</i>	Bomb Girls is an incredible show and should be given another chance!
<i>Marta A.</i>	It's great show and I would love to see more. Please continue this show.
<i>Lauren R.</i>	Bomb Girls is the greatest TV show on television. It captures the human condition and the full spectrum of human emotion
<i>Ashley L.</i>	I need a show where both strong women and queer woman (and now women of color) are being displays as strong and independent people who actually made a difference in history. I need a show where the aforementioned groups are not treated like sideshows or stereotypes. I need a show where a main character can be gay and deal with her sexuality realistically. This is a good show; I'd hate to see it cut short.
<i>Christi P.</i>	BEST SHOW EVER
<i>Meaghan M.</i>	Such an amazing show, and shows so much important Canadian history! PLEASE RENEW IT!! <3
<i>Rebecca L.</i>	Quality writing, layered characters, great acting, production. Plus, we need to see ourselves reflected in stories!!
<i>Iie L.</i>	Best Tv shows i've ever watched so far.

<i>Gigi I.</i>	Because this show features a side of Canadian history we have never seen. Women's stories need to be told.
<i>Dorothy W.</i>	The show is an exceptional example of Canadian television! With a talented cast and intriguing story lines, it has been a favorite in my household.
<i>Katie M.</i>	Where else on television can you find: -A middle aged woman who still has it "goin' on" -A lesbian who isn't stereotyped (heck, seeing a lesbian on mainstream television is RARE). Canada has led so many break-throughs for the LGBT community. Don't stop here! -A lesbian's nice Christian friend -- they exist! -A wise-cracking girl who won't let a scar get in the way of fulfilling her desires - Women with AGENCY -A believable portrayal of an era where women had it rough -An interracial couple -Quality writing -Quality acting -Quality sets -And I could go on and on. I have your answer: ON GLOBAL TELEVISION. Why get rid of something that will only improve the image of your company? Prove to Canada and the world that Global can make a better show than CBC!
<i>Lilli C.</i>	There has not been any other show like it and it shows a side of the war which we have never seen before, from a whole other perspective. Also I love each and every character so muchh! :) Especially James! ;)
<i>Jenna M.</i>	Bomb Girls is an its gets better message of the past that is aiding my present.

<i>Jess G.</i>	This is a truely amazing show. Poignant/interesting storylines, a fantastic cast, and a wonderful insight into a womans world during such a profound time in history. Vera, Lorna, Gladys, Betty and Kate, would love to see more of their stories told.
<i>Elroy G.</i>	This show is great and it's way better than anything that is on TV today. This is my #1 show hands down because their is no competition. As a military veteran that spent some time doing exactly what these ladies are doing at Victory munitions, it's a great piece of history that will never be repeated. Where else could you go back 70 years into history and feel a connection of what it must have been like way back when. Please give them 100 more episodes so I can make it to the end of the year in one piece. Thank you.
<i>Janet R.</i>	Bomb Girls has everything I've ever wanted in dramatic television. Please don't take it away from me.
<i>Maggie O.</i>	Canadian location for the plot, Canadian location for filming offering Canadian jobs, Canadian writers, directors and actors. This is an EXCELLENT melding of brilliant writing and gifted ensemble of actors. The subject matter is compelling...What more do people want in television???
<i>Amanda F.</i>	I absolutely love this show
<i>Sarah R.</i>	It is quality tv. Also being a member of lgbt community having story lines that reflect our lives is important.

<i>Whitney B.</i>	Great show, best thing on TV
<i>Oliver S.</i>	Bomb Girls is the best show to grace our television screens. We can't let it go.
<i>Angela R.</i>	I don't understand how an award winning & nominated show can be cancelled. The stories are intelligent, educational, passionate, thought provoking and are relevant to today with its universal themes. The characters are well developed and humanistic. Each with both weaknesses and inspirational strengths. The cast members are such talented and amazing actors and they truly deserve employment. In a world where media is fraught of pathetic "reality tv shows" it is a true pleasure to be able to watch a tv show of such substance. Bomb Girls is my favourite show and I look forward to each and every episode, counting down the days until the next episode with excitement. Rather than cancelling the show maybe time slot or marketing adjustments could be made. Please reconsider your decision of cancelling Bomb Girls for everybody involved: actors, writers, crew and viewers.
<i>Rachel O.</i>	This show has been one of the greatest things I've viewed on TV in many, many years!! Please, give it more time!
<i>Keri Z.</i>	Because smart, well written televisions shows that revolve around strong women are rare, and need to be championed. As a woman these characters resonate with me, and as a member of the LGBT community, it is encouraging to see a character like Betty McRae treated not like a token character added for

"diversity" but like a three-dimensional person whose stories are handled with respect. I only discovered this show at the beginning of its second season and am sad to see so many trivial programs succeed when important shows like this are cancelled without a fair shot at building the characters they create and the audience they deserve. I hope you reconsider. Thank you.

Deborah C.

I have never been one to like canadain television. i tell everyone to watch this show... from my friends in australia to my dad. surprisingly after i told my dad what this show was about he told me that his grandmother was a bomb girl! i love everything about this show... the actors, the sets, the real houses they're filmed in, the costumes and the music! it's beautifully written and i love all the characters, though betty is my favourite. please don't cancel this wonderful show

Meg C.

Bomb Girls is one of the best series I've seen. It represents a variety of minorities who often aren't represented in TV and shows their struggles and issues in a real way that fans can relate to. The writing, acting costumes, sets, EVERYTHING is brilliant and we want more of it!

Alysse T.

bomb girls came at a really important for me when i needed it most and i am so thankful for it don't take it away!

Ashley C.

its an amazing show, needs another season!

Lila A.

I fear there isn't going to be another TV show any time soon that will understand the things that the Bomb Girls' crew seems to so effortlessly achieve.

Annie G.

Bomb Girls is more than TV, it's a small revolution. Its loyal and intelligent fanbase see in it a show that FINALLY speaks to them, to women, queer people, the disabled and other minorities which have rarely if ever been portrayed with such craft, depth and empathy. So many of the plots and themes are unheard of for television, please don't silence these important voices so early in the story.

Rosa P.

This is one of the best Canadian television series yet and you want to give up already !!! Get Rosie O'Donnell to help with the advertising in the US if you have to. She loved the story line, the writing the great cast, the costumes, the history etc. I can go on and on. I want this show to remain on the air as long as possible. Shaw media needs a better advertising campaign....so Canadians can stop watching stupid reality crap and learn about your show that contains substance!!!

Marisa B.

This show is the best Canadian series i've seen in YEARS!!!! Real, historical reference, relevant to every family in Canada, including the immigrant voice... Amazing actors, fabulous fashion, and a wonderful storyline.... YOU MUST BE INSANE to CANCEL IT NOW!!! (We need at LEAST another season!!) ... Listen to the fans... we watch the show!!

Melanie A.

cuz this show is da bomb baby!!!

<i>Mel A.</i>	Bombgirls is da bomb baby! Puleeease don't cancel it!!
<i>Mary M.</i>	Bomb Girls shows us Canadian culture at its bravest and best!
<i>Caroline C.</i>	Canadian Content is important, and Bomb Girls is possibly the best Canadian show on television right now.
<i>Bob S.</i>	Great Canadian show
<i>Barbara H.</i>	Visibility, bomb girls does it right, very good portrayal of a lesbian character.
<i>Leyton C.</i>	Because it is pretty much my life so....
<i>Karen G.</i>	Please do not cancel! Great show!
<i>Emily C.</i>	This is far and away the best show on television. I have loved the characters from the very first episode and am nowhere near done watching their adventures.
<i>Jason S.</i>	exceptional show! DO NOT CANCEL !!!
<i>Giulia U.</i>	This is genuinely one of the best shows of these last years. It would be a true shame to cancel it. It deserves a new season and the chance to be appreciated abroad!
<i>Bronwyn R.</i>	There has to be a place on TV for smart, diverse, 3-Dimensional women to be portrayed.
<i>Maria A.</i>	Because I've invested so much of myself in these characters, I can't just let them die.

Rachel B.

Bomb Girls can not be cancelled! I don't watch any television except for this one show. I've introduced it to numerous people and everyone that has watched one episode can't get enough of the show. I had a friend I showed the first episode of season one and she sat down and couldn't stop herself from watching the rest of the season on GlobalTV.com in the same day! Also, it appeals to all ages: I myself am 20 years old and I watch it with my Mom who is 50 years old and recently I introduced her Mom who is 78, my grandma, and all of us appreciate the shows historical value and all of the amazing characters! You can't cancel it, you just can't! If you try to introduce a new show in its place I promise it won't be near as good, as historically significant or as loved by its devoted followers as Bomb Girls has succeeded in gaining.

Karen C.

Please renew Bomb Girls

Nuria R.

I like Bomb girls!!!!

Betty H.

This is the best Canadian series ever! The actresses & actors are really good! People in the U.S. have commented that they want the show broadcast on their stations! It's so sad that everything comes down to the allmighty dollar. Maybe you should try to broadcast it on a different night??

<i>Patrick T.</i>	It's hard to get me to turn a television on at all. TV is 99% crap. This show is impressive enough to actually get me to turn my TV on at least once a week! Hear that Global? Can your advertising customers hear that? Don't cancel the most well written show in years!!
<i>Tomas S.</i>	because this show helped me a lot and it deserves to continue
<i>Roseann L.</i>	It is a very well written and acted show
<i>Robyn T.</i>	This is by far the best Canadian show to date. Not only is it superbly acted but it tells an important part of Canadian history that is often forgotten about. Save Bomb Girls!
<i>Pat A.</i>	This is the best show on TV these days. It is so wonderful to travel back to a historically impacting time in Canada! The characters are REAL and refreshing The subject matter touches on many aspects of life from that era and has enlightened me to things I never learned in school! It would be such a loss if this program doesn't continue! There is so much more to tell from those years!! PLEASE reconsider! We need Bomb Girls!
<i>Heather B.</i>	A wonderful Canadian program that is both entertaining and educational. Engaging stories, wonderful acting, gorgeous costumes...what is there not to love? Plus we need more strong female role models on television like our beloved Bomb Girls!

<i>Megan R.</i>	Bomb Girls is one of the best television shows on the air. The production, writing, and cast are brilliant, and I would love to be able to continue watching.
<i>Stephanie I.</i>	This show is far too brilliant to be taken off the air when there's so much trash currently on it. The Bomb Girls cast and crew should be impeccably proud to have been a part of something so monumental to so many people.
<i>James C.</i>	Everything about this show is great. The acting, writing, production, etc., is so top notch. I actually consider this my second favourite show on television right now, just behind the Walking Dead, but in front of the Game of Thrones and Mad Men. Yes I do think this show is that good. Global don't be stupid, renew it.
<i>Brenda V.</i>	It is a great show that highlights the role women played during the 2nd World War and I think it is important to highlight that on television.
<i>Laryssa H.</i>	Because it is a great Canadian show!!
<i>Joana C.</i>	This show is the definition of quality tv.
<i>Rebekah R.</i>	It is such a GREAT show!!
<i>Megan C.</i>	This show is doing things that no other show would dare to do. It tells women's stories as they deserve to be told, and it reminds us of the integral part women have played in our country's history.

<i>Marylynn R.</i>	Bomb Girls is an amazing show! You can't get rid of it. The cast amazing, the acting is really good. Please don't cancel it!
<i>Don L.</i>	Well developed plot line. Needs to viewed at a better time slot. We watch it on rogers on demand.
<i>Katie B.</i>	This show is to brilliant and beautiful to let go of. If there be any more art, any more feelings, or any more excitement even if only for an hour in this world, let it live through this show.
<i>Nick C.</i>	Because I need queer representation in the mainstream media.
<i>Ana F.</i>	Betty Mcrae.
<i>Brian W.</i>	Bomb Girls is the best show on TV. It reflects an incredibly changing time in history for women. Please keep our show!
<i>Marta J.</i>	We need more queer characters on tv, we need to get rid of heteronormativity!
<i>Jennifer M.</i>	Such a well written show with great actors. Even better it shows women who are strong and empowered. Do not cancel it!
<i>Shell B.</i>	Love this show
<i>Catarina S.</i>	Its an incredible and well acted show that needs to be renewed.. Its a great and powerful show for everyone and its very educacional.

James C.

Interestingly I am looking down at the signatures on this petition, most are women, few are men... come on men! But as the other petitioners, I want this show to continue for many more seasons, because... this show hasn't even begun to impress. Combined with the absolutely amazing production values, writing and acting, this is giving Canadians and hopefully others in the world a sense of Canadian history and the struggles that our society went through to be in the place we are today. Every episode brings has been pitch perfect and I truly cannot name a better production that is on tv at the moment, and that includes the American shows such as Mad Men. Global you need to open your eyes, you are making an enormous mistake by cancelling this program. Either that or you need better employees.

Skye E.

Unique series, which happens to be my favourite tv programme. It deserves at least another series, I love the show. Great actors and fantastic storylines. Please don't give up on this show!

Renita S.

Essential to keep Canadian History and the History of Canadian Woman alive in a time where reality tv and violence have overtaken the airways.

Nan C.

First the writing, producing, acting is excellent and the story line and continuity in the show itself is great. It provides a definitive source for in class students to learn and discuss the women's effort during world war 2. It is set in Canada and it discusses the importance of the homefront and the war effort at home. The set is authentic. The acting superb. It is not a boring show. It moves along quite well. It is very interesting. Why throw away a winner? I really don't get it. SAVE THIS SHOW. RENEW this show. If not I hope you are scooped by a US conglomerate who signs it. This show will be a winner whether on Global or on History station. Doesn't matter . It is a winner! Right up there with FOYLES WAR but this is starring mostly women because that is the topic... women on the homefront keeping the boys at the front going. PLEASE I don't know why you would even consider ditching this show! Sincerely, Nan Clarke, Ottawa.

Lily W.

This show is inspirational and shouldn't be cancelled only after two seasons.

Joan M.

One of the few shows with substance and civic pride that demonstrates a time in our history women played a major role. Plus, being set in 1940's Toronto gives us a 'living' look back at what our beloved city was like and our role during the role.

Maria M.

Because Bomb Girls is my refuge. I find solace in this beautiful show.

Gabriella W.

Best show on tv that is why! How dare Global do this.

Stephanie H.

It is very important part of our Cdn past....a reminder of the way my grandmother lived...education for those today to see how it once was...so many reasons.

Lyndsay W.

My family watches this show together. My husband remembers his grandparents talking about some of the places that are mentioned on the show. It is truly great tv, please reconsider.

Kelly P.

This show has done an exceptional job of creating entertaining and heart felt Canadian TV drama. To let it go would be to lose some fantastic Canadian content. We need more shows about strong women, and this IS one of them!

Ashley W.

this is an amazing show with characters I can connect with. also this is one of the very few excellent portrayals of queer characters on tv. how can we let that go. it's important.

Laura Anna H.

I've always ever learnt how the WW2 effected middle europe, especially Austria because i live there. i think it's important to see it from other sides as well and we don't have much chances to do so. it's as well important to see how strong women were back then behind the men. it's amazing, the whole show, it's basically one of the only shows i know that treat their women with the respect they deserve. please this show needs to be renewed

<i>Habiba E.</i>	Finally a show Canada could be proud of. A show that promoted rights for minorities. A show that shatters stereotypes about women and empowers us all. We are all Betty Mcrae. We are all Gladys Witham. We need this show.
<i>Laura W.</i>	Bomb Girls is an incredible programme that still has so much more to offer. As such a huge hit as a Canadian show I have absolutely no idea why Global would cancel it, and it would be a travesty if it ended on the second season. Please bring it back!
<i>Carol G.</i>	Let me count the ways: a canadian show, talented cast, great writing, slice of history, better than dozens of stupid shows on TV, did I say Canadian. Honestly, cancel Donald Trump and give us Bomb Girls!
<i>Michelle E.</i>	This is a great Canadian show that has been accepted and loved by the world. DON'T CANCEL IT! It has a great following and gives the world a view of Canada that they would not have known.
<i>Aine M.</i>	So many great characters, so much unfinished business - and we want to see HAPPY endings, dammit! :-)
<i>Victoria H.</i>	The story of strong women in the 40's is rarely show, they are usually portrayed as the women at home. This story needs to be told!
<i>Kate B.</i>	This show is so good on so many levels... And I can't have the only lesbian on TV I don't want to stab snatched away like this.

Lara R.

It's important to support good Canadian productions. There aren't enough out there to begin with!

Dr. Catherine P.

A superlative program in vision, acting, plotting and dialogue, both important for its historical perspective and for its intelligent, compassionate, complex portrayal of women as full participants and agents in history and the human experience. More, please! The accolades, loyal viewers and narrative and character potential are there. Play to your strengths.

Dianne M.

Bomb girls is an example of the amazing work that's been coming out of the Canadian TV industry. It tells stories that this generation needs to hear. Please do not cancel this show. Give it a chance.

Jada B.

I watch this show every week & am blown away by the story & the acting it needs to continue

Raven D.

This is one of the few shows that don't have women as some background support to leading men. I have been so inspired by this, even in this male dominated world there are women who refuse to be silenced, that's what the world needs today, not some show about teenagers ruining songs. Give these ladies a voice, show the women of the world they are greater than the odds, because that's exactly what this show does,

Andrea B.

The show helps me in a lot of things, my language first of all, i learned a lot of new things in english and with my sexual orientation too, i started to accept my self for what i really am. Also i enjoyed watching it because its so good, the stories are well told and the characters feel real.

Kim R.

How incredibly frustrating! Cancelling Bomb Girls has got to be the biggest goose egg on Canadian tv execs foreheads up to this point...what are they thinking? Believe it or not, there are still some people, in Canada and elsewhere, who love this show and the important history it tells, who actually enjoy a story with great actors who bring it to life. Just ask the viewers from the UK and Australia and the US who are begging for access to our little Canadian show! What is so incredibly complicated about having familiar Canadian actresses being re-introduced to a broader audience, having the chance to learn more about our own history as Canadians, and catering to viewers who actually have the attention span to keep watching something beyond an hour time slot? We don't need another 'chop her up leave her in the dumpster for the big detective man to come along and save the day' type of show. Been there done that...time to move on. You have created a great thing here...and these Canadian heroines deserve to have their stories told. Don't give up on them now...a 1hour movie doesn't give these women the justice that is well earned and deserved! Change your mind, bring it back and focus on the stories that have so much potential, and lets move forward. Thank you.

<i>Dianne S.</i>	Bomb Girls is first-rate quality TV. Great acting and historical. I must protest vehemently over its cancellation! Bomb Girls scripts are excellent, wonderfully acted and gripping to watch. On a shallow note, I must say the costumes the female leads wear are lovely. I was stunned to hear of its cancellation. Bomb Girls is one of the best examples of quality TV anywhere in the world.
<i>Gisele C.</i>	Please renew this well-written program which focuses on an era where women left their homes to work in munitions factories for the war effort - too many stories to be told. The actors greatly add to the show - they are well-cast...please give us more!!
<i>Kim R.</i>	Do NOT cancel Bomb Girls
<i>Anne Sophie P.</i>	Bomb Girls is an amazing show - cancelling it would be a great loss.
<i>Lynda S.</i>	The show not only sheds light on a fascinating time in Canadian history from a woman's point of view, which is unusual in itself, it is also well written and compelling. Come on Global, no more reality shows. We need meat, not more dessert. Cheers, Lynda
<i>Hung H.</i>	One of best well-written TV series ever. Excellent casting, fabulous cinematography, authentic period settings and music and the list goes on. Please really re-consider your decision and have this show renew for another season.

Sue M.

Bomb Girls isn't just about our history, it's about all of us. It's about women supporting one another and their country. It shows us how to be better people, and gives us a reason we can be proud to be Canadian. A real reason. It gives us hope. Please don't give up on our girls.

Clare B.

It honours women and our history, and its characters are truthful and three-dimensional. Besides that, Bomb Girls IS (I'm hoping I don't have to say 'was') at last a solid, well-made, WATCHABLE, and enjoyable Canadian show we can be proud of. There aren't enough of them; something went very right with Bomb Girls, and it's just a shame to cancel something so heartfelt and worth watching. I hope Global reconsiders and gives us another season or two. There are more stories left to tell, even if they're in the postwar years; there are further layers in the characters, and in the social climate of the time, to unravel and explore.

Noris S.

This show is wonderful. Its one of the few shows that has a wonderful portrayal of women and really does a great job of it, dot take that away...

Linda G.

These characters are too interesting to leave already! Please let them continue to evolve over several more seasons.

Heather L.

This show is empowering to women and teaches history at the same time. It would be a shame to see it go.

*Юлия Буракова

It was one of the best series about women on WWII I've ever seen. Russian girl wants to see her favorite Canadian women. There're so many talented actresses and so well written script. Please, re-open it.

Ligia G.

Bomb Girls is the best show I've ever seen. Every single thing about it is great and it deserves to live a long life. It makes a difference, and it's made with passion. We deserve to get to see where the story goes, PLEASE.

Jane G.

Because I love this show, the strong women we don't really hear about now despite their effort in the war and I see myself in them. The story isn't finished yet.

Natalia P.

Bomb Girls is an amazing show, one of the best ones on TV at this moment. Not only it's extremely well-written and has a superb cast but it's also portrays women in an empowering and realistic way that you hardly see in media nowadays. If Bomb Girls doesn't get another season it will be a great loss.

Leah A.

I love this show so much, I hope you'll please consider even a six-episode third season. The first season was wonderful and I can't wait to buy the 2nd season dvds.

Danielle C.

This is one of the best shows out there! it's so well acted, has amazing story lines and is so different to anything else out there. Why take away something so great?

Angela V.

In the first few minutes of the first episode of Bomb Girls I fell in love with everything it was. The stories are a stark historical insight into the often unacknowledged home efforts of World War II, but at the same time its themes of empowerment, prejudice and conflict (not just wartime but the internal struggles) are timeless. The characters are so complex and layered, but manage to remain truly genuine and relatable in all their flaws and virtue. It's well written, thoroughly detailed, and has a phenomenally talented cast and crew. It's a rare thing to come across such an intelligent show lacking in the misogynistic, racist and homo/transphobic humour that's so rampant in popular entertainment. Bomb Girls is the kind of show that can make you laugh, think, cry and genuinely feel for what's happening on the screen. It has a great wealth of potential to carry the characters through the war and beyond, and if it remains cancelled the television industry has lost a great asset.

Nicole J.

hands down the best show I've seen in a long time. glee is literally painful to watch now and it got 2 more seasons. what the hell is going on society??

<i>Andrea U.</i>	Bomb Girls is one of the best shows that has been made in a very long time. The stories about these women, their losses and their wins, the struggles to overcome, about friendship and love. The stories the show tell us we can identify with even today. The characters feel like real people, with their flaws and their strengths. It represents something that most other television shows seem to ignore and it is too important to receive this treatment. This show is amazing. Personally I also love it because it represents me in a way that no one has done before. It is more than just entertainment, it is, like so many has said before me, it is a fantastic show that week after week takes up important issues that still exist in the world today and gives a voice to those of us who previously have been ignored or turned into objects instead of a person.
<i>Nora M.</i>	it is a canadian show! about women in the war! it has great actors and great storytelling.. why would you cancel this?
<i>Ruth B.</i>	A female-led show with the best portrayal of a queer character I have ever seen. Please don't cancel it.
<i>Angelica G.</i>	This is one of the few shows that portray strong female leads during an era that is considered the dawning of female empowerment and independence. Also, this show is amazing.
<i>Jade H.</i>	because its historical and the characters all have a place in every fans heart

<i>Veronica W.</i>	So many reasons. This show brought myself and others so much joy, and an insight to the amazing things women did in wwII. It was a gorgeous production, and I have no idea why people would think to cancel it.
<i>Joanne S.</i>	IT IS HONORING CANADIAN WOMEN IN THEIR WAR TIME EFFORT AND AN HONOR TO ALL PEOPLE INVOLVED IN WW2. THE BEST TV SHOW i HAVE EVER WATCHED..
<i>Zoe S.</i>	This show is so feminist which is the best thing ever
<i>Georgina B.</i>	Because Bomb Girls is way too amazing to end!
<i>Sonia B.</i>	This show is mindblowing in the careful consideration it takes of both its plot and its beautifully nuanced characters. There is nothing else like it on television right now, and it deserves another chance.
<i>Kristen L.</i>	I'm a woman and I'm queer and there is no other show that respects me the way this show does. As a queer female tv addict I feel like I've been waiting for this show my entire life.
<i>Katelynn W.</i>	Renewing Bomb Girls would be amazing because of two big reasons: 1) there is no other show on TV right now that treats women not as accessories to men or as whores if they choose to be sexually active but as real people with lives, flaws, and strengths. There is no other show on TV that has a cast of women that doesn't reduce itself to cattiness and fighting amongst the women to provide titillation to male viewers. 2) because women so

rarely get a chance to tell their side of the story because it is seen as less extraordinary than men's narratives. How many WW2 films and shows have we seen with an all male cast of soldiers in the last 20 years? A whole lot. How many have we seen from a woman's perspective? Uh...pretty sure Bomb Girls is one of the only ones if not the only one. Oh wait, one more. 3) no where else on television do you see gay and straight relationships getting handled with the same amount of care as you do on Bomb Girls. Betty McCrae is not played for the male gaze but played as a human being with real feelings and as a bisexual woman myself I breathed a sigh of utter relief when Betty was not forced into the role of the "hot lesbian chick" there for men to get off on. If you don't renew Bomb Girls you're playing it safe. You're playing it just like everyone else and I expected better of a Canadian station. How is it that shows, American shows like Glee with their sexism, transphobia, and biphobia get renewed on Global and yet shows, OUR shows, our blood, sweat, and tears, our PASSION gets thrown away like it's not good enough? Support a Canadian show as much as you support an American one. Please renew Bomb Girls. Thank you.

Lisa P.

This show is so well done and tells many important stories, and it has lots of potential to keep going strong if you give it another chance and put it not against DWS and Murdoch Mysteries.

Jess R.

This is one of the few shows that actually has a majority female cast. And every single character is actually three dimensional.

<i>Aynsley H.</i>	There are so few amazing shows centered around women and this one is the absolute best! Don't take away Gladys, Betty, Kate, Vera, Lorna, Reggie, Sheila, Carol, Marco, Ivan and the rest of our lovely gang!!!
<i>Anita C.</i>	This is one of my all time favorite shows ever, the cast is incredibly talented and the characters amazing, especially Betty McRae, Gladys Whitham and Vera Burr. Please don't cancel it!
<i>Aliisa P.</i>	Bomb Girls represents (and represents well) characters that are on no other current shows. It fills a necessary void in the media fabric and can't be lost.
<i>Andrea R.</i>	It's so rare to have a well written show about women, let alone to have a period piece that so brilliantly depicts the life and times of the homeland during war. It's an absolute travesty that this wasn't picked up for further episodes when your network continues to air schlock like Celebrity Apprentice.
<i>Riley F.</i>	Bomb Girls is the best show ever!
<i>Natalie G.</i>	Feminism with a side of misandry, sprinkled with gay.
<i>Valda R.</i>	A wonderfully well done Canadian production about our history that was overlooked for far too long. Renew this show. Keep this in production. Global & Shaw do the right thing!
<i>Kimberly R.</i>	I love this show and the storyline's are so important to me.

<i>Heather G.</i>	this show is art and we need more art in the world
<i>Dylan W.</i>	Bomb girls is such an inspirational show and it can't possibly be over!
<i>Gal Z.</i>	Being Canadian and from Toronto, I love getting a sense of my city's history! The show is one of the most well produced and the result of all the hard work put into making the show authentic is phenomenal!
<i>Mia W.</i>	BECAUSE THIS SHOW IS TOO GOOD TO GO.
<i>Anna R.</i>	Women in television are neglected. Historical drama is neglected. Locally produced television is neglected. Writing with care and panache is neglected. But not Bomb Girls.
<i>Alice B.</i>	This is important because the issues presented on Bomb Girls are relevant today, 70 years later. Bomb Girls also represents the comonwealth countries and women the parts of history so often left out of the narratives of WWII.
<i>Natalie C.</i>	Bomb Girls is a wonderful show, and so refreshing among some of the slab "entertainment" shown on TV. It is a great period piece, full of strong and independent women, which is what girls need to see. I am looking forward to watching every upcoming episode, and buying the series to watch over and over again.

Ana Flavia A.

Bomb Girls is one of the best shows on TV right now. It's beautiful in its technical aspects and also in the stories that are told. The actors are all extremely talented and convey their characters feelings majestically. It would be a shame to loose a show that is so great in representing women and the relationships and friendships they engage in. For a show that is set in the 1940s it is still so incredibly current. It's amazing and it would hurt to see it gone.

GABRIELA R.

i like the show

Ellyn G.

Bomb Girls has changed my life and made me into a stronger person. It is so much more than a show about superficial romantic interests or petty fight, it covers deep issues and shows a perspective that isn't usually seen.

Amanda A.

I may not be Canadian, but Bomb Girls represents a very important part of history people need to hear about. I knew nothing about the women's war effort in Canada because my school never talked about it. And unfortunately, as time goes by, history is condensed; however, in film and television, these fictional reenactments of a time long-passed can be immortalized for generations to come. So I'm asking you urgently, not just as a fan of the show, but as an American woman to please renew this show.

Emily L.

This show is more than entertainment. It is a monumentally important representation of feminism, homosexuality, history, and freedom that is unrepresented in any other television show to date.

Allison P.

The writing, acting, drama, history, all combined together have delivered terrific storytelling. Bomb Girls has the goods for many more seasons to come.

Sandra A.

There aren't a lot of good shows on TV these days. Bomb Girls is a terrific show that is about an important period in Canadian History.

Jessica W.

Bomb Girls is truly one of the most well written shows on TV. To show the world that there can be a show with a large female cast that is strong and phenomenal, a show that celebrates femininity, just to take it away would be destructive to the minds of young women.

Nicole G.

This is a great show. Great characters, great drama and story lines and it's about Canadian History. I love it when they mention streets and areas that I know.

Sky L.

I Love the show Bomb Girls because it is a show full of strong women and he shows us how women were portrayed back in it's time frame. It is the first show that I have come across that positively portrays what roles women portrayed in helping out with the war. The show has many strong characters and many stories still left untold and I think it deserves another season.

Soraya G.

This program allows for a real dialogue between Canadians. It allows for more shows of this nature -- of primarily female cast, with discussion of issues of race and sexuality, delivered as period pieces -- to exist. As a woman, this is one of the best television shows I could have possibly encountered in my life. It makes me genuinely excited to watch every week, something I have not been able to say about any other program in a long while. There is an art that exists in every frame, in every costume, in every researched line of dialogue. Losing this show means a huge loss for Canadian television, and speaks volumes about the kind of networks we would support in its stead. I hope whatever efforts the fans make to have this show renewed will be realized and respected.

Heather S.

bomb girls is literally the only show on tv right now that makes me feel like a valid human being as a young girl

Erin T.

Because queer representation and such strong feminist messages are vital!

Kirsten P.

Bomb Girls stands apart from other popular contemporary television series because it actively works against expectations. It portrays women as far more than bodies for consumption and sexual gratification. Bomb Girls' writers and actors rely on intelligence, imagination, complexity, originality, and a sophisticated aesthetic commitment to defy what society considers the truth—and it is society's false truth. The stories this show creates redefine the limits of our collective vision so that we can write new truths—truths that are far more meaningful for who we are and what we believe is possible. This show, as Betty McRae says, represents the power of “crossing lines,” of holding women up to a prism, refracting light, sound, color, body, breath, motion, and voice and showing us in our essential human vitality

Gesa P.

As a lesbian from Germany Betty McRae's story struck a true chord with me. On mainstream television there is currently no other character I can even remotely identify with. Bomb Girls has a lot to offer for a lot of different people. It's a show driven by compelling characters, many of them female, who all have strong voices, and a story that needs to be told.

Pierrah J.

I love this show. It in my top ten of tv shows.

Victoria A.

This show is awesome. We need more show like this.

Lena W.

Because this is an incredible show with
**AMAZING REPRESENTATION OF
LESBIAN CHARACTERS!**

Y C.

Bomb Girls has many leading female characters, plus a lead gay female character and historical context make for an amazing show! The whole cast has great chemistry! I cant imagine WHY Bomb Girls would be cancelled!!

Brenda M.

I love that this series shows the womans perspective of the second world war. Not much if at all is seen from their perspective. Their struggle, challenges and the contribution they fulfilled. I am a big fan of the show and each of the characters in it. Please continue the series. Thank you!

Alyssa G.

Because media matters. Because in a sea of terrible shows that regurgitate problematic stereotypes and bow to patriarchy Bomb Girls is a much needed reprieve. This show is far from perfect but it is amazing and it tries. It's actors are brilliant, it's cinematography beautiful, its costumes phenomenal. It is a show about women and driven by women, it does not regulate women to secondary characters. It has one of the best representations of a queer woman I have seen on my tv. It is a show that has given many people including myself hope and we won't let it go without a fight.

Hayley G.

Amazing show, amazing characters, amazing stories.

Rebecca M.

Bomb Girls is an excellent show. Please reconsider and give it a Season 3. It deserves more time to grow outside Canada and should be available on DVD as well.

Emily R.

This show is very much needed in this world. It features so many strong and complex female characters that television is so hideously lacking. There's not one woman or person in general who can't connect to one of the characters. Betty McRae is an inspiration to me. As a young adult lesbian, I've struggled with everything she's gone through. We do not get this kind of representation anywhere else. We need characters like her. Not just for the LGBT community, but women everywhere who don't fit in to what society expects a woman to be. The show is beautiful, complex, and very well acted. Cancelling this show will not just be an injustice to the fine actors, but to women around the world.

Nicole A.

As a bisexual good girl with an abusive ex-father, Kate Andrews means a lot to me. And I love all the characters too.

Kenzie P.

This program is simply amazing and the story it tells is vital to all of us in the historical context it creates. What else do we have? A League of Their Own?

Holly W.

I'm signing because the TV landscape needs stories, characters and emotions as true as the ones portrayed by Bomb Girls. Also the number of Canadian history shows that focus on the intrepid women of the war era are nonexistent if this show goes off the air. Lets not make that a sad reality.

Skylar P.

This show helps me connect with my family matriarch in ways I never have before. Means everything! The show is also well written, likable and enjoyable.

<i>Laura G.</i>	Because it is a good story, and one worth continuing
<i>Katie S.</i>	Bomb Girls is the only show with a character that closely relates to me IN A MAJOR WAY! Not only is the whole show AMAZING, the character of Betty McRae is far from generic.
<i>Sonja .</i>	the writing and acting is impeccable, and it's one of the few truly great female led shows on tv.
<i>Chloe S.</i>	Bomb Girls is an incredibly important show and it's fantastic representation of women and their relationships is something that is sorely needed.
<i>Vanessa W.</i>	Bomb Girls is one of those rarities. It's a Canadian-made show that has the quality to stand up among shows from the rest of the world. Beautifully made for so many reason, and the cast and crew deserves to get a chance to provide proper closure.
<i>April G.</i>	Never have I seen such an incredible show led by great women. The writing, the music, the clothes, the actors. It all comes to life in such a great way. We can see the path created by women from the past to now!
<i>Holly M.</i>	We need more shows like this - that represent strong women and LGBT characters!

<i>Stephanie S.</i>	Bomb Girls is the most well written, well acted, important show on television right now. The stories being told are focused on women and are, unfortunately, extremely unique to Bomb Girls. Even though the show is set in the 1940s, I still feel like my story is being told through these characters.
<i>Jennifer G.</i>	Bomb Girls is one of the most amazing shows I have ever come across...It has truly changed my life.

<i>Gretchen P.</i>	Even my husband loves Bomb Girls! Bring it back!!!!
<i>Maggie J.</i>	I honestly can't believe it was picked up in the US last year and UK this year and it's been cancelled. Unbelievable! Why is it that the network doesn't think that the work that OUR women did to help the war effort isn't worth anything?
<i>Marcy M.</i>	miss it soo much
<i>Maile R. T.</i>	I miss it ..
<i>Brandy G.</i>	I just want season 3 to happen
<i>Starr N.</i>	I love it

<i>Brian W.</i>	Still so mad that this amazing show was cancelled. It was one of the most well written stories, and such an important part of history for how the role of women changed during the war. Glad the UK folks will see it. It's a world wide story line of how things changed in that era. Bomb Girls made Canada proud.
<i>Erin B.</i>	Its on Netflix if knowone didn't know that. I really hope a season 3 happens
<i>Deborah C.</i>	what a GREAT show . . .miss it
<i>MaryAnn M.</i>	Yes, what about the US?

<i>Diana D.</i>	I see it on netflix...late but I don't care as long as I see it! love it ... hope they can save it! great win for Meg Tilly,TX,USA
<i>Bob C.</i>	Lovely. The greedy Canadian network that sold it has now made certain that we Canadian fans can never see the continuation of the series. As for Netflix, we pay enough already for our satellite and cable TV. For shame, Global.
<i>Nanci R.</i>	Never mind that,give me a season 3!

<i>Carrie S.</i>	What about here in USA??
<i>Rebecca E.</i>	When is season 3!?!?!?!?
<i>Jennifer D.</i>	Yes what chanel in the USA?

<i>Elexa H.</i>	Season 2 in on Netflix in the US!!
<i>Linda W.</i>	How can we watch Season 2 in the US?
<i>Lyn S.</i>	Yeah and we have to suffer without it!

<i>Angel W.</i>	HUH? It's been canceled? NOOOOOO! Why do they take off all the good stuff? Can't tell me it didn't do well in ratings. Of course it was on Reelz here & not many people I know watch that channel. I found by accident.
<i>Barbara B.</i>	hope we get it here in the us
<i>Stacey L.</i>	Wish they'd make a season 3....miss that show !
<i>Olivia H.</i>	PROUD CANADIAN over here with so much sadness my Grandfather served in tw Second World War. My family was here during the rest of it and now the ONE show which is truly Canadian. They decide isn't worth it. Dispicable.
<i>Shirl O.</i>	Thanks for letting me know I'm looking forward to it x

<i>Terrie G.</i>	I'm waiting for season 3!
<i>Jill M.</i>	Really enjoyed this show ! Was so mad they cancelled it. Hope they will reconsider making a season 3 in the near future.

<i>Sorlie M.</i>	Come on ITV3...get a third season made. If North America won't pay for Season 3, maybe the UK will.
<i>Nancy P.</i>	Yay!!!! I love this show! So glad it's back!
<i>James W.</i>	Just watched season 1 on DVD. Great series about WWII and women's efforts on the home front!

<i>Courtney B.</i>	i thought it was exciting news like, "We've decided to bring the show back"
<i>Moira R.</i>	Excellent I've got mine on record bloody love it x This should be on our ITV 1 instead of ITV 3 but who cares it's back and that's all that matters x
<i>Julie R.</i>	Looking forward to this
<i>Elizabeth A.</i>	Just watched it on netflix & literally was glued for 2 days lol. I got my sister to watch it already loves it season 1 ep 2 really wish it didn't cx & had a season 3!!! I'm dying over here!
<i>Sarah A.</i>	Love the show!!!! Sadly I've only seen what's out on Netflix-- hopefully the new episodes will be on hulu?!

<i>Jennifer Mary E.</i>	Just seen its on tonight, is this the first episode? I have literally searched once a week for it, the week i dont it restarts! Rage!!
<i>Catherine A. H.</i>	I LOVE this show!
<i>Cathy L.</i>	I love this show too. I can't believe they cancelled it. BOOOO to Global!!! I don't care about some 2 hour movie. I looked forward to the show every week!!
<i>Tianya W.</i>	when will it come back to the U.S.???
<i>Merianne C.</i>	Hoping the 2 hour series movie finale airs soon in the US
<i>Natalia D.</i>	Can we just for once have a never-ending, good show that we can all look forward to... instead, we look aimlessly through netflix for BBC series or something else, just to find out that they EVENTUALLY - END...
<i>Stacey D.</i>	is there going to be another season ?
<i>Roxann L.</i>	Sad that there will be no season 3. Why bother watching any news series if there is no future.
<i>Judy C.</i>	when will it be back on in Canada.?
<i>Carman H.</i>	when is the new season airing in Canada ?
<i>Maggie G.</i>	Oh, how I wish they would change their minds and bring you back!!
<i>Linda L.</i>	Please make another season!

<i>Nicole A.</i>	noooooo!Please dont cancel my favorite show!
<i>Susan J.</i>	What can I do to persuade the producers to continue and create Season 3??? How does a show win awards and garner a large, adoring fan base across several countries and get cancelled????
<i>Rocio C.</i>	Speechless. Thank you... Perfection. A 3rd Season would be lovely. Thank you.
<i>Cathy L.</i>	I moving to Saskatchewan early in 2014 and I am not even going to bother getting cable or satellite any more. You finally put on a decent series and you cancel it after 2 seasons. All the stations are the same, they run these stupid "reality" shows season after season and there is never anything decent to watch half the time. I'm not paying for this any more! I'm going back to a digital antenna, at least it's free and I can get a few half decent shows and I won't be paying for friggin infomercials and mindless reality shows.
<i>Susan J.</i>	Please tell me Bomb Girls has been picked up for a 3rd Season. Can't get enough!!
<i>Cathy L.</i>	I'm so pissed off that the cancelled this show!!
<i>BethAnn L.</i>	i just finished season 2, what is this I hear? No more? Please tell me it ain't so!
<i>Sharon C.</i>	Best damn dramatic roll for Meg Tilly ever! She rocks!
<i>Melissa S.</i>	I am obsessed with this show!!!!

<i>Judy L.</i>	Global is playing reruns of Bomb Girls on Friday night at 8.00 PM. Maybe if we the fans watch it, it will change the minds who cancelled it.
<i>Gill P.</i>	Thoroughly enjoyed series one in UK now enjoying series two. Only sorry it's not getting the press it deserves.
<i>Kate C.</i>	Bomb Girls and Sin Bin don't have much in common, except for the fact that they both star Michael Seater, which I think is enough reason to make both of these great flicks. The Adventures in the Sin Bin is a movie that revolves around a quiet high school boy (Michael Seater) who seeks attention by lending out his van, called "The Sin Bin" to his classmates to have sex in it. Overall, I found the movie to be quite hilarious and definitely recommend watching it when it comes out on VOD on Oct.18th!
<i>Marj F.</i>	Very saddened to find out this show has been cancelled. Why, why, WHY are good shows cancelled? And why do mindless stupid shows like The Bachelor or Bachelorette survive? Argggggggghhhh
<i>Samanthaa S.</i>	what days is it on
<i>Karen Y.</i>	Please tell me when on again last watched 5th October , miss it so much
<i>Sue H.</i>	I just watched this on Netflix.. I love it! Will this show continue?

<i>Jennifer M.</i>	I just started watching this show on Netflix and am so sad to hear that they canceled the show I love it so much and have been addicted to it from the second I started watching it. I wish Netflix would pick up the show and start making new episodes like they did with Arrested Development fingers crossed
<i>Veronika D.</i>	Love the show, but mainly love how it gives the female perspective during the war, and not through the eyes of the housewife cookie cutter image the text books like to promote. It is a shame this show was cancelled. Seems like poor advertising, because the script and acting are well done. Bring back BOMB GIRLS!
<i>Megan F.</i>	I just started watching this on Netflix -- Love it!!
<i>Aimee W.</i>	I want Season 3! Waaaaaaaahhhhh
<i>Bella G.</i>	This is my favorite show, I wish there were more like this show with substance and history but I do so wish that it hadn't been canceled.....please bring them back.
<i>Joyce J.</i>	It was...is...my favorite show too. So sad.
<i>Janet M.</i>	LOVED the first two seasons streamed on Netflix. HATED that no season 3 is forthcoming.
<i>Ashlyn R.</i>	Save Bomb Girls!
<i>Victoria L.</i>	Obsessed!!!!!! I want season 3!!

<i>Bella G.</i>	Great show, wish they would have more shows like this on TV instead of all the idiotic reality shows everywhere on tv, please bring back this show is one the best shows on TV...
<i>Bella G.</i>	Just finished Bomb girls, can't believe such a great show was cancelled, that was just a idiotic move. This show need to come back and at least close all the story lines, you wonder why viewers ate leaving network tv well here is the answer you cancelled it.
<i>Mae G.</i>	Will there be a new season 2013?
<i>Victoria L.</i>	No they're doing a 2-hr movie instead season 3
<i>Kevin D.</i>	I love this drama the best in a long time
<i>Bridgette D.</i>	You can't cancel this quality program. There is so much trash on television that if people actually got to see Bomb Girls they would become instant fans. The show is not the reason it hasn't been a hit show, its your publicity department. All you have to do is advertise "Catch up on the first 2 seasons of Bomb Girls on Netflix before season 3 begins in..." If you develop Vera & Marco's relationship rather than Mrs. Corbit then you'd be doing yourselves another favor because it's called Bomb Girls not 'Bomb awkward older women who think they can have affairs against her veteran husband'. Not cool.
<i>Traci S.</i>	This show is amazing.

<i>Renee S.</i>	I hope there is a 3rd season.! love it.
<i>Aimee W.</i>	this show!!!!!!
<i>Gretchen A.</i>	Just watched both seasons on Netflix. What a great show. I wish they would make more!
<i>Janet R.</i>	Just got Season 1 on DVD. This show is amazing! From the writing to the wardrobe, spot on!
<i>Mae G.</i>	When do the show start again in Canada?
<i>Laurel D.</i>	Why did they cancel this show! Loved it.
<i>Joseph B.</i>	Excellent series. One wonders what prompted the cancellation of such a far reaching exploration of a little acknowledged aspect of WWII. Gender bias?? Congratulations to producer, director, writers, cast and crew. Bravo!
<i>Hannah J.</i>	There needs to be a season 3! This show is unique and amazing.
<i>Andy O.</i>	Brilliant series! Just discovered it, repeated in the UK before the next series starts this weekend.
<i>Nancy B.</i>	is there not going to be a Season 3? Obviously this show is a hit in at least three different countries, how can they possibly consider canceling it?
<i>Aurora R.</i>	Loved this show until season 2, episode 9....ugh really...why Rosie O...so obnoxious! Very hard to watch and annoying..trying to get through this episode.

<i>Larry S.</i>	I just found this on Netflix and is by far one the best series I have ever watched. I hope they decide to either make season 3 or at least an extended finale. Better than anything we have had in the U.S. in many years. Not sure why it cancelled. It is a gem! I need another dose!
<i>Patricia O.</i>	Any news on the movie they are supposed to make to tie up loose ends? They could save themselves the trouble by just putting out a Season 3! I'm in the USA, but I loved this show!
<i>Vicky C.</i>	just read they are gonna have a two hour movie to wrap things up... at least that's something....
<i>Stephanie G.</i>	I just found this show on Netflix and I'm so sad to know that it's already cancelled. It was a great one!
<i>Mona T.</i>	I am so upset! I just found out that Bomb Girls is not coming back and I LOVED the show! Why does every GOOD show have to be cancelled? We need good programming, not most of the trash seen now. Please, please come back to us!
<i>Katherine H.</i>	I just starting watching this show and I cant believe that I found out its was cancel
<i>Elisabet M.</i>	I want it back! !!!!!!!
<i>Kate O.</i>	Any broadcast dates for season two in the UK yet?
<i>Kate O.</i>	Save Bomb Girls, not seen any adverts!

<i>Karen M.</i>	Watching a Bomb Girls repeat on Global but wishing it was a season 3 new episode.
<i>Paulette P.</i>	I love this show. Finally something you can relate to with some history to it instead of all the stupid reality shows.
<i>Tami W.</i>	i might as well cancel the reelz channel if no more bomb girls i dont wanna pay for a channel i wont watch.
<i>Cayley B.</i>	I am so sad to just find out that they are not making season 3... I was looking forward to watching this fall! this sucks!!
<i>Lizzie L.</i>	My favourite quote from Season 2 is Ep9 Dotti to Lorna..."There are as many paths as there are men, you just have to make sure you're both traveling in the same direction"
<i>Michelle T.</i>	So excited for Season 2 on Netflix!
<i>Bridgette D.</i>	You can't cancel this show! It's far too addicting!!!! MAKE SEASON 3!!!!!!!!!!!!
<i>Jacqueline P.</i>	Please keep making more seasons!!!!!!!!!!!!!!!!!!!! I just recently got into this show, but it's amazing!!!!!! Great combination of history and drama!!!!!!
<i>Cyndie L.</i>	Need a season 3!!
<i>Melissa N.</i>	Why did you cancel? This show was really great.

<i>Jen T.</i>	I just finished watching the second season and when I asked my hubby “When does the third season come out?” He told there wasn’t anymore. I think I’m going to go cry in my beer.
<i>Barbara D.</i>	Disappointed no Season 3. So much trashy programs on tv now. Hope they change their minds.
<i>A'Manda M.</i>	Watching both seasons on Netflix now! I love this show! #BombGirls
<i>Christy B.</i>	PLEASE keep us advised about the upcoming TV movie!
<i>Laura G.</i>	I am a little slow on the uptake...just found out about this show here in the States and love it! Also, just found out there will NOT be a season 3...heartbreaking!!
<i>Lisa T.</i>	Just finished the series! Please bring it back... we have to know what happened to Betty!
<i>Pamela W.</i>	yep, once again, one of the best series I have seen in years...cancelled too bad for tv.
<i>David W.</i>	Perhaps there'll be enough fan input to convince Global to reconsider. Fingers crossed.....
<i>David W.</i>	Am I alone in my belief that Betty is the best character in Bomb Girls?
<i>Natalie G.</i>	I love this show...I'm so disappointed there will not be a season 3. Why?

<i>Tiffany H.</i>	SO happy to see Meg Tilly back onscreen! LOVE this show. Pleeeease make another season! GIRL POWER at it's finest!
<i>Natalia W.</i>	Best Show ever!!! Please keep making me seasons!!
<i>Kwanda F.</i>	This show is awesome!
<i>Patty S.</i>	We want more. Great show, please bring it back.
<i>Lindsey S.</i>	Just found this show on Netflix and blew threw two seasons in a week. Now I find out there's no third season. Cruel Global. Low and cruel. We're hard up for good shows in the States, don't take this away!
<i>Lindsey S.</i>	I'm in. I heard there was going to be a two hour movie, is that true? Even if it is, I still feel ripped off. Shows today are typically so crappy, this one had everything. Good actors, good writing, good set design, good costume design, good photography, just so great overall. What was their reasoning for cancelling? Were the numbers just not that good?
<i>Jorja B.</i>	Any chance they will be back with Season 3?
<i>Jorja B.</i>	what do I need to do? Love that series.....
<i>Cheryl H.</i>	What a sleeper!! This is a great series. I can't believe there will not be a season 3. Any way to change their minds?

<i>Nurse L.</i>	This show was uniquely different. It provided an insight to a little known piece of history. WW II changed the roles of women. These women in this show depicted the change from stay at home to a role with dangerous consequences. I love this show and after investing two seasons, would like the stories to have some endings rather than left in limbo.
<i>Cassidy M.</i>	Bomb girls was an amazing show. Im glad to hear there making a 2 hour tv movie but it sucks there wont be more!!!
<i>Liza L.</i>	GREAT show... Sad it was cancelled.
<i>Karen M.</i>	Just watched a repeat of episode 1 on Global, got excited about the next season & was shocked to find out this show has been cancelled. It is such an amazing show. I got hooked on The Following last season but as soon as Bomb Girls episodes started up again & came on at the same time, the big network American show actually didn't win, it didn't stand a chance actually, which says a lot. Please bring back Bomb Girls.
<i>Amy S.</i>	So very happy to have found BOMB GIRLS on NETFLIX. My 22 year old daughter deplores TV, but LOVES this show. We have just started SEASON 2. So very sad that SEASON 3 is not happening. We love BOMB GIRLS - with love from DALLAS, TEXAS!
<i>Amanda S.</i>	there NEEDS to be a third season of Bomb Girls!!!!
<i>Cynthia B.</i>	Save Bomb Girls!!!!

<i>Tina M.</i>	is there a season 3 and when
<i>Tina M.</i>	I have and love the show..
<i>Laura Z.</i>	I hope there will be a season 3. I really hate not knowing how it all turns out for the girls.
<i>Christine M.</i>	So disappointed to hear that there will be no season 3....I don't watch many shows with great regularity (or much tv for that matter), but this was one show I could really get in to and never want to miss an episode....guess it's back to netflix watching shows from my youth (which beat most of the reality crap out there now)!
<i>Jennifer E.</i>	When will series 2 be on in the uk?
<i>Dana B.</i>	Bring Bomb Girls back. Love the show...hate television executives.
<i>Thomas L.</i>	I'm really sad about Bomb Girls. I just found it on Netflix and became addicted only to find out that it's already cancelled.
<i>Abby O.</i>	Un-cancel Bomb Girls!
<i>Andrea M.</i>	I absolutely LOVE this show! Who is the jerk who cancelled this show? Finally a quality show with awesome women.
<i>Tanya F.</i>	K when's the next season start??so I can mark it on my calender. lol
<i>Tanya F.</i>	What!!!!??? Noooooo it was such a good series!! Why??:(

<i>Sheree J.</i>	I LOVE that show! Bring it back please!!
<i>Sammantha P.</i>	Save bomb girls! Don't cancel! !!!!!!!
<i>Kayla S.</i>	Miss this show far to much!! i love knowing more about Canadian's and the history be hide women of this country it was empowering to know how far this has all come. sicken to see shows about sex and slutty women are more worth it then shows that can teach a hole lot to women and men
<i>Beth D.</i>	is it true there is not going to be. a seson 3? dang it
<i>James M.</i>	To the Bomb Girls Team ... Thanks for a great drama. My mom was a bomb girl in WWII (in the US.) My wife and I enjoyed the episodes and we're sorry to hear it's canceled. Y'all did a great job.
<i>Bob W.</i>	Not since Deadwood and Firefly have I been this disappointed a series has been cancelled.
<i>Anne-Julie O.</i>	I want the show back!
<i>Teri C.</i>	Who sings the final song in Episode 13: The Party Line? She sounds a bit like Sarah McLachlan. I can't find anything on it. Thanks!
<i>Nellie K.</i>	Kudos to costume designer Debra Hanson! I love everything about Bomb Girls, but as a vintage clothing lover, I am particularly delighted with the costuming. There is incredible attention to detail, and the play of colors is wonderful. I get so much inspiration from this show.

<i>Sarah V.</i>	I Miss this show
-----------------	------------------

<i>Sarah V.</i>	I just want it to come back on all ready
-----------------	--

<i>Patricia O.</i>	My mum and I got addicted to Bomb Girls when we found it on Netflix. We have 2 episodes left of Season 2 and then via the internet I found out it was cancelled! What?! This show is perfection. It is as good as Downton Abbey and I love, love, love Downton! Who do we write and complain to about it's cancellation?!
--------------------	---

<i>Rebecca M.</i>	Hello Can anyone tell me when Bomb Girls session two is coming to uk.
-------------------	---

<i>Ramona H.</i>	The Bomb Girls are the BOMB!
------------------	------------------------------

<i>Mary-Jo R.</i>	LOVE this show...so of course it's been cancelled! I guess any show which actually uses writers and scripts and talented actors cannot last long on today's television. Apparently they need more screen time for the Kardashians and the like! Kill me now!
-------------------	--

<i>Nicole M.</i>	season 2 on Netflix now!!!
------------------	----------------------------

<i>Jeanne B.</i>	My husband and I have watch all of seasons 1 & 2 Bomb Girl shows, and I was just checking into when season 3 would start and discover there won't be a season 3...SO DISAPPOINTED!! Please don't cancel quality TV shows...there is so little out there to watch!
------------------	---

<i>Linda L.</i>	When is season 2 coming to the uk? I don't want to miss it?
-----------------	---

<i>Angelica V.</i>	they need to make a season three!!
<i>Heather M.</i>	I am very disappointed they are not continuing the show-how can they possibly cancel Bomb Girls and keep running all those CRAP TV shows??? There are so few quality TV shows like Bomb Girls. The networks need to understand that the public is tired of "reality TV". Cancel the garbage and KEEP BOMB GIRLS !!!
<i>Nanci R.</i>	So? What about season 3?
<i>Shirley R.</i>	are they still making more seasons
<i>Alaxaundria K.</i>	Can be true you have to bring a season 3 and beyond PLEASE!! — at Orlando International Airport.
<i>Jennifer F.</i>	Finally Season Two on Netflix
<i>Patti C.</i>	Is it true there will be no Season 3???
<i>Katie C.</i>	Will there be a season 3???
<i>Katie C.</i>	Well pooey! I loved that show.
<i>Kim R.</i>	is it true that this great show is not coming back this fall?
<i>Sherri G.</i>	Are they making a movie to tie up loose ends?

<i>Win F.</i>	I CAN'T BELIEVE THEY'VE CANCELLED BOMB GIRLS! WE FINALLY GET A GOOD CANADIAN SHOW AND LOOK WHAT HAPPENS. I THINK THE RATINGS WENT DOWN ON SEASON 2 BECAUSE THEY MOVED IT FROM 9 PM TO 10 PM. I'M SO DISAPPOINTED! IMAGINE HAVING THAT DUMB BONES WIN OVER BOMB GIRLS!
<i>Layla R.</i>	...I love the music...Is there a CD available...there should be!
<i>Layla R.</i>	Watched a marathon...S1 & S2...what a great show. Can't wait for next episode.
<i>Leila V.</i>	When is season 3?
<i>Joyce J.</i>	Sorry...there won't be a third season. The show has been cancelled. There will be a two hour movie to wrap up the storylines sometime in 2014...no date announced yet.
<i>Nicole M.</i>	Rosie O'Donnel, really, she's off her dam rocker, kinda just ruined the season for me. Thanks Obama.

Jeryn D.

I'm in the process of finishing up my MA thesis on Canadian women in WWII and fiction (which includes a section on bomb girls). If you have the time, could you please respond to this comment with what you like about the show or how it has affected you? Can be anything: like seeing a show about women in WWII, gave you a better appreciation for what your grandmother went through, educated you about women's involvement in WWII, got you interested in history etc. Don't spend too long on it but it would be a huge help for me if you could leave your experience. Thanks!

Kim R.

My parents met during WW2 in Cheltenham, England. They married in 1944 and my mother moved to the US to be with her American husband. I am always fascinated by shows that highlight this era, and like to imagine what it was like for my parents.

Derek G.

When I was a boy in Montreal, circa 1972, we met this old british lady who had worked in a british factory making air planes during WW2. This lady had a dog named Yogi and a group of us would stop and play with Yogi on our way home from school.

Kris K.

I love this series. When willl the new season start?

<i>Janice T.</i>	Please bring the Bomb Girls back, whereas I'll give you no flack! They were the best-Give us the rest! This show gave us a piece of history, something I could feel what could of happened during my parents days. We loved everyone in the show, we could not wait for Wednesday to come around. Please bring them back!!!
<i>Bj O.</i>	Please tell me they are coming back for season 3. I hear the show was canceled and I just couldn't believe it, especially not after winning so many awards!!
<i>Lynn D.</i>	so by the time they come out with the movie won't it be to long for anyone who watched to remember the story lines??
<i>Jennifer D.</i>	When will season 3 start?
<i>Jennifer D.</i>	NO!!! I loved that show!
<i>Meghan C.</i>	Does anyone know when the t.v movie is to air?
<i>Susie S.</i>	Got to put back on air from US love he show
<i>Kate O.</i>	Will we get season two in the UK anytime soon do you know?
<i>Lydia M.</i>	Why has the show been cancelled?! :'-(I loved the programme!
<i>Laine C.</i>	I really like this show - and there aren't many I do like.
<i>Wendy P.</i>	When are you coming back to T.V.? Daughters and I can't wait !

<i>Wendy P.</i>	WHAT? Oh that is terrible and sad news. WHY, it appeared to have a huge following?
<i>Alisa F.</i>	I am so disappointed that this show is cancelled. It was so good. Why would they stop?
<i>Marilu D.</i>	Global is a bunch of idiots for cancelling this show. I hardly watch anything on Global but this was one I never missed,
<i>Kate O.</i>	Great, a decent drama with a female cast and it's been cancelled???
<i>Ellen M.</i>	I am loving this show! Will there be more???
<i>Linda M.</i>	Just watching the episode "Where There's Smoke". Why is the CWAC's hair on her collar. Any ex-servicewoman knows the hair had to be 1" off the collar.
<i>Mark H.</i>	Please bring Bomb Girls back for a 3rd season. Please. There is no other program of this quality on TV...not on PBS, anyway. Hey, there's a thought, pitch the show to PBS. Bomb Girls is a masterpiece.
<i>Cheryl G.</i>	I was just looking to see when the next season of Bomb Girls starts and was stunned to see they've cancelled the show. Global you are a bunch of goofs!!! They keep crap on like the Morning Show with that horrible host but, they take Bomb Girls off. Who makes these decisions??? I read there are petitions online so I'm going to look for those and sign up.

<i>Brighid W.</i>	I've watched one half of an episode, and already I'm outraged this show was cancelled.
<i>Joanna W.</i>	no, no, noooooooooo! Bomb Girls can't be cancelled! This is one of my FAVORITE shows, and i'm very sad to hear the news! If this show were released on Netflix, ala' Arrested Development, I'm sure it'd be a hit. The attention to detail and writing were fantastic. BRING BACK BOMB GIRLS!!!!!!!!!!
<i>LeAnna J.</i>	I'm missing the beautiful woman of Bomb Girls i love this show!!!!!!
<i>Sandy S.</i>	It's a shame that they decided to cancel the show after the 2nd season. : (
<i>Louis-Guy S.</i>	Bomb Girls une bonne p'tite série d'époque...Votre 2e saison arrive quand?
<i>Judy L.</i>	You can watch second season of Bomb Girls on " Show Case "
<i>Dianne M.</i>	I love this show. I have watching the Reruns and hoping there will be new shows, PLEASE.
<i>Lisa G.</i>	Does anyone have a suggestion? I missed ep 3 of the second season. I'm in the U.S. Where can I see it?
<i>Nancy Z.</i>	when is that going to be on agan? I really like it.
<i>Eileen M.</i>	Is there a place on line to watch season 2 for free?

<i>Erin J.</i>	Just heard that this amazing show has been cancelled. I cannot begin to explain how much I loved this show. I was born and raised in Toronto. My mother went to nurse's training there during WW2. I loved her stories about it and Bomb Girls helped me relive the memories she had - she would have been the same age as the girls. I often thought that there were parts of each character in my mom - made me miss her a little less. Now I will miss my mom and all the girls!!
<i>Vicky L.</i>	love this show!
<i>Rachelle N.</i>	Love this show! How can I watch season 2 in the US?
<i>Ber R.</i>	Hi . Is there gonna be a season 3 ? What a fantastic show !
<i>Ber R.</i>	oh that is too bad ! i thought it was one of the best canadian shows that i have seen in a long time
<i>Debi D.</i>	Biggest Congratulations to Aiden Leroux for his DGC nomination for best Production Design for Bomb Girls episode 103!!!! Yay Aiden
<i>Wendy W.</i>	This was shot in Toronto, Ontario Canada. The places they talk about and things that happened at that time are true. My mother actually worked in a munitions factory during this time in Toronto. When she talks about Rosedale that is an actual very elite neighbourhood. I don't understand why they took it off the air.

<i>Emma S.</i>	What an amazing show - incredible stories, characters and history that makes me proud to be a Canadian woman
<i>Beth W.</i>	Late I know but I just finished with the second season. I absolutely loved this show from the very beginning. Sad to know there will not be a season 3.
<i>Beth W.</i>	Deff will do!!
<i>Kirstin G.</i>	There is supposed to be a two hr. (Movie) length finale in winter 2014 to wrap the series up.
<i>Eileen M.</i>	I am legally watching it on the internet.
<i>Candi R.</i>	Best show I've ever seen.
<i>Preet K.</i>	Can't believe they've cancelled the show for another season
<i>Nancy L.</i>	My father was a WWII bombardier on a B 17 in the 8th Air Force. He was very young but one of the oldest at age 26 so they called him 'Grandpa'.
<i>Jessica K.</i>	Anyone know how to watch season 2 episodes in the states?
<i>Andrea H.</i>	Does anyone know where I can see the first episodes of the second season? I didn't realize it was back on the air until around episode 5 or 6
<i>Kathy U.</i>	Did anyone catch the name of the champagne that Clifford gives Gladys when he comes to her hotel room? I know it was a 1932 vintage and sounded something like Lenard Joulet.

<i>Ava S.</i>	great writing , great concept one of the better shows on the Tele and yet all those other shows that mean nothing and are written so poorly are on air I will never understand the minds behind those decisions...
<i>Devyn C.</i>	Bring back Bomb Girls!!!!
<i>Carole R.</i>	Please don't cancel. We want more!!!!!!
<i>Kathy O.</i>	My grandmother was a "bomb girl" in Kansas City ,KS. She was a widow and single mother, from a small town. She never talked much about it, but it has always fascinated me.
<i>Ron T.</i>	Wow I can't believe the network execs cancelled this show. You guys up there getting American television disease? Oh we are producing something good, quick cancel it so we can get back to showing junk that nobody cares about.
<i>Veronica B.</i>	Looking forward to season 2
<i>Tina J.</i>	Just saw the episode with Rosie O'Donnell. and I spotted a "blooper". When she was sitting at Lorna's kitchen table, the jar of ketchup kept "disappearing". First it was on the table, then it was gone, then it was back and so on. Happened several times. Think the "props" person needs to be more careful. BUT I STILL LOVE THE SHOW. Just fun to catch things like this.
<i>Blaine M.</i>	Miss this show already.....

<i>Joyce J.</i>	Me too...
<i>Vivian R.</i>	with the awards won how could they cancel this show.
<i>Nays P.</i>	someone wasn't thinking they are idiots, This was a great show...
<i>Thomas W.</i>	First heard about this show today, I don't have Reelz channel but I will look to track down past episodes and watch online in some way.
<i>Vickey S.</i>	Love not Like Bomb Girls!!!!
<i>Mishaela P.</i>	Does anyone know how or where I can watch season 2??
<i>Tracy B.</i>	I love those shows! Watched it for the first time last night on Netflix, sat and watched 6 in a row...lol
<i>Danielle F.</i>	Please come on over and Save bomb Girls!!!!
<i>June A.</i>	Congrats Meg Tilly and Ali Liebert for the Leo's. You were both amazing and I hope you will be seen again in new roles. All the ladies did an amazing job in this series. I wish the show would go on - it was so wonderfully different with incredible attention to detail. It was good to hear from someone in the States.
<i>Mary A.</i>	I live in the states and LOVE (or rather loved) Bomb Girls. So surprised to find out it is a Canadian broadcast. I am disappointed it was canceled.

<i>Gretchen G.</i>	I am hooked on it too and want to watch reruns. Can't get Global tv in my part of the US (Virginia) !! How can we get them to continue this show??
<i>Dawn N.</i>	Any update on the effort to save the show?
<i>Sugano S.</i>	This show is really interesting. I never knew that Petawawa was an internment camp during WWII interrning 28 different nationalities. The Hair, Make up & Costumes are outstanding but I found a few flaws with some of the diction that I don't find actual for that time period. for example, "You got that right." and 'Blush' (ladies rouged their cheeks in that time period)
<i>Sakura M.</i>	One of my fave shows
<i>Darrin D.</i>	No more Bomb Girls and no more Antonio Cupo to share my Wednesday nights with. I may as well just work a double on Wednesdays.
<i>Lauri P.</i>	Bomb Girls was canacled since when? It said season finally on The Reelz channel. That would be bad if it was. We all love that show
<i>Lauri P.</i>	UGh we loved that show. Its sad to see it go
<i>Sue M.</i>	D-Day...yet another event I wish we'd been able to see through the eyes of Bomb Girls.
<i>Skylar P.</i>	Global TV is ridiculous for cancelling this show.

<i>Katherine W.</i>	Will we be seeing a Season 2 DVD? I really hope so. I treasure this show.
<i>Barbara S.</i>	This is so very sad. BOMB GIRLS CANCELLED! I am so sick and tired of 'reality shows', idol, survivor, big brother, desperate women, blood, guts, & killing! I am so proud of how the women stepped in to support the war effort while our men were fighting for FREEDOM!! This IS a reality show.
<i>Mega L.</i>	I started re-watching Bomb Girls (I had originally only gotten 4 episodes). Just excellent, such a great show!
<i>Dianne H.</i>	has there been any news on saving this show
<i>Judy L.</i>	If we all go to Save Bomb Girls facebook there are email addresses to all of the top people we can email and ask them to bring back Bomb girls the TV show, I don't want the movie I want season 3,4,5.
<i>Michael S.</i>	Could have been a good series if it wasn't for the low budget and many mistakes. Shells and bombs that look more like toys and the use of modern day "Poppies" so very different to the actual war time ones. We still watch it but shame about the authenticity!
<i>Sonja L.</i>	This is a fantastic show, I wish y'all would have done a 3rd season. Social media could help propel this show to the world.

<i>Kalene I.</i>	This show is a gem! I just happened upon it and found myself looking forward to it each week. It was wonderful to watch the characters and story develop. Unfortunately it was broadcast on a little known cable station - none of my friends had heard of it. Please let there be another season! I'm looking forward to updates here!
<i>Mega L.</i>	cancelled? gahhhhhhh!
<i>Nancy E.</i>	I love Bomb Girls. I can't believe they may not go on to a 3rd season.
<i>Isis M.</i>	I LOVE THE SHOW...!
<i>Betty K.</i>	This is one of the best series I've seen - stories, acting, music - it has it all. I can't believe they cancelled it after just two seasons.
<i>Suzanne S.</i>	Hi there, just wrote a blog about how sad I am the show is cancelled and how to recreate some of the fantastic looks seen on Bomb Girls
<i>Rocio C.</i>	Was thinking: Surely the fans of "Downton Abbey" and "Mad Men" would appreciate this series. They just need to know about it first. Once you've reached them, they'll want a 3rd season as well.
<i>Jo-Anne H.</i>	I am so very happy that someone had the smarts to revive this great show and oh happy day, its now a movie! I was so disappointed that it was cancelled. Silly Global.
<i>Sherry W.</i>	we want more! we want more! we want more!

<i>Jenny G.</i>	So excited about the movie!
<i>Ann B.</i>	I hope I will be able to see the movie in the U.S.A. Will they rerun the show again.
<i>Dee A.</i>	will they be on tv again??
<i>Michael S.</i>	Many Canadian men and women were involved in Radar during WW2 see www.raf-marks-castle-and-raf-sennen.co.uk
<i>Brian M.</i>	Really hope there is a soundtrack that I can purchase for all the music in this series. Like all great Canadian shows, this one was ended too prematurely
<i>Danielle M.</i>	I thought there was not going to be anymore ? Did they change there minds ?
<i>Lauren D.</i>	Will it be re-aired on television?
<i>Andrea M.</i>	So happy to read that season 2 is now on NETFLIX! We love this show! Thanks so much! You made my day! Much love from California to Canada!
<i>Olivia H.</i>	Any news on how the petition is going?
<i>Angela S.</i>	Netflix please buy Bomb Girls and make a 3rd season. Such a shame when a well written, strong female lead show is cancelled.

<i>John G.</i>	DVD set for Season 1 is out in Canada; apparently Season 2 DVD set comes out in November (just in time for Christmas - gee, I wonder if they planned it that way on purpose?). A special made-for-TV movie is supposed to be out sometime this fall to wrap up all the loose ends in the series.
<i>Cathy R.</i>	sure wish you'd bring the show back!!!!!!!!!!!! I really miss the girls!
<i>Peggie T.</i>	Why didn't you just continue the series???????
<i>Katie C.</i>	Not fair that you cancelled this great series. Hard to find an actually decent series now-a-days.
<i>Caryn S.</i>	Bring it back! I want season 3!!!!
<i>Bonnie R.</i>	Season 2 is NOT available for streaming.
<i>Erin A.</i>	I wish they would have concluded the series, I really would have liked to have seen a happy ending for Marion.
<i>April P.</i>	I would love it if Season 3 were to air. It was a great show. The only one I really watched. I want to know the ending. Maybe they can write a book about it. That would be amazing!!!!
<i>Jason T.</i>	This was a show that Global TV could have and should have been proud of. I guess they are more proud of the money they make my importing foreign-made "reality" television. Such a shame. Such a waste.

<i>Mayra S.</i>	I just started watching season 2 on Netflix it is awesome!
<i>Cymbria A.</i>	Christmas list!
<i>Sandy W.</i>	love this show! hope it comes back.
<i>Gail T.</i>	I don't want DVD's. I want new episodes of the best drama series to come out of Canada in years
<i>Carrie S.</i>	Please tell me this wonderful show is coming back!!
<i>Diana D.</i>	If it doesn't come back,I am one of many very unhappy fan from Texas USA! Please keep this award winning amazing series going...
<i>Alyssa H.</i>	Sad that there isn't going to be a season 3. Everyone, go to savebombgirls.com . Help get the choice of cancellation reversed so we can get more episodes.
<i>Cathy N.</i>	Guilty of binge watching. Caught both via Global TV in Quebec. Unfortunately, no series 3 in the works.
<i>Cindy H.</i>	one of the best shows EVER on Canadian tv so sad it won't be coming back!!!!
<i>Alison L.</i>	gutted itv3 in uk has not shown series 2 yet
<i>Lisa H.</i>	If the movie to wrap the story lines up is going to be airing in the fall, why hasn't production started yet?
<i>Mae G.</i>	Can,t wait for the show to start T V stinks right now

<i>Angie O.</i>	Awesome I can watch season 2!!!!
<i>Pauline M.</i>	Cant wait for the show to begin. Cable sucks right now
<i>Angie B.</i>	I heard it's been cancelled?! I want to cry
<i>Monique D.</i>	So not fair! A great show, one of the best ever and it's cancelled! I watch very little TV but I would not have missed Bomb Girls. Shame on you Global!
<i>Misty Dawn R.</i>	Great another good show being replaced with mind numbing garbage
<i>Patti C.</i>	I am totally disappointed.....
<i>Jill M.</i>	The only thing I want to hear about BG is that they have listened to their fans petetion to bring the show back !!
<i>Natalie G.</i>	Yay I've been waiting!
<i>Telly A.</i>	Are you able to confirm whether or not ITV3 in the UK have the rights to season 2?
<i>Patricia M.</i>	Great show..enjoyed past seasons with my teenage granddaughters..cant wait for next season
<i>Peggy M.</i>	bring bomb girls back
<i>Christine G.</i>	My friends in the UK watch this one!
<i>Sheila F.</i>	i am from the states ...just watched the entire season 1 & 2 in a week!!

<i>Sheila F.</i>	if the show was aired on a better station it wpuld ha e stayed a hit
<i>Eva-Michaele B.</i>	I discovered this show on NETFLIX and was so excited when we got season 2. Here in the USA with all our cable stations we still have mostly crap and reality shows. Here was a wonderful story with great character development and all to soon now it is gone.
<i>Tami W.</i>	i want bomb girls back on
<i>Susan P.</i>	Wait...has it been canceled? I just saw here that season 2 is on Netflix now. Is there no season 3? I just discovered this show too and really like it!
<i>Janelle W.</i>	Just watched the last of season 2 on netflix. I saw that season 3 was cancelled, but there is talk of a movie to bring an end to the series. I want to see more. Save Bomb Girls.

<i>Timmy H.</i>	Bring back bomb Bomb Girls
<i>Janice M.</i>	Love the series...bring 'em back!
<i>Nicole M.</i>	When is Season 3????
<i>Ciera H.</i>	it should have been put on a better channel and it would have faired better . I dont know anyone who has ever heard of it unless they saw it in passing on netflix. maybe netflix should pick this show up as they did with arrested development.

<i>Heather M.</i>	Love the show! I'm hooked
<i>Lilia R.</i>	Hopefully Netflix will pick it up! I am so sad its been cancelled!
<i>Tina K.</i>	Sad it's not continuing....it's a great show.
<i>Christy S.</i>	I just started watching this show on Netflix and I love it! It has great acting and plot lines. I hate that it isn't going to have a 3rd season. I wished Netflix would pick it up and do another season like they have done with other shows lately.
<i>Bill H.</i>	I love the show! although its made for TV, it really gives u an insight into the life people lived here in Ajax before my time! I grew up here in town and still live in town and remember well all the old bomb whare houses and all the old railway lines all over the place that have all but disappeard!
<i>Heather A.</i>	me to i loved it just finished it today really wish there was more

<i>Sheila F.</i>	woooowho. the best show EVER!! please make movies with sequels. please!
<i>Kim B.</i>	Please do something to finish the story lines. This is the 2d Canadian show on Netflix that I have loved and has been cancelled after 2 seasons. The costumes are amazing and the characters are endearing.

<i>Deborah S.</i>	I want it back in the US!!
<i>Valerie C.</i>	JUST WATCHED THE WHOLE TWO SEASONS! SO AMAZING!!! Can't wait for the movie but wish there was a 3rd season!!!
<i>Ruby B.</i>	just finished season 2. I really love this show. Sad to see it go..
<i>Andrea M.</i>	I never noticed whether the shells/bombs were low budget or fake looking. The storyline was what captured my attention in the first place. To be able to tell a story about the women who did their part back in WWII was amazing. I considered it a great series.
<i>Emily T.</i>	I enjoyed this show, and I'm sad there won't be a 3rd season
<i>Michael S.</i>	bought season 2 of Bomb Girls, on disk 2 Episode 5 it will only play in French even when setting it to the English audio setting, anyone else have this problem ?
<i>Gretchen T.</i>	When will this show ever be released on American DVD, iTunes, hulu, or Netflix. It is easier to get British TV than to get this series for some reason and Canada is only a few hundred miles away.
<i>Jenn F.</i>	finished both seasons and very sad there isnt a 3rd.. patiently waiting for the movie in its place... wish they just continue the season though

<i>Katherine C.</i>	My Mum who is 89 loves this series and we have enjoyed watching episodes together as her life draws to a close. Can I buy the theme music ? Does anyone know what it is ? Many thanks in advance
<i>Aly R.</i>	Is Season 2 coming to the US? I miss this show terribly!
<i>Peter C.</i>	Caught some of this series on Reelz TV a few months back and was quite impressed with how historical accurate they seem to be in each scene. Movie quality in a TV series...
<i>Lyn S.</i>	Bomb Girls; you were one of the best on T.V. and never should have been cancelled by Global. It was the only time I ever watched this station. Now all we get is Vampires and crap!
<i>Dawn V.</i>	Excellent show.
<i>Angel B.</i>	I Love This Show I love learning about Women that were strong then and now!
<i>Taija N.</i>	Omg I just watched both seasons of this show on Netflix. I am from the U.S. and had no idea it was a Canadian show. The characters and story line is amazing! You can only imagine my dismay when I found out it was cancelled already. What a tease:(
<i>Misty R.</i>	I'm sick of it I'm ready to get rid of my TV so many of the shows I like got cancelled!!
<i>Misty R.</i>	Why do good shows get cancelled? no smart person give a crap about stupid reality shows but they get to stay. stupid people

<i>Bj-Tori C.</i>	Omg OMG omg! YESss!
<i>Andrea M.</i>	It's great the movie is being filmed and it is the least you can do after cancelling this brilliant TV series, but nothing will replace the full series. Some head honcho from your company decided to cancel such an extraordinary, brilliant series to make room for reality and dumb-down TV. Give us back Bomb Girls, the SERIES!
<i>Joan S.</i>	Interested!!!??? Yeah we're interested!!!
<i>Vivian R.</i>	why was IT cancelled??
<i>Kevin N.</i>	Bring it on! PLEASE!
<i>Marie K.</i>	Woa wait it was cancelled
<i>Lizzy S.</i>	Can't wait... LOVE THIS SHOW !!!

<i>Patricia O.</i>	Does the Snoopy happy dance!
<i>Kim L.</i>	i hope the ratings for this movie convince the suits to renew production on this incredible series

<i>Susie S.</i>	Yay hope it shows in USA
<i>Jason T.</i>	Better than nothing (e.g., THE BORGHIAS), but still not as good as a full season would have been.
<i>Margie G.</i>	Wish the show was still on but this is better than nothing!
<i>Jamie B.</i>	!!!!!!!!!! McBond
<i>Ruth S.</i>	Norisah Kadir-Jensen , did u see this ? Whoo hoo
<i>Elizabeth S.</i>	Can't wait to see the movie, but it will surely be bittersweet. This and Call the Midwife were the two best series on the air in 2012 and 2013.
<i>Chastity O.</i>	bring the show back
<i>Jenny P.</i>	Cool, but it just reminds me how much I miss the series
<i>Dani B.</i>	OH YAAAAAAAY!!! I think you should be shopping other networks to bring the tv series back! It was SOOOOOOOO good!!!
<i>VJ Ed B.</i>	Love the show, I hate they cancelled the show.
<i>Cathy N.</i>	Shame the show has been cancelled. Am for sure looking forward to the movie.
<i>AL S.</i>	Movie will not replace the series. Easy out guys. Bring back the real thing!

<i>Michele M.</i>	So disappointing. The Agnes-as-secret-agent plot was the least interesting of the series. We need more Betty McRae!
<i>Blair F.</i>	as sad as I am that there won't be a third season thank you for not leaving us hanging! Love bomb girls!!!!
<i>La E.</i>	YES! I need closure, I was heartbroken!
<i>Jessica L.</i>	So excited!! Please let it happen!!
<i>Barbara F.</i>	Loved this show.
<i>Veronica J.</i>	Ali Liebert and Meg Tilly are the definite standouts in my opinion.
<i>Andrea N.</i>	Wish I could visit the set during production.
<i>Barb F.</i>	Oh, I miss that show.
<i>Michele M.</i>	We want lots of Betty McRae in the remainder of the story!
<i>Alexandra K.</i>	I'd prefer a series...
<i>Debbie R.</i>	im still sad
<i>Susan S.</i>	Wait, were they picked up for season 3?! I heard they weren't? I'd be thrilled to find out they were still taping for a third season! Anyone know?
<i>Holly R.</i>	Keep it coming!
<i>Karen O.</i>	The article I read said a large fan base, then why did they cancel it?

<i>Elisa G.</i>	Make it a SERIES! The movie is NOT enough! We want Bomb Girls!
<i>Eileen P.</i>	This is one series that should'nt have been cancelled will be looking forward to the movie
<i>Karen S.</i>	I am SOOOOOOOO sad it was cancelled!!! Finally a show I Liked!
<i>Andrea M.</i>	You've got many fans who want Bomb Girls back as the FULL series. Don't disappoint us! Bring Bomb Girls back for more seasons!
<i>Diana M.</i>	The show was awesome and it would be really great if it was brought back.
<i>Danielle P.</i>	Every aspect of Bomb Girls is worth saving. The story line, acting, and production quality are absolutely stellar. I was heartbroken to hear of its cancellation, it was by far my favourite television program. I sincerely hope that the show is brought back once again.
<i>Sheri D.</i>	I live in McLean, Virginia and LOVE the BOMB Girls Series! I sure hope it will have new shows and stay on the air. The acting is superior and story line is very interesting! I wish I would have saw this sooner! I know so many people in the USA would have responded if it was shown on the next work! This history touches all of us and I believe it is valuable to go on!

Bomb Girls - utterly brilliant. It's great to see a series that combines accurate historical representation with authentic plotlines, great characterisation, writing and good honest entertainment. We saw the first season over here in the UK around last Christmas and are looking forward to the longer Season 2 soon (way overdue, I might add). It's a disgrace that a terrific series like this gets shelved without going to further seasons. It's always the good TV shows that seem to get cancelled early. All the dross - especially reality TV - just goes on and on and on for what seems like forever. I hope the 2 hour finale comes through. Actually I hope some TV executive somewhere has the courage to revive the series as it is. Oh yes, I forgot to say we love the music featured in the show too. I'll need to check all those out and do some serious CD buying.

Denise A.

One of my favorite shows. Please consider bringing it back. Sometimes a TV show needs more time to find its audience. I am in the US.

Louise R.

I stumbled across this show on Netflix (luckily I can also catch this on Reelz) and since I've enjoyed this era of movies, music, clothes and other things, I watched the first six episodes and was thrilled to find out they expanded it and did a second season. Just after finishing episode 11 of season 2, I went online to look for something pertaining to the show, I think to verify how many episodes were in the season, when I discovered it had been cancelled and a 2-hour movie is planned to wrap up some of the story lines. I was shocked, dismayed, and angry that this happened. This show is one of the best shows to come along in a long time. What caused the cancellation? Were the ratings low? It would be wonderful if someone else would pick it up, like Netflix who is now doing a lot of original programming which has turned out to be pretty good, including the recent season they did of Arrested Development.

Cindy

plzz save this
show i really love it why do networkstake
off such awesome shows

M. B.

It was my favorite show on tv. Being it back.

Jacquie

Until this past weekend, I had never heard of Bomb Girls series. I started watching on Netflix on Saturday and became so entralled with the quality and level of story twists, before I knew it I had watched all episodes of the two seasons. I live in Fairfield, California USA and am very impressed with all aspects of the show. I was disappointed to learn the show was cancelled but definitely look forward to seeing the two hour movie in the future.

June

I was wondering if you'd considered partnering with Miss Representation or the Geena Davis Institute. I think "Bomb Girls," is a show that both organizations could really get behind and they have a large following. More people in the U.S. need to know about this great show! It is such a unique and wonderful thing to have so many principle, dynamic female characters whose lives revolve around more than just getting man! Even the era that it was set in was such a pivotal time for not only the world as a whole, but women as an entire gender.

Monica

We are so disappointed that Bomb Girls was cancelled. Just started watching it on Netflix and was wondering when Season 3 would start. The good shows are always cancelled.

My partner and I watched Bomb Girls religiously. It had great story lines, a great cast and great Canadian history content. It is one of the only Canadian series I watch apart from the French CBC shows that I watch being that I am French Canadian. We hope that Global will come to their senses and reinstate this series in January. I am pleased to see that a lot of other Canadians see the value of Canadian series of this calibre and have organized this campaign to revive this series. A two hour movie in my opinion will not cut it. Hope comments such as mine will help convince the executives to see how the fans were attached to the series and that it merits to be reinstated in Global's winter programming and if not Global, maybe a another network will seize the opportunity and save this great series.

Linda R.

One of the best shows I've seen! Terrific acting and story lines, compelling characters, outstanding production values all round. Please don't cheat fans of the ability to follow these much loved characters to the end of their stories. Thank you.

Cleavon B.

bring back bomb girls for a 3rd season.

Helen M.

I love bomb girls, I have visited Bletchley park several times where it was mostly young women who cracked codes, no one thought about all the hard work they did during the war, I've met a woman who flew planes from bases to bases, Bomb girls is a great reminder of what was sacrificed by many people during the war, we remember the troops who died on November 11th but not the women who gave their lives producing bombs they used.

From the time I saw the first episode of "Bomb Girls", I made sure I never missed an episode. I will say I didn't watch the episode with O'Donnell. Other than that episode I have been an avid Fan of the show. I refuse to watch any of American TV shows. "Bomb Girls" was something new and fresh as opposed to the other trite ridiculous shows produced by any American Broadcasting Stations. I just can't believe the show was cancelled. Please bring it back.

Christoph

Love the show. It artfully combines my favorite genres with great heroines, history and war. Discovered it on Netflix (USA) and am dreading the end of season 2.

Judy L.

I was so disappointed when I heard Bomb Girls was cancelled, for 2 years I looked forward to the ups and downs of the women on this show. This is a great show only to be dumb down to a 2 hour movie. I would love it, if it got renewed with season 3, 4, 5. The fact that they are making a movie only proves that Bomb Girls was and still is a very popular show, I think it got cancelled cause Global

network wanted to make room for a stupid American reality show. What really makes me mad is that we "the fans of Bomb Girls" was IGNORED by all of the executives of Shaw Media, Global Networks and Bell Media. Letters and Emails and Bandana's were sent to all of the executives asking to undo the cancelling of Bomb Girls, and nothing happened. TV networks Executives do not care about the public they do what ever they want and the HELL everyone.

Laura S.

Bomb Girls is a fascinating look at women during a very unique time in history. As an aspiring screenwriter, who also happens to be female, I am often annoyed at how hard one must search to find movies and television shows that feature women in interesting and important roles. Bomb Girls offers a wonderful story from a time period and point of view that is too rarely seen. There is truly nothing else like it and the story deserves more time to be told.

I'm from Norway and discovered the show "Bomb Girls" only a few months ago, and I fell in love. I'm about to watch season one and two for the third time. What I think is so wonderful about this show is the setting, the themes, the characters, the clothes, the production design, the mise-en-scène in itself. This recreation of the 40s is so well done! Everything works amazingly together. We need TV-shows like this. It's different; "Bomb Girls" stands out of the crowd. It's good to see a female driven show that is based on history. The 40s is such a fascinating and beautiful time. This is where the women took a pretty big step

towards the start, of what we now call gender equality, showing that they could do a man's job. As mentioned by others, we are tired of all the cop-shows. There are too many alternatives in shows that are too alike. So why cancel "Bomb Girls"? Yes, there will be a movie, but I won't stop fighting for a third season. A two-hour movie is not a long time, and I won't say goodbye to the characters. The characters are so lovable, complex, and we can relate to them, even if it's the 40s. I say we should make more room for Canadian shows.

A few years ago I grew tired with what I saw in television. I was bored (and am bored) with the vast majority of it. I have no patience for reality tv and no fondness for cop shows and hospital-based soaps. There is no shortage of US exports (timed with their shows) on Canadian Television. What there is is a shortage of shows like Bomb Girls. Canadian period drama that has been highly successful - and has many fans all over the world. What I do love is Bomb Girls. From the very first time I saw the show - I was hooked. It tells our stories; the stories of Canadian women during World War II. In history class in high school I think our textbook had one sentence on women working because the men (the vast majority of them) were overseas. A footnote in a small box besides a picture of a poster of Rosie the Riveter. That was it. Bomb Girls has opened my eyes to the world of women in 1940s Canada. I began watching for Betty and Kate's storyline - that is how the show was advertised to me by my sister (who figured her lesbian sister would get a huge kick out of it). The entire show has

caught my heart. All the characters are complex and flawed; extremely human. Extremely relatable. Admittedly, I've always loved period shows. I have a weakness for them. And Bomb Girls is by far my favourite. This show deserves a second chance, they have many more stories to tell and it would be a crime against Canadian television to not allow them to continue.

I and my family are very disappointed to learn that Bomb Girls will no longer be airing. Bomb Girls serves as an educational and entertaining program that teach vital history to young women about what we can do! Speaking as a woman Bomb Girls is absolutely inspiring and it would be a shame to let it go.

Why do I want to save Bomb Girls... I only recently saw Bomb Girls for the first time (September 2013). And I loved it right away! I watched both seasons within a few days, I became obsessed with the show. So when I read that the show got cancelled earlier this year I was so disappointed. You see... Bomb Girls reminded of my grandfather.. or the stories he used to tell us. I've always been interested in history, but the things you learn in school, they're nothing compared to the stories from someone who actually lived during the war. Even though my grandfather was still very young during the war, he was born in 1934, he told us so many stories about growing up during such a difficult time. He passed away in January 2012 and I still miss him so much! We were really close. And I miss all of his stories. But when I saw Bomb Girls, it was like I was listening to one of his

stories. I can't get my grandfather back, but I can try to bring back Bomb Girls! So please, please, please... Bomb Girls can't end like this. There's still so much more that has to be told!! I even made 3 websites about 3 of the cast members! That's how much I love the show and everyone in it!! Check out the links to my website below: <http://ali-liebert.com/> <http://charlottehegele.com/> <http://jodi-balfour.com/> Bring Bomb Girls back!!

There are so many war movies out there about the men and what they did, especially American, and I stand for them and would stand for them forever for what they gave up for us. And when the show Bomb Girls came on, it was a tribute to what our women did during the war effort also besides lay on our backs and wait for the men... I just came from a real bomb girl's speech, she is Canadian, was there building the bombs in Ajax.. Louis Johnson, and I found what she had to say very interesting, and such a tribute to our Canadian Women. There is not much out there applauding our country like the Americans, and this was a bit of history that told that we were there, we contributed to the winning of the war also, along side helping the Americans. It was part of our history, our romances during the war, and it hits home with not everything went on in America, England, Germany, France, etc. etc. etc. Something went on in Ajax, Ontario, Canada that contributed to winning the war that I did not realize until Bomb Girls. I was finally made aware through the media about some of the Canadians past efforts during war times. We were there along side all of them... To take off Bomb Girls and the

tribute to our romances and war effort is a sin.. It was a wonderful show.. maybe you should change your critics and whom ever is in charge of saying we have to watch another lawyer show, or stupidity shows you call comedies... I love our past, love hearing about our past, and what gave Canada the back bone it has. When I told my grandson about taking off Bomb Girls, he also never knew that bombs were made here that helped win the second world war... What a mistake to take Bomb Girls off! All of the women at the speech all watched it and loved it also... as I will bet a poll would show what a mistake you have made. Bring it back, show our history on television every week, just like Mash, American!

Christina W. I <3 this show!

Cami U. I didn't know the show was cancelled. Glad to hear about the movie, the series should continue at least through the end of the war!

Shannon H. I still can't believe they cancelled such a good show!

<i>Louise B.</i>	I loved the series!
<i>Peggie T.</i>	One of the best reasons for my daughter and I to watch and share a TV show. Miss it.
<i>Frédéric L.</i>	Another serie pleassssssee

<i>Melanie H.</i>	So excited for the movie, but am sad that series didn't have a longer run....
<i>Christina M.</i>	Meh, I preferred the series... But I guess beggars can't be choosers, and a movie will have to suffice!!! I'm glad the cast is the same!!!
<i>Alexandra K.</i>	BOOOOOO GLOBAL TV. You wrecked something wonderful by doing this.
<i>Dolores G.</i>	I love this show/program/series!
<i>Mary K.</i>	Bring the show back!!!

<i>Brandy H.</i>	Omg can't wait. Love this show

<i>Ken W.</i>	Bittersweet as I loved this program, and I would Like the series continue. As well as entertaining it was thought provoking and showed how women's rights have evolved. Remember the scene where Betty went to the bank to try and mortgage a home on her own? She was told to find a husband cause women could not do something Like that. Global take your head out of your ass and bring back this incredible series. Ditch that sci-if and reality crap
<i>Judy L.</i>	Who cares I don't want a stupid movie, I wanted the show back, season 3,4,5.
<i>Amanda A.</i>	I know some people aren't happy about the fact that the series got cancelled, but I'm just glad that we'll be seeing these beloved characters again.
<i>Sharon L.</i>	Really miss this great program and very talented cast....wish it was back on the air instead of the garbage that's on there

<i>Amanda B.</i>	O.O they finally put up season two on Netflix! Homework be damned I know what I'm doing when I get home!
<i>George L.</i>	They can still keep the series going.
<i>Natashia H.</i>	That's awesome news but I love the tv series.

<i>Rocio C.</i>	Hope it's a 3 hour film. But if the series continued that'd be even better: the lives of these women, the minorites, and soldiers post-war...maybe even spanning over an entire decade, into the 50's, similar to what they did with "Mad Men" (50's-60's).
<i>Chris L.</i>	just had a survey asking people to post the shows that we would Like to have back. Bomb Girls was one of my responses!
<i>Martin .</i>	So, will it be on one of the 3 major networks or on cable? Reelz?

<i>Chris L.</i>	Take Bomb Girl - The Series onto a crowd funding website & get it funded!!!
<i>Shawn R.</i>	Please come back--We need another season
<i>Elisa G.</i>	Do the right thing and bring back Bomb Girls, the TV series back in the air! A movie will not suffice!

<i>Sharon W.</i>	Why??? Why was it cancelled??? Why?????
<i>Patricia M.</i>	Great cant wait..
<i>Mary H.</i>	Loved this show!
<i>Jessica T.</i>	boo I want the show, not a movie!
<i>Lora G.</i>	I just erased the last 3 episodes off my PVR. I didn't bother watching them because I was so disappointed about the show being cancelled. I'm happy it's going to be a movie but why couldn't they just keep the show? it had a good following.
<i>Susan W.</i>	Nice there will be a movie but that is not the same as a week by week experience. I felt Like I was a bomb girl
<i>Teresa O.</i>	yesssssss! at least we get SOME continuity! there are so many good shows that are cancelled and don't even get to have a movie
<i>Nancy K.</i>	Bring back the TV series!!
<i>Jennifer D.</i>	Well if they tie up everything in a movie then they definately won't come back with another season!!
<i>Laura R.</i>	Happy....but disappointed on a weekly level!!
<i>Michelle C.</i>	So disappointed FINALLY a show worth watching, and it gets cancelled!! Meanwhile, all the other crap TV (ie. reality TV) still on the air, ugh!!!

<i>Rhoda S.</i>	Can not wait!!! miss this show so very much!
<i>Soraya A.</i>	I hope that this movie is coming back because we are all speaking out how much we loved it. Spread the word for the movie and perhaps the interest will be seen and the series will be brought back!!!!
<i>Trevor O.</i>	They are filming in the park next to my house tonight.
<i>Caro D.</i>	I wish there was more seasons but at least the movie can let us in to what is going to happen next, closure!
<i>Robbie L.</i>	Sheehy Movie??? Wow, that would be FANTASTIC!!!!
<i>Sue H.</i>	Can't wait!! Would rather have the show still on!
<i>Cynthia L.</i>	I'm just grateful that we will get closure- too many series walk off into the sunset with no resolution for the fans. Can't wait.
<i>Cathy N.</i>	I suppose it's better than nothing but Like most people, I'd prefer another series. On the whole good news.
<i>Heather J.</i>	I loved this show. Give me more!
<i>Debbie R.</i>	I still will miss the series
<i>La E.</i>	I was heartbroken! Please bring them back!
<i>Amy W.</i>	Very excited about this movie - have NO idea WHY they decided to cancel this really excellent tv show.

<i>Joyce D.</i>	I agree! Looking forward to the movie! But why did they cancel the series? One of the best shows on TV!
<i>Lisa A.</i>	When is the series coming back
<i>David A.</i>	So glad we will get some sort of tie up loose ends and closure. A great pity no other networks took it on. It must still make money with worldwide sales and maybe multi-region DVDs
<i>Greta C.</i>	I wish they would have not stopped the series. I really enjoyed the show .
<i>Rich W.</i>	Wish they would have kept the show on, was a awesome show.still will take the movie
<i>Kathy W.</i>	Loved the series!
<i>Cathy A.</i>	Please please please! A trilogy would be a good idea...
<i>Ashley-Anne N.</i>	So sad about the cancellation but it's great that they are going to finish things of with a movie unlike most series where they just leave you hanging.
<i>Gail P.</i>	Loved it! Can't wait for the movie!!!
<i>Lisa H.</i>	That script would look a whole lot nicer if it said, "Bomb Girls-Season 3."
<i>Sue H.</i>	Series was great! One of the most worthwhile ones on TV.
<i>Ann W.L.P.</i>	I'm so excited about this just wish it was still a series, it was so good

<i>Teresa M.W.</i>	Hopefully the will be using the same actor/actresses and characters from the series.
<i>Cheryl W.</i>	I am so happy to hear this but I wish the series had continued. There are so few good shows on TV anymore but Bomb Girls was wonderful. Watching reruns on Netflix now.
<i>Paul A.</i>	This is/was a great series & am quite surprised they are not doing another season. Great series & a wonderful talented cast! Looking forward to the movie & hope it will tie up lose ends
<i>Lyzah N Josh</i>	HELL YES!!! Thank You BombGirls Goddess!
<i>Richann J.</i>	It is on Netflix! At least it was when I was flipping through this week. That's the only way I saw it since I don't have cable!
<i>Nell E.</i>	Yes! Can't wait! Hope it shows in NewYork!
<i>Kelley C.</i>	Yay! I hope it airs in the US!
<i>Lillian L.</i>	Have been watching it since first Season and falln in love with it. Love and adore the 1940's.and yes too short of a series.

<i>Zyna P.</i>	Woo hoo!!!!!!!!!!
<i>Katie J.B.D.</i>	Cannot wait. Very excited.

<i>Pamela M.H.</i>	Glad to see this but I too wish the series had continued. They need to stop Nielsen ratings as they don't take into account if the show is DVR'd or watched on Netflix, hulu or on demand
<i>Kelly C.S.</i>	Can't wait!! Started re-watching the series on Netflix last night - any news on a release date?
<i>June R.N.</i>	I was still mourning the loss of this show!! I can't wait and I'll be first in line!!!

<i>Holly B.</i>	YAY!
<i>Ruthann M.</i>	I have so missed "Bomb Girls". It was a wonderful series. I wish they were smart enough to bring it back. Also, "Last Tango in Halifax" just wonderful also.

<i>Susie C.S.</i>	Put back on love it best show on Tv
<i>Barbara S.</i>	Terrific! Bomb Girls is a great series. Thanks to Reelz Channel for bringing it back.
<i>Cathy B.</i>	Makes no sense....
<i>Brighid W.</i>	More Bomb Girls, please?
<i>Connie S.H.W.</i>	So is Bomb Girls gonna be back on or is it totally kaput? Hope another network picked it up! PLEASE!

<i>Charissa R.</i>	I don't think I've been so hurt by a cancellation of a show since Flashforward. But, Bomb Girls is especially painful because it's so different than any other show on TV right now and puts an all female cast, strong and empowering female roles set in a time when women were treated as 2nd class citizens.
<i>Anne L.</i>	The first season is going on TV here in Finland, (in North Europe). Today we saw section 8, "Red roses". I'm totally in love with this series I hope it will continue in the Finnish television. By the way, I work for explosives factory here in Finland. Maybe that is why I am so excited about Bomb Girls! Keep calm and make bombs, sisters!
<i>Kathy H.S.</i>	I see where OPRAH just picked All My Children and One Life To Live maybe she would be interested in BOMB GIRLS!!!! Hey ya never never know. Anything is with a try. I wont watch anything on REELZ Have a Grea Day
<i>Veronica L.T.</i>	I want the show to come back too, but if it doesn't, I think there should be books.
<i>Brittany T.</i>	My Gladys inspired look, from my WW2 re-enactment at the reading air show
<i>Jennifer C.N.</i>	Any idea when Season 2 will be on Netflix? Anywhere else to watch it in the US?!? Help!
<i>Kathy H.S.</i>	Have any offers for anyone to pickup BOMB GIRLS?????
<i>Tracie S.V.</i>	i keep hoping too...haven't heard a word

<i>Bobette K.</i>	How can the Kardashians still be on tv and Bomb Girls not????
<i>Toni S.</i>	at least reelz...have a bomb girls rerun marathon! I love this show.
<i>Tom B.</i>	First, it was "New Amsterdam" then "No Ordinary Family" and now "Bomb Girls." Every one of these was canceled with a huge cliff-hanger in the last episode. I am really getting sick of networks pulling this s**t!
<i>Toni S.</i>	I absolutely love bomb girls!! bring it back!
<i>Joy L.</i>	Am so disappointed Bomb Girls was cancelled! I absolutely LOVED that show! All the actors are wonderful and the writers did a great job of showing us what it must have been like back during WWII in Canada. Kudos to all involved in this series!
<i>Kathy H.S.</i>	I hope that you are still looking for someone to pickup the program? I PRAY
<i>Bill T.</i>	Saw the finale, finally Good set ups for the next year, and if I got the signals right, for entry of the US into the war. I'm not sure about the Betty/Kate situation, but it was a nice twist.
<i>Jim P.</i>	I loved the show. Bring it back.
<i>Pamela A.</i>	Just watched the first season on Netflix and loved it, wish we would have found the show earlier. RENEW BOMB GIRL!!!!

<i>Criss T.</i>	Finally watched the final episode...all they needed was one more season! It makes no sense why they canceled this now! They have a regular fanbase who watched regularly, so it can't be about the money...it makes no sense. I read about the talk of doing a 2 hour thing to wrap things up, it wouldn't be enough, it would leave things out and go too fast! Wish they'd reconsider, give the show the sendoff it deserves.
<i>Jessica C.</i>	Seriously they can't cancel this show with a cliffhanger like that its cruel I love these caricatures and I wanna know what happens to them there has gotta be another network that will pick this show up what about reels that's the Chanel I watch it on
<i>Debbie D.</i>	So sorry to see it go. I truly enjoyed the show, and LOVED the 1940's
<i>Jeanne C.</i>	Will someone at least write a Bomb Girls book to continue this story?
<i>Kathy H.S.</i>	I there anyother network that take this show over??
<i>Bamby L.N.W</i>	Two straight hours of Bomb Girls. If I died right now, it would almost be worth it.
<i>April G.</i>	So, I hit my Tweet limit. Only for Bomb Girls
<i>Meredith H.</i>	Just watched the last episode. Still so upset that the show is being canceled. So many unanswered questions and so many places for the show to take the characters. I am still hopeful we will see Bomb Girls again.

<i>Angus S.</i>	Have you approached Lifetime Network?? This show would fit in beautifully there. I am so disappointed it's been cancelled and all the idiotic reality shows just go on and one ad infinitum.
<i>Melisha C.</i>	Is this show being cancelled? I hope not!
<i>Kathy H.S.</i>	Please Don't Say This Zthe End!!!!!!!!!!!!
<i>Siobhan M. O.</i>	We {heart} Bomb Girls!!!
<i>Siobhan M. O.</i>	PLEASE DO NOT CANCEL THIS SHOW!!!
<i>Lydia B.</i>	Are they still cancelling Bomb girls? And if so, is there anything we can do to help????? They can't take one of the only two shows I watch off the air!!!!!!!!
<i>Jill M.</i>	I feel so sad for Betty now that her soilder has shipped out.I have a feeling if the show got renewed,Betty would see her again.
<i>Leesa S.</i>	My grandfather, when in the Navy....Love this show! Thanks for a wonderful time every Wednesday, & Sunday. Love seeing Betty's smirk, Princess(Gladys) smart answers & the other characters.
<i>Brittney P.</i>	How do we get it back? I've waited for something like this for ever
<i>Tracie S.V.</i>	I CANNOT believe this show wasn't picked up for another season...very sad : (

<i>Jaymee T.B.</i>	Woo I'm dying for the gorgeous bra and panties Vera is wearing while teaching Kate burlesque! I adore the show and wish my grandmother (who was a Riveter during WWII) had DirecTV instead of dish so she could watch too. Bravo!
<i>Kathy H.S.</i>	I am sure that the pawn show is good but. Bomb Girls or another pawn show?? Or the new Race something or other that's coming on. WHO CARES!!! I would rather have Bomb Girls . One of the BEST SHOWS ON!!!!
<i>Bamby L.N.W</i>	I just had the most amazing dream and then I realized.....I was awake and watching The Bomb Girls.
<i>Lisa P.W.</i>	I'm glad you decided to air it in the US. My Mom lives in Canada and raves about it! I bought Season 1 on DVD!
<i>Lori W.</i>	Loved last night's episode! It had everything, suspense, love, romance, and a little bit of fighting...
<i>Vanessa R.</i>	Seen this poster on an outing over the weekend and it reminded me of Bomb Girls!! I {heart} this show!!
<i>Jaymee T.B.</i>	Woo! Great episode!!!!
<i>Sara F.</i>	I hope they keep Bomb Girls around, My great grandmother was born in the 20s so it's nice to be able to talk to her about the show and how spot on everything in the show really is. I'm obsessed w/the show, it's too good for them to let go of it! :)

<i>Allen L.</i>	Looks like bomb Girls is indeed cancelled, not only in the U.S., but by their Canadian producer, Global. Too bad. An excellent show with some real resonance and a good feel for the 1940's. Not to mention WW II eye-candy.
<i>Annamarie B.</i>	It is really upsetting that the show is cancelled it is such a good show why can't they just put it on a different time I think the show is really take off if it was on a different TV station in a different time it is a great show
<i>Willy V.</i>	Just when one gets to enjoy a show where one can see what took place years back it is one that could be cancelled. WHY.... Because we enjoy it. Do people always have to see series where one is always getting killed etc. Network give us a break we really enjoy this show. Love the actors, music and the story line.....
<i>Sandra C.</i>	Please Ohh please don't cancel this show! It's the first show I actually take the time to watch and rush home to watch.
<i>Jess M.</i>	I'm so sad they cancelled Bomb Girls. It's the the one show that my mom (a baby boomer) and I (an echo boomer) regularly sit and watch together and bond over. There are so many cop/medical/reality shows on that neither of us like. My gramma (mom's mom) was actually a real life Rosie the Riveter and helped build planes in a factory during WWII so this held a special place in our hearts too. This really breaks my heart.
<i>Sherry J.</i>	So sad to hear that this show won't be renewed. My mom and I love to watch this show together.

<i>Susan A.K.</i>	Why would they cancel a show like this? I absolutely love this show! My Mom was young in this era and sewed uniforms for our soldiers. I can't get enough of this show. Please bring it back!!!
<i>Sue M.B.</i>	Just found this show and watched most of this season and now I hear it won't be renewed?? Please!! It brought back memories of stories my dear Mom who worked at what she called Small Arms in Toronto during the war told me. This is an amazing show and so authentic. Please don't cancel it!!
<i>Sue M.B.</i>	The fact that it's been syndicated to the USA should tell them it's worth saving..... Not every viewer is in their 20s....The baby boomer generation remembers all this from their childhood.
<i>Mary S.B.</i>	As I was watching Call the Midwife, I thought..hey...Bomb Girls would fit perfectly on PBS!
<i>Richard N.</i>	Good show--historically accurate----
<i>Susan K.</i>	Will there be a Bomb Girls marathon anytime soon? I caught it on Netflix and have only discovered it on Reelz and I would love to see all episodes so I can catch up.

Loretta T.

Love Bomb Girls ! The writers, producers,directors, staff, etc etc. pay so much attention to detail. Everything is so authentic. Great job, guys! Keep up the good work. Keep going. Don't ever cancel the show. BOMB GIRLS should have a long run for many years. You're bringing back memories to those of us old enough to remember - and you're showing the younger ones what life was like during WWII Thanks.

Nicholas R. P.

is it wrong that i made a donation; not just because i want to save the show, but i also wanted the bandanna lol? well, in any event, good luck, hope you "keep 'em flying!" (I know its bomb factory, but what ever its a good slogan)

Criss T.

Why is it that all the REALLY good shows get canceled and all the crappy ones like Real Housewives and such keep going??? I LOVE this show, it's believable and everything about it is amazing! I really hope they reconsider canceling and go for another season.

Tracy T.

I just heard today that Global isn't renewing the show! How can this happen?! Please some network save this show!

Carol O.

Found this show 'by accident'. Think I may be hooked. Loved, Party Line.

Caro V.

You are amazing, just discovered you Bomb Girls, I am an INSTANT FAN

Keith N. B.

Party Line..... oh wow! I'm crying elephant tears here..... joy, fear, love, deception, confusion..... life during The War..... very well done. Thank you!

<i>Patty G.</i>	Cancelled??? What a stupid decision! Guaranteed viewers and they're cancelling it???? I'm speechless!
<i>Stephanie B.</i>	I was really sorry to hear about the show being cancelled. What a shame for such a great show with kick-ass story line's get's the boot. I enjoyed the show , Thank you !
<i>Susan F.C.</i>	I hear Canada is cancelling Bomb Girls! Aren't we going to do anything about it? COME ON!
<i>Tracy T.</i>	I can't believe more people haven't 'Liked' this show on here! It's brilliantly done and one of my favorites. I even like it more than Mad Men now. Much more positive for women.
<i>Erin M.</i>	We've got all sorts of negative role models for young women, from Snooki to *New York (from MTV I think it was). Now we have a show with incredibly strong female role models, a positive representation of Canadians and some quality historical content but Survivor is more important? Really? The almighty dollar and ratings are such a driving force that they won't give Bomb Girls the chance to rebuild the head of steam it had before the hiatus and that saddens me to no end. It's a wonderful show and I don't want to see it go. "Reality Television" wins another one.
<i>Keith N .B.</i>	I hope you've figured out by now that I just absolutely love you Bomb Girls.....

<i>Rob F.</i>	I have been a loyal follower of Bomb Girls from the beginning and felt very sad to learn it was discontinued. I hope the big wigs at Shaw and Global over turn their decision and renew the series for another year.

<i>Angus S.</i>	Bomb Girls USA -- is Reelz going to play the last 5 episodes??? Have you tried marketing your show to Lifetime Network??? They are great for shows directed to females. I can't bear that you are going to come to an end!!! What happened???
<i>Angus S.</i>	I will definitely read the article and share it with my Bomb Girls friends!! We love your show!! You put forth a lot of effort with the wardrobe and set....it's just wonderful. All the actors/characters are brilliant. Thank you for this wonderful show!!!
<i>Craig S.R.W.</i>	Don't cancel the show!!

<i>Mary S.B.</i>	I just watched the "finale" for the third time. While a lot of storylines were wrapped up more quickly than they would have with another season, there were a couple areas that left you to speculate. I hope this show can be saved and shown SOMEWHERE. I love this show. It's well written, and just sails along. There's so much garbage on tv, and this has been so refreshing. Let this show be saved!

<i>Joyce T.W.</i>	We'll miss you all!!
<i>Patricia K.</i>	Really going to miss this show. It was very creative, good story line, I hope they change their minds and bring it back. Too much crap on TV, all those reality shows are a complete joke.
<i>Shelly S.</i>	I think it will be back....they left too many open story lines!!! My other favorite show SMASH was cancelled this past week and they wrapped that show up in a nice tiny little bow. So sad!!!
<i>Gabrielle B.</i>	I am so sad about this show! I think it is one of the better shows on tv. I am hoping another channel might buy it

<i>Elizabeth K.</i>	Unfortunately,Bomb Girls got cancelled.(Which I am really pissed off about,cause I LOVE the show!!) But there is going to be a movie in about a year to tie up all of the lose ends on the show.At least they won't just leave us hanging at the end final episode tonight!!
<i>Jodie V.</i>	I love the show!

<i>Holly B.S.</i>	Every time I find a show I love it gets cancelled. I am so sad. I loved Thursday morning after the kids went to school. I would sit down and watch it on my tevo. So sad. I hope we get a conclusion to all the characters

<i>Ruth C.</i>	Great show
<i>Leila F.</i>	There's always hope, they brought back arrested development years after it got cancelled, just gotta keep vocal
<i>Kathy F.G.</i>	I am so upset, this is a terrific show with a great cast. Quality programming.
<i>Connie S H.W.</i>	If you are a fan of this show, spread this around to get more likes, THEN maybe that 3rd season will happen!
<i>Susan F.C.</i>	I am completely bummed that this show is ending!
<i>Amy M.W.</i>	I love this show
<i>April G.</i>	Yes we do. Love this show... will always have a special home in my heart

<i>Motown H.</i>	I love Bomb Girls. I am hoping for a miracle because I am tired of all these reality shows.
<i>Lyzah N. J.</i>	On one hand I'm soo looking forward to tonight's episodes but on the other hand I'm not because I know this is the end! SAVE BOMB GIRLS!!!
<i>Georgie R.</i>	Love this program . heard they aren't coming back . Hope that isn't so!

<i>Kelly C.S.</i>	Wouldn't you know it - I find something worthwhile watching on tv and they cancel it! I really hate to see this show go - it was creative, classic, original (something that's sorely lacking in all tv today!!!) and just plain good story telling.....
<i>Dani B.V.</i>	Why has this show not yet been saved? It has won awards, there is a petition and outcry from fans....WTF??
<i>Amy P.</i>	I want this show back!!!
<i>April C.</i>	So sad..... I wish it will come back
<i>Paul S,</i>	sure going to miss this show

<i>Theresa D.C.</i>	That stinks ! I love you gals!
<i>Lynne C.V.</i>	I just finished watching Season 2 on and don't want to wait so long for the 2 hour finale. It is such a good show.
<i>Connie S H.W.</i>	Like Janeen, I feel a lot of fans found this show to late~ I hope this IS NOT the last we see of this wonderful and history makin' show! Same as with Pan Am, if any of you remember that show, it was history, early days of Pan Am flights. Both of these shows have history in them!

<i>Linda W.J.</i>	Nook loo. I don't want it to end

<i>Sam F. J.</i>	I wish Netflix or maybe even Amazon would come on board to produce new episodes.

<i>Pam J.</i>	we love love love gladdy!
<i>Yolanda Z.</i>	Season 2 got more intense with each passing episode. I still pray for S3 to happen.

<i>Lydia B.</i>	Mmmmmm Marco is so hot lol Love this show, awesome cast and great everything! I'm just hoping that next week's is merely the season finale not the last episode ever
<i>Lorraine G.</i>	this show is fantastic they cannot cancel it
<i>Karen R. C.</i>	Bomb Girls is one of those shows that you start watching out of curiosity and then it just grabs you and won't let go. I would gladly give up all my 'regular' shows: Revenge, The Good Wife, Nashville, etc., to ensure that Bomb Girls stays on the air. This show is too good: the writing, the acting, the amazing fashions, the reality of the era, to just toss it away. Let's fight for this show to entertain and educate us for years to come Bomb fans!
<i>Kathy L. E.</i>	Love her has Lorna. She is perfect in the role. Love show, which is was being renewed. I will definitely miss it.
<i>Kendra J.</i>	She's the reason I started watching, but the whole gang kept me. I love this show!

<i>Marie C.</i>	This show is awesome!!!!!!!
<i>Paul D.</i>	We've got a war to win!
<i>Melinda B.T.</i>	Fantastic series. So glad you created a historical tribute about this time in our history. The characters are all unique and full of depth. Thank you. I thoroughly enjoy watching! Meg Tilly rocks!
<i>Kim K.</i>	Yea! back in the USA! Can't wait to see the new shows.
<i>Connie S H.W.</i>	If it's not renewed, they are gonna lose a wonderful show! if it's cancelled, hopefully another station will pick it up!!! Please Please Please!!!! One of the better shows on TV!!!
<i>Amy P.</i>	Reelz, you need to bring this show to the States, I want this show back and so do other people
<i>Lyda S.</i>	cant believe that they are not coming back for another season....BOOOO.

<i>Kimberly E.</i>	Is there a woman in charge of the Reelz channel?!?! If so, they should work on continuing this show!!!!

<i>Debbie M.</i>	LOve, love, love this show.
<i>Calandria M.</i>	No man needed to make a big decision. Betty Mcray you have my heart. I love Bomb Girls!
<i>Carla K.</i>	The ride shouldn't have to end, especially if it's a good one'
<i>Tammy P.</i>	Finally a show I'm passionate for and it's going away:(
<i>Susan F.C.</i>	Someone needs to take out a full-page ad in Variety to get someone to take on this show!
<i>Wanda R.W.</i>	I can't believe it another decent show, that you look forward to watching, cancelled!! what's wrong with these people??

Veronica B.

OH HELL NO!!!! This is such the bomb! Not only is it a story line, but it's history. Knowing what we are dealing with in 2013, reminds a girl...it wasn't all that long ago...how could we be so nieve as women and seeing women who are strong in their belief, dealing with feelings, choices.... I record new series, then delete after I watch them (several times, skipping through the commercials)....Put them on NETFLIX!!!! Make a deal for them to continue/support the show. That way we can see the entire series, minus the commercials, and watch the new episodes :) Please don't stop making them!!! Like if you agree w/me & pass it on.

Patricia K.

come on, lets keep this show instead of all the stupid reality and crap they put on TV. It is a great show, fictional plus a lot of history that so many people do not know about.

Rose L.

I agree Ms Kushnir, 100%. I love this show and the only one that makes sense! Please, to the powers that be, WHAT IS THE PROBLEM?!!! Do not b.s. us, what is making you take a perfectly great show off the airways? Is this a publicity stunt? Are the actors off on other projects, what is the big freaking problem here?!

Sandy R.C.

Guess I'll downgrade my Dish now. No reason to keep TV or Reelz. This is the reason I don't watch. Get an incredible show and it's gone.

<i>Judy L. H.</i>	I would really miss this show if it is canceled. Finally a decent show about women and interesting men in a time when the world went crazy. Please reconsider.
<i>Lori P.</i>	Couldn't another station, maybe in the US pick it up? Maybe have it on a more visible station where they could get even more of an audience?
<i>Carlette P.J.</i>	I'm in the US too and love love love the show! What can we do to save it?
<i>Trisha M.</i>	I'm a HUGE U.S. fan. I'll be writing, tweeting, anything I can do. What is the fandom love video?
<i>Shawna L.</i>	Where's the DISLIKE button!?! Bomb Girls is the best series on TV!!
<i>Tracie H .C.</i>	Is this for real? No way. I LOVE Bomb Girls. To cancel them would be a travesty. This is one of the best shows on television.
<i>Dani B.V.</i>	What bullshit!!! Any quality shows that air, which are far and few between, always get the ax! Thank God for books because there is next to NOTHING worth watching anymore!! I have my entire neighborhood hooked on this show, EVEN MY HUSBAND!!! Canceling is a huge mistake!!
<i>Dani B.V.</i>	I just realized this was a Canadian tv show! I knew they were in Canada for the premise but I didn't realize that it was a Canadian show....I thought Canadians were nice, friendly and accommodating? WTH??? LOL!

<i>Susan H.A.</i>	This show is fantastic. I swear I don't know what these suits are thinking.
<i>Sam F. J.</i>	BG is a well crafted quality show, of course it got cancelled. Netflix is streaming the first season. Maybe they would be willing to take over production as part of their new Netflix Originals project. Let's contact them and plant that seed.
<i>Tianya W.</i>	UGH!!!! ANOTHER DECENT show I like gets cancelled!!
<i>Lydia B.R.</i>	you have got to be kidding..this is a show that me and my daughter, who is old enough to watch this series, watch together. It shows her what women's lives were like in those times and it gives her a sense of empowerment and how women had strong male roles. How sickening...where do i sign the petition!!!!
<i>Lily J.</i>	I love BG and I cannot allow it to be cancelled! Pass it on to all your friends that this show needs to stay on the air! Women in strong roles are what we need!!
<i>Victoria M.</i>	This is the only decent show for women on T.V. It has heart and soul, it tells the story of an important time in our country's history, and it does so accurately! So many people are going through now what those families went through then. And besides, even my boyfriend likes it! My car mechanic, grew up in the country, 4-wheeler riding boyfriend! What does that tell you?!
<i>Josh & Jeanerette B.</i>	NO NO NO NO!!!! We Love the Bomb Girls!!! Awesome show!!!

<i>Karen A.</i>	Something good to watch, and they cancel it!? That's not nice!!!
<i>Jodie V.</i>	I love the show and already signed it....
<i>Keith S.</i>	Once again good tv show Cancelled but 100 crappy ones get to stay on. not right.
<i>Ethel M.</i>	OMG!!! why are they cancelling such an awesome show???
<i>Kat D.V.H</i>	They don't think is the problem. It doesn't work for them so they cancel it. Does anyone remember Lost? that show was going to be cancelled also and we the people saved it. We can do that again
<i>Ann W.L.</i>	Well this totally breaks my heart, best thing on TV as far as I'm concerned. The people in charge are idiots. This should stay on for nothing else but because it's great. I mean this is awful.
<i>Michele M.</i>	Damn.. Just like Pan Am they are taking away Bomb Girls I look forward to this show every week.. You bet I will sign any petition to help save the show
<i>Christine B.M.</i>	Why is it when theres finally a decent tv series it gets cancelled!!! Shop it around!!!!!!!!
<i>Kim S.</i>	Bummer; this is one of the best shows out there right now.
<i>Gerry M.</i>	So VERY Disappointed. This is a great story. With drop dead gorgeous girls.

<i>Yolanda Z.</i>	We're thankful to Reelz (and ITV & Netflix) for continuing to ask for more "Bomb Girls" content to be produced, in spite of the cancellation. We do hope that GlobalTV reconsiders its decision. Meanwhile, the nominations for BOMB GIRLS continue to pour in, as they did before: the Monte Carlo International TV Festival has recently considered the show for their "Best Mini Series" category, as well as Meg Tilly for "Outstanding Actress". With all due respect, I think GlobalTV executives seriously need to remove their goggles and pay attention to this if artistic value matters to them.
<i>Pat S.W.</i>	Please save Bomb Girls! It's an amazing program!
<i>Jean W.</i>	just when i find a series i like. pleeze dont take it off. it is great. i look forward to it every week

<i>Ellie K .K.</i>	It's one of the best shows on television!!!
<i>Jeana R.</i>	I love this show!
<i>Adria B.T.</i>	This makes me so sad, I can't even express it in words. Bomb Girls is my very favorite part of each week.
<i>Gloria D.</i>	I'm sure going to miss bomb girls it was such a great show.
<i>Paul D.</i>	We've got ANOTBER war to win!
<i>Sarah P.</i>	This is truly sad. The day I discovered it on REELZ I was hooked. There are so many more wonderful story lines that could be written if they didn't cancel it. I signed the petition, and I'm crossing my fingers!

<i>Louise J.</i>	Probably replace with another crappy reality show that I will not watch. There are only about 3 shows I watch now and that will cut it down to 2. Television is getting to be a BORE!!!
<i>Edna K.M.</i>	I CAN'T BELIEVE THIS!!!! The most awesome show on TV in a LONG time and they are cancelling it. INSANE!!!!
<i>Kelly C.S.</i>	Wouldn't you know it!! Everytime I find something on TV that is actually worth the time to watch - they cancel it! DAMN!!!!

<i>Nancy B.</i>	Why are all the "good" shows cancelled??
<i>Karen A. B.</i>	I gave up Law & Order SVU to watch. Just keep your fingers crossed. After all they canceled Cagney & Lacey and they had to bring them back because of all the complaints. And that was before the internet.

<i>Jennifer S.S.</i>	That Sucks. I love this show!!
<i>Michelle S.</i>	I love this show! Cant believe such a great show is cancelled.
<i>Cheryl N.</i>	I really enjoy watching the historical factor and very well written show. It shows what the women and men went through during that time period. Would be instrumental in schools teaching that time period along with them reading the accounts in books. It would make it all too real for the students.
<i>Sarah L.</i>	What!? Why!? We love the show!
<i>Janice C.M.</i>	NOOOO... Another channel needs to pick this up & advertise so more will realize it's out there.

<i>Laura R.B.</i>	I already sent an email to Global TV in Canada! I'm from the US market, and to submit an email in Canada you need a Canadian Postal Code! It took me forever but I did it!! They definitely needed to know!! I want my Bomb Girls!!

<i>Jennifer H.C.</i>	Wow, all these terrible reality shows out there, and they take something good off Go figure!
<i>Elizabeth H.</i>	BOO! One of my fave shows. Dumb tv execs.

<i>Mindy D.C.</i>	Very disappointing news. Of course, these days if you aren't airing some reality show about a bunch of idiots acting like idiots, then quality shows don't get much of a chance.
<i>Meredith H.</i>	What idiots decided this was a smart move?!?! Hopefully they change there minds or another channel picks them up. Some of the WORST shows go on and on and on and on and a good one like this gets canned. SMH!!!

Bomb Girls is a rare series in the tawdry world of television these days. I have never seen a show that evoked so many emotions. The characters; strong, layered and flawed brought out something in me and the other fans of the show that I don't think has been seen for a long time. World War II was such an important time in history. The fact that this series centers on the Canadian effort to defeat Hitler at home, and the all-out nationalism of the Canadians at that time is truly remarkable. The women who worked in the factories building bombs, bullets and planes is a part of history most young women today are not even aware of. It needs to be told. The Bomb Girls characters developed by Michael MacLennan and Adrienne Mitchell were powerful each in their own right. They showed how people from all walks of life came together for a common cause. They explored the depths of the insecurity and strength these women (and men) possessed. These are the reasons we are fighting for the show to live on. Bomb Girls has so many more stories to tell; the fans know it, the writers know it, and the actors know it. We just need you to believe it. How a show gets cancelled after the awards and accolades it received is beyond me. Bomb Girls was cancelled before it really got off the ground leaving in its wake many disappointed and broken-hearted fans. Fans, I might remind you that have banded together under the moniker "Bomb Shells". When it was announced the show was being cancelled, "Bomb Shells" from around the world sent letters, emails and filled up social media with our disappointment. There are so many more stories to tell about these courageous women who stood with their shoulders to the wheel during a time of crisis. Please don't let this beautiful show fade away.

<i>Anna R.</i>	To whom it may concern, It is fundamental to the continuation of good television and feminist visibility that you continue with Bomb Girls. Not to do so would also be an insult to female war veterans, who also fought to keep us all safe today. Kind regards, Anna Rumbold
<i>Brenda M.</i>	Love the show please It would be a shame to see it end so soon!
<i>Jayne</i>	don't let a show that wins awards and has such substance be cancelled! the fandom is loyal and will love you forever

<i>Anonymous</i>	I have never been able to identify with a character as much as I have been able to with Betty. Lynda

Please renew Bomb Girls. It is one of the very few TV shows on right now that treats its female characters with the utmost respect and love. None of the characters are shamed for making mistakes, for loving and essentially, for being. Bomb Girls is a show that helps encourage a dialogue about women's societal roles, about victim-blaming, LGBT rights, the efforts of those left out by history and a lot more. A show this fantastic cannot end like this. It's horrifically unjust.

SAVE BOMB GIRLS

Kim R.

I am in utter shock, Global, you have created a golden goose egg here and you willingly smash it against a brick wall?! Why? Bomb Girls has fans in the US, the UK and Australia, not to mention Canada, and for many people such as myself it brought me back to Global, this decision does not make any sense whatsoever. A movie is not enough...you have too much material to work with here and this show deserves to live on as an exemplary example of quality Canadian television programing. It brings a whole era of Canadian history back to a modern generation, you had a good thing going here...why are you sabotaging it? Why?

Ligia G.

SAVE BOMB GIRLS

Siri S.

This is an amazing original drama series that needs to be kept alive and shipped throughout the world so they can fall in love with these characters and their stories that also reflects upon a very important time period in history in the most heartfelt way. Please save this piece of art. Hope and love from Norway

Dianne S.

I was thoroughly taken aback, hurt and disappointed when I heard that Bomb Girls was going to be cancelled after its second season. Unbelievable! A first rate Canadian show! I believe this decision is asinine. To be replaced with what....a reality show maybe? I won't be tuning in for that. Bomb Girls is quality TV and we should be striving for that. Please bring it back for a third season and don't air it opposite a show like Dancing With The Stars and don't put it on hiatus for weeks on end between episodes. Were you trying to kill it?

Leslie C.

Let's keep this show going people! It is very rare to come across a show with such good quality and great characters in a world inundated with reality shows that are mindless crap. I recently watch a true documentary on the History channel about the real Bomb Girls in Canada and was happy to see such a tight resemblance between the two shows. It was a unique time in our history and its is nice to be exposed to the 'other side of the story' and what people faced here at home while our boys went off to fight the war.

April G.

It's a travesty to ax a show with so much acclaim, awards attention, brilliant actors, great writing, ... I can go on and on.

Laura W.

Please, please bring back Bomb Girls. This is an incredibly important show for so many people, and is something that any channel should be incredibly proud to show. I hope somebody in the TV world sees these petitions and realizes what an opportunity is at hand with so many people that adore and support the show. Bring Bomb Girls back for season 3!

LORIE S.

I always look forward to watching "Bomb Girls" ...although a movie would be great, I will miss watching it weekly.

Scott M.

Shame on Global, what were you thinking moving this to Monday nights. I get that you needed a spot for Survivor, but you could have moved Bomb Girls to just after Survivor and it would have thrived! Just goes to prove that Global/Shaw really doesn't care about this show, otherwise they would have found a way to keep it. Saying that the ratings are down on it is a BS excuse when they themselves moved it to the current time slot which is a direct result of the low numbers. Sometimes I wonder how these network execs. got to where they were making dumb moves like this.

Stephanie S.

Please let there be a third season! The characters still have so many more stories to tell. Great show!

Kori R.

okay so you guys may think that this how only attracts middle aged women or whatever but I am a 20 year old male and I genuinely enjoyed watching this show the whole time and I'm very annoyed that you decide to cancel it because it was just a place holder for survivor

Anton F.

Best show on TV!!!! The pride of Canadian television.

Anonymous

This show is so powerful in showing how the women of the world can participate in world movements. I was completely unaware of how important female roles were in war-time efforts but this show has shed some light on the wonders we women can do if we unite. The stories, friendships, and romances seem much more genuine than what is on most Television series these days. I implore Global to back this show since it is a true gem in today's world. I love all these characters and I enjoy coming back every Monday to indulge in their world, to help me forget about all the stress my own world causes. I hope that someone out there sees the true value that is Bomb Girls.

Anonymous

This is a wonderful series that not only teaches of the struggles women had to endure in Canada at the time of war, but also brings light to the fact that Italians were interned. A fantastic Canadian series and a lovely cast of characters! We are all waiting for Season 3! Love this show!

Annie G.

Bomb Girls is more than TV, it's a small revolution. Its loyal and intelligent fanbase see in it a show that FINALLY speaks to them, to women, queer people, the disabled and other minorities which have rarely if ever been portrayed with such craft, depth and empathy. So many of the plots and themes are unheard of for television, please don't silence these important voices so early in the story.

Angela R.

I don't understand how an award winning & nominated show can be cancelled. The stories are intelligent, educational, passionate, thought provoking and are relevant to today with its universal themes. The characters are well developed and humanistic. Each with both weaknesses and inspirational strengths. The cast members are such talented and amazing actors and they truly deserve employment. In a world where media is fraught of pathetic "reality tv shows" it is a true pleasure to be able to watch a tv show of such substance. Bomb Girls is my favourite show and I look forward to each and every episode, counting down the days until the next episode with excitement. Rather than cancelling the show maybe time slot or marketing adjustments could be made. Please reconsider your decision of cancelling Bomb Girls for everybody involved: actors, writers, crew and viewers.

I've spent a long time being cynical about audiovisual media, I went to school for it, so I learned the tricks. Bomb Girls manages to get a smile out of me every week, not just because of the arcs or the characters, but the love and thoughtfulness put in by the crew that permeates the screen. It humbles me.

Candace W.

Please keep Bombgirls for another season. You have something special with this show, it helps us to better understand ourselves by looking at the past. My grandparents met at a bomb factory in England. Bomb Girls helps me to understand what they went through and why their love stood the test of time.

Nikki R.

BG is amazing!! Give it a chance!

As a military veteran that enjoys the 40's and 50's era as if it were my own, there is truly no equal for Bomb Girls. The cars, props, and elegance/sharpness that goes along with these great actors is something that I look forward to seeing every week on Reelz. There is no show like it today, and I've been looking for something like this for some time. Please allow Bomb Girls to make at least 50 more episodes or more. Where else can I see the "Belle of the ball" ? Gladys Witham aka Jodi B.

Where else on television can you find: -A middle aged woman who still has it "goin' on" -A lesbian who isn't stereotyped (heck, seeing a lesbian on mainstream television is RARE). Canada has led so many break-throughs for the LGBT community. Don't stop here! -A lesbian's nice Christian friend -- they exist! -A wise-cracking girl who won't let a scar get in the way of fulfilling her desires - Women with AGENCY -A believable portrayal of an era where women had it rough -An interracial couple -Quality writing -Quality acting -Quality sets -And I could go on and on. I have your answer: ON GLOBAL TELEVISION. Why get rid of something that will only improve the image of your company? Prove to Canada and the world that Global can make a better show than CBC!

I prefer my shows with substance, and that's what bomb girls has. The stories and characters resonate with everyone in some way and having strong female lead characters is needed more in TV. We need more shows like bomb girls, not less! These women are strong, they are role models and are helping people to believe in themselves and fight for what they believe in. Also it's portraying history. A side of history many of us would not have known about without bomb girls. By canceling the show, it feels as if you're saying those women's stories and war efforts don't matter!

Maddie

This is by far my favorite show on television. It would be an absolute waste to let this show be cancelled. Where else on TV can you find such women that are empowered & are such great role models for young females such as myself? (I'm only 15) I also love the historical aspect that the show brings. Please save this show.

Ashley

I need a show where both strong women and queer woman (and now women of color) are being displayed as strong and independent people who actually made a difference in history. I need a show where the aforementioned groups are not treated like sideshows or stereotypes. I need a show where a main character can be gay and deal with her sexuality realistically. This is a good show; I'd hate to see it cut short.

This show gives modern day citizens a chance to learn about life in Canada during WWII. There are already not enough resources to showcase the Canadian efforts, to help new generations remember, but there are even less showcasing women's contribution. Please save this show as a tribute to all those Canadians in the past who have given their efforts and lives during this dark era.

Rossella

Interessante serie TV . seguitissima , molto ben recitata , con scene e personaggi avvincenti e appassionanti. Sarebbe un vero peccato sospenderla, aspettiamo con vera gioia la 3 serie . Grazie !!

Christina C.

I am in love with Bomb Girls in every aspect. The portrayal of strong women and Canadian history is a requirement on television when all other popular shows are vapid and senseless. Please save our beloved Bomb Girls-- for the sake of intelligence, Canadian media, women, men, vintage fashion and everything else that makes Bomb Girls ground breaking and unique!

Rachel B.

Bomb Girls can not be cancelled! I don't watch any television except for this one show. I've introduced it to numerous people and everyone that has watched one episode can't get enough of the show. I had a friend I showed the first episode of season one and she sat down and couldn't stop herself from watching the rest of the season on GlobalTV.com in the same day! Also, it appeals to all ages: I myself am 20 years old and I watch it with my Mom who is 50 years old and recently I introduced her Mom who is 78, my

grandma, and all of us appreciate the shows historical value and all of the amazing characters! You can't cancel it, you just can't! If you try to introduce a new show in its place I promise it won't be near as good, as historically significant or as loved by its devoted followers as Bomb Girls has succeeded in gaining.

Elroy G.

This has been the greatest show to come to Reelz and the entire cable network. There is nothing on TV like it. I would love to see a season 3 and 4 and I would be more than glad to spread the word for all my friends to tune in as I have already posted Bomb Girls on all forms of communication available today. Please save this sharp and elegant show that makes it's fans want to live in the 1940's and work at Victory. Respectfully, Elroy F. Galvis US Air Force Munitions Veteran (2W071)

I am from California and first watched Bomb Girls on Netflix a few weeks ago. By the end of the first episode I was completely in love with the characters and their stories. Please keep telling their stories in a Season 3. This is by far the best show I have seen in years. Thank you.

Pat G.

Please do not cancel Bomb Girls - it is one show that I look forward to watching every week. With all the silly reality shows on right now (which I do not watch) I find this show a refreshing and interesting. I also love the actors and the fashion. Please , please and please !!!!!

Louanne A.

There's so much more to learn about WWII era in Toronto, even if through a TV drama series. Plus not to mention, Bomb Girls has given notice to our own important project, www.ItalianCanadianWW2.ca (exhibits, book, website/digital archive) -- federally-funded by Citizenship and Immigration Canada. We must keep more of these educational shows on TV and less of reality TV crap.

Madalyn H.

I love watching this show, and I'm saddened to see that it will be cancelled. It stands on its own from all the other female-centric shows, as it has given viewers an into Canadian womens' roles during WWII, and highlights the impact they made in our history as a country. What other Canadian show has done this? I believe it should stay on for one more season at least; it has been so successful, and there is much more potential for its plot line and characters.

Bernadette

I live in the United States - I actually signed up with Graboid so I could see Bomb Girls season 2 because it was not in the US yet. You have to be kidding. I tell everyone about Bomb Girls and they do not know the show, we just need to get the word and and advertise what a great show this is, that is how I found out about the show, word of mouth, and look at me, I became so hook, I will pay \$20 a month so I can watch it.

Save Bomb Girls

Mary D.

You should have known better than to pit "Bomb Girls" against "The Voice" and "Dancing with the Stars". By so doing, you foolishly and needlessly caused its ratings to decline. A far better option would have been to change it to Thursday evenings at 8:00 pm. when there is little serious competition. Please reconsider this decision as seldom do such high quality Canadian series come our way. I urge you to give "Bomb Girls" a second chance, and shift it to Thursdays next year.

Why Bomb Girls? Why do you like this show? What's so great about it? Will your letter actually matter? Do fan campaigns ever really work? These are some of the questions that my sons, ages 14 and 12, asked me after finding the draft of a letter I was writing to some Canadian networks and to Netflix in an effort to try and save "Bomb Girls", a show that I had recently fallen in love with. I hadn't meant for them to find my draft letter. I had accidentally left it out in the rush to get to my second shift at work. I ended up being glad that I left it out though because that letter and my answers to their questions are what ultimately got them interested in watching the show with me (and the catchy phrase, "Don't be Hitler's helper!") which has led to some very interesting discussions with them about Canadian history, gay rights in the 1940s, women's rights in the 1940s and what motivates people to make the choices they make. We've done research to find out anything we didn't know about Canada's history during the war which was an awful lot! We've tried out a week on war rations for dinner to see what it was like although no beef tongue was consumed nor were

strange jello molded salads. Not many shows get my whole family this interested in wanting to know more and seeking out that knowledge! Originally I started watching this show because I needed a way to pass the time while washing dishes. It was in the "Top 10 Suggestions for You" on Netflix and all summer long I would read the description of the show then change my mind and watch something else instead. I hadn't heard of the show before nor seen anything about it online even though Meg Tilly was in it. So I figured it must not be that good and put off watching it. I'm so glad that I was WRONG! Within 2 episodes I was hooked and by the sixth episode of Season 1, I was googling to learn everything I could about the show which is how I came to learn that it was canceled. After much disappointment over the cancellation, I started Season 2 and managed to finish it off within a few days. Then I started with selling the show to everyone I know to try and get them to watch it. Why Bomb Girls? Because it's a great show filled with great acting and storytelling featuring extremely nuanced female lead characters in a time period in history when women were expected to do nothing more than get married and have children until the war changed it. With the majority of men overseas fighting, women had the opportunity to move away from their families, have some freedom and step into the work world that had once been reserved for men. Bomb Girls is a Canadian show so it focuses on the Canadian experience during World War II which gives it a unique perspective on the 1940s and the war. Why do I like this show? What's so great about it? I don't

like this show. I love, LURVE, this show because of all the reasons I listed above: great acting, good storytelling, and believable, strong nuanced female lead characters. No character makes only "good" or "bad" choices, they are more complex than that. Their decisions are more in the grey area like real people's decisions are which makes the characters more believable and certainly more easy to relate to. Supporting character storylines are fully developed and feel real, you get upset when something happens to them instead of feeling like they were just fodder added by the writers. Not many shows invest in their supporting characters as fully as Bomb Girls does. Also the dialogue is perfect with tons of easily quotable lines that get stuck in both your head and your heart. My favorites besides "Don't be Hitler's helper" are "Smile when you're giving it to Hitler" and "You don't need everyone liking you, only the ones that matter." Will my letter actually matter? Do fan campaigns ever really work? I think my letters have mattered. I've received correspondence in the mail from Netflix about BombGirls and promising to look into it to see if it fits in with their original programming on offer. I've received two emails from CBC thanking me for my interest in the show which may not be what I wanted but it's better than my letter and email being ignored. I think fan campaigns can work but only when conditions are right between the network, production company and the fans [I left out the actors but only because in most shows I've loved that were canceled, the actors were thrilled about what they were doing and wanted to continue]. Part of

what leads to shows being cancelled is the networks misunderstanding of the show's viewers and their need to maximize advertising dollars in order to survive so they often cull shows that are slow to build up the target audience that they want and replace them with more mainstream ones that will accomplish that. Those two reasons alone have killed many shows over the years that I liked. Sometimes a well done fan campaign can make a difference and secure the outcome the fans would like (Roswell, Felicity, Star Trek). But sometimes they fail miserably too (Firefly, Veronica Mars, Angel). Still other times it takes a dedicated writer, actors, and the fans plus a kickstarter campaign to achieve the closure that everyone involved has wanted like in the case of Veronica Mars. It took 6 years after cancellation to finally bring the Veronica Mars movie to life through fan funding so there is always hope. What can I do to help Bomb Girls? Join the network writing campaign to try and save the show. While it's great that a movie is in production which may offer some closure, another season or more would be better of course! Write or email the networks listed at <http://www.savebombgirls.com>. Also consider writing to Hulu since they are picking up shows to add to their programming too. Let them know what the show means to you and why it's important. Consider taking part in the live tweet alongs on Twitter every Saturday while season 2 is airing in the U.K. to help show support for the show and meet other like minded fans. But most of all never give up and keep trying because who knows what can happen if we all pitch in and do our part. All shoulders to the

	wheel!
<i>Amy K.</i>	pls do more series of bomb girls
<i>Billie-Jo S.</i>	it's a great show, sets good examples for young ladies & excellent Canadian programming
<i>Alyson</i>	Bomb Girls is in my heart. I can't believe it's cancelled, I would buy all the seasons on DVD. Even if it went to season 30!
<i>Leah A.</i>	Please consider our request. Even a shortened third season would make your fans so grateful! (And I definitely plan to buy dvds and a cd soundtrack if/when they become available!)
<i>Anonymous</i>	This show is SO fantastic and well rounded. It's QUALITY must be seen television!
<i>Jess N.</i>	My life will never be complete without a third bomb girls season. Not even a movie can compensate that.
<i>Anonymous</i>	Please save bombgirls. It's a great show.
<i>Elise P.</i>	Gutted! There is so little decent tv around these days!
<i>TeeJay</i>	It's a terrible shame that a quality show like this is being cancelled. It's the best TV show that came out of 2012, and treated all its characters and storylines with respect. Dear Global TV/Shaw, please reconsider and give it a third season.

<i>Kim R.</i>	I am in utter shock, Global, you have created a golden goose egg here and you willingly smash it against a brick wall?! Why? Bomb Girls has fans in the US, the UK and Australia, not to mention Canada, and for many people such as myself it brought me back to Global, this decision does not make any sense whatsoever. A movie is not enough...you have too much material to work with here and this show deserves to live on as an exemplary example of quality Canadian television programing. It brings a whole era of Canadian history back to a modern generation, you had a good thing going here...why are you sabotaging it? Why?
<i>Marie D.</i>	please please put bomb girls back on
<i>Anonymous</i>	This is the only TV portrayal of a lesbian character that is not exploitative, horribly depressing, or poorly written. Please don't cancel this show.
<i>Nikki</i>	I honestly think now that this shows on Netflix and more easily accessible it would have blown up if given the opportunity
<i>Anonymous</i>	love this show so fricking much, don't leave us!
<i>Lawrence G.</i>	excellent entertainment, we look forward each week To see what the characters are up to as the play their part during WW ll.
<i>Anne T.</i>	Bomb girls is a great show, please keep it going.

<i>Linda G.</i>	Please explore these characters more with one (or several) more full season! They are too good to leave to a two hour special.
<i>Kk</i>	Save the show!!
<i>Siri S.</i>	This is an amazing original drama series that needs to be kept alive and shipped throughout the world so they to can fall in love with these characters and their stories that also reflects upon a very important time period in history in the most heartfelt way. Please save this piece of art. Hope and love from Norway
<i>Lorraine</i>	More! We need more of these characters. They represent us all.
<i>Ann</i>	I`ve never seen such interesting characters and storylines before and I hope I`ll have a chance to continue admiring Bomb Girls in season three!
<i>Anonymous</i>	This show is too good to cancel!
<i>Sheila H.</i>	this is a great show rich in Canadian history and its a shame to see it go
<i>Clare B.</i>	Please get on Global's ass to RENEW Bomb Girls, not just give us a movie.
<i>Elizabeth</i>	What is with GLOBAL etc? What more reality shows are needed? Are good scripts and acting a dying art? We are now left with reality trash or cop shows? Don't let BOMB GIRLS GO!
<i>Emily C.</i>	This is the best show on television - to let it end without getting the change to tie up loose ends is a tragedy.

<i>Tom D.</i>	Bomb Girls is one of the best programs on Canadian television removing it is like removing the Maple Leaf from the Canadian flag. Maybe its time to also boycott all Global television programming.
<i>Kristina</i>	I have to watch this show online as I am in Australia. It's such a good period drama about what women did during WWII. The characters are excellent and the story lines are better than other shows currently on air
<i>Sue M.</i>	Please don't give up on our girls. We haven't.
<i>Dianne S.</i>	I was thoroughly taken aback, hurt and disappointed when I heard that Bomb Girls was going to be cancelled after its second season. Unbelievable! A first rate Canadian show! I believe this decision is asinine. To be replaced with what....a reality show maybe? I won't be tuning in for that. Bomb Girls is quality TV and we should be striving for that. Please bring it back for a third season and don't air it opposite a show like Dancing With The Stars and don't put it on hiatus for weeks on end between episodes. Were you trying to kill it?
<i>Jaime H.</i>	Hi There, I am so disappointed that you are canceling Bomb Girls, it is a wonderful series and so well done. I hope that this petition, will help to save a wonderful Canadian show!
<i>Janet R.</i>	Great Canadian show!! Please don't cancel

<i>Donna L.</i>	It's a shame that such a wonderful show will be cancelled. Finally some great quality tv with a great story to be told...why would you cancel such a show?
<i>Kimberly D.</i>	There are very few quality shows on t.v these days and Bomb Girls is one of those very few. In a t.v. land of mediocur "reality" shows, it is nice to watch a show that reveals the true side of a reality that many would not know ever existed.
<i>Anonymous</i>	i love this show,it's great.please give us a third season!! thanks,from italy.
<i>Colleen H.</i>	This is one of my favourite shows. Please bring it back. While I didn't always watch it when it aired (thanks to putting it on the very crowded Monday night schedule) I always make sure I see it On Demand or the Global website.
<i>Anonymous</i>	Please keep this quality tv series. Thank you
<i>Leslie C.</i>	Let's keep this show going people! It is very rare to come across a show with such good quality and great characters in a world inundated with reality shows that are mindless crap. I recently watch a true documentary on the History channel about the real Bomb Girls in Canada and was happy to see such a tight resemblance between the two shows. It was a unique time in our history and its is nice to be exposed to the 'other side of the story' and what people faced here at home while our boys went off to fight the war.
<i>Jada B.</i>	This show is amazing & so important! I watch it everyweek & am blown away by the story & the acting!

<i>Terri S.</i>	With channel after channel showing utter rubbish ,this is cut? Why?
<i>Chris W.</i>	Write till the boys come home!
<i>Melissa L.</i>	please save this wonderful show!
<i>April G.</i>	It's a travesty to ax a show with so much acclaim, awards attention, brilliant actors, great writing,.. I can go on and on.
<i>Lori I.</i>	Please give Bombgirls a chance to make it. It is a great show.
<i>David C.</i>	This show means so much to so many people; it is fantastically made, written & acted and gives us all a much-needed insight into the untold stories of women at war
<i>Carol G.</i>	I can make some suggestion of programming to cut to make room. There's plenty of junk on TV. Bonb Girls rises above it brilliantly! We want more!
<i>Yvonne K.</i>	Why oh why would you cancel one of the best Canadian tv shows ever. Your ratings are through the roof with this show, it makes no sense. Please listen to viewers worldwide and change your decision
<i>Scott B.</i>	This high caliber series deserves a full season 3!
<i>L. S.</i>	Nothing but Vampire show and the like! You are a Canadian station; show your colours!

<i>Laura W.</i>	Please, please bring back Bomb Girls. This is an incredibly important show for so many people, and is something that any channel should be incredibly proud to show. I hope somebody in the TV world sees these petitions and realizes what an opportunity is at hand with so many people that adore and support the show. Bring Bomb Girls back for season 3!
<i>Wendy E.</i>	please do a movie!!!
<i>Sarah M.</i>	Its a great show!! Bring it back!!!
<i>Carley B.</i>	There isn't anything like this show on television right now. The costumes, the acting, the excellent dialogue and amazing issues that Canadians had to deal with during that time is great to watch.
<i>Sue E.</i>	Please save Bomb Girls. It's one of the best shows on TV.
<i>LORIE S.</i>	I always look forward to watching "Bomb Girls"..although a movie would be great, I will miss watching it weekly.
<i>Kelly P.</i>	Excellent show that will be a severe loss to Canadian (and worldwide) television! We need more strong female characters in TV, and this show was doing a phenomenal job!
<i>Todd S.</i>	A wonderful show -- entertaining, an evocative period piece, and a compelling depiction of a changing world Great rapport among the five main women, too. It would be a real shame to see it go.

<i>Cathy S.</i>	So much on TV is unwatchable, but this show is compelling. I care so much about the characters!
<i>Scott M.</i>	Shame on Global, what were you thinking moving this to Monday nights. I get that you needed a spot for Survivor, but you could have moved Bomb Girls to just after Survivor and it would have thrived! Just goes to prove that Global/Shaw really doesn't care about this show, otherwise they would have found a way to keep it. Saying that the ratings are down on it is a BS excuse when they themselves moved it to the current time slot which is a direct result of the low numbers. Sometimes I wonder how these network execs. got to where they were making dumb moves like this.
<i>Alex B.</i>	please renew the show, its so wonderful. i
<i>Nick C.</i>	I need queer representation.
<i>Chantal C.</i>	This is the best depiction of women's rights and struggles that I have ever seen on television with one of the best lesbian characters ever depicted. Please renew such an important program.
<i>Joana C.</i>	This show is the definition of quality. Please let it be renewed.
<i>Brenda V.</i>	You have to keep this show on because it depicts great women characters and it is well-written, well-acted and it definitely deserves to be renewed.

<i>Megan R.</i>	Bomb Girls is not only one of the best shows with a primarily female cast, it is also one of the best shows on television period. I would love to be able to continue watching.
<i>Lydia P.</i>	We need to keep this show about strong Canadian women!
<i>Anonymous</i>	love this show so cool!!!
<i>Carmela Z.</i>	Very very nice and important story
<i>Karyn M.</i>	This is the best show from Canada in a long time! Don't kill it!
<i>Mariagrazia</i>	Bomb Girls è una delle più belle Serie tivù che abbia mai visto;una delle migliori trasmesse fino ad ora...L'interpretazione di Antò è magistrale come sempre,ma non è giusto che venga annullato il lavoro di tutti gli altri protagonisti.
<i>Kori R.</i>	okay so you guys may think that this how only attracts middle aged women or whatever but I am a 20 year old male and I genuinely enjoyed watching this show the whole time and I'm very annoyed that you decide to cancel it because it was just a place holder for survivor
<i>Maria G.</i>	Please don't stop the movie. Thank you.
<i>Anita C.</i>	Save Bomb Girls! Do not cancel this show!
<i>Gary T.</i>	An excellent show. My mother was a bomb girl! Get rid of the US reality shows instead.

<i>Giulia D.</i>	It's absolutely unbelievable that a show such as this one might be cancelled. Such quality wasn't seen on TV in so long and it makes Canadian TV shine bright!
<i>Dorota M.</i>	Why can't we have smart good quality shows? Why there is nothing to watch any longer but cheap and dam shows. Is it that how we are educating our audience?
<i>Angela L.</i>	one of the best shows on TV. it's a shame to not renew it. it's csyadi
<i>Emily C.</i>	I love every character on this show. I want to see them fight, and I want to see them win. Please renew it for another season!
<i>Christine B.</i>	Young women need positive role models and they are far and few between on tv. however, bomb Girls fits the bill!
<i>Anonymous</i>	This show is so powerful in showing how the women of the world can participate in world movements. I was completely unaware of how important female roles were in war-time efforts but this show has shed some light on the wonders we women can do if we unite. The stories, friendships, and romances seem much more genuine than what is on most Television series these days. I implore Global to back this show since it is a true gem in todays world. I love all these characters and I enjoy coming back every Monday to indulge in their world, to help me forget about all the stress my own world causes. I hope that someone out there sees the true value that is Bomb Girls.
<i>Diana C.</i>	please bring bomb girls back for season 3. makes me proud to be Canadian!!!

<i>Deb D.</i>	This show is a Canadian Treasure.
<i>Rachel</i>	Please renew this show, everyone involved does an amazing job and the stories they tell need to be heard.
<i>Elaine W.</i>	Love this show and the history surrounding the story lines is so realistic.
<i>Marisa B.</i>	This show is too good to be cancelled after only 2 seasons - the best Canadian series to hit the television in YEARS. You must all be INSANE. We should support our canadian shows...intelligent, beautiful, and talented writing.
<i>Vickey S.</i>	Love this show! Please don't cancel the best thing on TV right now!
<i>Anonymous</i>	This is a wonderful series that not only teaches of the struggles women had to endure in Canada at the time of war, but also brings light to the fact that Italians were interned. A fantastic Canadian series and a lovely cast of characters! We are all waiting for Season 3! Love this show!
<i>Reena S.</i>	I had the wonderful chance to act in an episode with this amazing cast and crew. This is a unique show with a large following. Bomb Girls must go on!
<i>Adrian B.</i>	It is a wonderful show! I have thoroughly enjoyed it. Antonio Cupo is an incredible actor, and he is the reason I started watching it. As a result, I discovered a wonderful cast.

Annie G.

Bomb Girls is more than TV, it's a small revolution. Its loyal and intelligent fanbase see in it a show that FINALLY speaks to them, to women, queer people, the disabled and other minorities which have rarely if ever been portrayed with such craft, depth and empathy. So many of the plots and themes are unheard of for television, please don't silence these important voices so early in the story.

Angela R.

I don't understand how an award winning & nominated show can be cancelled. The stories are intelligent, educational, passionate, thought provoking and are relevant to today with its universal themes. The characters are well developed and humanistic. Each with both weaknesses and inspirational strengths. The cast members are such talented and amazing actors and they truly deserve employment. In a world where media is fraught of pathetic "reality tv shows" it is a true pleasure to be able to watch a tv show of such substance. Bomb Girls is my favourite show and I look forward to each and every episode, counting down the days until the next episode with excitement. Rather than cancelling the show maybe time slot or marketing adjustments could be made. Please reconsider your decision of cancelling Bomb Girls for everybody involved: actors, writers, crew and viewers.

<i>Lila A.</i>	I've spent a long time being cynical about audiovisual media, I went to school for it, so I learned the tricks. Bomb Girls manages to get a smile out of me every week, not just because of the arcs or the characters, but the love and thoughtfulness put in by the crew that permeates the screen. It humbles me.
<i>Deborah C.</i>	please don't cancel this wonderful show!
<i>Jennifer V.</i>	We need positive portrayal of women and the lgbt community. We need this portrayal of history and we need this portrayal of Canada during the war. This show is a true gem!!
<i>Peggy D.</i>	Please save this wonderful Canadian show with amazing strong female characters
<i>Oliver S.</i>	Please please PLEASE renew the show!
<i>Kristen</i>	Bomb Girls is a amazing show!
<i>Janet</i>	Bomb Girls is the only show of its kind and it needs to continue to be out there. Furthermore, we are not ready to say goodbye to these characters.
<i>Claudia C.</i>	Bomb Girls is a good tv show and it may be a good movie
<i>Candace W.</i>	Please keep Bombgirls for another season. You have something special with this show, it helps us to better understand ourselves by looking at the past. My grandparents met at a bomb factory in England. Bomb Girls helps me to understand what they went through and why their love stood the test of time.

<i>Amanda C.</i>	Please don't cancel Bomb Girls - there's no other show like it!
<i>Meghan R.</i>	Bring Bomb Girls back!!!
<i>Kendra W.</i>	I have so much love for Bomb Girls, and I refuse to say goodbye to such a wonderful show so easily. We want season 3!
<i>Cindy S.</i>	Love Bomb Girls. First heard about it from RosieO'Donnell. I don't think it is well publicized in the US.
<i>Maggie</i>	This is an important show, don't cancel it before the war is over!
<i>Anonymous</i>	please save bomb girls. please
<i>Elroy G.</i>	As a military veteran that enjoys the 40's and 50's era as if it were my own, their is truly no equal for Bomb Girls. The cars, props, and elegance/sharpness that goes along with these great actors is something that I look forward to seeing every week on Reelz. Their is no show like it today, and I've been looking for something like this for some time. Please allow Bomb Girls to make at least 50 more episodes or more. Where else can I see the "Belle of the ball" ? Gladys Witham aka Jodi B.
<i>Allison</i>	Between the costuming, writing, acting, and set design, there is nothing this show did not do right. It's only getting better with each episode. It's way too soon to end things.
<i>Craig N.</i>	A great show
<i>Vaerna</i>	Bomb Girls Movie?! Whaat?! COOL!!

<i>Leanne</i>	Love this show :P
<i>Lois V.</i>	Bomb Girls is an good show. Please find a way to give it another season.
<i>Jeneasa</i>	This show is amazing and means a lot!
<i>Amanda W.</i>	Cancelling this show would be a great disservice to some talented actors and to Canadian television! Save the show!!!!
<i>Katie M.</i>	Where else on television can you find: -A middle aged woman who still has it "goin' on" -A lesbian who isn't stereotyped (heck, seeing a lesbian on mainstream television is RARE). Canada has led so many break-throughs for the LGBT community. Don't stop here! -A lesbian's nice Christian friend -- they exist! -A wise-cracking girl who won't let a scar get in the way of fulfilling her desires - Women with AGENCY -A believable portrayal of an era where women had it rough -An interracial couple -Quality writing -Quality acting -Quality sets -And I could go and on. I have your answer: ON GLOBAL TELEVISION. Why get rid of something that will only improve the image of your company? Prove to Canada and the world that Global can make a better show than CBC!
<i>Kaitlyn K.</i>	Love the story, the writing and the acting. To add to that its a Canadian production that needs to keep coming and show what we can produce.
<i>Vanessa L.</i>	Don't let Bomb Girls get cancelled! I want a great show to finally shine and not be shadowed by horrible shows that get to stay on :(

<i>Anonymous</i>	Bomb Girls is my favorite show ever.
<i>Jayne P.</i>	I prefer my shows with substance, and that's what bomb girls has. The stories and characters resonate with everyone in some way and having strong female lead characters is needed more in TV. We need more shows like bomb girls, not less! These women are strong, they are role models and are helping people to believe in themselves and fight for what the believe in. Also it's portraying history. A side of history many of us would not have known about without bomb girls. By canceling the show, it feels as if you're saying those women's stories and war efforts don't matter!
<i>Stephanie W.</i>	Please reconsider renewing Bomb Girls. I am in love with this show, it's so empowering to women and makes me proud to be Canadian!!
<i>Dorothy W.</i>	I love this show!!! It is a historically relevant piece that is an exceptional example of Canadian television. Please keep it going!!
<i>Maddie</i>	This is by far my favorite show on television. It would be an absolute waste to let this show be cancelled. Where else on TV can you find such women that are empowered & are such great role models for young females such as myself? (I'm only 15) I also love the historical aspect that the show brings. Please save this show.

<i>Jimmy W.</i>	I was surprised to find out how much I enjoyed this show! It has intriguing storylines that appeals to both a male and female audience. It has been a Monday night staple in my house.
<i>Anonymous</i>	This is too high quality a Canadian show to remove from your schedule. There's nothing like it on the air. Please give it a chance for a third season.
<i>Arshad K.</i>	It is a wonderful show and my entire family watches it. It must not be cancelled.
<i>Sami M.</i>	Please renew Bomb Girls for a third season! The queer community, especially queer women, have been so blessed by the portrayal of Betty; it would be a shame for us to loose such a ground-breaking character.
<i>Meaghan</i>	This show is truly amazing, and wonderfully full of Canadian history! Please renew it for another season!
<i>Ashley</i>	I need a show where both strong women and queer woman (and now women of color) are being displays as strong and independent people who actually made a difference in history. I need a show where the aforementioned groups are not treated like sideshows or stereotypes. I need a show where a main character can be gay and deal with her sexuality realistically. This is a good show; I'd hate to see it cut short.

<i>Asma A.</i>	It is an important story and defines the history of not only an era but also a sign of changing times..The women of this arms testing facility were proving them worthy of every thing that Canada could be proud of..It is a beautiful show
<i>Balexi</i>	Bomb Girls is an amazing, original tv show fronted by a brilliant female cast.
<i>Alan W.</i>	Canadian shows need a chance to survive and thrive.
<i>Brandi C.</i>	I love this show; the acting, writing, production - everything is amazing. We need more powerful, positive female role-models like this on television.
<i>Aarlene C.</i>	Argh! I love this show! --Disappointed, in the USA. :-(
<i>Kam L.</i>	We love the show and especially Antonio Cupo!
<i>Ilsa</i>	please renew it for a third season
<i>Nonnee G.</i>	This is intelligent, engaging Canadian television. It needs to be promoted, and nutured by anyone who cares about quality programming. I won't watch anything reality based, but I never missed this show. Very clever...
<i>Ligia G.</i>	Bomb Girls is the best show I've seen in a really really long time, don't take it away from us, PLEASE!
<i>Marie-Josée F.</i>	for once, a serie about realistic girls, not just high class rich models

<i>Bob M.</i>	Please save it!
<i>Colleen B.</i>	the stories of these women are too important to lose. at least give it a proper season to end
<i>Anonymous</i>	This show gives modern day citizens a chance to learn about life in Canada during WWII. There are already not enough resources to showcase the Canadian efforts, to help new generations remember, but there are even less showcasing women's contribution. Please save this show as a tribute to all those Canadians in the past who have given their efforts and lives during this dark era.
<i>Anonymous</i>	Keep it on!
<i>Delilah J.</i>	This is a fantastic show and it'd be a shame to see it snuffed out so early!
<i>Anabelle</i>	This is one of the most well-crafted TV shows on air right now.
<i>Katie H.</i>	Save Bomb Girls! one of the best show's on TV right now!
<i>Jiska</i>	I love this show!! It portaits the brave women in a factory. The story of WWII has only been told by the men fighting in the war. Not what the women were doing during this period.
<i>Taylor</i>	willing to sell a pretty large chunk of my soul for this show not to be canceled. just sayin

<i>Rossella</i>	Interessante serie TV seguitissima , molto ben recitata , con scene e personaggi avvincenti e appassionanti.Sarebbe un vero peccato sospenderla, aspettiamo con vera gioia la 3 serie Grazie !!
<i>Kayla L.</i>	I think it's a great show. Global doesn't have many. Why mess with A good thing?
<i>Linda D.</i>	Want more times of broadcast in US!
<i>Elizabeth E.</i>	We need more high-quality dramas like Bomb Girls, not fewer. This show is brilliant and must be saved!
<i>Christina C.</i>	I am in love with Bomb Girls in every aspect. The portrayal of strong women and Canadian history is a requirement on television when all other popular shows are vapid and senseless. Please save our beloved Bomb Girls-- for the sake of intelligence, Canadian media, women, men, vintage fashion and everything else that makes Bomb Girls ground breaking and unique!
<i>Carmela Z.</i>	very nice and important story for Canada and Italy
<i>Cathy M.</i>	Bomb Girls is one of the best shows on television right now. Please reconsider and give the show a third season. Cheers.
<i>Mariagrazia</i>	Go Bomb Girls!!!
<i>Sarah D.</i>	Renew Bomb Girls! And sell it on Itunes/Amazon to make it more accessable to American viewers. I would gladly pay for it.

<i>Dante K.</i>	Bring this show back!! It's awesome and quality television! Bring it back!
<i>Jasmin B.</i>	Please don't cancel one of the best female centric shows on television. Be the change.
<i>Rachel B.</i>	Bomb Girls can not be cancelled! I don't watch any television except for this one show. I've introduced it to numerous people and everyone that has watched one episode can't get enough of the show. I had a friend I showed the first episode of season one and she sat down and couldn't stop herself from watching the rest of the season on GlobalTV.com in the same day! Also, it appeals to all ages: I myself am 20 years old and I watch it with my Mom who is 50 years old and recently I introduced her Mom who is 78, my grandma, and all of us appreciate the shows historical value and all of the amazing characters! You can't cancel it, you just can't! If you try to introduce a new show in its place I promise it won't be near as good, as historically significant or as loved by its devoted followers as Bomb Girls has succeeded in gaining.
<i>Maggie C.</i>	Please don't cancel on of the greatest shows on TV right now. this show empowers women and is very inspirational!
<i>Emily T.</i>	This show is so awesome and it means so much to so many people.
<i>Anonymous</i>	So sad to hear that the show is coming to an end. It's my most favourite show and I will miss it so much! Please do a 3rd season!!

<i>Mike N.</i>	Keep the series alive. We enjoy the Bomb Girls
<i>Lyn K.</i>	Please do not cancel Bomb Girls! Thank you.
<i>Kim R.</i>	In memory and respect to all the women to whom Bomb Girls pays to tribute to, it's the right thing to do...keep it on the air!
<i>Elroy G.</i>	This has been the greatest show to come to Reelz and the entire cable network. There is nothing on TV like it. I would love to see a season 3 and 4 and I would be more than glad to spread the word for all my friends to tune in as I have already posted Bomb Girls on all forms of communication available today. Please save this sharp and elegant show that makes it's fans want to live in the 1940's and work at Victory. Respectfully, Elroy F. Galvis US Air Force Munitions Veteran (2W071)
<i>Victoria H.</i>	This is my favourite Canadian show ever, smartly written and produced. Please keep it going.
<i>Erica O.</i>	I am from California and first watched Bomb Girls on Netflix a few weeks ago. By the end of the first episode I was completely in love with the characters and their stories. Please keep telling their stories in a Season 3. This is by far the best show I have seen in years. Thank you.
<i>Kris</i>	Bring BombGirls back for a 3rd season!

<i>Alana G.</i>	Please just renew it. It's one of the best Canadian shows i have seen. It's actually one of the best shows I've seen ever.
<i>Monica S.</i>	Love the show. Please keep it going!
<i>Pat G.</i>	Please do not cancel Bomb Girls - it is one show that I look forward to watching every week. With all the silly reality shows on right now (which I do not watch) I find this show a refreshing and interesting. I also love the actors and the fashion. Please , please and please !!!!!
<i>Cathy J.</i>	Fantastic Show. I look forward to it every week and miss it when it's not on.
<i>Ros F.</i>	one of the best Canadian shows on TV and you cancel it???? how dumb
<i>Anonymous</i>	Please don't cancel
<i>Rosalind F.</i>	this show and its actors have just won major awards!! how dare u cancel it!!!
<i>Rosalind F.</i>	This show and its fantastic actors have won major awards. how dare u cancel it!!!
<i>Josybel H.</i>	Is one of the best Shows in this moments for some many reasons, but the most important is that we need some kind of closure with Betty and Kate
<i>Kathy S.</i>	Don't let Bomb Girls die!!!

<i>Lorraine F.</i>	Very disappointed at the news that Bomb Girls has not been renewed for another season. This is a great show and it deserves to be kept on the air. A much more valuable series than much of the other stuff that is on television these days.
<i>Louanne A.</i>	There's so much more to learn about WWII era in Toronto, even if through a TV drama series. Plus not to mention, Bomb Girls has given notice to our own important project, www.ItalianCanadianWW2.ca (exhibits, book, website/digital archive) -- federally-funded by Citizenship and Immigration Canada. We must keep more of these educational shows on TV and less of reality TV crap.
<i>Alanna M.</i>	I have really enjoyed Seasons One and Two of this great Canadian show!!!! Please consider a third season!!
<i>Fanta</i>	Bomb Girls is phenomenally written, don't cancel!
<i>Liermann</i>	I love Bomb Girls, please a third season
<i>Christine P.</i>	A great Canadian program. With all the crap on t.v. It's nice to have a show with history and great acting! Keep it going for season 3!
<i>Anonymous</i>	I Look forward to watching Bomb Girls as it has a very unique story line.I love the fashions as well!
<i>Sandy C.</i>	There hasn't been a show like this on tv for many, many years...Please save it!

<i>Madalyn H.</i>	I love watching this show, and I'm saddened to see that it will be cancelled. It stands on its own from all the other female-centric shows, as it has given viewers an into Canadian womens' roles during WWII, and highlights the impact they made in our history as a country. What other Canadian show has done this? I believe it should stay on for one more season at least; it has been so successful, and there is much more potential for its plot line and characters.
<i>Heidi M.</i>	Finally a good show based out of canada...please dont cancel...its actually a show my husband enjoys with me too.
<i>Sara K.</i>	We love Bomb Girls!
<i>Maureen B.</i>	We love this show - the acting, the story, the costumes, the message about strong women.
<i>Bernadette</i>	I live in the United States - I actually signed up with Graboid so I could see Bomb Girls season 2 because it was not in the US yet. You have to be kidding. I tell everyone about Bomb Girls and they do not know the show, we just need to get the word and and advertise what a great show this is, that is how I found out about the show, word of mouth, and look at me, I became so hook, I will pay \$20 a month so I can watch it.
<i>Melanie R.</i>	I really hope they keep going with Bomb Girls, its an amazing show....its not there fault Global messed up the schedule and put them in an ackward time slot....BRING BACK BOMBGIRLS

<i>Anonymous</i>	Keep this awesome show! If Global doesn't want it, I am sure another network will!
<i>Jen R.</i>	Keep the show going!!!
<i>Teri J.</i>	We need this type of series.. please don't cancel it!
<i>Hannah</i>	Please please keep bomb girls on air!!! There is so much more to unfold and I must see it all!!!!!!
<i>Kristy T.</i>	Please give us a movie. This is such a phenomenal show that deserves a good ending!
<i>Kurt O.</i>	What other show has such depth and power with female characters? This is a landmark show. It is very well written and acted. I have been so pleasantly surprised with Canadian television lately! One more year!!
<i>Maria L.</i>	Brilliant Show! A shame to cancel it.
<i>Gillian L.</i>	I really enjoy Bomb Girls. Don't take it off the air! At least make the movie, to close all story lines. Thanks.
<i>Chantal</i>	Bomb Girls is by far my favorite television show. If it is dropped or not relocated to another station I will
<i>Sarah A.</i>	Bomb Girls has an American audience unable to watch the show on Global/Reelz, watching every Tuesday as soon as it goes up online. Don't discount your growing audience in the States!

<i>Shayana G.</i>	save the show! I love it!
<i>Sandra H.</i>	Bomb Girls make Wednesday's something to look forward to. LOVE, LOVE, LOVE this show! Pleeeeeeeeeeeeeeeeeeeeeeeeeeeeeeease keep this awesome show going!
<i>Anonymous</i>	Bomb Girls is too good to lose.
<i>Anna</i>	We need more good Canadian television on the airwaves. Sometimes more is just better.
<i>John O.</i>	Finally a Canadian show that entertains while in is own way educates new generations about Canadian life during WW II and of course it is cancelled to support foreign content!!
<i>Cynthia H.</i>	This is such a fantastic, high-quality show! Canada needs more programming like this!
<i>Sydney</i>	RENEW IT
<i>Dayna N.</i>	my mom and I love this show and watch it religiously every week.
<i>Nancy B.</i>	Such a wonderful Canadian show. Everthing on TV doesn't always need to be American.
<i>Zoey A.</i>	There are so many great issues this show brings to light, don't cancel it! Believe in it and it's following.

<i>Mary D.</i>	You should have known better than to pit "Bomb Girls" against "The Voice" and "Dancing with the Stars". By so doing, you foolishly and needlessly caused its ratings to decline. A far better option would have been to change it to Thursday evenings at 8:00 pm. when there is little serious competition. Please reconsider this decision as seldom do such high quality Canadian series come our way. I urge you to give "Bomb Girls" a second chance, and shift it to Thursdays next year.
<i>Wayne C.</i>	let it live.
<i>Lily J.</i>	I love Bomb Girls! They highlight just how strong and unbelievable these women were during the war. PLEASE DO NOT CANCEL BOMB GIRLS!
<i>David H.</i>	This show needs to stay on the air its a true recount of events that happened if we close the past how can we learn for the future
<i>Kathy A.</i>	Bomb Girls is one of the few shows that my husband and I watch together. It is a great show and needs to be saved!
<i>Mel G.</i>	I have loved this show since the very first episode. Please reconsider the cancellation!
<i>Anonymous</i>	Keep it!
<i>Kyla B.</i>	Please save this show. It is one of the best shows on television right now.
<i>Michelle B.</i>	This is a great show! Please reconsider!

<i>Brian C.</i>	Good quality entertainment is hard to find unless you like watching mindless people making fools of themselves on "reality" shows. Please keep this show on.
<i>Jill</i>	this show is great!!
<i>Motown H.</i>	I love watching Bomb Girls and it would be ashamed to take it off the air. I am sick of all the reality shows that are on tv. Please give it another chance.
<i>Jennifer C.</i>	Please do not cancel Bomb Girls. Bomb Girls is one of the few TV shows that I follow. The concept of the show is fantastic, and the writing and acting are exceptional.
<i>Jackie S.</i>	please dont cancel the show!!!
<i>Sonya W.</i>	Please don't cancel this show!
<i>Sam F.</i>	Bomb Girls is one of the most well crafted shows ever created for TV. It shines a light on an important part of history that should not be forgotten.
<i>Ethel M.</i>	bomb girls is such an awesome show!
<i>Kaitlyn G.</i>	Bomb Girls is my new favorite tv show! I absolutely love the story lines and all the wonderful characters. Don't take such a riveting show away. We need more shows like this!
<i>Jessica J.</i>	This show is amazing! It shows the courage and strength that all women possessed during that time period. Because of women like them, we as women are where we are today!

<i>Shereen A.</i>	Come on cancelling another excellent top notch Canadian production... what does the CBC have against Canadian shows??? Smarten up!! Renew it!
<i>Meredith H.</i>	This a a great show that deserves to stay on the air. Don't make a mistake by canceling such a wonderful series.
<i>Anonymous</i>	we need more canadian content
<i>Allison R.</i>	Bomb Girls is a great show! It highlights the "other" areas of war. My husband and I enjoy watching it together and we are in our 30s. Please keep the show going!
<i>Pollyanna H.</i>	I NEED this show!!!!!!!!!!!!!!
<i>Veronica</i>	Please have another season of Bomb Girls
<i>Maggie W.</i>	This show deserves a third season and many more! I absolutely love Bomb Girls and hate to see it cancelled.
<i>Chris</i>	Bomb Girls is an absolutely amazing show that I look forward to weekly. please keep it on the air!!!!
<i>Diana P.</i>	Keep Bomb Girls its a wonderful show, and I would be lost without it!!

<i>David M.</i>	This show is a great example of how Canadians can make good shows too; not just Americans. This show is one of my favourites since it's not reality, its Canadian-made, and it tells a story of something very historic in Canada. So what if the show's ratings were low against Dancing With The Stars? I'd much rather see a Canadian-made show on a Canadian TV broadcasting channel than some dancing show from American.
<i>Jennifer C.</i>	Please don't cancel Bomb Girls!
<i>Kathy S.</i>	WHY WOULD CANCELL THIS SHOW??????? FINALLY SOMETHING ON TV THATS WORTH WATCHING AND YOUR GOING TO TAKE IT OFF. YOU PEOPLE ARE NUTS!!!!!!!!!!!!!!!!!!!!!! KEEP BOMB GIRLS!!
<i>Marian C.</i>	Bomb Girls is such a good show that it deserves to be kept on the air. It's smart, well acted, and has some amazing role models for women all while giving a bit of a history lesson. Please reconsider.
<i>Rick M.</i>	please reconsider and back a third season
<i>Sheryl C.</i>	Please keep bomb girls on the air
<i>Dina C.</i>	IM IN LOVE WITH SHOW!!!!!!

<i>Shelly C.</i>	This show is exceptionally well-written and brilliantly acted and produced. You know what other show was also brilliant? My So-Called Life. Guess who regrets cancelling that? Give this show a chance to build a following.
<i>Kendra P.</i>	save this show- hit up A&E
<i>Francesca</i>	Bomb girls is a great show and needs a proper conclusion!
<i>Dee G.</i>	I like to believe that I'm the biggest BOMB GIRLS fan in Pensacola Florida
<i>L. M.</i>	B Girls deserve an ending and so do their fans
<i>Janet M.</i>	Canadian history came to life in this series. Save Bomb Girls!
<i>Michelle R.</i>	Please don't cancel this show!
<i>Andrew H.</i>	fabulous show - " looking forward to season 3"!!!!!!
<i>Alexis W.</i>	This is an amazing show with a brilliant plot, if you cancel it, I hope another network will get wise to pick it up. It's loved by many.
<i>Lisa</i>	SAVE BOMB GIRLS!!
<i>Danette B.</i>	Bomb Girls is unlike any thing else on tv. We are quickly losing our history and Bomb Girls helps us remember all that women did during the war to keep everything running while the men were fighting. Plus, Betty just found love!

<i>Paula S.</i>	Please renew this show!!!!!! Its one of the few things I have to look forward to each week. I love this show so much.
<i>Debbie M.</i>	This is the best show on TV and one of the only shows that portrays women in such a positive light. Please do not cancel this. We love Bomb Girls!
<i>Karen B.</i>	This has been a real shock. I would look forward all week for the new episodr
<i>Jessica W.</i>	Please keep this show on to commemorate the amazing and hard working women of WWII that often get cast in the shadows!
<i>Arthur W.</i>	What a shame that Global TV plans to take this terrific show off the air. Move it back to its original night if there is a concern about viewers.
<i>Pat T.</i>	"Bomb Girls" is one of the most outstanding productions of recent times. It's authenticity and consistently gripping story line should assure it of a much longer run. Please, please reconsider. Sincerely, Pat Taylor, Paducah KY
<i>Chris</i>	please keep this show!! I love it.
<i>Kristina</i>	It is such a good show and the strong cast of female lead is brilliant. This is better than reality tv or other tv series that are out
<i>Anonymous</i>	I love this show! Don't end it!
<i>Rose M.</i>	RENEW BOMB GIRLS SEASON!!!

<i>Lolita N.</i>	With all of the crappy reality shows on TV it was refreshing to have a SMART well written and well acted Canadian show based on REAL events that many people didn't know about. If you're basing your decision on social media surveys you're neglecting a much broader market base of boomers, near boomers, their kids & grandkids who are intrerested in a part of their family history.
<i>Sandra S.</i>	This show is TOO brilliant to cancel!
<i>Irene M.</i>	Love Bomb Girls! Please, save the show!
<i>Sarah D.</i>	This was such a good example of what Canadian tv could/should be!
<i>Anonymous</i>	A very well-written show, with an outstanding cast; not to mention a fascinating period in history(a period in history that many viewers actually lived through, believe it or not.)
<i>Rose M.</i>	Please keep Bomb Girls alive with renewal of seasons to come! Great show, with great acting and story line, can not find it any better on any other TV program airing!
<i>Christine D.</i>	Make a Chritmas movie special instead and keep it going with season 3!
<i>Mwallack</i>	great show keep it on...ww2 themes with contemporary echos
<i>Betty A.</i>	I would like to see a lot more of Bomb Girls
<i>Megan W.</i>	This show is amazing please don't let it die!

<i>Jennifer C.</i>	This is an amazing show that shows strong empowered women and is set during such a crucial turning point for the world. Not to mention the actresses are amazing and it's just a pleasure to watch!
<i>Lesley A.</i>	save this show!
<i>C. B.</i>	this is an amazing show. please do not cancel
<i>Earwin</i>	"We love Bomb Girls. We will never stop loving Bomb Girls. We plan to go down fighting." Bomb Girls inspire us. Please don't take them out of screen. Actors and actresses from the series made a great job. It would be a shame if truncated the beautiful story you have shown us.
<i>Pam F.</i>	Bomb Girls is completely relevant to me as my eldest sister worked in a war factory helping the war effort. After the war I remember all the unhappy female workers having gained unexpected confidence in themselves from doing and I quote "mens work" at having to return to the unpaid job of housewives. Bomb Girl captures all the anxiety created by the war on the home front. Bomb Girl is an important piece of history which should be valued, shown and not lost due to a drop in viewership. I am extremely dissappointed that Global TV is cancelling the show.
<i>Mehdi D.</i>	please keep the show on the air. I love it ;) thanks

<i>Ulla G.</i>	A quality Canadian production that touches on many social issues...some that were taboo in those days. It's well written and the actors are believable. While a movie to wrap things up would be great, even better would be another season or more.
<i>Marg K.</i>	Love the local history and story line of this show! Please don't cancel it!!!
<i>Leigh M.</i>	bring the show back. change the day or time. I watch online since I don't have cable. so take that into account too
<i>Sonya P.</i>	Please keep this show - I love it!
<i>Amanjit T.</i>	This show is amazing. Cancelling this show is not amazing. The end.
<i>Kishwar I.</i>	what does one have to do to keep a show on the air in this country???
<i>Tanya S.</i>	This will be a complete shame if this series is cancelled. Not only is it a Canadian production but a program that can be watched by many different types of people. It seems to me as soon as there is a great show on tv they decide to cancel it. Please rethink this decision!
<i>Charlotte R.</i>	Wonderful series - appointment viewing for me!
<i>Alicia J.</i>	I am extremely proud to claim this world class series as Canadian - wonderful stories, important to the history of our social culture here in Canada. Please honour all of the fans with a third season.

<i>Donna D.</i>	Please do not cancel this show, my Grandmother and Aunt were Bomb Girls.....
<i>Neil F.</i>	Truly a great show- It gets better and better!
<i>Ginger D.</i>	I love this show. Its shows how women came together, supported one another. A time when everyone worked together and supported a great cause. It also has beautiful costumes, the actors are amazing. Its a show thats like reading a book, you become part of it, you feel like your right in the middle of the whole story. It draws you in and when you so deep into the hour is up and you feel like it just started. Its a show that I DVR because I know my husband cant' stand it but I LOVE LOVE LOVE this show. Please oh please don't cancel this show.
<i>Rick B.</i>	A show we never missed from the 1st show. My wife and I have looked forward to each week's instalment in the lives and events plotted. There is nothing like it on TV and it will be missed.
<i>Charles N.</i>	Sorry to say that it looks like Global is just making room for more U.S. shows or reality programmes rather than support a critically-praised, character-driven show which is unique.
<i>Andrew G.</i>	Please do your bit and help save this great show! We do have an industry and we need to keep it working. Andrew
<i>Jaclyn M.</i>	Love Bomb Girls! Please, find a way to save it. Reelz?

<i>Hal E.</i>	The only reason this show lost viewers is because of breaking up the run and moving its night. It's too good to lose.
<i>Kat P.</i>	Please don't cancel my favourite show!!
<i>Ashley H.</i>	This show was brilliant Canadian programming. Please do whatever you can (and more) to keep it on the air.
<i>Peggie T.</i>	I see no reason to end this show , there is so mu -ch more story to tell - a least give us season three and then four to take us to the end of the war. Then you can start a new series for the 50's. There is so much crap on TV and so little quality that cancelling this show seems to be so hard hearted. You haven't even given a valid reason !!
<i>Tara C.</i>	Please save Bomb Girls! It's one of the quality adult shows we have on Canadian tv. I'm tired of watching American imports and "Bomb Girls" gives us a glimpse into our own history. It is well written, acted and produced. Remember Shaw and Global my cable fees as your customer go to produce these shows and I don't want anymore crappy reality tv! Bomb Girls made me proud to be Canadian with all the awards it has won. Please don't cancel this quality show.
<i>Susan M.</i>	Please do not remove Bomb Girls. It's one of the best shows on these days. Get rid of some of those pathetic reality shows. Bomb Girls Rule.

<i>Sally P.</i>	I don't think Bomb Girls was promoted enough. Everyone I know who starts to watch it - loves it! I used to turn my nose up at Canadian TV shows, but no more. Bomb Girls is the best. We need another season!
<i>Zenaida H.</i>	Please PLEASE Save this show and bring it back! It's AMAZING! I am TRULY Passionate about History and this is just FABULOUS! It's great for women of all ages and great role models. I just love this. And Men love it too! :)
<i>Vanessa V.</i>	Please don't cancel Bomb Girls - it is a uniquely Canadian show in a TV world filled with horrible (mostly American) reality shows.
<i>Joanna P.</i>	Great shows are few & far between!
<i>Tierra G.</i>	Such a great Canadian show.
<i>Emily</i>	best show on Canadian television. please save bomb girls!
<i>Emily P.</i>	Keep unique, Canadian television alive! Continue telling stories of dynamic, realistic and fantastic women! And continue to show this side of history!
<i>Stefanie W.</i>	Keep quality canadian programming on the air!
<i>Sarah T.</i>	Thank you for this beautiful show. Please don't let it end like this. It fills an unfillable niche.
<i>Tori A.</i>	Please reconsider canceling such a unique and entertaining show. You have far more fans than you realize

<i>Yvonne M.</i>	We LOVE Bomb Girls!!!
<i>Heather S.</i>	One of the best television shows to come along in a long time. And Canadian. Come on people find a place for something this great!
<i>Holly M.</i>	DON'T CANCEL BOMB GIRLS! This is the one show I pre-program. It is the only show that has superb writing/casting/believability. With all the superfluous bilge that permeates the tv nowadays, Bomb Girls is the one quality show that should be renewed for about 4 more years. The generation that lived through that era learned so many essential lessons that they passed on to the next generation, and it was the start of many social movements that are being delt with openly and honestly. To cancel this show would be an unnecessarily severe slap in the face to the intelligent public that tunes in every week. For the love of all things good, DON'T CANCEL BOMB GIRLS!
<i>John S.</i>	One of the finest shows EVER produced.
<i>Anonymous</i>	Save quality TV!
<i>M.Scott</i>	Please do not cancel this show...one of the best Canadian shows in years.I don't always watch it in it's time slot but always DVR..your ratings count is not always accurately measuring viewers!!
<i>R.Scott</i>	PLEASE SAVE this great show!!!
<i>Anonymous</i>	It's an AWESOME show!

Phyllis K.

This is truly a great Canadian show. Canada should be proud and cancelling this show isn't the way to be PROUD TO BE CANADIAN!

Angela R.

I don't understand how an award winning & nominated show can be cancelled. The stories are intelligent, educational, passionate, thought provoking and are relevant to today with its universal themes. The characters are well developed and humanistic. Each with both weaknesses and inspirational strengths. The cast members are such talented and amazing actors and they truly deserve employment. In a world where media is fraught of pathetic "reality TV shows" it is a true pleasure to be able to watch a TV show of such substance. Bomb Girls is my favourite show and I look forward to each and every episode, counting down the days until the next episode with excitement. It seems to me that the networks decision to change time slots and put a gap in Series 2 is what caused a drop in ratings rather than the show itself. Before cancelling the show can you reconsider the time slot and not put a gap/hiatus in the middle of the next series. See how that goes before cancelling it out right. Even adjust the marketing, or accentuate the Betty/Kate/Teresa story as the show does have a large LGBT following. There are many avenues you can take before cancelling Bomb Girls. Please consider them before cancelling Bomb Girls, for everybody involved: actors, writers, crew and viewers. Please give the show a second chance.

<i>Cliff S.</i>	A unique Canadian story about unsung heroes , told with professional quality and integrity
<i>Kelly B.</i>	Great show and I'm learning something about the war!
<i>Anonymous</i>	i love this show
<i>Rischa S.</i>	Wonderful program. Please don't end it!
<i>Hannah D.</i>	This show is amazing! No only does it have great production values, and awesome stories, but it's a win for Canadian television, Canadian artists, and one of my best friends! Don't let it slip away!
<i>Rossella</i>	Scrivo dall'Italia e sono una delle tante fans del seguitissimo e bravissimo attore Antonio Cupo che interpreta il personaggio di Marco Moretti nell'interessante serie tv Bomb Girls. Ho saputo che forse la 3 serie non si farà e questo è sia a me che a tutte le fans d'Italia dispiace molto. Le chiediamo di ripensarci e di proseguire con le avventure della seguitissima serie TV Grazie !! Nella speranza di vedere BOMB GIRLS anche qua in ITALIA , compresa la 3 serie , Cordiali saluti Rossella
<i>Caroline M.</i>	I love bomb girls!!!!!!
<i>Joana C.</i>	Please save this show! It's quality stuff and it's so rare to have these kind of series to watch nowadays!

<i>Rosanne L.</i>	love this show
<i>Debbie T.</i>	This is a great show and needs to continue. It is a fantastic Canadian
<i>Patricia M.</i>	This is one of the smartest programmes on TV now. To cancel this so we can get more of the same garbage of "reality" shows, and formulaic sit-coms and crime fiction, is a real shame. There are so few GOOD programs, and just about nothing that tells our Canadian story and is historically accurate. Please give us Season 3.
<i>Sharon N.</i>	please bring back the bomb girls. it was a great show. it will be greatly missed
<i>Melanie</i>	i really love this show!! much better than all those talent and reality crap
<i>Krista R.</i>	please keep Bomb Girls alive
<i>Kerry R.</i>	I love Bomb Girls!
<i>Barbara R.</i>	save the show!
<i>C. R.</i>	save bomb girls!

Elizabeth N.

This is one of the best shows ever, you kill good shows but keep the crappy ones and you'll end up with no viewers at all...

Dr. B.

please, can't we have ONE good show that doesn't get cancelled?

Anonymous

it's getting to be cause for dissension, yes even anarchy when we cannot count on being counted as legitimate voices with a right to be heard, counted, measured,,, whatever it takes, but we are willing to pay these outlandish cable prices for packages full of junk that we do not want - - and when we show how strongly in favour of a program we are we are ignored -- without naming names there are too many pockets being lined for bandwidth control: it's the last frontier of corruption in this country where our culture is being completely undermined by the domination of patriarchal "entitlement" to sex, sports, war, violence, etc.. guns!!! let's get serious and do something about this blatant totalitarian abuse of power being wielded by men funded by corporations owned & run essentially by white males who understand nothing but money & power -- THIS HAS GOT TO STOP NOW -- IT HAS GONE ON TOO LONG & IS DAMAGING OUR CHILDREN & OUR GRAND-CHILDREN & WILL CONTINUE TO DAMAGE THEIR CHILDREN WHO WILL BY THEN ALL BE VIOLENT SPOUSES, CORRUPT BULLIES, RACIST TERRORISTS, PORN-ADDICTS, GAMBLERS, GUN-WIELDING KIDS IN SCHOOLS

Tami B.

Good Canadian show that shows how our women helped in WWII. Don't cancel Bomb Girls.

Brittani

This show has brought a new perspective into my life. It has shown me that there are people out there, even in decades way before my time, that have experienced what I have. I can see a part of myself in Betty McRae. As one who has had to hide my true sexuality, it's refreshing to see the LGBT portrayed on tv, gaining exposure, and showing the hardships of what some of us actually go through. If renewed, it will teach many of the realities of life. Plus, the show is incredibly well written. Absolutely stellar. The cast works so perfectly together and makes the scenes flow so effortlessly. The directing is impeccable. There's literally no other words to describe this show. Please Global TV, look at this fan base. So many people have been touched by this show. I know I truly have. I can only imagine the amount of people it could possibly reach, but that imagination will come to reality if, and only if, you renew for a third season. I'm only 17 now, but I know a damned good show when I see one. And I don't want to have to live the rest of my life knowing that my favorite character, Betty McRae, didn't get the proper treatment she needed. Don't make a mistake. Save Bomb Girls.

Angela A.

Why is it when a Canadian show does well our networks insist on cancelling it? There is something terrible wrong here. You don't get any better then having Meg Tilly as the star of show!

<i>Kim O.</i>	Arrgghhh - we get a great Canadian series - well produced, human interest, intrigue, historical, super acting and.....it's cancelled! For shame!
<i>Lisa</i>	Bomb Girls was quality television like no other. Please reconsider the cancellation.
<i>Anonymous</i>	Show is great for Canada. Keep it on!!
<i>Anonymous</i>	A great drama show that rivals an US production. Would like to see more seasons!
<i>Jennifer</i>	Love the show. We need more shows to remind us where we came from and how good we have it now.
<i>Yian</i>	To: Global (TV network) This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment. Renew Bomb Girls for another season Please. Sincerely, Yian
<i>Anonymous</i>	You're the only period drama with queer female leads.
<i>Didi</i>	BRING IT BACK!!!!!!
<i>Charlotte</i>	bomb girls was at first a guilty pleasure but as the stories unfolded i found myself appreciating the writing, the direction, and impatiently waiting on the next installment. Shows that do that are few and far between. DO NOT CANCEL please
<i>Karma S.</i>	bring it back yo

<i>Catherine F.</i>	Such a great show. So many people everywhere talk about it and LOVE it. Do not cancel!
<i>Allison V.</i>	Bomb Girls was one of the best Canadian shows that Global has developed. It's a shame that you can't keep quality shows on the air but will continue to purchase American shows to fill the time slots. The whole system may be broken but you don't seem to be doing anything to try and fix it.
<i>Jim B.</i>	This is a great show. It has super story lines and great acting.
<i>Erin</i>	Bomb Girls is one of the few television shows that focuses on strong, empowered women!
<i>Jennifer J.</i>	I can't believe you are cancelling this. Your decision sums up everything that is wrong with our society these days. I'm 52. Can't stand all those reality shows.
<i>Ol R.</i>	"Our passion burns bright, and we aren't ones to throw up our hands at the first rejection" wonderful show with so much heart. it's unique and deserves to be continued.
<i>Maddie</i>	Save Bomb Girls!!
<i>Emily</i>	Save Bomb Girls!!
<i>Rhiannon</i>	Bomb Girls is a groundbreaking show that deserves to continue! Women's stories need to be told.

<i>Rose O.</i>	Bomb Girls is an Excellent TV show! I am in the US, and I wish even half of our current-day US TV shows were as GREAT as Bomb Girls! PLEASE KEEP IT GOING! It is a fantastic show! Great writing, great acting, great wardrobe and hairstyles, etc that really bring the viewer into the
<i>Daphne S.</i>	Please do not cancel Bomb Girls, it's a terrific show, superbly acted and well written.
<i>Avery C.</i>	Bomb Girls is a fantastically ambitious show. I truly believe the creators are doing their best to reveal a side of history rarely seen in mainstream media: the stories of Canadians who for whatever reason did not go overseas but who nonetheless overcame obstacles and who deserve to be honoured for their contribution to the war effort and the feminist movement. I believe that if this show is given a chance-- either as a TV movie or another season-- it will be even more engaging and insightful than the second season. It's not just that I've become incredibly invested in the complex and charming characters-- I really do think it's important for young Canadians to see this side of our history. So please consider the feedback of myself and my fellow Bombshells.
<i>Mary F.</i>	I love this show.
<i>Macy H.</i>	Just started watching and would be a shame for it to stop, it's a lovely show,
<i>Jess G.</i>	Bomb Girls is a wonderful show, with a great cast, that deserves a 3rd season.

<i>Dominique</i>	Bomb Girls is the reason I want to get into the entertainment profession. It has such amazing writing and acting. Every aspect of the show amazes me. Please, do not let this show slip away.

<i>Kanitta C.</i>	Please save this show and allow these amazing female characters to tell their stories at least one more season.
<i>Krista</i>	This is one of the only shows on tv with a cast of strong female leads. it deserves to stay.
<i>Debra M.</i>	Intellectually stimulating and humourous entertainment is what we all need. The TV stays off unless I have something great to watch so put this show back on the air.
<i>Anonymous</i>	Bomb Girls is too fantastic of a show to be cancelled. PLEASE PLEASE don't stop it now
<i>Joan F.</i>	Really love the show. Quality programming is so hard to come by these days

<i>Shelley</i>	OMG>>>the best Show ever!..finally a great Canadian show, empowering women! Don't cancel this amazing show! There are the most stupid non-educational reality shows, and THIS show you want to cancel??? I say NOOOOOOO!
<i>Russ M.</i>	With all the junk on TV these days,Bomb Girls is a well acted decent program. The fact it is a Canadian made show makes it even better. My Mother worked in a WWII factory and this period show gives a look at Canada during the war years on the home front. Shame on Global for cancelling it!
<i>Alvin B.</i>	I'm a 56 year old American that loves Bomb Girls! I hope you will reconsider and have a third season.
<i>Sherri M.</i>	Global tv should be ashamed of themselves. This is a wonderful show that shouldn't be replaced with trash tv.
<i>Heather C.</i>	If your advertisers want viewers with normal to high intellect then keep the TV shows like Bomb Girls that appeal to viewers with normal to high intellect, like, BOMB GIRLS. I won't watch un-reality programs like survivor, that are so staged and fudged that they are insulting to most peoples' intelligence! Remember: There are lots of alternatives to watching TV!
<i>Jenna S.</i>	Please reconsider the decision to cancel the best show on television...any network. I love the Bomb Girls and can't imagine my week without them!!

<i>H. S.</i>	Please do not cancel this fantastic series. High quality, excellent writing and acting. We need this more than the rubbish broadcast most of the time.
<i>Laurie S.</i>	This is a wonderful show and we should be supporting the Canadian arts.
<i>Anonymous</i>	Please don't cancel this show. I love the portrayal of Canada's war efforts and how we came together as a nation. Do not let this show end before the characters see a victory!
<i>Rachel E.</i>	We want a third season!
<i>Georgia H.</i>	This show had a huge impact on me and I found it very inspiring. I cried every episode and found that it hit really close to home. We NEED queer representation and strong female role models in television. This is a quality show that needs to be on the air. Love, an American teenage lesbian
<i>NormaHarrison</i>	great show, tired of reality tv. finally something good.
<i>Rianne M.</i>	Don't cancel this excellent show.
<i>Anonymous</i>	great CANADIAN show, move to CBC like Murdoch Mysteries
<i>C. S.</i>	I LOVE THE SHOW. PLEASE RE_CONSIDER
<i>K S.</i>	My wife and I enjoy the show together. Please bring it back
<i>Christine K.</i>	BEST SHOW ON TV

<i>Kevin S.</i>	Canadian content is important and should be something your network focuses on.
<i>Allison H.</i>	This is a great show, period. Not a great Canadian show. Great characters, compelling storylines, really well-produced. Give it another season to build the audience it deserves.
<i>Donna J.</i>	would like the show kept on
<i>Brenda M.</i>	Love this show. Great role models for women. Don't cancel it.
<i>Donald R.</i>	This show is the "bomb." Please don't cancel it...
<i>Anahita D.</i>	save it.
<i>Jessica C.</i>	Bomb Girls is one of the most unique shows I have ever seen. It's characters and exploration of the 1940s is wonderful to me and I would hate to see such a good show be cancelled.
<i>Cristen B.</i>	I ran upon this show on the U.S. Reelz channel last summer and didn't know what it was but enjoyed it. Now I've gone back and watched it again from the beginning and have even introduced friends to the show. I'm not ready for it to end.
QUEENIE	BOMB GIRLS IS AN AMAZING PROGRAM.....FINALLY A SHOW WITH GREAT WRITERS AND AMAZING TALENT!
<i>Jadelynn A.</i>	Save bomb girlss!!!!

<i>Margaret M.</i>	An entertaining show.
<i>Barry S.</i>	I've been enjoying Bomb Girls and would like to see it through to the end.
<i>S. B.</i>	I have watched every episode with great pride for Canadian women. The show was extremely well done telling a story that all Canadians should be proud of. This is another blatant case of women getting the shaft. Our story should be told. Please proceed with season 3.
<i>Mallory B.</i>	Please don't have the incredible writers and actors/actresses behind this show end their storytelling here. There's nothing else like it. And there never will be again. They have so much more to tell.
<i>Kai</i>	I love this show!
<i>Kayla H.</i>	SAVE BOMB GIRLS!
<i>Jennifer W.</i>	There must be a canadian broadcast company that will support canadian shows; expecially one with such a following and decent ratings like this one. To see it gone again is so disappointing.
<i>Susan T.</i>	This is a well done piece of Canadian work which brings our history of the times to life. The personalities are well developed and real. let's keep it alive. There are so many detective shows NCIS etc that are taking over the waves. Let's have a program where we can also learn something about a much under appreciated group of women and their role in the war.

<i>Anonymous</i>	Why not let the viewers decide!!!
<i>Anonymous</i>	The world needs strong female role models, and Bomb Girls gives us just that! Please don't end it yet!
<i>Linda M.</i>	This is quality show about Canadian history and strong Canadian women. Don't miss the opportunity to pass the word to the world with this show.
<i>Krista H.</i>	A funny, witty, well-written show. A great drama with historical accuracy. Strong female characters in a time when women were truly learning how strong they could be. Please allow this show to continue.
<i>David B.</i>	keep the show..very entertaining and Canadian
<i>Sam S.</i>	One of the best Canadian dramas
<i>Christine L.</i>	Being raised in a border city, we watched a LOT of US television as there was "nothing good" on Canadian TV. Now, you cancel one of the few bright lights on Canadian television. I'm tempted to boycott Global altogether. You can come and get your Shaw satellite dish too!!
<i>Chae O.</i>	Bomb Girls deserves a season 3!
<i>Beth B.</i>	I love this show! Please keep it going.
<i>Karen</i>	DO NOT CANCEL SUCH A GREAT PROGRAM. A real loss for viewers who prefer quality programs to "reality" tv.
<i>Celina E.</i>	This show means the worlds not just to me but to it's millions of fans.

<i>Maggie H.</i>	I'm on the edge of my seat and dying for more!
<i>Amy S.</i>	love love LOVE this show !! Cancelling it would be terrible!
<i>Rich C.</i>	We have so few shows in Canada that we can be truly proud of. This is one of them. It would be an absolute shame if it were to not continue.
<i>Leslie K.</i>	Such a well-acted series in a sea of insulting reality shows.
<i>Keely H.</i>	There aren't many great Canadian shows, and this is one of them. I'm so addicted to this show, I look forward to a new episode every week. Please, keep Bomb Girls on the air!
<i>Audrey</i>	This is really really a good show.. It's an important topic ! I know you plan a movie but an other season, with more episode could be perfect !!!
<i>Dana B.</i>	Love Bomb Girls! Nothing else like it on tv! Love the story lines and time period
<i>Jessica</i>	PLEASE BRING "BOMB GIRLS" BACK!

<i>Kathleen A.</i>	Why on Earth would you ever want to cancel Bomb Girls??!!!! I love this show, my son loves this show, my coworkers love this show, my friends love this show. It's what we talk about at work every Tuesday. Seriously! The cast is awesome, the acting ,phenomenal and the costumes and set decor is so authentic and it brings back wonderful memories of my Mother and Father and my childhood growing up in Vancouver, BC. The story lines, the plots, everything about this show is so wonderfully good! I can't get enough of it. This is good television, tv watching at its best. It is such a refreshing change from all the boring reality shows, really, how many more bachelor shows and hoarding shows can one stomach. Please please please, I beg you, my son begs you, my co-workers beg you my friends beg you and all the other Bomb Girl fans beg you, don't cancel the show! It's what we want to watch! A forever Bomb Girls fan, Kathleen Allen
<i>Anonymous</i>	Such a shame that an awesome Canadian show has been cancelled!!!
<i>Penny</i>	Please please please! Series 3!
<i>Roseanna G.</i>	The most unique television show on the air right now shouldn't be cancelled. Much of the new viewership is outside of the US and doesn't get a say.
<i>Sheila M.</i>	Love the show. Please don't end it
<i>Zoe B.</i>	This show is just to awesome to end it!! there must be other seasons upcoming!!

<i>Kathy A.</i>	Excellent Acting and Superb Content! There is not a show on TV, like Bomb Girls.
<i>Paul M.</i>	Excellent Acting and Superb Content! There is not a show on TV, like Bomb Girls.
<i>Jennifer C.</i>	I grew up listening to stories told by my Nanny about the war, now with "Bomb Girls" those stories come to life.....PLEASE KEEP THIS GREAT CANADIAN SHOW ON THE AIR!!!!
<i>Marie S.</i>	This is the best show on TV today!
<i>Sandra M.</i>	Save Bomb Girls! It is so much better then all those horrible reality shows on TV these days.
<i>Anonymous</i>	I love this show. It offer much better entertainment than the reality shows that are only garbage.
<i>Mary D.</i>	favourite show!
<i>J G.</i>	Please do not cancel this important, well written, interesting show.
<i>Cathy B.</i>	Please reconsider this insane decision to cancel such a great show.
<i>Michelle N.</i>	Please do not cancel this great show.

<i>Margaret H.</i>	As stated so eloquently above 'Bomb Girls is a smart, spectacularly acted, brilliantly written, and wholly unique television show among media today. We can't get enough of the strong female roles, the deep female friendships, and even the loving female romances. Of course, you make us love the male roles and male-female relationships (friendships and otherwise!) just as much. There is no equal for Bomb Girls and there should not be a gap where it fits so well'. Get rid of the American shows that clutter up your network and keep this great Canadian show.
<i>P M.</i>	Such a different, interesting, vibrant show!!
<i>P M.</i>	Great Show!
<i>Karen B.</i>	I love this show. It's different and it's about the lives of women who actually worked in the bomb factories. Why on earth is it being cancelled? This is a show that makes Canada proud. They even got Rosie O'Donnell to guest star.
<i>Aislene S.</i>	I love this show so much, it is the sort of Girl Power that we need in society.
<i>Anonymous</i>	My 14 daughter loves this show. What a great way to learn about an important time for women in Canadian history. It's too bad Global/Shaw Media doesn't see the relevance of such a well written and poignant show. SHAME!
<i>Kelly</i>	This show is amazing and deserves more. There's more to their world that desperately needs to be discovered

<i>Patricia D.</i>	Bomb Girls is an outstanding series.... It is the best Canadian production I've ever seen. Most others fail to interest me and are often boring... they do not have the quality of acting and interesting story lines that this series does. I've nothing but praise for it, SO..... PLEASE DO NOT CANCEL IT.
<i>Rebecca M.</i>	I love this show please don't cancel it.
<i>Jim K.</i>	A fantastic show with amazing actors/characters. The bomb girls revolutioned women's rights especially in the workplace (but not limited to that). A shame this awesome show was cancelled due to the networks juggling its show time around too much to make room for more useless mindless "reality tv" shows in its place...very sad...Bring it BACK!! Please!!!
<i>Courtney Q.</i>	if u cancel this show, I swear I will stop watching anything on global and I no I won't be alone
<i>Gina Q.</i>	cancel and I swear I will never watch global
<i>Jan B.</i>	Please keep this show for another season. It is a great show that stands apart from all of the other reality shows that are garbage and the endless shows focused on violence, death and sensationalism. Cancel this show and I'll be turning Global off.
<i>Raylene F.</i>	This show means so much to me! Its such a good show! Canada doesn't get enough credit for shows like this! Please don't cancel it!!!

<i>Arlene L.</i>	I love Bomb Girls. It is one of the best shows in a long time, and yet it gets cancelled & for what, to put another stupid reality garbage show on. I'm sick of reality shows, they are a waste of t.v. Your mistake with Bomb Girls was the 6 week hiatus & changing it from Wednesday to Monday. Wednesday was a great night for it & I think that's why it got so many viewers, because there isn't alot on on Wednesday, so it was perfect for this show. Please bring it back & enough of the reality garbage. It really makes me mad when I see a commercial for a new reality show. Makes me want to scream & throw the t.v. out.
<i>Anonymous</i>	An amazing Canadian show - too good to have it all end now....
<i>Lib</i>	Please DO NOT CANCEL Bomb Girls!! for once, Global actually has a Canadian show in its roster and it's a great show, and you cancel it? this just proves that Global does not care about Canadian audiences at all. come one, prove us wrong!
<i>Vanessa S.</i>	It's so rare to have a women-centric show on television, especially Canadian television! Bomb Girls needs to stay!
<i>Emily R.</i>	It's ridiculous that we even have to do this! The brilliance of this show is apparent, giving the show a season 3 is what the show, the cast and crew and the fans deserve!
<i>R V.</i>	Great show... bad management at Global to schedule the timeslots the way they did.

<i>Bonnie B.</i>	I love the show. Please follow through with your word to air the movie in 2014.
<i>Neve S.</i>	Please don't let this amazing show die. It's very, very good.
<i>Meghan R.</i>	In a TV universe that's gone to the dogs, THIS is a rare gem! Please don't cancel. Not when you have something SO GOOD with still so much potential in it!!
<i>Jaimelynn K.</i>	the hair, the makeup, the story, the cast, the sets....it's one of a kind, don't take it away!
<i>Shannon L.</i>	I am a loyal viewer of this exceptional Canadian television series, and was shocked to learn that it is facing cancellation. It deserves to live another day. Please renew this wonderfully captivating series.
<i>Angelina F.</i>	This show is some os the best Canadian television ever produced. You are making a huge mistake in canning it. :(
<i>Kristen H.</i>	It would be easier to accept the show leaving if there was some closure!
<i>Anonymous</i>	It is the first time that a Canadian drama show has not only gripped the nation, highlighting our past achievements, but it also is creating a wildfire across the globe. I want younger generations like myself, to not only put our past in perspective, but enjoy a fresh new and exciting way to experience it. From fashion to technological advances in the 1930's and 1940's, this series has it all! Please, renew for another season, or atleast give us one hell of a movie finale!

Alysia T.

I fell in love with Bomb Girls. I am so saddend to hear that it is being cancelled, especially as there aren't many shows out there that promote women like this one does. Bomb girls makes me proud to be a Canadian women. This show is fantastic. You fall in love with the characters, and their stories. You cry when they cry. Im so sick of most tv shows now-a-days. Bomb girls really was a nice change. Play it over the summer if it cant hold up to winter lineups. A lot of series are ending in a season or so, so why not play Bomb girls then? truly disappointed! :(

Claudia M.

I love this show!!

Brandi K.

I LOVE THIS SHOW! It's created really well, the details are fantastic, the story line is intriguing, the actors are phenomenal. Global's best decision was making season two and worst decision is cancelling the series. It's great for showing females of all ages their importance and teaching them they, as well as the men, can have everything, including a family and a career. It sheds light on huge part of the war that was overlooked. BRING IT BACK!

Anonymous

Please save bomb girls! I just discovered it and have caught up on the shows online. I want more!

Jennifer V.

This show is a true gem! You are discrediting women, lgbt people, and Canada alike by canceling!

<i>Anonymous</i>	I installed the Global app specifically for this show , will not keep it if show cancelled.. Shameful to cancel in favour of dreadful cheap " reality " TV
<i>Jen K.</i>	Bomb Girls is one if the best Canadian made shows in a long time
<i>Paula E.</i>	I just found Bomb Girls a couple of days ago, and wow, am I impressed. This is television at its very best. How could you let this jewel slip away? Please stand up for quality this rare.
<i>Jordan</i>	I LOVE Bomb Girls!! I would like to see it continue to season three and on. It is a very informative look on how Canadian women lived there lives during world war ll because not a lot of people know how much the Canadian's did during the war. It makes no sense to kick a great show off the air.
<i>Two fans in Maryland (USA)</i>	Please save the show...
<i>The Warden</i>	Bomb Girls is a informative look on how Canadian women lived there lives in World War ll because not a lot of people know how much the Canadian's did in the war. I would really like to see this show continue on for more seasons. Not only was the cast excellent but the show was getting to the point of begging for more. I LOVE Bomb Girls and doing everything i can to save it.
<i>Brittany P.</i>	With so much unoriginality in TV shows and movies these days, I was relieved to find Bomb Girls. Not only is it original but it's also informative to my generation.

I'm 21-years-old and while I do know about WWII, this gave me a whole new perspective. These bomb girls could've been my grandma or my great aunt. Also, it shows how badly gender equality was needed back then. Ugh, I could go on for days how beneficial this TV show is. PLEASE, re-consider canceling this show.

Valérie

I saw the tv show and I sincerely liked. I love the characters, their history, the clothes, the way of living in this period : the 2WW. Tell what they are going to become in 2 hours is short. It's much more interesting to follow them during several episodes. So I would say I love Bomb Girls TV Show: Keep Keep it Please.

bombgals

We in Ireland love Bomb Girls. I'm watching it from the north of Ireland TV so that means that it is love in the republic of Ireland. North of Ireland and over seas in England. Please please do not cancel a great show that is great. Thank you

Michael D.

Wow, I can't believe the show has been canceled. I was wondering why I hadn't seen any thing on REELZE. I really enjoyed the show. Even though I am a Guy. This show reminded me off my Mother who worked in the factories here in the States during the war, working for the war effort. She often spoke of those days, when she was in her youth and my father was in the war. It really clicked with me to see the things that she spoke off. Not just the physical things, but the way people where and how they acted. It was peering into the past, a past that my Mother and Father knew so well. Sorry to see it go, I did enjoy the few season that

	we got to enjoy. Thanks for the memories, maybe someday it will return. I do hope to see the movie to set things in order for the finish of what, when and how it all ends.
Theresa M.	My Grandma was a bomb girl!! This show has given us lots to talk about. I love the history, the costumes are amazing and a great storyline! We should be proud of a very well made Canadian show! Bring it back.
Brenda & Greg	Love the program! Please reconsider cancellation.
Katy G.	No!!! Just watched this on netflix and learned it's been cancelled. How is this possible??? Please bring it back!
Heather T.	I love retro and vintage things and this show is a perfect example of why; the beauty of props/costume and settings, the historical importance, investable characters and the way all that comes together!! Bomb girls is magical, I'm happy when the characters are happy, I care about their causes, all thanks to excellent writing & acting! The cast are All amazing in their roles, be it as characters we love (many) or characters we love to hate, the portrayals are very near perfect!
Gloria G.	I wholeheartedly plead with the Bomb Girl Show producers to keep this first rate TV series going for many reasons – the acting, the storyline and the vital time in women's history in which this show takes place. This series showcases women and camaraderie. What TV show out there has the formula of women working together in unison in a time of need? TV shows today especially reality TV

encourages women to hate one another instead of coming together in support of the cause. World War II was an especially important timeline in women's history – their stories need to be told and this show does an excellent job in telling us about their plight. Please continue the great formula of this excellent TV series by renewing many more seasons. WE WANT IT BACK NOW!

Schmidt A.

This was a fantastic show and we thoroughly enjoyed it. We hope that this show will continue to be broadcast. Very good acting.

Joanne B.

This is a wonderful TV show. It's history packaged into a beautifully written, wonderfully acted story about characters that bring history to life. This is TV at its best. PLEASE RENEW BOMB GIRLS THE TV SERIES.

Sandra & Jack K.

My husband and I just finished watching "Bomb Girls" on Netflix. We loved it! We are disappointed that the show was canceled so abruptly. We grew to like all the characters and want closure to the stories. We hope the movie will be made available via Netflix.

Gina C.

Bomb Girls is a great show that helps shed some light into what might have happened in Canada during WWII. The characters in this show are relatable and well developed. The story line is interesting and ever changing. Please renew it

R M.

LOVE BOMB GIRLS! Great show, different from all the crap on tv right now and love seeing the Canadian side of

	WWII, something I've never seen portrayed in a tv show that isn't a documentary
<i>Abigail I.</i>	Love this show so much! It's made an amazing impact- please rethink the decision!
<i>Lea T.</i>	as much as I would love to see this show have a third, forth, and tenth season, if that is not something that can pan out a movie would be wonderful closure for a really incredible show.
<i>Anonymous</i>	This is a great show. I cant see why you would cancel it and prob put on a crappy reality show. Please dont cancel a good CANADIAN show.
<i>Frances E.</i>	Need more money? Sell the show to ABC Australia, they'd love it!
<i>Anonymous</i>	I found this series later in the second season....I have taped and watched every show. Excellent acting and a great story. Pulleezzzz keep it going. Thx
<i>Barry D.</i>	Why can't we have both Murdoch and Bomb Girls?
<i>Crystal P.</i>	I love Bomb Girls! It's a fabulous show! Please give us a season 3!
<i>Amanda A.</i>	great show,
<i>Paul R.</i>	I understand the realities of how hard it is to keep good canadian content on television especially when things are dominated by us television, but I loved this series as it was so well written and acted and showed Toronto. Its a shame it

	can't be saved when all over the networks are filled with "reality series" which just panders to the lowest common denominator and go on for years and years.
<i>Helen W.</i>	It would be criminal too loose this program. It is an excellent show that is not about Doctors Lawyers and police.....a much needed option. Well produced, exceptional acting and again, please do not take this show off the air!!!!!!
<i>Brenda B.</i>	There is so much more of this story to be told. When explaining "Bomb Girls" to friends, most are not aware of the role women played during the war in bomb factories and doing whatever possible to support our men overseas. It was often dangerous work and took so much courage for these women to venture outside of their comfortable homes and family life. It's about time both the men and women "back home" gain some recognition and awareness of their valuable work.
<i>Kat M.</i>	A wonderful show that is entertaining, gorgeous to look it and historically relevant. Please do NOT cancel this great CANADIAN program!
<i>Alice</i>	Please another season....
<i>Angela</i>	It's a great show with substance. I have never understood how great shows get cancelled.
<i>Nancy B.</i>	This is my favorite television show! I love Bomb Girls. Such a shame to cancel it! Please reconsider.

<i>Morgan L.</i>	Bomb Girls is a great Canadian TV show that should not be cancelled!!! Amazing stories, amazing actors....please bring back this classy show!!!
<i>Rosie M.</i>	This show gives a prime opportunity to face many issues that are still currently around. It has a more insightful storyline and is more entertaining than some shows that have twice as many seasons. It deserves to be renewed.
<i>Holly H.</i>	This lovely show has really been coming into its own this second season. There is so much to explore with themes that have been developing.
<i>Wendy W.</i>	It is a great show about strong women. It is important for young women to have show like this.
<i>Brianna B.</i>	This is an amazing show!!!!
<i>Judy L.</i>	Don't cancel Bomb Girls, its one of the best show's going. I look forward to watching Bomb Girls every week. I CAN'T BELIEVE YOU CANCELLED MY FAVORITE SHOW.
<i>Roberta</i>	i love this show,is fantastic!!please,give us a third season!!thanks,from italy.
<i>Valerie S.</i>	Please keep it on the air.. finally a good Canadain show.
<i>Georgia A.</i>	LOVE the show - too many unfinished story lines.
<i>Lynn F.</i>	I love this show, please don't cancel it!

<i>Carol</i>	Please, my daughter and I love this show and tune in every week. Why would you cancel it?
<i>Cathy B.</i>	So little good tv out there and this was one of the best. A Canadian show, set in Canada, with great actors and great storylines. Loved seeing what things were like in Toronto at that time. Hate all the reality crap shows that are on tv and I don't watch any of them. Please bring back Bomb Girls
<i>Bettie L.</i>	Come on, Corporate...Think with your hearts sometimes, not always with the bottom line. There is great love for Bomb Girls. You know that!
<i>Corinne</i>	Save Bomb Girls!
<i>Debbie M.</i>	PULEEEEEEEZE DO NOT CANCEL THIS Wonderful historial canadian drama. It lost its momentum when waiting to 11 months to air season 2 but I waited patiently. Give it one more season. I personally know a bomb girl still alive at age 90. Do her proud!! Debbie
<i>Sara B.</i>	Bomb Girls, why oh why must you be over! Please, for the love of all is good in this world, let them renew it! Best show ever. In only 18 episodes it has captured all of us and I know for me that I have gotten genuinely invested myself in all of these women. What a tragedy!
<i>Tiril</i>	Because it's my favorite show and it would break my heart if it got cancelled. And I think its a really great show with a great story and actors.

<i>Debbie D.</i>	Bomb girls is the best show in years. Not into the reality shows like survivor etc. Feeling sad that the Canadian media will lose out on another great show. Debbie.
<i>Dave B.</i>	Bomb Girls is a thoroughly enjoyable TV program. Given the caliber of programming on TV these days, it would be a shame to lose this show.
<i>Claire W.</i>	This is such a good show, it's a shame to end it so soon.
<i>Melissa L.</i>	Need more great canadian shows!
<i>Daniel B.</i>	Come on GLOBAL be CANADIAN THIS SHOW IS ONE OF THE BEST IN A LONG TIME DO NOT MESS THIS UP.
<i>D. M.</i>	Ah come on! Excellent show, excellent acting and it's Canadian. Let's hold on to this gem!!
<i>Carine</i>	Keep the Canadian Shows Alive:)
<i>L. S.</i>	Please renew Bomb Girls!
<i>Dan D.</i>	We need a show like this. Talented actors and Canadian!
<i>Jonathan J.</i>	please keep the bomb girls on the air,we all loves the sure,waiting more of it to come,is the best show there is,never missed espidoes of it,keep on the air please,we loves the bomb girls,bomb girls rock!!
<i>Jenna</i>	I love the show! Please keep it.

<i>Pamela C.</i>	i just finally discovered this show this past season. It is a one of a kind show. Please allow a third season. It is a breath of fresh canadian television worthy of primetime.
<i>Sonia T.</i>	Please don't cancel Bomb Girls! A movie would be great, but don't cancel the show! We love it so much! I don't know how the ratings are calculated but so far I've watched every single episode on TV. I even watched the encores. Cancelling this excellent show would be a mistake and a huge disappointment to Global TV viewers.
<i>Julie Z.</i>	Please re-new Bomb Girls. its by far one of my favorite shows.
<i>Teresa M.</i>	finally a great Canadian show that captures an important point in time with our perspective - compelling story lines, great acting, fantastic scripts and costumes. It's time for this show!
<i>JanG</i>	Every well written Canadian tv series ends long before its time...stop the madness!
<i>Audrey</i>	I have been trying to bring last weeks bomb girl up on Demand Series and could not. So I went on internet to see whats happened and I can not believe it is cancelled I've been telling all my friends what a great show it is and that is Canadian. There are so few good shows on T.V any more this is a shame.
<i>Judy O.</i>	Catching up on Netflix and then looked to see when season 3 was coming. So sad to see it was cancelled but look forward to the movie!

<i>Gabriela R.</i>	I love this show, it's brilliantly written and represents women! We need more shows like this, it can't be cancelled.
<i>Anonymous</i>	Don't mess this one up, Canada!
<i>nanapatty</i>	This is probably the best show out there.. Enjoyed by generations myself daughter of a bomb girl and a navy WWII sailor..my daughter and her teenage daughters, Please continue this..great program..historic..timely well written..well acted..AWARD winning program
<i>Michael A.</i>	Bomb Girls is the cats meow
<i>Sari C.</i>	My husband and I have loved this remarkable show ...please extend this show with more episodes!
<i>Jan J.</i>	Love the show! Please continue it so we can enjoy their exploits!
<i>Klair</i>	I started watching Bomb Girls because it reminded me of the stories my grandmother told me about when she was young. As I kept watching I started realizing how much the world has changed since then. Most war shows I've seen focus on the men and little on the huge role that women played during that time. I want to Thank Bomb Girls for giving me this insight into the world my grandmother grew up in! There is nothing else like it on Television!! Please save it!!
<i>Prairie P.</i>	We here in North Dakota would like to see at least one more season of Bomb Girls. Please.

Susan M.

We love the bomb girls

Ellen T.

Please bring back bomb girls! Finally, an intelligent captivating show that combined all the elements of great storytelling, including suspense, drama and empathic characters but instead of garnering praise, it is halted before its time. Although I am not usually a history aficionado and tend to watch American television, my interest in Canadian history was piqued by the great storytelling and superb performances. I was intrigued when I heard the names of Canadian towns I have passed through and wanted to learn more about their past. The character development was both riveting and diverse as we came to know what made these people tick and provided insight into the fabric of Canadians society. Even the music drew my attention and motivated me to research the artist and song titles that were featured. In addition, if all that wasn't enough there was even a super attractive male who had both the looks and depth of character to keep me entertained. This show truly had a bit of everything, in I particular I enjoyed watching the fashion of the day and noted how class difference was made most apparent in the clothing that was worn. Now, with this show cancelled all that remains are silly American sitcoms, since I live in Quebec I have taken to watching the French stations since they at least feature some intelligent content. Finally there was an excellent Canadian show to watch, so it is disappointing to see that a production with so many fine elements cannot be maintained. I am sorry for the actors who gave powerful performances.

I guess I will be spending even more time on my computer which the people in charge should know is an ever growing trend, I believe that they should be questioning these decisions with a different outlook and reconsider keeping this production .

Graham C.

Very disappointing that this great series was cancelled! Wished I'd heard about the cancellation earlier. I absolutely loved this series.....incredible sets/ acting/ story lines.....VERY professionally put together, and oh.....of course.....an incredible cast!! It's sad that the real trash-type series on TV these days gets signed on year after year.....

Debra R.

Wow, i read a post from a fellow fan. And i could not agree more. As a an American fan, we are stuck with reality shows on every turn. Just tonight i saw an ad for...wait for it...Christmas lights wars...really? I have a few American dramas and comedies. But most of my viewing pleasure comes from, Canada, and UK. As a fan of history, this show is another home run on Period shows. I am truly saddened to be left hanging with so much going on. This show is awesome..... Please rethink the options.

Ingrid Z.

I just found this series on Netflix. I do not see how you can wrap up WWII in a 2 hour movie and give these fabulous character justice. I would definitely enjoy another 2-3 season finish.

anonymous

Bonjour, I discovered Bomb Girls a few months ago... But, oh my, what a discovery! This show has exploded in my face, no pun intended. Bomb Girls has

taught me a lot and helped me greatly. I've never had the opportunity to know my grandfather, who was drafted into the Nazi army corps. He was later captured and tortured by the French army to serve for them. My mother married an alcoholic and abusive man who beat her and cheated on her. One night when he was drunk, he raped her, and nine months later my half-brother was born. His father died later from alcohol abuse, and my mother married my father, a sweet and funny Spanish man. I was born almost a decade after they met. My father then went to live in another country when I was 4 years old. He could not stand being with my mother, who was manic-depressive. I grew up with it, I helped her get through every day life and took care of her as best I could. My brother then enlisted in the Air Force when he was sixteen. I was six. There he began to change, became violent, racist, homophobic. He wanted me to fix my failed Spanish education, because for him the fact that I love my Spanish family was not correct. I quickly learned that I am a lesbian, having my first relationship with a woman when I was 11 years old. My brother went crazy, beat me and raped me. My mother listened to him doing it every night. And every night, she remained silent. There was a time when she reacted; she first asked me what she had done to deserve this, and then she told me to make an effort. During my teens, I fell into a life of drugs, alcohol and sex. At 13 years of age, I was going to "street teen" parties. I drank and gradually became addicted to cocaine. The sexual, sometimes degrading experiences became more and more

frequent. I fled my home when I was sixteen, the legal age in France to leave school. I fled without a degree, without money, without hope or self-esteem. And from then onwards, I began to grow. At present, I do not drink a single drop of alcohol. I take no more drugs. I have a fabulous girlfriend and three totally crazy cats (they are important, my cats!), an apartment of 90m² I pay for myself, and I study law through evening classes so that one day I might, I hope, help others and get punishment for those who do not respect life. Bomb Girls represents to me everything I have fought for in recent years. Love, hope, equality, life. The episodes of the show have soothed me, made me smile, laugh and cry. And they have made me proud, proud of what I've done so far, the person I am now. The show told me that everyone, without exception, one day, will suffer discrimination. And in a sense, it showed me a sad truth, even if the show takes place in the 40's, some themes are still valid today. For this, for these slices of life you offered us--stories that fill us with hope, courage and love--thank you. And I wish with all my heart that Bomb Girls will come back. Thank you all--actors, directors, producers, behind the scenes crew... A big thank you. Come, give us courage again. I will fight with you, because I know that this series is worth it; because I know that hundreds, if not thousands of others have found their own courage upon seeing the show. I give you all my love (and a lot of bombs for the fight!)

Gail S.

love this show, please bring it back.

<i>Lupe C.</i>	I just started watching this show, and you cancelled it?!! DON'T!! It's an excellent drama among so many crime and mystery dramas on TV today. You need to find a way to continue the series until the end of WWII and the characters make their way in life post-WWII. PLEASE KEEP BOMB GIRLS ON THE AIR!
<i>Ocean</i>	Bomb Girls is to good to get cancelled it rare to fine something so good on television that deals with history in an interesting relatable way. it also beautifully showcases the strength of Canada and in particular it's women
<i>OLIVIANA C.</i>	WE NEED TO KEEP THIS AMAZING SHOW ON TELEVISION.
<i>Julie C.</i>	Please bring back Bomb Girls! Many viewers just heard about it for the first time when the cancellation was announced and then fell in love with it when it was too late. Bring it back and give them (and me - I've been watching since the start) a chance!
<i>Karisha</i>	this show is really meaningful, and has some of the best actors I have seen, also it's way between then most of theses lame shows we have in America
<i>Amanda G.</i>	Bomb Girls is a fabulous Canadian television show that should be extended not canceled.
<i>Pilar</i>	This show is critically acclaimed and one of a kind, do not cancel it.
<i>Leslie</i>	what a shame!!! this show is amazing not only that but it is canadian ANNNND it shows what life could have been like for

	the people who shaped the society we now live in. Please please please bring back this show
<i>Anonymous</i>	I wholeheartedly agree with this petition. In a world of oversexualized, mind-rotting reality TV, this CANADIAN show, is showing how great TV should be done. Do not cancel this show!
<i>Mikhaila</i>	how can you cancel such a gem of a show? I am truly disappointed
<i>Rebecca J.</i>	This is our suggestion box. Do NOT cancel this show! You would be extremely foolish to do so. If your network wants to make money, then listen to the audience and quit canceling shows that we love!
<i>Kashmir A.</i>	This is one of the best series I have even seen and am astounded to find out that it has been cancelled. You need to give Bomb Girls another season at least!
<i>Anonymous</i>	another US fan who loves Bomb Girls--save women's history and this fantastic show--it's too good to let go.
<i>Larry B.</i>	Easily one of the best dramas on tv...why why why would you want to cancel it? I am so sick of great shows leaving the air! SHOWCASE or CTV should take it.
<i>Liz S.</i>	This show has been an incredible inspiration for me. There are so few shows on television with real, strong female characters who exist outside of romantic story lines. If any show right now deserves a chance to flourish, it's this one.

<i>TJ W.</i>	Finally a good show with a good plot that is not reality TV and it gets cancelled. A CANADIAN show that is as good as this should not be cancelled so easily. Quit letting American TV trends control Canadian television.
<i>Stephanie K.</i>	I have never seen myself reflected in a tv show or movie as much as I have in Bomb Girls. The storytelling and characterbuilding ability demonstrated in this show is beyond what you would find in other shows. This show is simply too good to let go. Too good to let end like that.
<i>Carla</i>	This is one of the best shows I have seen in years. Please keep it goings!
<i>Dana</i>	Each of these women you have shown us during the course of Bomb Girls is smart, independent, strong, and capable. They are an inspiration to us dedicated viewers; we have come to see a bit of ourselves in each of them.
<i>Kim</i>	PLEASE do not cancel Bomb Girls. It is a great show and I look forward to watching it every week. It would be sad to cancel such a great Canadian show that showcases how strong women were during the war.
<i>Stew B.</i>	If the show had "bombed" I could understand the cancellation. Keep things going on the production line!
<i>Brendon G.</i>	keep the show on the air man,i can,t get a enough of it,loves it.
<i>Sandra</i>	I cannot believe that you are not renewing this great program. I hope you change the

	plan!
<i>Zamira</i>	We love Bomb Girls.!!!!
<i>Maria M.</i>	i love this show dont cancel!
<i>Regina M.</i>	I live in US and all of my friends and family are hooked on Bomb Girls. It is a travesty to cancel such a great show.
<i>Ashley</i>	This is my favorite show! Please bring it back!
<i>NINA</i>	Save BOMB GIRLS
<i>Lori B.</i>	If you've based your decision on ratings then you are so far off the mark, it's laughable. People all over the WORLD have watched Bomb Girls, and are willing to fight to keep the show in production.
<i>Lilia N.</i>	I love everything about this show. The story, the characters, the way women were important in World War II, fashion, figures, everything! Is the best show on television today. Every week I was prepared to see. so sad.
<i>Lilia L.</i>	Please don't cancel Bomb Girls!!
<i>Julia X.</i>	I love Bomb Girls!! Is the best tv show EVER!!! Do not cancel!! PLEASE!!
<i>Craig</i>	best show ,please reconsider it has so many fans.
<i>John M.</i>	One of the best television dramas on TV today. Great writing, great actors and Canadian! Keep it going.

Felicia C.

The show is simply incredible, the writing, the acting, the stories. There have been many shows on the war, but few have every told the story of women and the war outside the war of bullets and actual battlefields. There has rarely been a show which has been able to portray such real and strong women without being overly heavy-handed (ie Look at me I'm such a strong woman character). The women in Bomb Girls are simply women trying to lead their lives and fight for such a right, which remains a struggle for many up till today. Personally for me, I enjoy the show tremendously, and even though I live practically halfway across the world I eagerly await each new episode. Also, with the end of season 2, I feel that there is just so much more story to tell for all the girls. Don't let it end here please. Be a part of something amazing and save Bomb Girls.

Sarah

Save the show please! It's amazing and the fans really love it!

Anonymous

Bomb Girls is superbly crafted, entertaining television viewing... so refreshing after all this cheap to produce reality TV.

Ali M.

I'm a fan who just discovered this show & Netflix (only season one) & am saddened to learn that it has been cancelled when so many others make it. This show is AMAZING! Powerful, inspiring, I love it! PLEASE SAVE IT & BRING IT TO AMERICA! This Wilmington, North Carolina, United States fan needs it.

John N.

Great show always look forward to watching it. Much better than most of the

	trashy American shows
<i>Wanda W.</i>	Please cancel one of the many reality shows instead of a quality show like Bombgirls.
<i>Lisa C.</i>	why pull a quality show?? the culture drain will just continue. sad. save bomb girls.
<i>Anonymous</i>	If at all possible, PLEASE do not cancel Bomb Girls!
<i>Beth B.</i>	my grandmother was a bomb girl!!..she worked at the general electric company of Ontario at eglinton and warden in scarborough...my grandmother was sixteen at the time. She had to lie about her age to be able to work there because she had to support her family...she has since died and not a day goes by that I don't think about her and the strong woman that she was...this show must stay so that my grandmother and all the woman that were with her in that factory can have a voice and let their stories finally be told and not forgotten
<i>Anonymous</i>	Please save this remarkable show!!!!!!
<i>Rhea L.</i>	I love this show and watch it on Reelz in U.S. Please reconsider and bring it back for another season. It's too good to cancel.
<i>Maggie C.</i>	Save Bomb Girls!
<i>Alison F.</i>	Amazing to watch a female-centric show, detailing the contribution made by women during WW2. Bomb Girls has really strong writing and performances, with characters that I can relate to and

	don't often see portrayed on screen. It is the only show of its kind on TV.
<i>Anci</i>	You could do 6 episodes instead of 12 for season 3 again! c'mon you can do it! don't end it like that! #hope
<i>Sherry L.</i>	Such a good canadian show. We want it back!
<i>Jacquie H.</i>	This is an excellent weekly show. TV stations need to provide intelligent tv drama for those of us who are not willing to watch the drivel that is shown.
<i>Gayda J.</i>	One of the best Canadian shows ever. How can you even consider cancelling it??
<i>Sandra D.</i>	support Canadian TV we do
<i>Kristina</i>	this show is amazing I have never seen a show like it before.
<i>Sharon N.</i>	This is by far my favourite show on tv...I look forward to it each week. It would be a terrible loss to have it cancelled!!!
<i>Lori C.</i>	Please keep making this show. I really do not want to lose it!
<i>Madeleine</i>	Why would you cancel a terrific Canadian award winning program that's watch every week by so many people!
<i>Katie B.</i>	I love this show! Please renew it!
<i>Grant</i>	Promote the exploits of Canadians not the rehashed U.S. drivel that is the usual fare on TV.

<i>Rachelle M.</i>	It is wonderful to watch a Canadian made tv show about strong Canadian women Don't give up on a great show.
<i>Laura W.</i>	Please don't cancel this excellent program. Quality television is so rare these days.
<i>Peggy S.</i>	Save my favorite show !!
<i>Andrea S.</i>	This was one of the best shows on tv - an absolute shame it has been cancelled.
<i>Lara S.</i>	This show has meant a great deal to me personally, as I like to see how all the different story lines and issues have played out. From income disparity and women's rights in the workplace, to LGBT and racial issues, Bomb Girls had it all! A show of this caliber deserves resolution. Please grant the show a 3rd season and a Finale Movie! Thank you!
<i>Jovanna</i>	#savebombgirls
<i>Kavita S.</i>	Please do not cancel this show, we need a closure.
<i>Arden J.</i>	Bomb Girls is hands down the most amazing TV drama I've EVER seen. It's the first show I've watched over and over, and still got something new out of it each time. The script is amazing and original, and the actors are so skilled at bringing the characters to life, I get lost in their world, and when the episode ends, I feel lost upon re-entering reality. I don't want these amazing characters' stories to end!
<i>Mary</i>	This is a high-quality programme: well-acted and well-written. It deals with

	interesting thematic issues that are often under-developed in the mainstream media, and does so with a wholly engaging range of characters. To abandon this show would be to leave a significant gap in the market.
<i>Siri N.</i>	renew bomb girls, i wanna see how this war ends!!
<i>Graham B.</i>	As a history student, Canadian history is underrepresented in film and tv. Never mind the shows fresh perspective on WWII, focusing on the homefront and from the strong female cast of characters. Not to mention how I love the costumes, music and dancing. Please save this show, Global!
<i>Claudia</i>	Esta serie muestra un punto de vista diferente pero real en lo que fue la participacion de la mujer en la guerra, ellas tambien son heroínas y con este show se da un reconocimiento a esas mujeres que día a día salían a buscar la forma de ayudar a sus hijos y esposos (Translation: This series shows a different view and a true picture of the participation of women in the war, they are also heroines and this show honours those women who tried every day to find ways to help their sons and husbands)
<i>Anonymous</i>	Love this show and the characters, would love to see it continue another season, but would settle for a tv movie with closure to the storylines.
<i>Elizabeth M.</i>	This is a truly entertaining show that shows a awesome time period in canadian history. It shows relavent issues of the time and is very well written. They

tastefully cover lqbt issues and other cultural issues of the time very well. PLEASE keep them around or have another channel pick them up their story is not over.

Kirsten & Steve M.

my husband and i started watching this wonderful series when it started and were floored that isnt not being renewed. this series is a jem and needs to be saved no buts ifs or ands. I have even dvred it for my 9 yr old son who has been asking about ww2 a lot and how we were at home during it. being the granddaughter of a vet and the grand daughter of another immigrant canadian that almost got put into an internment camp this put a face on both sides of the coin. My generation is heading into our 40's my parents are in their 60's and theya re the children of the war age... the children of today need to be made aware of how things were. This series helps put it in perspective and gets conversations going about things that never should be forgotten. My god I even dug out my late grandmother's war cake recipe and tried it..(totally gross) but it was a recipe that was standard during the war. Please save bomb girls and renew it it's part of our heritage as canadians and part of history that should never be forgotten.

Angela W.

Please don't cancel this show! It is so good!

Ana S.

We need to know what our parents, grandparents, aunts and uncles experienced. Please help preserve history.

Kathy D.

Please save this quality entertainment which is SO rare these days.

<i>Anonymous</i>	I'm in love with this show and there is absolutely nothing else like it on TV!
<i>Elaine H.</i>	This show is too good to cancel after such a short run. Please reconsider or perhaps another tv network can pick it up??
<i>Lauren H.</i>	I would trade any show on TV to keep this one on the air.
<i>Hannah</i>	There is too much to be finished, don't leave us hanging.
<i>Jim W.</i>	This is a superb and entertaining show all Canadians should be proud of. Give it another season, promote it properly. Treat it like the gem it is instead of going 11 months between seasons and yanked for 6 weeks for the millionth iteration of Survivor. Do not cancel it Global! Be proud of it! You have created exceptional television!
<i>Anonymous</i>	Global should be so proud of this show. Great acting, narrative. Realistic role models for young women. A history lesson without pushing. Bring it back and I will support your sponsors.
<i>Anonymous</i>	Only just got into this show but I'd love to see more!
<i>Flora M.</i>	Please reconsider this decision. It's such a worthwhile show, both enlightening and entertaining !
<i>Trinda W.</i>	This is far too amazing of a show to cancel!
<i>Roberta S.</i>	What a shame to cancel such a wonderfully scripted, acted and

	historically relevant show. Bring it back for several more seasons. I set my PVR and watch religiously!!! Don't cancel the best Canadian made show! Continue to make Canada proud!
<i>Nazanien</i>	Please, as a young woman from Toronto that takes great inspiration from the 30's and 40's this show is one of my favourites, please do not cancel it. To be able to see how women in my own city would act in that era is inspirational and keeps me on the edge of my seat, not to mention up dancing along with the music. Please reconsider a season 3. Thank you.
<i>Anonymous</i>	Bring in Season 3!!!!
<i>Anonymous</i>	I started watching this show after my mom recommended it to me! It's frustrating that good Canadian content gets cancelled for reality-tv crap. After a bajillion seasons of Survivor, are people really watching anything new? The time period and fashions of Bomb Girls is incredibly enchanting, and the fact that it's set in Canada makes it even more fun to watch!
<i>Jules W.</i>	why get rid of a popular show. Save Bomb Girls a great shoe
<i>Laurie S.</i>	To end Bomb Girls' stellar lesbian Betty with a murder-jail storyline is simply following a historical pattern of media homophobia wherein women whose sexuality is unconventional are written to die, become sick or are otherwise socially punished. This is unacceptable, homophobic, not to mention very low brow.

Bomb Girls is an award-winning, critically-acclaimed show with a steady fanbase, and somehow it has been cancelled? Rather than tell the stories of the men and women who fought on the Canadian home front during WWII, Global would rather fill its slot with some syndicated American reality show. It's time to support quality programming that relates the stories of a diverse cast of characters with integrity and humanity.

Lindsay D.

Please rethink the cancellation of Bomb Girls. I haven't been as engrossed in a show in a long time, and it's refreshing to see the story of how WWII affected the Canadian homefront. This is not only important history for women like myself, but important history for the world - written, acted, and produced at a top-notch level. I only see Bomb Girls gaining more and more success and viewership as time goes on, it would really be a shame to miss out on that. Please, give this unique program another chance.

Evelyn H.

this is important to me because you have cancelled a great show. this show isnt just another series, it represent the heardships women had to go through during that time period and the new grudges and liberties that the inherited from their husbands. and i personally find this fascinating because as a young viewer this how i have a glimpse into our countries past and all the historical events that took place in a way i actually enjoy indulging myself in

Tara

I watch virtually no television. Haven't for years now. A friend told me about Bomb Girls on Netflix and I can't get enough!

	I'm desperate to see these women's stories continue! Please! Bring them back to us next season! We need more shows with a moral compass like this!
<i>Matthew B.</i>	This show is amazing. Among the great shows of this century so far. It is building an audience in America. Everyone I have convinced to watch it has LOVED it. DO NOT CANCEL THIS AMAZING SHOW!!!
<i>Robert & Ginette S.</i>	This is a GREAT series! Why cancel a winner? There is so much trash TV (reality shows) that this one was entertaining, exciting, and historical - all in one. DO NOT CANCEL IT - PLEASE!
<i>Libby S.</i>	Please keep this amazing program on the air for season 3!
<i>Vasimon</i>	Good show like Bomb Girls should be continually made and allowed to broadcast.
<i>Elizabeth G.</i>	This show is truly amazing and I'm a huge fan! Please reconsider your decision.
<i>Anonymous</i>	Great series...wonderful acting....
<i>Charmaine B.</i>	This is a favourite show. Please don't end it!
<i>Andréanne P.</i>	Bomb Girls is an amazing show that teach us the strength, pride and courage of the Canadians during WW2. It is well written and amazingly played. We need this show back on air.
<i>Lise</i>	It is a great show, and i personally think that there is so much to do with it. Please give it another shot

<i>Julie</i>	Please save my show
<i>Anonymous</i>	this is about Canada, not about the way Americans mess our history up. We need to have our history told by Canadians and this show is about women who were strong and brave and helped win a war.
<i>Rick</i>	Great Canadian show.
<i>Kathryn M.</i>	One of the best period dramas I have seen on TV in recent years. It must be brought back for more seasons!
<i>Anonymous</i>	I really like this show please don't cancel it
<i>Sophia P.</i>	I love this show! It gives me a view into the world my grandparents lived in during their youth. My grandfather was a rear gunner with the RAF, and this time was the prime of his life. Aside from that, the characters are so strong and interesting, I could watch endless seasons of Bomb Girls!
<i>Sarah G.</i>	A strong show lead by equally strong female characters depicting women's vital contributions to the war effort needs to be shown through to the end, not given a shabby cancellation.
<i>Chrysty</i>	The tv series teaches us a lot about world war 2 and how the system operates back then.
<i>Daria R.</i>	This Is One of the Best Shows on TV Today Please Keep It Alive. The Time and Generation we Need to keep in Our Memories and Learn More about

<i>Debbie G.</i>	I love the Bomb Girls - please don't end this great series!
<i>Jennifer R.</i>	Please don't cancel the show. It is wonderful and different as well as superbly acted.
<i>John T.</i>	We, in the U.S. need to see more shows like this. It helps put in perspective the larger truth that America did NOT win WW II ALONE as many of my countrymen believe. My only question is why this show was kept secret for so long. I had to stumble across it on a "if you liked this you might like this" teaser!
<i>Amber L.</i>	Please save this quality, most heartfelt humble show on television! I cannot live w out this show! Please!
<i>Anonymous</i>	We need shows with strong characters.
<i>Caitlyn C.</i>	just discovered this amazing show!
<i>Anonymous</i>	All seasons need to be available in a DVD format that will work in the US....there are many fans here who want to continue to replay this wonderful show. I would also like to share it with my mother who doesn't get this on her cable as she lived these stories as a young girl.
<i>Alexandra B.</i>	fucking good show
<i>Sandra P.</i>	I've watched little else on TV other than bomb girls we want season three!
<i>Chashawna A.</i>	please dont cancel bomb girls

<i>Kim U.</i>	I don't watch a lot of TV, I normally wait until a show I like is out on DVD and then buy the DVD... With Bomb Girls, I can't wait for the DVD. It's that good. I can't wait until the season wraps up -- I must know what's going on ASAP. Please, PLEASE, P-L-E-A-S-E bring Bomb Girls back for a season 3. It's amazing television.
<i>Claire</i>	This show is so original, so real, so entertaining and so inspirational. The women are so strong and are represented so WELL. Bomb Girls has helped me become more comfortable with who I am. I really do not want it to be cancelled. :(
<i>Marnie R.</i>	I want Bomb Girls to continue!!
<i>Caroline G.</i>	Please give this show a proper send-off!
<i>Shirley H.</i>	LOVE the show- esp. w/ Rosie O'Donnell!. Most of my friends didn't have REELZ on their cable list. Can't you partner with History Channel?
<i>Anonymous</i>	I love this show, it is well made and very good actresses and actors, please keep the show on!
<i>Jane R.</i>	Very smart, well directed and played show.
<i>Natalie</i>	This is such a great show and relief from reality TV and game shows. Hope every effort counts to bring the show back.
<i>Sarah D.</i>	Please bring back Bomb Girls! You will have great ratings and support. Give back to those who support your industry!

<i>Yaacov L.</i>	Outstanding historical drama. Should be fully actualized.
<i>Robert B.</i>	please bring the show back. Thank you
<i>Steve R.</i>	Please renew Bomb girls. This series depicts the important role the men and women at home played in the war effort. I cannot believe Global could allow this well made show to slip away after two seasons. It is truly Canadian and we should be proud to have this show available to us. In a time when successive generations are gradually losing awareness of our role in the "Great Wars" this show is of importance. It will be a sad day when we no longer have this series. Sad indeed!
<i>Arroll S.</i>	One of the best dramas out there. Please don't let this be the end. We need good Canadian TV!
<i>Elizabeth S.</i>	This show is the best! It`s so down to earth and well researched and what a wonderful change from that godawful reality T.V.!!!
<i>William T.</i>	SAVE THIS SHOW!!!
<i>Adrienne C.</i>	Please continue such high quality television!
<i>Tarquini P.</i>	Renew this serie, it is the BEST I've ever seen! Don't disappoint the fans ! We're addicted to it!
<i>Lynda G.</i>	I love the show and do not want it discontinued.

<i>Heather</i>	SAVE BOMB GIRLS!!!!
<i>Elizabeth B.</i>	We want to encourage Canadian made shows for movies and TV. Please don't cancel Bomb Girls.
<i>Mary W.</i>	this is a great show that captures a period in time that reflects the role of women and their place in soicety.
<i>Shannon</i>	please don't cancel this show!!
<i>Eden</i>	I live in the US. I'm a university student. So I have to go out of my way when I want to watch Bomb Girls. And it is totally worth it every time. I can't remember the last time I've seen a show with such a commitment to a well-rounded, fully-developed portrayal of its female characters. Bomb Girls is the only show on TV today that always (or even often) passes the Bechdel Test. And it does it well. Though characters frequently experience sexism /within/ the narrative of the show, they don't experience sexism /by/ the narrative of the show. While Vera is often the victim of bullying and harassment, she is still given the opportunity to own her sexuality, without being shamed for it by the writers or directors. Bomb Girls treats women like people in a way I've never seen before. And it's good. It's really, really good. If you want to hear about the way the show is uniquely and refreshingly feminist I'll be happy to tell you. I could talk for ages about the beautiful sets and costumes, the fantastic scripts, and the emotional investment I've made in the characters and stories. But I know that's not what you want to hear. You want to hear about

the money. I'm ready to buy the crap out of the DVDs and any other merchandise you can sell me. I have a wall covered with posters from my favorite shows and a windowsill lined with Star Trek action figures. I would love to have Bomb Girls merchandise to add to that collection. If the show stops airing and you stop selling it, I can't give you any of my money. I would pay you to watch the episodes if that's what it took. And I tell every woman I know to watch this show. Which means that much more revenue for you. Please, please consider renewing the show. I do not ever sign online petitions. I am signing this one.

Save bomb girls!

Agnes M.

I know I speak for many friends in my age group who love this show and prefer it to the stupid reality shows which are the only other options these days. Please keep this show alive. Thanks

Meghan H.

This is one of my favorite shows. I would rather watch this than Survivor any day!

Mary K.

Bomb Girls is one of the best shows on TV. Why it is being cancelled is beyond me. It is well written, well acted, and has great costumes and sets. Don't cancel a great CANADIAN show - there are too few of them!

Cathie H.

I love this show!. Quality television and proudly Canadian.. Please keep it on the air!

Sophie L.

This show is amazing and unique please do not stop it airing and renew it for a

	third season.
<i>Anonymous</i>	Really love Bomb Girls. Please do not cancel.
<i>Anonymous</i>	Please bring this quality show back. Too much crap on TV today, time for Historic series like this to stay alive. Thanks
<i>Wendy I.</i>	please save this very important and intelligent show.
<i>Gaye K.</i>	my mother worked in a factory making bombs during the war, so this series is particularly nostalgic for me.
<i>Ariel M.</i>	Bomb Girls is an important, moving, and absolutely unique show that deserves to stay on the air. I would watch at least 8 seasons of it - bring it back!
<i>Julia</i>	This show is amazing!
<i>SkepticalChick J.</i>	Please don't cancel this show. It's hard to find quality shows these days. This show has a ton of fans, so give it another shot.
<i>Stephanie M.</i>	Please reinstate Bomb Girls!!
<i>Sylvain H.</i>	Please give BOMB GIRLS a chance.
<i>Lori K.</i>	It is such a disappointment that Global cancelled this unique and wonderful show. Bomb Girls was a wonderful show and a wonderful break from the overwhelming number of police/doctor/lawyer shows. I hope that Global doesn't plan to replace this wonderful show with another poor Canadian copy of a successful US show.

<i>Daniela H.</i>	please dont cancel this show. Its amazing!!!
<i>Bethany</i>	dont' cancel this program - it's the best program I have ever seen!
<i>Sherry N.</i>	Why in the name of God would you cancel such a great show. It's one of the few that I have any loyalty for.
<i>Troy N.</i>	Why cancel a great Canadian Show
<i>Stephanie W.</i>	This is a well written show that focused on the lives of women, we do not have many shows that do this. It showed a side of history that has been forgotten and shows how a movement was started that lead us to today.
<i>Michelle L.</i>	This is such a good show!
<i>Jason T.</i>	This is a magnificent series touch on so many different items not usually covered in media portrayals of WWII. -it provides a Canadian viewpoint, something not often seen in the media. -rather than being set on the frontlines, this shows WWII from the Canadian home front. -its central characters are women, an important voice in the war effort yet rarely focused on in media productions. -a fascinating hard look at how Canada treated "enemy aliens" (e.g., Marco Moretti and his family) As a student and a teacher of Canadian history, I feel that this series provides a unique look at Canada in WWII, and I have recommended the series not only to family and friends, but to my students as a tool for learning a new aspect of a key point in the history of this great country.

	Please allow this series to continue on.
Ashley W.	I live in the U.S. and I love this show! Please bring it back!
Harnaz H.	this is my favorite show one of the only things i look forward to, plus no other show is based on the 40s and on WWII about women making bombs
Jennifer K.	My wife and I love Bomb Girls!! This show demonstrates strong female roles and brings to life a time in Canadian history that most young people know nothing about! What better way to get people into Canadian History!! We love that the story lines are strong and meaningful and that, while there is adult relationships, there is no nudity but plenty to imagine! We also love that the characters are believable, lovable and multi- cultural. Please, please create a 3rd etc season or at the very least a movie to provide closer for the characters we have come to know, love and root for! With so much crap on TV, it is a pleasant feeling to tune into Bomb Girls. We look forward to it all week!!!
Yolanda	Save Bomb girls! Save a lesbian!
Grace H.	Save this wonderful Canadian show!
Dawne W.	Bomb Girls is smart, with great acting, wonderful writing for the characters and uniquely Canadian. We love Bomb Girls. We will never stop loving Bomb Girls. We plan to go down fighting.
Noémie D.	An awesome show should never be nipped in the bud!

<i>Rachel D.</i>	this amazing show still has great stories to tell.
<i>Deanna</i>	RENEW BOMB GIRLS!
<i>Stacy</i>	RENEW BOMB GIRLS!
<i>Nikole B.</i>	Please bring around another season! Theres no show out there like bomb girls and its truly a canadian show to be proud of!
<i>Kathy S.</i>	I HOPE THAT YOU PEOPLE THINK TWICE BEFORE YOU CANCELL ONE OF THE BEST SHOWS EVER!!!! IT HAS HISTORY. SHOW THE WAY FAMILIES WERE HOW FRIENDS PULLED TOGETHER!. PLEASE PLEASE!!!!!!!!!!!! DONT CANCELL THIS SHOW
<i>Jimena M.</i>	A fantastic show with relevance to today's women, it is both engaging and addictive. Words cannot begin to describe how quickly this show burrowed its way into my heart, and I implore you to reconsider renewing the series.
<i>Gavin P.</i>	A quality tv show that depicts the homefront in WWII with realism and depth.
<i>Tiffany B.</i>	Bomb Girls is truly an amazing and unique Canadian show. It is literally the ONLY television show that I MUST and do watch on a weekly basis. It reminds us of a very important part of our history that seems to have been forgotten and left out in the dark. It is so beautifully scripted and played. Please, you can' et rid of it!

<i>Irene C.</i>	So little with such strong female roles on tv.. save Bomb Girls.
<i>Natalie L.</i>	LOVE the show. Please don't cancel it!
<i>Anonymous</i>	Please keep the show going, I really enjoy the way they show women working in the factories.
<i>Diane D.</i>	Please bring back Bomb Girls. I honestly can't take another reality show!!!!
<i>D. M.</i>	This is the first show I have faithfully watched on t.v. in about twenty years. I have not missed an episode and would love to see a Season 3 and DVDs. I already own Season 1 on DVD. This show should not die. If Global is out then CBC should pick it up. I'd love to see my tax dollars go towards continuing Bomb Girls
<i>Nancy J.</i>	This is the best historical drama on TV! Why ever would you cancel it? Please save Bomb Girls!!!
<i>Jasmine L.</i>	Geezus. Please do NOT cancel this show. Finally there is something on television that honors *every* single race, orientation, gender, and background in a unified way. Your viewers can't wait to see this show. If it had any trouble ratings-wise it was not due to the show content, but rather due to bad marketing. BRING IT BACK!! Season 3 MUST happen. Other than the horrible spy storyline, everything about this show is perfect. Cancelling this show will be a bigger debacle than when FOX cancelled Arrested Development years ago. Don't make that mistake!!
<i>Max O.</i>	We deserve great Canadian television

	shows.
<i>Lesley</i>	Come'on...finally Canadian TV I look forward to every week and you're cancelling it?
<i>Barbara H.</i>	Very disappointed to hear about cancellation of Bombgirls. We have watched it since the beginning and have been very proud of the quality of the production. One of the few good shows on T v. May have to switch to computer downloads instead of T v.
<i>Craig S.</i>	Love the show! Good acting and good storylines.
<i>Charlotte</i>	Please keep the show for more seasons
<i>Annamarie</i>	This is a great all american show there is nothing like it please don't cancel
<i>Nadia T.</i>	Please save this show. This is one of the best Canadian television shows as it represents our history and the plight of women!!!
<i>Anonymous</i>	Finally a show I could really enjoy! And now it's gone. Please allow us the viewers to have some choice in what we watch.
<i>Lindsay P.</i>	This show provides me another topic of discussion with my husband, as it reflects on history. It links me to my history and ancestry. Please do all you can to keep it alive!
<i>Karen T.</i>	Please. Take a stand for good programming. Don't simply rely on a typical model of reality shows and sitcoms. Do the right thing. Please.

<i>Stephanie G.</i>	It's a fantastic show, please continue it!
<i>Betty S.</i>	Keep Bomb Girls on the air. One of the best shows in along time. I loved it
<i>Lee-anne L.</i>	please keep this show on the air!! it is fantastic and shows such an important part of history
<i>Amy</i>	Bring back Bomb Girls! Its one of the few shows I liked on global, actually the only reason I watched global at all.....guess I'm not watching global now :-(
<i>Adriana G.</i>	Keep the show!!!! There is such GREAT talent in Canada from the actors to the writers to the producers!!! This is OUR time to shine!
<i>Misty S.</i>	This is the best show.ive seen.this show being together wemen everywhere.
<i>C. D.</i>	A great piece of Canadian history that needs to be told to keep their memory alive!! Bring it
<i>Sandy H.</i>	Bomb Girls must continue! It has so much potential to widen the Canadian television industry, and can help Canadians get more business with other flim/television/entertainment from other countries. Help Canada grow!
<i>Ann S.</i>	Season 3 please! This show is brilliant!
<i>Laura G.</i>	I love Bomb Girls! It's my favorite show. It's refreshingly different than all the other shows currently out there!
<i>Kent P.</i>	Great for women.

<i>Tiffany S.</i>	My great-grandmoter worked in Tennessee to help make part of the atomic bomb, & this show has a lot of sentimental value to me. I also think that the women that worked in the factories did their part in the war-effort, & we should do our part in recognizing them for it. Bomb Girls is one of my all-time favorite shows, & the cast is amazing!
<i>Ann T.</i>	lets save this show!!
<i>Cynthia</i>	I watch Bomb Girls. It is my favorite show.
<i>Susan S.</i>	I want season 3,4,5....
<i>Trish A.</i>	This is the best Canadian show in many many years- cancelling it is short-sighted
<i>Shantella B.</i>	Please give us another season! Me and my 17 year old daughter so enjoy it. A very good show with strong writing and classic societal issues.
<i>Barbara S.</i>	Please do not cancel Bomb Girls. It's the best show I've seen in many years!
<i>Lydia</i>	please save bomb girls this show is amazing.
<i>Robin A.</i>	Bomb Girls is refreshing compared to the many reality shows that many of the networks carry these days. It touches on real issues that occurred during that era and were not talked about. Please reconsider and reinstate Bomb Girls.
<i>Jen</i>	Please don't take away this amazing television show.

<i>Valentin G.</i>	One of the few TV shows I actually enjoyed. What a pity and wasted talent if it is really cancelled for good. Please, reconsider!
<i>Jackie P.</i>	Loved the series and I don't watch much television anymore.
<i>Anonymous</i>	Love this show! Please don't cancel. It's one of the few decent shows on T.V.
<i>Anna A.</i>	Save the show!! BRING ON SEASON 3!!!!
<i>Linda P.</i>	There has always been a criticism of Canadian history being "boring" and not given the credit or attention it is due. Now we have a wonderful show full of incredible Canadian history with a loyal following of young and old alike, and short sightedly - it has been cancelled. Please do not deprive us of great Canadian entertainment and the chance to remember all those who fought for our freedoms to express our opinions. "Bomb Girls" is a great way to engage our people in working together for the future.
<i>Annemarie R.</i>	Love the show in the States
<i>Lexie A.</i>	such a great series!
<i>Kerrienne F.</i>	We Can Do It!!!
<i>Anonymous</i>	THIS SHOW IS TOO GOOD TO DROP. I just found out about it as it was coming to an end and caught myself up in a matter of days. Such a great story and the audience can really connect with the characters all the while learning a bit of

	Canadian history, and the progression of women's rights. So much value in this show!
Ana R.	I'm an immigrant to Canada, and watching Bomb Girls inspired me. I love the strong characters and the female power and determination. I just watched the final episode of season 2 and when I looked for the season 3 premier date I found out about its cancellation. I look toward to see the rest of the stories. Please take into account this petition, if the series wasn't popular people wouldn't bother to do this!
Lotte	Love this show
Janet P.	Love the show! Would love for it to continue or at least a TV movie for closure.
Susan T.	We love this show! I watch it with my parents, who do not get online. So consider this as 3 votes to keep the show going!
Vio	We need a third season of Bomb Girls. It's way too good to be cancelled!!
Elsie D.	I love this show and the cast.
Lois L.	when a show can make you think, cry, laugh, worry and care about every character as does Bomb Girls, WHY would the powers that be, decide it is a good idea to kill it?!!
Courtney R.	Season 3! And 4! And 5! Please!!!

<i>Linda S.</i>	This was a wonderful program and has a GROWING fan base, therefore it's ridiculous to cancel it
<i>Kiki J.</i>	Save this show
<i>Anonymous</i>	Really hope you guys consider doing at least one more season! Long live the blue shift!
<i>Colleen W.</i>	I love the show "Bomb Girls". It's one of the best TV shows on right now! It has a wonderfully canadian feeling and I am proud that we make it here. Please keep it on the air. Thank you!
<i>Linda W.</i>	Please do not cancel Bomb Girls. It is my favorite show!
<i>Pat & Brian L.</i>	Finally a show that we can sit down to watch with out it being filled with Reality Shows, which in reality is just wanna be actors. Let's bring back TV programming and start cancelling some of these reality shows. May end up with more viewers.
<i>Dorothy M.</i>	This is a show unique among thousands, bringing to the forefront strong female characters that are rich and layered. Instead of being merely entertainment, Bomb Girls is moving, inspiring, motivating, and part of Canadian history. This would not happen to a US historical based TV show. Please renew it for a third season.
<i>John B.</i>	This is a magnificently crafted show that portrays a rarely remembered important part of Canadian history. It is important because it shows through rich characters and superb writing the struggles and

	triumphs of these many diverse Canadians who overcame many obstacles and supported one another displaying the all-to-rare altruism that has made the Canadian character and country great, this is much needed today.
<i>Lorraine R.</i>	Love the show, proud to see some of the Canadians part in WW11
<i>Laurie M.</i>	I am a WW11 history buff and this was an amazing opportunity to see how the Canadian women took up the challenge following 5 different women of the time. I sat with my 15 year old daughter each week for two seasons to watch and learn more about that time and how life was. It was and has been an eye opener for her and enabled us to discuss life for women and men during that period of time and how things have changed. Talking sacrifices and love of country has given her just a brief glimpse into history that actually interested her. As a teenager and a girl, war stories do not interest her or her friends but this show was different and it captured their imaginations allowing for discussion at school and at lunches. That is a worthy show!
<i>Diane B.</i>	Best show in many, many years! Fools to cancel it.
<i>Melissa</i>	It's a wonderful show - please keep it around! Keeping making the big effort to keep good Canadian talent on line.
<i>Paul M.</i>	We need a reminder of the horrors of WWII. My Dad fought at Omaha Beach. He would not discuss the war. I was not allowed a gun as a child because he knew the horrors created by guns. I visited a

	concentration camp in 2002. I stood in front of an oven one foot away and I stood in the showers. We cannot forget the events of 70+ years ago.
Jennifer M.	Be smart-keep Bomb Girls running!
Elizabeth H.	Bomb Girls is a refreshing break from tiresome reality shows..I love it and was disappointed to find out it had been cancelled. With TV PVR capabilities when it was moved to Monday I would always PVR it and tune in later if it conflicted with something else I wanted to watch!
Gilbert B.	Bomb Girls is a more realistic show about events in Ontario during WWII. I find it useful in that it shows that WWII was not won just by the USA with a little help from the rest of the allied countries. It has a great Canadian flavour. Don't cancel it.
Anonymous	please dont cancel!
Clare M.	This show was not only a great way to showcase Canadian history in a relevant manner, but it was also all around creatively beautiful.
Elizabeth M.	Please save an amazing show that breaks the mold of all other lame cop drama. The depth of charaters and cultural situations is well represented Please Keep a good show going.
Anonymous	It is very rare to find a Canadian made TV show with actual Canadian content, based on events that actually happened in Canada. I love this show and hope the network will re-consider a 3rd season. With all the garbage shows and reality TV

	out there, this is one of the only drama shows I watch. Please keep it going and continue to empower women and Canadians alike. Thank you.
<i>Jen</i>	Love this show. Please don't cancel it!
<i>Anonymous</i>	Save the show!! I haven't come across a show like this in a long time.. to cancel it would mean more garbage reality shows on tv!
<i>C. D.</i>	Amazing show, loose ends to tie up, please don't cancel!
<i>Louise L.</i>	Wow, where to start. It is a mistake canceling Bomb Girls. It is a smart, sexy, edgy tv show that is filling in the gaps for this viewer between all the other old, already been done tv shows out there. It is wrong to keep canceling new tv shows that challenge the viewer and are imaginative. Thanks a lot for sucking out the creativity in the tv shows you offer.
<i>Michael D.</i>	Keep this show going, it is unique in every way.
<i>Roxanne D.</i>	This show revives a long forgotten era, it is fabulous in every way
<i>Anonymous</i>	Bomb Girls is the only sensible program on television! I fell in love after the first episode. Please don't let us down.
<i>Tasha W.</i>	Bring Bomb Girls back!
<i>Anonymous</i>	The show is fresh and well written. Give it time to develop a bigger following. It needs more press coverage in the US.

<i>Judy I.</i>	Well written, well casted. Please bring back Bomb Girls!
<i>Melody M.</i>	I live in the States. THis is an excellent show but I could only view it on Netflixs. Don't be Hollywood - keep producing quality television and grow your audience in the States!
<i>Natalie</i>	SAVE this show..
<i>Beth P.</i>	Television is so inundated right now with reality garbage shows that finding Bomb Girls has been a breath of fresh air! As a history teacher, I have been so impressed with this series, and as a woman I have loved how you have portrayed the women of this era. Please give us more of Bomb Girls, not less!!
<i>Chris B.</i>	Bomb Girls is a gem! The sets, costumes, and scripts are spot on. The cast is a well tuned ensemble. We love it down here in Asheville, North Carolina! Please don't kill a great thing like BG.
<i>Laura M.</i>	Save our show!
<i>Anonymous</i>	Excellent relevant (Historical) Canadian Content..... which you seem to be always looking for, and guess what - "no singing contest" !
<i>Richard S.</i>	I couldn't believe my eyes when I read that Bomb Girls was cancelled. I have loved watching this tv series about women and about a time period that has not been touched on in a long time. I think it is entertaining at the same time it is informative and historic. Please continue making Bomb Girls.

<i>Lisa M.</i>	This show is a prime example of quality TV from Canada. Many Canadians (justifiably) complain that Americans know nothing about Canada; this show is how Canadians can proudly show Americans and others what they are about as a nation. It is just outstanding drama, period and something that is in short supply these days!
<i>Roxanne B.</i>	Great show and proudly Canadian!!
<i>Anonymous</i>	Please save this wonderful show....and some publicity would have helped. I just found it a few weeks ago...then went back and watched the first season in a day. Love, love, love it!
<i>Debra F.</i>	I love this show! It gives us an insight on how life may have been and how women were so important during the war by entering the workplace and face adversity. One of the best shows yet and not junk like those reality tv shows.
<i>Rev. Paige W.</i>	This is by far and away the most original show on TV right now. Nothing else is as supportive of strong female characters, as gracious to all its characters. There is a market for this. Please bring it back!
<i>Russell G.</i>	Bomb Girls is such an incredibly well researched, written, and acted show. Bomb Girls is a breath of fresh air with all the fluff and pablum on TV today. Please reconsider your decision and give the show another season. Thank you for your time.
<i>Rasheda</i>	this is the best show, i would love to see it on the air again.

<i>Anonymous</i>	Please keep Bomb Girls, it is a great show....I really enjoy watching it....PLEASE Keep this show on TV. There is not a lot of good productions on TV-- reality shows are not good. Thank you.
<i>Shelley S.</i>	Yeah Bomb Girls - even the moms at hockey (all of us 40+ years old) were talking about Bomb Girls. We love the retro fashions, along with the story line! Keep Bomb Girls - I'm sure that it can be scheduled at a time when Survivor won't interfere with the ratings - that is poor planning on the part of Global TV!
<i>Brian I.</i>	ITs a terrific show that shows what our women went through while the men were away...they helped keep us going and hold up the home front. Great writing and characters...please think about saving it.
<i>Ashley I.</i>	Bomb Girls is a great show! It is very entertaining, and sweet!
<i>Ivan R.</i>	My favorite show.
<i>Joan H.</i>	This show opened our eyes to amazing Canadian history - wonderful show
<i>Sue G.</i>	Other than Murdoch Mysteries and Bomb Girls, there is literally nothing much good on TV. Please give it another chance.
<i>Linda N.</i>	I look forward to this show every Wed. night. One of the reasons I like it so much is that it takes place in the era od my parents who are both deceased. I enjoy learning about This era, as my mother worked in an airplane factory in Detriot, Michigan at this timeframe. Through this show I can envision a bit of her life.

	Besides, I really like the girls. Please renew this show.
<i>Patricia F.</i>	I learned so much from watching this show and had fun doing it. Great acting, costumes, etc. I looked forward to it every week and was proud that it was Canadian
<i>Alain A.</i>	I'm fed up with cop, lawyer, hospital dramas. Bomb Girls is an excellently written and visually distinctive period story. Advancing the "new" ideas of women's work, and equality, during war time. Advancing new social standards such as lesbianism with Betty McRae, and the right for women's self expression. Up to this point in history women had been hamstrung by restrictive social norms, to actually see a period piece like this show us the "changing of the guard" is phenomenal....And your going with "Rookie Blue" instead. Another damned cop show. I--- am---so bloody FED UP WITH COP SHOWS!!!!
<i>Ana P.</i>	I'm from Portuga and I just LOVE this serie, PLEASE don't cancel this!! It can be so good and inspiring for so many girls out there!!
<i>Alexa D.</i>	Such a great Canadian show with smart content, please keep it going!
<i>Rick H.</i>	Both my wife and I enjoy "Bomb Girls" ! We look forward to when the season starts and watching it each week!
<i>Tonya C.</i>	Love the show...
<i>Hillary</i>	This show needs to be brought back to television and highly promoted!!!!!! Bomb

	Girls is an excellent show and everyone should see it. I wish that it would be picked up by a network here in the US.
<i>Greg M.</i>	an absolute credit to the party's involved,it feels like living in the time,and so proud of the Canadian aspect of that period,which won't take away from it's international appeal. --thanks for a great ride,thus far the war is nor over yet!
<i>Krishna B.</i>	Why is it that you would support stupid fighting and real live shows and not stories that tell us history. Get rid of stupid reality shows!!!! Especially the Kardashin's!!!!
<i>Marc H.</i>	Save a terrific series! BombGirls. There is so much junk on the air now, pls don't take such a quality product off!
<i>Michelle F.</i>	FINALLY a great show that I only got to see because of Netflix! Please do another season!!!!
<i>Susan C.</i>	The letter says it well. I love the show because of the characters: Meg Tilley is wonderful! Also, I live in Ajax, so this is part of the history of where I live. So many people who live here do not even know that.
<i>Marti D.</i>	"Bomb Girls" has really empowered me! I've never been hooked onto a TV Serious besides cartoons because in the cartoons I can escape from reality. Live action TV Serious in the US currently don't teach anything worth learning and I thought the people who wrote and acted in them were just annoying attention hogs. That's until I watched "Bomb Girls"... Its sad to have read that a TV serious that is creating

	awareness of a part of human history, dedicating the lives of the Bomb Girls who did live in that era and SACRIFICED just as much as the men did, and is empowering many Women and Men... being canceled. WHY!? I was proud to see someone create such a beautifully outrageous story honoring not only the Bomb Girls and women, but also a lot of minorities. Please, please don't cancel "Bomb Girls"!!
<i>Eric G.</i>	keep this show
<i>Gudakesin S.</i>	I'm from India, and we need more stories that can inspire Indians: among the most heinous of our many sins is the way we treat our women. If a sensible country like Canada can relinquish one of its finest exports, what hope for those of us who look elsewhere for inspiration and exaltation?
<i>L N.</i>	U.S. viewers are delighted with Bomb Girls. Must watch TV. Watch first, before any U.S. network prime time programming. Please un-cancel. We'll watch.
<i>Linda H.</i>	In a lacklustre season this is a highlight. Keep the 'girls' on the air!!!
<i>Rita R.</i>	A well acted drama series wins over any silly reality show, of which there are way too many, any time.
<i>Carmina H.</i>	great show, better then all the reality tv garbage out there
<i>Joseph M.</i>	I have been an avid fan of Bomb Girls since the beginning and am very upset at

	your decision to cancel this wonderful show
<i>Tara C.</i>	This show is so entertaining and showcases the Canadian view. It is well written and I looked forward to watching this every week. This could have a very long run...please give it a chance.
<i>Anonymous</i>	Bomb Girls is a great show that introduced Canadians to a time in our history that many people weren't aware of. It's a great Canadian show and doesn't deserve to be canceled. Bring back Bomb Girls!
<i>Helen F.</i>	This show is great! I hate that they cancel all the good shows out there.
<i>Anonymous</i>	With all the lame reality shows on TV it was so refreshing to have a show that educated and empowered women. A brilliant show like this can only last 2 seasons and rubbish like Family Guy is still on after more then a decade...
<i>Ashley</i>	Please make a movie! it's a great show that helps keep our history alive!
<i>Shannon T.</i>	I love this show! Please give us another season!
<i>C. B.</i>	Loved the show
<i>Rachel F.</i>	I discovered this show online, and it really is wonderful. It would be a great shame if it wasn't rounded off with a third series.
<i>Kirstie E.</i>	love this show has to be one of my most favorite an watched show. please don't cancel it!

<i>Melissa R.</i>	I love this show, please don't cancel it!
<i>Cindy M.</i>	LOVE the show!!
<i>Elizabeth R.</i>	please don't cancel this show! this show is so awesome & I look forward to it every week!!!!
<i>Brittany-Lynn B.</i>	Bomb Girls is more than just a show to me, it's history, passion, longing, and growth. Everything that our modern day society can be defined by. Bomb girls was amazing and if continued it will grow to be even more amazing.
<i>Amanda R.</i>	Great show to keep going!!
<i>Maureen B.</i>	It is a sad day in Canadian television when a classic production like 'Bomb Girls' is cancelled and reality 'junk' continues. PLEASE reconsider this decision to continue this very worthwhile and enjoyable historic/fiction series!
<i>Karen M.</i>	Excellent show which shouldn't be dropped so soon!!
<i>Natalie B.</i>	Bomb Girls is one of the most 1. well made 2. feminist 3. educational 4. sensitive shows on television
<i>Gloria D.</i>	SAVE THIS WONDERFUL SHOW PLEASE!!!
<i>JENNIFER V.</i>	I happened to watch this show on netflix as I live in Chicago IL. I really love this show, they should put this show on a good American network and it will do awesome. It is on par with Mad Men and look how well other shows have done on

	the CW like Smallville did...its just ashame we cant tune in to a great show like this.
<i>Sharon N.</i>	Save this Class TV show
<i>Anonymous</i>	What idiot thought they should cancel this, my wife and I looked forward to this every week. What a tremendous program. These tv execs haven't a clue.
<i>Renee G.</i>	if your going to cancel bomb girls, I think itd be nice if we could just watch the last couple episodes online or even sell them in a store,... now the idea of a movie doesn't make sense to me because usually a show is already been made, so why would a movie come out.... anyways, I just want to knw what will happen
<i>Carrie W.</i>	This is such an inspiring show for women everywhere and it's really showcasing the amazing talent coming out of Canada. Please don't cancel it!
<i>Amber R.</i>	I love this show! Such a great historical drama! Please don't cancel!
<i>Caroline W.</i>	This show is divine! Please save!
<i>Anonymous</i>	'Bombgirls' is a history lesson intelligently woven into a modern and exciting tapestry of stories. These stories are relevant today to everyone - but especially to women. The Canadian backdrop is particularly important to our history, culture, politics and our 'story' in general and there is absolutely very limited opportunities for Canadians to access this kind of show on T.V now-a-days. Please let the show go on. We really need stuff

	like this to keep Canadians aware and thoughtful, rather than consumed by terrible reality t.v shows and backward representations of women. I want to know more about what the women before me fought for and I want to learn more about our role in history, culture and politics. This show is entertaining and very clever and very uplifting and empowering. Without such narratives being portrayed more often (and for more than 1 or 2 seasons!) we risk losing them all together.
<i>T C.</i>	Wholeheartedly love the women of Bomb Girls! Great writing and cast. Please continue.
<i>Dorota M.</i>	How can you cancel a show that everybody loves and wants more of it
<i>Amanda B.</i>	The fanbase is growing over the internet like wildfire. So many people are out there just waiting for this show to come into their lives. I found it after it was already canceled, and so many of my blogging friends are also just discovering it now. Please rescind the cancelation because it's popularity is just getting started.
<i>Nancy</i>	Great show. What are you thinking???? Please rethink this decision.
<i>Alexz A.</i>	PLEASE KEEP BOMB GIRLS GOING! LET THEM FIGHT THE GOOD FIGHT! (:
<i>Penney M.</i>	Love Bomb Girls. It is a great period piece and very entertaining. A great Canadian Show....Please do a season 3.
<i>Tracey F.</i>	The best show on TV!!!

<i>Anonymous</i>	Bomb girls encompass a wide variety of issues.. aside from it's obvious excellence in being able to inform younger generations of what women went through during WW2 it is one of the few Dramas on TV that deals with Women in an honest manner. It reminds me of the kind of quality show HBO does.. the big difference is HBO doesn't shy away from unusually subjects and is not as quick to cancel; to give the audience a chance to become caught up in the drama! This show has (perhaps) had a slow beginning but I know a number of people who have just recently started watching it and will (would?) continue to do so. Give it a little more time, please! Canadian shows often have a hard time at first. But the quality of the writing, acting and production is there for this to be a hit if you could persist for at least one more season. Please don't replace it with another testosterone filled police program or innane comedy.
<i>Sherry A.</i>	this tv show teaches us women in their age bracket how we have to value the liberty and equality we have today and how much women in the past even 70 years had to fight for it.
<i>Dawn N.</i>	When are you bring out Season 2 on DVDs? Why not put it have it on streaming media for us in the US?
<i>Christine H.</i>	Please make available to everyone! It's a fabulous show
<i>Christine D.</i>	Why on earth would this show be cancelled? It's a breath of fresh air compared to all the other GARBAGE being shown on TV these days!! Bring it back, please!!

<i>Alexandra N.</i>	Please give this show a chance at the ending it deserves!
<i>Tom R.</i>	when a good show comes along do not end it
<i>Anonymous</i>	Continue the show. I'm a 43 yr old straight male and I love these girls for their courage and true friendship because they remind me of my Mom. My mom's 86 and has lived through these days. She knew what the war worries were like and helped serve the war by working in factories. This show is my Mom. Listen to the masses.
<i>Lisa H.</i>	I absolutly love this show. I watch every episode, and will continue to do so. It is so well written, and the actors and actressess are so amazing. it has such a great message about the women of that time, and how they were such hard workers and really believed in the work they did. please keep the message alive.
<i>Simone O.</i>	never been interested in war dramas before but this show gave a womans versions & now it's being pulled. typical
<i>Vanessa M.</i>	don't quash the best canadian tv show in decades!
<i>Emily C.</i>	SAVE BOMB GIRLS
<i>Tina N.</i>	Please! It's such a unique show. It would be greatly missed!
<i>Kenya S.</i>	this show is amazing. Please stop canceling great programming.
<i>Faith E.</i>	Best drama award at the Gracie Awards in

	LA and yet Bomb Girls is cancelled! Incomprehensible! It was one of the best series onTV and it's loss will be felt by many viewers. Yes, a third season would be most welcome!
<i>Carole S.</i>	Please bring back this excellent series. It was refreshing to watch intelligent interesting programs that shone a light on a very important part of our history.
<i>Bobbie B.</i>	I LOVE BOMB GIRLS!!!!
<i>Landon</i>	I love the show, so amazing and was very upset to hear that it was cancelled. Please bring back the show!!!! P.S I know this is asking a lot, but if you do bring back the show, maybe you should bring back James Dunn. I don't know save him somehow. I know it won't happen but I'm just dreaming, cried horribly when he died. Oh and if he does come back (plot twist, which won't happen) he should totally reunite with Gladys Witham!!! They are totes adorbs! Thanks!!!! Bomb Girls Fan!!!
<i>Ylva H.</i>	Best show ever!
<i>Anonymous</i>	Please don't cancel Bomb Girls! There is so much garbage on TV, it's to the point I almost stopped watching. Bomb Girls brought me back! This is quality programming. Please reconsider.....don't cancel the show!
<i>Crystal S.</i>	Bomb Girls is excellent. My mother worked an an aircraft factory in WWII before joining the Army.

<i>Kathy M.</i>	I think this is a fantastic show and there is no reason to stop showing it. It show a great history of our girls in wartime who took it upon themselves to help in a great time of need. We need more shows like this one!
<i>Anonymous</i>	The best show on tv at the moment
<i>Jacquie T.</i>	I would rather the series not be cancelled than to finalize with a movie
<i>Sheralyn B.</i>	Please keep Bomb Girls on the air. My husband and I both enjoy this slice of life from our parents era. We only became fans this past season and watched the older episodes to get caught up on story lines. This is a true Canadian gem.
<i>Cathy J.</i>	This is a fabulous show....plus history at the same time.
<i>Luanne M.</i>	Bomb Girls is an amazing show that deserves air time. I'm a huge fan.
<i>Rachael</i>	love the show. hate to see it end.
<i>Mary L.</i>	loved this show! it was pure family entertainment. history. the only decent show on tv now. instead of all those crap, unreal "reality" shows. who cares about keeping up with "whoever", love and hip hop/basketball etc..and "real housewives"???seriously,they're anything but "real". mindless,pointless shit TV..
<i>Jennifer H.</i>	Please save this show. There is nothing else like this on tv.
<i>Anonymous</i>	Please to NOT cancel this amazing show

<i>Leslie</i>	Great Show
---------------	------------

<i>Nancy M.</i>	Save Bomb Girls!
-----------------	------------------

<i>Steve M.</i>	We don't have very many good tv shows in Canada, now or historically. This is one of the few. Do what you can to support this industry, especially when you come up with the occasional gem like this.
-----------------	--

<i>Anonymous</i>	This is a quality Canadian program. We need more, not less, of this!
------------------	--

<i>Kathryn L.</i>	please allow us to put our suggestions in the hatbox - please read them and ACT upon them! It would make for a much more successful line up for you if you bring us bomb girls! we must have our bomb girls! don't let your show be a bomb that blows up in your face - give us more, more, more of the show we love -bomb girls!
-------------------	---

<i>Zyna P.</i>	do NOT cancel please this is such an original series
----------------	--

<i>Rosemary D.</i>	Please save Bomb Girls! I just love that show. Great acting and a piece of History as well!
--------------------	---

<i>Anonymous</i>	Great show! It should continue!
------------------	---------------------------------

<i>John M.</i>	This show is not only excellent, but totally unique in its content. It is well written and acted and the story lines are very good and historically accurate. We love this show a lot and look forward to it every week that it is on. I am not sure the producers realize the exposure it is having world wide, but it is growing in popularity
----------------	--

	everywhere. I can't see any rational reason to cancel "Bomb Girls" and can only ask that it be saved. You have something truly EXCEPTIONAL here - don't lose it prematurely.
<i>Stacy H.</i>	Save Bomb Girls please!!
<i>Myron D.</i>	Bomb Girls is the only reason I keep Direct TV. Please reconsider your decision. There is outstanding talent on this program.
<i>Mike</i>	This show has helped me as a history teacher relate the achievements of women in WW2.
<i>Laryssa U.</i>	completely disappointed with Global that they would cancel a show that finally has some substance and a story line. This is the only show that I have discovered that I can watch with my whole family and we are all addicted! Bring back Bombgirls so that we can continue our family viewing.
<i>Georgina M.</i>	Great show, great acting, couldn't wait for the next episode. Keep Canadian actors working.
<i>Gwendolyn G.</i>	Love this show
<i>Kim P.</i>	Fantastic show celebrating women and an important era in history.
<i>Ginette H.</i>	Love Bomb Girls, please keep it going. Thanks!
<i>Christina C.</i>	I love this show! It warms my heart. I see my grandmother in every episode.

<i>Rhonda M.</i>	This is one of the best shows on television! It is well written and performed!
<i>Nancy G.</i>	Please don't cancel this show!
<i>Gail T.</i>	My husband and I really enjoy this show. So disappointed that it is being discontinued.
<i>Albert S.</i>	You cannot discard a show that has such compelling characters and storylines. This show stands tall against the usual Hollywood drivel with great originality and terrific actors giving us a glimpse at a vital piece of history.
<i>Kim C.</i>	I enjoy this show every time I watch it, my parents were the age of most of the solidest and bomb girls At that time, let's me get a glimpse of what their loves were like back then. Would hate for this show to end.
<i>Eric O.</i>	This is a wholly unique series in television, and its story is too involving to simply drop. It's extremely well-acted, superbly written, and it serves an important role in the landscape of television. This show has character, and like so many other series cancelled before their time, the fans of the show simply refuse to let it die before the fight is over.
<i>John O.</i>	Show is very well written and acted.
<i>Judith M.</i>	Bomb Girls is one of the best shows on tv. I love to watch it so please bring it back for season 3.

<i>Adrienne M.</i>	Bomb Girls is an amazing show with a fantastic cast. There is nothing else like it out there and I don't want to lose it. There are people out there who appreciate the beauty in costumes, makeup, hair, and cinematography of this show. Please don't block us out.
<i>Cher G.</i>	This is a great show! Please don't let it be cancelled as so many good shows seem to be.
<i>Sjenn</i>	Bomb Girls is one of the best shows on television right now. So tired of all the reality crap. Keep this good show for those of us who appreciate "real" stories played by real actors!
<i>Ralph</i>	please save bomb girls this show is becoming very popular
<i>Dallas A.</i>	A great show! It would be a shame to not do more of them.
<i>Julie C.</i>	In a media washed in gore, banality, and inane scripts. Bomb Girls stands out in it's smart writing, complex characters, and less predictable storylines. Please keep it going. It's a breath of fresh air.
<i>Judy S.</i>	SAVE BOMB GIRLS
<i>Bob D.</i>	My wife and I love this show. Please continue it!
<i>Sherri F.</i>	I just binge watched bomb girls on netflix. I was absolutely heart broken to find it was canceled. Perhaps Netflix will pick it up like arrested development? Bring the show back!

<i>Jenn</i>	every time a good show gets going, it gets cancelled. its ridiculous. a show needs time to get its base, just as it does, it gets cancelled. sick of it. reconsider.
<i>Ronald V.</i>	Please save bombgirls. Over here in the Netherlands we like it very much!
<i>neuralhandshake</i>	The show is beautiful and powerful and doesn't deserve to be off the air so soon. At about sixteen episodes, it's easy to digest and wonderful.
<i>VBDubGirl</i>	This show means a lot to so many fans. Saying it means 'a lot' doesn't actually really do justice to the connection people have developed with this show. It's very hard to articulate how a show can resonate with some people.
<i>miniprofessor</i>	[Excerpts from letter written to Global:] After only eighteen episodes, the potential end to a series of quality, integrity, and strength of character, speaks to a sense of corporate impatience rather than a committed investment in an artistic and commercial venture...The stories this show creates redefine the limits of our collective vision so that we can write new truths— truths that are far more meaningful for who we are and what we believe is possible...Betty McRae is the first character on television who tells my story. I look at her, and I see me. I see me. A television show is finally making my life visible through Betty's integrity, grit, and determination to live her life without shame. Ali Liebert, in partnership with the writers and their commitment to telling Betty's story in its fullness and in its honesty, have given me the gift of

	affirmation. Because Betty McRae is on my television, I am no longer invisible. I cannot express how utterly life-changing this is...Cancelling this show after eighteen episodes sends the message that a dollar has more power than art, more worth than the writers, actors, directors, editors, designers, and crew who make art, and more importance than the incalculable intrinsic value contained in even a single episode of Bomb Girls.
<i>dinosauresrex</i>	I have loved Bomb Girls ever since it came out. I remember watching the preview for thie show and thinking how great it will be. And every expectation I had rose greater then what I could ever imagine. I am extremely upset by the cancellation of this show. It shows the part of the war that no one knows of. Please bring this show back. The rich storylinesand character development is what television needs. Not another "reality" show like survivor.
<i>needingyoursway</i>	I cry because I loved Bomb Girls so much...and now I have to wait until the tv movie and then it's out of my life forever.
<i>spookypoosum</i>	Ugh this show is so good. I am so upset that there are only 2 seasons.
<i>DeeDee M.</i>	Please Save Bomb Girls and let them have a 3rd season!
<i>Rebecca W.</i>	A thoughtful and well acted show. Such a better choice than reality TV.
<i>LORI C.</i>	I LOVED BOMB GIRLS AND I'M SHOCKED YOU DON'T WANT TO CONTINUE IT. IT GIVES SO MUCH INSIGHT TO WOMEN'S RIGHTS AND

HOW THINGS PROGRESSED FOR WOMEN FROM THE WAR ON. YOU DIDN'T DO A GREAT JOB ADVERTISING THE SECOND SEASON EITHER!! I HAD TO SEARCH AND SEARCH AND HAD TROUBLE FINDING THE SECOND SEASON SHOWS. I'M CATCHING UP WITH REPEATS NOW. REELZ DIDN'T DO WELL WITH RELEASING THE SHOW TO BE TAPED EITHER!! PLEASE RECONSIDER!!! MY HUSBAND EVEN ENJOYED IT!!

Rick C.

I think it a shame to let this so important & mostly overlooked view of life on the home front end. I've never seen anything like it. I think that it is very much the way that it really was. It changed the role of woman in the workforce as well as the world forever.

Susan C.

Love this show!

Amy B.

Why is it that all historical/good shows are cancelled? All generations can learn a lot from this show and many others that have been cancelled after one or two seasons. It isn't right that we can only watch junk on tv now a days. We should be teaching and showing the younger generations what it used to be like in an entertaining and tasteful way. Please bring back Bomb Girls!

Cristal H.

Bonb girls is one of the only two tv shows I care to watch. Please don't cancel it. It teaches some history and shows women in a very positive light. Not much of that happening on TV anymore. Don't cancel this show.

<i>Paul F.</i>	This is an entertaining and educational series.
<i>Liz A.</i>	Good show just watched the last episode. They at least need a final send off of the characters
<i>Anonymous</i>	strong Canadian female role models...do we need to say more?
<i>Gail H.</i>	please, please, please keep Bomb Girls on television. I want to watch Canadian tv but will go back to US programming.
<i>Liz M.</i>	I absolutely love this show, and was devastated to hear season 3 has been cancelled. There isn't anything quite like it on TV at the moment, the plot is unique, the characters inspiring, and the story worth fighting for.
<i>Alice</i>	Love this show!
<i>Sheila S.</i>	Excellent historical drama and from a Canadian perspective. Don't understand why such a quality show would be cancelled. I've recommended this show to many friends and family members. Keep the Canadian content on TV and this is one really worth keeping.
<i>Denise B.</i>	Please don't cancel Bomb Girls. It is a fantastic show, and the women are people young girls can identify with and look up to...
<i>Anonymous</i>	Keep Bomb Girls

<i>Kathy G.</i>	I love this show! Please bring it back!
<i>Victoria</i>	Give bomb girls a future!
<i>Anonymous</i>	Great show, Keep it coming for all the fans both in Canada and the USA!
<i>Anonymous</i>	Do not cancel Bomb Girls!! I have been watching Bomb Girls in the USA on REELZ. I was so grateful that Canada shared the Bomb Girls series with the USA. I love Bomb Girls!! Bomb Girls is the one of the best series that I have seen, and it is educational. With all of the garbage reality shows that are stupid and pre-scripted, it doesn't make sense that a network cancels a high quality show like Bomb Girls.
<i>Anonymous</i>	This is the best show on television. Please don't let it be cancelled. Women and girls need this. Just let of have this one this time.
<i>Susan M.</i>	The best TV show to come along in quite a while. I enjoy the storyline and the fact that for a change it is not a police or medical drama. There are not many period dramas and I hope we can look forward to more of this one.
<i>Anonymous</i>	This is an amazing show. Has to be one of the best on television. Although I was not born until the 80's the 40's has to be one of my favorite time periods. I love how the show gives us a drama to watch but also does a very good job of incorporating history into it. This is such a great series that needs to come back for a third season, to finish up the show and not leave us hanging like this.

<i>Manny M.</i>	Only show I've been waiting for all season!!!!
<i>Sonja L.</i>	This is the first Canadian show I have bothered with since the original Degrassi High.
<i>Alyssa L.</i>	Please bring this show back!!
<i>VBerube</i>	Bomb Girls was one of the most brilliant shows ever! Save Bomb Gurls!!
<i>E. G.</i>	Bring Back Bomb Girls. Never miss it on Reelz
<i>Paz M.</i>	This show is amazing and it has to keep going!
<i>Anonymous</i>	Save a great show! give the fans what they want!
<i>Anonymous</i>	This show has been a refreshing change from the US style drivel we have been fed in the past. Please keep it going!

<i>Lynn M.</i>	loved the show, great acting, and story lines, grew up in the 50's, near area where bomb factories had operated during the war years...
<i>Christina</i>	Bomb girls is a GREAT show its got to come back!!!
<i>Pat R.</i>	There is no show on TV with such great, strong women role models. With the lack of good shows on TV today, I can't believe that Global would cancel one that is far & away one of the best. Bomb Girls would

	be fantastic on CBC, back-to- back with Murdoch Mysteries. That would be a dynamite line-up!
<i>Gita</i>	we need more strong female actresses playing strong characters on tv. the time to change is NOW
<i>Lisa W.</i>	You can make a positive effect on today's girls and women by continuing one of the only TV shows that honestly and genuinely depicts women as strong, hardworking and interesting in their own right.
<i>Julie R.</i>	please save bomb girls!!!
<i>Carol L.</i>	Great program. So few out there. People need to see this history!
<i>Alexa K.</i>	This is my favourite show and promotes an interest in Canadian history!
<i>Cathy R.</i>	Outstanding show!!!!!!!!!!!!!!!!!!!! Not enough people know about it. Advertise!
<i>Lea M.</i>	We want Bomb Girls!!!
<i>Vicki R.</i>	This show is so awesome fun to watch and educational. I am sure alot of people didn't even know that women worked to make bombs during the war. This show contains all the things to keep you interested drama, mystery, love and sometimes even comedy. Please keep this show on TV
<i>Susan W.</i>	Great writing, excellent characters, please renew

<i>Sheila P.</i>	I love Bomb Girls. It is one of only two shows I watch. Please keep them.
<i>Denise G.</i>	KEEP BOMB GIRLS ON THE AIR!!!
<i>Anonymous</i>	This is a good show! Keep it going!
<i>Gessica G.</i>	We need TV shows like this back on air. So many TV shows have no actual value and only center around materialism and egotism. This is creative, intriguing, beautifully put together from every crew department that was apart of this show, and it's historical. This is what today's world is missing!
<i>Linda P.</i>	Save Bombgirls!
<i>Esther</i>	save this show its amazing
<i>Mark</i>	Please consider keeping this alive, the show is great. It's your distribution and marketing that's holding you back. Get this on amazon and iTunes etc..
<i>Steven K.</i>	Little decent Canadian programming. Lets keep Bomb Girls going.
<i>Anonymous</i>	My husband and I love this show, please bring it back!!!
<i>Sheila T.</i>	this is the first WW2 show to showcase the important role of women
<i>Colleen B.</i>	Love the show and want more, PLEASE!!
<i>Anonymous</i>	fantastic show with great female characters, bring it back!

<i>Gretchen C.</i>	This show is historical, has drama, is very unique, and different from so many mundane TV programs
<i>Wilhelmina R.</i>	There are too few Canadian made programmes. Why cancelled a top rated one? I'd rather have the series back, than a made-for-TV movie.
<i>Rick</i>	I loved the show and it was far better than what's being shown now!
<i>Lynne D.</i>	I love the program!
<i>Kathy R.</i>	there are so few really good tv. shows(series) it would be a crime not to bring back bomb girls...a really fine piece of entertainment.
<i>Adriana</i>	the first show for women by women gets cancelled go figurebring it back

<i>Karoliina H.</i>	I'm so in love with Bomb girls. My mother suggested this to me and it only took for

	less than a week to watch both series 1 and 2. And now I'm wanting more. And this doesn't only touch Canadians. My feelings were tested badly even I'm from Finland. I babbled like a baby. I love this show and hope to see more.

<i>Jennifer L.</i>	I watch in the US. I adore this show!!!
<i>Anonymous</i>	I think viewer numbers were down because the return of the series wasn't well advertised. It was just by luck that I watched the last shows.
<i>Sandra O.</i>	I loved this series. Please do whatever you can to continue a bit of real Canadian war history with concentrating on the valuable and dangerous contribution of women.

<i>Harpreet K.</i>	This is one of the best period dramas I've seen, and believe me I've seen almost everyone that has been made. Please do not cancel it?!
<i>Beth D.</i>	Please bring back this well acted high quality show as we feel that so much more could be told to the wonderful character's stories that enriched this period drama. Could someone tell me how an award winning show gets cancelled ?

<i>Kyle</i>	Crazy global! Good show that you did not market!
<i>Donata</i>	Bring 'Bomb girls' back please...

<i>Gil W.</i>	TV is infested with mindless, so-called reality shows. Finally, an original Canadian show that is believable & moving. It is admired worldwide & gets cancelled, another Canadian trait. Give me one last season to wrap it up, or I will never watch another Global production ever again !
<i>Stacia K.</i>	Please reconsider your support of this wonderful program, which was a victim of circumstance that unfairly concealed it's huge fan base.
<i>Lily S.</i>	Bomb Girls is great TV!

<i>Margaret G.</i>	How could you cancel the best show on TV? The guy who canceled Star Trek probably thought that was a good idea too. You have loyal fans for this show. Bring it back!

<i>Nancy C.</i>	Great show - that's what I call "real" TV!
<i>Robyn W.</i>	We need to save this great Canadian show!
<i>Kimberley J.</i>	Please don't cancel good Canadian programming!
<i>Anonymous</i>	A very strong Canadian show, showing historical events but with a fictional appeal. The reality of World War Two for many women, and deserves to have another season at least!
<i>Geri C.</i>	I would really like to see additional seasons of Bomb Girls. There are so many stories to be told about such an important time in our history. I understand that Bomb Girls is also popular outside Canada. Please reconsider additional seasons - it's honestly the best television today!
<i>Cliff S.</i>	The show has a growing following and is critics have given it a thumbs up. I would think that something should be given to

those who pay.

Carol L.

This is one of the most important shows on TV. The role of women changed forever during WW II. This show not only these changes, but a little known part of history. It is so important for women to understand that the freedoms we enjoy today, started during WW II.

Norma A.

I want season 3.

Roberta B.

Seeing the past is so much better. Watching something like this is so much better than all the reality crap that is on television. How are the children coming up in this day and age suppose to learn about past history.

John E.

Quality TV is a must in an age where reality TV rules the airwaves with worthless "entertainment". Please bring back this quality show!

Kristy

When I first watched the series earlier this year, I couldn't help but watch the entire thing over again! Bomb Girls is brilliantly-written, historically-based show with a top-notch cast of well-developed characters, which is so rare in "girly" TV shows! Although the show takes place in the 40s, the situations that each of the characters must deal with, both in and out of the workplace, are still relatable today. As an American, learning about women on the Canadian homefront during WWII adds an additional level of interest to the show. A Bomb Girl movie would be great...but more seasons of the show would be BETTER!

<i>Mark S.</i>	Really enjoyed the show and would love to see it continue.
<i>Sylvie F.</i>	Keep the bombs girls alive
<i>Chiara</i>	save Bomb Girls!! One of the best shows
<i>Eduardo A.</i>	Just finished watching season 2 and I really want to know what happens to the girls. A third season is a must
<i>MARY P.</i>	I just shake my head and role my eyes when a reality show from the US becomes more important that "our reality show" the Bomb Girls.
<i>Laurie</i>	Save Bomb Girls!
<i>Anonymous</i>	Please save Bomb Girls. It needs its proper closure
<i>Jeannie A.</i>	Please save this show!!!!
<i>Paul R.</i>	This is such an original show about life when Allied nations were at there best for the good of all nations. A third season would give us more of the same. Please a third season!!!!
<i>Anonymous</i>	I'm from Australia, and I love this show, cannot believe that such a great and loved show has been cancelled- please bring it back
<i>Geneviève P.</i>	This is an excellent canadian show that can really compete with the US' ones. The story, the actors, the filming locations, the director, everything is perfect. I can't believe there is one good reason to cancelled Bomb Girls! So please don't!!

<i>Natasha P.</i>	PLEASE KEEP THIS SHOW!!! This is like Firefly all over again - Listen to the fans!! don't make the same mistakes as Fox!
<i>Anonymous</i>	Love the show
<i>Judy C.</i>	Excellent show. Great stories and cast. Bring it back!
<i>Cheryl C.</i>	I loved the show. It was amazing and I looked forward to watching it every week. The only show I really got to watch with being a mom of 2 under the age of 6.
<i>Diana A.</i>	great show !! better than those garbage reality shows .i can't believe what people watch today.
<i>Ruth J.</i>	I had never heard of this show before, and happened to been loaned a box set of season 2. I was only going to watch on episode and next thing I know, I've watched the whole season in one day! This is a great show! With so much crap on television these days, can't we keep something of substance?
<i>Anonymous</i>	I loved the series Bomb Girls. This show was an intelligent and highly entertaining look at a very important time for women in history. The media seldom shows anything that represents women truthfully and intelligently. This show is such a powerful and moving insight into women's lives. Women are very under represented as 3 dimensional characters. I am so tired of seeing sex based portrayals of what women do in culture and history. There is really nothing to replace this incredible show. You had ratings you didn't even know about, albeit

	they were women.
<i>Sam</i>	Save the bomb girls!
<i>Ann C.</i>	I love watching this show. I could hardly wait for the new season. I had no idea that it was cancelled. Please put my name on the list to get the show back on the air. This may have started off as a miniseries but it has been very enjoyable to watch and I would like to keep it going.
<i>Connie</i>	Love the series great work
<i>Linda M.</i>	I loved this show, I told my mom about it, who I must say worked on planes during the war at Curits Wrights in NY Also my Aunt who worked in the USO's in Niagara Falls We all watched and then talked about it. I was born during this time. Even my daughter who is 47 loved it. How could you take it off the air. Please Please for a family of women who work hard, and loved this show put it back on. thank The Bomb Girls of NJ and NY
<i>Anonymous</i>	We want Bomb Girls back. Pleaaaseeee!
<i>Yvonne O.</i>	Bring back Bomb Girls NOW!!!
<i>Anonymous</i>	Really enjoyed the show, would love to either see a movie to rap it up or a continuation.
<i>Anonymous</i>	Please keep Bomb Girls going!
<i>Anonymous</i>	Don't end the show Bomb girls!

<i>Anonymous</i>	I absolutely love this show. It shows a lot of power women received in those times and reminds women today they can still be just as powerful if not more.
<i>Golden H.</i>	This is a great show. My dvr has been set to record since the very first episode.. How dissapointed am I to hear it's been cancelled..SAVE OUR GIRLS!!!!
<i>Sue W.</i>	We love bomb girls. You want people to see the best of Canadian showcase. This was a wonderful way. Its our past and made us what we are now. We owe it to these people to tell their stories.
<i>Denise S.</i>	Bomb girls is an intelligent, well written, well acted series. It is an act of dumbing down television to cancel this program. I can't see this program on US tv, so I have to wait for it on NetFlix, and I will be waiting to see it.
<i>Juliane C.</i>	Please film season 3 of Bomb Girls. This show has been so amazing... WE NEED MORE!
<i>James A.</i>	Please bring back another season for us here in the USA who enjoys quality TV !
<i>Gwendoline C.</i>	I don't understand why such a great show has been canned. ?
<i>Angelina V.</i>	Please DoNotCancel
<i>Gina F.</i>	This is one of the best written shows on TV please give it another try
<i>Kate L.</i>	Passionate about the show.....story line and the great job done by the actors. Got the second season on Netflix....saw the

	whole thing in one day. Why ditch great stuff like this? Cheaper to have cheesy competition shows? One must pay actors and writers for work...we the audience deserve it.
<i>Dwayne W.</i>	Yes. Networks really piss me off when they cancel a show that's doing good. Stop canceling shit!
<i>Michelle S.</i>	Can't believe you're canceling such a great show!!!
<i>Marisa D.</i>	Save Bomb Girls
<i>Anonymous</i>	One of the best TV shows. Helps educate everyone about an important time in history. Excellent production values.
<i>Bailey C.</i>	This is an amazing show that deserves to be seen!
<i>Sammantha T.</i>	Don't cancel great Canadian tv
<i>Anonymous</i>	I will not watch Global television anymore until you reinstate bomb girls.
<i>Robert B.</i>	Great cast, great scripts, great story lines, great loss. Please bring it back. Thank you, Canada!!!
<i>Anonymous</i>	Awesome show. Just caught it on Netflix. Was looking forward to season 3!
<i>Vanessa G.</i>	Please don't leave this wonderful program unfinished like happens to so many other shows. The ladies of that era, like those portrayed in "Bomb Girls" who paved the way for us women in the workplace since WWII,deserve a better tribute than an

unfinished show.

Cheri P.

Most amazing, riveting series I have ever watched. I was spellbound, and could not bear it when each episode ended. Such a compelling story, well-written, well directed, and well acted. I loved, loved, loved it. PLEASE bring back another series. This is something women relate to, our mothers lived, and draws the collective together. I have never been so totally engrossed in a series as Bomb Girls. Please bring more.

Lysbeth C.

Please continue enriching my life with this show I love everything about! I have been in a deep depression but found the show on Netflix, the show I always wanted to watch on TV, and now snd the show has made me desire the simple things in life that will make me happy.. like tea. Strange but true.. something has lifted from me and I dont want to let go! I too was abused and I also love the relationships/friendships in this story! Please kerp the seasons coming! I need it!

Steven K.

excellent show and should have been promoted better.

Laurel

I love this show! I recently found out about it. Please do not cancel the show

Leean

Oh please, PLEASE bring BOMB GIRLS back! I have fallen deeply in love with every character and, as an American, even deeper in love with CANADA! Us Yanks were slow to catch on to "Foyle's War" but now that we have, we have an eighth season to look forward to! Go make it and, hand-on-heart, we will watch!

<i>Ray F.</i>	This is a drama of relationships that are complex and endearing. One sees the war from the perspective of "Rosie the Riveter" please do not cancel this show.
<i>Larry M.</i>	A major chick flick - but oh so well written and acted. As 67 and 70 respectively, my wife and I just discovered this show on Netflix a week ago and literally raced through the episodes. With proper marketing and widespread awareness this being continued would be a no brainer. Have you approached Public Television or FOX?
<i>Vicki P.</i>	Please have a season three. There are very few good tv shows. This is one of the best.
<i>Karen M.</i>	I just finished watching a repeat of the 1st episode of Bomb Girls on Global and got excited about the next season. I decided to look up when the new season would start, only to find out that it has been cancelled. Period dramas are so popular right now and this is Canada's answer to Downton Abbey...better in my opinion. Please do not cancel. Thanks, Karen MacIntyre
<i>Lynn B.</i>	The best show in years!! Just finished watching season 2 and am suffering withdrawal. Looking forward to the 2 hour movie but please reconsider future seasons. Best, Lynn
<i>Alice U.</i>	I'm interested in gender studies, and this show is both, educational and entertaining, i hope they bring it back
<i>Viola S.</i>	Save Bomb Girls!

<i>Kendra C.</i>	do NOT cancel this show. I finally found a show I love.
<i>Kelly R.</i>	My all-time favourite show.
<i>Theresa</i>	Save this show!
<i>Ellen Y.</i>	These are our mothers and grandmothers!
<i>Anonymous</i>	Love, love this show!!!
<i>Cindy F.</i>	This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment.
<i>Anonymous</i>	Just found this on Netflix and I think it's fascinating! Please consider another season!!!!!!
<i>Robert H.</i>	Please continue Bomb Girls. It is a great show.
<i>Debbie H.</i>	it's a little piece of CANADIAN history; makes some of the stories that our parents and grandparents told us come alive
<i>Barbara</i>	Please don't let this show fall into oblivion. It's intelligent, well written and very watchable. We want more than a Season 3 we want Seasons 4, 5 and 6!
<i>BJ S.</i>	this is a great show that gives us some insight, even if it is a bit dramatized, how things may have happened during this moment in Canadian history for women.

<i>Derrell G.</i>	If you are going to cancel this series that has such a great following I won't be watching anything else you bring on because if I find I am enjoying it you will cancel it also. In other words you are setting a precedent for future series.
<i>Anonymous</i>	This is a great series. Please let the story develop to the end.
<i>Anna B.</i>	WANT TO SEE MORE OF THE BOMB GIRLS
<i>Judy B.</i>	Keep Bomb Girls. It's too good a show to cancel. I can't believe why so many good shows are cancelled while crappy shows and stupid reality shows seem to keep on airing. Please reconsider your decision to cancel this show and keep it on your station. Thank you.
<i>Stacey D.</i>	Bomb Girls is an amazing show, especially because it's Canadian, and I can't believe they are cancelling it, I am so disappointed! :-(I am very glad to hear that they are atleast ending it properly with a TV movie, thank you for that....but I still think you should continue the show!!!
<i>Kristina R.</i>	Id be a loyal watcher for years to come. Bomb Girls is tv at its finest. Bring it back!
<i>Marlene D.</i>	Amazing show! Please continue it.
<i>Holly M.</i>	This is the one show Canadians can be proud of!
<i>Teagan C.</i>	save this show!

<i>Megan J.</i>	Cancelling this show was a horrible idea, and reflects poor judgement on the part of network executives.
<i>Sandy D.</i>	i found Bomb Girls while surfing Netflix one night and was hooked after just one show. It's rare to find a show that is entertaining, character driven, educational, and most of all affords a glimpse into another era for women. Although I don't care for the lesbian storyline, I do enjoy the show and would hate to see it cut short before it concludes the time period of WWII. Please do everything possible to keep it in production.
<i>Lidiadiaz96</i>	This is a great show!
<i>Anonymous</i>	I sign this petition whole heartily. Bomb Girls is more than a television show, it is a historical masterpiece that I cherish as it has brought my mother and I closer together in our relationship. There are no other shows that are as beautiful as this with the characters, cinematography, and stories. One more season to enjoy this wonderful show would be a wish come true.
<i>Susan S.</i>	Please come up with a way to continue bomb girls. It has so much more potential and stories just waiting to be told.
<i>Anonymous</i>	Please save this amazing show!
<i>Wendi W.</i>	I Love " Bomb Girls " please save the show for all women in Canada!
<i>Jeff K.</i>	This was a well written an acted series. I first saw it on an Air Canada flight and

	immediately bought the first season. I am very disappointed that Global is not doing a third season.
<i>Anne C.</i>	A rare treat on TV. It stands out in a world of wasted air time. Please bring it back.
<i>Lana V.</i>	We are so upset to find out Bomb girls has been cancelled!!! Why???? Compared to all the other crap on TV this show depicted REAL life events of that era. So so so disappointed!!
<i>Lisa S.</i>	Great show with great acting is so harde to find on TV....It is filled with reality crap. I like to be entertained and I really like this show.
<i>Meg</i>	Please bring back this show! There are so many stories left to be told.
<i>Ber L.</i>	Love this show!! So well acted, beautiful costumes, great story being told about an era we don't need to forget - but be inspired by. A 3rd Season would be an incredible gift!
<i>Jacqueline</i>	Great canadian Show.
<i>Veda M.</i>	To Whom It May Concern: Just saw Bomb Girls on Netflix. Absolutely loved it! I checked immediately to see if there would be a 3rd season and found out it wasn't going to happen. What a shame! It's so hard this day and time to see quality TV. This show was able to cover all the issues that have been addressed during this time with grace and taste rather than trash and profanity that is so much of today's TV. Why can't we have

	more of this type of TV with quality script? -- Regretfully, Veda M.
Melanie P.	I really enjoy the Bomb Girls series. It reminds me of my grandmother working in an a ammunities factory durning that time.
Cj	I have only just become aware of this show and its excellent! I am in love with the characters! especially Betty and Kate... lol
Tracy R.	Love this show!!!!
Vanessa S.	please keep the show it's so amazing and it shows how women were so strong through all this
Ravenna	The characters in this show really drew me in with their lives. To hear great stories of strong women who where trying to be acknowledged at such a time.
Natalie	Bomb Girls has far more to give!
Aimee W.	This is such a fantastic show for women especially! It really shows how far we've come and how much we've struggled throughout the years. The cast is amazing and it's a shame you aren't giving the die hard fans closure!
Chantal	I really love this program and i NEED the third season!Please do it!
Colleen S.	Please bring Bomb Girls back, at least for one or two more seasons!
Amira D.	bring this back!!! it's a great show and one

	of the few that shows powerful women.
<i>Susan G.</i>	This is a terrific show - there is nothing else on the air remotely like it. BRING IT BACK, PLEASE
<i>Anonymous</i>	This is a great show & with poor quality TV viewing I really hope this program can be saved.
<i>Myrna</i>	Love the show. Hate to see it go!
<i>Ashley O.</i>	This show needs to stay on the air! You are better than this!
<i>Leslie K.</i>	Produce a 3rd season! I love period pieces most of all WWII. It's well written and has great story lines. Nostalgia and the real heros. If anything get that movie out there! Now, how do I get a bandana!?
<i>Jason</i>	Too good to cancel..
<i>Chelsea R.</i>	soooo great!!
<i>Lisa J.</i>	This show is awesome keep it going!!!
<i>Michelle</i>	Its a big part of history. Finally a show that shows morals and what life was like back in the day. We have a lot of crap shows nowadays. This shows meaning and how females learned to help our country. It should be a show of inspiration for our young females vs ones of sex that are already on every station. That is what kids see today instead of something inspirational and of roll models. Then ppl wonder why the world is going to crap.

<i>Tammy D.</i>	Please bring back this show!!!
<i>Lory</i>	CONTINUUUUUUU PLEASSEE
<i>Maria R.</i>	I watched both seasons on Netflix and LOVED it! My husband is Canadian and he enjoyed watching the series with me, as it contains a lot of historically accurate references. Please reconsider for a 3rd season, or at most a TV movie made available on Netflix that we can watch to tie up loose ends.
<i>Richard N.</i>	Would like to see the series continued
<i>John K.</i>	Though fictional, this show depicts an important part of the history of 1941 to 1945.
<i>Anonymous</i>	This show had excellent acting and content, not to mention fans from around the world. Why was this cancelled?
<i>Chase B.</i>	Too good to cancel. Complex and human characters, fantastic stories, and great acting. We need this more than anything else on TV now. Bring it back!
<i>Linda O.</i>	Good show which these women deserve at that time.. please come back and renew on the 3rd seasons....
<i>Theresa W.</i>	Very saddened that this show has been cancelled! This show was a good way of learning about the times and life during that specific time era. It definitely depicts a bit of American History and I really enjoyed watching it...the cast members were great as well! Such a shame...

<i>Joanne D.</i>	Smart, well written televisions shows that revolve around strong women are rare, and need to be championed. Women also played a very important role in this war and nowhere else exists such a venue that shows what it was all about. Please reconsider and keep this show alive
<i>Kaitlin L.</i>	Its a fantastic show! Compelling plot, intriguing characters, great vintage settings. The next downton abbey! Please save
<i>Jennifer H.</i>	love the 1940s for fashion. I am a fashion student and love this show as i am so inspired. Also great acting so effortless and an amazing cast.
<i>Roberto S.</i>	Save the series it's too epic !
<i>Ataeres N.</i>	I love this show. Better than most of the vapid crap that prevades tv these days. entertaining and historically relevant drama.
<i>Jennifer B.</i>	I love the show. It is one of the best shows on TV.
<i>Michelle M.</i>	Love this show! Please bring it back!!!!
<i>Renee S.</i>	I love that it's NOT the reality garbage that glorifies being a redneck... it's a heritage show that has great story lines and depth. Please keep it on.
<i>Susan R.</i>	Love this show must continue!
<i>Lynne P.</i>	Please continue the series

<i>Kathleen M.</i>	why would you not renew a hit! excellent show, fantastic characters --- makes no sense not to continue with this series!!
<i>Caroline</i>	I love this show and really hope we get a chance to have the movie come out.
<i>Marylu S.</i>	I was looking for a powerful girl cast on netflix and I found it with bomb girls please put this show back on, at least on netflix like (mini series)house of cards :)
<i>Liz</i>	I live in Australia! Bomb Girls is one of the best shows share it with the world!!!
<i>Anonymous</i>	Please continue season 3. This is a decent, family, historical entertainment that we rarely see. It is wonderfully done and much loved. The stories, fashion, music, history.
<i>Jeannette M.</i>	Love this TV Show. Cant wait for more episodes.
<i>S. F.</i>	This would be less of a network financial risk than many of the other TV pilots under consideration.
<i>Jennifer</i>	Unfortunately I didn't know about the show until I watched both seasons on netflix. It truly captures a time in our history -historical fictions rules and we should support more of it!
<i>Kathy H.</i>	Wonderful show! Well written.
<i>Hannah L.</i>	I am an American who just recently found Bomb Girls on Netflix. I am a Women's Studies major at The George Washington University in Washington, DC. Due to my education background and my history as a

	television show junkie, I was absolutely thrilled to find Bomb Girls. This show encapsulates an intrinsic piece of feminism and history about which few people are educated. Bomb Girls brings light to this. I hope you will consider extending this amazing series to a third (plus!) season, as so many people support and realize the excellence of this program. Thank you!
<i>Bmw</i>	Please save this wonderful show !!
<i>Nicole T.</i>	What a disappointment that this show got canceled.. I will be looking forward to the movie!
<i>Jim W.</i>	So the formula is to create a unique award winning television show loved by both critics and fans alike, and then cancel it on a cliffhanger? It's like the BBC's The Hour all over again. What an utter disgrace.
<i>Chris W.</i>	There are just not enough Canadian, women-centric, WWII-based shows on TV! Only just started series 2 - so glad there'll be a TV movie to properly end the series!
<i>Sylvia M.</i>	we need this show back it tells lot of the people and current event for the time please reconsider it AND BRING IT BACK
<i>Michael S.</i>	Just watched another in the series, I am puzzled that the girls are not turning "Yellow" using Amatol. This was the trade mark of all girls in the armaments factories in UK during ww2 ?
<i>Kimberly M.</i>	So I am bummed that this show is

	cancelled. The story lines were getting better and better every episode. It needed to be on another network to get better exposure...like AMC or TMC would have been a good fit.
<i>Suzanne S.</i>	Hi there, just wrote a blog about how sad I am the show is cancelled and how to recreate some of the fantastic looks seen on Bomb Girls Red Velvet Rosie: Bomb Girls and Bombshell Vintage redvelvetrosie.blogspot.com
<i>Andrea M.</i>	We want more than a week of filming! Bring back the series! More Bomb Girls!!!
<i>Japhia J.</i>	yay i thought it was cancelled! Love Bomb Girls!
<i>Andre G.</i>	MORE BOMBS GIRLS PLS GLOBAL !!! #globaltv
<i>Geoff L.</i>	And, thankfully, they are doing a two hour summary movie to complete the series.
<i>Heather M.</i>	they need to bring this show back!!
<i>John P.</i>	They could stretch this out for more than one two hour movie.Are the Canuks afraid of success ? Meg Tilly still looking good !
<i>Stina K.</i>	I wish I could be an extra! I live the vintage life already
<i>Stephanie R.</i>	Vintage life is the best!!!
<i>Tina R.</i>	Love this show!
<i>Bobbi W.</i>	Loved this show. I was heartbroken it was canceled. Thanks for the TV movie!

<i>Catherin H.</i>	We don,t get Global!! I may cry!
<i>Bob C.</i>	Fantastic show, can't believe it was cxld. Wasn't it a CBC record-setter of some sort?
<i>Bob C.</i>	Gave me a completely new insight into US-Canada relationship and the unique struggles of Canadians in WW2. Just watched episode tonight of fall of Singapore, brought tears to my eyes.
<i>Sarai D.</i>	Enjoyed the show very much in US on Reelz network, bring back!
<i>Elizabeth S.</i>	Still cannot believe that Bomb Girls got the axe and so many shows which are undeserving are still on the air.
<i>Harry B.</i>	I love the Timmies cup with the 50s costume
<i>Erika P.</i>	Filming is right near my house! Must drop by! My whole life is 1940's; can I be an extra?
<i>Ruth C.</i>	Got hooked on the show when I was living in Canada. So happy you are making a movie
<i>Debbie C.</i>	Please bring back "Bomb Girls", it's based on real life. It was so refreshing to see a show with some actual Canadian history. It doesn't make sense, stopping a show with such high ratings:(
<i>Sue C.</i>	Maybe if we all ask... They might listen.
<i>Jennifer S.</i>	I cannot believe they cancelled this show. It was great. I just came on this page to

	see when it was going to start again. I have so many people watching it. Wow I hope someone else brings it back. All the shows on TV are for the 'younger' set. For once they had a show the some of us older tv fans to like and appreciate and they cancel it. I am really disappointed. This is better than some of the other shows they have on Reelz channel.
<i>Shawn M.</i>	if they don't bring the show back I will kill myself. and it will be their fault.
<i>Barb S.</i>	It's too bad they couldn't film in one of the original communities the war involved. I feel lucky to be living in a war time home in Ajax, ON. I loved The Bomb Girls series and was saddened to hear of the cancellation. Nothing could turn back time like the producers of the the show :)
<i>Andrea H.</i>	cancelled?..... dang. I love that show
<i>Lori B.</i>	I'm so sad this was cancelled!!!
<i>Greta C.</i>	I can't believe they canceled the show. Just let's u know they aren't to smart for sure.
<i>Derek G.</i>	It was only supposed to be a mini series, be happy you got what you got.
<i>Yvette B.</i>	Need the series back!!!
<i>Teresa L.</i>	Loved, loved, loved that show!
<i>Precillia B.</i>	Cancelled? I can't believe they did that. Best show ever. Well at least me get a movie to close the series out...

<i>Jim W.</i>	The idea of a movie is great! As a replacement for Series 3? Horrible concept. Congratulations Canada on creating your own The Hour. I hope y'all are proud of whatever reality pabulum you replace one of the best shows on television with...
<i>certifiedcompany on</i>	Ugh! Bomb Girls is gonna hurt me and I'm only on the first episode.
<i>juli-with-rainbows</i>	Can we just... Rookie Blue and Orphan Black and a Bomb Girls movie all next year I'm hyperventilating rn.
<i>Wanderingaroundyoutube</i>	These scenes with Kate alone in the house at night scare me more than any horror film I've ever seen.
<i>beyoncesbum</i>	every so often throughout the day i get a little teary eyed thinking about how the bomb girls movie is being filmed at this moment
<i>aqueeroadmap</i>	Watching Bomb Girls makes me want to rock some 1940's men's fashion.
<i>tahmoh-penikett</i>	I'm so glad they're making a movie but really I wish they hadn't canceled the show. :(
<i>anchorsawaysetsail</i>	Don't toy with my emotions, Is a Bomb Girls movie ACTUALLY happening!????
<i>cucumber-sandwich</i>	FOR A LITTLE WHILE THERE I THOUGHT I WAS OVER BOMB GIRLS BUT NOPE NO I CANNOT
<i>andyandtherobo</i>	I'm falling in love with Bomb Girls because it's about World War II but IT'S

<i>t</i>	REALLY ABOUT FEMINISM
<i>relentlessreblogging</i>	II am having some serious Bomb Girls withdrawal.

<i>thedullroutineofexistence</i>	I just learned that this series I watched on Netflix called Bomb Girls was cancelled and I'm pretty pissed because I reeeaaalllllyyy liked it D:

<i>sin-tillate</i>	started watching Bomb Girls on Netflix last night and I'm about to start the second season, it's soooooo good
<i>Mel C.</i>	I just discovered Bomb Girls on netflix about 2 weeks ago & have already found myself dreading and holding out watching the final episode.I was hooked instantly.I don't get that way with many shows either.I am a proud young US Army Veteran wife and seeing a military related show with accuracy is just exciting! I have a real fascination with WWII & the way it made people come together.I think our country lacks that now and this show is a sweet reminder of the good ole days.Anyway, it seems shows I end up liking always seem to get canceled.Maybe because a lot of people are just too modernized to watch a show like Bomb Girls.Either way, I was devastated to hear the show was canceled right when I started watching it.Cant wait for the movie though!!! :)
<i>Marian O.</i>	save bomb girls
<i>Greta C.</i>	I loved the show. I wish they would have keep it going.
<i>Anita R.</i>	Save Bomb Girls. Absolutely fascinating series
<i>Julie V.</i>	I connected deeply with Bomb Girls. I grew up in 90's bushland Australia: the 2%. There were 24 people in my class in from year 6 to year 10. We didn't watch a lot of TV; there weren't any stations out there. The channels we got were static. In any case, our Christian school thought that the devil spoke through the

television. So not a lot of us even had one. So in that sense, 90's Australia isn't that different from 40's Canada. We had the radio, and we spent our days in fields with cows or horses or dirt bikes or tractors and running barefoot through bushland, exploring caves, catching bob-tailed lizards and never quite knowing what to do with an angry lizard at the end of your arm, running screaming from a newly-thrown lizard. We lived outside. We worked outside. When we got TV we were allowed to watch those old movies; the classics, the musicals. Ginger Rogers was my first crush closely followed by Doris Day and Katharine Hepburn. We caught up in the 00's, but I miss that sense of waiting for the next song, of waiting for Ginger's skirt to fly out just right. TV's come a hell of a long way since then, but still not far enough if a show like Bomb Girls can get cancelled. It's an audio-visual splendorama of beautifully distress chaos. It's everything I always wanted but never knew how to ask for. I know that look on Betty's face when Kate sprang away from her; I've been the recipient of that look. Hell, haven't we all? And I've been head-butted (in a gay bar no less) for telling a man that I wasn't interested because I was gay. His reply? 'That's what you get for not looking like a dyke.' It's confusing, but it happens. We still get beat up. That scene where Betty is dragged toward that car – it's something we fear. And it happens. And it needs to be talked about. Every issue in this show is something that's still relevant 70 years later. They need to be talked about, and Bomb Girls was opening the door for some heavy discordant discussions. When I moved to the big city, I got myself some

big city learning in the form of a Literature degree. I wrote. Constantly. About 7 years ago shit went down. Heavy shit. I don't talk about it because most of my friends didn't need telling; they saw the CCTV footage on the news, as did I when I woke up two weeks later in hospital. If you've ever seen your own feet dangling helplessly... after kicking for so long... But I digress. I drank through that, and came out the other side pretty damn broken. I got a cockatoo 3 months after I quit drinking and she keeps me strong on days I might crumble. 6 years worth of days. At the start of this year, in the gap between Bomb Girls season 2 part 1 and season 2 part 2, my mother called and told me she thought that my abstinence from a homosexual lifestyle was honourable and all sorts of Christian junk and the word abomination was mentioned and I kinda went to the place that's not good and then I found out Bomb Girls was cancelled so I got mad. It was something to focus all that mad on. And I started writing again. Paint Over It All was the first thing I wrote since my deposition 7 years ago. The support I got from the community was humbling and overwhelming. Studying engineering, I'd been living in an all-male hetro bubble for so long. I hadn't seen hide nor hair of a lesbian for years. I forgot there were people like me out there. People like me that connected so fully to these old-timey women. I gave them every possible happy ending, because that's what they deserved, these cancelled characters, these heart-broken fans. It's not just the show, in this case, that's important. It's the fanbase. It's the people this show has touched. It's your everyday Bomb Girl.

Because there's a little piece of us in every one of them. Bomb Girls got me writing again and if I can do that, I can do anything. I can answer an unknown number on my phone. I can open the front door to a stranger. I can sleep with the lights off. I can let someone hug me and not mind if their shoulder brushes my throat. Not today. But one day. One day soon. I love this show for what it is, and for what it is to me.

Deborah

LOVE this show! Keep[it going. Out entire family looks forward to one of the best shows on TV. DON'T CANCEL!

Canada is notorious for stopping production of it's hit shows after a couple of seasons. Meanwhile, mediocre shows (those with little or no budget) are telecast for years even though there is virtually no viewership, just to fill the void. Canada needs more series such as Bomb Girls if Canada wants to stay a contender in the television entertainment industry. I would prefer to watch Canadian made sitcoms, series, and movies over American or European if it's content was equal to or better than it's counterparts. It's time for Canada to step up and make quality shows that are worth watching, and leave them on the air for more than one or two seasons! A frustrated Canadian

Betty W.

I have fallen in love with Bomb Girls! TV needs more programming like this! A serious slice of life show that helps us all to understand a generation of courageous women during a time that changed things for women and men forever.

<i>David & Susan L.</i>	Please bring back production of Bomb Girls. We accidentally found this show on Netflix and have become devoted fans. At a time where American TV is devoid of intelligent, meaningful, or interesting shows, Bomb Girls has brought all of that and more. There are many of us here who are disgusted with reality TV and Survivor-like TV. Period dramas are the rage, but only if they are well written, well acted, and deal with issues critical in their era, as much as they are still critical today. Bomb Girls is quality TV that deserves to continue. We don't need more reality TV, which is not reality at all. SAVE BOMB GIRLS!
<i>Robert B.</i>	save the show it is very good
<i>dnm219</i>	Watching Bomb Girls, it's so awesome but at the same time it breaks my heart into a million pieces. I can't lie it's like a better vintage version of Army Wives. It's just an amazingly casted and written show! Season 1 made me laugh and cry, time for season 2.
<i>pluviophilesquall</i>	Netflix pointed me in the direction of Bomb Girls. Does anyone else watch it? Why am I just now hearing about it?
<i>cuntcarousel</i>	I just miss Bomb Girls alot
<i>the-secret-vegan</i>	If you haven't watched Bomb Girls omg what is wrong with you go watch right nowwww
<i>delilahmidnight</i>	I just finished the second season and am absolutely dying, mostly because, in case you don't follow it, they've decided not to continue the series, even though it is

	literally one of the best, well-written, thoughtful, beautifully-shot, subtly-acted, and timely, relevant shows on television at the moment.
<i>savvylikethat</i>	I can't stop swooning over Betty in Bomb Girls
<i>natglee</i>	Binging on Bomb Girls thanks to Netflix. Oh my god, Betty. Episode after episode I just wanna hug you.
<i>catsuitmonarchy</i>	Bomb Girls is just getting tenser and tenser. I think the last four episodes have given more feels than all of Season 3 of Game of Thrones did.
<i>aqueerroadmap</i>	So, I'm finally finishing season two of Bomb Girls. I was so disappointed when it was cancelled that I didn't want it to end. What we're they thinking canceling this show? A female leading cast. Queer characters. Feminist sensibilities. Ugh.
<i>violashipwrecked</i>	As I'm on the topic of ensembles that I love, I finally finished Bomb Girls season 2. I say finished because there are no more episodes to watch. Why? WHHHHHHHYYYYyyy? Can we talk about how wonderful this show is though? How shockingly excellent the writing was for its female characters? Or all of its characters in general? And how it found a way in only a handful of episodes to let every character find some kind of agency and dignity and voice all his or her own? I'd go on, but I'd start speaking in cliches. The episodes are streaming on Netflix right now, so it's pretty easy to give it a try. Before you know it, you'll realize you're watching some damn good tv.

<i>mooka219</i>	I just still really fucking miss Bomb Girls. I mean what the fuck Canada? You make me love a thing, then you make me wait a full year for the second season, then you take the whole thing away like that. There better be a movie or something coming because I am still so very disappointed in you Canada. You have never disappointed me like this before, and this is the show you decide to take away? Ugh doesn't matter that it happened months ago I am angry every time I think about it.
<i>jo-siris</i>	THERE WON'T BE A SEASON 3 FOR BOMB GIRLS?!?! my heart hurts..
<i>cucumber-sandwich</i>	Bombshells, I miss our show.
<i>extollereblog</i>	There is a surprisingly large and active fan base online for this show. Originally slated to be a 6 part mini series, Bomb Girls now has 18 episodes, and a movie in production, that will tie up the loose ends. The fans of this show fought hard, sending letters and petitions, to have it given a second season. I suggest it to everyone, and I am glad that it had such a loyal fan base! This show tells a great story of amazing women in a precarious time in history, and it deserves to have a spot light shown on it.
<i>firefliesnight</i>	I never before have been looking forward for a movie like I'm looking forward for the Bomb Girls TV movie!
<i>beautyandthems</i>	I really need the bomb girls movie or I'm going to start running around and pushing street preachers off of balconies.

Why such a unique, well presented show is getting cancelled is beyond me. This show is the best I have seen in a very LONG time on Television. Reconsider and do not cancel this fine show. Thank you.

Monique

What are you doing!! Bomb Girls is an interesting and awesome Canadian film. It won awards a reminder to all that this show is great and imperative that you should look into keeping it alive . It deserves recognition. The cast is professional (excellent actors). Thanks for listening.

jobethdalloway

#savebombgirls! In only 18 episodes I feel like I have learned so much more about homefront struggles during WWII than I ever imagined. The intensity of the emotion in this show is so moving and so rare on TV these days and offers such a unique historical lens. It adds a new perspective to a subject we think we know everything about (how the war made "the greatest generation"). Please bring back our empowering, emotional, one-of-a-kind bomb girls!

barrelfish

Bomb Girls is hands down one of the best shows I've ever seen. The skilful characterisation and writing left me impressed each episode and I love the cast and the warmth and depth they bring to the characters. I love this show and have recommended it to everyone I know. Please bring me a chance to love it some more! A few years ago I grew tired with what I saw in television. I was bored (and am bored) with the vast majority of it. I have no patience for reality tv and no fondness for cop shows and hospital-based soaps. There is no shortage of US

exports (timed with their shows) on Canadian Television. What there is is a shortage of shows like Bomb Girls. Canadian period drama that has been highly successful - and has many fans all over the world.

A few years ago I grew tired with what I saw in television. I was bored (and am bored) with the vast majority of it. I have no patience for reality tv and no fondness for cop shows and hospital-based soaps. There is no shortage of US exports (timed with their shows) on Canadian Television. What there is is a shortage of shows like Bomb Girls. Canadian period drama that has been highly successful - and has many fans all over the world. What I do love is Bomb Girls. From the very first time I saw the show - I was hooked. It tells our stories; the stories of Canadian women during World War II. In history class in high school I think our textbook had one sentence on women working because the men (the vast majority of them) were overseas. A footnote in a small box besides a picture of a poster of Rosie the Riveter. That was it. Bomb Girls has opened my eyes to the world of women in 1940s Canada. I began watching for Betty and Kate's storyline - that is how the show was advertised to me by my sister (who figured her lesbian sister would get a huge kick out of it). The entire show has caught my heart. All the characters are complex and flawed; extremely human. Extremely relatable. Admittedly, I've always loved period shows. I have a weakness for them. And Bomb Girls is by far my favourite. This show deserves a second chance, they have many more stories to tell and it would be a crime

against Canadian television to not allow them to continue.

thusspokemandy Great period dramas like Bomb Girls come along once in a blue moon, and more often than not, they teach us something about an era long passed. I grew up with a love for this era thanks to the Golden Age of Hollywood, but never did I see a story so true to the daily struggles of women like our grandmothers and great-grandmothers. Bomb Girls is an eye-opening tale with a remarkably talented cast that shouldn't be laid to rest in such an anti-climactic fashion. A movie to tie up all loose ends just won't do. We need another full season to fully explore these unsung heroes of the Second World War.

izzy31flavors Bomb Girls is truly a quality show. It's a special show to have so many fans anticipate a third season or several films. The cinematography, and the recreation of the 1940's is really well done, and beautiful to look at. Plus the actors are very talented! The internet fan base is fascinating therefore, the series will succeed on any Network. Bomb Girls has soul; it has touched a lot of people around the world! A third season or more films should be developed.

Debbie J. I started out watching Call the Midwife, but when that ended, I started looking for a similar series. Bomb Girls proved every bit as entertaining. Please save this show. It is truly a gem.

Katie N. I just discovered Bomb Girls not too long ago on Netflix and have absolutely *consumed* it. I LOVE love love this

show! I am nearing the final episode and started to become worried about the fate of the show so I googled it and discovered it has now been cancelled. While a movie is exciting, I am still so disappointed a show of this caliber has been cancelled! I have learned so much from Bomb Girls, I find it fascinating! Bring back Bomb Girls!!!!

Anissa H.

I love this show!!! My grandmother Annetta Hart-Hendley was a bomb girl in Toronto! She juggled her job at the munitions factory while caring for my uncle while my grandfather was fighting the war in Europe. He was part of the troops that liberated Holland! Every time I watch this show my heart bursts with pride for them! I think of them often, especially on this Remembrance day. This show is such an important part of our Canadian History! SAVE BOMB GIRLS!!!!!!

Barbara W.

We love this show both myself and fiancé Gary Smith! Why! Because it's a Canadian story and because it tells the stories of our parents and their lives during WW11. My father served 1939-1945, signed up at 17. It is a human story that connects our present to our past. We don't need more American TV. We need and want Canadian shows! Bring back Bomb Girls please!!!!

Sara B.

Great show, keep it going!!

Heather C.

A great Canadian show!!!

Akila R.

I just finished watching Bomb Girls on Netflix. I LOVED it!

Marcy H.

I was captivated by this show and could not stop watching it on Netflix. I am saddened that there will not be a third season. Even though it does not air in the United States, I would gladly purchase a DVD of a third season or purchase episodes on Amazon.com.

Gloria M.

Love the show. More seasons ... please.

*The Bletchley
Circle Watchers*

I love that Bomb Girls has a strong female cast to tell women-centred stories about WW2 time. We don't often get that perspective on war history. As a Canadian, I also appreciate that the show is set in this country and shares important Canadian history. And it's so well done. I am looking forward to the movie, but would rather see the series continue. So, I add my plea and support to the Save Bomb Girls campaign! Four apparently ordinary women have returned to domesticity, quietly setting aside the part they played in the Allied victory in World War II. But in fact, their brilliant work at top security HQ Bletchley Park helped crack the codes used by the German military.

Kolynda R.

Bomb Girls is amazing. I like that there is a show that gives a bit of a history lesson without being boring, shows girls what things used to be like and how lucky we are nowadays. I love that it shows different aspects of the world and how much society has progressed. It teaches girls of today to be their own woman, without telling them to get their clothes off!! It teaches you that whatever your sexuality you should be happy. That you need to work hard. There are just so many different things you can get out of this

	show and i love it. FINDALLY an interesting tv show that isnt about vampires and other fictional/mythical stories!!
Krystal M.	I just watched all of both seasons in 3 days. I'm so sad I just found it, it's such a great show! I wish there was more!
Barbara W.	Please please don't cancel the show!!!!
Lisa W.	Bomb Girls is one of the best shows I've seen in a long time. As soon as I finished the last episode of Season 1, I went to my computer so I could order Season 2. Keep this great show going! I'm thinking of sending Season 1 to KVIE, our local (Sacramento, California) PBS station, so they will start showing it.
Dave R.	Just found this show on netflix and watched all the episodes...Only to find out its canceled? That hurts more than finding out there was no Santa!
Chris R.	Bring back Bomb Girls. Great show
Dorothy B.	Hope to see more of Bomb Girls this season!
Kyle B.	I love this show and want to see more. I hope it can find a new home! One movie is not enough!
Amalie B.	Don't cut this show! It's great. Even us crazy Yanks think this show rocks!
Rosalyn R.	Bomb Girls is a great show, well written with wonderful actors. It is so much better than most of what is shown on TV. It should not have been cancelled.

<i>Bamby L.</i>	I WANT MY BOMB GIRLS BACK!!!!!! I am an American 48 year old woman that has seen a lot of television programs come and go. I have never had a "favorite show". Until now. Bomb Girls is more than a series, it was a wonderful escape back to a simpler more naïve time before technology, school shootings and reality T.V. It was my saving grace. Please give me back my innocence and bring back the world's best program. Today.
<i>Wynne E.</i>	It's Canadian, it's about strong women, it has a great story line and it is not a red neck mindless reality show. Maybe that is why it was cancelled.
<i>Audrey R.</i>	Absolutely love this show and think that having more seasons would be brilliant.
<i>Toni E.</i>	Can't wait to get on set and play Marco's mama again! Gianna!
<i>Lorraine Q.</i>	Betty McRae: one of the most brave, courageous, heroic, fearless, scared, flawed, strong-willed female characters EVER portrayed. Ali Liebert played her perfectly. It is a shame that women and young girls do not have this beautiful portrayal any more. A time in history that needs to be remembered for what it was: Women, called upon to help their countries in wartime; selflessly, bravely while their husbands, sons, fathers, uncles, brothers fought. It changed everything! So many stories. So much potential for a great series squandered.
<i>Kathy D.</i>	LOVE BOMB GIRLS! The characters portrayed so beautifully by the actors. Couldn't pick a better cast. Love the clothes, cars, sets - all so authentic!

	Should be part of high school history class!
<i>James R.</i>	Finally a show that I actually LOOKED forward to seeing when I saw the original trailers for Season One. Loved the show from the start!
<i>Jennifer D.</i>	As someone who has taught a women in history class, I appreciated the realism of Bomb Girls to the time period. The costumes, lighting, story lines, conflicts, even inner struggles of the characters shed light on a very interesting time period for women. The characters are rich and deep and the storylines are creative. Any network could show the previous two seasons and easily pick up with a third to a huge audience. I think USA or TNT would be a great fit for this character driven drama. #savebombgirls
<i>Carol F.</i>	One of my favorite shows. Was so sorry to hear it was ending. Loved Pan Am, Smash and Bomb Girls and all three shows were cancelled. Guess no one appreciates quality TV.
<i>Nicole A.</i>	Why do they always cancel the best shows??!My so called life,freaks and geeks,playboy club and now bomb girls!But the Kardashians are still on?And honey boo boo?This is a travesty!
<i>Marquisha V.</i>	This show is not just a fictional drama, with every episode it enlightens us on how women were the fabric of the country, the effects on our troops, and other sacrifices that had to be made. I hadn't watched tv in over a year until coming across Bomb Girls. If you can't fit it in to Reelz' schedule, can you at least make it a

Netflix series??? Please

Love this show and I hope it can be saved!

Andrea M.

I really love this show. I've emailed, sent letters and postcards. Can we really save Bomb Girls? The show was cancelled in April. Probably, most the actors have moved on. It has been a long time and yet no word from any network, except the regular template responses.

Lara E.

It's too bad that tv executives want to further diminish our percentage of Canadian shows. American tv is alright, but Canadian television is like your favourite sweater...its warm and cozy, and it fits perfectly. We have so many amazing Canadian content shows. Bomb girls is one of them. Instead of cancelling, perhaps try a different time slot. The time slot of the last season sucked. Was that premeditated? If it was successful in the first season, why not stay on the tried and true. To heck with Global/Canwest/Shaw...make a pitch to CBC! They rule! We want tv shows, fictional or not, that pertain to Canada. Please keep Bomb Girls going!

Best show on tv, please bring it back, I just can't believe it was canceled, again this is the best show on TV... I live in USA

and have been watching it in netflix I so wish for this show to continue is it an amazing show oh did I mentioned how much I love it? Anyway I do hope it comes back and wish for more show like bomb girls to make their way to American and world tv, I'm so sick of reality shows like the Kardashians they are useless and no subject other than vanity and greed, please bring back the girls they are awesome..

Love this show! the perfect, "Bomb Opera". Sad to learn they won't shoot another season. Not many shows out there as good as Bomb Girls. Betty is, "Da Bomb". Watched the last episode last night. Now, I gotta tell ya', they're gonna, "Tie up" all the loose ends in a two hour finale, no way. No way at all unless they blow up Vic Mu in the last 10 seconds of the finale. Now I get it, it's all about money. Ratings and all that good stuff TV execs get excited about but surely to goodness Bomb Girls has a strong market share, right? Perhaps a large number of the lead cast have other projects, that happens. Who knows for sure? This is just one whacking great show with a ton of potential. It gets solid reviews and I doubt it's a niche market show. When 90% of what's broadcast or view-able is totally insipid and unwatchable, Bomb Girls shines like new money. That is exactly the

	dead opposite of how to do business. Viewers= Potential advertising revenue. That's business 101. Case in point; Seinfeld. Did well in it's first season in a good time slot. Next season it was moved and almost tanked.
<i>Ginger C.</i>	I love this show! It is the kind of show I've always wanted. I connect to it soo much! Its definitely my favorite!!! Please keep Bomb Girls!
<i>Barbara K.</i>	I love this show!!!!!!
<i>Alice U.</i>	Bring the girls back! I love this show! I hope i could see millions of seasons!!!
<i>Liza L.</i>	My mom and I just found this show last week on Netflix, and have already seen both seasons. we are both very disappointed that it was cut off and I want to know what the heck is going to happen next.... Who cares where the show comes from or is based of it's an amazing tv show and should come back on air.
<i>Mary S.</i>	Why does this always happen I watch a tv show for two seasons and they decide not to keep it going!!!! Don't end such a great tv show!!!
<i>Kurt O.</i>	this needs to be posted every few hours: http://www.savebombgirls.com/wordpress/?page_id=108 Contact details for Shaw Media and Global TV SAVE BOMB GIRLS
<i>Claire P.</i>	bring them back
<i>The Thriftaholic</i>	New fan from Chicago! I just finished season 1 on Netflix and am sad to hear

	that there won't be a season 3. I hope you'll be able to change that!
<i>Beverlee B.</i>	Greetings! We at the The Murdoch Mysteries Winnipeg Constabulary lend our support and wish you success on your campaign!
<i>Patricia O.</i>	Only 2 episodes left of Season 2 and I find out it's not coming back?! My mum and I are addicted! I just read there will be a 2 hour movie to wrap things up. I'm hoping one of the Bomb Girl pages on Facebook will be sure to announce when it is and it will be available in the USA shortly after.
<i>Denise M.</i>	just finished watching all of season 2 on Netflix. I'm addicted. How can they cancel such a great show?? They can change their minds, can't they?
<i>Jessi C.</i>	OMG I just discovered this show recently and watched both seasons. I absolutely love it!!! Wish there were more. I want a Victory Bandana!!!! can I still get one somewhere?
<i>Janet R.</i>	A friend of mine works closely with the creator-producer of Bomb Girls and so far, no Canadian network will touch it. I just don't get it. Fabulous plot line, great actors and all those awards. Go figure...
<i>Vicki S.</i>	any chance of saving this great show
<i>Paul S.</i>	wish that I could help save the show--our family loves "Bomb Girls"
<i>Paula R.</i>	Please bring this series back. I missed season 2 because I had no idea it was on. How about promoting it better, and

	getting it on a more watched station. I loved everything about this series.
<i>Bj O.</i>	Bring the girls back!!! I miss them already!
<i>Suzie K.</i>	So is there any hope they'll bring this show back? I absolutely loved it.
<i>Lara M.</i>	For your interest, some pics of WW2 women at work, restored and retouched in colour: https://www.facebook.com/TheBletchleyCircleWatchers/posts/299920560151670
<i>Beth W.</i>	just found Bomb Girls and now I find ur cancelling u. That really bites. What a great little series. ~~ SAVE BOMB GIRLS~~
<i>Jennifer W.</i>	HUGE fan from the US. It's available on Netflix. Keep promoting to save Bomb Girls. Quality programming needs a comeback!
<i>Christina W.</i>	I just discovered this show on Netflix. I love it. Figures they'd cancel it - the same thing Fox did to Firefly, another show I love. Just sent my email to all the Shaw Media execs to not bomb the Bomb Girls!
<i>Michele S.</i>	Nashville, TN here - LOVE the show - just wrote the CEO a letter. I finally find a show to watch between Downton Abbey seasons (award winning no less!) and it gets cancelled ?!?! WHAT THE HECK?!
<i>Aubry S.</i>	This girl in Chicago, IL just got her bandanna! Thank you guys for all of your hard work; we can only hope that this show's legacy continues even after (or

preferably before) the tv movie. Many shows have come back from the grave only to become megahits. This show has the potential to become a worldwide success. As an American who was taught very little about Canadian history, I was absolutely fascinated by the Canadian WWII home front perspective and has led me to some self-study of Canadian history. Though I'm sad it's gone (for now), I'm so glad that it had a second season to continue its story.

Shelbi B.

Absolutely love this show, it's my favorite era!!! I loved Homefront in the 90's and thought I died and went to heaven when this show came on.....my mom and I never missed an episode!!! Please save the show!!

Felecia S.

I'm sorry to hear about the cancellation but a two hour movie is cool too. My grandmother worked in a defense plant building B24s so I love a show about these awesome women who did their part. Good luck Bomb Girls.

Tanis C.

I just found out. As a proud Canadian I have to say we are noted for bad TV. BUT it has been changing over the last few year. This is a great show, I just bought season two yesterday (shift worker, don't want to miss any). Better check, make sure Republic of Doyle is going. Stupid Global.

Alyshia S.

A great CANADIAN TV show. A great history show. A great show empowering women. A great show displaying the LGBT community. And they cancel it despite it being adored in many more places outside of Canada.

<i>Claire P.</i>	Come onthat is sad!this is history - CANADIAN HISTORY! and not TRASHY! let's pull together for the all the GALS!
<i>Marianna R.</i>	My hand made greeting card was sent to Shaw Media. LOVE this show! Let's save this show!
<i>Hokie P.</i>	What a shame. Bomb Girls is one of the few shows of merit being shown on TV today. Bring it back!
<i>Judy L.</i>	I'll be writing down all of these e-mail addresses, and write all of these people letters, telling them that is cancelling of Bomb Girls is a BIG MISTAKE!
<i>Mary H.</i>	Just found this show on Netflix and love it! Also just found out it's been cancelled. I already signed the online petition, though I think the dimwits running the networks can only cater to the lowest common denominator--the reality shows. They don't want to keep the good shows on.
<i>Glenn I.</i>	Bring back Bomb Girls! My wife and I love this show!
<i>Shannon L.</i>	The email I just composed to Global Viewer Relations: Who the fuck cares about a 2 hour movie? You think that makes up for (or is equal to) another season? NOT. IMPRESSED. If you're so concerned with your viewers and our input....LISTEN TO WHAT WE SAY. We are saying "DON'T CANCEL BOMB GIRLS". It's ratings have only ever increased, and has been nominated for awards....WHY would you cancel it? WHY? WHY? WHY? I am fucking livid to say the least. LIVID! You are taking away

a show that pays tribute to Canadians. To women. To the female pioneers of our country, our families. A show that pays tribute to our Mothers, our Aunties, our Grandmothers!

Judith R.

I get over 240 channels in my satellite package-I watch only 60 on an occasional basis-and most of the time I just turn the TV off-nothing but garbage. Bomb Girls is one of the few programs I watch on a regular basis. I record it to send to my sister in another state because her carrier doesn't have that channel. She loves it. And it's being cancelled-are you people out of your mind? What is your problem? What possessed you to do that? What is left for those of us who will not watch all of that "reality" trash? PBS, that's it! One channel. Sad state of affairs.

Joell H.

Are you kidding me,why cancel this show when do many of us love it!

Allison J.

I think a Save Bomb Girls campaign would stand a better chance of success, if it were directed towards Netflix rather than Global TV.

Kathryn M.

Just got the my victory badges off in the mail! Was able to get 13 (this is a lucky number for SBGs!) people to sign as many and coloured them to show Global TV that people who set aside time to do that must really love the series. Chose flowers that grow in Vancouver gardens such as lilacs, passion flowers, hollyhocks, wild roses, pansies and poppies, to name a few. Too bad I forgot to take a photo of them and post it.

<i>Sharon N.</i>	Pleeezzzzeee, save this wonderful show. My mom was a General Motors factory worker when the guys left for war. Might not have been dangerous but the show reminds me of her youth.
<i>Nicole T.</i>	Save Bomb Girls, best show in a long time.
<i>Gloria D.</i>	I literally started watching this show a week ago, and I'm so hooked. My heart just broke when I found out the show was cancelled. =(
<i>Tina B.</i>	Wearing my Victory Bandana with pride! Now Global just needs to come to their senses... #SaveBombGirls
<i>Allison J.</i>	I just finished the final episode. I'd like to say "I can't wait" for the movie that's supposed to wrap everything up, but I'm still waiting for the "Xena" movie that was promised 12 years ago when Xena went off the air.
<i>Kim C.</i>	Daisy says Save Bomb Girls!!!
<i>Monica T.</i>	Just a week or two ago I started watching Bomb Girls. I got attached to the show instantly! I then started the second season online. The characters and plot line is well-developed. I think this show is well-made and has a lot of potential in the future. I hope to hear that we can save this wonderful show!!
<i>Kevin S.</i>	Canadian stories and content are a requirement for broadcasters and the show should get a chance to tell this story longer.

<i>Robert C.</i>	Great canadian show...!
<i>Devon B.</i>	Canadian television must be supported!
<i>Christine K.</i>	It's the best show I've seen in years!
<i>Ted B.</i>	Stories from the Homefront. Well written, well acted, Rare!
<i>Zachary W.</i>	If you can't even give Canadian TV series a fighting chance to survive, why even bother making Canadian television? Very disappointed in Global if they actually keep this show cancelled. Save Bomb Girls! P.S. I know that this show was originally pitched to CBC who turned it down (and later regretted it). I know it would do well on that network and CBC has saved other failing shows. If Global won't do anything, maybe CBC can.
<i>Cathy S.</i>	I LOVE the show. EVERY SINGLE CHARACTER!!!
<i>Rianne M.</i>	Its a damned good show - top quality Canadian drama. Don't cancel
<i>Jolyn B.</i>	Just found season 1 on netflix. Holding my breath for season 2. The progeam is a blessing, it shows the female side of war when handling it from home. As a veteran and a member of the LGBT community i find the show well written as well as wonderfully portrayed by such a strong female cast. Please keep up the great work and keep the show going. Thank you.
<i>Angela S.</i>	Good Series

<i>Wanda M.</i>	A show that I truly enjoyed watching. great writing, great acting. Loved the story line and the time era.
<i>Jemina P.</i>	it's the ONLY tv show my mother lets me watch.
<i>Lauren B.</i>	This is good Canadian tv! So amazing I do not want it to end!
<i>Laurie S.</i>	It's a wonderful show and global should support the Canadian arts.
<i>Jenna S.</i>	Please...I LOVE Bomb Girls...please, don't cancel my favorite show!! I can't imagine what I will do without my Bomb Girls!!
<i>Sherri M.</i>	It is a wonderful show that portrays an important part of Canadian history.
<i>Kim R.</i>	I had a terrible foreshadow the other night of what it will be like if Bomb Girls gets cancelled. I found myself folding laundry while watching A certain show containing various women living in large houses wearing big hair and lots of jewelery. No disrespect to those ladies...but what a waste of an hour. Bomb Girls has so much more to offer, and Global willingly throws it away. There is absolutely no sense in cancelling a show like this...what are you thinking? Please DO NOT CANCEL BOMB GIRLS!
<i>Shelley S.</i>	Finally...a great Canadian show...educational and empowering us women!! Do the right thing, and keep this show!!
<i>Miranda L.</i>	its a great show made in Canada and shows some unique social details from the

	time. Sparks an interest, is entertaining and is a great historical time ~!
<i>Anna C.</i>	Beautifully made example of how to write varied and complex characters that also happen to be female. You just don't realize how rare it actually is til you see it done this well. The show portrays 'strong' women without resorting to stereotypes. It is doing what no other TV show has managed to do for a long time. The world needs another season!
<i>Katharine L.</i>	it is a good quality show. It shows how women were empowered to become independent and how they joined the work force. Excellent acting by Meg Tilly!
<i>Bonnie H.</i>	Haven't missed a single episode of this show since it began. It's absolutely the BEST show on TV. How can a network even consider cancelling such a popular show????
<i>Kelly N.</i>	What a great historical drama that shows a period where women made a huge contribution to the war effort and changed their lives forever. I love the variety of women from difference classes and background becoming friends and crossing society barriers. This is a story that needs to be told. Love the show!
<i>Nathan L.</i>	Poignant view of an unseen parts of life during wartime. Stunning period detail of timeless 40s style and culture. Don't lose this show. It is far more than tv entertainment. Artfully crafted and brilliant!
<i>Kanitta C.</i>	A well-written, complex, women-center TV show is a rare gem and Bomb Girls is

	that show. Why cancel such a wonderful story premature when it hasn't finished telling its story yet? I just want more women to watch this show and realize how much women in that generation have been through. Bomb Girls has given so much positive messages to young females who can look at those characters and can relate to them and know that they can grow up and be strong women like them.
<i>Farah M.</i>	It's an amazing show with an incredible cast. And THE BEST LESBIAN CHARACTER on TV. It deserves 10 more seasons because there are still too many stories left to tell.
<i>Thais R.</i>	This is the only show that truly shows strong women first and relationships second and we need more of this. Please give us another season.
<i>Linda M.</i>	Such a smart, well written piece of work on television. So nice to watch something from an important period in Canadian history, with interesting complex characters. Love this show and can't believe it is being cancelled. Can it be picked up by a Canadian network such as CBC? What a shame to have it disappear. Somebody made a bad call.
<i>Shirley W.</i>	Good TV show that deserves another season.
<i>Jan H.</i>	Great characters and story line
<i>Andréanne P.</i>	This show is incredible. Well written, well played with an incredible plot.
<i>Catalina O.</i>	DUDE! WTF?! YOU CAN'T CANCEL

	BOMB GIRLS! IT'S EPIC!!! I FCKING LOVE THE SHOW, NOW I'M SUPER UPSET NO COOL
<i>Mary F.</i>	I like Canadian history.
<i>Shannon B.</i>	This show is so well-written and very popular. it features strong female characters and a great portrayal of what life was like back then. It sparks the interest of those, like me, that were never really interested in history, to learn more!
<i>Siobhan O.</i>	I love this show. It's the best show that has been on TV so far.
<i>Avery C.</i>	Bomb Girls is a fantastically ambitious show. I truly believe the creators are doing their best to reveal a side of history rarely seen in mainstream media. The stories of Canadians who for whatever reason did not go overseas but who nonetheless overcame obstacles and who deserve to be honoured for their contribution to the war effort and the feminist movement. I believe that if this show is given a chance-- either as a TV movie or another season-- it will be even more engaging and insightful than the second season. It's not just that I've become incredibly invested in the complex and charming characters-- I really do think it's important for young Canadians to see this side of our history. So please consider the feedback of myself and my fellow Bombshells.
<i>Gil G.</i>	Enjoy the show
<i>Joan L.</i>	iT IS ONE OF THE4 BEST CANADIAN SHOWS EVER PRODUCED

<i>Lisa M.</i>	My daddy is a WWII veteran...and I am a woman!
<i>Ol R.</i>	this show has it's own beating heart and deserves to be continued. wonderful, touching and powerful
<i>Nicola H.</i>	It's an AWESOME show! Smart, great acting and actually historically accurate. This is gem amid all the utter crap on TV and it kills me that this is what is being cancelled. What a stupid decision.
<i>Jim B.</i>	This is such a great show. Super story lines and great acting.
<i>Allison V.</i>	I am a proud supporter of Canadian content and am always sad when a great show gets cancelled. Bomb Girls was fantastic and it's a shame that we can't support out own talent in this country.
<i>Kay W.</i>	This show is getting international attention, and makes me proud of Canadian television. (And, believe me, I do not feel that way often about Canadian TV). It's a classy, quick-witted show that connects with me for its timeless characters, not just the period of time it is set in. The characters and relationships developed are real and honest, and deserve 42 mins of screen time at least 13 times a year. Sometimes, in a sick twist, TV shows don't garner as much attention until AFTER they're over (Battlestar Galactica, Friday Night Lights to name a few). I really feel like this show is being "cut-off" right when it's snowballing into something bigger.
<i>Bethany N.</i>	Quality shows so rare!!!

<i>Laura M.</i>	I love this show so much!!! Its got great actors and well written. I enjoy the stories so much!
<i>Tiril S.</i>	This show is very important to me because, I really enjoy watching this show, I think the actors da a great job, and it's well written. he show has a unique theme and story that is different form other shows in a positive way. It also brings up important terms and problems that is placed back in the days, that makes the show very intresting and makes the audience love the show even more. It also gives me as an audience hope and knowledge about the past and for my future as well.
<i>Rachel W.</i>	because this show is the bomb.
<i>Jennifer L.</i>	ITS ABOUT TIME GREAT TV COMES BACK. great historical insight for the forgotten time period with awesome acting and storylines to do this show justice!!! It will be a shame to lose another great show on TV, please stay!!!!
<i>Dawn N.</i>	Because I love this show!
<i>Teresa E.</i>	Bomb Girls is a great show depicting an important period in women's history. It has captured viewers from around the world and has won awards. Way better than all that stupid reality tv. Please support quality Canadian programming.
<i>Yian L.</i>	This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment. Renew Bomb Girls for

another season Please.

Yian C.

I haven't found a show as good as this for a really long time. over ten yrs! Please don't cancel I record this show and I look forward to watching it every week! I will be a loyal fan as long as it is airing..

Lisa P.

Bomb Girls was outstanding quality television. Please reconsider.

Britanni S.

This show has brought a new perspective into my life. It has shown me that there are people out there, even in decades way before my time, that have experienced what I have. I can see a part of myself in Betty McRae. As one who has had to hide my true sexuality, it's refreshing to see the LGBT portrayed on tv, gaining exposure, and showing the hardships of what some of us actually go through. If renewed, it will teach many of the realities of life. Plus, the show is incredibly well written. Absolutely stellar. The cast works so perfectly together and makes the scenes flow so effortlessly. The directing is impeccable. There's literally no other words to describe this show. Please Global TV, look at this fan base. So many people have been touched by this show. I know I truly have. I can only imagine the amount of people it could possibly reach, but that imagination will come to reality if, and only if, you renew for a third season. I'm only 17 now, but I know a damned good show when I see one. And I don't want to have to live the rest of my life knowing that my favorite character, Betty McRae, didn't get the proper treatment she needed. Don't make a mistake. Save Bomb Girls.

<i>Ginette H.</i>	Love the show. Keep it going.
<i>Elizabeth N.</i>	Bomb Girls is such a great show, superior to all that crap we see everyday. Please don't cancel it!!
<i>Michele B.</i>	It's a high-quality show that shows Canadian society in an important time in our history.
<i>Sophia A.</i>	It is a good show that has to much heart not to be canceled!
<i>Susan B.</i>	excellent show, well acted, revealing history that many forgot or never knew
<i>Allison H.</i>	This is a show which gives me a glimpse of my mother as a young woman. She had been married a week when her husband went overseas. His plane was shot down over the English Channel and he did not come home. Superlative show. Fantastic acting. A real glimpse into a very recent chapter of our history. Getting a phone installed. Please do not cancel one of the best shows on television!
<i>Carolyn S.</i>	This is a very good show. I don't see enough advertising about it's time slot. I thought the series was over but then my PVR picked it up again. Give it another chance.
<i>Marlene V.</i>	I Love it!
<i>Deb E.</i>	Bomb Girls is an excellent show! Great acting and well written
<i>Gabrielle K.</i>	It's so gooooooood!!

<i>Rosanne L.</i>	i love this show. My mother in law was an original bomb girl in Ajax
<i>Carrie B.</i>	This show interested me as a view of Canada's side of the war effort. All history lessons I attended during my education completely skipped Canada's contribution as if it never existed. Although this show's excellent script and great casting are important, it is the handling of LGBT issues and discrimination that really drew me to it. Please renew for at least another season
<i>April W.</i>	great show!
<i>Kendall L.</i>	The show is amazing! Don't cancel it!
<i>Rosella G.</i>	I am italian fans actor Antonio Cupo. Renew Bomb Girls for another season. A superlative program in vision, acting, plotting and dialogue, both important for its historical perspective and for its intelligent. Please, è possibile vedere presto tutta la serie TV anche qua in Italia ?? Grazie !!
<i>Cheryl T.</i>	The show is a little bit of history,truth, and I fell in love with each and every character,set, costumes. Most importantly the show makes me happy, I look forward to when the show is on. Please renew Bomb Girls.
<i>Philip V.</i>	Great show
<i>Michelle L.</i>	Great cast, writing and subject line!
<i>Donna N.</i>	My neice is an actress on the show.

<i>Mandy Z.</i>	Bomb Girls is such an amazing series!! It should have more seasons!!
<i>Marion A.</i>	Canadian content - good stories - good acting - the whole nine yards
<i>Julie H.</i>	This is my favorite show!!!
<i>Ruby-Violet T.</i>	This show is soo awesome! I actually dont watch a whole lot of T.V. And I finally found a show that I LOVE. Please dont take it off the air
<i>Robin M.</i>	This is a quality show that offers great acting and story about a period and subject that fascinates me.
<i>Lesley F.</i>	a high quality CANADIAN show - why are you airing crap shows and killing this great serie - if Bomb Girls is not re-newed for more seasons - I will boycott Global and encourage my friends to do the same - shame on you Global - very bad decision!
<i>Bradie B.</i>	I love this show and it depicts an important time for women.
<i>Shahrazad E.</i>	This show is simply amazing! I've been captivated from the first episode and I can't imagine not having another season to look forward to! It's a beautiful representation of the time period and is a perfect way to educate people about a vital turning point in history. Please keep Bomb Girls!!!
<i>Loni W.</i>	Bomb Girls takes me back to a time I couldn't live in. I have always been fascinated with this era, and Bomb Girls reminds me of a time of class and respect.

<i>Paul D.</i>	I do like the show...and it has strong support on both sides of the border.
<i>Penelope P.</i>	This is the best show on TV! Wonderful acting, great writing and strong female characters. It is such a wonderful change from all of the low brow reality shows and mindless comedy out there. Please renew it!
<i>Giorgia S.</i>	Please save Bomb Girls. One of the greatest show ever!!
<i>Victoria L.</i>	Bomb Girls is an amazing show, it teaches us women quite a lot. Don't cancel a good thing!!!!!!!
<i>Sarah P.</i>	This show is based on real events that occurred during World War II. All we see on television anymore are reality shows and talk shows. The beautiful dramas are always the first ones to get axed (Pan Am is another example). Keep this show - it has made this girl very happy!
<i>Tiffani I.</i>	This is such an amazing and heartfelt show. Most of what is on TV is such awful dribble. PLEASE don't give up on Bomb Girls! Please help continue to teach & enrich the lives of America with Bomb Girls!
<i>Teresa W.</i>	The is such an educational show and so well written. There are no shows that teach the young viewers about our history and the way people in this era lived. Very sad that we have to lose a show that is so beneficial to viewers with a great storyline. Bomb girls surpassed all other network shows and the viewers appreciated and welcomed this great change. Would love to save the Bomb

Girls!!!	
Bethany S.	ts a good show with a strong female message
Judith M.	One of the few current TV offerings with valid historical backdrops, marvelous acting and addicting story lines....Please keep 'Bomb Girls' on. This is a Canadian 'Rosie the Riveter'..!!!
Samantha G.	Shows that teach us about our past and about the strength women had are important to me because those are the kinds of shows I want my daughters to see. Props to the ladies to busted their butts for the war effort!
Meryem B.	Because Bomb Girls is the best Canadian Show ever and it would be such a shame and a waste to cancel it, you have a strong and loyal base of fans, please reconsider this and renew Bomb Girls.
Shanti B.	Excellent, high-quality show that is one of the best Canadian series ever! The characters are all well developed and wonderful and this show is consistently brilliant. It's also very different from anything else on TV right now!
Sarah T.	This is the first show I've ever watched in which every single character is engaging and complex. Please don't make TV a worse place by cancelling it. Season 1 hasn't even been released on DVD in Australia, how can Global TV cancel this show based on one countries' reaction? Its impact is global. Please renew this show; it's amazing.

<i>Joanna P.</i>	Great shows are few & far between!
<i>Deborah A.</i>	I gave up watching TV years because there was nothing worth watching BUT I stop everything to watch this show....LOVE IT! It gave me a reason to turn on the TV again.Don't take it away!
<i>Alliston T.</i>	Please don't take away one of the best shows to come from Canada.
<i>Peggie T.</i>	This is the first series in a long time that I have enjoyed watching. I don't see any valid reason to cancel a winning show.
<i>Kat P.</i>	Even I myself am surprised that I would get hooked on a TV Drama, let alone a CANADIAN one! I really do enjoy this well written show that shows how women struggled, and how things were shaped historically. Please do not cancel this show!
<i>Ginger D.</i>	I love this show. Its shows how women came together, supported one another. A time when everyone worked together and supported a great cause. It also has beautiful costumes, the actors are amazing. Its a show thats like reading a book, you become part of it, you feel like your right in the middle of the whole story. It draws you in and when you so deep into the hour is up and you feel like it just started. Its a show that I DVR because I know my husband cant' stand it but I LOVE LOVE LOVE this show. Please oh please don't cancel this show.
<i>Carrie B.</i>	Awesome history. Too good to cancel.

Robin F.

Bomb Girls is one of the best written, well-acted dramas on TV today. With reality shows taking over the networks, it's refreshing to see such an historically accurate, interesting show these days with actresses and actors who have real talent. It's also been amazing to see a show (finally) that emphasizes the role that many women played during WWII. Please don't cancel Bomb Girls!

Emily B.

Such a good show and so much better than the plethora of average shows that have so many seasons. Not only a great show but piqued my interest in the history of women munitions workers, you owe it to history to keep it running!

Kathryn F.

This is an amazing show with history! it shows what the ladies of that time had to do to survive as well as help out the war. very good show and lets save it!!

Alma N.

I don't want the show cancelled! Bomb girls is my favorite show, you cant just cancel after two season's! Please, save the show!!!!

Jessica H.

♥ the show! Setting, costumes, hair, make up, music, story line and especially the actors are so believable. I feel like I'm there. Truly can relate to every character... male or FEMALE!

Tanya S.

It will be a complete shame if this series is cancelled. As people of all ages watch this show. Please don't let this happen. Everytime a great program is on tv it seems to get cancelled. The ones that seem to last the longest are the reality shows.

<i>Yvonne F.</i>	History about Canada and our wartime contributions has been sadly blown off - are you waiting for CBC to pick it up ? If this is cancelled to be replaced by another series which does not showcase Canada's importance during any of the WWars or Korea , I will not be watching Global AT ALL in future.
<i>Susan C.</i>	Love the show -- shows a strong set of women at a time when most were regulated to home and hearth
<i>Kristina A.</i>	Love this show. Wonderful stories. Please do not cancel this great show.
<i>Sue P.</i>	I love this show, true Canadian...great actors and actresses...so look forward to watching it on Monday evenings!
<i>Melissa M.</i>	love the show
<i>Erika B.</i>	Great show!
<i>Sonya P.</i>	It depicts an era I love reading and watching stuff about! It's great, and I love it!
<i>Marg K.</i>	Story line is very interesting and love that it is local history!
<i>Ulla G.</i>	A quality Canadian program that outshines many American produced dramas. It touches on many social issues and what it was like for people of all backgrounds during WW2.
<i>Catherine L.</i>	This is the only new show in the last 3 years I watch. Please keep it on the air.

<i>Gregory W.</i>	As a guy, and an American, it's an important historical lesson to see the sacrifices of women and Canadians writ large. Plus, the writing, casting, and set design are fantastic!
<i>Jennifer C.</i>	Bomb Girls is an amazing empowering show. Not just about women but about an important, culture changing, time in the world!
<i>Ishbell A.</i>	In a TV land of yawn-worthy reality shows, carbon copy comedies and depressing dramas, Bomb Girls is an absolute breath of fresh air! This isn't just good TV, it's absolutely amazing, heart-warming, educational, inspiring TV! Every character is well-rounded and so thoughtfully put together and the actors and actresses and everyone involved clearly pour their hearts into the project. As a non-Canadian watching series 1 in the UK, I have learnt so much about Canadian history during WW2, and as a woman it has been so refreshing to see a series with such strong female characters and role-models, seeing how they overcame so many issues in a world so different to how it is today. I could watch this show forever; it would be so sad to lose such a good thing. Please renew!
<i>Nathan E.</i>	I love this show it shows a part of history that is rarely looked at
<i>Bojania G.</i>	It's an amazing TV show with a wonderful cast. It would be such a shame to cancel it after only two seasons!
<i>Laura M.</i>	Save the the "Bomb Girls, of course! I find history to be most excellent when blended into visual arts media programing. My

	Grandmother, was an active participant during this era while "The Boys" were away fighting. So much of the past slips away a little every day unless documented in fresh / current programing, such as Bomb Girls! I can only sing the praises for "Bomb Girls" and ask for reconsideration of program cancelation!
<i>Karen M.</i>	This is a show is very well written. Love to see the clothing they were wearing in that era. Love the cast.
<i>Maggie K.</i>	ONE OF THE BEST CANADIAN SHOWS ON TV. THIS WOULD REALLY BE POPULAR IN BRITAIN TOO, IF YOU GAVE IT A CHANCE.
<i>Louise J.</i>	one of the best shows on TV and there aren't that many good ones.
<i>Alex D.</i>	Love the show, I want a next season!
<i>Claire E.</i>	I think its an incredible show!! and We want more of it in South Africa!
<i>Natalie B.</i>	It's an amazing show!!! There's NO show like it! SAVE BOMB GIRLS!
<i>Paula W.</i>	Close to home
<i>Erin B.</i>	Listen up, Global TV! You must renew Bomb Girls for another season! The story and characters are beginning to show substance, the show has only just begun to take off. Like that classic WWII fighter jet, the Spitfire, that took time to develop and streak through the sky, Bomb Girls could do with some fine-tuning and development. Give the show another season to do just that. Bomb Girls is a

	great show about Canadian women breaking new ground and joining the work force in the 1940s. It is interesting from a historical point of view and entertaining as a series. You have a great cast, beautiful sets and a show with so much promise. All that potential deserves another season in which to be realized on screen. Since the first season, Bomb Girls has dramatically improved in quality, from the acting, to sets, character development and script writing. Please keep producing with this show. It has begun to show its promise and the team behind Bomb Girls deserves the chance to keep developing and enriching the story.
<i>Jeanne M.</i>	This show is so different to all the other shows out there! Entertainment, educational, and SO feel good... why would you cancel it?
<i>Ailsa H.</i>	A fantastic, unique story which just keeps on giving- don't end it now, I want Betty to have a chance!
<i>Emily B.</i>	betty
<i>Angela S.</i>	There aren't many historical fiction shows out there. And this show is about women coming out of their homes to be more than just housewives. There are many good role models on this show. And I can't stop talking about it to everyone. I love it. And Betty is my favorite
<i>Carol N.</i>	This show is fantastic. Working women in the 40s, great story line, etc,
<i>April B.</i>	I am a history buff. My husband and I share an interest in military and its history.

We enjoy watching bomb girls to feel what life was like when our One grandpa of mine was army airborne and the other navy pilot. I would hate to not see more Bomb Girls!

Jessika V.

Because it is a good show!!! I am so sick of all these "reality" and fake shows that revolve around human stupidity. Bomb Girls is a breath of fresh air that allows younger people such as myself (23 yrs young) to see how life was back then during the war while still having that soap opera feel.

Vickie F.

With the overwhelming variety of garbage available for viewing, it would be a shame to lose a program that is this good.

Lesleigh J.

It is one of the few shows I look forward to! So different & it puts you back to that era & What they went through. Please don't take it off!

Lolita N.

Because there's so much crappy reality TV it's refreshing to have a show that's based on real events and portray real and strong women who played an important role in the war effort & Canadian history that many people weren't aware of. I don't know what kind of research led you to this decision but you're missing a broad demographic of boomers, near boomers, their children and grandkids who can relate to the well portrayed characters and storylines. The show is a big hit with my coworkers of all ages and they are spreading the word to friends and family as they get hooked. Give this amazing show and talented writers, actors and crew a chance to show what great Canadian programming can be.

<i>Bethany M.</i>	This show is really good! Good story lines and something different than all the other shows out there. Please give it another shot
<i>Misty M.</i>	I love the stories of the different women and men the show displayed. I adore the WWII era with the beautiful clothes, shoes, and hairstyles. I also think it's wonderful that this show had the courage to portray a lesbian during war time, and when it was still illegal to be gay.
<i>Ashley F.</i>	Global has cancelled many programs over the years and they need to keep this one. Its important to our country history and the actual bomb girls
<i>Lena N.</i>	This show is amazingly done and very different from what is aired on tv these days. It is a relief to the bad media that is presented to us.
<i>DeShunta C.</i>	Bomb girls is a well written, well acted show. It is different than anything else on TV. In an era with all these so called reality shows it is nice to have a scripted good quality show on TV. Please renew it. Save our show.
<i>Mirian M.</i>	It is a pity to not keep this great show on. This is by far one of the best shows out there. I hope you guys reconsider and sign them for a third season.
<i>Rose M.</i>	IT IS THE ONLY WORTHWHILE GOOD CLEAN SHOW TO WATCH ON TELEVISION!!!
<i>Samantha G.</i>	This show is full of strong women. Everyone should be watching.

<i>Darren D.</i>	Honest, well written shows are far too few these days, especially ones with brilliant female lead characters.
<i>Rebecca H.</i>	This is one of the top 5 best produced shows on television. Amazing writing, acting, costumes, production design, and cinematography! If its not getting enough ratings, that just means you need to advertise. You've already got the goods!
<i>Samantha K.</i>	Bomb girls is such a unique show that FINALLY tells a different story from everything else on TV
<i>Cynthia J.</i>	This show is wonderful! Please don't cancel it!!
<i>Rachel H.</i>	This is a great show!
<i>Liz M.</i>	How often are we going to come across a historical television show that demonstrates the strength and ability of our female predecessors? Not very damn often, I'll let you know. Save Bomb Girls!
<i>Leticia G.</i>	This show is so good ... love the era its based on very interesting stories and cast!!
<i>Maggie P.</i>	It is great to see strong independent female roles on TV.
<i>Carol G.</i>	I love the show. great scripts and great acting
<i>Maile T.</i>	This show reminds me of my grand so much And what a strong women she was, don't take these ladies off the air !!!

Jessica W.

This is an amazing show. It has a great story line and plot. There are tons and tons of WWII shows/movies about the men and all their hard work and sacrifices, the women have very few!!!! They were a huge part of it as well and need to be recognized! We were able to finally have some freedom and got the ball rolling on many other women's issues because of the independence we gained by being able to work outside of the house in this time period. PLEASE KEEP IT GOING!!!!

Stacy L.

My aunt was a "Rosie the Riveter" making parts for aircraft during WWII. I have never really thought about what life was like for her during that time. It also addresses racism, homophobia, women's independence, and the way all these things impact us. It is really a great show, that is original and not covering the same old ground every other TV show does. Please reconsider.

Andra L.

This show is so well-written and has such an emotional impact on viewers. There aren't a lot of shows you can say that about. Please renew!!!

Teri S.

Bomb Girls is the best.

Roslynd F.

I love this show! This show is educational , it is a part of history. It is refreshing to watch a show that is not mind numbing like some shows that are out there. PLEASE DON`t take it off the air!!!!!!

Cheryl W.

Keep Bomb Girls

Tom R.

I simply love interesting stories that are well acted

Sarah S.

love this show. it shows how people dealt with the issues of the day. it gives me a glimps of what it was like for my grandparents

Jennifer P.

My name is Jennifer Post and I am a student-athlete from Massachusetts. Over the summer, I underwent some shoulder surgery that is keeping me from playing the sport that I love. Near the end of October I found this show in my recommended to you section on Netflix. This part might seem irrelevant, but my favorite movie of all time is A League of Their Own. I am fascinated by the 40s and the WWII era in general, which made Bomb Girls an easy choice on my part. Instantly I started to connect with the characters. I love Gladys - she was amazing! But I especially understood Betty. I could see that she could make being more of the tomboy image work for her and that is an image that I have always had of myself. Not so much in a butch way, however I can see that in her time period she would have been considered more butch. My deepest connection to the show though comes in the form of Vera. As I mentioned earlier, I had shoulder surgery over the summer. Seeing the accident that Vera had in the munitions factory was obviously horrible to witness and would be one million times worse to physically endure but the biggest thing about Vera was that she got back in the factory. The strength that she showed to overcome her fear and the courage displayed was inspiring to me. I get extremely nervous just looking at a pull

up bar, or thinking about hang cleaning or benching again. I have dreams that my arm gives out entirely and that my career is ruined. Seeing that Vera came back to the place the changed her whole life completely with such bravery made things a little easier for me in the weight room. She gave me the strength to know that even when it doesn't look like the odds are in your favor, go out and try anyway. You just need to fake it until you make it. And finally, I just got one of my aunts hooked on this show and she loves the 40s too! Thank you for putting together this campaign and I really hope more seasons of this show can be produced. Good luck!

Mark S.

This is such a compelling program. I began watching it on Netflix last week and I have done nothing but work and come home and watch this series. I like every one of the characters. Thank you for bringing this part of world history to life with such life, feeling and intrigue. Please produce more seasons.

Lenta K.

I love this show! Please bring it back!!!!

L. G.

The show Bomb Girls has several years of future story lines in it. I am flabbergasted that it would be cut off at such a ripe time. This show is as excellent as any that has had a run for 5-7 years. I do not understand what the producers can be thinking. Dumb decision people.

Linda D.

I am writing because I just finished watching Bomb Girls on Netflix and loved it. The stories of that era and how much the war affected the people at home was mesmerizing. I will definitely be

contacting Netflix about taking up the show since I do not live in Canada and do not have access to Canadian TV. You don't see shows like this here in the States, which is too bad, because I am sure the war affected us here as much as it did Canada. Good luck with your efforts at continuing the Bomb Girls story with more than just a 2 hour TV movie.

Nikki H.

I just recently discovered Bomb Girls thru Netflix about 5 days ago, and have already finished both seasons. I am a working mother of two busy little boys and don't have much free time. I fell in love with the show with the first episode and couldn't stop watching. I was extremely disappointed when I went online just now to find out if there was a season 3 that hadn't hit Netflix yet to discover the show was cancelled. You have a hit here. If you ask me, your target audience. .. (20-35) I'm 29 mind you, you made a bad business decision canceling the show. I had never heard of it before I saw it 5 days ago, randomly and I've had Netflix for a year and a half. If the show wasn't doing well enough, someone wasn't doing their job in marketing it! Maybe you should try hiring someone that knows what they're doing. This show is amazing! The actors and actresses are fantastically talented and I can relate to each and every character. You have wonderful writers. I saw there are plans to make a movie. I think that's great, but continuing the show would be 100 times better! Please pass this on to whomever needs to see it. I'd love for the cast to know how much I have enjoyed their work! I relate to Mrs. Korbitz as my boyfriend of almost 5 years and I have been through relationship

challenges. I see my spitfire in all the lead women. I see my religious upbringing in Kate, even though mine wasn't crazy like hers. I relate to finding my worth like Vera and my voice like Kate AND Gladys. Anyways, I'm tired and need to sleep but I wanted to share my two cents. Thanks for taking the time to read.

Joan O.

We just finished watching the 2nd season of Bomb Girls via Netflix. We loved every episode and introduced it to others in our family. Our in-laws love it so much they watched 8 episodes in one day!!! We hope very much that you continue with this show and have a few more seasons. We are very interested in WWII history because of our parents' involvement in the war overseas. Please go ahead and have more seasons of this wonderful show!!! Your show is very much loved!!!

Beverly A.

Please keep this show going. The story is great. The acting is terrific. It is soooooooo refreshing to watch a show with substance. PLEASE DON'T THROW IN THE TOWEL!!!

Sally L.

I want to add myself to the number of people trying to save bomb girls we need more quality shows like this on t v not some of the nonsense shows that have taken over like reality shows etc.

Mel C.

I just discovered Bomb Girls on netflix about 2 weeks ago & have already found myself dreading and holding out watching the final episode. I was hooked instantly. I don't get that way with many shows either. I am a proud young US Army Veteran wife and seeing a military related show with accuracy is just exciting! I have

	a real fascination with WWII & the way it made people come together.I think our country lacks that now and this show is a sweet reminder of the good ole days.Anyway, it seems shows I end up liking always seem to get canceled.Maybe because a lot of people are just too modernized to watch a show like Bomb Girls.Either way, I was devastated to hear the show was canceled right when I started watching it.Cant wait for the movie though!!! :)
<i>chellesbelles</i>	Found Bomb Girls on Netflix last night and just finished watching both seasons. I love that they are making the 2 hour movie, but really wish they would continue the series. Meg Tilly is amazing.
<i>Colleen P.</i>	History of women during the war!
<i>Brittany D.</i>	Its inspiring and brings perspective to what life was back then
<i>Debbie H.</i>	it is a great show with wonderful, complex characters
<i>Dawn B.</i>	By far one of the BEST shows on TV. SAVE BOMB GIRLS!!
<i>Judy H.</i>	Historical, strong portrayal of men and women during WWII. Very entertaining with good acting and solid story lines.
<i>Tracey S.</i>	Great show bring it back
<i>Katie S.</i>	My boyfriend is going over seas, I identify with the characters issues of loved ones far away.

<i>Jackie B.</i>	I really like the show!
<i>Teresa P.</i>	This show is great and very inspirational. its has great story lines, awesome characters and the character development from the first to the second season is well thought out. I hate the thought of not knowing how far these girls will go after a second season. please do not cancel.
<i>Anne S.</i>	You must be insane to not renew! One of the best shows on television, in fact, probably the best!!!
<i>Nancy K.</i>	It's a great show and true to the era the are portraying. Please don't cancel this show!!!!
<i>Nakisha J.</i>	I love this show! It has good storylines and one of the few tv shows i will even bother to watch. Please keep this good old wholesome program on tv. When i say wholesome, i'm referring to the fact that i'm not embarassed to say i watch it.
<i>Allison C.</i>	Shows demonstrating both queer and women's history are woefully lacking.
<i>Shelby D.</i>	I just loved the story line to the show.
<i>Jenifer S.</i>	I LOVE this show!!!!
<i>Ronald F.</i>	we love that show
<i>Alexis W.</i>	This is a great show, with a brilliant plot. Someone has to pick this up if you drop it.
<i>Sarah B.</i>	Bomb Girls is the only program that shows another era of women that is relatable, historically accurate and

	touches your heart. Don't cancel my favorite show!
<i>Bobby B.</i>	This is a great show, with great characters.
<i>Rose P.</i>	it's a great show
<i>Nancy Y.</i>	I love the history of the era and the characters bring it to life.
<i>Christine H.</i>	It's a great show!
<i>Lisa M.</i>	<p>This is a wonderful show. I have not seen such a meaningful show in years. I have learned and enjoyed the stories that are purely Canadian. Why can't we sustain and support our own industry?</p> <p>Cancelling this show is a sad statement . I am sure if we exported this show worldwide they would embrace these wonderful stories. Keep this show going.</p>
<i>Kristen R.</i>	<p>I feel that Bombs Girls is a very good and well written show. It gives very good information on what it was like during WW 2. This show isnt available to me in my region of the U.S. but i always make sure i dont miss an episode. Im a very loyal fan to this show, it devastating to me that its cancelled. Please renew Bomb Girls for another season.</p>
<i>Teresa K.</i>	<p>The insight of what it was like for women joining the workplace for the first time is inspiring! I am so grateful for these pioneers that joined the workforce in support of the war effort.</p>
<i>Dale M.</i>	Too much crap on TV this is a quality show!

<i>Courtney F.</i>	This show is fantastic. It shows a piece of history and is relatable to the war we see today, but on a different level. It is unique, has a great cast and fantastic story lines.
<i>Wendy B.</i>	I love this show!! It is amazing Please don't cancel it and make a 3rd season!! Please Please Please
<i>Linda K.</i>	This is a terrific show and helps us understand our own generation, too. With recording equipment so prevalent, the channels may set 2 -3 shows against each other and we can watch them all, to heck with the programmers and their ratings battles. Unfortunately, we are the loser in the end because they only count the "live" version...I'm in US and love this series!
<i>Janine G.</i>	It's an excellent show. An important part of history, that hasn't been shown before. We in the US, usually get the many excellent Canadian TV shows, a couple of years behind live in CA. I just found this series a few days before the second series started. Excellent writing, excellent acting-Just a really good show. PLEASE don't cancel! PLEASE
<i>Mayra A.</i>	I love the show. It shows how things were in that time. It also teaches us girls and women how to be strong and fight for what we believe in. I also love the hair and fashion they use.
<i>Lindsay M.</i>	Please renew Bomb Girls, it's the best show I've seen in years and it deserves another chance to be seen by more people, it'd be a shame to end it now.

<i>Christy S.</i>	This is one of my favorite shows to watch...no matter what is recorded on my dvr...this is the first show I watch whenever it airs. Bring it back for another year.
<i>Patsy W.</i>	So much garbage on TV. Quality programs like Bomb Girls always lose. The group advertisers are marketing aren't even home to watch their garbage programming.
<i>Shelly C.</i>	I hope Bomb Girls doesn't become this decade's My So-Called Life.
<i>Rachel D.</i>	This show is so inspiring. It can't go away, the war is not won!
<i>Gretchen W.</i>	This is a fantastic-- and inspirational-- show. The acting is superb and it really transports you to a different time in the not-so-distant past, showing vibrant, strong women whose stories I actually care about.
<i>Ruth M.</i>	It is a part of history that needs to be remembered!
<i>Angela D.</i>	Bomb Girls is a one of a kind show. It is smart, sassy and gives a wonderful historical perspective of women. There are few shows that are focused on women. I can think of a lot of war movies, but there aren't any shows that celebrate how women kept countries alive and running while the men were fighting for freedom. I sincerely appreciate the perspectives, the complex characters, the wonderful writing and the way with which the 40's come alive in my living room every Wednesday night. Shame on you for canceling one of the best shows I've ever watched on

	television. I can't even imagine where your logic comes from. Just from a trendy, fashionista aspect, the 40's are super hot right now. People flock to flea markets & antique stores to purchase items made in the 40's, the latest cookware and housewares are modeled from 40's styles, women's hairstyles are leaning toward hairstyles pioneered in the 40's. Do I really need to go on? There is FLAW in your logic. Bring my girls back! This American loves her Canadian bombshells!
<i>Rick M.</i>	this is a great production and should get at least a third season if not more
<i>Sheryl C.</i>	I love this show
<i>Traci G.</i>	This is a great, quality show. Hard to find on TV these days. And you learn a lot about our history.
<i>Marian C.</i>	I can see the show being a bit of a hard sell right up until someone watches the first episode. And then? Then you just want to sit there and watch everything until you run out of episodes and then you need more. We need more.
<i>Susan S.</i>	If u cancel at least give ending! Love the show
<i>Gordon B.</i>	Finally there is a decent show on tv and they want to cancel it. It happens everytime.
<i>Yolanda M.</i>	I love this show. World War II the fashions and the characters are well portrayed.

<i>Melody T.</i>	One of the few really good shows on TV! I never go to movies, so rely on TV for quality entertainment, something I found in Bomb Girls! Keep this show alive and on the air!
<i>Ellie K.</i>	Finally we get an amazing show that supports the troops that's classy!!!
<i>Heather F.</i>	I really enjoy watching this show not only for the acting but for a show showing the lives of working class women. I can't think of anything I don't like about this wonderful show. Please keep it on.
<i>Amber M.</i>	I love this show it is amazing!!!
<i>Robin R.</i>	Because I love this show!!
<i>Leanne D.</i>	Bomb Girls tops Mad Men. I was so bummed that there was only 6 episodes in the first season, and I look forward to this show every week. Please don't kill the Bomb Girls.
<i>Vanessa F.</i>	I love the show.
<i>Cheryl N.</i>	I love this show and good historical dramas are hard to come by.
<i>Samantha M.</i>	Because the show is great and we need more shows like these. I'm sick of reality shows! Keep it up please!
<i>Alia M.</i>	It's an amazing show, with a wonderful storyline. I also enjoy learning a little bit about the 40s and the things that women had to go through while waiting for their soldiers to come home.

<i>Megan V.</i>	This is the only decent show for women on T.V. It has heart and soul, it tells the story of an important time in our country's history, and it does so accurately! So many people are going through now what those families went through then. And besides, even my boyfriend likes it! My car mechanic, grew up in the country, 4-wheeler riding boyfriend! What does that tell you?!
<i>Brooke P.</i>	Love the show!
<i>Dana R.</i>	We love this show. Please don't let it die like Firefly did.
<i>Kimberley A.</i>	This is a quality show. It matters to me as a female because it is telling women's stories and showing our work and lives during a pivotal period in history in a way that it has never been shown before.
<i>Laura B.</i>	Save Bomb Girls!!!!
<i>Nadene M.</i>	I'm so tired of reality shows and 24 hour news shows. It's refreshing to watch a show that is well written and has interesting and well developed characters.
<i>Linda S.</i>	There are not nearly enough shows depicting strong, capable women
<i>Belinda R.</i>	Love. Love. Love Bomb Girls.
<i>Diana P.</i>	I fell in love with this show, and got my 80 year old mother watching it too, said brings back many memories for her. Please dont take one of the best series off the air. I am sick of the reality shows that are on and look forward to MY Bomb

Girls	
<i>Shana W.</i>	It's something different from everything else on TV now and very empowering for women!
<i>Norma S.</i>	Please! Save BG this show is educational to all of the people that didn't know about the war back in the day. Please don't cancel it .

<i>Maggie G.</i>	I love this show!!! I discovered it on Netflix and fell in love with it. I think it's awesome to see how women helped the war effort and the acting is superb as well as the plot line. Please renew!!!!
<i>Kathleen L.</i>	love this show! We can't even see it on the internet because it is restricted for us!
<i>Donna T.</i>	Love the show love going back in time.
<i>Emily T.</i>	The characters are very real and very relate-able.
<i>S. E.</i>	This show is not only entertaining and has incredible fashion, it is educational and celebrates one of the most fascinating and

	important parts of our history. These stories need to be told!!!!
<i>Margaret P.</i>	I love this show because I feel it is a part of history & that is a very important part of the way people had to deal with a lot of issues. It would be a shame to cancel something so important to a lot of people.
<i>Darla S.</i>	I love the show!!
<i>Rachel A.</i>	This is the best series in a long time that has held both my husband & I captive. It's engaging and we enjoy the humor, the music - especially from church mouse! - the clothing - everything. Please keep it!
<i>Melisa I.</i>	This is such a great show. It's got great history in it and an added bonus it's a clean show. It's not some stupid reality junk show like those ridiculous mtv teen mom, buck wild, jersey shore that is pure trash. Too many kids don't know enough about history as it is and this was a way to be able to show that history in an appealing way to younger people. Don't throw that away.
<i>Carmen B.</i>	I absolutely love this show its my favorite era one of my favorite shows on tv i would hate to see this show go away.
<i>Diane G.</i>	Great Show PLEASE!!!!!!!!
<i>Cristina R.</i>	i love this show please dont cancel my husband just left for patrol and i always look forward to this show it keeps me from not being lonely and i love the stories they tell about each girl PLEASE PLEASE DON'T CANCEL PLEASE!!!!

<i>Elizabeth M.</i>	It is a great show showing all walks of life and cultures. In an amazing time period. The characters are very 3 dimensional and very interesting . It shows the way a whole generation of men and women lived and made their choices thru war and at home. It is a fresh change from all the same old shows cop shows regular themed shows in the mainstream . It also shows untold issues of the time LGBTQ community has very few awesome characters. It shows a character in a true light and portrayed very well.
<i>Tammy M.</i>	Love the show and is a bit of history.
<i>Theresa L.</i>	Great show. Hope they reconsider. Makes me sad.
<i>Lydia B.</i>	It's a good quality show, with amazing actors portraying a time where war was affecting our countries, and how women had to step into male roles because the men were out fighting the war. Please do not cancel such a great show. My daughter and I watch this show together and she loves it just as much as I do.
<i>Melissa A.</i>	It's a great show, with thoughtful content, and talented actors/actresses. Better than most shows on TV right now!
<i>Meaghan C.</i>	It's important to our history to keep this show going. For all our daughters and sisters!
<i>Tami B.</i>	I enjoy the show very much. It has taught me things about Canada and about WWII I did not know. It also shows the sacrifices made by men and women alike.

<i>Alan H.</i>	great historical entertainment
<i>Linda J.</i>	I want the bomb girls to continue
<i>Meredith H.</i>	This a great show, with a positive message. It has gained a strong viewership for season 1 to season 2 and I only see it getting higher. Save this GREAT show!!!
<i>Gretchen S.</i>	I love this show and it's historic info in has embeded in it. It's not trashy, there's no swearing. It's good!
<i>Kelsey S.</i>	There is nothing else on tv like it!
<i>Rainey S.</i>	this show is well done and EXTREMELY relevant and educational. shame on anyone for cancelling a show like this but keeping "reality" tv drivel around.

<i>Jackie S.</i>	I love this show!!! there really isnt anything out there like this, so much history that is shown from the show alone.. please don't cancel it
<i>Harriet F.</i>	I love this show so much and would be so sad to see it go. I am sick of all the reality tv that is being shoved down our throats. Please give Bomb Girls another change. A faithful Bomb Girls fan here.
<i>Veronica T.</i>	I don't know how it is in Canada, but in America, decent historical shows (even if they are realistic fiction) are few and far between. Bomb Girls is gritty, much like the time was. It tackles real subjects of World War 2. Please reconsider this cancellation.
<i>Katherine H.</i>	It's a great show, I love it and don't want it to end. I don't understand why you take the great shows off? It has never made any sense to me. Please renew Bomb Girls for another season.
<i>Savannah W.</i>	I discovered "Bomb Girls" by accident and it is one of my favorite shows. It features strong, independent women succeeding in a man's world. Their struggles are still relevant. These types of shows are uncommon while mindless "reality"

	shows flourish. Please bring these ladies back. Thanks!
<i>Sam F.</i>	Bomb Girls is one of the best shows ever created for TV. Not only is it a great piece of storytelling it shines a light on an important part of Canadian/US history that shouldn't be forgotten.
<i>Kaitlyn H.</i>	Bomb Girls is a great representation of the strength and versatility of the women in that era. The stories are so inspiring and a great way to remember the sacrifices, lives, and veterans of the war. Please keep Bomb Girls on the air. Thank you.
<i>Chelsea E.</i>	I love this show! Great for all Pin up girls looking for some styles to learn. Love Love Love this show!!!! i dont watch a whole lot of tv anymore but this is my favorite right now.
<i>Jeffrey C.</i>	Bomb Girls is truly wonderful. It's not afraid to talk about issues that actually existed during the 1940s and the characters are all relatable. It's one of the few shows I can truly enjoy. It also brings focus to Canada during WWII especially for Americans who watch the show. Please renew it.
<i>Susan T.</i>	This is one of the best shows I have seen in quite a long time! It is so well written and it is wonderful seeing these historical events through the eyes of women.
<i>Chad H.</i>	Bomb Girls is a great television show. For me it gives me a connection to the WWII history that I have devoted my life to learn. For young people who know next to nothing about that time period, it gives

	them a glimpse into life at that time. PLEASE reconsider renewing this excellent TV show.
Kyla B.	This is one of the best shows on television right now.
Adria T.	Bomb Girls is an amazing show. I only just found it via Netflix, and I was instantly hooked. I am so terribly upset to hear the news that Bomb Girls is not being picked up for a third season. It's such a rare gem of a television show. Please, please reconsidering letting this show go! In a matter of only 2 episodes, it became my very favorite part of each week since season 2 started.
Terri G.	I love this show. This is a completely different type of show and I love it. I barely watch tv anymore cause its all "reality" shows.
Lily J.	BG is inspirational to so many girls and myself included. PLEASE DON'T CANCEL BOMB GIRLS!!!
Tim B.	This is a side of the story that's never been told before.
Hope E.	Love this show in a world full of FILTH on TV I can watch this and not worry about my children walking into the room
Alicia M.	I love this show!
Dawn S.	Amazing show it can't be cancelled!
Bianca S.	Really think this one of the best show on i watch it online and when it comes on in America. So please keep it on one of my

	favorite show.
<i>Tiffany S.</i>	Bomb girls is a great show
<i>Sofia B.</i>	One of the best shows I've ever saw. Great construction of characters, very good storylines.
<i>Staci M.</i>	The show is a well written period drama featuring a core cast of strong female characters, showing a part of WW2 history that few really know about.
<i>Kendra J.</i>	I just found this show this year and rewatched all of last season. Loved It! It it was advertised more on local stations anywhere in the USA it would do awesome. I had never heard of it before or the channel Reels. Please renew!! Or do a show in the USA for USA. I guarantee it will do great!
<i>Susan A.</i>	My mom was a Rosie The Riveter at the Willow Run B24 Assembly Plant i8n Ypsilanti,Mi. I feel like I can get a connection with her on this show.
<i>Shawna F.</i>	Please, PLEASE don't cancel Bomb Girls!! It is the best series on TV!!
<i>David B.</i>	This is such an awesome show. Great charachters who are great role models. The writing is fantastic as is the acting. Keep this show going!!!!
<i>Meritxell M.</i>	It makes me happy.
<i>Anna K.</i>	This is one of the best TV shows to come along in a LONG time! I so have missed Meg Tilly & was so thrilled to see her on Bomb Girls. The entire cast, writers, crew,

	all involved do a wonderful job! Don't take away our Bomb Girls!
<i>Dave E.</i>	Its a great Canadian show with great characters and a great Canadian story. A nice change from the constant barrage of shows about the USA view point.
<i>Linda F.</i>	Canadian women's role in the development of our country has always been under-rated, not explained very well nor well written about. The Bomb Girls is one television show which portrays a period in Canadian history of how much women have contributed; how they have struggled and the many obstacles they have overcome. Sadly, this is another obstacle to overcome...to have our voices and place in history not taken seriously. Shame on Global for cancelling this well-written, well-acted, informative and enjoyable programme.
<i>Lucie L.</i>	it's amazing serial
<i>Kylie S.</i>	This is one of the best shows that Canada has produce in a long time and it's leagues ahead of what other programming is trying to do. It has perspectives and story lines that are so rarely shown on prime time tv. Everyone who starts watching the show loves it, it just needs time to get to the viewers!
<i>Vicky O.</i>	Amazing acting, story and history. Love this show
<i>Emily T.</i>	This in one of the best TV shows I have seen in a long time! I'm 23 and I love how I'm actually learning things about history that I never knew about, while watching

	this INCREDIBLE show and cast!
<i>Edward F.</i>	This is good, quality, Canadian drama that speaks of social issues of the day that still resonate today. Keep this show or sell it to the CBC. They took over another gem, Murdoch Mysteries.
<i>Kate G.</i>	Because I absolutely LOVE the show 'Bomb Girls' and I would be devastated if they cut it off
<i>Toni E.</i>	It's our story, it's original material, it features strong women characters.
<i>Natalie H.</i>	Its a great show CANADIAN at that , Canada never has great shows and this one is great.... This show shows our history and that's not something we should let go for some stupid reality show ... PLEASE KEEP THIS SHOW
<i>Carrie S.</i>	Sick of reality shows! Love the reality of THIS show! Girls are wonderful!
<i>Linda M.</i>	This is a Canadian produced program with an excellent story line, fine acting and production. It shows our history with pride as very few shows do. I am devoted to very few shows on tv, definitely not the "reality" fluff shown, but Bomb Girls is one that I NEVER fail to tune into. This show has so much potential for future episodes. The exploration of Betty's life and how lesbianism was handled in the 40's. The strength Lorna must gain to be a working mother supporting her family and the future of her relationship with Bob. Don't cease production of the fine Canadian show. We, the viewers deserve better. Let us make this decision this time, not the suits on Bay street.

<i>Cynthia H.</i>	This show is one of the best on television, and does a phenomenal job of making Canadian history come alive. I am devastated to hear that it is not coming back for a third season. This show deserves better!
<i>Peter M.</i>	These are our stories told in a way that intrigues the viewer and will also serve to educate.
<i>Michelle V.</i>	this show is AMAZING!!!! how can you possibly end it like that?!!!! NO WAY!!! i need more in my life, thankyouverymuch
<i>Aprile G.</i>	It's simply a great show
<i>Fabienne B.</i>	For once there is a quality show on t.v which displays interesting character and a dimension of WWII rarely mentionned.
<i>Judi M.</i>	We deserve some decent shows to watch a refreshing change from all the mindless drivel that is on each evening.
<i>Jessie S.</i>	I love this show, it deals with every day life and the actors are awesome. No darn wonder all our good actors go to the united states because Canada doesn't know when they have a good thing, and great actors.I don't watch much tv but this show I love.Most of the shows on TV are trash.I think you are making a big mistake taking this show off..
<i>Celina E.</i>	I love this show. Bomb Girls is a very entertaining television show and we will all be losing out if it ends. It's one of the most brilliant shows around and we need more of it. The actors are very great at portraying their characters. TV today

	needs a show that's about strong women fighting to make a difference and to be heard. Please save Bomb Girls!
Mary A.	Good show, well written, excellent Canadian cast. Save Bomb Girls
Anonymous	Bomb Girls is not only an important piece of Canadian history but an important piece of history for woman everywhere who lent their hand to the war effort. By cancelling the show, Global/Shaw are saying women don't matter, their stories don't need to be told. We're not going to sit by a lose a fantastic array of female characters. "We can do it!" Join the @SaveBombGirls twitter!
Katharine W.	I look forward to watching this show every week, because it is a very well written show, telling important stories in their historical context. The acting is excellent, which brings the characters to life, and makes them very relatable. The show has so much potential, and I think it would be a waste to cancel it after so few seasons.
Linda I.	I am an expat Canadian and like the fact this show is well done and it's Canadian
Liesbet D.	The show is amazing and deals with a neglected subject (the "home" part of WWII) and a neglected group (aka women). So keep up the good work and give us an extra season.
Susann L.	this show is just great, fun to watch and characters / storylines are really well written.

Lucy H.

Because I look forward to watching it every week. It's one of the best Canadian shows out right now and it shows the history of Canada's contribution in the war effort - something most people know nothing about, let alone culture in that era in the 1940's. There are real quality actors in this - I cannot for the life of je understand why anyone would consider dumping this show. If its ratings add more advertising and promote it more. Once you watch it you're hooked! SAVE THE SHOW!!!!

Chelsie C.

because its canada

Julie B.

Originally, I began watching "Bomb Girls" because of the importance I place on being able to view complex, honest LGBTQ characters (lesbian in this situation) such as Betty McRae. From there, my own love of the era helped my adoration for the television show flourish with its beautiful set design, production values, and character development. The historical value alone is important to share in its Rosie the Riveter way. Not only should girls and women have these strong role models to have in their lives, but the world should see the brilliance that women accomplished even decades ago. "Bomb Girls" has given me (us) complex characters and storylines that I have not had the opportunity to enjoy elsewhere on television in a very long time. Even lesser characters like Theresa Hill and Sheila Corbett are still three-dimensional and present a positive portrayal of women in the media. With forward-thinking characters like Vera Burr and Gladys Witham and even Marco Moretti, the show has become an

incredible ensemble of tremendously talented actors that deserve to continue the stories of their characters and the people of history they may represent. This show is an amazing production and it would be a terrible loss for it to end so prematurely.

Riva G.

I urge you to renew Bomb Girls for another season! By canceling this show you are silencing the voices of woman all over the world. The stories that this show tells so beautifully resonate with the lives of every day woman. Not only that, but Betty McRae is the most realistic, incredible portrayal of a young gay woman on TV. This show has barely met its potential, it has years of storytelling to go. It is a visual masterpiece, with an amazingly talented cast. And oh the music and costumes! There is nothing about this show I don't love, it never ceases to amaze me with its thoughtful and tender care it takes of its characters. Please renew bomb girls!

Nat H.

It is simply an amazing show with incredibly well developed characters and it surpasses most of the entertainment that is currently out there. I'm not ready to leave this masterpiece behind just yet.

Sarah E.

Bomb Girls is the best show on TV right now. It has amazing writing, great well-rounded characters, and sends a great message about equality.

Phyllis M.

lessons in Canadian history -great acting and awareness of how the war changed the world. good tv - beats reality shows - tasteful acting

Lynn S.

As an aspiring screenwriter, I turn to Bomb Girls for lessons in writing strong, diverse women, and as a viewer, I love to soak in the 1940s gorgeousness. So well written and well acted. Support the fine television you have brought us!

Nicole A.

I've never been so inspired by and touched by a show. I've never related more with a character than with Betty McRae. The loss of this show would mean both the loss of her and the loss of so many strong, intelligent, complex female characters that are still so uncommon in the media.

Bob L.

Because it is a great show and it is Canadian. It's time we started looking after our own. Our stupid Liberal government gave bollywood 12 million for nothing but they won't give anything even support for a good Canadian show. What the hell are they thinking?

Susan H.

this is a well written show and it has a great cast of Canadian actors we don't see very often..it introduces the general public the fact that many women worked during WW2... as my mum did and the efforts they did should be discussed far more than they are...they are underrepresented in all media which is a shame and putting forth such a good show will only further awareness of their efforts.

Achele I.

Bomb Girls is one of the most amazing shows I have ever come across...It has truly changed my life. It is one of the best shows on TV

<i>Peggie T.</i>	Hating Gloval and Shaw at the moment - Bomb Girls series finale was left so unfinished - movie in 2014 BIG DEAL. Just continue the series and 6 episodes a year is a cop out. Has our American and British viewers as well as we Canadians out in the cold. BOO!!!
<i>Katherine N.</i>	Totally agree I hate the way it ended!
<i>Angel N.</i>	It's a shame there's so much more that can be done with the show.
<i>Erica J.</i>	Not a single photo of Ali Liebert/Betty McRae in this album, but several of Sir Terrible British Accent. I just don't get it.
<i>Mary-Jean B.</i>	Another important, engaging, and creative show chronicling Canadian history is cancelled. It is a crying shame!
<i>Yolanta K.</i>	No sense of closure at all for a series finale! So much was left up in the air! Very unsatisfying ending! This was one of the best TV series ever! Too bad there will be no season 3. A trilogy could have led up to the end of the war and shown how all the lead characters went their ways after the munitions factory closed. Pity that we who have followed the story faithfully will never know
<i>Lacie P.</i>	Ohh Marco. Ill miss you.
<i>Bob C.</i>	Those responsible for the sudden and unexpected cancellation have some explaining to do. We, the viewers, deserve nothing less.
<i>Maria C.</i>	Beautiful Marco!!!

<i>Debbie C.</i>	Well said bob...please put bomb girls back!!!
<i>Sheila W.</i>	Ok - did I miss something?? The series is cancelled!! Unbelievable - its such a great show! There's a long list of crap on TV and yet they kill off another great series. I'm pissed.
<i>Morgan L.</i>	When I read the description for this episode it said "series finale" and I was confused...I thought it was a typo....but sadly NO!!!! Why cancel such a great show? One of my all time favorite tv shows. I can only hope our voices are loud enough to get Global to bring it back!!!
<i>Jenny M.</i>	That is soooo not cool! I mean I had to wait for season two to air three months after it originally did.....& now they cancel it?! What the heck?!!
<i>Christine T.</i>	Bomb Girls is probably the best series to ever come out of Canada. I watched last night's episode without knowing it was the last one ever. Was even commenting how good the acting was. How can they cancel the show with nothing resolved?? Reminds me of Deadwood.
<i>Siri N.</i>	I actually feel physical pain because of this way to early end, of probably the best tv series I will ever encounter, it was just so perfect, genuine, original and packed with talent from writers to actors..such a shame
<i>Marlene H.</i>	Trenchard Have already signed the petition ! Bring Bomb Girls back just like they did Rookie blue!!!

<i>Carol A.</i>	I LOVE Bomb girls, where can I sign the petition Please?
<i>Kiersten E.</i>	That was the series finale? I thought it was just the season. They can't do this! NOOOO! I NEED more Bomb Girls.
<i>Lorraine H.</i>	Someone made a mistake, surely! It hd to be season finale. They can't just stop like that. There has to be morre to come!!!!
<i>Marcy M.</i>	Bomb Girls is the best!!!!!!!!!!
<i>Colleen D.</i>	How come every time I get hooked on a little known unique TV series that is a breath of fresh air (considering some of the garbage on tv these days) it gets cancelled!! Geez....so disappointing.
<i>Margaret G.</i>	oh please don't hurt my Betty please
<i>Margaret G.</i>	Oh my God how stupid can these people be to cancel on of the few great Canadian TV shows..are they just total idiots...Global you are asses we stop watching your news due to how you always bashed the party we likes..you are to report news not comment and how this...you are total total idiots
<i>Maria F.</i>	great show...quite a cliff hanger...hope it returns in the fall
<i>Paula B.</i>	An absolute shame that this fantastic Canadian show is cancelled!
<i>Judi M.</i>	how unfair that was a great show ...who makes these stupid decisions anyway??
<i>Sandra B.</i>	How can they cancel such a great show?

	<p>This show has really taught me what went on during WW2. Hopefully CBC or CTV will pick up the series just like Murdoch Mysteries when CityTV cancelled it.</p>
<i>Lisa N.</i>	<p>Instead of giving up on a great show like this, the network should have made it a summer series. Broadcast it on the same night as Rookie Blue. Couldn't have done any better than that, but it's just easier to toss one of the best shows ever made, aside. Thanks, Global.</p>
<i>Amber R.</i>	<p>Not sure what's coming in the mail but alls I know is I've got a date with some bomb shells Wednesday!</p>
<i>Lynn Marie P.</i>	<p>Global Tv has a facebook page...and they have a message button at the top that doesn't require liking the page! So get on it Bomb Girl fans! Let's "Bomb" them with messages demanding they listen to us and bring back the show. Keep it polite or they will have you banned, but tell them how much you love this show and want to save it! If we start now, today we might save the show!</p>
<i>Sandy H.</i>	<p>One of the best episodes so far and it's the last. Go figure!</p>
<i>Melanie L.</i>	<p>I can't believe it This is the best show ever. Global tv you suck!! It was the only show I ever watch on your network. your network is now banned from my tv.</p>
<i>Andy O.</i>	<p>Yup, Global is permanently off in my household too (even though it means I can't watch The Simpsons anymore!). Go to www.savebombgirls.com to help!</p>

<i>Claudette M.</i>	Miss u guys already....
<i>Kashmir A.</i>	This can't be right! Bring back the Bomb Girls!
<i>Darlene R.</i>	Can't believe they are cancelling!
<i>Laura L.</i>	I am so disappointed that a quality show like this has been cancelled while all the garbage reality shows stay on the air :((
<i>Stéphanie L.</i>	it's over and i'm Soooooooooooooo sad! It's so good
<i>Maria F.</i>	:((
<i>Kristina C.</i>	Go to save the bomb girls sites and help out
<i>Cathy R.</i>	Just SICK that this fantastic show is being cancelled. Here's the sad truth: most people just don't care about history ~ not even about the Greatest Generation who saved our country & our butts!!!
<i>Joyce J.</i>	I feel like Kate looks in the top photo...so sad.
<i>Elizabeth H.</i>	Why was this show cancelled? It seems like any show or movie with a strong female lead is cancelled or doesn't do well. This is the only series I watch because of the strong female characters in it...really disappointed.
<i>Valerie H.</i>	I am saddendd - get a decent show and then bam cancel!
<i>Neil K.</i>	love bomb girls stupid network again not caring about its viewers

<i>Pat B.</i>	I fall in love the show. Well miss it if they take it off the air. Leave it on the air. A fan of the show.
<i>Leota D.</i>	I think Bomb Girls is one of the very best shows in TV . Be smart and keep the show. This is history the stories need to be told.

<i>Sue R.</i>	But it's over so why make us feel worse by posting. Keep the show!!!
<i>Astara K.</i>	Oh, damn,. I liked this series. They always cancel the shows I like.
<i>Lindsay C.</i>	Do not cancel this show Global & Shaw Media!
<i>Nicole M.</i>	I wish the show wasn't canceled
<i>Leanne B.</i>	I'm going to miss this show so much.....I don't understand why they would cancel such an amazing show, and leave all the crap on TV
<i>Jeanette H.</i>	Hurry up and release it ALL to Netflix!
<i>Lucia A.</i>	I totally agree leanne the cancel the good ones and keep all the crappy ones
<i>Jessica C.</i>	Love this show!

<i>Brian W.</i>	Please sign the petition to not have Bomb Girls cancelled!!! This is the best drama on TV.
<i>Karine A.</i>	Amo!
<i>Georgia H.</i>	Just read today's announcement that Bomb Girls has been cancelled and there will be no season three. HOWEVER, there will be a two-hour movie to tie up the loose ends and bring closure for all of us die-hard fans.

<i>Kathleen R.</i>	This is a wonderful show. Global should be ashamed.
<i>Lynn Marie P.</i>	Global Tv has a facebook page...and they have a message button at the top that doesn't require liking the page! So get on it Bomb Girl fans! Let's "Bomb" them with messages demanding they listen to us and bring back the show. Keep it polite or they will have you banned, but tell them how much you love this show and want to save it! <i>Marika K.</i>	Love that Vera & Marco have hooked up, not sure what to think of the Gladys spy

	thing, but its intriguing .. if Marco could hear me yelling 'nooooo' at my tv, he would walk away from the trouble he is gonna get into ... kate bugs me .. lol .. wish teresa was staying ... love this show!!!!

<i>xxsurvivalistxx</i>	After being separated for eight years, Bomb Girls was the first thing my Dad and I were able to share together. We didn't have much in common, the silences were awkward and painful. But we shared a love of history and watching Bomb Girls together always made the visits easier. We miss this show. It was an important foundation for rebuilding our shakey relationship. Just wanted to share so everyone could understand just how important this show is to me. <3 SAVE BOMBGIRLS!!!

<i>notyourmanic-pixiedreamgirl</i>	Everyone go watch Bomb Girls. Then cry because it got cancelled after two seasons
<i>fragrantwoods</i>	Thanks to tumblr and randomness, I found "Bomb Girls" and it's killing me in the best way. I love everything about it (except the part where it gets cancelled). Another reminder that Canadian TV is so often awesome. I know I should stretch out the watching...but I know I'll be marathoning, then be sad it's over.
<i>seusskey</i>	Bomb Girls has to get picked up by a network. It's really clear how much people love it. I think the show is really unique and any network that passes on it is crazy.

<i>Missy J.</i>	I really enjoy watching this show. It's a big difference between all that pop culture crap you see nowadays. I always wanted to have an idea what women, and people in general went through in the 1940's.

<i>Ella B.</i>	Why is there no Bomb Girls merchandise?!?! Bomb Girls posters and mugs are a must. I need McRae on my wall!
<i>Eldiablo E.</i>	I am trying to watch this on Netflix but the episodes either jump about without warning or are badly edited as people disappear, then they are back in the next episode. I just cant get my head around it. Lorna mysteriously becomes pregnant, episode 3 has got thefts, according to the premise but none occurs, nope sorry difficult to watch, I am now more confused.

<i>Erica F.</i>	This was cancelled because the masses are idiots.

Kirsten M.

When global cancelled bomb girls my 10 yr old son stefan got very upset he and i would record it and watch it together on saturday night before the hockey game because he really loved the story about girls during the war it's a perspective that the kids these days and most adults don't know happened during the war.. it's a travesty that it was cancelled.. reality tv sucks the big one!!!!

Katie J.

Your show is by far one of the best shows I have seen on television (or in my case streaming on Netflix) This is one of the best series I have seen. It is so refreshing to see something that is well written with real content to the story-line. I had despaired before I saw your show, because there is so much bad programming out there that is targeted to teenagers or young adults showing no intellectual content, instead pandering to sensationalism and people's libido. I for one would remain a loyal fan.

Amanda W.

Bomb Girls is an amazing, unique, and inspiring show! While flipping through Netflix I saw it and was instantly intrigued. After the first episode I was immediately hooked. As a US citizen, I was grateful to have such a great opportunity to watch the portrayal of Canada in the war unfold. I can honestly say that I've never been so personally invested in the characters of a TV show. When I found out there wouldn't be a 3rd season I was devastated. People need these kind of role models! Bring it back.

Mikyn R.

I started watching Bomb Girls on Netflix recently and I love it! All the characters are great and the show is exciting. I have

to know what happens next, they can't cancel it!

Thomas R.

I am an American viewer who watched Bomb girls since the initial pilot show. In fact, i tried to stream the show during its initial Canadian broadcast but was blocked from doing so. I had to wait until a U.S. network picked it up. The show was well cast with a good story line. It's a shame that broadcast economics overshadows content quality.

Tiffany M.

I love the story & all the characters!
Please save this show!!!

Vikky/Fran

please oh please do not cancel Bomb Girls. There is so little quality tv to watch. Bomb Girls is one of my favorites. Excellent acting, script, photography etc.

George C.

Please have a 3rd season of Bomb Girls. WE love it. I can remember the day the II WW Ended!

Meg V.

Hello thank you for taking the time to read this short plead. I discovered Bomb Girls in Netflix about 3 days ago and I have fallen in love with this magical show. I have watched every episode (some more than once) and I was heartbroken when I heard that this fabulous show what sadly canceled. I feel that it was a mistake to cancel such a powerful show. This show means to much to me because of one character in particular, Betty. I have been struggling with being a closeted lesbian in a small town for years now and I strongly relate to Betty. I felt for the first time that I was fully represented on TV. Everything Betty did and felt I have and am feeling now. More than once her story has

brought me to tears. I see her as a strong proud and powerful role model for me. I'm begging you not to cancel this life changing show I must know what happens to Betty and the rest of the amazing characters. This is my favorite show and I feel like it deserves to be on TV. Again thank you for reading and please consider saving bomb girls.

Olivia W.

This is kind of a double letter; I'm writing almost as two people or from two different stances. And though the two views are rather different, they both convey a similar attachment and admiration for Bomb Girls. Firstly, I would like to express my enthusiasm for Bomb Girls from a culturally historical perspective. I'm interested in the history of women between World Wars I and II and their service for their country. Unfortunately, this history is still relatively unknown and so grievously overlooked. It's so refreshing to finally have a show that not only introduces or revives this chapter of history in the minds of today's TV watchers, but also reveals both what women had to go through and how war is not something fought only on the frontlines. It is so rare to find a show that takes place during the times of war that doesn't depict women as either frail little creatures who simply gossip and pine and sigh away the days waiting for their true love to finally come home or as heartless witches who "comfort" soldiers right and left. So rare! I can imagine the seas of viewers enjoying the show to later tell themselves and others "oh, I didn't know it was like that; I didn't really think about that; I never imagined it to be so hard for women; I

didn't think those women were so brave!" Generally, the historical accuracy of Bomb Girls in a TV/movie world where sex and explosions take center stage while the history and reality of the story are of no importance is both refreshing and a diamond to hold on to. It's portrayed so well and all the different aspects it touches are shown without any of that white-washed-shove-it-directly-in-your-face-and-on-a-platter political correctness typical of American shows. Indeed, it seems to portray more of a more objective view on the story, as if we were looking through a window into people's lives, a thing extremely hard to do, but so fantastic to watch when done correctly. History is generally overlooked on the basis of a rather mistaken notion that something already happened some time ago, so who cares now. Yet, we should care because these are the stories and events that create our identity, tell us where we come from, what we are capable of, both good and bad, and what we should strive for in the future. These women need to be spoken of! These women should be put in the spotlight, their history promoted as real and living proof that women can do and did much more than just write sweet letters while in their aprons. It is the great fault of the present to allow this rich history to crumble to pieces forgotten in the shadows of ignorance; this noble history of endurance and sacrifice for both women in general and Canada as a nation. How can they be remembered if no one will tell their story? You see, I am from Poland. As a Pole growing up in the United States (I moved back to Poland when I turned 18), I know the feeling of

always being somewhat foreign no matter what you do. I also know the sad fact that though incredibly rich and influential, almost even the smallest scrap of Polish history is completely lost outside of Poland. Unfortunately, when it comes down to a more detailed history, such as women during wartime, this is completely lost even within Poland itself. Yet, I took heart in the fact that (here I'm speaking from the position of a non-Canadian) Canada in a certain way shares that same dismal fate. Just like most people find it hard to place Poland in the correct continent, those same people usually consider Canada a simple extension of the U.S.; just the 51st state. Since I have a soft spot for the forgotten and ignored, when I began to take an interest in women during World Wars I and II, I sooner or later came across Canada's contribution to the wars and was shocked with how little I had ever heard about it. This only intensified after having watched Bomb Girls. And it all came as enough of a shock that I decided to do something about it. I had toyed with the idea of creating a site dedicated to the service of Polish women during wartime (both in the military as well as the home front) for some time. Yet, Bomb Girls planted the idea in my head to do the same thing for Canadian women. It may be a small project for now (Facebook page- Women on the Front: Canada), but then again, you have to start somewhere. But, that's why I also almost had a heart attack and a half when I learned that Bomb Girls was being cancelled. I had thought that Canada would take more pride in it's history and in the contribution of its women and show this off not only to Canadians, but also to

the rest of the world to see. Secondly, I fell in love with Bomb Girls on a much more personal level. With each episode, I found myself being drawn in more and more in a general fascination of what that time period looked like for women in Canada, but also with a curiosity of how all the characters' stories would play out. Yet, above all others, I fell in love with Betty of course. Her story and her character reflect mine sometimes to such an extent that I could swear somebody just put my self down on paper and asked someone else to play it; it's like watching yourself outside yourself. This year has not been kind to me to say the least. I somehow stumbled upon Bomb Girls at a particularly rough point in my life and I found myself immediately captivated. To watch a fantastic show is one thing, but when you find yourself, at times, almost practically watching your own life play out before you on screen, it's an experience nearly impossible to describe. To be honest, I don't think it would be an over exaggeration to say that Bomb Girls, especially Betty, in some way may have saved my life. H. Jackson Brown, Jr. once wrote "Never deprive someone of hope; it might be all they have." Sometimes, that hope can be found in an excellent TV show, in a very realistic character, even in a heart-wrenching story. It somehow ends up that you see your life on screen being played by someone else and instead of sitting there crying over the broken pieces, you end up cheering for that character, watching them survive one more day, telling them that it's not all that bad, supporting them in their mistakes and successes, believing that it will all be okay in the end. And if it's going to be ok

for Betty, if Betty can do it, well then why the heck can't I? It's a small kind of miracle I suppose. I really can't stress enough how much I enjoy Bomb Girls, how spectacular of a show I think it is, and how heartbroken I am over the fact that was cancelled. I'm still hopeful that someone will pick up the show in the end, there is still so much more to be said and shown! Save Bomb Girls!

Bomb girls is an inspiration to all aspiring women in the workplace.

My husband and I live in Sacramento, California and have just finished watching the 2 seasons of Bomb Girls that we got through NetFlix. We "love" the show and have watched at least 2 episodes each evening. The story lines are great and the actors are all terrific in their parts. There is so little worth watching on TV anymore, that we tend to watch more through NetFlix. If this were aired in California, it would be on our "must watch" list. What a disappointed to see another great series bite the dust! Based on the reviews I have read, the only reason it didn't have a large audience in the 2nd season had nothing to do with the show – only the poor scheduling by management. Such a shame to cancel a great show for more mindless fare.

Gail K.

Yes Please Save the Bomb Girls!! I really like the Bomb Girls and was very disappointed to hear they were cancelled. By writing this email I am hoping that the power that be will change there minds on this. I must admit I normally don't like Canadian programming. But I really think Bomb Girl is just as good if not better

than most of the programs out there. The Writers are great and the Actors go well together and really suit the parts. The program is very interesting to say the least. It has charm about it and I love the characters. What really kind of makes me mad is that I finally find a good show to watch and after a couple of years you cancel it. I should of just waited and watched the reruns there were only 18 episodes in all, you can hardly call that 2 years even. Finally Canada's puts out a decent program that is most interesting and shows that Canadians do have talent in the film industry and they cancel it!! Not a very good idea I would say. You have my Vote on saving the Show Bomb Girls. I'll keep my fingers cross... and toes.... and arms... and...

Madalyn H.

My name is Madalyn, and I'm 24 years old. First of all, I wanted to say that I'm really glad you've kept up this petition to bring back Bomb Girls. Not many would fight for a tv show for this long, but I certainly agree in that--as many of us do--it deserves a second chance! What I loved about Bomb Girls was that it was so different from anything else on Canadian tv: it's not often you can find a show that highlight's a period in Canada's WWII history (outside of a documentary), where women's roles made a significant impact. We have a tendency to overlook what was happening in Canadian society while war was raging around the world, and it shows an appreciation for the women who worked under dangerous circumstances in munitions factories. Along with the beautiful 1940s' costumes and set designs, another thing I loved was the complex story lines; the characters, all portrayed

brilliantly by its actors/actresses, came from different walks of life, and they were fascinating to get to know. I enjoyed watching this show, and was very disappointed when it got cancelled. This show has so much more potential, and deserves better. I really hope that Bomb Girls can return for another few seasons. Thanks for keeping the fight going!

Michaela .

I stumbled across Bomb Girls by accident. I have been sent by my employer to work in the UK temporarily and of course, I had to discover wonders of mythic Netflix - fruits forbidden to me in my homeland. And after relatively short period of time the service recommended me this unknown show. Oh goodness, I knew this will be right my alley the moment I read the description. And it was. I have been longing for well-written female characters and while last years were very fertile, there is never enough of these. Bomb Girls are full of them. At first I took a liking to tomboyish Betty and eventually fell for all girls. They all behave like adults, act different and all of them try their best to be good at their jobs. They are not perfect but they are able to elbow their way through life and bond with their female co-workers instead of be all catfighty. Many of them are actually like my friends or colleagues. You could almost hear me purring. My favorite still remains Betty. I am a gay woman in my late twenties and the pre-modern era always scared me for its strong restrictions towards women and especially queer people. I always viewed a war as a mixed blessing due to social and technological advances it made possible yet it was still hard to live as a person

surpassing social expectations. A lot of works, be it literature or cinematography, telling stories from that era about such persons focus on tragic nature. That's the reason I try to stay away from them. I had my fair share of them in my adolescence and after certain amount, they began to be just downers. I don't seek WW2 shows or movies because they are almost always about front lines or Hitler's suite and never about other aspects of that period of our history. Bomb Girls reminded me of books written by Austrian writer Johannes Mario Simmel. He wrote about human fates during WW2 that were played out in cities or small villages and were all about non-soldiers. They were dramas and you could always expect something bad to happen (not necessary related to war-ignited incidents), though. I like that Adrienne Mitchell and Michael MacLennan created the show that tried to be unique. It's about WW2, about civilians, about women and it can be lighthearted and funny. And one of main characters is lesbian that is brave, tender-hearted and doesn't want to end her life with a man or kill herself. Just wow. I find even more fascinating that other characters are forward-thinking and when a word gets out, they are supportive. In my life, I had met or been a part of groups of women that showed that cohesion and I missed it so much in TV. For example, Lorna acts in kind of old-fashion way yet as episodes go, she displays very clearly where she stands and I as a viewer couldn't keep my admiration for her away. Gladys is another fascinating character. I like how she cut into the middle-class sphere and while she offers audience a peek, she manages to balance

between being refined and raw need to work manually to change the situation. When I was watching these carefree parties, I couldn't help thinking how bizarre it is. Cities were burning in Europe and on American continent the biggest wound was one attack at Pearl Harbor. Vera was seriously surprising. I expected her to be a sad reminder of how hard a life of mutilated woman can be. Her arc is almost a love letter to someone who is able to pull together and value what they have. And Kate. My another mistake in judgement. I thought she will cause these tense situations and make Betty suffer either by condemning her or playing a naive object of love forever. Her transition from a pack of full of shame and uncertainty into an individual who can stand on her own and keep questioning a realities of life for right reasons was beautiful. The settings, storylines and most importantly characters are fabulous and I would love to see more of these. When I discovered that the show was cancelled because I even started watching it, it broke my heart. Luckily, creators are working on movie and I can't wait to see it. At the time of its release date, I will be back in my country and my access will be limited again. Never mind, clicking on movie pre-order button on Amazon or wheresoever is sure thing. If this is going to be read by anyone having any decision powers, please consider adding subtitles. I would say my English is solid. I listen to podcast and watch some shows without subtitles however sometimes it can be a challenge to understand and it's frustrating to miss something, especially if it's a line in the show that matters. I am really grateful

this series exist and I would like to thank everyone who made it happen. It is one of my favorites now and I look forward to discover how Betty, Lorna, Gladys, Kate, Vera and others are doing.

Hello from a dedicated Canadian Bomb Girls fan! I have to begin by saying how much I love this television show. Its so inspiring watching something that I can relate to. By saying I relate, I mean it not by the subject itself but by the style of the women in this show. I myself am completely obsessed with the 40's and 50's - everything from how I style my hair, to the clothes I wear, music I listen to, etc. It is so nice seeing a show in an era correct manner. I was completely blown away when I saw it for the first time and my first thought was 'This must be an old time show', but when I recognized Meg Tilly I knew it was recent - and then when I discovered it was Canadian I was so excited to see something that was bang on with the subject and clothing (next to the amazing clothing and setting as Murdoch Mysteries). I strongly applaud the people who came up with the idea of this show, as it gets rather boring watching shows that are modern day...most of the shows I watch are old sitcoms from the 1950's so it was nice to finally be dedicated to a show that was so old fashioned! I am devastated that Bomb Girls has been cancelled as I do miss it! I will have to find a place that sells it so I can own such a marvellous television show! Thank you for the, I will go ahead and classify it as a organization type group, for the 'Save Bomb Girls' ... This is truly perfect!

I'm so excited that Bomb Girls Season 2 is

	here, on TV, for Xmas! Please save our Bomb Girls :)
<i>Millie T.</i>	Love you bomb girls..can't wait for the two hr special .
<i>Kris G.</i>	I really hope they bring back Bomb Girls. My Grandmother worked in a Boeing factory back in WWII and she would likely love this show except for the fact that she has dementia now. Another thing that struck a chord with me is that my great-auntie Betty (yes, that was her name and she originally hailed from Manitoba) was a lesbian who lived with the love of her life. I didn't realize until I was in my 20's that she was lesbian and it never struck me as odd that she lived with another woman. It was just the way it was. Seeing Betty on the show made me realize that my aunt must have had a hell of a time growing up when she did and I am truly amazed at the fortitude she must have had to deal with all the crap that women had to go through in addition to the persecution that LGBT people have to deal with on a regular basis. A truly amazing show with such colourful characters would be sorely missed.
<i>Steph F.</i>	I love this show so much and was so sad once I had seen all of the episodes on Netflix, only to realize it was cancelled?! Unacceptable.
<i>Joyce B.</i>	Great and rare woman-oriented show with a message and great historical backdrop. If it were on network TV it would be winning awards,

<i>Haley B.</i>	I love this show! It is extremely well written, and I feel invested in the characters. I would hate to not ever know what happens to them!
<i>Mike R.</i>	Just finished season 2 on netflix. Lots of loose ends to wrap up. Hope it can be done in 2 hr movie. Better if season 3 did it. Love this show.
<i>Ingi P.</i>	This show is epic. I just discovered it last week and I'm finishing up now. The characters are so diverse and fun and it's so inspiring. I love knowing that at a time when women weren't viewed as they are today, that women were doing awesome things. Im getting my housemates and friends into it, I love it!!! Make it happen, Bomb Girls season 3 has to be real!!!
<i>Muff-Anne Y.</i>	Please Save Bomb Girls, it's the best Canadian TV to hit our airways in a long time:) Please Save Bomb Girls!
<i>May C.</i>	I love this show, my grandmother worked in the factories during war, she also played on one of the first female softball teams, I love the way this show makes history fun again, my youngest daughter never learned about bomb girls or anything women did during wartime and she's a high school senior

I came to Bomb Girls via netflix. I was fascinated by the program and how well it was acted. The show was a history lesson. I looked up the how the workforce changed significantly after WWII, because many women did not return to being just housewives and many companies took advantage by paying females less than men. When i found out my job was paying "girls" less than men doing the same work I asked a supervisor why and was told that the "MEN" had families to support. Wow! I guessed my 3 children and myself did' nt count as a family in 1994. Shows like Bomb Girl that are not only well acted and directed but they are what I think of as social media that can wake up a generation to the past, present and future. Please make more BombGirls whether movies or miniseries. I am starving for more!

Margaret C.

Good Luck with your campaign. I have watched both series on ITV3 and thoroughly enjoyed them. I was looking forward to a third series, and am so disappointed to hear that the show has been cancelled. I now look forward to the movie, but it won't be the same!

Monica B.

Please, please, Please continue this great show. What a wonderful testament to the gals that kept the country going during WWII. It brings a fading history to light for the young women of today to see what our Grandmothers and Great Grand Mothers fought for both for the war and for women's place in the work place... Standing up and finding their voices while being marginalized for their brave efforts. It's a story that needs to be told and retold. In a day and age where most shows are about celebrities and fantasy creatures with super powers or violent predators, Bomb Girls tells the true story of True heroism and the struggle to thrive during the largest war ever fought. Don't take Bomb Girls away.

Jessica K.

Was searching online today to see season three would e starting and I was shocked to see that the show isn't returning. NOOOO! Why? It's a fantastic show with a solid cast an story line. Best Canadian series I have seen on years. I'm so hoping this online campaign works and Global will continue produce this great television show. Save bomb girls!!

Luis

Ran across it on Netflix, and really enjoyed it all. Thought the writing in Season Two took it a step up, looking forward to seeing the movie, although would love for another season or 4! Save the show!

Sandra B.

I live in England and this show is superb so much more to tell about characters lives please let's have series 3

Samantha B.

SAVE BOMB GIRLS!

<i>Florence A.</i>	Can't wait to see the movie -- but sure do miss seeing it every week on air --- PLEASE work at showing the episodes in re-runs
<i>Holly R.</i>	Looking forward to the movie. Great show.
<i>David B.</i>	Why do the powers that be cancel good shows?
<i>Shelley M.</i>	very disappointed that the show got cancelled in the first place... I loved that show, and looked forward to it every week
<i>Deborah W.</i>	Can't wait to see the movie!!
<i>Autumn H.</i>	Will the movie air in the U.S???
<i>Maura B.</i>	BRING BACK THE SHOW!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
<i>Katherine H.</i>	I started watching it on netflix few months back then I was waiting for the next season to be posted then I find out it's was cancel... I was so disappointed bc I really like that show.... It's had great storyline n great cast... But I'm thankful that we will see the bombs girls one last time... Hopefully it's will be posted on netflix
<i>Carol A.</i>	We miss your show so much Meg, ALL of you are wonderful, AMAZING actors. Thank-you for all the hard work.
<i>Astara K.</i>	I miss the Bomb Girls...

<i>Lorraine D.</i>	I hope it will be seen in the US too or go to Netflix where I have been watching this darling program. LOVE THIS SHOW!!!
<i>Gord K.</i>	ey Bomb Girls, it was a long, long war! Two years and a movie can't possibly cover the girls and their adventures. We want the series back too!
<i>Jennifer N.</i>	I'm so sorry to see this show go. I know a real life Bomb Girl - she infact made bombs for our soldiers during the war. It was such a wonderful way for her and I to bond. I will sincerely miss it!
<i>Kathy R.</i>	Wish the series would come back! They take a good show off the air and leave crappy ones on.
<i>Nan B.</i>	Loved this show...don't understand why it got cancelled. Bummer!
<i>Kim L.</i>	Really looking forward to the movie, but still really disappointed that the entire show was cancelled. So much material to cover still...its a shame.
<i>Lisa C.</i>	A number of my friends had never heard of Bomb Girls until I mentioned it to them and then they got into it via Global TV website. Unfortunately I don't think it was as well advertised as it could have been. Also, it does seem like society as a whole is unfortunately leaning more towards watching less intelligent television which is incredibly frustrating for those of us who aren't fans of shows

<i>Honey B.</i>	It's unlikely that this show would ever pull in as many fans as a show like Honey Boo Boo though. People like to watch other people embarrass themselves on national tv apparently. They can focus on "at least our family isn't as embarrassing as that family."
<i>Rachel B.</i>	Gutted its canceled I enjoy the show will movie be here in uk?
<i>Megan M.</i>	Stupid for cancelling this show shame in global
<i>Melissa H.</i>	wish they would of never cancel this show.. too bad.. but can't wait for the movie.. then maybe enough people will watch it.. bring it back! maybe Ctv can pick it up..let's hope
<i>Cheryl M.</i>	loved, loved that show...very disappointed that it was cancelled...
<i>Judy S.</i>	Another disappointed fan.....there is so much c*** on TV but this show is cancelled.....I just don't understand! Looking forward to the TV movie but still not the same as weekly episodes.
<i>Jane B.</i>	will miss this show a lot. Really like Meg Tilly's acting.
<i>John S.</i>	I wish some other network would have picked this up. The sad fact is, it seems most Canadians would rather watch American sitcoms and reality TV crap than learn about a wonderful piece of our heritage written, acted and produced beautifully. CBC, where ARE you?

<i>Britnie C.</i>	I'm so sad the show ended but I'm excited for the movie!
<i>Ginevre S.</i>	I'm glad the movie really happened, and so quickly. Can't wait to watch it!
<i>Sandy D.</i>	Great characters, great plots, just great overall. Looking forward to the movie but so sad that show was cancelled.
<i>Sue H.</i>	So excited!would only bemore excitedif it were still a show!!!!!!!!!!!!!!
<i>Carol A.</i>	Shelley, my daughter and I couldn't get enough of this show. Why was it ever cancelled in the first place???
<i>Deg T.</i>	Bomb Girls was an excellent idea, with great actress and beautiful realisation, its really sad to cut this fantastic tv serie ...
<i>Kath J.</i>	wait for the film's, just wish the series would be continued. Am buying series 1 and 2 for my mum to watch as she has not seen them yet x
<i>Diane R.</i>	Adored bomb girls.
<i>Deb S.</i>	MORE..MORE..We want more Bomb Girls!
<i>Candice T.</i>	It was an amazing show. It's such a disappointment that the show has been cancelled. It could have gone so far.
<i>Carolyn M.</i>	Love Bomb Girls and Meg Tilly!
<i>Sue C.</i>	Awesome..I loved that show and didn't know they were doing a movie

<i>Laura M.</i>	OH NO - they cancelled the series - that is just horrible. I loved this series. It was the best one on TV - Loved Loved Loved it..such an amazing historical representation of WWII and the women that were so essential to the war movement. Why is it if there is a series about how much women contributed to war it's cancelled??
<i>Rachel S.</i>	So excited for this movie. I can't wait to see it.
<i>Lorraine H.</i>	cAN'T WAIT!!!
<i>Kimberly N.</i>	Thanks for creating such a beautiful story - with so many strong, human, and very relatable female characters. So excited for the movie! A wonderful series, it's an absolute shame it was cancelled by Global. Please offer the movie on iTunes, so that we can buy it after it airs on television!
<i>Michelle O.</i>	So excited just completing season 2 . Hope it will be aired in Ireland or the UK
<i>Amy S.</i>	My 22year old daughter and I started watching this fall on Netflix here in Dallas, Texas. She is not a viewer of TV, but LOVES this series. We are so excited about the movie!
<i>Laura C.</i>	Can hardly wait to see the movie, have been a fan from day one.
<i>Ginny C.</i>	I was enjoying the TV series and then it was gone ...
<i>Nancy P.</i>	I can't wait to see the movie too!

<i>Derek N.</i>	I wish it played in U.S cause I can't find it in Florida
<i>Jean M.</i>	Can't wait to see the movie....
<i>Patti C.</i>	When will the movie be on TV??
<i>Alicia G.</i>	SAVE BOMB GIRLS!!!!
<i>Heather W.</i>	Wow! It's too bad this show was so short-lived. Great story line, plot and characters. And it's Canadian!
<i>Sarah P.</i>	Please bring back bomb girls! Me and and my mom loved watching this show together and are absolutely devastated that it's not on anymore. Now me and my mom watch reruns of bomb girls on DVD and tv and drown our sorrows in ice cream and cheesecake. Please STOP the insanity and bring back Bomb Girls!
<i>Binnie D.</i>	I'm a fan x10 of the TV series bomb girls. Just watched the entire two seasons...in two days...was completely addicted to it. So beautifully done, such tremendous characters, I love them and the story. Accurate costuming, simply wonderful!!! I'm a child of the 50's but my entire family (father,uncles,aunts) in one way or another were active in ww2. I love this series..and was so sad to see how season 2 ended...with no real closure...disheartening! I wanted more and my heart fell when i realized it had been cancelled!!! Living to see the 2 hour TV movie, please let me know how I can register/join/get updates, on any news at all.

Tracy W.

Please save bomb Girls. This is a wonderful show. Why do TV executives keep cancelling great shows. I live in the United States and love this show. We the viewers are sick of reality TV, but keep watching because nothing else is on. I have fallen in love with this Canadian show along with another Canadian show Lost Girl. Keep the show on and let other people discover good Canadian programming.

Judy C.

Please save Bomb Girls. Great show. So tired of horrid reality shows! It needs better marketing! I kept telling friends and family about the show, and once they watched it - were hooked. But no one - no one!! knew about it. Really needs to get their voice out there.

Paul K. G.

In this era of multiple, useless and boring TV shows Bomb Girls shines like a diamond in a coal pile. PLEASE, PLEASE, PLEASE, etc. put this wonderful show back on the air in 2014!! Thank you.

Laurie B.

Just found Bomb Girls on Netflix and was excited to find that it is a fairly recent series. And then, the bomb dropped. Cancelled. Really? Just like 'Homefront' here in the States. Looking forward to the movie but would love it if they would revive the series!!

Lynne P.

Terrific cast, unique plot lines, right on target for the times. So little had changed in industry when I went to work in my first job in a paper mill in 1965 I instantly connected with the way these ladies were treated by their male co-workers. I wondered how long it would last when the story lines took a hard look at issues like abortion, sexual discrimination, glbt issues and jingoism. Not topics that most Canadians are willing to examine. Can't say many USA citizens are any better looking at these issues either. Shoot we were really just getting to know the girls and the guys. They are a very talented cast and it is a shame this series is ending far too soon.

Irene G.

It is amazing to me that a show has arrived with great story lines, filled with encouragement and patriotism and perseverance and of course the movie industry sees no need for such values.

Cheri W.

There is much information regarding the war effort from the military stand point but not nearly enough from the view on the home front. I have watched this important program with my family. There is so much taken for granted today; the freedom, the social climate, the political climate, how things have changed. Please continue this program and don't allow it to fall along the wayside as so many others have in the past.

bag722

All the good shows get cancelled. Keep making this show.

Kelsey J.

This is the ONE show I've found to be truly empowering to women. Characters are pretty, but not overly sexualized; they maintain a healthy weight, and are not stick-thin. The vast majority of shows these days are lacking confident and independent female roles. We need to encourage more series like this one, and we can start by bringing BG back.

Cathy B.

As an American, I know very little about Canada's part in WWII. I have learned a lot from the show, as well as enjoying the story. Please let us have more!

BrindleCat

I discovered Bomb Girls on Netflix a few days ago (I live in Washington state) and am absolutely in love with the series. It is so much better than anything produced for US television. I watched all 18 episodes in just a few days, and now feel absolutely bereft to learn that it was cancelled. I hope this campaign is successful in getting another network to pick the show up. There are so many stories to continue! It's the best thing I've seen in ages. It's better than Downton Abbey.

Linda T.

I am so saddened that Bomb Girls will only be resolved with a final 2 hour movie. At least it's something, right? I just found out this sad fact, as I am watching my recorded episodes from season two right now. What I adore about this series is the fact that my parents were the age of these characters during WWII and this series allows me a glimpse into the social and political thought processes of the time. They are long deceased, now, but this series afforded me the opportunity to experience life as they knew it: gas and food rations, women and their roles in society, forbidden loves and lusts, etc.... Thank you all for making this series, from the skilled set people to the writers/creators to the actors. No matter how old I get I will always miss my parents; watching Bomb Girls allows me to remember them as young and beautiful.

Madge S.

One of the best shows I have seen in a long time! Couldn't believe it when I heard there would not be a third season and beyond. A 2 hr. movie is certainly unacceptable! Please save this show.

Karen D.

I'm so gonna miss this show!

Jennifer M.

One of the smartest best shows ever!

Richard H.

My wife and I are looking forward to seeing the movie asap! Love Meg and all the girls.

Richard H.

When and where is the movie going to be shown? Anyone know?

<i>Irene R.</i>	Wonderful. I love the era of my mother who was a Rosie the Riveter.
<i>Elizabeth A.</i>	Such a shame that quality programming such as Bomb Girls gets canceled and garbage like reality TV last for eternity. Go figure!
<i>Sandy H.</i>	Yes, Bomb Girls gets cancelled but something stupid like Honey Boo Boo goes on and on. The dumbing down of North America... sigh.
<i>Denise O.</i>	I really like this show
<i>David F.</i>	Looking forward to this! But really sucks we are not getting another season. Either way..at least we are getting something to round out this fantastic show!
<i>Katie M.</i>	What it was canceled aww that was a great series
<i>Glorianne G.</i>	Meg Tilly is superb on Bomb Girls. So looking forward to the movie. Let's bring it back!
<i>Laura H.</i>	I miss my Bomb Girls
<i>Joyce J.</i>	Oh my goodness...this makes me want to cry. Goodbye Bomb Girls.
<i>Debbie R.</i>	Im excited but sooo sad...

<i>Christine D.</i>	What???? no new seaso? DAMN!!!!
<i>Jessica G.</i>	When will it be in New Zealand?
<i>Michael S.</i>	Well I will admit it was a watchable series but the research could have been a lot better and more historically factual. Still I look forward to the film.
<i>Elisa G.</i>	Love this series! I am looking forward to the movie, but I prefer to see the series continue. Bomb Girls is an amazing TV series featuring something uncommon: camaraderie among women! Something very rare in real life and in today's television shows. This show needs to be picked up by film company that can embrace it and take it to another level of amazing. I love the history aspect and enjoy the work of the talented actors in this show!
<i>Ceyda Y.</i>	I can't wait for the movie! wish the series was continuing though
<i>Donna W.</i>	Can hardly wait to see the movie!
<i>Karen K.</i>	I'm eager to view this movie. When will it be shown? I want to see more of Meg Tilly and Jodie Balfour - great actresses!

<i>Bella G.</i>	Meg Tilly was just amazing on this show and I have to say it again Bomb Girls was an awesome show, best show on tv and these days there just so few shows worth watching at least here in US, is such a shame it was cut short, I will for sure watch it again as well as the movie, Thanks Bomb Girls a great show.. ♥♥♥
<i>Majalisa D.</i>	I just discovered the show after hearing about it from my mom(who is across the US) and my sister. All three of us got so absorbed in the show, only I just found it this last weekend and have managed to see both seasons in 2 days. Please, please bring it back!
<i>Carla G.</i>	I want your show back on!!!!!!
<i>Denise E.</i>	THANKS TO ALL THE CAST!!!! yall are doing a GREAT JOB to bad the higher ups cant see that this show hasn't fizzled WE WANT Bomb Girls back as a tv show don't cut short these sister stories by giving the FANS a movie give US a NEW SEASON... each story line Deserves to play out over SEASONS... you would get more BANG FOR YOUR BUCK if the show comes back for a Whole NEW SEASON

<i>Charles T.</i>	How the hell did Canada not realize this show is a winner? <hr/>
<i>Linda M.</i>	Can't believe they cancelled this great series....typical, get rid of something good <hr/>
<i>J. J. Ann Y.</i>	Bring the series back... I want my Bomb Girls!! <hr/>
<i>Shirley R.</i>	please bring the series back <hr/>
<i>Ilene J.</i>	I can't wait for movie! I want my Bomb girls to come back to television. My Mother worked on a bomb line in Nebraska and it was good to talk to her about her experiences and how it compared to things in the show. <hr/>
<i>Dianne H.</i>	Maybe it will be picked up by a different network.... We can hope <hr/>
<i>Diana P.</i>	Finally taping, yes!!!! Love this show, and being on this set would be so much fun! <hr/>
<i>Linda W.</i>	I'm happy..a little, I wish it would come back on TV. <hr/>

<i>Jean M.</i>	We want it on again...can you hear us?
<i>Jaëla B.</i>	Guys they don't have magical powers, their show got cancelled, they can't bring it back just like that. Even Firefly with all the fanpower they hadn't couldn't bring back the show. Networks are assholes. Be happy we're getting a movie! I sure as hell am excited to see these faces again!
<i>Marlene H.</i>	Loved the TV Series don't know why this great show was even cancelled!!!
<i>Rhiannon C.</i>	When can we expect the movie in the States? It's such a shame the show was cancelled. It was wonderful.
<i>Mary W.</i>	i really liked this show....please bring it back!!!!!!!!!!
<i>Christine P.</i>	Great show- one of my favorites!!!
<i>Wendy G.</i>	Hoping for movie #1, #2 and so onnnnnnnnn....it's the best series ever made in my eyes
<i>Debbie C.</i>	Please bring back "Bomb Girls", it's based on real life. It was so refreshing to see a show with some actual Canadian history. It was nice looking forward to each and every new episode. It doesn't make sense, stopping a show with such high ratings:(

<i>Jennifer S.</i>	I cannot believe they cancelled this show. It was great. I just came on this page to see when it was going to start again. I have so many people watching it. Wow I hope someone else brings it back. All the shows on TV are for the 'younger' set. For once they had a show the some of us older tv fans to like and appreciate and they cancel it. I am really disappointed. This is better than some of the other shows they have on Reelz channel.
<i>Cathy L.</i>	Screw a 2 hour movie, bring the series back!!!!
<i>Barbara P.</i>	WOW, I have been waiting for this series to start up again, I hope that it will. Best series on TV, it can't be gone
<i>Julie Z.</i>	i dont know why they cancelled this.. but looking forward to the movie
<i>Tasha S.</i>	I cant believe they cancelled this show.
<i>Dani B.</i>	Why don't thank make the series for Netflix if they can't get a new station to pick it up? I would much rather the series continue than a movie!!! They do it with Orange is the New Black, Mako Mermaids, Hemlock Grove etc This was SUCH a great show!!!
<i>Chris M.</i>	Loved the show! Miss it!
<i>Lyn S.</i>	Global doesn't deserve to air this after cancelling the series. There is more professionalism in Meg Tilley then there ever will be in Global!
<i>Carrie J.</i>	I wish they would just bring back the series

<i>Caryn S.</i>	Uuggghhh this is bittersweet I am still super pissed it got canceled!
<i>Bridget E.</i>	I didn't even know it was cancelled! ;_ ; I loved those bomb-building beauties! Did not miss an episode.
<i>Valerie P.</i>	I wanted a few more seasons!!!
<i>Elaine F.</i>	I hope it eventually gets aired in the U.S.
<i>Maureen O.</i>	I always like Mel Tilly's comedy, but, her drama is stellar
<i>Judi W.</i>	I loved this show! Will take what I can get though I am still disappointed it was cancelled.
<i>David W.</i>	Okay, here's my take; Bomb Girl fans can pass the word and get a lot of folks on board to bombard (Pun intended) different media interests in the series and when the film is released, do the same in spades. If the film gets raves and a lot of views, it's a message to someone that there's interest (...and money.) in keeping the show going.
<i>Natalie M.</i>	wish that netflix would pick it up....love this show....
<i>Shelley S.</i>	Well piss me off! I will watch the TV movie but was huge fan of the show!!
<i>Jennifer B.</i>	When does the tv movie come out I loved that show
<i>Michele D.</i>	hat was such a quality show! Loved the characters and storylines!

<i>Terri B.</i>	Please bring Bomb Girls back. Such a fantastic Canadian program
<i>Jamie A.</i>	Lovely show, really needs to come back.
<i>Kristina A.</i>	Such a wonderful show! I do not understand why they are not doing another season. It goes great rating and reviews. Why was it canceled?????
<i>Susan W.</i>	Miss this show so much!
<i>Susan S.</i>	Sure hope some other network picks up this great show.
<i>Margaret B.</i>	Meg Tilly is great, but a movie doesn't replace the show, not at all!
<i>Evy T.</i>	Great show it tells a nice story in difficult times, I rather have the series than the movie
<i>Patti M.</i>	WHY did this show have to end anyway?
<i>Ramona H.</i>	Loved this show...couldn't even pick a fav actress - they were ALL so good!
<i>Greta C.</i>	Meg Tilly is a really great actress. Loved her in Leaving Normal. Bombs girls was a AWSOME series I thought. Still can't understand why it was canceled.
<i>Patricia M.</i>	If they would put on more of these type shows and less reality..tv The world would be a better place..
<i>Mae G.</i>	OH NOW ,thats why i can,t find it why was it cancelled

<i>Rose M.</i>	My question is answered. I could not find it either. How could they cancel it?? One of the best shows on TV!!
<i>Cathy L.</i>	Unbelievable how all the crap shows can run for 20 years but the good shows are cancelled after a couple season's I wonder who the moron was that decided to cancel Bomb Girls. Maybe they should find another career!
<i>Andrea M.</i>	Love it...keep the updates coming! Still holding out for hope that Bomb Girls will be renewed for more seasons! C'mon it's the best show, great story and great actors!
<i>Joel M.</i>	Glad they decided to tie up all the loose ends (or plot lines) in a movie.
<i>Kayla S.</i>	If you guys need extras, I will totally just drop everything in my life and make a 5-6 hr trip to Toronto. xD
<i>Jo A.</i>	Wish it was the series that was shooting guess we'll have to wait and see. Bomb Girls was like my favorite show
<i>Peggy S.</i>	Really happy that they at least are doing a movie! Would rather have the series back, but will be happy with the movie!
<i>Colleen R.</i>	Can't wait but I still want the show back! Doesn't make sense that they cancelled an award nominated show.

<i>Barb S.</i>	It's too bad they couldn't film in one of the original communities the war involved. I feel lucky to be living in a war time home in Ajax, ON. I loved The Bomb Girls series and was saddened to hear of the cancellation. Nothing could turn back time like the producers of the the show
<i>Andrea M.</i>	I love the return of Bomb Girls, but we want the return of the FULL TV series! Make it happen! This amazing story deserves to be told for more seasons!
<i>Gail V.</i>	I can't believe they cancelled this show, I love it they need more of this kind of tv then reality shows and crime shows with killings and ppl who need to show off their families. This show has history lessons
<i>Sue H.</i>	absolutely disgraceful....for once we have a really good and well made Canadian series and those idiots go and cancel it. Well bloody done !!!!
<i>Beth W.</i>	Absolutely fell in love with this show
<i>Jennifer B.</i>	My daughter (7yrs old) and I love watching this show together! It is a great history lesson for her as well as being able to see the woman's stuggles and how far we have come today.
<i>Nancy G.</i>	some one in Canada should set up a petiton to keep it going

<i>Renee K.</i>	As far as the movie goes, I'll take what we can get. A third, fourth, fifth, ect. season would be much better. Bomb Girls has such a big fan base and has won several awards, so I am not sure why it was cancelled. Cancelling it was a bad decision.
<i>Stephanie C.</i>	Bring it back is all I have to say, they had a very good thing keep your " customers " happy!!!
<i>Tobiah R.</i>	I still can't get over that it was cancelled. Well, at least we're getting something. Bomb Girls!
<i>Nicola H.</i>	cant wait for movie so love bomb girls
<i>Tara F.</i>	I'm glad there will be a movie, hopefully tying up loose ends. Shame on Global and Shaw for cancelling.
<i>Dawn A.</i>	Bring back the series! But I will love a movie! Will it be on TV in the U.S?
<i>Laura C.</i>	I am a dedicated watcher. Will love the Movie too, I'm sure.
<i>Jane V.</i>	Can we get a Bomb Girls broadway show?
<i>Kimber M.</i>	Please bring this back! This is one of my favoret shows.
<i>Rhoda S.</i>	Miss this show like crazy!
<i>Karman B.</i>	I LOVE LOVE LOVE THIS SHOW. I didn't realize that it was canceled? My heart is broken. But tv movie? Whew.
<i>Allison B.</i>	Cancelled????

<i>Hanna J.</i>	At least we get closure
<i>Elena G.</i>	Need Bomb Girls back on tv!!!
<i>Chris M.</i>	They're finally back, but I'd like the show back, please!
<i>Bijou V.</i>	im so glad they will make the movie! i never thought they would actually do it!
<i>Emily R.</i>	We need more seasons not a TV movie. It will never do the characters justice!
<i>Jennifer J.</i>	I apologize to everyone here. If I love a television show, it gets cancelled. My bad.
<i>Kellie P.</i>	Next best thing to doing more seasons, which they clearly are not (sadly).
<i>Shirley R.</i>	still want the show to continue
<i>Shirley F.</i>	2,3 or 5 more movies!!!! Can't believe they cancelled this...one of my favorite shows and CANADIAN!
<i>Ashley M.</i>	I love this show!!!!!!!!!! I hope we can help save it. I haven't enjoyed a show this much in a long time.
<i>Avis F.</i>	I have been watching Bomb Girls on Netflix. I am so disappointed to have reached the end in one setting. This show is one of the best I have seen. As usual, networks don't know quality when they see it.

Nadine S.

I just went online to try to get some info on when to look for the next season. I am floored! No new season. So how are we supposed to know where and when to find the TV movie? The only small pittance remaining to us.

Niamh Ní C.

To whom it may concern, I am a huge fan of the show Bomb Girls, and would love to see a 3rd and subsequent series being produced. There are few series that portray such strong female characters and develop them to such a degree, and it would be a huge shame to just wrap this up in a 2 hour film.

Jasmine S.

The show is well-written and the characters are very relatable. In a Jersey Shore world, a show about empowered women who don't curse or bare it all is a blessing for the Y and Z generations. They need role models who don't speak in initializations and glorify drugs and alcoholism. Historically girls need to know the kinds of oppression we have overcome and how that oppression was not so long ago. The Feminine Mystique still somewhat plagues women to this day. The victories of our gender are easily lost with recent kitchen and sandwich jokes that have scattered the internet. Speaking selfishly, I must say, this show is a delight. I look forward to the direction each character takes, which is a rare feat in recent television. I plead, beg, and implore producers not to give up on Bomb Girls. Much quality shows have been lost and what the masses have since consumed are dumbed down and easy to digest, for the average viewer this is ideal. But if we keep quality shows like Bomb Girls on air, we force the masses to smarten up to quality television. A smart online presence will get Bomb Girls a cult-like following and generate discussion, generate buzz, and it'll take off. We have to keep it on air to get the buzz going though! Sincerely and humbly, Jasmine S. Guam resident #SaveBombGirls advocate P.S. It would be very cool to incorporate a Guam mention into season 3. The near 300K people who live hear love that stuff.

Jen L.

Bomb Girls was the first show in a long time to catch my attention and really take hold of it. After falling in love with the show and the strong female roles instantly, mainly Gladys's, I couldn't wait to watch the next episode, and then the next and then... I ended up watching both seasons in one weekend, almost in one sitting, only left to sadness and disappointment that it was the end of my favorite show; Literally. Now I am left only continue on to watch half measured shows with half the imagination, depth and character of the Bomb Girls series. My hope is that one day soon, I will be able to see once more, all of the strong lovely ladies together again on screen, to watch their lives and adventures unfold before me. That I may once again, enjoy a T.V. show as much as I did as "Bomb Girls".

Brenna C.

Thank you for trying to bring back Bomb Girls. This show was the highlight of my week. I'm so sick of reality tv shows, game shows and sports. Bomb Girls had a great story line and first class actors.

Patrick V.

Save Bomb Girls, I will not take time here to say how amazing the show is, that's why I am here.

First, I think you need more advertising about it. I found it by accident and am torn between watching it all at once and savoring it to make this amazing program last. If a show like "Orange is the new black" and House Of Cards" have their amazing success on Netflix, why not Bomb Girls? Great story lines, great cast, amazing time price that can have so many plots. Also, an area I have never seen explored means an open book. Keep pushing and keep working to get the program restarted.

Dariana R.

I found out about the show through netflix. I could say ive never seen a show this different. I was truly disappointed finding out that this show wouldnt go on for long during the time i was watching it. Only 18 episodes. I need more please save bomb girls!

Bethany A.

Continue bomb girls. I simply want more Bomb Girl stories!

JRBagby23

I loved it. I just discovered Bomb Girls, via Netflix, and couldn't stop watching! What a marvelous program. I am soooo disappointed to learn that there will be no Season 3! I hope producers will change their minds. I look forward to the movie, but would love to have a season 3, 4, 5, 6 and so on to look forward to!

Sherry S.

SAVE THE BOMB GIRLS

Bobbie D.

BRING the BOMB GIRLS BACK! For your consideration, I'm in withdrawal !!! A show with such quality should not be taken off the air ! Plz ! What a great show that is. I guess CA is not different from the US... when there is a great show, it disappears.

Janis R.

What a shame this show was cancelled. The show ended without closing up loose ends. I feel that fans were left up in the air. Please bring back Bomb Girls. It is great entertainment.

Lindsey

Why is it that Canadian networking so often chooses to keep all of their “look alike programs” that so closely mirror shows in the U.S. but when they finally have a truly original production they cancel it after such a short time. Canadian networks need to realize that in order to really become a big boom they need to fill their stations with truly original programs especially with such a large population of viewers living in areas that share both us and Canadian networks. Why would I choose to watch shark tank Canada (or many other like it) when I could just turn the channel and watch the original, much higher budget, u.s. version. Canadians need to be proud of their original works of art and keep them on air as long as possible. This show is a huge hit online and it would only be a great mistake not to return it to the air.

<i>RoAnnon</i>	Hello, Jon here, from Texas. Glad to see I'm not the only guy on the site... I don't watch a lot of TV any more, but when I do the show always seems to get cancelled soon after. I'm holding out hope for a few other shows I'm currently watching on netflix that appear to still be in production. There're too many storylines in Bomb Girls for them to cancel now.
<i>akgirl04</i>	Please continue this show, k love it!
<i>Debbie R.</i>	really miss it
<i>Judy C.</i>	the show has been cancelled? I was so looking forward to a new season. I'm terribly disappointed.It was a wonderful "clean" series..I'll truly miss it.I'lll definitely watch the movie.
<i>Kathleen W.</i>	Loved this show
<i>John P.</i>	Yes ! This was a pretty good show even though we had to sit through Rosie"hypocrite" O'Donnell for an episode.They really should stretch it out to 1944,1945 and Victory.
<i>Bob C.</i>	Well, I suppose it's better than nothing, but I do miss the TV series. It was brilliant, accurate and CANADIAN.
<i>Carol M.</i>	Good I like this show glad its coming back.

<i>Maria O.</i>	BRING BACK BOMB GIRLS! Cancelling this show was a dumb move. Shop for another network. I'm sure you can find and American TV network willing to pick it up. Reelz, Lifetime, Oprah's Oxygen network. Are you guys even trying???
<i>Gord K.</i>	A favourite TV show and we want it back! A movie will not do the characters the justice in building their lives over the war years. Just give us more 'Bomb Girls'!
<i>Lorraine H.</i>	Yes Yes Yes....love those "Bomb Girls"
<i>Antoinette B.</i>	Why was this show cancelled in the first place? There is still too much to cover and a movie does not cut the mustard. Disappointed that a quality show is axed while there is so much other waste on t.v.
<i>Diane T.</i>	Loved this show! Please bring it back for another season!
<i>Kim L.</i>	Im looking forward to the movie but still irritated with the tv execs decision to cancel! nothing of this production calibre has been offered to replace Bomb Girls so what is the big problem with putting it back in production...seriously dumb decision.
<i>Sue W.</i>	Yeah! I liked that show.
<i>Nan D.</i>	I still don't understand how they could have cancelled this series! But I am glad the movie is here. That being said, perhaps they will go back to a series after this????

<i>Kelly L.</i>	Wish it was another season instead of just a movie. Such a disappointment that this wonderful Canadian show was cancelled.
<i>Angel B.</i>	I miss this show I love it a lot!!! I really wish there were more episodes

<i>Margaret B.</i>	One of the best series ever!!! I thought it was returning.... sad... angry...
<i>Vickie R.</i>	Glad to see we will see more of Bomb Girls. I don't know what kind of idiots they have running the TV networks, but they sure cancelled a LOT of GREAT shows this year.
<i>Syed N.</i>	it has a large following!
<i>Jonathan H.</i>	Cancelled? DAMN -- I loved this show!!

<i>Elizabeth E.</i>	sad when it was cancelled. happy for the movie though.
<i>Mary W.</i>	I'm so glad as I missed the last part of the series. I knew a lady that was one of the original(real) Bomb Girls...they invited her to a preview before the first showing.
<i>Kiersten E.</i>	I am so excited for this. Even my husband is wanting to see this when it comes out. We're fans of the show.
<i>Pat B.</i>	can't wait to see it - I hope they finish what the series didn't.
<i>Christine T.</i>	YESS!!!!!! I was so sad when this got cancelled! I can't wait!!

<i>Cami U.</i>	I didn't know the show was cancelled. Glad to hear about the movie, the series should continue at least through the end of the war!
<i>Bonnie M.</i>	Loved this show and would like to have another season. More people should be watching as this shows all the the women did during the war and they should be appreciated for it.
<i>Nancy R.</i>	I really enjoyed that show. I wish they would continue it. I wont miss the movie though.
<i>Victoria F.</i>	All the crap that is on TV and they cancelled THIS show someone needs a good shake! Cannot wait for the movies great show and story line. Canadian TV really sucks

<i>Shawn R.</i>	Bring back the weekly show. Start a petition. We lost a quality CANADIAN show.
<i>Nicole A.</i>	bring it back!Best show ever!
<i>Lyn S.</i>	Global doesn't deserve the chance to air this movie after they cancelled it - am so tired of Vampires and Futuristic crap!
<i>Kim L.</i>	Rogers tv execs made a HUGE error in cancelling this show...but if they changed their mind you can bet they'd regain a huge fanbase to Bomb Girls time slot...i havent watched any of their shows since. Its not rocket science.
<i>Laura K.</i>	Yeay! I'm a bomb girl for Halloween! When is it coming back?!
<i>Joe C.</i>	Bring back bomb Bomb Girls! One more season!
<i>Lizzie L.</i>	LOVE the show!!!!!! Appeals to a huge audience around the world! Can't wait for the movie!

<i>Kashmir A.</i>	Bring back the series!!!
<i>Stina K.</i>	This expat Canadian will fly over from Oz to be an extra on set if required. Just say the word
<i>Lynne D.</i>	If they had any sense they would take advantage of the FB hype for a while and then bring it back. They would have tripled their fan base. So many people never saw it and are now intrigued by the hype.
<i>Mary K.</i>	Bring it back for another season!!! Best show ever!
<i>Colleen R.</i>	Bring the show back
<i>Monique C.</i>	The show needs to come back

<i>Stephen L.</i>	I am just watching the second season in the uk. Have 2 episodes to go. I am gutted this has been cancelled. I love the era and the cast and story lines in this show. It shows u dont need violence and sex to make a good series. Despite it being critically acclaimed they still axe it. The save bomb girls website is amazing with nearly 5000 comments and vmails sent. They share some wonderful mails from people around the world who have been inspired by the show.
<i>Julia G.</i>	such a good show sad to see it go :((

<i>Lesley T.</i>	My mum worked in one of these factories when she was a young girl

<i>Mabel A. P.</i>	I just discovered your lovely show on Netflix and since my husband says i'm a binge watcher I couldn't help but finish it in two weeks, however I honestly would have delayed watching it so fast if I knew that there was no Season 3! I was/am so upset.... LOVE this show!
<i>Emily H.</i>	And why was this show not picked up for more seasons? Yes, I know tv movie. But damn, this was a great show. I miss it!

<i>Tina B.</i>	Gee and they still cancelled it? Unreal!
<i>Danette B.</i>	Then why the heck did it get cancelled????
<i>Kevin N.</i>	Love Canadian TV. USA needs a "best of Canada" network! With lots of hockey games.
<i>Andrea M.</i>	Yet, it was cancelled? If the critics and the worldwide public love it <<bring it back!>>
<i>Maria O.</i>	Not much point if it's cancelled. (shrug)

<i>Bobbi-jean R.</i>	I miss bomb girls.... All the good shows get cancelled....
<i>Daniela B.</i>	I loved that show

<i>Tuezdae J.</i>	They cancelled it to make space for bones...
<i>DaNielle P.</i>	Sad to see that such a quality, award-winning program was never given the proper chance. With the huge plot points opened in the last episode, two hours does not seem adequate to wrap it up. Please renew the show!

<i>Sue H.</i>	as I said earlier would much prefer a new series.
<i>Tina B.</i>	when is the new season start?
<i>Patricia H.</i>	While it would be lovely to see some repeat episodes, it would be even lovelier to see NEW episodes in the US...
<i>Elsa-May P.</i>	There needs to be a Season 3 !!
<i>Sue H.</i>	Best TV programme to come out of Canada in years and they cancel it.....makes no sense to me.

<i>Rachelle D.</i>	When will season 2 be on netflix?? I love bomb girls wish there where more shows like that
<i>Lyn S.</i>	Global doesn't deserve the PRIVILEGE of re-airing this since they cancelled it! They prefer shows with vampires versus excellent actors and story lines.
<i>Tay B.</i>	It's just not enough. Bring the show back please
<i>Carolynne P.</i>	Bring it back Global!!

<i>Andrea M.</i>	I really miss this amazing TV show and the characters.
<i>Nan D.</i>	I miss it too but I don't think we will ever see it back on television. Such a shame. Quality acting, story line, Canadian..... sad.
<i>Julie A. F.</i>	Please save Betty from jail! Bring on Season 3!!
<i>Rhonda K.</i>	Another one of the good tv shows leaving us and some last for years like how I met your mother
<i>Lauren E.</i>	We are in the uk we live it it's brilliant touching and informative why cancel it probably because it's not a hospital depressing violent show like eastenders or csi. Hope you can get it back I'm hooked. Marco is gorgeous x

<i>May</i>	with all the crap on tv why would you cancel a show that teaches girls something about being strong and independent instead of dressing trashy, too much make-up. this show even shows a part of history our schools no longer teach, my 18 yr old had never heard of bomb girls till i made her watch this me.
<i>Jan</i>	Disappointed! I can't believe Bomb Girls was cancelled. It was so well written, the acting was great, and I loved seeing the role played by our women in World War II. It is so disappointing to lose Canadian shows like Bomb Girls and Flashpoint while so many awful Canadian shows are kept year after year.
<i>Barbara V.</i>	I want Bomb Girls back!
<i>Reina K.</i>	I'd like to be counted among the viewers who would love this show to return. Thank you
<i>Silena R.</i>	save Bomb Girls!! I love this show!! hope my support helps!
<i>Karen M.</i>	I can't believe they want to cancel this series!! It is well written and the actors are well chosen! Please keep this series going!
<i>Suzanne L.</i>	So upset there will be no third season of Bomb Girls. So Canadian. We need more Canadian . Wish we could change your mind. thanks

David N.

I am an American who has traveled extensively throughout Canada, both for pleasure and business. Additionally, I know many Canadians who currently live throughout the world. My work has taken me (so far) to 65 countries (some of which do not exist anymore) and I've been extremely lucky to have such an opportunity. Certainly, it has given me a view of the world that I would not have had otherwise, especially because those clients with whom I meet are, for the most part, executives of large corporations and/or senior government officials. That said, it was only through "Bomb Girls" that I learned much more about Canadian history than I thought I knew. I came upon "Bomb Girls" by watching "Bletchley Circle" on Netflix. I was captivated by it for many reasons and researched the history of Bletchley (Britain's top secret cryptographers site) via Wikipedia and other sources. One thing led to another and I learned something that fascinated me (which you already know but I doubt relatively few Americans do): the large ethnic diversity that Canada had during the war, hence, an "issue", rightly or wrongly (from the Canadian government's viewpoint), regarding "what do do with" the numbers of both people and ethnic groups. The result were so-called "internment camps" or "concentration camps". Unfortunately, the State where I come from had one of the largest such...."prisons" (a term used by many Americans today re: such concentrations camps) in the U.S. where Japanese were interned. Prior to World War II, Canada was already familiar with how to do it, having dealt with Ukranian Canadians. "Bomb Girls" had "Marco" and his situation was not explored to the extent it could have been, however, it is not too late. If the producers of "Bomb Girls" continue with episodes/seasons, even if spaced further apart than the obviously large number of supporters

Brenda V.

This drama is excellent. The time period in which it is set is exciting. I've learned from watching what daily life may have been like for my Dad. He worked in a plant. He never told me why he didn't fight, but he was first generation German. The multiple story lines are so realistic and well written. They need to continue because the audience was left hanging in every scenario. There was no resolution to any character. I must know what happens to Betty and Kate, Lorna and Gladys. Marco reminds me so much of my father and Vera reminds me of myself. I love this show and the characters brought to life in such an authentic manner. SAVE THE BOMB GIRLS!

Jackie P.

I absolutely Love the show Bomb Girls. Please do not cancel it. Bring it back.

Anneke V.

I too was sooo disappointed to hear it was cancelled. It was an excellent show and I don't understand why it was cancelled. I'm all for bringing it back!!

Mindy H.

I am in love with this show! I am a WWII buff, and love the stories represented on this show. It's a true Canadian gem, and I am proud of it. The writing and acting is excellent. It's a great balance of historical accuracy (both war and feminism), humour, love (friendships and romance), and sadness. Please, save Bomb Girls.

Charly R.

I started watching Bomb Girls season two again. This is the season when some fans, especially some McAndrews fans, really seem to dislike Kate but love Betty. I've never understood this as I've always been a Kate fan since the very first episode of season one. Read more on deconstructing Kate Andrews at <http://tinyurl.com/o4ox82e>

My husband and I greatly enjoyed the show Bomb Girls and were very disappointed when it was not renewed. This is a great show with superb writing, great acting, and wonderful plots. There is so little good programming on TV today and this show was totally engrossing. We also enjoyed the window into the lives of women in the not too distant past and seeing what their lives were like. We have recommended this program to many people and would definitely be watching if it were to be renewed.

Stacey N.

My husband and I watched Bomb Girls with much enthusiasm and interest. It was at times comical, sentimental, well-acted, and quintessentially Canadian. It was one of the best developed, endearing, and historically fascinating programs airing in Canada while it ran. We are hugely disappointed that it was cancelled. The soundtrack was awesome, the characters intriguing and clever, and Meg Tilly was mesmerizing in her role. There are so many absolutely garbage television shows that are being given prime time spots in place of something so Canadian, so well-made and so wonderful to watch. Please return Bomb Girls to the air and continue to produce this program. One of the best moments we experienced around Bomb Girls was watching it with our niece, who was intrigued, and who was prompted to ask so many questions about women in Canada, the wars, and Canadian history in general.

Erin

Bomb Girls has been a truly inspiring show. We do not have enough period pieces that so accurately represent the struggle that women have faced. It is a needed and much loved show for ours as well as future generations who have no understanding of the struggle of war(which is timely), and the struggle to gain women's independence! Please consider continuing this highly awarded show!! America wants it!

Betty Ann

Just finished watching season one and two....a great series.....wish they would continue it...I'd watch every episode. All the actors are fantastic. Love it!

<i>Bob-Mary C.</i>	Will they ever bring this awesome show back on television?!! We miss it very much!!!! ~Mary
<i>Kim C.</i>	Love, love, love Bomb Girls!
<i>Ariane M.</i>	We want it back! It can't be canceled... just like this... out of the blue... no reason...can not be! #sad
<i>Anna-Karin S.</i>	I agree with all of the above. I want it back!!!!
<i>Gisèle D.</i>	It was voted one of Canada's best shows so why is it going?
<i>Margaret K.</i>	They like Bomb Girls and Murdoch Mysteries. Why can't we have GOOD TV unstead of the mindless canned laughter crap that Americans are forced to watch? I wonder if the NBA (National Broadcasters Assoc.) will ever catch on to the fact that some of us will turn off "crap" ?
<i>Renee K.</i>	I don't understand why this show was cancelled. It has a large fan base and has won many awards.
<i>Judy L.</i>	Does Global TV know this cause , they cancelled Canada Best TV show?
<i>Chris M.</i>	Someone on a previous comment said to make room for "bones." I miss Bomb Girls and wish they would bring it back. I look forward to the movie. Does anyone know when it comes out?
<i>Ilene J.</i>	I Love this show!!! Please bring back to U.S!

<i>Della S.</i>	Then bring it back. I have to wait for reruns on tnt but would love it back on. One of my favorites.
<i>Ka V.</i>	And yet it's cancelled! BRING THEM GALS BACK!
<i>Ken J.</i>	Love it this side of the pond too
<i>Rina H.</i>	One of my favorite shows...please bring it back!
<i>Christina C.</i>	Why did it get canceled?
<i>Jane D.</i>	What a terrible shame there is no more of this wonderful series. I have enjoyed it more than almost anything on TV and would love to see more.
<i>Hanlon D.</i>	I am devastated that this marvellous series has ended. Such wonderful storytelling with well rounded characters is rare on TV these days. Looking forward to the movie, BUT, Global needs their corporate head examined. This programme could have run for years, with many dimensions to be had from the diverse characters and war time aspects to be explored.
<i>Marie B.</i>	Please bring Bomb Girls back. It was one of my favorite shows. When I changed my DTV package I made sure I had the Reelz channel just so I could keep watching Bomb Girls. Bring it back!
<i>Alison M.</i>	Does anyone know when season 3 is starting?

<i>Debbie Y.</i>	UUUGGGHHH every time I find a show that I love watching,they cancel it. When will the networks understand that we want outstanding story lines to entertain us. This show was something I enjoyed so much , along with my mom (age 85). She lived it and enjoy remembering the moments from her youth. Please reconsider your true fan base and KEEP this show on air..
<i>Riva</i>	I'm very upset about it getting cancelled. What can we do!?
<i>Phyllis</i>	I think it is an amazing show and I am completely stunned and very sad that it has been cancelled. I sure hope there is a way we can prevent this from happening.
<i>awnutts</i>	I arrived late to the Bomb Girls party (only started watching less than a month ago...and I kinda caught up in about a week. Damn is this show addicting) and I hate that it may not be around much longer.
<i>Ruby Moon</i>	I just recently found the show, and I love it!
<i>Candyweb</i>	I love this show, my grandparents met in a munitions factory in England and it's part of why I love this show so much. I'm passionate about getting this show back on the air.

Impy

Silly me thought that with Bomb Girls being Canadian it would be immune to my curse but apparently this is not the case. :(I can't remember how I heard about the show originally because after I found it on Netflix last month, I've been bouncing around trying to find someone to watch with me and everyone reacts the same way: "What Girls? Wha-why huh?"

Edy

I just learned that the series had been canceled while I was surfing to find out when the next Season would start (a little behind the times). Really bummed about seeing BG's go away but looking forward to the upcoming movie. I see where the 1,000 bandana's made it - CONGRATS!

Joonbug

I will be 64 in july. love the show. so looked forward each week. grrr. I miss it so!

David

Retired US military. Huge fan of the Hollywood beauties from the Silent Era until the early '60's when Hollywood lost its way. Favorite stars include, Carole Lombard, Carole Landis, Louise Brooks, Joan Blondell (This could take a while...) Clara Bow and I'll cut this short and state the last true Hollywood beauty was the stunning Sharon Tate. Thrilled to see all the new shows with strong female lead characters/casts. Not so thrilled to know Bomb Girls has not been renewed for a third season. I have a Twitter account I don't use, stay on FB for the most part. I should finish the series tonight. Been trying to hold out the last episodes as a blew through season 1 much too quickly. A lot of questions and a lot of suppositions as to where the show should have and still could go. Totally in love with Betty and IMO, she's the strongest character in the show.

Meliasunshine

I was hooked the first episode I saw. If we are a generation of television watchers I believe we should watch something with history and depth not some reality show if girls getting drunk and acting a fool. I come from a generation if woman factory workers who were also treated like 2 nod class citizens because of their ethnicity or just because they were women. I was heartbroken when I found out this show was canceled and will help anyway I can to get it back on air or even better, become a Netflix original like Arrested Development

Do you know where I can buy the DVD of #BombGirls for my perfect Christmas ? Thanks ! #savebombgirls

<i>Smooshh</i>	Watching Bomb Girls with my lovely sister @millionsmilesx a perfect end to. Sunday 🍷 #savebombgirls !
<i>dulcineahilton</i>	Women are being misrepresented in the media nowadays.Hence, #SaveBombGirls: they represent our strong female ancestors ...
<i>BansheeKitty</i>	#savebombgirls. Please keep this on the air!!
<i>aMAYzedConfused</i>	Watching season2 of Bomb Girls. Still can't believe they've cancelled it. It's brilliant & there's nothing else like it on tv #savebombgirls
<i>Quimby2</i>	Save Bomb Girls have a season 3! Some of best tv on air! #savebombgirls
<i>uk_crunch</i>	just finished S2 in UK, can't believe we don't get to find out what happens next.. @itv3official #savebombgirls
<i>1staidgirl</i>	I think this shows our heritage that many Canadians knew nothing about and we have to get this show back!! #SaveBombGirls.
<i>ElizabethBolde3</i>	brilliant series
<i>jci</i>	I like this show. It's rare on film and even more so on television to see a production whose cast is primarily female and is so nakedly feminist in it's intent. The show has been very direct about the open sexism that existed and would have been on display especially in these munitions factories. No doubt it would have been very threatening to see woman doing just fine in a "man's" job.

Deathbyblonde I'm digging this show and, oh man, Betty just breaks my heart. They really kind of nailed it with that character for me.

ybrik I had really wanted to see this when I first heard the initial outlines. I like historical fictions. I don't think there has been a series in the US based on the same time period. I remember a couple shows set at the end of the war. I really like this show. All the characters are well thought out. Even characters like the husband and Archie, who usually are one note characters, come off as real people flaws and all.

Lord Kira Betty really is the heart of this show, which surprised me because she was so cold in the first episode. I felt awful for her when Kate thoroughly rejected her. Ouch. I'm ecstatic that the show has been picked up for a second season; and a 12 episode season at that!

georgiesmith I just finished watching the last episode of the season and I couldn't believe how far everything had come from that first episode. Only six episodes and they were packed with character development for everyone. I'm just stunned how much I enjoyed the show. No one was a cookie cutter - sometimes we cheered for them, sometimes we were disappointed in them, sometimes we were angry at them but I guess the point is that we always felt something. I have no idea how they're going to start with the next season but I'm already missing them on my TV.

Munchiewoman I just watched the whole season in one sitting. What can I say, I loved period pieces. Looking forward to more!

<i>Mikita</i>	I had three episodes of the show sitting on the dvr. I finally watched early this morning when I couldn't sleep. I devoured all three in that one sitting. Excellent show.
<i>scarlett45</i>	I like this show quite a bit. I am also a fan of the hair and makeup styles. Very clean and sophisticated.
<i>possibilities</i>	I watched the marathon. I hadn't even heard of this show two weeks ago, and now I'm hooked. Sooooo happy to see such a female-focused show, where the relationships among the women are not all about talking about the men. It passes the Bechdel test with flying colors.
<i>nexus2012</i>	I just discovered this show and am loving it. Parts of it remind me of a show called Homefront which had Friday Night Light's Kyle Chandler and Dharma's mum in it, along with John Slattery aka Roger Sterling.
<i>sienna gold</i>	Finally got to watching this. Boy I love this show.
<i>Emily Thrace</i>	Bad news It's cancelled Hopefully someone else will pick it up.
<i>Turkish</i>	So sad this is ending. The fact that they are talking about a tv movie to wrap up storylines pretty much confirms that these last episodes will end on some cliffhangers.
<i>Canada</i>	It sucks that this great show was cancelled. And I was so disappointed with the finale tonight. :(

<i>Cgr</i>	We haven't watched the final yet but I am so sorry there will be no more of this show.
<i>Jean A.</i>	Hands down one of THE best tv shows ever!!!! But why is there no more new ones? :(I recorded it the first time round on my pvr and have watched them over....finally seen it on Global and went WOOHOO!!! But it is just re-runs right now :(BUT i am watching them all :D Will there be new bomb girls, and when as I don't dare want to miss it!!! :D Really sad that it is ended..it has been a long time since I found a show I loved this much....but will be watching for the movie.... :)
<i>Rosemary J.</i>	Enjoy the strong female characters and from a Canadian perspective as well
<i>Slavica</i>	I love history, especially that era. the way the ladies dressed and the music. the show is awesome!!!!!!
<i>Madeline S.</i>	Bomb Girls is an awesome show! Please don't cancel it!!
<i>AdrieNne B.</i>	I only just found this series, and it is AMAZING!!! It would be a shame for it to end!
<i>Nathalie F.</i>	Historical
<i>Anthony F.</i>	Great show at a time when great shows are in demand
<i>Michael H.</i>	History that bears remembering and understanding. Well written and amazingly acted. Better than 90% of our other choices in the US.

<i>Johanne L.</i>	Very good, at least need closure
<i>Denis C.</i>	It is important to keep such an excellent television program like Bomb Girls on the air. It is a fine example of how great Canadian shows can be. Well scripted, fantastic cast, and showcases how life was during this pivotal period in recent history.
<i>Richard V.</i>	The show is awesome, and there is a lot left there to show.
<i>Nora B.</i>	Please bring the show back
<i>Chantelle R.</i>	As a woman in trades, I both relate to and respect these fictional vixens and their fruitful woes.
<i>Somer V.</i>	This show is exceptional. Way better than all the reality TV and other stuff on TV. Please bring 'Bomb Girls' back!
<i>Paige B.</i>	ITS GREAT JUST BRING IT BACK
<i>John L.</i>	It provides a fascinating window onto the war effort made by our Canadian friends.
<i>Lana G.</i>	Bomb Girls has given me the confidence to be who I really am. Without it I would never have (accidentally but truthfully) come out as a lesbian and I would not be living the life I am today!
<i>Ruth H.</i>	This show has been fantastic don't deprive us of further episodes great shows are hard to find and this is up there with the best of them.

<i>charlene e.</i>	This show is about the power of women and who that power was thwarted. Things that aim to educate women and empower women are often underfunded and supported. It's time to make the outreach as important as the ratings.
<i>Zuzana S.</i>	It is my favourite serial - I didn't even imagine how hard it was in these times... And I can appreciate my life, work and everything I have.
<i>Gabriella M.</i>	this show is one of the most interesting shows out there and does not deserve to be cancelled forever.
<i>JC F.</i>	I understand a BG movie is in the works now, but renewing it as series would really be better. Just saw on Netflix: great show!
<i>Melissa L.</i>	I didn't grow up in this era, but can highly appreciate the contributions women across the nation forewent to protect and serve our country. My grandmother worked in a military factor sewing parachutes for the men in war, may she rest in peace. This show helped me to stay connect to her and her memories. It is a blessing to understand, respect and be proud of all the accomplishments women in the past achieved. Please bring back this show.
<i>cameron w.</i>	great show,not sure why it was cancelled

<i>David W.</i>	This is an insightful look into the history of the "other" heros of the the second world war. This story, in whatever shape it takes allows us all to feel what was happening in that era. That is rarely illustrated in any other TV series or movie and portrayed in the shape of a "real" compelling story. It's worthy of all who lived through these hard times.
<i>Natalie P.</i>	Just found this series!
<i>Kevin K.</i>	Great writing; great directing; great acting and casting; meaningful and uplifting, while showing what WW2 was really like. Great historical depiction of the 1940s
<i>Teresa O.</i>	More classy shows like "Bomb Girls" need to be on TV. A movie series finale would be lame and not appropriate for such a brilliant show.
<i>kim a.</i>	It was a great show, bring it back!!
<i>Carmen C.</i>	This is one of the few Canadian series that speaks of the true history of Canada. I have been a fan since day 1...and my entire family watches this show...in Vancouver....in Calgary....and in Toronto. We all love it. We don't understand why it was taken off the air when there were so many Bomb Girls Fans out there... EVERYONE LOVES BOMB GIRLS!!! Please bring it back. Give this show a chance!!
<i>chanika c.</i>	It's a great historical drama that is not only educating but entertaining!
<i>Jessica L.</i>	This show is an inspiration to women. It shows how far weve come.

<i>Marjorie D.</i>	It is quality programming set in the WWII style about real people and their struggles! LOVE IT!!
<i>Barbara C.</i>	This has been an very interesting show. I can not imagine why it was canceled. Most show on TV these days are inane. Not Bomb girls. It has great characters and plots.
<i>Laurelle S.</i>	The type of woman that you want to be and the kind of friends you wish you had. Inspirational.
<i>Juanita C.</i>	ugh!! great story about strong women!!
<i>Teresa C.</i>	PLEASE bring this back!! I looked forward to watching this every week here in AZ!!
<i>Vera L.</i>	I like it
<i>Holly S.</i>	It's a brilliant show with an amazing cast. It should most definitely be renewed!
<i>Lorraine Q.</i>	Because the stories are real, the characters are real. TV shows like this are rare. Please bring it back!
<i>caity p.</i>	i really like this show
<i>Rebekah B.</i>	I am a COLOSSAL fan of period dramas. This show makes me extremely happy because it takes place in a time that interests me. Please keep the show going. It means so much to me :)
<i>Jennifer P.</i>	This one of the best shows I have ever seen!!!

<i>Lora T.</i>	I love this show and I want it to continue!!!!
<i>Rosie G.</i>	Bomb Girls is one of THE BEST shows in the history of television!!! It tells important, interesting, and enjoyable stories of our North American ancestors during WW2, who fought the good fight, and saved, literally, the world. PLEASE, somebody at this network, realize how EXCELLENT, POPULAR, and LOVED Bomb Girls is, and give it another chance for more seasons!!! The writing is Genius, the actors and actresses are Brilliant!!! Please bring it back, we need more of Bomb Girls!!!
<i>Jacquie z.</i>	Until this past weekend, I had never heard of Bomb Girls series. I started watching on Netflix on Saturday and became so enthralled with the quality and level of story twists, before I knew it I had watched all episodes of the two seasons. I live in Fairfield, California USA and am very impressed with all aspects of the show. I was disappointed to learn the show was cancelled but definitely look forward to seeing the two hour movie in the future.
<i>Adrienne T.</i>	Because I love the program and the acting is fantastic!!!
<i>Patty E.</i>	THIS SHOW IS AMAZING. it is an inspiration to modern girls. Please air a third season!
<i>leanne k.</i>	This series portrays an Important part of our history done with impeccable accuracy.

Belynda D.

Teach of local history and really opens ones eyes about how life was back in the 40's.

Katherine B.

This show is amazing but needs to be marketed better, that is why not a lot of people watch it...because they simply do not know about it. They only way I found it was on netflix. Not only is the story, cast, music amazing but the imagery and the real world issues presented hit home.

Diane J.

We came across this series and love it. My Mom was born in 1923, my Father 1922 and it is just like the stories, fashion and history they were so proud of for America. People bash America now and this show is so well done it makes me proud. We have one more episode to go tomorrow. I wanted to see if there was going to be another season now I am sad. Pleaaasee consider continuing. We have fallen in love with the writing and music.

LaRhonda M.

As a young watcher, this program, even with it's hardships, downfalls, racism, womanism and any ism you can think of, points out everything positive for me. I see women stepping up handling business during a time when the world saw years of hard times. It has taught me that adversity does not mean give up but press on through terrible time. Stand side by side, stay strong no matter how different you are or what you believe. Each episode was well written and although it told a constant story, there was a lesson to be learned from each show. I really enjoyed how each character was given a voice, was allowed to show strength. This show seemed to be addressing things that our country is still fighting till this day. It is a huge mistake to cancel this program. I know that if given the chance too, it can become the best program around. I have told so many people to go back and watch the episodes that are now available on Netflix because it is a must see. The numerous times I rewinded the episodes, just to see what happened. I have not been able to stop watching and since I only have 2 seasons, I will rewatch them again with the guarantee of catching something new that I did not catch the first time. Please bring back this amazing show, with the same amazing actors, the same vision- to address and bring to light a view from a woman's perspective. I think even now, people born in this time can appreciate what women were to them during this time.

brian m.

I just found the show on Netflix and couldn't stop until I saw all of it. It's a fantastic series and I very much hope they'll make more episodes.

James A.

Bomb Girls is an amazing series with a brilliant cast. It paints a picture of the time, showing us the myriad of ways people suffered without being heavy handed. There aren't enough female role models on TV, too many of them are just walking tropes instead of characters with depth. It's obvious that this show didn't receive proper advertisement, give it another chance. I was going to cancel my Netflix subscription, bring back Bomb Girls and I'll stick around.

Christina E.

I don't have a lot of free time to sit and watch crap tv. When I do get the chance, I go for non- reality shows as when i dont, I can literally feel all my brain cells dying, gasping for a savior. Then came season 1 of bomb girls on Netflix. I live in the US And can't get Canadian television. It only took one episode to get me hooked. And I've been patiently waiting for season 2 to arrive. Once I watched it (on my two consecutive days off) I searched for my new count down of season 3 to air. Sadly I learned they were canceled and I'm in uproar. With an incredible plot and characters I want to be friends with in real life, I cannot believe it was canceled. Bring back bomb girls!!!! I already feel empty as the spot this show has had in my heart has been ripped from its fans.

Sereata L.

I love this show. Better than most of the vapid crap that is currently on tv these days. entertaining and historically relevant drama.

irwin s.

most tv is really bad. this show was excellently written and acted

Linda O.

This show is amazing, well done, important to me for these women who work so hard to help all these men. This is a inspiration for me and the show deserve to continue in the future for these women and men who work and fight for us. They deserve respect and the world to know about their story. Thank you from me to these women and men at war.

Theresa W.

This is a very good series and I'm not sure why the "best" always seem to get pulled? This has happened on the CW too with other shows that had great potential. This is a really good show that depicts the history and life during this specific era...very sadden by this news!

Nadine A.

I've watched a lot of UK WW2 dramas and this is the first Canadian drama I've seen. I am a Canadian living abroad and it makes me feel proud to see part of my country's history as well as feeling homesick. Please do not take this off the air, it is the best show out of Canada I've seen. It needs to be advertised to its full potential rather than being passed on for some stupid American show which the majority of them I don't watch and I'm 22! There needs to be shows like Bomb Girls on the air for the minority of people who are not brain dead. We may only be a minority now but there have been other period dramas that have sparked the interest of the world before.

Heather W.

I really enjoyed watching Bomb Girls. I was so excited for Season 2 to start and then have been let down to find only episode one was going to air. Please continue the show. TV needs more quality programming, Two Broke Girls does not fall into that category.

Michelle W.

Its a big part of history. Finally a show that shows morals and what life was like back in the day. We have a lot of crap shows nowadays. This shows meaning and how females learned to help our country. It should be a show of inspiration for our young females vs ones of sex that are already on every station. That is what kids see today instead of something inspirational and of roll models. Then ppl wonder why the world is going to crap.

Kelly A.

This is a really great emotional show about a very important and interesting topic and time in American history, for both men and women of all races. It touches on so many important topics and was done quite well. I'll be disappointed to not see several more seasons of Bomb Girls. A 2-hour wrap-up movie isn't enough.

Ashley O.

This show is absolutely stunning, please don't take it from the fans!

Pamela J.

Historical and we see women meeting, facing and conquering opposition and challenges head on at a time when we had very little opportunity, freedom to express and explore our womanhood and much less a voice. Young woman today need to see why many of our excuses, immoral loose behaviors, and what women before us had to endure being taken in vain is UNACCEPTABLE. Really though how can anyone deny this show has everything you want.

Colleen S.

One of the best shows ever! Absolutely can't believe a show of this quality would be cancelled! Please bring it back, it's a bright,sophisticated oasis, in an endless sea of trivial, uninteresting shows. It's a gem and should be brought back, at the very least for one or two seasons!!!

Regina S.

1) THE WRITING 2) THE CAST 3) WWII HISTORY RE WOMEN

Bonita L.

With all of the bad tv(really horrible), I thought perhaps Canadian TV was the respite I was looking for. I was discussing just today with a friend, telling him that at least Canada had raised the bar and we didn't ' all have to watch usa junk. Well, that was short-lived when today, after watching the last episode of season 2, I learned that the series had been cancelled. What is wrong with you people who once in a while produce good TV, and then cancel and replace with horrible, degrading, dumbed down reality TV or some such other muck? Pleas reconsider or at least finish the plot lines in a movie. Why do you think call the midwife and such from young british counterparts have done so well? Because good TV is just that...good. Get ready from pushback...your audience is not going to consist of adolescent boys for long....you forgot that we midde agers have the funds to effect change.

Colleen M.

I have only just bought the 1st season of Bomb girls yesterday and I have 2 episodes left. It's a really great show! I think that this show is one of those really great sleepers that need to keep going and get some publicity as I had never heard of it until I was perusing the T.V series aisles. And now that I have it's been cancelled? WOW! To go from one great high to a low in a matter of seconds. Please give this delightful series a 3rd season as I'm sure that there are a few people just beginning to find this series. I am in love with Betty! I am excited to see where Kate and their romance goes.....

Sally K.

It was the only one hour drama I watched. Please keep it. may not have been bigger in the USA because most elderly people don't know about Reelz to check it out. They should have advertised more on other TV stations.

Tammy M.

This series is historically important. It is wonderfully written and the actors are excellent. I have never written to a TV program or a celebrity. I have a degree in Comparative Cultural studies and I am the mother of two men who have served over seas. PLEASE renew this historically significant program. Thank you

Ella B.

Because Betty is just perfect..

Josefine J.

Bomb girls inspires me!! Not just the clothes but the attitude. I think young girls needs to see this show in sweden...

L V.

This is one the best shows on TV! I have been impatiently waiting for the new season to begin so I go online to find it's been cancelled?!!! My husband and I are so upset that we my block Reelz from our programing!! This is just crazy! If it's all about ratings then change the darn timeslot!

norma c.

Bring back our heroic Bomb Girls. The show should not have moved to Mon. from Wed. It was up against Murdoch Mysteries which is another great production .This show had all of my friends talking about it .My grandmother and great aunt were bomb girls which I did not know about until I was telling my mom about the show. It is important for people to be educated with productions with Canadian history. I hope to see the return of the amazing Bomb Girls.

Karen D.

This is such a great show! I've been wondering when the new season would start and decided to look online to see if I could find out. I was shocked to see that it has been cancelled. I just discovered this show in the spring, and it quickly became a must see for me. Please bring it back!

Sandy D.

Sick Sick Sick of reality tv junk and same old same old shows.

stacey d.

Because it's the best show EVER!! This is the only Canadian show that is actually any good, and it's not only good, it's awesome, and they're taking it away! Stupid decision! At least they are ending it properly with the TV movie, but I would still rather watch the show.....new ones! Just can't believe it, I was absolutely shocked when I read it was cancelled

Jessie R.

I just discovered and devoured this show via Netflix. And I'm devastated to find that it's already been cancelled. Smart, historical fiction, strong women characters + compelling story-telling. You have a hit here with an ever-growing fanbase. Please don't let it end prematurely!

Anna P.

Female Protagonists. There aren't many decent role models out there for women these days, most of the time we just see gossipy trash, and recently more supernatural themed goop. But bomb girls gives a feeling of empowerment to young female viewers, and it provides a small insight into the world of war and history. Bomb Girls is not 100% historically accurate, but at least viewers may now see what life used to be like without cell phones and the internet. It's good, we all love Bomb Girls, please don't cancel it.

Phillip O.

Quality shows deserve support and this show also teaches our youth about a time no generation can afford to forget.

michelle w.

Shows that engage both my partner and me with this kind of intrigue are rare indeed. Canada can be proud of this production - a cut well above it's competition - strongly written, eye opening historical perspectives remain relevant today. World War II dramas focus on the men - mostly British and American- this one brings balance...Canadian women and their loved ones who who experienced this pivotal period in history. Please continue to entertain - but more importantly - to enlighten us!

Beth E.

I was impressed by this show when I found it on Netflix! The characters are so endearing, and true to life! Imagine my sadness at finding my new favorite show was cancelled before it really got off the ground. What a shame. Even fictional women are so threatening that they must be silenced....

dana s.

Love the show, love the characters...so much terrible crap on television these days I hate it when a decent show is cancelled. We are not all mindless zombies willing watch whatever reality show crap they shove at us. I am not one of those anyway. BBC produces wonderful shows, what is wrong with American and Canadian television execs.

Elizabeth M.

Others have stressed the high quality of the production, acting and writing. The show is telling an unknown story about WWII that deserves more notice and that should be carried out to a satisfying finale for all the characters. It is reminiscent of "Foyle's War" in telling about aspects of history that people would otherwise never hear about, unless they became historical experts. The show is great, and we in the U.S. want more! I have just finished dashing through the second season and Netflix and am hoping for a third!

Yannique F.

Not only was this program interesting to watch because of excellent writing and story development, but I think it's important to have more stories centering around strong women. I feel attached to every character on the show. I was enlightened to Canada's war efforts during WWII and feel so inspired by the work the real women in that era did.

Denise S.

Bomb Girls is one of the most intelligent, well written, & well acted series in all of current television. I am disappointed in the decision makers who made the decision to cancel this series. I hope they have the wisdom to recognize this as an unwise decision. And, continue this valuable asset.

Alisa F.

I loved the series Bomb Girls. This show was an intelligent and highly entertaining look at a very important time for women in history. The media seldom shows anything that represents women truthfully and intelligently. This show is such a powerful and moving insight into women's lives. Women are very under represented as 3 dimensional characters. I am so tired of seeing sex based portrayals of what women do in culture and history. There is really nothing to replace this incredible show. You had ratings you didn't even know about, albeit they were women.

Christina K.

This is more than just a television show. It showcases amazing talent from Canada and it pays tribute to the ladies who were working behind the scenes during WWII. I fear that the new generations are beginning to forget what a horrible time it was for everyone involved (directly and indirectly), and they see war as just a game. This show portrays the emotional toll the war took on people who were not on the front-lines but still deeply affected by one of the worst times in human history.

Patty D.

Please do not cancel this show - as a lover of the 1940's - this show brings such pleasure to watch and it helps me to know what it was like for my parents during this era when they were married. This is the best show - you have to be crazy to cancel this - this is a show that reminds you of when things were old fashioned and people weren't caught up in the fast pace we have today in life.

Gloria A.

I watch the show on the Armed Forces Network. It's wonderful to have a WW2 show focusing on women helping the war.

Debbie R.

This show lets today's world have a glimpse into the hardships felt during some of the toughest times, that has given us what we have today...not to mention it is not full of cursing, sex scenes that do not leave anything to the imagination...great story, great actors. Didn't know they were cancelling until I was looking for the season premier...for some reason the good stuff seems to disappear...

Staci S.

This is the best show I have seen in a loooooong time. It's so rare to have a show where you get so wrapped up in each characters' lives and stories. The writing is fantastic, and the acting is wonderful! There needs to be a show on the air that is this amazing, and it needs to be Bomb Girls.

candice c.

I found Bomb Girls on Netflix and Fell in love with the show! I Don't care for Reality tv but to find a show that reflects a time that my Great Grandma went through and i pictured her there with the other women. I have admired for what those women did. Please Bring back Bomb Girls!!!

Holly L.

This is a wonderful show, also hard to get in scotland but worth the struggle! The show is not only hugley entertaining but also underlines the history of the women who served in the war all those years ago. So its educational and great to watch, what more could you want?

Emma T.

The show is amazing and not just a peice of fluff. I watch it for the characters and their relation to the war effort. It is also really imporant to show what it was like at the home front (much like Foyles War which was cancelled and renewed!) and its rare tha we see a series about how war affected Canada and of course women. Please bring it back!!

Brittany S.

This show shows strong female roles and it shows sexuality through another decade! I feel the audience and everyone who watches it can really learn from that time and benefit from it. Its well written, the cast has such chemistry it is insane. Why would you cancel it? At least do one more season to wrap it up. I am dying to know what happens and what will happen. Please dont cancel it this show is amazing and has such freaking potential, its uncanny.

Caroline Y.

Bomb Girls is a history lesson for all of Canada to see, appreciate and learn from. I am embarrassed to say I am one of the ignorant that did not know what went on in our own city. This series is beautifully written, which stars exceptional talent and is very, very well cast.... Shame, Shame on you if you think this show is not worth continuing. It's a creation that everyone should be very proud of and now it is the networks responsibility, a Canadian Network at that to make sure it happens. A crack-whip marketing team needs to be working on making sure the numbers watching grow....

George S.

I am a teacher and this show was quite instructional as to what WWII was like at home for the women who contributed. MY grandmother had been an employee at Wallace Barnes Spring for 15 years when the war broke out. Much like Lorna, she had a difficult family to deal with while working as a caring matron to the new women on the line. The stories of Bomb Girls are very reminiscent of stories she told. For the sake of History and Culture, please reconsider your decision.

Chelsea M.

I discovered Bomb Girls on Netflix and was devastated to learn that I would not be able to continue watching these characters I've become so invested in. Despite the story taking place over 70 years ago, the issues translate to the present. I do hope Global TV will reconsider the continuation of Bomb Girls.

Emma B.

This show is creative and inspiring. It's unique among tv shows these days which mostly show drunk stupid people making poor choices. Bomb Girls hits home on many important human rights and womens' rights issues of the time. It also has excellent actors and plenty of interesting story lines.

Kelly W.

I just started watching this show in April 2013. I cam upon it accidentally and have been hooked ever since. I love the strong female characters and the historical setting. I have looked forward to every Wednesday at 7:00 pm. Please please don't cancel this quality programming and wonderful show.

Rachel A.

This show is incredibly powerful both with the cast and with the story it tells. It is heartbreaking that due to cancellation this show may not live up to its full potential and tell the story it could tell. Bring back Bomb Girls!

Shoua L.

This is an outstanding show. The cast is amazing!!! It's nice to see a show the whole family can enjoy. Also getting to see WWII through the eyes of these wonderful women. Getting to experience the nation coming together. It's just really genuine television that you can't get anymore in today's living. Too many reality stuff.

Meredith L.

This show's strong female characters (and the actors who portray them) are breathtaking! Every young woman like me should watch this show! It serves as a reminder of how much women have achieved in the workplace and also how much more we can achieve in the future! I started to watch this show on Netflix and finished the first season in a day and a half because it was unlike anything else I have seen on television! Please consider the audience you have and the audience you could have in the future if this show got more exposure! Please renew Bomb Girls!

Pat R.

Bom Girls is the most relevant show on TV that shows just how important women are, both in times of war & in daily life. The show is so well written, & provides role models for today's young girls, who seem to have no idea how to stand up for themselves, whether it be abusive boyfriends or bullying, etc. There is so much garbage on TV, I can't believe that Global would cancel such an important & relevant show.

Mable L.

My Mother was a "Bomb Girl"!! This wonderful series has remembered my mother's work and dedication to this country!! This is why this series should continue!! The Bomb Girls series, has brought my own daughters relation to the past, seeing how her own grandmother worked as a Real Bomb Girl!!!! Please, continue the series Bomb Girls!!

Morgan L.

Bomb Girls is one of the most amazingly written and historically accurate shows I have ever seen. It's brilliant how a show set so far in the past can affect and entertain so many. It really shines a light on women during this crucial era in history, many forget all the contributions women made and what a turning point it was for feminism and progress in general. With all the trash currently on television I think that it is crucial that we keep such a stunning and genius show running. Save Bomb Girls!

Jane F.

Save this show. Just did the Netflix marathon. This show is too good to cancel!

Amelia S.

Bomb Girls is the only good show on Reelz. Without it, they are nothing.

<i>Diane K.</i>	Sorry to hear that a third season isn't being planned. I watched season 1 and 2 on Netflix in the US and really enjoyed it. I hope the decision to cancel the series is reversed.
<i>Jessica</i>	I Love Bomb Girls!!! Please bring it back. Watching from Los Angeles, California.
<i>LeeAnn</i>	I would love to see Bomb Girls TV show and it can't quit now. The show must go on and you can't leave us hangin.
<i>Dennis L.</i>	After watching the entire 18 episodes of Bomb Girls I was saddened to hear the series has been cancelled in favor of a 2 hour movie to "wrap up loose ends". This is unfortunate as Bomb Girls exposes the chauvinistic side of not only Canadian society, but American society as well during those times. Unfortunately chauvinism is still alive and well in many countries where the role of women is often "thrown into the backseat". As a father of an 18 year old girl I think series like Bomb Girls show an important part of history that needs to be told. I urge Global to reconsider the cancellation of the series and continue on for another season to address some of the issues women faced during World War II and after. Remember, when the war was over women were chased back into to the role of housewives and discouraged from continuing in the workforce. Someone needs to tell the story.

Sue F.

im learning about another countrys war efforts to start with...but love the storys of the familys surrounding the factory, found this program by chance, and never looked back only wishing i could watch the next episode there and then. brilliant program...want lots more.....

Rhonda S.

I don't watch alot of tv. When I saw a commercial a month ago. I have been spending time catching up on globaltv.ca. I am on season 2 episode 4 now and then I find out it has been cancelled. With PVR's and TIVO out there now, half a season with low numbers isn't enough time to judge the ratings. I just found it.

Karen V.

I never knew that Bomb Girls existed! That's a marketing problem. Netflix suggested it. I love it. It's not full of blood, guts, and gore. It's a quality program that develops complex characters. If you go through the effort of producing and making a series, for goodness sake, market it! Please bring Bomb Girls back.

Charles R.

It is a well written and acted series. We have the talent why don't we showcase it? It is an interesting look at a part of our history and one of the most engaging shows on television. I cannot understand why a show of this calibre is cancelled and mindless American sitcoms and reality shows are being aired. This show has a fan base, a silent one, but it is there.

Chrystelle B.

It's based on a historic well written, compassionate story with much potential. Great actresses & actors , the characters are unique and lovable. For once a show from a canadian perspective beautifully shown on Bomb Girls. The chemistry of the show is wonderful. Don't cancel Bomb Girls, it would be a mistake.

rick c.

my wife & I enjoy watching it. I feel that it is very well done. It reflects an often overlooked view of the home front during ww2. Woman ran industry, & the world really never was the same afterward. They were now interested in more than just being a housewife. Can you imagine what they went through? Being a locomotive engineer while your loved ones where at war overseas. Then expected to go home & raise children when it was over? The world hasn't been the same since.

DeeDee M.

The show is so original there will never be another show even close to this. I've grown so tired of all of the reality shows and the shows that aren't even close to reality. It was so nice to watch a show about something that actually took place during an important time in our history. Love the characters, love the attention to detail, with everything from their clothes and scenery, to the way they speak the correct slang for the time. I hope Global TV will reconsider and give this show another season.

Brenda W.

There is only a few shows that Global offers that have any quality to them and this show is one of the best. I f they must give priority to the US then perhaps anouther channel can pick it up.

Judith M.

Bomb Girls is a great show. Tv doesn't have a lot of really good shows but Bomb Girls is by far one of the best.

Lorine H.

This was the only show I made time for while I was in paramedic school! My grandfather was a T4 in the US Army during WWII and this show allows us to see what the lives in North America was like during this time. It is QUALITY television! I am so SICK of the crap that passes as television anymore. Reality tv is a joke! I want Bomb Girls! Please renew it for another season! It is doing well, why fix something when it is not broken!!! Go BOMB GIRLS!!!

Nancy M.

The story line is brilliant and gives us glimpse of the past that has only been equaled lately by Downton Abbey! The cast works together so well that you caught up in the story line and at the end of the show have to remind yourself that WWII is not still being fought! I worked in a factory myself until recently and they got the details right! There is more than enough poor programing out there-- save this great one!

Cate M.

The knowledge of the show passes down information not to be forgotten. I love to hear stories of WWII and have since I was very young. This is a wholesome show that my daughter and I can watch together while learning about such an important time in our culture. Please save this gem of a show!!

Rhonda M.

As an historian, I value this show for both its historic richness and its entertainment value. This is an important piece of television that is incredibly well written and performed. It is completely absurd to cancel it when it is just now coming into its own so to speak.

Penelope G.

This is one of the few great Canadian shows we have. Why cancel a good thing? This show had a lot of viewers, and would have had more if it weren't for the interruption by an American reality show. It shows a pivotal shift in our history, which resonates with people world wide. Give Canadian television it's chance to shine.

John M.

I had a whole list of reasons why my wife and I love this show and why it should NOT be cancelled. However, after reading the many fine comments already posted, I find that I can't add anything new to the discussion except to say that this show is wonderful and meaningful to us as my wife's mother was a "bomb girl" in the US during WWII - please save this show!

Kathryn L.

this is an amazing, fun, informative, and addictive show. I want more, more, more! My 15 year old daughter watches it too, and its much more fun than her American and world history class - its turning her around from "hating history" to loving it. keep it coming, please! there is so much more to see and learn and be "in the know" about. The younger generation needs to understand how they got where they are today. this is a story that needs to be told- the good, the bad, & the ugly! we need more, more, more! please! bomb girls season 3! Aho!

<i>cindy k.</i>	love the show and it is part of are heritage
<i>Patty T.</i>	Simply put, the show is smart. The dialogue, the acting, the storyline; it's real T.V. ,not reality T.V. And thank goodness for that. I enjoy watching a good drama that isn't full of drama queens and stupid dialogue. It has so much going for it. I hope you will consider keeping it on. You should be proud of it.
<i>Julie P.</i>	I love this show. My grandmother and her sister worked in munitions factories in Detroit. I feel like i'm looking into their lives with this show. I just discovered it on Netflix and I was so disappointed to learn that it was canceled before i even started watching. Please bring it back!
<i>Kristine S.</i>	This show isn't just another show!! It portrays our history and what are past generations have gone through and the most elegant and beautiful way! It brings tears to my great grandmothers and grandmothers eyes! There should be more shows like this on TV instead of all the bullshit shows like Jersey Shore on MTV!! This show means so much to me and to everyone else I know watching it! PLEASE PLEASE RENEW BOMB GIRLS!!!
<i>Dave M.</i>	V4K5G6
<i>Angie C.</i>	Bomb Girls is critically acclaimed, has mass appeal, and the strength of vocal fans. I am flummoxed by its cancellation. It makes no business sense to me. Certainly, there must be another producer that would pick up this gem? The time is right for women to see themselves as vital participants in history.

Aimee S.

History lessons never really mentioned the part women played in the war. This program was educational, thoroughly entertaining and endlessly inspirational. Save Bomb Girls!

Alicia H.

Bomb Girls is not only an incredible TV show, it is also an excellent adaptation of working women in WWII. I am totally gutted to hear of its cancellation.

Bobbie B.

I love this show! It has an amazing story line with great actors/actresses and is a quality television show. It engages you and is full of emotional complexities and truth about an era of femininity. I truly believe this is the type of show that can renew female relationships and make women look at one another differently. This is so much more than just another television show!

Carole S.

This is intelligent drama that focuses on life at home during the Second World War and the essential role of women and other people on the home front. My Mother tells me that her senior friends are very disappointed. Most do not have Internet access and will not see this petition. this excellent show needs another chance..give it more publicity..Many people I know did not even know it existed.

Sandra R.

I have met many women in the course of my work over the years who made immense contributions in various roles during the war effort. I have always listened to their stories in complete awe. This show plays an important key in keeping their legacy alive. As Lorna says in the first season... these women were our soldiers at home. Lest we forget.

Denise S.

This series brings back so much history in an era that was so important and vital to remember. It really gives the audience a true picture of the character of people back then and how they lived. I absolutely love it, and look forward to each episode. Please do not cancel it, the younger generation really needs to be exposed to series like the Bomb Girls.

renee g.

i liked that bomb girls was based on something real, i think it shows how bad things are when a show that is based on what really happened and what women went through to get us where we are now, is cancelled and the shows about vampires and werewolfs are top shows. i wont lie i watch the vampire diaries and other shows, but i do like bomb girls because it shows how women were treated, i was looking forward to see what happened and how it ended..... im wondering how i can watch the rest even though its not being played.

Karina S.

There are so few shows with the writing and acting quality as Bomb Girls. No schtick. Just great stories and excellent acting. Inspiring and moving performances by lead actresses who deserve to be seen. I would hate not to see these women's stories play to their natural conclusions.

Natalie B.

Bomb Girls is one of the most 1. well made educational, feminist, sensitive shows on television.

Kristin P.

Rare is it to find a show that can make you cheer for the characters when they do something great, be sad when they are hurt, and yell when everything goes wrong. It's rare to find something that connects with you so deeply and inspires you. So please consider renewing Bomb Girls.

shadia s.

LOVE THE SHOW

Marti D.

"Bomb Girls" has really empowered me! I've never been hooked onto a TV Series besides cartoons because in the cartoons I can escape from reality. Live action TV Series in the US currently don't teach anything worth learning and I thought the people who wrote and acted in them were just annoying attention hogs. That's until I watched "Bomb Girls"... Its sad to have read that a TV series that is making aware of a part of human history, dedication the lives of the Bomb Girls who did live in that era and SACRIFICED just as much as the men, and is empowering many Women and Men being canceled. WHY!? I was proud to see someone create such a beautifully outrageous story honoring not only the Bomb Girls and women, but also a lot of minorities. Please, please don't cancel "Bomb Girls"!!

Cindy P.

One day when flipping through the channels on my TV, I found this show and fell in love with it after 2 episodes. The acting and storyline for bomb girls is fantastic and I even love the costuming. I am very upset that the show has been cancelled and can only hope that the global tv network can change their minds and understand that fans of bomb girls love history and most importantly this show!

J. E.

Bomb Girls is not only interesting, but a true piece of Canadian history that needs to be shown. Also, it was placed on Monday night up against two really strong shows - Murdoch Mysteries and The Following. Global needs to put it back where it was before so that those who want to watch don't have to time shift it on their PVR's! please give it one more season in a better time slot and see what happens! Finally, stop splitting the season for other shows, especially for inane American shows that are useless!

Alain A.

There are too many cop, lawyer, hospital and "Reality" shows. Bomb Girls, being a period drama is different. Displaying a important in history where women were let out of the kitchen and into the working world en masse. The differences in attitudes between then and now is amazing to see. Watching these women face new challenges and new ideals. Keep your blinkin' cop dramas (Rookie Blue) then, you just lost another viewer.

Keirsten G.

Bomb Girls is is a popular , critically acclaimed Canadian television show. It helps tell a very important part of history that often get forgotten. Please Global and Shaw please change your'e minds on the canceling of this wonderful show that Canada and world so badly need.

Russell G.

Bomb Girls is an incredible show. The characters are strong role models for young girls, and brings to life the history of such an important era. Please reconsider your decision to cancel this show.

Anna A.

Lets be honest, there is little GOOD television out right now. Rarely have I seen a show that makes me check a website (global even!) daily to see if a new episode is out. The story lines are compelling, you can't not watch! On the same token, its incredibly educational and touches a number of social issues without feeling like a "heritage minute" or "The More You Know" moment. I love it. This is what I've been dying for in the television realm. You watch a really great episode and go...OMG I have to wait a week for another episode!?! Then you stop and go, wait, did they have a lesbian on a historical TV show? Wait it wasn't forced! Damn, that's genius. Not only that, but let's be honest, it seems rare that a Canadian Television series is good enough to be seen outside of Canada and it seems that there are Bomb Girls fans all over the world. This is an excellent testament to the amazing people we have working in the Canadian film and television industry.

marisol c.

Keep quality tv.

Lisa M.

So many Canadians complain that Americans don't know much about Canada or her history; well this show is a fine example of a TV show which presents our neighbor to the north in a very significant light. Many Americans who watch this show will learn not only about the heroic war effort in Canada similar to our own during WWII but will see Canada as another producer of quality TV just like Britain!

Celena N.

It's amazing. It's Canadian. It's the best show Ive seen since Being Erica or Big Bang Theory. Its not reality tv. I face reality everyday. When I turn tv, I want to be taken somewhere to relax. Not to someone's reality of teen pregnancy or survival skills. I dont care if you're the biggest loser. Im an athlete struggling with injuries. I have my own health to focus on. Honey Boo Boo only teaches us to laugh at the less fortunate. It teaches us to laugh at overweight folks. It's makes people think it's okay to make fun of others. Keep substance in shows alive. Keep the bombgirls alive!

Paul M.

My dear father fought at Omaha Beach during the D-Day invasion. He would not talk about the war, other than how awful to watch your buddies getting killed. Approaching 70 years since D-Day. My generation and especially younger generations need to be reminded of WWII and its significance. I visited Omaha Beach and a concentration camp near Salzburg. The horrors were very real.

David B.

one of the best Canadian produced shows I've seen. Great story, great acting and a great period piece that some of us heard our parents and grand parents talk about. Looked forward to it every week. Will miss the Girls very much. back to mind numbing reality TV I guess.

John B.

This is a beautifully crafted show that explores an aspect of 20th Century Canadian history unappreciated, or forgotten by many. The acting is wonderful, the costumes and sets are sumptuous, and the storyline is riveting and everything about this show is critically acclaimed. It is a very positive portrayal of fighting for various individuals rights including women, minorities and it shows them overcoming great odds and growing in the process. We value the richness of the characters and the plot lines.

C. B.

This show deals with real issues, with the drama to keep things going. Excellent Canadian programming, revealing a piece of our history that was unknown to many until now. Keep this show going online if you can't keep it on TV. The following will continue to grow.

Elise M.

Do you see how this show has managed to bring people all over the world together?! Don't give up on Bomb Girls. Bring on a sponsor that fans will commit to support and you won't regret it (ex. 'Chuck' fans who bought Subway every week)! Long live the blue shift!

Sharon S.

Love the story line in particular the history of Toronto during ww2. It is really important as a woman to see how our roles and rights have changed. I think this is of particular important for young women who have no. Idea how limited life was for women not all that long ago.

Janet P.

I am from the U.S. I find it interesting to see how life in Canada was during WWII. My late dad served in the U.S. Air Force in WWII and I am sure he would have loved this show. I think we all need this type of programming. It's nostalgic and somewhat educational to the younger "reality show" generation.

Ana V.

I'm an immigrant to Canada, and watching Bomb Girls inspired me. I love the strong characters and the female power and determination. I just watched the final episode of season 2 and when I looked for the season 3 premier date I found out about its cancellation. I look forward to see the rest of the stories. Please take into account this petition, if the series wasn't popular people wouldn't bother to do this!

Caitlin M.

Bomb Girls is a show with unique Canadian content With brilliant writing, superb acting, and beautiful sets and cinematography. Bomb Girls stands apart by other televised dramas by bringing to the forefront strong female characters that are rich and layered.

Tara T.

This show is an amazing product coming out of Canada. One that as a nation, we should be absolutely PROUD of. It is a show that demonstrates superb acting, wonderful writing and great cinematography. Telling a story about a little discussed subject in our military history that I never really thought about. Bomb Girls has opened my eyes and educated me on the important role that women played in the war efforts specifically in WWII. I, for one find it not only difficult but unfathomable that such a dynamic show can so easily be taken off the air. I do believe that the power of the viewers will persuade the "powers that be" to reconsider their decision and return this excellent program to its rightful place and not relegate it to the memories of what could have been.

Lia P.

I love the show

Dale-Anne S.

My mother worked as a manager of the Massey Ferguson munitions factory during WW2. I enjoyed stepping back in time to watch the bomb girls capture this era. The show was well done and a triumph to Canadian television. I am sad to see it so easily dropped by Global considering its appeal to both Canadians and those living in distant lands. I hope the decision is reconsidered by the outpouring of public support garnered by the public.

Brittany C.

I started watching this show when I found it on Netflix. It definitely captured my heart. All of the girls are so dimensional. They all have flaws and weaknesses, and they all have strengths. They're real. Watching this show motivates me and makes me want to push myself forward. I hope that it will be renewed for another season. I just watched the Season 2 finale, and I know there are so many unresolved story lines. And I know the show revolves around the war, but I think it would also be amazing to see how these characters handle their lives after the war. They have all been so obviously affected by it I'm sure watching them handle the changes that would come would be inspiring.

Tiffany S.

Those women really did risk their lives every single day. And, most of them, as the show shows, were away from their families as well. To me, they were just as brave as the men. They did their part in the war-effort, & we should do our part in recognizing them for it. Plus, Bomb Girls has an amazing cast, & they help make it as amazing as it is. It's one of my favorite shows of all time.

Martha F.

We love this show!!!!' Don't take it away :(

Kent P.

Women coming of age.

Karen M.

We need smart well written shows like this to stay on the air. The teach us about the women during wartimes, they teach us about the war effort. The show give us history lessons and geography lessons of our country. Please bring Bomb Girls back for a third season.

Rebecca V.

This is an amazing show! Well written and great acting! It shows what Canadians did in the war effort and what we can do now with broadcasting! There are not enough great canadian shows out there and when we get one, it gets cancelled! It doesn't make any sense!

Sandy H.

Bomb Girls is very well done series that should be renewed because, it's a historical period about the life and culture of WW2. During that time, it was the peak for women to be have rights, and to be treated equally. Not only that, it opens up a new perspective about WWII. What is remarkable as well, is that a Canadian based story, created by Canadians. Americans has "Mad Men" and the UK has "Downton Abbeytown" & "Call the Midwife", that is adding to their history of television. "Bomb Girls" is a great addition to Canadian television, and has the potential to show to other countries that Canadians CAN make great entertainment.

Darlene G.

Great show!! My Mum was a bomb girl in Montreal in the 40's. She is now 94. I remember all her stories so watching this show reminds me of Mum and the danger to all these women who came to work and could possibly be blown sky high. Quite a dangerous job..hats off to the ladies all!!.

Cheyenne M.

Bomb Girls brought back such an important part of history to younger generations today. The cinematography and acting really captures that 1940's feel. I never lived back then, but every time I watch an episode it is as though I am right in tune with the time, the characters and this feeling is so rare in today's television. My daughter who is seven also loves the show and the girlishness each woman brings to our household every Monday night. Please do not cancel Bomb Girls!!

Beth H.

The quality of writing, the flaws and fabulousness of such well rounded characters would make it such a shame if this show were not renewed. It's so difficult to find amazingly portrayed and well-rounded women, and it would be simply heartless to makes us fall in love with your characters and not give us closure with a finale that was written intentionally as a finale.

Karen T.

Because it is simply good television. It is Canadian, it contains drama, history and humour. It features strong female characters. it relies on good plot and good characters and good writing, not on a laugh-rack, skimpy clothes, cheap gags or half-baked 'reality' elements. It makes me want to do the right thing, it makes me feel good. It makes me feel like there are good people in the world trying to do right by others and be better. A little romance doesn't hurt its cause either. Global should be proud of this show and do right by it and keep it around.

Mark B.

I cannot imagine this show being taken off the air! The writing is great, the character interactions are fascinating, and the message showing that the 'simpler life' wasn't always so simple, shows the struggles of earlier generations. It shows a patriotism that should make us all proud - not the 'what is in it for me' society we have today. A fantastic show!! I am hoping this outpouring of fan support does get your attention.

annamarie b.

Its history its american its a great show and there is nothing else like this on tv

Kayla J.

Bomb Girls is an amazing show. It taught me so much. I never learned about what women were doing during war times in school. These characters are such strong women that every person should have the chance to watch. This show tells a great story and has an excellent cast.

A H.

Intelligent and informative television has fallen by the wayside, but Bomb Girls portrayed women as smart and complex individuals and I really appreciate that. My grandfather fought in the war, so this time period is especially interesting to me. The characters are well developed and the acting excellent. The writing brings to life so many different stories. This show needs to be renewed!!!!

Sharon B.

In a T.V. world filled with "reality show" programming, it has been my pleasure to view a series

D. M.

This is the first t.v. show that I have faithfully watched in twenty years. I haven't missed an episode. I already own Season 1 on DVD. What a refreshing change from other t.v. fare. Cancelling this show is just wrong. As Canadians we need to tell our own stories. Bomb Girls is doing an excellent job of this.

Sandra S.

It is a very good show showing how strong and motivated women can be in a time of the need. I am proud of those women who worked so tirelessly when our country needed them. So tired of the so called reality shows that are currently on TV. Bomb Girls depicts the 'real reality' of the day.

Tiffany B.

Bomb Girls is truly amazing and unique. It is literally the ONLY television show that I MUST and do watch on a weekly basis. It reminds us of a part of our history that seems to have been forgotten and left in the dark. It is beautifully scripted, played, and presented. It would be such a shame to get rid of this amazing show.

Tatiana A.

It is an amazing show with great cast and i'd love to see more seasons

Jason T.

This is a magnificent series touch on so many different items not usually covered in media portrayals of WWII. -it provides a Canadian viewpoint, something not often seen in the media. -rather than being set on the frontlines, this shows WWII from the Canadian home front. -its central characters are women, an important voice in the war effort yet rarely focused on in media productions. -a fascinating hard look at how Canada treated "enemy aliens" (e.g., Marco Moretti and his family) As a student and a teacher of Canadian history, I feel that this series provides a unique look at Canada in WWII, and I have recommended the series not only to family and friends, but to my students as a tool for learning a new aspect of a key point in the history of this great country. Please allow this series to continue on.

Amber M.

This is a quality program with interesting characters and excellent production value. It is simply an extra benefit that the content is richly Canadian. The stories told within this program deserve to be developed, not cut down in the prime of life! Is there really no hope for anything but garbage, 'reality' TV.... are we doomed to nothing better than Honey Boo Boo? Please do not do this Global!

Wendy E.

it is one of the most intellegent shows on Canadian television (or anywhere). Save the show

Linda G.

This has been an excellent series that takes you back to an era that provides so many memories of the good old days that have past. The series has been well researched. It has provided tidbits of the history of Canada. I was born & raised in the City of Toronto, have ancestors from that era. It has taken me on a journey down memory lane, not only with the streets I once walked in the City of Toronto but to remembering the slips & silk stockings my grandmother & mother once wore. - Excellent acting & an excellent series that is beyond belief that anyone would think of cancelling!

Beverly P.

I wouldn't sign a petition for just any show that I didn't want to be cancelled. Bomb girls is special, and I believe it can do a lot of good. How often do we learn about the part that women played in history? Almost never. How many shows give us so many different complicated female relationships? None that I can think of. Having representation of women making history and living their lives in a three-dimensional way is important for everyone. Bomb girls is a well written, well acted, well designed show, and I hope everyone who is a part of it knows that they are doing something important. I hope this show gets renewed for another season.

Blair A.

There is so much trash on TV. A quick browse through Global Prime time is to peer into a proverbial trash heap. Yet, there is Bomb Girls, a rare gem amid the muck (ahem, the Bachelor, Survivor...) this is a show that I would allow, nay require my daughter to watch. Executives dont care about the value of a program. Its the bottom line. Fair enough, here is your bottom line boys...merchandising revenue! I for one would pretty well buy anything Bomb Girls, so would my mother, grandmother, sister and daughter. There you have it, FOUR generations of women for whom this show is relevent. At say \$35 bucks per item, one family alone generates \$175 minimum! Now check out all these signatures...take out your calculators and start number crunching. Add to that the viewership you may alienate by cancelling this show. Bomb Girls is the ONLY reason I go to Global. The rest of your shows are...well...crap. Get creative boys and youll find that cancelling Bomb Girls is like killing the goose that lays the golden egg.

Blair A.

This show is a raity on TV today. It is intelligent, witty, well written and cast. A brief look at Globals prime time line up is to peer into the proverbial garbage heap of TV. There is Bomb Girls, the jewel that shines through the muck. Executives could care less, if it brings in cash they will cram anything down their viewers throats (Survivor Im looking in your direction...) so I will pitch this from another angle. If Bomb girls were merchandised well, the revenues have the potential to be quite lucrative. Many women across a diverse demographic would enjoy a variety of Bomb Girls inspired clothing and accessories, as a for instance. Lets not see another wonderful show be tamped out in favor of "reality" TV. Come on boys, wake up and smell the revenues.

Beth R.

Bomb Girls is a great show and I've seen every episode. Please keep making it!

Linda M.

LOVE THE SHOW.

Amber B.

Bomb Girls is such a terrific show -- interesting from a historical perspective and written with more heart, wit and intelligence than the vast majority of what's currently on TV. Not to mention how rare (unfortunately) it is to have a female-centric show that doesn't make the women caricatures. Please keep these storylines and wonderful characters going for a third season.

Allan P.

Bomb Girls is an extremely well scripted, acted and produced show that highlights the depth and breadth of talent in this country -both in front of the camera and behind it. Investment should be made to continue continue making Bomb Girls and proper promotion should be undertaken so it can find more audience and grow. Lengthy breaks in broadcasting and changes in show days make it impossible for a show to find a larger audience.

Danny M.

It's a really good show Im learning about the history of bomb girls I didn't knew there part in the war. :) love it .

Tarquini P.

BEST SHOW EVER, the only one I followed seriously and with interest, very well written, the characters are so lovely you get attached to them and as a woman I find it is important to show what was the life of women during WWII, their strenght and their sacrifices. I think that every women recognize themselves in at least one of the characters. This is my little happiness ! Had wonderful times watching it ! Please, renew this series ! Don't disappoint us !

Adrienne C.

It is hard to find quality television and to have a show of this caliber cancelled is practically criminal. It is comparable with the BBC's Call the Midwives which has very high ratings on both the national and international levels. Such exceptional shows with such strong heroines should be continued.

James J.

It's an untold part of Canada's history

Beth J.

Education, visibility, for these types Of Characters To Be Recognized And Appreciated

Judith B.

Save this show because we like it. Give it a time slot to allow it to continue to thrive. The show is comic, tragic, educational, entertaining, thought-provoking and so much more. It is Canadian television at its best and an opportunity to show younger people what women's lives were like. Strong female characters are not shown enough. We need to save this show.

Sophie P.

I love Bomb Girls and I'm very attached to all of the characters. There are so many unresolved problems and so many fans. You can't just end it!! Bomb Girls is a show anybody can enjoy and it's gaining popularity! I just went to a Jill Barber concert. She was in an episode once and she mentions Bomb Girls at every show! It would be stupid to waste such potentiel and end the show now. So many diverse people watch Bomb Girls, it's crazy! I'm a fourteen year old girl and I'm in the fandom, my 40 or 50 something male math teacher watches it, and so does my aunt. It needs to continue!!

Kevin K.

I only recently discovered this show in the UK and quite frankly I love it! It's is charming while dark in places but ultimately a very smart and sweet telling of an interesting story. When I heard it was to be cancelled I was quite suprised just how upset I was. Needless to say I am fully behind the SaveBombGirls campaign which many are. If it isn't making enough money in its current format there must be more that can be done to make the show viable. Perhaps the show can be sold to more international markets, if it can be enjoyed in England, it can be enjoyed in other places too. Also a focus more on the online numbers and advertising that goes with that would create a different financial picture for the program surely? Regardless, I am thoroughly unhappy with your decision and do hope you will reconsider, we need a new season, not just a tv movie.

TM R.

Thank you for airing this show, but please reconsider your decision to cancel it. The writing is incredible, the actors are believable and the stories are rich in content! We women are finally being seen as more than just eye candy or slaves to a home. Through our many faults we are strong and persevere and not so easily dismissed. This show is a fantastic opportunity to enrich other people's view of what women can accomplish behind the scenes and make us stronger in front of them as well. I love the fact that these ladies are not being exploited as we see so much in our current shows. "Kate's" burlesque performance was so damn sexy. Betty faces her struggles head on and won't back down - I love her ballsy approach. Lorna, mother to them all and still she's shown growing and conquering her fears. And don't get me started on the stories. So compelling, so dramatic, so witty, so engaging and so spot on! Tackling the struggles we all face daily - equality, independence, interracial relationships, racism, secrets, friendship and family. C'mon Global TV! You're a staple right next to the Jays, the Leafs and maple syrup - help Bomb Girls secure their place as a home grown force to be reckoned with as well. Please give them their due for (at the very least) a five season run! Thanks for reading.

Ian M.

Typically, the fact that a TV show or movie was Canadian would be enough to keep me from not watching it. They are often plagued by poor production values: bad scripts, lame acting, and uninteresting story lines. By trying too hard to be authentically Canadian, they frequently ended up looking inauthentic. But there was something about Bomb Girls that said "give me a chance." After watching one episode I was hooked. It is such a unique show in so many ways. Few movies or TV shows set during WWII focus on the home front and certainly not on the lives of women working in a munitions plant, let alone one in Toronto. It tells a unique story about a part of our history that I suspect most Canadians are unfamiliar with. And it does so in a most interesting way. It depicts realistic characters (all brilliantly acted) in realistic situations. It's obviously Canadian, but never in a contrived manner. I believe Bomb Girls has become a victim of a broadcasting system discriminate against Canadian content. In order for a show like it to succeed, it requires the network committed to backing it. Changing its viewing night and then putting it on hiatus to air a cheesy reality show, do not demonstrate a real commitment. In fact, it appears that viewership dropped significantly after that 6 week break. The network needs to show some vision and determination to commit to the show, by keeping it on the same night, buying a significant number of episodes and airing it consistently. Global, you've given up the good fight too soon. Please reconsider your decision, Bomb Girls is a surefire Canadian TV success story, just give it a chance.

Marcy M.

Programming on most channels is absolutely disgusting with repeats over and over again and to see a series as interesting and magnetic at Bomb Girls gave myself and many people I know in renewed hope that the network would continue with a running series of it such as Roots. It appears that some management on certain networks don't see a good thing when they have it. If this continue I'm getting rid of a lot of the different networks. Bring 'Bomb Girls' back!

Maureen B.

There are not that have enough quality shows on T.V.anymore.I enjoy the strong female characters who, are not man haters. Please renew this show, we send enough drivel to you so you know how bad our shows are. But honestly Americans appreciate good television.

Kelly F.

TV Shows like this dont come around often, and when they do, they need to be cherished. I live in the states and have fallen in love with the show. I am deeply saddened by the end of this show. Even though their will be a movie special in its place. I need my girls.

chashawna a.

this is a great show please dont cancel it

<i>Kerry T.</i>	Bomb girls is an inspiring show that showcases women in a strong role, showing what everyone, men and women were going through during a difficult war time. It is historic and relevant and incredibly interesting. the show itself is very well done, I absolutely love the characters and am always interested to see the next development in there roles. This show is an inspiration to me and helps me understand the life my grandmother had a little bit more.
<i>Ocean K.</i>	Bomb Girls is an inspirational program that showcases both the strength of Canada and the strength of women. Recently on TV there isn't much worth watching it's the same garbage repeated channel after channel Bomb Girls is something different, something engaging, and something special.
<i>kamila j.</i>	:D the best!
<i>Polly H.</i>	loved it
<i>Johanna F.</i>	This is a brilliant series that doesn't hesitate to tackle difficult stories or character journeys. It is beautifully written, the cast is stellar, and the set feels completely authentic. I've learnt a lot about the time period, and each episode captured me from beginning to end! I have also noticed that the show seems to have a diverse audience in terms of age group, background and interests, something that should be celebrated! I want to see more seasons of Bomb Girls, like the final episode conluded - this is not the beginning of the end, it's the end of the beginning.

<i>Rori H.</i>	Because it is an incredibly important historical show!
<i>Jennifer R.</i>	I love this show and it is one that I can watch with my family. I love the history showing how the women and men dealt with the war. It opens so many discussions in my household.. The acting is wonderful and the sets are beautiful. Please don't cancel this. I am sick and tired of watching "reality" shows and greatly enjoy this riveting drama
<i>Chrysty B.</i>	It shows us what took place in world war II, I love the story
<i>Sophia P.</i>	I love this show! It gives me a view into the world my grandparents lived in during their youth. My grandfather was a rear gunner with the RAF, and this time was the prime of his life. Aside from that, the characters are so strong and interesting, I could watch endless seasons of Bomb Girls!
<i>Carla L.</i>	I had family fight, die, and get captured in WWII. It is great television with facts and fiction. It is a shame that this show has been cancelled. It's better than so much that is out there. Most programs on T.V. are awful and this has sustenance. I don't feel like my brain is rotting when I watch Bomb Girls. We had brave men who had to fight in that war. This show honours their commitment to our country and freedom. It also paved the way for women in the workforce.

A C.

This is a smart, well-written show - the type of programming which deserves space on television. Through the lens of time, we are better able to examine the roots of the women's movement, Canada's nationhood and our multicultural mosaic. Bomb Girls also reminds Canadians of history we would like to forget (incarceration and/or relocation of Japanese and Italians residents), and as the adage goes "Those who cannot remember the past are condemned to repeat it". I hope you will renew this program so we can continue to have a glimpse of the lives our mothers and grandmothers lived and the challenges faced by all Canadians during the Second World War.

Elaine H.

1. It is a series filmed in Canada with Canadian actors, keeping jobs here. It shows an era during the war years that some people are not aware of & I have enjoyed watching it weekly. I agree that it broaches many issues. I have to agree with all of the positive reasons given in former comments & I hope that they reconsider & continue the series.

Wendy s.

I love this show.

Ryanne L.

There are few shows I really truly love and I have seen many great shows like Bomb Girls get cancelled. I went out of my way to find a petition to sign this time to keep this show going. Every episode I watch presents me with an idea of what women had to struggle through everyday in a not-so-distant historical era just to achieve decent treatment. Bomb Girls reminds me to be grateful for the courage and heart women in the past showed during difficult and unjust social situations which eventually led to a more liberated lifestyle for modern day women, including myself. I connect with the characters in the show and appreciate the interesting plot lines. I have yet to see a boring episode. I ask that you please reconsider your decision and renew Bomb Girls. You will always have a loyal fan in me. Thank you so much for your time.

Tara O.

Please keep quality programming like this alive! It's so important for us to see history come alive like this. To understand what life was like for the people who fought through WWII on both the home front and front lines. Please honor those who served and sacrificed by offering up this glimpse into their realities. A taste no one else has offered so well, in my opinion.

Evelyn H.

this is important to me because you have cancelled a great show. this show isnt just another series, it represent the heardships women had to go through during that time period and the new grudges and liberties that the inherited from their husbands. and i personally find this fascinating because as a young viewer this how i have a glimpse into our countries past and all the historical events that took place in a way i actually enjoy indulging myself in

Lindsay D.

Not only is it a fantastic show, with great stories and characters... but it's so refreshing to see how the war affected Canada. Wartime movies & shows are always about the US, or England... we never get our story. Bomb Girls gives us that. Plus, my Grandma riveted war planes at Canada Car & Foundry in Fort William during WWII - the planes that would've dropped the bombs made in Southern Ontario! It's like I'm reliving parts of her past through Bomb Girls.

Kelsey D.

Bomb Girls is an award-winning, critically-acclaimed show with a steady fanbase, and somehow it has been cancelled? Rather than tell the stories of the men and women who fought on the Canadian home front during WWII, Global would rather fill its slot with some syndicated American reality show. It's time to support quality programming that relates the stories of a diverse cast of characters with integrity and humanity.

Laurie S.

This show had a fantastic lesbian character, and to end it with her going to jail for murder is unacceptable and homophobic. This is a pattern of media homophobia that has been well-documented, and I know the creators of this show can do SO much better than that.

Chantal V.

Bomb Girls is a show that Canadians can be proud of. It has a fresh and innovative perspective - the perspective of the strong Canadian women supporting the war effort, their struggle to maintain families while working, their struggle to move forward in their lives regardless of the war. It depicts a different time in Canadian society and of Canadian history - an ideal way for immigrants to learn of their new country's history and achievements. It also gives those viewers in foreign countries the ability to know Canada a little better. I love this show. I love its stories. I love its characters. I love the various settings - they remind me of places I have been to when I was a little girl. I love that it is Canadian in every sense of the word. I watch it and understand where my parents and grandparents came from. Bomb Girls is worth saving and continuing to develop.

Polly M.

I accidentally ran across this wonderful period piece program while channel surfing. It was a refreshing change to the programs currently airing in the USA. Please continue producing and airing this program. I didn't find out about it until the second season. The third season, I'm sure, will yield additional faithful followers such as myself.

Sam M.

I think this show is AMAZING! I just started watching the first season on netflix, I wish I had the television channel to watch it on cable! I feel like this show is VERY inspirational to woman. It was a time in our countries history that woman were starting to gain more respect! I feel like sometimes we forget and this show reminds us that! This is why Bomb Girls should be renewed for another season!

Debra H.

Please bring "Bomb Girls" back. I love that show! My Dad served in WWII and it is personal to me. I love the authentic hairstyles and clothes

Jessica M.

I'm American and I love this show it's so fresh and new but set in the 1940s I love vintage shows that actually means something I hope another network picks up this show !!!

Bonnie & Bill N.

To whom it may concern, I don't know how we missed the cancellation of Bomb Girls - but we did. We've been noticing the re-runs through January - but waiting for Season 3 to start. Alas, I just googled, and lo and behold, this wonderful show has been cancelled. What is the matter with us in Canada?! This was an absolutely fabulous piece of television - the highlight of our week along with Murdoch Mysteries - why is it so hard to keep the good TV we produce on the air? This show was far and above anything coming out of the U.S. - to cut it makes absolutely no sense! Maybe it's too late for us to add our voice - but if anyone is listening - we're very disappointed in this decision. I read that perhaps there will be a movie - but can't find anything confirming that.

Jennifer Q.

We love the series in UK.REALLY HOPE
IT COMES BACK

Judy S.

I am hooked on the Bomb Girls!! I
streamed the first two seasons on Netflix
in record time,what an amazing series.
Now I am suffering from withdrawal and
was saddened to hear it was cancelled.
The acting is amazing, especially by Meg
Tilly. Please bring it back the show.

Clarissa

I have watched Bomb Girls since it
started. I so look forward to it coming on.
I love this show! I love watching these
ladies from the 40's and that era. Please I
beg of you, do not cancel this show!!! I
don't know why it is when good show
comes on, they cancel them, but leave
these other shows that I call garbage on.
Please listen to us and don't cancel this
awesome show!

Andrea F.

How sad to find out that Bomb Girls was
canceled. I just do not understand why
intelligent shows like Bomb Girls are
taken off the air while ridiculous and
demeaning ones stay. Is the movie ever
going to be shown? Just another
disappointment in TV land. A sad viewer
in Illinois

Alethea M.

I want more episodes! A combination of
impeccable acting and brilliant writing
assuredly makes this show a treasure to
all audiences! For me, Netflix brought
light to Bomb Girls, and oh what a
pleasure it has been! I can wholeheartedly
say there is no other show, and I watch
many, that has captured my heart in the
manner Bomb Girls has. PLEASE
CONTINUE TO KEEP THIS SHOW
ALIVE!

David B.

Great show with canadian content. I am a bit of a history buff and feel people need to understand the female work force during the war was critical to the swift end of the war. also if you remember MASH the TV show started slow but with great content deveopled into a cult following.

I beseech you to Save Bomb Girls! The challenges and struggles that Betty and her friends face are still as relevant today as they were 70 years ago. Women are still struggling to be taken seriously at the workplace and are still struggling to navigate the many expectations that society has placed on them ,and that we place on ourselves. People are still being racially profiled, and some ethnicites are more covered by the umbrella of political correctness than others. Bomb Girls allows us to have a vehicle to explore these issues , while placing us at a safe (or not so safe distance) because we have learned that a society that does not learn from its mistakes is bound to repeat them. Social Analysis aside, it's a sassy show, that depicts strong women, who know who they are , and what they want, and don't have to limit themselves , or allow others to limit them. The actors , production , and writing is stellar, and the Bomb Girls still have a lot of stories to tell. SAVE BOMB GIRLS!

<i>Dom S.</i>	Being a UK tv viewer I find it incomprehensible that Bomb Girls has been axed, hopefully this situation will be remedied sometime very soon either through Global listening to the voices of concern and realising the huge mistake they have made or another film company picking it up. The two series shown were par excellence, from the superb acting, music, costumes to the production, Bomb Girls just oozed class. With tv awash with mediocrity viewers are crying out to be entertained and Bomb Girls is a stand out example of tv viewing of the highest quality, simply put, the girls from the blue shift must be allowed to live and fight another day!
<i>Mike & Kathie L.</i>	Love ,Love, Love, Bomb Girls ! Not only entertaining but historically interesting.
<i>Jerri V.</i>	Please reverse your decision to end Bomb Girls! Very well written & cast, your viewer base will continue to grow.
<i>Stacey M.</i>	i am writing on behalf of myself and my mother. we are big fans of the show and are disappointed to hear of the show's cancellation. we want to show our support for the movie, we need some kind of closure from the previous seasons! please consider this email as a sign of support. thank you.
<i>A. H.</i>	#savebombgirls - im from Borneo, i watch bomb girls because it link me with history. as a history major student it help me view the past in interesting way. KEEP BOMB GIRLS ON!

Ellen L.

PLEASE keep Bomb Girls on the air. My husband and I found this terrific show on Netflix and found it to be a wonderful and interesting show. The characters are talented and engaging and the plot lines truly worth watching. So much better than the reality shows and boring sitcoms. Please keep this series going! We are in dire need of decent programming in the US. Thanks!

Susan

What a quality show. If the network will stick with it, viewers will make it commercially attractive. We really need more show with this value.

Tom L.

I just started watching today on netflix. After six episodes so far I love this show for so many reasons. As a new fan to hear it was cancelled breaks my heart. Americans have a diverse taste in tv shows. My love of Downton Abbey, Call the Midwife and now Bomb Girls tells you of my taste. Good shows are precious and few and far between. I am angry when anything is taken from me and to end this show is unforgivable! I know words may not matter to save bomb girls but that I care enough to write matters to me. I only wish executives could find a way to care for loyal fans as much as they do the mighty dollar whether Canadian or American.

Kenza M.

I love the second world war history, and watching episodes it's like being in this period of our history. The characters are so incredible, they are kind, beautiful and the most important thing : strong. I wait each week, in France, to see these amazing girls. Plus, the actresses are P.E.R.F.E.C.T. I love them and, canceling this show, is like losing friends. Please, don't do it, this show is too good to be canceled...! Thank you.

Claudia A.

Muestra una visión muy importante y olvidada por la historia de lo que fue la participación de la mujer en la guerra

pattie o.

Canadian Content -- great show - a story we Canadians should be proud to share. Grass roots of women rights in the workforce. Too good to cancel. History is the original "reality show" pattie.osborne

pattie o.

Why throw away a great show that tells our history with the war and women's rights. I have lots of highschool students watching the show and they are fascinated with this piece of history. Canadians need to be proud and this show lets us shine

Dina C.

I love Bomb Girls. The show's cancellation has only brought out the fire and passion in its fans. We are fighting for the life of this series. With brilliant writing, superb acting, and beautiful sets and cinematography, Bomb Girls stands apart from almost every other TV show currently airing. It cannot be over now. We need more. Please, don't give up on Bomb Girls. It cannot be over now. We need more. Please, don't give up on Bomb Girls.

Graham B.

Canadian History, a different perspective on WWII both from Canada and from women on the homefront, and I love the dancing and music and the costumes!!!

Arden J.

Bomb Girls is hands down the most amazing TV drama I've EVER seen. It's the first show I've watched over and over, and still got something new out of it each time. The script is amazing and original, and the actors are so skilled at bringing the characters to life, I get lost in their world, and when the episode ends, I feel lost upon re-entering reality. I don't want these amazing characters' stories to end!

Lara S.

This show has portrayed a side of the WW II effort that hasn't been properly shown before, with women as the major role players! It also addresses issues that, while more prevalent 70+ years ago, still linger on today. Problems such as income disparity and sexism are dealt with. We see just how much more difficult it was for LGBT persons to live and love at that time in history. This television show has offered a rare glimpse into the world of the Have's vs. the Have Not's, those that were persecuted for their ethnicity and other racial issues, and how women proved their intelligence and worth in the workplace. A story like this, one that is so powerful, deserves to play out. Please renew it for at least one more season!

Marisa G.

This show honors women who fought for their country. Unsung heroes. The show is so authentic and well done

<i>Peggy S.</i>	This show ,shows the strength ,hardships and callenges that these women indured thru the war, the show is well written, well casted, I look forward to every Wednesday night. Being a seamstress that has sewn 1940's fashion for theater events it is wonderful to see the amount if detail put into this show. It will be a great loss to the fans and tv if it s not renewed!
<i>T. L.</i>	It's a creative show!
<i>Jordan H.</i>	For an era where terrible reality television reigns supreme, we need to keep the well-scripted and acted shows in the lineup. This show is highly entertaining and is a glimpse into life that we wouldn't have known. Putting this off the air would be incredibly disappointing.
<i>Harold & Jennifer C.</i>	We love the show and watch it fathfully
<i>janeille f.</i>	Avorite subject is history & being a girl adding a tad bit of romance/drama is the best mixture of show so far. Instead of watching drunkard harlots brawl on reality television, this keen perspective of American drama is just what tv needs more of !
<i>Haze W.</i>	With the cancellation of Flashpoint, Bomb Girls is the only Canadian show that is currently worth watching. Intelligent tv is rare, and this show hits the mark! As others have stated, it is just starting to be discovered in international markets. Give it the chance it deserves!

<i>Jaime G.</i>	This has become one of my favorite shows on TV. I was disappointed that the seasons were so short and beyond disappointed that the series has not been renewed for another season. the story line has been so great to follow. I tune in every week to see where their lives are taking them. I cant believe I wont be able to tune in next season to see what is going to happen in their lives next.
<i>kaouther b.</i>	cause it's the greatest show ever
<i>Karen K.</i>	So few good shows on T.V. This needs to stay on.
<i>Michelle H.</i>	I LOVE this show. It is such a great reminder of where we've been and what we made it through in those trying, uncertain times. We should remember those things!!!! Plus it'a just a great show.
<i>Alison F.</i>	Amazing to watch a female-centric show, detaillling the contribution made by women during WW2. Bomb Girls has really strong writing and performances, with characters that I can relate to and don't often see portrayed on screen. It is the only show of its kind on TV.

beth b.

My grandmother was a bomb girl!!...she worked at the general electric company of Ontario at eglington and warden in scarborough. She was sixteen at the time and had to lie about her age so that she could support her family. This show must stay so that my grandmother and all the other women that worked with her in that factory are not forgotten. So that their stories and strength and courage is not forgotten...please my grandmother's strong character made me the strong woman that I am today...don't let her stories and those like her's disappear

Mareike Z.

Because it attracts also international Viewer!

Brianne C.

This is a quality show, it shows the unique and often glazed over story of the women on the homefront during WWII, a story that's not often told, and not this well! Please reconsider canceling this amazing show, It's a refreshing break from all the reality TV crap. The women in Bomb Girls are better role models than most TV women. Keep the show going for a little while longer, at least give it another season, you have a real gem on your hands!

Kayleigh K.

I want Bomb Girls back. Please renew for a Season three!

Kati K.

i love this show

Rhonda K.

My husband and I have really been enjoying this show and were in shock to learn this evening that the next season has been cancelled. It is so refreshing to see an intelligent, well-acted show depicting WWII through the eyes of these strong female characters as they efficiently carried out their important job for the war and interacted with the men who stayed behind as well as the young men who went to war. I feel sorry for the audience who has invested so much time in viewing this program but especially for the talented actors who have done an excellent job in this historical program. I sincerely hope Global will reconsider their business decision and allow Bomb Girls to continue for another season. .

craig t.

simply one of the best shows i currently watch showing another side of the war rarely been discussed and that has been tucked away in a corner gathering dust

Natalia O.

As a queer lady, it is so so so wonderful to see realistic, powerful female characters that are comfortable with their sexualities and that maintain REAL relationships! We need shows like Bomb Girls!!

kirati k.

One of the best i have seen in a while. strong women, strong characters, great acting and dialogues (well,except the phony clifford). It is refreshing to see that the show brought up some well thought questions that should have been, but until now has never been asked seriously on any show on tv thus far. I want such an intelligent show to be watched and appreciated by everyone, specially women, to understand and appreciate what this show is trying to do. There are too many horrendous tv shows that run for so many seasons and to see that a great show like this cancelled is very unfortunate.

Carolyn L.

This is a great series my family enjoys. My husband's grandmother built planes at Boeing during WW2. We dug through old family pics and letters, and hounded the grand aunts and uncles for stories from those days. My 9 year old son is absorbed with this history and is writing a report about it for class. How the characters deal with social issues and humanity is complex, intelligent and sensitive. Bomb Girls has been an absolute positive experience for my family; and will be a big loss for us when the season ends.

Brittany B.

I love this show! It's so refreshing to watch a show based on the female perspective, which is a high caliber drama instead of some night time, degrading "soap opera" equivalent that draws on cheap and easy tactics to gain ratings from the female demographic. This show is inspiring, engaging, intelligent and superbly done. It is a show Canada can be proud of producing. We all know our entertainment industry needs work, because our talent is forever being lost to the US. Please keep this amazing show alive. This is such a shame. Let's stop selling out to garbage, cookie cutter shows produced by huge US conglomerates.

Stephanie K.

You would think that in this day and age, shows with strong female characters would not be hard to come by, and it's true that sometimes it feels like there are plenty of shows out there, but just after a few minutes of watching Bomb Girls, it becomes clear that those other shows pale in comparison to Bomb Girls. There simply isn't a show out there right now that treats its characters with such respect, that creates storylines from the heart in the way that Bomb Girls does. These women are not just good characters. They are role models. I look up to them. I see myself in them, regardless of the time/period difference. Bomb Girls has found what exists in all of us. It would be such a travesty to let it go. As someone living in the United States, I can't buy the episodes. But I want it to be known that I would. In a heartbeat. And I know others that would do the same. I want so badly to support this show, and living in the US makes that difficult. I know sometimes viewership numbers and money count more than they should, but PLEASE know that there is a viewership out here (in the world, outside of Canada). We care, we're devoted to this show, we will keep watching (and loving and supporting). I hope you reconsider, or find another venue for this show.

Melissa M.

I haven't been invested in Canadian TV shows since watching the original Degraasi series and Road to Avonlea and that was when I was growing up. I'm not one who usually joins campaigns to save shows but this show is too good to just give up and move on. The storylines are well written and all the actresses and actors have great chemistry amongst each other. I love the friendships between the women and to see the difficulties and discrimination women faced at that time. Plus this show is Canadian, what more can I say about having Canadian pride for such a good show! As you can see it's not only Canadians and Americans that watch this show but others around the world too. So please don't give up on this show!!

alisa w.

This show is exceptionally well written. The cast is amazing. There are not many shows outlining the history of Canada's war times. This show has opened my eyes to everything that women in Canada had to go through. Smart, well written shows that center strong women are rare. It is encouraging for women to see other women stand up and work for Canada like the girls in this show. Please renew! This show has been so moving and powerful, and the story is far from over.

Adam M.

This show is important to me for a few reasons. First off, my cousin-in-law Jim Codrington plays Leon Riley on the show and it has been one of the most consistent roles of his career. It has helped my family so much and I'm eternally grateful. Also, as a writer and fan of good TV Drama, I feel like Bomb Girls has raised the bar for Canadian TV shows. All too often, we see the "made in Canada" logo on a show and cringe in terror at the cheesiness and forced Canadian references that will ensue. Bomb Girls does away with that, ensuring that while the show is set in Canada, it never gets cheesy or hokey. It focuses on its characters and tells a great period war story. In short; its fantastic. Canada needs Bomb Girls!

Rebecca J.

Remember the suggestion box? Well this is ours! The daughters and granddaughters of the real bomb girls are DEMANDING another season. This show reminded me what it means to be a woman in America. I'd rather watch this than naked women on "reality" shows any day. You want good ratings? You want to make the big bucks? Then quit disappointing your fans, quit canceling shows that your audience loves and make another season of Bomb Girls. JUST DO IT!

Diane B.

Can't believe they want to cancel this program. Has the kind of content so lacking in today's tv schedules. Those (un)reality shows so popular with the tv networks are just stylized form of bullying. Bomb Girls handles real life issues of domestic violence, prejudice, unconventional relationships, poverty and disability with sensitivity. Keep it on, trash the Amazing Race, Survivor, Apprentice, et al.

Karisha S.

This show is way better than most in America also yay for Canada

Ashley d.

amazing show that digs into Canadian history. One of the best Canadian tv shows I have ever watched

Mary D.

I love this show. I am proud that it is Canadian, in its story and its production. I especially love Betty. I had never considered before how hard it must have been to be gay or lesbian in an era when there were simply no role models like, for example, Ellen or Rosie. Please save this wonderful show - it's refreshing to watch a show about strong women - who LOOK like real women - and who have believable relationships. Please save this show!!

Mia B.

I'm am a huge fan of Bomb Girls it is such a unique show and has wonderful stories and tells a history that is very rarely represented so well on TV. This show connects with me the characters (especially Betty) connect with me. The actors are wonderful! The plot is fantastic! Please, please, please reconsider your decision in canceling Bomb Girls please, don't be like every other TV network and take away something so many love!! Thank you so much!!!

Beth L.

Save BOmb Girls!!!! My life depends on it!

Karen T.

I have been watching a number of shows detailing the time just prior to WWI to just after WWII. All of these shows are from Britain and I was thrilled to learn about "Bomb Girls" as it presents the second World War from the perspective of Canada and women. I have an entirely new perspective on war and on our Canadian History of that time. It is interesting to then "marry" that perspective with what I am learning from the four or five British programs I am watching set in and around the same time period. This program is well done and shows how difficult the lives of women were even while we were expanding our horizons through meaningful work. I am hoping that young women will see how important it is to fight for our rights and for the rights of all people. It really is one of the best programs on TV, well written, excellent cast. Please reconsider.

<i>jonathan j.</i>	we all loves the bomb girls is the best show we all ever watched,we look forward watching every monday,can,t keep our eyes off that show,true diehard fan of the bomb girls,we all truly loved the show.
<i>Heather G.</i>	Great quality show,
<i>Don M.</i>	Awesome show displaying Actors with real talent.
<i>Elizabeth N.</i>	I believe I speak for many American viewers who are just discovering this show via Netflix and were simultaneously thrilled to find it and saddened to find that it is being cancelled. Why not take advantage of this new and growing audience? Please reconsider your decision.
<i>Francis C.</i>	I love the actors
<i>Melissa L.</i>	Great show and we need great canadian TV!!
<i>Frieda M.</i>	Quality Canadian TV that actually gives a fair representation of women!

<i>Lauren M.</i>	Bomb Girls is a special, innovative, original show that needs to be on television because it sheds light on the untold stories of the heroic women who put there lives on the line to help make a difference in the world during war. I think those stories are needed and surely laking in t.v these days. I love all the cast, crew, writers, etc that were able to put a masterpiece like this show together. You can't let that group of talented individual go. I will be watching it in America with a lot of my friends on reelz. So, please renew Bomb Girls for a 3rd season.
<i>Jan P.</i>	great characters and storylines
<i>Anne M.</i>	it our past
<i>Crystal P.</i>	I love Bomb Girls! Don't cancell it!!!!
<i>Emma M.</i>	This show has finally shown something so rarely displayed on tv; women in real friendships, fighting for real issues and not just revolving their lives around who they're dating and having that be the extent of their storyline. These characters are complex, they're complicated, they're 3 dimensional for once. Cancelling this show and depriving its audience of a real ending would be a massive disservice to everyone whos fallen in love with them.
<i>Elaine M.</i>	I look forward to this show every week. I rarely like t.v. shows.
<i>Jordan R.</i>	Again, thus is one of the best sites on television right now and it would be a complete Shane to end it.

<i>Laura n.</i>	If I could live for a month inside any TV show, it would be this one. the writing is superb and makes the viewer really feel part of the lives of the characters. Having a Gay character gives those in the LGBT community a voice and it's also showing that true friends don't care what your sexuality is. This is an important show and must be saved.
<i>Lea T.</i>	I've been so over tv lately and then I decided to watch an episode of bomb girls on Netflix and I was so overwhelmingly surprised. This show has, hands down, some of the best writing and characters I've seen in years. I mean honestly, a show where women aren't depicted as catty bitches and mere plot devices for the men? It's actually rather disgusting to say that has been so hard to find recently. Bomb girls really moved me, and I really do believe if picked up for another season this amazing shows fanbase will certainly grow.
<i>Blanche V.</i>	This tv show is awesome. THE CAST IS AWESOME. I NEED IT HAHA!
<i>Alessandra R.</i>	Such a great show as if it's getting cancelled!!
<i>Abigail I.</i>	The show is too amazing to cancel! It'll break so many hearts!
<i>R M.</i>	LOVE BOMB GIRLS!! Such a great show about the Canadian part in WWII also...something different :)
<i>Shanea N.</i>	"This is not the end, nor is it the beginning of the end but it is the end of the beginning."

Brandi K.

I LOVE THIS SHOW! It's created really well, the details are fantastic, the story line is intriguing, the actors are phenomenal. Global's best decision was making season two and worst decision is cancelling the series. It's great for showing females of all ages their importance and teaching them they, as well as the men, can have everything, including a family and a career. It sheds light on huge part of the war that was overlooked. BRING IT BACK!

Lori G.

We love this show!!! We laugh, we cry and we look forward to watching every week. Not only is it entertaining it is somewhat of a history lesson. My children ask questions about our (Canadian) part in WWII. It also allows us to see the type of place that my grandmother worked during the war. It shows how women's roles began to change and how challenging it was. Please don't cancel this wonderful program!!

Ginevre S.

I love this show. I don't want it to end.

Spring M.

This is one of the best original shows to air on TV in ages. Period. Not just for Canada, not just for its genre. Please don't give in to the American model of garbage reality TV -- this is a gem and you know it! Do not cancel something with so much talent, substance and integrity!

Teresa L.

This is important to me because I feel bomb girls exhibited not only important historical events but also portrayed women during this time in a new light (which was much needed). The shows exciting storyline, unique characters and authenticity is what ultimately set it apart from all the other shows.

Lib L.

Bomb Girls is one of the best tv shows out there, and the fact that it's Canadian is more than enough to keep it on. it's the only show that let's us see what it was like during WWII for women, who are the unsung heroes. without them, who knows what would have happened? everyone should know that.

brian s.

it's the best show on air that has a true Canadian content

Mckayla D.

The show is not only historical but also interesting. Many young women and older women alike can relate to the characters in the show. Not only that, but the show is completey well-written and the actors/actresses are great!

Karen C.

This is an excellent show depicting a very important time in our history. It shows how very important woman were during wartime. My mother worked in a defense plant and I have been able to see just how things were at that time. Such a great show. Not enough good TV. Sick and tired of reality shows.

Leah S.

One of the best written shows on television. Please don't let this go to make way for more of the same mindless drivel.

Lesley

This is a great show about our past. We are losing our heritage at a great rate of speed. We need to let everyone know what happened in the past. The show is really good great actors as well. Very well done. DO NOT DO THIS!!!!

Heather S.

I love this show. My mom & I always watch it together. We have never had a show we like in common.

Joyce G.

Can't imagine why this series would be cancelled. It's one of the few shows on TV worth watching. History, superlative acting, awesome story line. There has not been an episode that I didn't enjoy. Please reconsider and keep this show on the air. There is so much more storyline to explore.

Ydamor R.

Global Executives! Dare to support quality TV! Stand behind a show that presents a different point of view to the most significant even in the history of the northern hemisphere! Shows like Bomb Girls are our last hope to stop the idiotization of TV viewers!

Olga B.

Great show, Canadian and stories are interesting about strong women. Please keep it!!!

<i>Megan F.</i>	Bomb Girls is hands down one of the best shows I have seen in my life. It is not just entertaining, but moving, thought provoking and educational. I love watching the character development of the strong and diverse female leads. Bomb Girls does not shy away from tackling controversial issues such as infidelity, sexuality, abortion, religion etc. The show promotes diversity and evokes empathy from its audience. This is so refreshing as most stations are saturated with banal reality shows. As a young Canadian woman, watching this show empowers me to consider my impact on the world, and also helps me imagine my Grandmother's youth. It unites generations and has so much potential. Please keep telling these compelling stories about great women. Thank you.
<i>Terri B.</i>	This is a great Canadian program that needs to be saved
<i>Nick D.</i>	Global needs a wake up call, always cancelling shows that show ratings is nonsense.
<i>Jade L.</i>	Because this show is AWESOME! So much better than a lot of other stuff on TV.
<i>Rachel M.</i>	This show is awesome!
<i>Meredith H.</i>	This show is the best!

John G.

There are so few programs - TV or feature length movies - that tell about the Canadian involvement in WWII. There is so much we do not know about our own history! This show helps rectify that, to a degree. It's well-written, well-acted and an award-winning show, as well. I really do think it would be extremely unfortunate for Global to cancel it while continuing to pick up feeds of American shows from US-based networks. Shame on you, Global! Where is your sense of Canadian patriotism?

Kathleen A.

Why on Earth would you ever want to cancel Bomb Girls??!!!! I love this show, my son loves this show, my coworkers love this show, my friends love this show. It's what we talk about at work every Tuesday. Seriously! The cast is awesome, the acting ,phenomenal and the costumes and set decor is so authentic and it brings back wonderful memories of my Mother and Father and my childhood growing up in Vancouver, BC. The story lines, the plots, everything about this show is so wonderfully good! I can't get enough of it. This is good television, tv watching at its best. . It is such a refreshing change from all the boring reality shows, really, how many more bachelor shows and hoarding shows can one stomach. Please please please, I beg you, my son begs you, my coworkers beg you my friends beg you and all the other Bomb Girl fans beg you, don't cancel the show! It's what we want to watch!

Jessica L.

I find this amazing show just to hear is cancelled. please bring it back. many love it!

<i>Virginia M.</i>	Bomb Girls is the best show on TV!
<i>Amber M.</i>	Amazing programming that is good for the whole family.
<i>Pamela C.</i>	It's an amazing show
<i>Keely H.</i>	This is an amazing Canadian show! Watching it is one of the highlights of my week. Keep Bomb Girls on the air!
<i>Sandy D.</i>	Strong female characters, great costumes and sets, great plot. My 17 year old daughter is gay and Betty is a role model for her
<i>Leslie K.</i>	Such a well-acted series.
<i>Jennifer S.</i>	One of the Best Canadian shows ever made. Lots of history and important info-great story lines.
<i>Maggie H.</i>	Because I am so in love and invested into these characters!
<i>Karen K.</i>	Best show in a very long time! Great story & acting.
<i>Christine L.</i>	My teenage daughter and I finally have something to watch and enjoy together and they cancel it???? Shame.
<i>Sue B.</i>	BOMB GIRLS is one of the "can hardly wait for the next episode" shows. It encourages so much conversation about womens' development, social issuses & changes, personal interactions & Canadian History, that some of us can remember & relate to. And, it's won awards.

Esme O.

Bomb Girls is very important to me. The tough, fearless characters have given me courage in a difficult time of my life. It is really great to see positive, real, media portrayals of women, and Betty especially has given me courage to accept myself. Thank you Global TV network for what you have given me so far; please continue Bomb Girls so other girls can gain confidence from your show, as I have. The world needs more positive feminist role models!

Mallory B.

There is no other show on television that we'll be able to find that portrays women as honourably, as strongly, and as importantly as the team of writers for this show do. Each woman's story is unique and equally important, and essentially necessary to be told altogether. It's really saddening that these story lines, history lessons, character's developments, and messages of empowerment, are going to be stopped so short. When there's so much more to be told and shown through them. Such important and relatable issues are addressed and broadened on this show because of the entire phenomenal team behind it.

Christina C.

I absolutely LOVE Bomb Girls! It's a revolutionary Canadian tv show that needs to stay on the air! :D

Marie-Pier B.

It's one of the best TV show I've ever witnessed!!

Barbara W.

brings history to life. good to see something not based in U.S.A

Rebekah B.

PLEASE!!!!!! Keep this show going, it inspires me and makes me happy :)

<i>Marjorie D.</i>	Love this program. Please continue!!
<i>Esther M.</i>	Please bring bomb girls back!
<i>KRIS K.</i>	THIS IS A SHOW THAT CAN BE SHARED BY ALL MEMBERS OF OUR FAMILY. GRANDPARENTS WHO LIVED THROUGH THIS ERA CAN REFLECT AND SHARE THEIR OWN STORIES. YOUNGER PEOPLE CAN LEARN MORE ABOUT WW2 WHILE BEING ENGAGED IN A GREAT STORYLINE WITH MANY THEMES. EACH EPISODE CONTAINS SO MUCH HISTORICAL INFORMATION AS WELL AS EMOTIONS, EXCELLENT ACTING AND CAMERA WORK. IT IS OUR FAVORITE SHOW!
<i>Amanda C.</i>	Great show. Don't go out like Lost or The Sopranos.
<i>Nora M.</i>	It is so well done, please keep it going.
<i>Priscilla L.</i>	My husband and I discovered "Bomb Girls" only recently on Netflix. We live in Seattle. We have LOVED this smart, moving, and finely acted series and are so sorry to know that it has been cancelled. Please know that the series continues to touch so many of us - please consider continuing this fine series for at least another year!
<i>Janis M.</i>	I love this show, it's a history lesson in a fun way. Please continue for many more seasons.
<i>Ruth H.</i>	Save the show please it has been a fantastic series don't deprive viewers of further wonderful episodes.

<i>M. J.</i>	I want the show to go on. Reality TV sucks. I like this series better than anything else.
<i>Jennifer V.</i>	This show is GREAT !!!! Please bring it back!!!♥
<i>Casandra C.</i>	Amazing show!!!
<i>Somer P.</i>	this show is SO well done. How could it ever get cancelled? I am so sad...I just found this show yesterday and am in love with it and was so bummed to find out there are no more seasons to watch! :(
<i>D. N.</i>	Global Should Listen To The Public !
<i>Michael H.</i>	One of the best on TV, Canada or US. There is such depth to the storyline and to each of the characters. This deserves to be renewed.
<i>Jane</i>	It would be fab for you to continue with the life stories and to make a Series 3 of Bomb Girls.
<i>adie</i>	Please save this show! I only just found it...and it is AMAZING!!
<i>Megan K.</i>	It is a huge mistake to cancel Bomb Girls! If the focus were on the men of WWII, would this even be an issue? I doubt it. I never missed an episode -- my small way to honor the sacrifices women made during this time. It is well documented what men sacrificed, but not of their support from home.
<i>K. C.</i>	Come on Global! This is your chance to continue some quality programing that I never missed. Please do a season 3.

Kathy D.

Love this show - real women doing a man's job. Love the clothes, cars - acting is superb!

Louise S.

Barnbow was a large munitions factory in my city during WW1 and many women were killed during an explosion. This part of women's history, their bravery and nerve in the face of daunting duties, is woefully under-represented in the media. Bomb Girls was a wonderful and rare contribution. Do your duty-BRING IT BACK!!

adrienne

The problem is Global wants to cancel it. theres talk about moving it to an american company but Global tv wants to end the show. In spite of a poor timeslot Bomb Girls had great ratings for a nonmainstream program with controversial content (because in 2013 having in depth female characters of all kinds of background is still unrecognized!)I think if another company is willing to pick up Bomb Girls (maybe Reelz since they had The Kennedys miniseries, or PBS or another company) we might have a chance of keeping the show alive. Even if its just for the Firefly-esque movie and 10 years from now we'll still be asking why it got canceled.

Trombonist

I just... I just really want good things for all the characters. I wanted to see them celebrating when the war ended and figuring out what to do after the war and staying in I I want Betty to get her house and a kick-ass girlfriend (Kate or not) and a job where she can show everyone how awesome she is. I want Kate to find a place where she feels like she really belongs and is safe and can sing a lot and maybe she lives in Betty's house too. I want Vera to take over some big awesome business and be the boss. I want Carol to start making friends with all the others and maybe work with Vera and keep being awesome and snarky. I want Lorna to be able to find a balance between work and family and be majorly fulfilled. I want Marco's family to come back together and for everyone to acknowledge what his family went through. I'm still ticked at Gladys over the spy thing but I'd really love for her to be happy and independent and working. Why must this show be cancelled? :'(

Tessa Kennedy

Yikes, I still can't believe we won't get a third season. There is something seriously wrong with that...

Ashley

So many feelings...I can't words express...My brain is stuck repeating "this is not okay. I am not okay. This is NOT okay! Seriously though, this show quickly became my one of (if not my all time) favourite shows. Every character touched me in a way no other show has ever come close to. I feel like I am actually mourning friends, not just a television show. I am glad we all had a chance to meet these exceptional characters, and the passionate people behind them. Yes, it is a crime against humanity to cancel this show after only two seasons, but I am also grateful a show this wonderful came along to show us what quality storytelling on television looks like. How one show can reach out to so many groups and unite us with a common history. To show us that, while not always perfect, a show can try to be respectful to minorities and actually be educational about history and social movements. Kate, your recaps have captured all of my thoughts and emotions better than I could have ever verbalized myself. Your recaps were always my first stop after watching an episode (occasionally I would even put off watching one until your recap got posted because feelings). I hope you can recover enough to do retro-caps of the first season. Also, you're safe here now is forever seared into my soul.

LK

That's it. This will cause America to invade Canada. You better saddle up yer moose, cause we're coming for out TV shows. AT LEAST WE STILL HAVE LOST GIRL, RIGHT?

Rebecca

Proof that the universe is cruel: Bomb Girls is cancelled after two seasons. Glee is renewed for two more.

Eifa

I am heartbroken, but not surprised; what's more worrying is that the tweets from the cast indicate that production of the tv movie is still very much up in the air. I'm glad everyone loves Betty so much – she is truly fabulous, a unique contribution to lesbian tv history and so wonderfully and empathetically played by our dear Alibear. But I really want to put a shout out here for Kate Andrews, and her own special contribution to the pantheon of televised ladies who gay. One of the most frustrating things for me was that as this lovely fandom grew I was unable to enjoy the show's rising popularity because so many watchers seemed hell bent on condemning Kate to the fiery pits her father so loved to evoke. I know, I know, we're sick of coming out stories (although how many are actually any good?) and tedious gayngst, but Kate's story was something else. Her struggles to survive her abuse and to fight for who she is – in her music, in her relationships, in her faith and her work – was so unbelievably affecting, and every second she breathed was a triumph over those who would drag her down. Her strength was astounding, and this season I've enjoyed nothing more than watching her systematically tell anyone who tried to control her to go f themselves with a tin of beans, with the possible exception of the jump cut from Betty's first lady bang to the word 'VICTORY'. It makes me really sad that, realistically speaking, we won't see Kate's story resolve fully in the remaining episodes, and possibly not at all. In the end I just really hope that wherever she decides she stands on the old sexuality spectrum she can keep building that self-love and remain the badass Disney Princess we know she is inside. So yes, I love Betty more than everything else on TV in the last ten years, pretty much, and I am so terribly sad that the future will not hold my regular injection of Ali Liebert's ridiculous heartbreaking face.

<i>Trombonist</i>	But this was the best show in the history of ever. You can't just go and cancel the best show in the history of ever.
<i>Heather</i>	It hurts my heart that Bomb Girls has been cancelled, yet Glee will live to see another season. I'd rather have two more seasons of fearless females characters navigating their identities with real depth than two more seasons of lackluster covers of popular songs and half-assed attempts to to discuss social issues—and I'm an ex-Show Choir kid.
<i>Hannah</i>	I sent Shaw an email this morning promising that I'd move to Canada if they renewed Bomb Girls. There is obviously no god.
<i>Jessie</i>	this is the saddest :(i need to find something just like bomb girls to fill the hole in my life... books? other tv? anything!!!
<i>Lora</i>	I hope I didn't bust y'all's ear drums with my anguished cries just now. I wanted to make sure they could hear them in Canada. Dear Shaw Media and Global TV: I will start saying "aboot" instead of "about" if you please just renew "Bomb Girls." I will even adopt a moose. And try poutine. And enroll at Degrassi High. Just renew the damn show.
<i>Genevieve</i>	This is just like Firefly all over again. WHY, CANADA, WHY.
<i>sunhaina</i>	NOOOOOOOOO!!! Canada, how can you do this to us? I thought you were friendly and inoffensive and effing good at making quality TV! Why are you breaking my heart like this?

Lily

I feel like a lot of people are just getting into Bomb Girls and falling in love with it, and then they go and fucking cancel it!? MY BREASTS ACHE WITH RAGE!

Kirsten

I just found this show, watched every episode released so far in the span of three days... and then they go and cancel it! For shame!

Samantha

Seriously the worst news I've received in a while. Why would they do this? I know Canadian film/tv industry is really struggling right now, but they had a gold mine! I just don't understand why they would just throw something like this away.

PaperOFlowers

This is so infuriating. Global, if it's an honour to host this show, WHY THE FUCK ARE YOU CANCELLING IT. I would love for CBC to pick this up. Oh god, I can't believe they're not continuing with this

Maris B.

I would just like to join the chorus in hollering about how much Bomb Girls' cancellation sucks. It's sad that we have only a handful, if that, of shows featuring strong, well-developed female characters on TV. It's even sadder that we have to import them from other countries (here in the US), and it's the saddest that they get cancelled after two seasons, in spite of decent ratings and good streaming numbers. It just doesn't bode well for other TV being made that appeals to women, let alone lesbians. I mean, when was the last time you can think of that a decently watchable lesbian movie was made in the US? Or that a lesbian character served as anything other than eye candy or monster bait on a TV show, or had any semblance of a real romantic relationship that didn't involve a man? Ugh. I'm just so damn frustrated. What we need to do is to start writing and funding queer movies and TV shows ourselves. That's what the Internet and Kickstarter is for, right? Either Autostraddle or AfterEllen (does anyone between the ages of 16 and 40 read AfterEllen anymore?) should have a feature where they spotlight the Kickstarter film/TV/short movie projects of lesbian and bisexual women and trans* folks that pass some kind of sniff/laugh/Bechdel/actual quality test that need funding. If we start showing mainstream production companies that there is interest and buying power behind lesbian/queer/gender queer films, then maybe better products that are more relevant to our interests will get made. Sadly, it seems too late for that to happen for Bomb Girls – because apparently logic doesn't apply to Canadian broadcasting, but maybe we can help get something else going that is just as good.

<i>Reena</i>	You had one job Global!
<i>K</i>	NO. Back-to-back viewing of Mad Men and Bomb Girls created such a beautiful balance in my week...this is a sad day for lesbian- and history-lovers everywhere.
<i>JMO</i>	Ugh.... I just started watching because of AS!!! Why do all the good things get cancelled? I think we should petition Netflix to pick it up like they have with Arrested Development.
<i>Ava</i>	<p>I feel like Global or Shaw or whomever really dropped the ball here. If you know you have a big international following for your show, give the fans outside of Canada a legal way to watch it that will generate ratings/ad revenue for the network. That's what Lost Girl has done and I think they're doing well with it. (It got renewed for a 4th season, at any rate.) If you can't get a foreign network to pick up the show, at least unlock the streams on your website so international viewers can watch there. (I don't at all know how these things work, technologically or legally, but that makes sense in my head.) It does no good to have an international following if they can't help with ratings/revenue because the only way for them to see the show is via illegal means. Bomb Girls is a brilliant show; I started watching because of the lesbian character but she's not even my favorite now. (That honor goes to Ms. Gladys Witham.) I feel like that's how I know a show is really good – if I'd watch it even if there weren't lesbians. Really sad to see it end so soon.</p>

Take a good damn look and remember this, Ladies. This is how much respect these media companies do NOT have for you. They don't give a rat's ass when an amazingly well-written, multidimensional slice of historical story telling with women at its core and with complex characters that we NEVER EVER get to see anywhere else on TV comes along. All they care about is how much \$MONEY\$ they are or are not making on a show. And yes, this is why pathetic, vapid shows like Survivor and The Voice persist, while critically-acclaimed projects like Bomb Girls are maimed (by horrible scheduling) and eventually killed (when heads-up-their-asses MediaCo execs claim the ratings are not there). Bye bye shitty television and the shitty media companies that force feed it to us. I'm done.

Tessa K.

I can't live in a world with no McAndrews. Hoping that CBC will pick the show up.

Susan H.

the Canadian networks of which Global is one was supposed to have a certain amount of shows originated Canada to provide a buffer for the onslaught of American shows....that has not happened ever...and , now we will not have any more bomb girls...a show that showed how many of our grandmothers and mothers worked so hard in ww2 ... not just because the men were not there but because there were no one to fill some of the worst jobs ever ..like air traffic control...going without much food for many hours in freezing towers wearing ridiculous uniforms suited for the summer. The stories portrayed on the show managed to personalize for many of us ..the true underrepresented stories of what women do during wars.It is a real shame that we have so much shit on TV and yet cannot come up with the money to keep up with quality shows because some executive does not understand the need for entertainment and education.

Chavela

This... blows. I don't get it. It's apparently like a national home-grown TV sensation in Canada. Strange decision. In terms of awesome historical TV characters, however, I humbly offer a shout-out to Isabel on the Spanish cowboy epic Tierra de Lobos. She's a gun-totin' tequila-drinkin' babe with a (mostly) convincing storyline. Unfortunately getting the English subtitle versions are difficult at present *holds out hope for DVD*! I also don't know how stable that show is at present, in terms of renewal- argh! What is WRONG with the world.

<i>Afton J.</i>	Yay! Save Bomb Girls! Such a fun show with positive portrayals of women. Definitely passes the bechdel test! Hope it can be saved.
<i>Hannah B.</i>	Just discovered you guys on netflix, doing a marathon!!! Wishin there was more than 2 seasons!! Unlike other girl themed, you don't exploit them, make it unreal by making them more of a sex symbol than a true to life women helping war efforts. Bravo!
<i>Kimber P.</i>	Please bring back this truly great show!
<i>Gail K.</i>	Please renew the Bomb girls it's one of my favourite show.
<i>Hilary F.</i>	Bomb Girls is an excellent, smartly written TV series, that talks about women entering the work force during World War II. The series is well cast and the characters are interesting and diverse. I love the costuming as well. I am sad to hear that Global TV (Canadian TV Production Company) is cancelling this TV series. It is rare to find such an engaging TV series.
<i>Tanya F.</i>	Terribly disappointed that Bomb Girls isn't returning this season. I really enjoyed the show and watched every week.
<i>Rosalyn R.</i>	Such an amazing, quality show in among all the "reality" crap that dominates the airwaves.

<i>Sue W.</i>	Cannot believe there will be no more Bomb Girls, its been the best series[apart from Downton Abbey] thats bee non british tv for ages,please campain to keep it
<i>Doris S.</i>	I love this show!!!
<i>Ro P.</i>	This was an amazing show. Loved each character. Great story lines. What happened????? Bring Bomb girls back. Need more shows like this.
<i>Isis R.</i>	I am so disappointed show is not in 2014 line up. It was nice to see a series that wasn't about law enforcement, emergency medicine as the present trend seems to be. I was entertained and engaged in the lives of the characters who were refreshingly written as strong, intelligent beings. I hope it comes back.
<i>Kathryn M.</i>	I'm glad to see that all the badges I printed and decorated with drawings of Vancouver garden flowers had some effect after I sent them to Global. I have just e-mailed the questions page of TVWeek to see if Global has given any date for when it will be shown.
<i>Matt S.</i>	Great show, well written interesting characters. I have been watching on Netflix, and want to see a season 3! Maybe Netflix should pick it up as a Netflix original series?
<i>Monica T.</i>	I love bomb girls, and their stories and relationships were in the middle of growing. I am going to really miss Bomb Girls, and I really hope they bring this show back!!

<i>Chantal K.</i>	I'm really sad because of the end of Bomb girl's! I need a new season!
<i>Kat P.</i>	Just when you get truly enthralled in a show, they rip it away
<i>Alicia G.</i>	Just got turned into the show via a Netflix suggestion! So sad to hear now after I have furiously watched all episodes that the show has been cancelled. Please bring it back!
<i>Kira H.</i>	Just watched seasons 1 & 2 again! Cannot get enough Bomb Girls!
<i>Valarie J.</i>	This is the best tv series I've seen in a long time. It's sad how little time they give shows to catch fire.
<i>Jessica S.</i>	I'm so sad to find out that BOMB GIRLS was cancelled... Watching the show made me feel closer to my deceased grandmother who was a product of that era...
<i>Jordan R.</i>	Just started watching and I love it! Would be a loss if it was cancelled
<i>Marie C.</i>	Here's my little V-Mail! It's such a shame Bomb Girls is coming to an end. The show really brings to light how much the women helped with the war effort. It's also a breath of fresh air seeing a show that has such a strong group of female characters. I sincerely hope it gets picked up by another network because it has a very strong fan base and it's just really an amazing show! I don't even have words to describe how much I adore Bomb Girls!
<i>Jennifer G.</i>	Bring back Bomb Girls!

<i>Christina P.</i>	LOVED THIS SHOW.....PLEASE CONYINUE IT.....
<i>James R.</i>	Finally a show that I actually LOOKED forward to seeing when I saw the original trailers for Season One. Loved the show from the start! Although I did not live through that time period, my Grandparents and Parents did...and in Toronto for the most part. I awaited the renewal with in trepidation but was relieved when I heard the Second Season was coming...another great series! I wholeheartedly support the demand for a third Season! It is wonderful that there will be a movie too; but, I don't see how it can tie up so many storylines without hurting others to have all come to a conclusion and be realistic. Sure give us the movie but continue with more years of stories...at least for a few more Seasons... If the ratings and interest overseas was so great...take the Series to Netflix or start an on-line series...
<i>Dave R.</i>	Love this show and I hope it can be saved!
<i>Anne R.</i>	There are so few quality TV programs offered today. Please continue production of Bomb Girls.
<i>Layla R.</i>	please bring back with Season 3...great show!
<i>Jo-Ann Leake</i>	PLEASE show support for quality TV! There is too much reality "junk" - inspire us by saving this wonderful series that offers viewers reality WITH grace and dignity!

<i>Alice laquinta</i>	This series should be continued as a series. It is excellent. I am so sick of murder, dead, mutilated bodies, criminal minds, crime scene investigators, and more and more violence. This decision to cancel the series is just plain stupid. Real people want entertainment that is well done. They don't want more grimeness of autopsies, gaping wounds, brain splatter and dismembered body parts. This is a wonderful period piece. Keep those episodes coming. From the USA.
<i>@h_m_somerville</i>	Three episodes in and I'm absolutely in love with #BombGirls
<i>@danasfairbanks</i>	happy canada day! dear canada, thank you for bomb girls, tatiana maslany and joanne kelly

<i>@adrblepancreas</i>	Happy Canada Day! Thank you to the kind folks up North for giving us Shay Mitchell, Ellen Page, & the most feel-sy show ever, Bomb Girls. <
<i>@lauracshum</i>	Wait...there's no season ? DO YOU MEAN WHEN I FINISH # IT'S OVER?!??!
<i>@multitudeofgeek</i>	Global would only agree to a TV movie. But people aren't giving up. Cuz it's that freaking good! #SaveBombGirls
<i>@kita_kami</i>	this show just reminds me of Bomb Girls and makes me angry that Global cancelled that show. Fuck Canadian TV man.

<i>Retromama</i>	I discovered Bomb Girls on Netflix about a month ago. I was hooked right away! I can't believe that it was so poorly promoted and that most of us in the US didn't know about it until we fell in love on Netflix. I would love to see it become a Netflix show that can be enjoyed by everyone.
<i>cheriontop</i>	I'm from the U.S. and I just started watching Bomb Girls just 2 days ago. Today I just finished the last episode. I wish this show aired also in the states because it's soooooooo good!!! So sad that it got canceled... But yay for a movie. I'm very fascinated about the WWII period and love watching shows/movies that take place that time. So I'm very glad I found Bomb Girls. I also love how they included Lesbianism, especially during that time where it wasn't common! GO BETTY!! P.S. I totally had a crush on her Teresa... Anyways I Love the show and I hope they bring it back soon <333

I just recently started watching the Bomb Girls series on Netflix and I have completed the first season. I am loving this show! I can't wait to see season 2! I love it so much I googled the show to be sure it is still in production, but now I find this protest about its cancellation. Please keep this show running. I am already sad that I only have 12 shows to watch and it will be gone forever. This is a great story line and it makes us all aware of a time in our recent history that evil had to get fought and eradicated. Please continue production of this show. Ps. I love the costumes, sets, cars, everything of the 40's portrayed in this show!

Janet H.

Please do not cancel this show. It is one of the best series I have ever watched.

Jane D.

This is a great show! One of the very best. Accurate, and beautifully researched and presented. A real feather in the cap for Canadian productions. Told family about it and they are totally hooked!! Please revitalize it and carry on with it. It is so much better than Land Girls -- the latter is laden with contrivances and predictability.

Christy

Please. Bring the show back!! My grandmother served in a steel mill in Pittsburgh during the war and this is the closest representation of what our women Sacrificed for the war! I love it and so does my daughter!! I love the setting in Canada it's new perspective of what our neighbors to the north did for the war effort!! Please bring it back!!

<i>Adrienn</i>	I would love to say this is my best loved tv show ever! Really miss this tv show. I am hoping will continue soon again. Please keep it going!
<i>Clara C.</i>	please save bomb girls
<i>Adriane R. L.</i>	Please do not cancel Bomb Girls. I absolutely love this show and all the characters. They have become my family and my friends. I will be lost without them please!!!!

<i>@aliisamoose</i>	Dear @Global_TV and @ShawMediaTV_PR. If this #bombgirls move doesn't happen AS PROMISED (remember the promises you made??) we WILL riot.

<i>Richard B.</i>	One of my all time favorite shows. Please do not cancel!
<i>Rana B.</i>	I discovered Bomb Girls on Netflix and have watched almost all the episodes. Even my mom, who is 87 and worked at a bullet factory in Iowa during WWII loved the show!! I wanted to see if new episodes were going to be made and I was extremely disappointed to find out that it was cancelled! I live in the U.S and we had a similar thing happen with a show called "Drop Dead Diva" that was cancelled. The fans of the show rallied with protests to bring it back and it actually wo...See More

<i>Cathryn D.</i>	Would just like to show my support to save the Bomb Girls, came across it by accident but is definitely one of the best shows on TV and have seen every episode. My hubby and I have been gripped every week and there is so much more scope to develop this series and would be an absolutely shame to all who watch the show. SAVE THE BOMB GIRLS PLEASE
<i>Renee T.</i>	Please make a season 3. Do not cancel this show, it is well written and acted! it is a gem
<i>Wanda S.</i>	Bomb Girls was a well-made Canadian show. I hope they change their minds and make more seasons. It has a lot more substance than a lot of the cheesy shows on tv these days.
<i>Nikolai D.</i>	love this show educational and beyond entertaining than the reality tv we have more and more to watch today.. whyyyyyy did it have to cancel.... oh i see we need to concentrate our minds on brain dead tv shows... a woman point of view i love it and to be ablt to see into the past even a little..... PLEASE COME BACK!!!!!! I LOVE YOU as I am corrupted
<i>Nicole B.</i>	Save bomb girls! Such an amazing show
<i>Karen G.</i>	This was the best show, now they aren't going to do a 3rd series, but are talking about a TV Movie! I hope it will air in the USA!
<i>Bernie Z.</i>	This show was a must see for the two seasons. Bring it back please.
<i>Sherry V.</i>	love this show

<i>Seanna F.</i>	Bomb Girls is an amazing show!!! Definitely worthy of being saved!!! Please do not cancel this show... It portrays strong female characters at a time when women were still considered second class citizens, and it shows how much women did to support the war effort. #savebombgirls
<i>John F.</i>	I watched every episode and was looking forward to seeing more. The only show I made time to watch in many years. Very disappointed it has not continued. Miss Bomb Girls very much:(
<i>Nisha A.</i>	I absolutely adore this show and watch it on Netflix because I don't have cable. Maybe you guys could see if Netflix wants to pick it up? I'd hate to see it go with so much promise.
<i>Cindy L.</i>	Was checking Facebook to see when the third season was to premiere and saw that the show had been cancelled. This was a great show!
<i>Mary O.</i>	I just find this very good series on Netflix, watch it and then find out it is being cancelled. I just don't get why good entertainment does not last. Learned a lot history from this about what was going on just across the border in Canada before the U.S. entered WWII
<i>Amelia S.</i>	Canceling Bomb Girls in its second season was like canceling Breaking Bad in its second season.

<i>Mickey C.</i>	Well I must say one of the best shows to come out of Canada , I was hoping it would run for several seasons.I see where Canadian TV wasn't big on it. I think American viewers were, why not just turn it over to a US organization to keep on producing this great show.
<i>Tammy T.</i>	Wonderful show!
<i>Nina S.</i>	Love the show finished watching it tonight and am so sad to find out that it is canceled. It is worth bringing back.
<i>Gail K.</i>	What's the scoop? Did signing the petition do anything? or a waste of time? We should just boycott Global tv until they bring them back. I can't believe they did this. TV suck...
<i>Elaine C.</i>	Great story, wonderful costumes. Love to see the show continued.
<i>Debra M.</i>	I loved this series! We are hoping for more.
<i>Ray F.</i>	Everyone that has seen Bomb Girls here in Sacramento California has loved it . I hope Canadians are smarter than the Americans who fall for the junk being put out down here. Bring the girls back.
<i>Becky R.</i>	My husband and I are great fans. We just finished watching it on Netflix. Didn't realize it might not be continued.
<i>Lara & Tam</i>	It would be a total shame to lose such an outstanding ensemble of gifted and talented actors. Awesome show!

<i>Kim B.</i>	I just finished watching Bomb Girls on Netflix. Only to find out that they are not continuing this wonderful show. I hope that they do save Bomb Girls. It is so worth watching!!!
<i>Teresita C.</i>	I stumbled across this show on Netflix and fell IN LOVE with it! I'm in season 2 and am dreading the end. Please, please keep the episodes coming!
<i>Rebecca H.</i>	Canada please bring back Bomb Girls! The writers were marvelous! The cast outstanding! I loved going back into the 40's each week and would even watch the reruns! Now I wish I had recorded them so I could watch them over and over. If Canada doesn't bring Bomb Girls back, I hope there's an American production company that see's the value in this show and puts it back on the air!
<i>Nancy W.</i>	This show is awesome and I would love to see it run for more seasons.
<i>Linda W.</i>	I really enjoyed Bomb girls can't believe they have cancelled it. great series.
<i>Alyssa H.</i>	I hope they decide not to cancel. I love the show. It has an amazing story line. Being from Canada myself, it gives us a chance to look into the lives of what Canadian women might have gone through during WW2. Besides, Shaw Media and Global are making a huge mistake with cancelling it after it's huge popularity in other countries(which is rare for a Canadian show).

<i>Jacqueline R.</i>	Cancelled?? This is probably one of the best Canadian shows ever produced about a Canadian viewpoint on the war, and they cancel it??? I'm so sad and disappointed, and I hope that it comes back!
<i>Jacqueline B.</i>	this is one of the best shows on tv, why in the world would anyone want to get rid of such a fabulous show? please keep it on.
<i>Teri H.</i>	I was so disappointed to hear that Bomb Girls was cancelled. The writing, cast and the glimpse the show gave into the reality of the times were all excellent quality. The characters were believable and extremely likable due to the actors ability and each episode was a new adventure. Intelligent, quality TV programming seems to be on the decline unfortunately and Bomb Girls is just the latest victim. I hope the producers will reconsider and bring it back.
<i>Heike S.</i>	I didn't know this show was made in Canada until maybe the 3rd episode. As an American, I really enjoyed seeing how my neighbor to the north was affected. We don't learn much about Canada in US schools.
<i>Sriram M.</i>	This is a great serial- it takes on everything from sexism to racism, to patriotism and homophobia. Love it! So sad to hear it's been taken off air!
<i>The Bletchley Circle Watchers</i>	Happy New Year Save Bomb Girls from The Bletchley Circle Watchers. Excited for series 2 of #TBC and for the Bomb Girls movie!! #TBCW

<i>Beth C.</i>	This was my favorite show! Please bring back a third season.
<i>Pat H.</i>	Just finished watching the end of season two... and I'm missing the whole crew already. Bring them back--the story is not over!!
<i>Teresa B.</i>	A friend just told me about Bomb Girls. I wish BG had a better advertising plan or budget, and channel. No one has ever heard of the show, but I am spreading it as far and fast as I can. GREAT PROGRAM!
<i>Ingrid A.</i>	Absolutely love bomb girls. Please don't cancel.
<i>Angie D.</i>	Harlee has talent... Betty and Gladys. Save the Bomb Girls!
<i>Karen G.</i>	Loved this show, and very upset they canceled!
<i>Dana J.</i>	Just referred a friend this week who is now catching up on Netflix. Please Save Bomb Girls!
<i>Jacqueline B.</i>	Love this show!

<i>Linda O.</i>	#SaveBombGirls please, I watched it in Ireland then on Uk tv. Can't get enough of the fantastic show which showcase women bravery in the war. What courage they had while the men were overseas, what they had to deal with. It was gritty, had realism, characters you brought into your hearts, cared about. The stories and acting were first class. It gave you a broad range of emotions. Cannot see how it got cancelled especially as it won awards. Please uncanceled the show.
<i>Judy L.</i>	This show must go on.
<i>Susan B.</i>	Somebody really made a bad call in cancelling this show.
<i>Heather D.</i>	Love this show!
<i>Jessica C.</i>	I love this show! They need to bring it back
<i>Elsa D.</i>	Such a great show, it should be brought back !!!
<i>Teresita C.</i>	What's not to love about 'Bomb girls' ?! Not only did I fall in love with the characters, I fell in love with the wardrobe! Save Bomb Girls!
<i>Bernie Z.</i>	We are supposed to watch Canadian shows, so the wizards go and cancel a great one.
<i>Judy L.</i>	This show needs to have a season 3 ,4, 5,. A movie will not close the story's that the writers have written. We all know the writers of the show had idea's of season 5.

<i>Michelle N.</i>	Love this show!
--------------------	-----------------

<i>Nikolai D.</i>	I love this shoe I keep thinking about the wait the waiting feeling you get to see the next episode wondering why is going to happen next to see the wonderful costumes and attitudes all the drama unfold, only to already know the show is not running.. Wwwwhhhhyyyyyyy

<i>Trina M.</i>	The show is so well done, I don't understand why/how it would cancel... I have been waiting and waiting for my dvr to pick up the show again. Please bring it back.
<i>Brandy M.</i>	Has anyone ever spoke with the producer about a kickstarter to continue the series via YouTube?
<i>Debra W.</i>	I love this show and really wish they could bring it back!!
<i>Rebecca B.</i>	Too much trash on television. Bring back Bomb Girls!
<i>Greg M.</i>	Enough already. Bring this show back.
<i>Cathy R.</i>	Bring the girls back!
<i>Kim F.</i>	My husband and I are both in mourning over the loss of this show. We got hooked via Netflix. PLEASE bring back the show! Entertaining, and educational. Difficult to find on TV these days. Bomb Girls is both: entertaining and educational. Historical Fiction! BRING IT BACK!
<i>Shari V.</i>	Bring it back!!!! everyone watches this show. Men, woman and children love it.
<i>Judy L.</i>	Why did this show get cancelled again? The show has won awards and still get's nominations for awards.
<i>Linda O.</i>	I am in Ireland and it was my favourite show. Never seen a show like it to promote women and their hard work. I loved it and the acting was the best I have seen in any show since Xena.

<i>Andrea M.</i>	Every time I see pictures of Bomb Girls, I think what could have been. I think who could possibly cancel such a gem of a TV show. When we are so inundated with too much ridiculous reality shows, Bomb Girls told a story, a story of history and of our past which peaked our interest in a good way. Rather than embrace it, the "powers that be" cancels this unique show. It's not too late to pick it up before years go by and we'll remember this show and what could have been. To anyone who has the power to bring this brilliant TV show back or any new network that can pick it up, don't lose this opportunity before it is too late.
<i>Richard B.</i>	One of the best Canadian tv show. Save Bombs Girls! Pleasssseeeee!
<i>Ginnie S.</i>	This show is one of few really worth seeing! Please let it return!
<i>Mindy H.</i>	I just binge watched, and am about to paint my nails red. Meg Tilly is excellent. Love the era, the stories, and the fact that it is truly Canadian. Save this show.
<i>Gabriela C.</i>	I love Bomb Girls!!!! Bring on another season!!!..... please
<i>Patricia M.</i>	Great show., SAVE THE BOMB GIRLS..
<i>Carol F.</i>	Please, save the Bomb Girls! Entertaining and educating all together, the best kind of TV show.
<i>Georgia G.</i>	Just discovered this show today, on Netflix, and am totally in love with it. I wish shows like this were better promoted in order to reach a broader audience.

<i>Gemma C.</i>	Save Bomb Girls. We were late having it aired over here in the UK and I can't believe it has been cancelled. Please continue itxxx
<i>Denise K.</i>	Please save Bomb Girls!! This show is one of the best I have ever seen! It really tells a great story and it means so much to me and to others! I don't get why they want to cancel such an amazing wonderful show that touches so many people.
<i>Sarah C.</i>	Love this show!! On season 2 and don't know what I will do when it's over. Save Bomb Girls!
<i>Angela G.</i>	Please save this awesome show!!!

<i>Marlene I.</i>	Finally a great show come on and is so great it gets cancelled! I'm so sick of the same trash on tv! this is a sin!,, I hope the movie does great so the people will watch it on Netflix and hopefully bring it back. Love from Rhode Island!

<i>Stacey L.</i>	SAVE BOMB GIRLS!!!! PLEASE! :-)))
<i>Zena B.</i>	Yes very. Loved it here in England. Why they canned it I do not know.
<i>Karen B.</i>	I'm beginning to think its a female thing. The L Word, canceled. Lip Service, canceled. Bomb Girls, canceled. Seems like every time there's a strong female cast, it gets the axe.
<i>Judy L.</i>	I would so love Bomb Girls season 3.
<i>Alison M.</i>	Bring back this great show for more seasons! the cast does a brilliant job bringing these young women's characters to the screen. Bring them back for more!

<i>Lynn G.</i>	I am rooting for a Bomb Girls season three!! What a good show! Good luck.
<i>Kat P.</i>	How will us Americans hear of the TV movie releasereally hoping I don't miss it.

<i>Afton J.</i>	Yay! Save Bomb Girls! Such a fun show with positive portrayals of women. Definitely passes the bechdel test! Hope it can be saved.
<i>Nicolene H.</i>	More please
<i>Rodney W.</i>	Bomb Girls is a great series as identified by outstanding ratings from sites such as netflix, imdb, tv.com, etc. All identify the series with ratings such as 4.5 out of 5. Yet Shaw media seems to ignore such acclaim. Maybe it's because Shaw isn't used to this type of acclaim. Wake up, Shaw, success breeds success, and such success would only spill over to you. Bring Bomb Girls back or sell the rights to somebody like Netflix!

Steve C.

Just a little fan mail to express my appreciation for Bomb Girls, a fun little Canadian drama that quickly became a favourite of mine, and one that only got better with time. The acting was superb, the storylines compelling and fresh and the writing tight. It was fun, watchable, and even, I might add, a tad addictive. And I'm not alone in my praise - I am aware that the Bomb Girls fan base stretches far and wide. In an era when one can pretty much catch whatever, whenever - I'm currently watching season two of Prison Break on Netflix and loving every minute of it - it speaks volumes, or at least it should, that so many would choose to devote an hour a week of their time to one particular program. The sad fact is, despite the wide variety, there is a dearth of *good* programming out there, and one would think that a show as well-received as Bomb Girls would be the pride of any network. Sadly, this is not the case, as the decision-makers at Global have decided to axe what is arguably one of the best programs - not to mention one of the best *Canadian* programs - on the air in a good long while. I know, I know, ratings, advertising dollars, all the things that keep network executives awake at night. But as I sit scratching my head I'm reminded of so many shows that became iconic were once considered for cancellation because the initial numbers were low - great shows like M*A*S*H and Cheers wouldn't be the mega-hits they became if they hadn't been given an opportunity to grow. Or All in the Family, for which three pilots were filmed before it finally got on the air. So for now, I look forward to the TV movie - thanks for that, Shaw Media or whomever - but I hold out some hope that someone at Global will give this well-deserving program the second chance it so richly deserves.

<i>Maria V.</i>	If this show is not worthy of a Third Season, Good God, which one is? Save Bomb Girls
<i>Les & Colette S.</i>	What a fantastic show! Don't pull the plug on it! It's got a lot of potential.....:-)
<i>Ellen G.</i>	I just finished season 2 on Netflix-I looked around to see when I could be expecting season 3 and can't believe it's been cancelled! The war isn't over, the stories aren't finished-they deserve many many more seasons to fully expound each characters story! I truly hope a wiser network picks it up-and quickly!!
<i>Roxette M.</i>	Just read bomb girls has been csncelled. What a shame. Finally a Canadian tv show with quality. Based on a history. Too bad our society only wants to watch carp reality shows.
<i>Trish B.</i>	It is one of the best shows on TV - everything about it, the writing, the acting, is excellent. plus it brings to the fore aspects of WWII we are beginning to forget - how women came into their own, how the war affected civilians in Canada, the atrocities overseas and some of the white washing and propaganda we were civilians were exposed. There is a lot left in this story line, please let it continue!
<i>Cassidie</i>	Keep bomb girls! Shows like these are too few.

<i>bombgirl14039</i> <i>o</i>	Bomb Girls is an incredible television show. I was truly disappointed to hear that it had been cancelled (especially leaving the show on such a cliffhanger - what will happen to Betty!) I haven't watched such a quality show in a long time. It's definitely worth keeping.
<i>Jill M.</i>	so very very sad to hear that the series has ended, it was one of the better shows on television!
<i>merdot</i>	I was extremely disappointed that the series ended, just as it seems it was getting started. I am happy there will be a movie to wrap up the story lines, but I would much rather there have been several more seasons of Bomb Girls. Truly, this was one of the quality shows on the air and so much more deserving of renewal than shows like Honey Boo Boo etc.
<i>Kim</i>	I am sad to hear that the series will not continue. The show has been very enjoyable to watch. This is certainly a TV show that should be continued.
<i>Maryland Fan</i>	bring back the series!! love it in the states!!
<i>Kirsten Anne M.</i>	global dropped the ball big time when they cancelled bomb girls. it was the type of show that made viewers think and want to stay tuned.

Annie M.

Sad to hear that its over with. It was one of the only shows I looked forward to watching every week. Sad that they didn't say anything about the series ending. Finding out its becoming a movie instead of when it was starting again is disappointing.

S.C.

was looking forward to watching season 3, came on this site to see when it was starting and was so disappointed to see it's cancelled :(It was one of the few canadian shows that i watched and really enjoyed. It was very well done with costume and sets that were true to the era. I thought it was just getting going and would be one of the shows that made it. I used to record it on my PVR.

Steve N.

Another great, quality television show relegated to the dustbins of history. :-(I believe one of the reasons for the cancellation was that here in the States it was viewed on REELZ tv, which usually has nothing but junk shows airing. And there last production "XXIII" was done so badly you could hardly figure out the plot-lines. A station like that simply wouldn't get the draw for a quality show like "Bomb Girls". The show should have been aired on USA or TNT and it would have had a better chance at survival...

Ash

I also was really disappointed to hear the show ended, it was a great canadian series, well written, and historically intriguing.

<i>wendy0405</i>	So sorry that this wonderful show has ended, but am happy at least there will be some closure with the upcoming movie. I am watching both seasons again on Netflix.
<i>Mary T.</i>	Please renew Bomb Girls it's wonderful!
<i>Rena R. D.</i>	Wonderful show! What an intelligent and interesting look at life during WWII from the female perspective! I miss it! Keep it coming!
<i>Melody D.</i>	I just discovered this show and am really enjoying it. I hope that folks see their way to keep the war going another season or two.
<i>Ashley M.</i>	Found the show recently on netflix and wasn't sure if it was still in production or not... So sad to learn there are only the two seasons! Great while it lasted!
<i>Robin P.</i>	Please bring back the show... And if not the show a tv-movie will definitely do. I loved Bomb Girls for these reasons: It is/was a fantastic tv show portraying the rawness of living during war times which creates a humility in the viewers. It carried with it the quaint appeal of what life would be like in the 1940's in everything from mannerisms, relationships, entertainment and fashion. It holds a large amount of charm and fun as you watch the lives of very relatable characters unfold. It's easy to befriend and relate to the characters.
<i>Doug & Joan R.</i>	How can I help? This show deserves a Season 3!

Heather	I was so disappointed to hear that Bomb Girls was cancelled. Most TV shows today have poor writing and simple content. This show was well written and kept my attention.
Leah	This show is amazing, it is so important that women like this are remembered. During the war women held industry together, we kept our boys strong. We fought with food, with bombs, tanks, rivet guns, wrenches, and shovels. This is an important show to keep on the air.
Robert D.	I have been enjoying bomb girls because my father (a Canadian soldier} was in England at that time and was involved in some of the battles then. I am a Canadian and found this series very interesting. Then Rosie O'Donnell showed up. She is without a doubt one of the worst personalities to darken the stages of American theaters. I will no longer watch this series because of her. I don't know who is producing this program but if they knew much about this purported actress they would know that if she had been alive at that time she would have been a fifth columnist. Too bad, I was enjoying it.
Angela T.	I'm in the US and love love love Bomb Girls. Bring it back please!!!
Ray W.	It's a shame. Great show could hardly wait for the next episode, but like so many Canadian productions that aren't produced in Montreal it gets snuffed...

<i>Meena K.</i>	My mom's friend was a type of Bomb Girl. During WWII she helped build planes. She is now 90+ and is the sweetest great-grandma. You wouldn't think that she was involved in the war effort and was on the first fringes of female economic emancipation in Canada. Your show brings their story to light.
<i>Andrea M.</i>	Happy New Year and Bring Back Bomb Girls in 2014!
<i>Maggie J.</i>	Yeah I'd have a better 2014 if Bomb Girls was brought back.
<i>Yavanna B.</i>	New year new season please x
<i>Elizabeth S.</i>	Happy New Year, Bomb Girls fans! When will the reruns of Season 2 and the movie be shown on American TV? This is one of the best shows on television. Too bad the network executives can't figure that out.

<i>Lee-Ann F.</i>	Greatest show!! Why do networks make stupid decisions?? Why take it off?!

<i>Sarita L.</i>	wait...wait....they canceled it?!?! nooo!!! why!!?!???

<i>Ann Marie B.</i>	When will we be able to see the movie in America?

<i>Exov E.</i>	What a shame that this excellent program is being cancelled and being replaced with a movie Don't get me wrong, I'm excited for the movie, but would also like a full season
<i>Bonnie C.</i>	I really like this show. Thanks Canada (neighbor).
<i>Derek D.</i>	Will it ever show in the U.S? I seen it on netflix and loved it!! But that was it only 6 ep.!!!
<i>Patti C.</i>	When will it be on TV and what network??/ Loved the series!!!
<i>Lisa D.</i>	I really wish another network would have picked that show up. It really is a great show and historically accurate as far as I can tell. That's great for the younger generation who have know idea what WWII was like around the world.
<i>DeeDe J.</i>	Disappointed that such a great show was cancelled. Especially it being Canadian and they keep saying they want more Canadian content ?? What more could they have wanted don't get it?? But looking forward to seeing the movie. Absolutely loved BOMB GIRLS
<i>Kendra W.</i>	I am beyond excited for the Bomb Girls movie, even though it means the end of one of the most fantastic series ever.
<i>Mary W.</i>	i hate that the show is cancelled. i loved it.
<i>Raven M.</i>	so sad its over after this
<i>Shara I.</i>	The fans should start a petition to have the show brought back.

<i>Debbie R.</i>	One of the BEST Canadian shows ever made and they cancel it after only 2 seasons. BEYOND disappointed!
<i>Bonnie C.</i>	Sad to learn of the series cancellation. This show opened my eyes to more impacts of WWII on those at homefront rather than in the battle field.
<i>Riane J.</i>	I just discovered the series on Netflix and am loving it!!! SO disappointed to know that once I'm done watching it's over
<i>CathySz</i>	Loved this show! Looking forward to the movie. Would love for this series to continue.
<i>Karina A.</i>	I love the show (saw season 1&2 on Netflix) and want to see many more!
<i>Samantha B.</i>	I want to join the rest of the people trying to get Bomb Girls into a third season. How could they cancel this amazing, smart, and engaging show? I'm so disappointed to hear they are not planning a third season...
<i>rlstandifer08</i>	Just finished watching bomb girls on Netflix. Love the show!! This is a Great Show, you need to bring it back..
<i>Margaret R.</i>	I can't believe they cancelled this show. I loved it. Excellent!!! I have been waiting to see it on the schedule.
<i>Elaine S.</i>	For the sake of today's youth who's brains are rotting on "reality" shows save Bomb Girls. It is refreshingly well written and based on REAL REALITY!
<i>Jennifer A.</i>	Please, please, please make more seasons!

<i>Francesca H.</i>	I'm a huge fan from the "other side of the border", ie in the US. I watched it on Air Canada and was immediately hooked, so watched the whole show. The writing is excellent and so is the acting. Bring it back, please!!! Lots more seasons! PS -- As an Italian-American, I absolutely loved Toni Ellwand's character and her superb portrayal of the Mamma. It was fantastic that you educated viewers in the internment issue too. Well done all!
<i>Shelley C.</i>	I was recently at a retreat where 15 of my friends were introduced and hooked on Bomb Girls. I came home and have passed on the show, to my family and friends, I had to go out and buy Apple TV so that I could get Netflix so that I could have access to it. Please bring it back!!
<i>Sam F.</i>	I'm hoping good viewer turnout for the movie will lead to a new season.
<i>Kim C.</i>	I agree with all the comments regarding cancellation of the series. This is one series I NEVER miss. I am so disappointed to know that someone has made a decision to end it and leave us with only a movie. Sure, I'll watch the movie. There are just so few series worth watching anymore and this was one that WAS worth it.
<i>Susan P.</i>	I so enjoyed the series. A glimpse of our past.
<i>Susan J.</i>	Didn't Bomb Girls win awards?? Who cancels a successful series??
<i>Belinda D.</i>	OMG didn't know about the movie, can't wait !!

<i>Belinda D.</i>	Wait, now I just read that the show has been cancelled. Not happy Jan !
<i>Andrea M.</i>	Looking forward to the movie, but the TV show returning would have made me so happy. Can't believe such a quality TV show was cancelled.
<i>Grace K.</i>	I really want to see this...Is this going to be on Netflix? That's what originally got me hooked on Bomb Girls.

<i>Elizabeth O.</i>	Literally can't wait. #bestshowever
<i>Donna K.</i>	Date of movie please. Can't wait!!
<i>Moiyan T.</i>	Cant wait for the movie; when's the movie coming out?
<i>Mick D.</i>	How does crap like "Duck Dynasty" get renewed and we lose our Bomb Girls? SMH
<i>Chris M.</i>	Oh yea! Love it!
<i>Lauren A.</i>	Such a good show! I'm watching from the UK and LOVE it! More series are needed

<i>Shirley M.</i>	That is such a good show. Why did they have to cancel it? they should cancel some of those reality shows. I hate them with a passion.
<i>Ginnie S.</i>	I can't wait for the movie! If only the episodes would go on! Go on to follow the lives of these women.
<i>Laura C.</i>	I agree with Shirley, it's a great show, I love it too. Yes there are a lot of those reality show that should be canned immediately.
<i>Marion W.</i>	Bring back Bomb Girls!
<i>Laurie N.</i>	During a sub zero temperatures week, started binge watching Bomb Girls on Netflix... now with all 18 episodes under my belt, I eagerly await any news of the wrap up 2 hour movie. Fingers crossed that it actually happens, as this is a well produced, entertaining and educational show which is very much appreciated by this fan (and her husband!). Enjoyed The Bletchley Circle too!
<i>Kimberly J.</i>	can't wait for the movie to air anyone know if the date has been finalized for airing
<i>Hajer A.</i>	Bring it back
<i>Annemie S.</i>	UNCANCEL THIS PLEASE!
<i>Steven M.</i>	When can we expect it back on in the States? I need a Bomb Girls fix.

<i>Sandra O.</i>	Devastated that this show is cancelled! I live in Ireland and caught Season 2 on ITV 3, prompting me to buy both series' from Amazon. Sick of the perpetual round of reality rubbish we are subjected to. This is truly excellent, feel-good tv and I'm sure with a substantial fanbase. Very odd decision to canxel it....
<i>Robert H.</i>	Will the movie show the Battle of the St. Lawrence or the attack on Bell Island?
<i>Joanne M.</i>	Does anyone know where I can view season 2? I live in the UK. Or does anyone have an idea when season 2 will be available on Netflix? Thanks.
<i>Teresa H.</i>	I just found it on Netflix too. It's a great show.
<i>Moiyan T.</i>	Cant wait for the movie; when's the movie coming out?
<i>Maud A.</i>	Can't wait!!
<i>Tracy A.</i>	Love the show , can't wait for the movie . I agree , why are all the good tv shows cancelled !?
<i>Linda D.</i>	COOOL..a movie - love this show.
<i>Joyce J.</i>	Yet...it was canceled...???
<i>Rose M.</i>	Why was it canceled?
<i>Leslie G.</i>	Bring it back! Unlike most shows this one is truly unique
<i>Amanda S.</i>	check this show out chick, I love it!!

<i>Christina B.</i>	I'm so glad there is gonna be a movie and it's not just over!
<i>Lisa A.</i>	I just discovered this series over the weekend on Netflix and was hooked from Episode 1. Now I learn its been cancelled after Season 2. Happy there will be a movie to tidy it up, but is there any chance it will return?
<i>Barbara M.</i>	Fell in love with this show . It gave me a glimpse of life of my parents before I was born! Wish it would continue.
<i>Mike R.</i>	Came across on Netflix. Hooked. Waiting for the movie!
<i>Lesli W.</i>	This show NEEDS to continue!
<i>Delaney M.</i>	Man. They shouldn't make a movie... They should continue doing seasons of it. I mean the show can old last the duration of WWII anyways so it's already got an expiration date... Come on Canada.
<i>Kath J.</i>	Bring back Bomb Girls, more please
<i>Kirsty W.</i>	Agree... Bring it back as a television series... I was hooked from day one and hated when it ended...!! Something I looked forward to on a Saturday night...!!
<i>Ila M.</i>	can't believe it's cancelled, it was the best
<i>The Bletchley Circle Watchers</i>	enjoyed the series, looking forward to the movie

<i>Margaret B.</i>	Another vote for the series to continue. It could easily have lasted 3 or 4 more seasons, and THEN make a movie. Great show. I have no idea why they dropped such an amazing series.
<i>Sarai D.</i>	Bring it back to Reelz Network. I enjoyed the show greatly!
<i>Koral D.</i>	We want more!! My friends and i were serching netflix to find a new series. We spent tge last 36 hours hooked and talking about it! We want more! I wish we would have seen ads about this!
<i>Marie C.</i>	Is it back on TV?
<i>Andrea M.</i>	Hoping and hoping with all my heart for new seasons in spite of the cancellation. Re-runs are great, but new seasons would be spectacular
<i>Lyn S.</i>	WHY DO YOU CONTINUE TO ALLOW GLOBAL TO SHOW RE-RUNS WHEN THEY ARE THE ONES WHO CANCELLED THE SHOW? There must be another channel other than this stupid one!
<i>Alyssa H.</i>	Save Bomb Girls. We want a new Season.
<i>Vanessa L.</i>	Love this show! Bring it back!!!!
<i>Darlene G.</i>	It would be nice to watch it in the USA !
<i>Magi M.</i>	it would be nice to see season 2 in the uk as well
<i>Carolina A.</i>	Miss them sooo much

<i>Jenny P.</i>	I miss this show so bloody much!
<i>Debbie R.</i>	I miss this show, loved it!!!
<i>Peggie T.</i>	AND let's have more stories about the ladies during the war.
<i>Patricia O.</i>	Any idea when Season 2 will be on DVD in the USA?
<i>Kim L.</i>	its truly amazing how many people are 'begging' ... BEGGING them to bring back Bomb Girls...on every single post...and they start a brand new cop show instead...how many police shows does one network need anyway
<i>Rhonda C.</i>	I miss my Bomb Girls!!!
<i>Robbin G.</i>	we are watching it on netflix and loving it. Season 2 on NetFlix
<i>Andrea H.</i>	Loved this show SO much...
<i>Mae G.</i>	i got to like the show and it was not on the next season i was so disapointed
<i>Alayna N.</i>	when is the made for tv movie supposed to air?
<i>Kelly V.</i>	I miss my bomb girls!
<i>Bob & Mary C.</i>	I hear we won't see it here in the U.S. That is so sad to get us hooked and leave us hanging. ~Mary
<i>Arena J.</i>	Loved this....but unable to see on my network:(.

<i>Helena S.</i>	Why re runs and not a new season.. does not make any sense to me
<i>Elizabeth S.</i>	Quality TV must not sell. Another cop show, medical drama, or worse, some dreadful reality program will take its place. Too bad. We women want better than that.
<i>Sarai D.</i>	Bring back to Reelz Network
<i>Sarai D.</i>	What is Global up?
<i>Jean A.</i>	Well said Elizabeth A.S.! I feel the same way. It was actually a show that I just loved. Apparently there was not enough swearing, sexuality, murders, etc for the taste of this generation of ours I absolutely LOVE Bomb Girls and heart broken there are no new episodes
<i>Karen T.</i>	This was one of my favorite shows.
<i>Carol M.</i>	Great show.
<i>Tanya F.</i>	Wish it would come back. Heck it's been so long...I can't even remember did it only go for 2 seasons or 3? I ordered the first 2 Seasons Dvds.
<i>Carrie T.</i>	Dang! I love this show!
<i>Matt H.</i>	No Season 3?
<i>Monique D.</i>	Again: Shame on you Global for cancelling that show !
<i>Anna C.</i>	Can't wait!!! So sad no more shows tho:-(

<i>Amanda L.</i>	oh man. I can't wait!! Is Betty in prison?
<i>Janet W.</i>	When will this and the third series be shown in the UK??
<i>Racheal S.</i>	No season 3 - the government can't have us Canadians seeing what really happened behind closed doors, while they sat behind oak desks....
<i>Jenny G.</i>	love the tv programme
<i>Casey W.</i>	When is the show coming back
<i>Theresa R.</i>	No season 3,I have been waiting for the series to come back on
<i>Debbie M.</i>	They axed series 3 and replaced it with a full length movie, as they had a fall in viewers over the pond... Sadly they should've broadcasted to a UK audience first, as there seems to be plenty of unhappy people that there's no series 3... Yet another great series come to an end when it truly deserved screen time, great actresses/actors and great storyline. Shame.
<i>Jan K.</i>	Why do networks take off good quality shows, that people enjoy, then replace it with crap?
<i>Carol D.</i>	I so AGREE Jan, the GARBAGE thats on T.V. today. What ever happened to good shows, Leave it to Beaver, Partridge family, Brady Bunch and my favouite Charlies Angels??? Those were the Good'Ol days.

<i>Lori M.</i>	I agree, Bomb Girls was one of the best new shows on T.V. Why on earth did they take it off. Like we need more reality shows on T.V. - they're all crap!
<i>Chloe L.</i>	The cancellation of this show made me so sad! I can't believe they can cancel shows like this and still run shows like duck dynasty!
<i>Di S.</i>	The movie? why not the series? xox
<i>Christina L.</i>	What's the point in these photos if the show is cancelled?
<i>Sandy H.</i>	Is the series not on anymore? I really liked that show
<i>Sandy H.</i>	That's why I hate to start a series, get involved, then it's cancelled!
<i>Rachel O.</i>	Cannot believe this series was cancelled!
<i>Kristina A.</i>	Love this show!
<i>Tom D.</i>	I find it pathetic how many of you are supporting this movie. As much as I loved the show and supported it, I refuse to support the movie as they didnt care about the viewers by dropping this series.
<i>Joanne K.</i>	Actually, it wasn't the show that didn't care about the viewers. It was the network. The actors on the show were sad as well. So I will be going to see the movie, absolutely.
<i>Jean A.</i>	Such a pretty girl and such a wonderful voice~ and such an amazing show! Can't wait to see the movie!

<i>Denise L.</i>	Where/when can we view the movie?!?!? The series is/was FABULOUS! Will it be back on television?
<i>Darryl S.</i>	Another good show cancelled. This show just needed more time.
<i>Eleanor N.</i>	More Bomb Girls, PLEASE!!!!!! This is an excellent program. We want to see more of the stories regarding the interesting women (and men).
<i>Robert H.</i>	Will the movie show some action scenes like the Battle of the St. Lawrence?
<i>Alexis L.</i>	When is the movie coming out ?
<i>Katherine H.</i>	Hope this movie will be posted on netflix in the US
<i>Lauri P.</i>	I still dont understand why they took off the show! It was great!!
<i>Laida E.</i>	Bring the show back
<i>Debbie R.</i>	I feel as though ive lost some good friends....
<i>Peggie T.</i>	Have the movie and then BRING BACK THE SERIES!!
<i>Jan K.</i>	Why do networks pull shows that are entertaining to watch, with a great cast, have to pull the plug on the show? I'm going to miss this show and I know a lot of other people will also.
<i>Gargraves T.</i>	Bring it back!

<i>June A.</i>	Can't wait to see the movie, but yes, please bring back the series. It was a little bit of Toronto history with such great characters and actors. Loved it.
<i>Robbie S.</i>	When will the movie be released for US folks????
<i>Caryn S.</i>	Why cancel if it's award winning material?
<i>Naoma P.</i>	Great show
<i>Meredith H.</i>	Yet another award nomination (and probably a win), explain to me again why this show was cancelled?
<i>Elinor O.</i>	Why was the series cancelled????
<i>Val B.</i>	wtf cancelled?
<i>Ramona H.</i>	Love, love, love this show. Every woman character was my favorite! Please bring it back!
<i>Carrie S.</i>	Why isnt this on in USA anymore? Love this show!
<i>John G.</i>	Nobody can figure that out (why it was canceled) except the dildo-brains at Global TV - and they're not saying.
<i>Emily R.</i>	And yet the show is still cancelled. Global and Shaw Media are idiots!
<i>Lauren D.</i>	so why is this show cancelled?

<i>Andrea M.</i>	Award winning, but yet the show is cancelled? If an award is not a sign to continue this amazing show, I don't know what is. To the powers that be, <<Bring Back Bomb Girls!>>
<i>Adriana G.</i>	Someone please explain this to me....the series has won awards...the actors have won and it's being cancelled? Such a great way to show Canada's war efforts....a great way to show our young women truly strong, brave and wonderful women. Would love to have the chance to be able to sit and chat with these women...they must have amazing stories!
<i>Peggy B.</i>	Love this show, it's smart & witty but I guess that it was too smart for the idiots a Global!
<i>Renee K.</i>	Bomb Girls is still winning awards, so why was this show cancelled?
<i>Patti C.</i>	Totally agree....very disappointed that this series ended....Will look forward to the movie.
<i>David W.</i>	I've never known any other show cancelled receive more "Why?"s than Bomb Girls. That's a mystery to me. Bomb Girls has all the ingredients of a solid, high rated, long run show should AND it was popular. I thought the folks in these film groups wanted to make money?
<i>Joan S.</i>	There should be a year 3.

<i>Elizabeth S.</i>	Congratulations, Meg Tilley. Your performance as Lorna is so nuanced and understated. Too bad the powers that be at Global don't recognize brilliance when they see it. Can't wait to see the movie, but also can't help thinking we should be restlessly waiting for season 3 to begin. . .
<i>Kath J.</i>	Awesome series, we want more. Please bring it back to our tv's. Come on big bosses in Canada public opinion must count for something. You can see that it's watched in Canada, America and UK and we all love this programme, the girls, Marco and the story lines. ;o
<i>Ulla G.</i>	Well done Meg! So the actors win awards, show is awesome, solid core following and still gets cancelled??? Foolish people in charge!!
<i>Valerie E.</i>	Bomb Girls is a really great show.
<i>Helena S.</i>	And the show was cancelled why??
<i>Diane W.</i>	Another wonderful award to an amazing actress! Hopefully the show earns many more in season 3! OH WAIT.
<i>Kim C.</i>	Such a bad decision of the powers that be to not further the SERIES instead of producing a movie. Shame on them....
<i>Linda D.</i>	waiting for the movie
<i>Ashley H.</i>	I'm still sadden that the show was canceled I loved it!
<i>Nancy C.</i>	I don't get the channel Bomb Girls came on, where else can I watch it?

<i>Dawn G.</i>	someone tell me how many seasons there are so far? I've seen 6 episodes and want more more more! i only came across this last week.
<i>Sheena L.</i>	All 18 episodes are on Netflix. That's how I spent this weekend, watching Bomb Girls.
<i>Nikki M.</i>	they made it into a movie!! I'm a happy girl!!
<i>Jessica A.</i>	I love the show but not sure if I will be able to watch the movie. I live in the U.S. and don't get the global channel. Is there any other way I will be able to tune in?
<i>Meredith H.</i>	The US played the series on Reelz, I would assume they will play the movie also. They were pretty sad to see the show go also.
<i>Kath J.</i>	Love the show, love the fashion (a lot of it appearing on shelves now) bring it back PLEASE ;o
<i>Misty R.</i>	I hope they do bring it back I'm so sick of vampires,demons,kardashians,boo boo, and all the other dumb brain rot on t.v.
<i>Ilene J.</i>	I miss Bomb Girls! PLEASE BRING IT BACK !!!!

Andrea M.

Every time I see pictures of Bomb Girls, I think what could have been. I think who could possibly cancel such a gem of a TV show. When we are so inundated with too much ridiculous reality shows, Bomb Girls told a story, a story of history and of our past which peaked our interest in a good way. Rather than embrace it, the "powers that be" cancels this unique show. It's not too late to pick it up before years go by and we'll remember this show and what could have been. To anyone who has the power to bring this brilliant TV show back or any new network that can pick it up, don't lose this opportunity before it is too late.

Kim L.

the whole decision to cancel Bomb Girls was the dumbest thing those suits ever did, and they probably won't ever admit it either. Sad, just sad! Looking forward to the movie, and if the ratings go through the roof and they still don't reverse their decision then so long network, I don't care how many new police shows you start...i won't be watching them. And congratulations to Meg Tilley for yet ANOTHER award based on her performance in Bomb Girls!!!! Truly deserved and I am rooting for you to win!

<i>Joel F.</i>	I hope the movie rekindles this series. It was one of the best things to be on Canadian TV in a long time. Smart, fun, entertaining and interesting. One of characters that really developed for me was Bob. In the beginning he seemed like such a disaster but later we learn why. Then he finally gets out from under his cloud and we get to see his how strong and intelligent he really is. He is a good match for Lorna. A testament to creative, intelligent writing and superb acting to bring it all to life. Alas, I do miss this show.
<i>Rhonda D.</i>	I am shocked they canceled this show!! it was such a great show, and I loved the WWII era. I thought it was very classy and a well-written show. I am excited for the movie but deeply saddened they canceled it.
<i>Linda D.</i>	Great show!
<i>Lexi H.</i>	Can hardly wait for the movie.
<i>Barbara C.</i>	I so loved this show. Anyone know why they didn't continue the series?

<i>Cath C.</i>	Keep this show on the air! Love it!!
<i>Kristina T.</i>	Is there anywhere we can purchase the official soundtrack for the show? I love the music but haven't been able to find it.
<i>Jen S.</i>	For the love of God and all that is holy BRING BACK BOMB GIRLS!!! LOVE LOVE LOVE the show!! I've been suffering from major withdrawal </3
<i>Karina C.</i>	there's going to be a movie?! live just got so much better!!!!
<i>Cindy D.</i>	When is it coming on in the U.S.?
<i>Kelly D.</i>	So so sad the show was canceled. I really loved it and wished it had been given more time. It's a good thing there will be a movie to tie up those loose ends, but still....
<i>Victoria M.</i>	When does the season start up ?
<i>Victoria M.</i>	Aww man! That really sucks! It was such a great show.

<i>Cindy M.</i>	I recently discovered this show and watched through Netflix. I was sad to learn it has been cancelled. Will Bomb Girls the Movie be available in the U.S? I really enjoyed it and would like to see some of the story lines resolved.

<i>@ReadingBukowski</i>	I NEED a 3rd season of Bomb Girls. I also wanted a lot more drama between Lorna and Marco in the 2nd season.
<i>@ReadingBukowski</i>	I really love Lorna in Bomb Girls. Meg Tilly is just perfect.
<i>Derek G.</i>	I could see this series extended into several movies.
<i>Kim C.</i>	Such a bad decision of the powers that be to not further the SERIES instead of producing a movie. Shame on them....
<i>Christine A.</i>	waiting for the movie
<i>Isis</i>	Love Meg Tilly blew me away! She was amazing in this show, I just wish there was more to see. Very sad to hear that this ending! Thank you Meg Tilly for your outstanding performance you are an exceptional actress you definitely proved what you are capable of! Absolutely beautiful. Thank you!
<i>Linda P.</i>	I loved that show as well
<i>Stewart W.</i>	She is quite Attractive I have to admit.
<i>Brenda R.</i>	Love all the characters. Super story lines.
<i>Lee T.</i>	Fantastic shot! Fantastic actress!

<i>Carla M.</i>	Can't get on cable - LOVE the show's premise! 'Bout time! Episodes on Netflix yet? I'll keep looking. Pls cont. the good work!
<i>Brenda R.</i>	Can `t say enough about this show. Can `t wait for the next episode.
<i>Maureen O.</i>	Loved "Bomb Girls"
<i>Deanna D.</i>	Don't understand why they took it off the air!!
<i>Gabriela K.</i>	i miss this show
<i>Cynthia Y.</i>	This was a great show, bring it back!
<i>Michael C.</i>	I want a Third Season
<i>Joyce J.</i>	I just want more...
<i>Terpsichore D.</i>	Then why the heck was it cancelled?
<i>Hajer A.</i>	So sad it was cancelled
<i>Peggie T.</i>	So bring back the series - fools for cancelling it!!
<i>Carol M.</i>	The best shows are always cancelled and replaced by stupid reality shows.
<i>Sarah J.</i>	I cannot understand why a show that was unique, that was so well loved wasn't renewed for a third season. Rubbish.
<i>Alison H.</i>	Why cancell it then!!!!

<i>Arlene B.</i>	Excellence takes a back seat to greed!!!
<i>Monica C.</i>	All these awards should necessitate subsequent seasons. Whoever cancelled it should be fired!
<i>John S.</i>	It's funny how Global has never answered "why?" Well, maybe not...
<i>Michelle O.</i>	And it was cancelled. How stupid!
<i>John S.</i>	If Global does not want to keep the show they should let someone like CBC pick it up. It seems to me that it's the perfect kind of show for CBC.
<i>Sally R.</i>	It just nicely got started and they cancelled it..
<i>Mick D.</i>	So why in hell is it being cancelled? SMH
<i>Maria O.</i>	This repetitive posting is a turn off. Find another network to put the thing back into production instead of all this yak yak yak
<i>Andora S.</i>	Then why is gods name was this show ever cancelled
<i>Hailey L.</i>	I'm from the U.S and I love watching this show on Netflix!!
<i>Matt D.</i>	this mean it's coming back?
<i>Matt D.</i>	That it can have another season?
<i>Michelle N.</i>	i love this show

<i>Bijou V.</i>	"Hey guys we have an award winning show, what shall we do with it?" "Cancel it" *this may not be exactly what went down at Global HQ.. but it wouldn't surprise me if it did go like this..
<i>Andrea M.</i>	Exciting news for the former cast of the show, but very bittersweet. It's great the now-cancelled show has been nominated, but it doesn't mean anything if the show does not go on. It is more frustrating to me to read how such a intelligent, exciting and brilliant show can be so loved by fans and critics, but yet cancelled.
<i>Peggie T.</i>	A nasty thought out to the sponsors of the show - they didn't even know they had a winner - you lose guys.
<i>Marlene H.</i>	So again why was a award winning show like this even cancelled??????
<i>Lyn S.</i>	Looks good on Global; wish another station was chosen to air their repeats!
<i>Nancy P.</i>	So why was this show cancelled???
<i>Mary T.</i>	Why cancel an award winning show??? So insane!
<i>Lyn S.</i>	Global said it didn't get the ratings it expected BUT they don't include the number of people who watch it on their PVR or on their lap tops/tablets. Global should just put up and shut up; but they are going to get to air the movie etc., etc.
<i>Cora L.</i>	Bring the show back please.
<i>Michelle S.</i>	Miss the show-bring it back!!

<i>Andrea H.</i>	Will you please bring it back now???
<i>Lauren D.</i>	and yet, it was still cancelled
<i>Caryn S.</i>	Oh well I can totally see why you would cancel it only six award nominations not seven. Putting on my best sarcastic face!!!
<i>Elizabeth P.</i>	All the more reason to BRING BOMB GIRLS BACK.
<i>Rose H.</i>	Ditto bring it back!!
<i>Shenene R.</i>	BRING BACK BOMB GIRLS PLEASE
<i>Linda S.</i>	And they still cancelled it.....
<i>Karen M.</i>	It is a great show! So frustrating for all concerned, including the actors!
<i>Mayorica B.</i>	I need my bomb girl fix, please bring them back!
<i>Julie W.</i>	Makes one wonder, why it was cancelled, loved that show, looked forward to it every week
<i>Kayla S.</i>	so they cancelled a show that gets more nominations then most that have been on for years
<i>Amanda A.</i>	All these awards and yet Shaw Media still cancelled the show. I guess no show is safe anymore, regardless of its achievements and its viewers.

<i>Bj-Tori C.</i>	Hey, I love the show. Really wish it would continue so my family could watch it. It reminds me of my great aunt and grandmother's story.
<i>Elizabeth A.</i>	And yet, Global TV is not bringing Bomb Girls back for another well-deserved season. Go figure!!
<i>Tanya F.</i>	How can a cancelled show get so many knows!!!!!!!!!! Bring it back
<i>Melissa A.</i>	Please bring it back
<i>Christina G.</i>	Me and my dad and my sons love watching it . It makes up are family night
<i>Joyce F.</i>	Maybe the powers that be should rethink the cancellation!
<i>Barb F.</i>	Why WAS it cancelled?
<i>Carolyn S.</i>	Bring it back
<i>Kim L.</i>	Congratulations and very well deserved!!! Now Bring It Back!!!! Please!!!!!!
<i>Stephanie L.</i>	And yet it was cancelled...
<i>Annette Z.</i>	Great show

<i>Tammy M.</i>	This show was such a great escape from reality TV.....really missing this show
<i>Lizzie L.</i>	All this and they cancel it!!!!

<i>Penny M.</i>	I really miss this show. I just loved it. COME BACK!!!!!!!!!!!!!!
<i>Chris M.</i>	And why isn't it coming back ?! Such a great show.
<i>Christina J.</i>	Please come back baby...also best hair
<i>Roxann L.</i>	and yet it was cancelled.
<i>Lassie C.</i>	Bring it back we want Bomb girls
<i>Ann B.</i>	so why can't we have it back on the air!
<i>Marlene I.</i>	BRING IT BACK, it should be on . It's real tv and tells a great story.
<i>Rhonda R.</i>	So why was my favourite Award winning show cancelled?
<i>Susan F.</i>	Some TV exec needs to get fired for cancelling this show.
<i>Arianna G.</i>	Great writers and acting and all the above! Well deserved recognition!! Now bring it back please.
<i>David F.</i>	Bring this show back.
<i>Christina J.</i>	Its fabulous and ao true to the era...you know we are always hearing about the war in terms of the military, and battles, however rarely anything about the support from home the continent mobilized everthing and everyone to fight. A story that should be told.

<i>Rose C.</i>	Please save bomb girls! I love the show.. I love how it's historical and about women in the war and how women felt with a lot of discrimination and disrespected in any field back then.. And that was not so long ago... Please save bomb girls!! Thank you
<i>Pamela M.</i>	Please save
<i>Louise M.</i>	I have just read that you are not doing a new season of Bomb girls. Why Not! I moved from New Zealand (where I saw the first season of bomb girls which I thoroughly enjoyed and couldn't wait for the next season), to Australia where I had to go online to watch the second season (which I thoroughly enjoyed as well). I was inspired to watch bomb girls after having watched Land girls. I have always been interested in WWII series, documentaries, books and movies. My father was a spitfire pilot during the war (perhaps that's where I get my interest from). It is a welcome change to watch a series other than programmes called CSI or NCIS or something to do with crime in the USA. PLEASE PLEASE PLEASE reconsider and do more series of this drama. LOVE LOVE LOVE it.
<i>B. R.</i>	That's Canada for you. You get something good on T V and they step on it.
<i>Barbara B.</i>	bring it back then
<i>Deb A.</i>	BRING IT BACK!!
<i>Dawn B.</i>	It makes NO sense to me why it was cancelled.

<i>Maggie J.</i>	Imagine the awards it'd get if you BROUGHT IT BACK!
<i>David A.</i>	I hope the movie gets shown in the UK with our Canadian cousins
<i>Erica F.</i>	I hate the CBC for cancelling this show.
<i>Chad H.</i>	Good thing it got cancelled then...
<i>Jane B.</i>	So why cancelled?????????
<i>MaryAnn M.</i>	Now if they would just realize what they have and renew it.
<i>Barb W.</i>	Baffling.... absolutely baffling. Yup...cancel the award winning show and keep the crap...
<i>Rina E.</i>	Proof positive why they should BRING IT BACK!!!
<i>Kristina A.</i>	This is so baffling. Why did they cancel this wonderful show?????
<i>Laura C.</i>	It is the best series, it is full of drama, absolutely one of a kind, love the bomb girls
<i>Pj J.</i>	Bring it back!!!!!!!!!!!!!!
<i>Brian W.</i>	Baffling. All these kudos and the show gets cancelled. TV execs will never learn what a good thing they have.
<i>Tracy C.</i>	PLEASE PLEASE BRING IT BACK!!!!!!

<i>Siri N.</i>	Bring it back please, I wanna know how the war ends..and also, such good writing and acting performances, pure talent & quality.
<i>Sandi M.</i>	it was a good show so bring the dam thing back
<i>Carole F.</i>	I love that show! I was so disapointed to hear that it was cancelled. Does this mean that they'll bring it back?
<i>Gertrude S.</i>	Good thing the show was cancelled.
<i>Marion W.</i>	I double vote they bring it back!!!
<i>Exov E.</i>	So many nods, yet it's cancelled..... Perhaps you should bring ur fabulous program to the internet!
<i>Della S.</i>	So bring it back. No brainer.
<i>Monique D.</i>	Shame on Global !!!!!!!!!!!
<i>Patricia M.</i>	Still unbelievable that its CANCELLED.
<i>Jean A.</i>	Awesome! But they should still be on the air
<i>Jean M.</i>	Miss it so much
<i>DaNielle P.</i>	Just feels sad though, why is this show still cancelled?!!!!
<i>Donna D.</i>	is it cancelled?

<i>Holly M.</i>	Again I ask, why couldn't someone pick this show up for about 6 more seasons? Great show!
<i>Deborah B.</i>	So why did they cancel show,I loved it!
<i>Jessica S.</i>	Really stupid to cancel an award winning show
<i>Lynn J.</i>	Loved this show! Sorry it was cancelled.

<i>Phyllis M.</i>	The best show!!!
<i>Tanya F.</i>	And they cancelled the show....?????????
<i>Glorianne G.</i>	We want it back!!!
<i>Linda F.</i>	And the idiots cancelled it!
<i>Amber J.</i>	Again, so frustrating! Bring it back!!
<i>Kashmir A.</i>	Bring back the Bomb Girls!
<i>Debbie R.</i>	They keep getting awards.That should be a message
<i>Megan P.</i>	Why did they cancel it?
<i>Joyce J.</i>	But...doesn't it make you wonder why it was cancelled? Still completely baffled by this.
<i>Carolyn S.</i>	You need to renew this series! Not cancel! It won a ton of awards

<i>Sheri B.</i>	When will it be back in the US?
<i>Michelle W.</i>	Missing the Bomb Girls, bring it back to US please.
<i>Marlene I.</i>	Cant BELIEVE this show is not on anymore!!!! ITS SO GOOD!!!!
<i>Monique D.</i>	Yay Bomb Girls. Boo Global !

<i>Marlene I.</i>	I am almost done with season 2 and cant believe it!!! THIS SHOW SHOULD BE BACK ON!!! I live in Rhode Island, who can i call?????? BEST SHOW IN YRS!!!!!!
<i>Connie V.</i>	What's going on Bomb Girls over? A two hour movie for the last episode? When does it air? Global? Hard to find out information. Will be sorely missed. Best Canadian TV. What is wrong with these people. Award nominations and awards....isn't that enough to keep it on the air?
<i>Ed V.</i>	hope all the hoopla I did with other sites help save this show, because it's great !!!But then ===I remember ww2 as do a lot us

Deborah M.

this show kept popping up in my Netflix suggestions and I ignored -didn't seem interesting- but I finally relented and watched season 1 and 2 - went through episodes quickly and got to the last one of season 2 only to find myself hooked - then to find the show was cancelled. oiy and darn! Did find out a movie is in the making, but, I actually was enjoying this series. In some respect was bland, but, in other respects refreshing too

Elizabeth F.

I can't believe they're not continuing this show! I came across it on Netflix and it's helped me get through the flu. I literally don't know what else to watch now because nothing sounds nearly as entertaining. Please bring it back!

Kathy T.

I didn't realize Bomb Girls was not returning to TV, its one of the best shows on TV and it gets cancelled that figures it was to good. There is so much junk on TV like stupid reality shows. TV executives start getting in touch with what people want to watch and that is good programing, we are tired of watching idiots on TV fighting and sweating that is not entertainment.

Edna W.

Watching this show gave me great insight into my mother's life.

Marlene I.

<i>Karen W.</i>	Do you think the film will be shown in the UK? I certainly hope so, otherwise I'll have to cry x

<i>Carolyn S.</i>	Bring back the show!

<i>Maureen N.</i>	We never got this on American TV---not even on BBC TV---and it is too bad because it was a real quality production---I got addicted this past Monday morning and watched Part one & Part two---all episodes in less than 2 days---Thanks to Netflix. Hope this gets picked up again on Canadian TV---and we get to see more of the terrific Bomb Girls!

Marie W.

Please DO NOT take bomb girls off the air. It is a fantastic show and my husband and I both love it!!

Margaret C.

I have been looking at the t.v. schedule for months, wondering when the next season of Bomb Girls was going to begin. It is March 20th, and I have just learned some fools at a network cancelled one of the best and most original programs ever created. Were the individuals who cancelled this program men? I am stunned-a high quality program about the women on the home front and their critically important contributions to winning the war and some network fools cancel it! I am American, not Canadian-the fools who cancelled this show deprived Canadian, American, and, I assume, British viewers of the opportunity to learn about an aspect of World War 2 which isn't given much attention by anyone and they deprived the viewers of a magnificent program. My sincere gratitude to those of you who are trying to save the show.

Linda S.

It is a shame that Bomb Girls is not being continued!! It is quality television, and an excellent history lesson for the young women of today ... as well as young men, and nostalgia for many of the elder generation. The programs already produced are greatly appreciated ... please re-consider providing more for the future.

Cindy C.

Loved this show! So different than anything else, and cast was perfect ! Please bring back !!!!!

<i>Colette T.</i>	Hey I just started watching this show and I love it!! PLEASE DON'T CANCEL IT! Why on earth isn't it aired on Australian tv?
-------------------	---

<i>Colette T.</i>	Oh it was cancelled?? So many stupid shows out there, but Bomb Girls got cancelled. Dear Executives who made this decision, you made a mistake. And I'm hating you from afar for it.
-------------------	--

<i>Bridgette D.</i>	I mean even though we love the show you still canceled it.
---------------------	--

<i>Melissa H.</i>	How about a vote to bring it back!
-------------------	------------------------------------

<i>Clare H.</i>	THEY WERE ALL GREAT ACTORS...BRING THIS SHOW BACK..IT MADE ME FEEL LIKE I WAS REALLY THERE...BESTSHOWEVER !!!!!
-----------------	---

<i>Laura_D</i>	I really hope everyone's efforts work to get this show saved and picked up for a third season. I haven't enjoyed a Canadian show like Bombs Girls since I use to watch the original Degraasi reruns on ShowCase. Global needs to take notice and renew Bomb Girls. I'll definitely be tuned in to the movie.

<i>catseyes14</i>	My sister and have greatly enjoyed watching Bomb Girls. SAVE THE SHOW! We all love it!

LOVE IT! I JUST STARTED WATCHING THIS SERIES LAST WEEK AND WAS VERY UPSET TO SEE ONLY TWO SEASONS. NOW I AM MORE UPSET TO KNOW IT'S BEEN CANCELED. LOVED THE STORY LINE AND OF COURSE THE MUSIC AND WARDROBE WAS KILLER. LET ME KNOW WHAT ELSE I CAN DO, IF ANYTHING TO GET THIS SHOW BACK ON THE ROAD.

Michelle S.

I love bomb girls cannot believe it has been cancelled. Best series I have seen in a long time. Come on give us series 3, 4, 5 ,6 you get the point. Its the type of show that i have my NETFLIX account in the first place, its unsual and epic filled with talent not very often i get the chance to view and appreciate Canadian television being in Scotland. I want more. Save the Bomb Girls you know you want to.

Brittnee V.

I love this show. I even convinced my grandmother to start paying for Netflix just to watch the two seasons available! We are both incredibly sad that they won't continue the seasons and are ending so pathetically with a movie. My connection to this show is simple: my husband is in the Army, Active Duty, as an Explosive Ordnance Disposal Technician or in other words a Bomb Tech. His career puts him on the line every time he is at training, in the field, or even when he will deploy who knows how many times in his military life. To me, Bomb Girls is a way to connect myself with knowledge on how women handled being part of the explosive aspects on war and life compared to how we handle them today. I love knowing how history was run on the female perspective. I love that EOD wives like myself have a show we can turn to that's not as dramatic and annoying as Army Wives (to each their own). Thanks to this show myself and friends who are also EOD spouses like to stand proudly beside our amazing bomb tech husband's and support them and we call ourselves Bomb Girls. If we had the option we would be in a factory building bombs for our husbands any day! Even though the concepts are totally different, the fact is that the fear we have for our husband's while they are working can be pushed aside and forgotten for a mere 45 minutes because of Bomb Girls. A movie is just never going to cut it. We need this show for our sanity. I pay Netflix, they need to give me what I want to watch!

KEEP BOMB GIRLS GOING! I recently retired and had to cut back on expenses. One of them was canceling Comcast cable @\$120 a month for which I received 100+ channels. I was paying for a lot of junk shows =_ 15 or so spanish language (i do not speak it), 9 home shopping channels, yecch!., 7 cartoon channels (no kids), 10 god channels no comment, 15 to 20 sports channels (mostly talking heads)12 or so news channels mostly same except for fox (I do miss) and other junk channels. paying \$120 for crap. I do miss History, Nat Geo, comedy, discovery, science, and a few others like that. I HATE REALITY SHOWS. I went to Netflix and Hula+ for \$8.00 a month for each. I DISCOVERED "BOMB GIRLS" which I really liked. I was stuned by the quality of the series. I am happy that the public outrage has brought back the show, albeit a movie. I was looking forward to Gladys work for SOE. My mother was a Canadian (war bride) and was involved with nat security issues, best wishes to the cast.

Laurie B.

Bomb girls was a fantastic series. My whole family, including my eighty-seven year old mother, could hardly wait each week for the show! We compared it to series like Downton Abbey with respect to the wonderful costumes, sets, writing and acting. Television now seems to be loaded with phony and often mean-spirited "reality" shows. Bomb girls is not only extremely entertaining but also an important history lesson in a time that should never be forgotten. Please bring it back!!

Sorry, I don't use twitter or Facebook but would like you to know that everyone I know loves Bomb girls. This is one of the ONLY shows we watch, as there is so much garbage on the TV in the evening hours. You've got a HIT, so why cancel it! Please give us another season!

Jim K.

Please save Bomb Girls as it shows a slice of Canadiana which very few programmes do nowadays to our younger Canadians. It illustrates a well-written, well acted and very interesting chance to show many young ladies of today what the war made some Canadian ladies go through. The ladies in this programme show girls of today the strength and depth of character that some of their grandmothers and great aunts had to endure to keep our society and country intact. If I were still a teacher of Canadian history today I would show this movie to some of my students. Thank you re reconsidering your decision to cancel this worth-while, educational programme about our great past. Again, thank you for your reconsideration.

Laurianne

It's the best show EVER!!! I love this show! It is such a great story line and so well done!!! I totally feel like I'm in the days of my parents time and I would have just been a baby. So well done please don't cancel this show! What can I do to help? Is there a petition to sign??? I'll sign it!!! Whatever I can do I will.

onthepond

Love this show, please keep it!

AL H.

Please continue this series as this program is a refreshing entertainment that does not have a lot of violence, killing and a lot CGI glitz to promote what I call nonsense drivel programing. "Artic Air" that is also facing cancelation a CBC production is another is another program that should be put in the same category as "Bomb Girls". Thank you.

Andre T.

Just watched Facing the enemy. I quite enjoyed it, but longed for more. Unfortunately I did not get a sense of closure, catching saboteurs and the death of Vera , was a good storyline, but it sure left the door open. Now, if one had not seen the show before, they might think this was the pilot episode, not the series finale. Now if that was the intention of the producers BRAVO! Talk about the potential for a whole new audience to get hooked, and begging for more. Hopefully that is the case, imagine if Netflix, AMC , or even History channel, would pick it up and back it financially as a series, it would be way too cool. If they did do it, it would have to be stipulated, that creative control would be left up to the present writers and producers. The last thing I would want to see is an American channel, go " Great show, but, can we have it take place in the good ole, US of A, you know the Rosie the riveter angle, that would make marketing it to an American audience a whole lot easier". When I first saw the show, I thought the factory set was a little cheesy, you know with lathes going, drills, etc, etc. But after seeing the the screen capture of the real bomb girls, they really nailed it, spartan and efficient, they were there to fill shells not to manufacture them. I don't tweet, so I hope this is enough to help save the Bomb Girls!!

Barbara & Rae C.

We love this show.....great to see the movie last night. Save this show please!!!!!!

Sinead M.

This show was awesome, great quality tv and it NEEDS to be brought back!! SAVE BOMB GIRLS

<i>Dorothea H.</i>	I love the show, characters, storylines. I looked forward to it each week & could hardly wait for the movie. Keep Bomb Girls Going!
<i>Tweetyk</i>	Please add this email to your count to SAVE "Bomb Girls Show." Loved the movie! Keep the show going - it's getting even better! Thanks!
<i>Jennifer J.</i>	I fail to understand media economics, with such a popular show. There are far too few opportunities for us to see women, especially, during the war effort. Well done. This middle-aged woman remembers her late mother talking about the war years. This all brings it home.
<i>Mally U.</i>	I love this show!
<i>Nanapatty</i>	hope to see Bomb Girls saved.
<i>Dulcinea H.</i>	It is really sad that Global has not realised the importance and impact of this show. We will keep on fighting!
<i>Soraya G.</i>	"Bomb Girls" renewed my faith in Canadian television with everything that it has done. And you [Save Bomb Girls], as a group, with everything you have done, have also inspired me to fight for it: whether by hosting watch parties until my friends were hooked, or composing my own V-MAIL -- especially since the film doesn't feel like enough closure.
<i>Julie G.</i>	Keep calm and save Bomb Girls!!! I sooo love this show!!!

<i>Errol</i>	A great series I found out about through your site. I have just watched the movie and want more of this great series. The plots scenery and characterization has been great. A credit to Global TV. Give us more!
<i>Ginnie S.</i>	Keep it up gals! I believe in this show! <3
<i>Maureen L.</i>	I really miss Bomb Girls, and my friends English class is doing gender role equality in films and television, and I told their teachers to watch Bomb Girls because it's practically girl power! Bomb Girls has changed my life in many ways, I'm definitely going to miss the show, the movie was amazing
<i>Claudia S.</i>	can't wait to see the movie.
<i>Katherine W.</i>	Voted for my favourite on Bomb Girls! So wanting this show to win in all it's nominated categories.
<i>Mikos L.</i>	BRING THE SERIES BACK
<i>Michelle F.</i>	Love this shooooow!
<i>Tony B.</i>	So far, the BOMB GIRLS Wikipedia Page still has the very vague "First Quarter of 2014" for it's 2 Hour Movie broadcast. Considering the end of 2014's first quarter is now little more than a month away, one would think that an air date SHOULD have been announced by now! We'll just have to wait and see, I guess! CHEERS!

<i>Isis L.</i>	Meg Tilly blew me away! She was amazing in this show, I just wish there was more to see. Very sad to hear that this ending! Thank you Meg Tilly for your outstanding performance you are an exceptional actress you definitely proved what you are capable of! Absolutely beautiful. Thank you!
<i>Eugene F.</i>	Please bring our girls back to TV, we miss them!!
<i>Jay D.</i>	keep the show!
<i>Carol R.</i>	Yes! We want more Bomb Girls, please!
<i>Lori S.</i>	please save bomb girls..what a exciting show!!!! please keep!
<i>Patricia M.</i>	And again I say..please keep this great program going..
<i>Donna P.</i>	I just found and have been watching season two and now it's gone. Always how it goes! We loved it!
<i>Tatiana K.</i>	So sad to see this show isn't getting picked up I just discovered it on Netflix! I hope they bring it back!

<i>Jeanne F.</i>	My husband and I have just finished watching the series on Netflix. We are very disappointed to learn that the series was not renewed. My father was raised near Winnipeg, and went to Toronto as a young man, before coming to the States to find work. This series has helped flesh out his background. There is very little on television, Stateside, that tells real stories about real Canadians. I will miss this series. Good writing, great acting. Thanks for that.
<i>Shirley H.</i>	I loved this show! So many historical programs neglect the story in order to focus on the violence. This had intrigue, fantastic characters and great plot lines. I told all my friends to watch, but unfortunately it was broadcast on a channel/network many did not get. I wish the History Channel would pick it up! Can't wait for the movie!
<i>Fran M.</i>	Save Bomb Girls, Netflix! It's one of THE best shows anywhere!
<i>Fran M.</i>	I love this show! Any progress on getting it reinstated?
<i>Deb H.</i>	Of all the garbage on TV and they go and cancel one of the best series I've ever seen??? Stupid boys.
<i>Kathryn M.</i>	Finished watching the reruns of Bomb Girls on Global two weeks ago and have now been waiting in anticipation for the film and looking for any clues as to when it may come out!

<i>Felicia R.</i>	I'm so sad! i just discovered this show 2 days ago and have already watched it all! i need more! This is one of the best shows i have watched in a while.
<i>Susy A.</i>	Save Bomb Girls, it is one of the best shows out there. Still hoping for Season 3.
<i>Ranie M.</i>	Just began watching and am addicted!!! Why are all the good shows cancelled? SAVE BOMB GIRLS!!
<i>Joan R.</i>	Love this show...hoping for season 3
<i>Charlie N.</i>	I love this show and I don't want it to end!!!!
<i>Erin S.</i>	Save this show, I love it!
<i>Michelle H.</i>	Save this show!!! Just discovered it on netflix on sunday and almost done with the second season cant get enough!!!
<i>Kelley B.</i>	Love this show. I can only watch this show on Netflix since I have no idea if they are running it in the states. I really hope they keep it going.
<i>Eugene F.</i>	Any word as to when the movie will air????
<i>Judy L.</i>	I'm a fan of this show and I want season 3.
<i>Susan B.</i>	Finding it incomprehensible that an award winning Canadian program has been cancelled. Sounds as though the almighty dollar wields more influence than the interest and wishes of the viewing audience. Pity. It's a really good show.

<i>Shelley W.</i>	All of my friends are hooked, we want you to bring it back please!
<i>Isabel H.</i>	there needs to be more seasons!!!
<i>Sharlene R.</i>	Just found this show and love it
<i>Serena P.</i>	Hello, I'm Italian like Moretti..what can I do from here?
<i>Aimee W.</i>	I really wish Netflix would pick up this series! I subscribe and love BOMB GIRLS!
<i>Connie Y.</i>	I finally find a show that I love . . and it is cancelled!!?? PLEASE, someone, pick it up. Not just a movie, but a series!
<i>Brian F.</i>	bring hem back!!!!!!
<i>Fran M.</i>	This show is a gas! Bring it back! Please!!
<i>Judy L.</i>	This show should be renewed.
<i>Erin S.</i>	Bring it back!
<i>Tiffany C.</i>	Come on netflix pick up bomb girls! There is no way you can go wrong with picking up bomb girls
<i>Rachel W.</i>	Oh PLEASE bring it back!

I just discovered that Bomb Girls was being canceled and a movie was being made to tie up loose ends. I'm so disappointed there will be no more seasons to done. I looked forward to watching it. Hopefully there will be enough of an outcry of support, that it can be saved. It's so hard to find a show you can really get in to.

Amber M.

I cant believe they are taking this show off, We loved it. Please bring it back on.

David W.

Used my Twitter account for the third time to bomb Netflix!

Michaela T.

Just sent my emails off to the Netflix head honchos! I so hope they pick Bomb Girls up!

Susan G.

Have no idea if the letter will be read, but I have written the A&E network that owns the History Channel requesting their creative programming team review the Bomb Girls series for consideration of picking it up as an episodic annual series (example of their new annual series: The Vikings). Bomb Girls is a well written/costumed/staged/acted historical period piece, not only entertaining but educational and I believe would be a wonderful fit on the History Channel. I will provide the email address for A&E (wasn't easy to locate) and anyone who thinks this might be of influence, please write them for support of them picking up this series.

<i>Colette T.</i>	People! Bomb Girls is a FANTASTIC Canadian-made drama set in a munitions factory in WWII. It's never aired in Australia & was cancelled last year after only 2 seasons despite critical acclaim & a growing fanbase. Why are women's stories always undervalued? How many decent dramas out there focus on the individual & collective plight of women during the war years? Via this show, the courage of these women is being remembered & honoured. Help Save Bomb Girls to PETITION NETFLIX to pick it up!
<i>Cheryl S.</i>	I love bomb girls and was so sorry when it was cancelled!!
<i>Che W.</i>	I just love this show. I'm watching Bomb Girls for the second time. I love the characters and how they share in each other's lives. I highly recommend it.
<i>Sharra W.</i>	I am American, and have never seen such an astounding show (never mind it being Canadian) that portrays the incredible capacity, skill, and influence that Women have. Not just during the war, but all throughout the ages. Please #savebombgirls!!!
<i>Linda S.</i>	Save Bomb Girls
<i>Kelly B.</i>	Save it !!!!!
<i>Mari D.</i>	Bring back bomb girls!

<i>Danielle R.</i>	Best Canadian TV series EVER !!! I have been sitting around waiting for the continuation of the series. I had no idea it was cancelled. How much more U.S. mass murder shows are we going to be subjected to ? This was an incredible series and I too want it back.
<i>Nancy M.</i>	Would be great if they would bring back 'Bomb Girls' for a 3rd season ! Such a good story - entertaining & informative - about the women who worked in bomb factories during WWII
<i>Amber D.</i>	Could there be more Bomb Girls movies in store? http://bit.ly/P4NeiV
<i>Claire P.</i>	My mom was during these times, and talk about it all the time. She remembers at 97 years old. Someone should pick her brain from the Directors!
<i>Maryann B.</i>	Will "Bomb Girls: Facing the Enemy" be shown in the US? If so, when?
<i>Susan G.</i>	Have no idea if the letter will be read, but I have written the A&E network that owns the History Channel requesting their creative programming team review the Bomb Girls series for consideration of picking it up as an episodic annual series (example of their new annual series: The Vikings). Bomb Girls is a well written/costumed/staged/acted historical period piece, not only entertaining but educational and I believe would be a wonderful fit on the History Channel. I will provide the email address for A&E (wasn't easy to locate) and anyone who thinks this might be of influence, please write them for support of them picking up this series.

<i>Brenda P.</i>	when are u coming back??
<i>Joyce J.</i>	Two hour movie to wrap up the storylines will air in Canada on March 27...unfortunately no third season.
<i>Danielle R.</i>	That really irritates me to no end. What ... we don't have sufficient intelligent viewers ?!!!
<i>Mary K.</i>	Will the Bomb Girls finale movie be available on United States TV or will we have to wait for it to come on Netflix?
<i>Jill M.</i>	Wonderful ! Will the movie be shown on REELZ station and shown in the US ??
<i>Anji D.</i>	OMG! Sux that it's cancelled! I LOVED the show! Sure hope Reelz will be showing it in the U.S....heartbroken in Florida:(
<i>Toni G.</i>	How can I watch the movie in the US??
<i>Kevin C.</i>	great show. good canadian history story that alot of people didnt know. my own mother worked in a war plant
<i>Michelle H.</i>	How can they cancel such a wonderful show!!!
<i>Jennifer W.</i>	I just finished the 2 seasons on Netflix. This series need to be resurrected. Hello, are men producing the show the hold up???
<i>Joyce J.</i>	Thank you! SO looking forward to the movie.

<i>Theresa S.</i>	Have to get Netflix behind this show. I just discovered it two weeks ago. Netflix can independently produce it like house of cards.
<i>Susan D.</i>	I absolutely agree! I've had to take some "down time" these past few days during which time I have discovered bomb Girls" on Netflix. I love this show! My down time can be tough to deal with but Bomb Girls has been a life saver. I really hope that Netflix will consider carrying on this wonderful show.
<i>Laura P.</i>	loved the series
<i>Tom D.</i>	Loved the series but will NOT watch this movie.... sorry but I refuse to support something that threw their fans to the garbage by dropping the series like it did.
<i>Elizabeth Y.</i>	Was there only 12 episodes to season 2? Can't wait for the movie!
<i>Cathy S.</i>	Absolutely enjoyed each and every episode of this show and I'm so so disappointed that the series was cancelled!! With the followaing this show had...I really don't understand the network cancelling it!! FANS hate when networks can the best of the best!! I will watch the final movie, but only because the actresses and actors deserve to be seen and should have a fitting departure! Shame on the people who threw these very talented performers away and left us, the viewers, disgruntled and shocked!!
<i>Sam F.</i>	How about a real treat and give us a season 3.

<i>Katie C.</i>	Still can't believe they cancelled this!
<i>Nancy M.</i>	Entertaining (and also interesting) series. We got 'hooked' on it on Netflix and stayed up past midnight watching for several nights.
<i>Dani B.</i>	This was SUCH a great show I have no idea why they pulled it! There is so little quality tv to watch....BRING IT BACK!!!
<i>Colette T.</i>	Just discovered this show!... Can't believe it's already been cancelled while other crap shows survive. It hasn't even aired in Australia or NZ, which makes me wonder if poor distribution was the nail in the coffin. #savebombgirls
<i>Becky M.</i>	Still so bummed it was canceled in the first place, but can't wait to see the movie.
<i>Marlene I.</i>	yes , when can we see this in the US? the series was great and could have went on a long time. Too bad Hallmark or Lifetime doesn't pick it up. Army wives was a huge hit , this show is just as good .
<i>Heather G.</i>	Another great show been axed I can't stand that we have to watch repeated repeats of sheer crap when there's educational and interesting entertainment like Bomb Girls.
<i>Kim C.</i>	Still REALLY upset that they would "cancel" this great series.
<i>Anna W.</i>	ill be watching...loved the show and its ashame they canceled it..just crap on tv now..they always take the good shows off DAMN IT!!!

<i>Amanda H.</i>	they cancelled it?!!!! how sad! so glad there is a movie!
<i>Margaret W.</i>	Loved the show can't wait for the movie!
<i>Kat G.</i>	Bring the show back
<i>Elena G.</i>	Can't wait for the movie! Can't wait for the second season to come out on DVD!
<i>Linda C.</i>	Someone should try to get CBC to take it over as they did with Murdoch Mysteries after Global axed it !!!
<i>Emily L.</i>	Yay! Can't wait for the movie, miss this show.
<i>César L.</i>	Bring back the show for another season!
<i>Clare H.</i>	I love it got.my sisters watching it..THE WHOLE CAST...ARE GREAT..THEY TOOK ME THERE..MADE ME N SISTERS..KNOW WE WOULD HAVE MADE GREAT .BOMB GIRLS..THANK U..
<i>Penny Y.</i>	wish it was another weekly series
<i>Sandi J.</i>	Why was it cancelled? One of the best series in a long time.
<i>Lisa N.</i>	You can't close the chapters, and finish the stories of these girls in a mere two hours.
<i>Erika S.</i>	I am sad that the series will be over, but glad we get to view a final movie! March 6 at 1:41pm · Like

<i>Kathryn S.</i>	excellent! I was disappointed when it was cancelled. Not sure I would have taken you for a fan, Steve.
<i>Batsheva H.</i>	Add me to the long list of devastated US fans who are huge fans of this fantastic show (binged on Netflix). Please tell us when and where we can see the movie!!
<i>Marlene B.</i>	Great, have missed this marvellous series!
<i>Patricia H.</i>	Love this show; glad it's coming back
<i>Tori M.</i>	Ahhh I don't want it to end! And I don't want to miss the movie. Where can I see it with out cable???? Netflix? Eventually?
<i>Nancy N.</i>	Yay! Missed the ladies!
<i>Brian F.</i>	Good show, sorry to see it ending.
<i>Tanya B.</i>	Why do all the shows worth watching have to go off the air so fast..very excited to see the movie!!
<i>Julia F.</i>	Love this show, really sad to hear it is ending. But i still have my pvr material when i get lonely for the girls.
<i>Diane W.</i>	Also Global, did you cancel Bomb Girls because you haven't ever watched it? Do you even go here? Helen doesn't exist in the show.

<i>Helen R.</i>	was a REAL Bomb Girl who provided inspiration, which took all of .5 seconds to Google. Not to mention "We're happy to announce the final chapter of our beloved series Bomb Girls is coming" is one of the most insulting ways to word that--you're happy to announce the final chapter of Bomb Girls? You call it 'beloved'? That's ridiculously contradictory.
<i>Bree M.</i>	Love this show. Sad you put it out to pasture.
<i>Kath J.</i>	I love this programme here in UK, can't understand why it's been stopped. Bring it back PLEASE
<i>Linda G.</i>	This is the BEST show! Ever.I love it makes.T.V. worth watching! Will there be dvds of the whole show 4 sale.If so let me no so.I can buy them.Thanks!
<i>Anne-Julie O.</i>	This show was incredibly real and should have stayed on air for a lot longer! This is truly sad to end a part of the woman's history like that! These woman in the past gave us the freedom we have now and they spit on them! A huge step behind...
<i>John F.</i>	I want Bomb Girls I want Bomb Girls I want Bomb Girls. come back

<i>Kim L.</i>	I haven't watched anything on Global since you cancelled the best series on your program schedule...seriously how many cop shows do we need anyway...didn't take you long to add more of those! Bomb Girls the movie will raise your ratings for a two hour period...then buh bye...again. You guys took a golden goose egg and smashed it on your own fforeheads with that stupid decision. Bring back the SERIES!!!!
<i>Ray S.</i>	that's amazing!!! It was my favourite show when it was on! Keep me updated on your projects!!
<i>Wendy K.</i>	we have missed this show big time!
<i>Barbara B.</i>	I love Bomb Girls on Netflix. If it must end, please let's have a movie to finish the story!
<i>Mae G.</i>	we were so happy to have something good to watch and we just got used to it and it was gone
<i>Crystal F.</i>	Will it be released in the US at all?? I've been watching the show on netflix and I am addicted!!!
<i>Marlene I.</i>	great show , great cast and winners at that! Why take it off the air? I don't get it . but I will watch the movie! can't wait !
<i>Christie M.</i>	I love this show,why will no longer be on the air? Was there not enough ratings?
<i>Linda W.</i>	Hopefully it will be on here in the US, the series was on Reelz..can't check yet. *fingers crossed*

<i>Andrea D.</i>	I miss my show. Even had my husband into it after a few episodes. No fair to take it off. Should have tried a different network before completely axing. Can't wait to see the movie. Just wish the series could still go too.
<i>Maryann B.</i>	Will the movie be shown in the US? I watched both seasons on Reelz channel and loved it.
<i>Courtney T.</i>	I watched it on netflix and I'm curious to find out where I can see the movie too.
<i>Beth P.</i>	Yes, I was wondering as well when this will air in the states, as I loved this show
<i>Dana L.</i>	I still can't believe this was canceled, it was so good. Seems networks only want to keep the ridiculously stupid shows!
<i>Diane M.</i>	Can't wait for this excellent program to return!
<i>Gladys S.</i>	What the.....this is good show
<i>Lyn S.</i>	I hope Global chokes for cancelling this show!
<i>Heather D.</i>	So why did they cancel the show again if it's winning awards?! Stupid networks..love Bomb Girls!
<i>Joan B.</i>	I loved this show, were the ratings poor? A great show like this and I guess people want to watch the Kardashians.
<i>Stephanie C.</i>	King Best show on T.V in ages! Why cancel it? Dumb move!

<i>Krista F.</i>	They cancel everything that is good. I loved Bomb Girls, remember to mark your calendars! March 27th!
<i>Retroorama F.</i>	Congrats!!! Floridian here who has thoroughly enjoyed the show! Bravo to cast and crew for a wonderful work of art!
<i>Suzanne K.</i>	was devastated when global canceled the show..didn't make any sense. Congratulations on the win!! well deserved. Looking forward to March 27th. Marked the date
<i>Mae G.</i>	makes me sick ,they take anything worth watching off and leave the junk
<i>Susan B.</i>	LOVE this show!!! So sad it's cancelled:(
<i>Peggie T.</i>	Sorry to see award winning show cancelled!
<i>Broni S.</i>	Loved the show, wish it would return to the States.
<i>Sarah R.</i>	BRING IT BACK!!!!!!!!!!!!!!!!!!!!!!
<i>Susan M.</i>	Great show!
<i>Lee D.</i>	How is this so good and get cancelled waiting on netflix for season 2
<i>Beverly W.</i>	Bring back the show!!!!
<i>Jessica T.</i>	If they keep winning awards, why don't they keep it on the air. There are few good shows to watch and this movie isn't going to make me feel better about it being canceled.

<i>Emily R.</i>	But still canceled? This is a waste of a brilliant show with talented actresses!
<i>Susan G.</i>	Maybe A&E or the History Channel would pick up the series....
<i>Kathy R.</i>	I don't know why they ever cancelled this show, when they leave so many crappy shows on TV!!!! Bring it back!!!
<i>Linda S.</i>	And it was cancelled anyway.....
<i>Susan G.</i>	I agree with everyone else--such a well written show, wonderful acting, I forget for 44 minutes (on Netflix) that I'm not watching real women in the 40's. They are so believable I am just mesmerized. I feel like I'm watching my mother and her friends, what life was like for them at that time in history. Maybe everyone should write to the History channel and ask them to look at this as an opportunity to keep this wonderful show alive?
<i>Jan B.</i>	Such a wonderful series, too bad it was cancelled.
<i>Marlene I.</i>	lifetime or Hallmark should pick it up . Shame it's over , it's so good!

<i>Sheri F.</i>	HOW??!! Explain to me HOW a show winning winning screen awards can be cancelled??!! Is the network high or just stupid??!! Seriously, what do we, as fans, have to do to band together and make this happen? Either make BBC America see the error of their ways or pitch the wonderfulness that is the quality of the Bomb Girls show to another network until they pick it up? C'mon!! The girls didn't give up when the chips were down and things seemed impossible!! Are we going to cave like ninnies and just throw up our hands and say, "Oh well!" Let's not sit here on FB drivelling, "oh maybe some other network will pick it up." Let's take it to them and shove it in their face and tell them they NEED to pick it up!!!!
<i>Marissa K.</i>	So happy about the awards but wish it wasn't canceled. It was and still is a great show and maybe an American channel will want to buy it or maybe make it into a series on Netflix?!
<i>Judy L.</i>	Global and Shaw made a BIG Mistake in Cancelling this show!!!!!!!!!!!!
<i>Joy M.</i>	Loved this show , Put it back on please!!!
<i>Alison H.</i>	Miss it in the UK
<i>Coleen P.</i>	Congrats! Such a great show! Why are they canceling it?
<i>Lassie C.</i>	don't cancel the show then
<i>Shayla B.</i>	they won awards and cancelled wtf?
<i>Sherry P.</i>	We need season3

<i>Jane D.</i>	In the US if a show gets enough protests either it is put back on or another station picks it up
<i>Claire P.</i>	love this show!
<i>Kelly W.</i>	dont cancel the show! i love it! Maybe Netflix could pick it up like they did with arrested development.
<i>Karen H.</i>	I miss this show!!!
<i>Della S.</i>	AND IT GETS CANCELLED. WHATTTTT
<i>Monica C.</i>	Then bring it back! Seriously, how do you cancel a multi- award winning show?
<i>Patricia M.</i>	They win an award LAST NIGHT and they cancel the show??? Whaaaaaa? Disappointing pffffffft
<i>Sandy K.</i>	Yeah what a shame. They cancel it and it receives awards!!! Great show.
<i>Amy P.</i>	SOO..WHY IS THIS SHOW GOING OFF THE AIR AFTER WINNING NUMEROUS AWARDS. THERE'S ARE SERIOUS MENTAL PROBLEMS AT THE GLOBAL TV NETWORK....THEY ALL NEED TO BE SLAPPED FOR THEIR DECISION!!
<i>Kelly L.</i>	Bring it back!!!
<i>Gloria V.</i>	love that show.
<i>Kim A.</i>	Love that show! Wish it wasn't cancelled!

<i>Nicole D.</i>	I hate that it has been cancelled! Bring back Bomb Girls!
<i>Danielle R.</i>	BEST.SERIES.EVER.
<i>Maggie S.</i>	March 27 needs to get here i need me some Bomb Girls
<i>Michele D.</i>	So miss this quality show!!
<i>Liliane S.</i>	we miss them to !!
<i>Karen H.</i>	Please tell me Bomb Girls is coming back!!!
<i>Cheyenne G.</i>	i am still royally pissed it was canceled
<i>Kim L.</i>	im sorry but Global has some nerve...i haven't watched their station since they cancelled the show...the movie is great but NOT enough.
<i>Linda S.</i>	With all the crap that is passing as "entertainment" in the US, you'd think that USA or TNT or another cable station would be eager to pick this up. There are some of us that like SERIOUS drama.
<i>Bijou V.</i>	I'm really excited for this film! I would've rather had a season 3 of course but it's better than nothing - and more than most shows get!
<i>James H.</i>	This is a good show
<i>Rose H.</i>	I wish another station would pick it up but seems like these shoes never make it for long. China Beach for instance. Home front for another.

<i>Stephanie R.</i>	It should be on Netflix..that's how i watched the show.
<i>Nancy C.</i>	I'm sad to have to miss this show, I liked it!
<i>Emily D.</i>	Yay,so happy but I live in the UK:(I love the show so much, re-watched it so many times on Netflix
<i>Steven M.</i>	Thank you for this, as I have been really missing it.
<i>Anne R.</i>	so glad date has been set. So sorry no more afterwards
<i>Wanda L.</i>	What? Why? No! Keeeeep the show I love it
<i>Danielle R.</i>	Pls. do not end this series.
<i>Marlene H.</i>	Just don't understand how such a wonderful show was taken off the air why??????
<i>Ashley H.</i>	If it's award winning why the hell was it canceled?
<i>Matt D.</i>	I see the other actors branching off to new things, but this looks like it's got a fan base that may not be seen in the ratings.
<i>Kim L.</i>	Im really looking forward to the movie...but it doesn't ease my frustration with the cancellation of the series. The real women who inspired this show deserve the honor of having their story told...even if its fictionalized. This was a show worth watching...i miss it

<i>Sarah R.</i>	BRING THE BOMB GIRLS BACK!!!!!!!!!!!!
<i>Debbie R.</i>	All these awards and acclamations for a show deemed not good enough to renew?! I just don't get it! I loved this show!
<i>Tracy S.</i>	Bring it back! This time put it on a different channel Reelz really if I hadn't seen the preview I'd missed this show why not A&E, Discovery or FX.
<i>Claudia S.</i>	Can't wait to see the movie. I did work onset a few times and I would love to watch the movie, I was wondering where can I see it?
<i>Gesina B.</i>	Love this show why did it ever get canceled
<i>Sunny D.</i>	BRING BACK BOMB GIRLS! Canada may be done with them but the US wants them!
<i>Nancy L.</i>	Im so disappointed this was canceled !
<i>Eddie R.</i>	Incredibly disappointed this show Was canceled. It is the first show I have watched from beginning to end in many years. Please bring it back! Or sell it to another network that wants it. Why do only the truly good shows get canceled?

<i>Kim S.</i>	Love this show! Bring it back please!!!

<i>Roxann L.</i>	I wonder what pea brain decided to cancel this series. They should be fired.
<i>Kathi B.</i>	So again we ask.....Why was it cancelled??? UGH!!!!
<i>Maggie J.</i>	An award winning series and you were stupid enough to cancel it? For what? Elementary? Big Brother? Could you just enlighten me and tell me how many awards either of those two have won? Or is it because you would rather support American produced shows? Seriously Global you're a disappointment.
<i>DaNielle P.</i>	Yet more awards for this amazing series, a movie is not sufficient enough to explore the lives of this vast variety of diverse dames! Bring the show back and do their stories proper justice!
<i>McKenzie J.</i>	And why is it canceled! Idiots
<i>Capybara D.</i>	lurve this show
<i>Aimée G.</i>	Bring it to the USA. We will watch for years! Season after season after season! I need more Vera!!!!
<i>Christina R.</i>	Why then don't they bring it back...?
<i>SE R.</i>	Still winning awards, and they cancelled it. OMG
<i>Barb F.</i>	And why was this show cancelled?

<i>Danielle R.</i>	Somewhere online, there is a petition to bring it back. I would gladly sign it. This is the best Canadian series I have ever watched. It is also better than most of the U.S. offerings. What happened ? Too intelligent for most viewers ?!!!

<i>George F.</i>	THANK YOU!!
<i>Connie S.</i>	Thank you thank you! I love that series and was furious it was not renewed!
<i>Michaela T.</i>	It's important to keep this show going, not just because of the amazing cast, the story lines and the incredible sets and fashions of the day. This is our mothers', grandmothers' and great aunties story that is being told. Their contribution to the war effort should be recognised and a great way to do that is to keep this show going for historical and of course entertainment reasons! My grandma worked in a munitions factory in Scotland during the war so I was instantly fascinated by the series and love the characters. I really hope it gets picked up again! I miss it!
<i>Jacqueline B.</i>	I love this show

<i>Barbara B.</i>	I love this show!! Please continue with season 3
<i>Colette T.</i>	My Granman, Doreen Taylor, worked in a munitions factory in Rocklea, Brisbane (Australia). This show finally tells the stories of the many women who risked their lives daily. They never got to march in parades for their courage, & they all knew that enemies would target munitions factories first. SOMEBODY PLEASE PICK UP BOMB GIRLS!
<i>Elena A.</i>	I love Bomb Girls! It would be great if Netflix picked up the series! Love it!
<i>May C.</i>	I really hope this works, it seems like all the really good shows are ending leaving us with mostly crap!
<i>Kathryn M.</i>	Don't get Netflix and won't just to watch one show. I'd have to wait until it comes out on DVD!
<i>David W.</i>	Be impressive to see a bomb load of comments on the Netflix FB page. There's a lot of BG fans out there, many more than are on this page and the more folks who make their will known, the more liable the show is to be picked up. It's just too darned good to see fall away. My mother was Canadian and I know she's behind the show and the women it portrays as much as if she were still alive today. Her sister, my aunt worked in a war plant in Massachusetts having been released from the WAC's as her war time job was more critical. Bomb Girls is a part of my heritage and I'm proud of that fact. And Betty is so amazing!

<i>Amy P.</i>	This show needs to be picked up by Netflix! !
<i>Judy L.</i>	TO Global and Shaw, You made a BIG mistake!!!!
<i>Michele S.</i>	When will the movie be on us netflix? That how I saw it.
<i>Alice S.</i>	I want to move to Canada for lots of reasons and now this is one more.
<i>Tonje N.</i>	Oh, wish I was in Canada Can't wait to see this movie! Hope it spreads to other countries fast
<i>Bobbie F.</i>	Why doesn't Canadian Netflix have this brilliant show on its rotation? Glad its on American Netflix but since its a Canadian based show shouldn't it be available on Canadian Netflix too?
<i>Colette T.</i>	I just binge-watched ALL of Bomb Girls. Bring on Season 3, Netflix!!
<i>Kim F.</i>	Dear Mr. Hastings, My husband and I have been loyal Netflix customers for 5 or 6 years now. We stayed with you through the price hike when many people jumped ship. We stayed with you when you started concentrating on STREAMING...(which, to be honest, we like). So, Here IT IS...We want you to SAVE THE BOMB GIRLS! Bring us a season 3!!!! Make it....throw money towards it, whatever. But, you introduced us to it, so now you need to help save a great historical-fiction show. (E Mails sent!)
<i>Erin S.</i>	I is like my favorite show. Can't wait for the movie, bit that won't be enough

<i>Annie J.</i>	It's a wonderful show.
<i>Judy L.</i>	The fans of this show really want a season 3.

<i>Shelley W.</i>	Please bring it back!!
<i>John F.</i>	Still missing Bomb Girls
<i>Sam F.</i>	Just sent e-mails to all three Netflix execs. Attacking Twitter next.
<i>Lori S.</i>	i misss this show sooooo much!!
<i>Erin S.</i>	SAVE MY FAVORITE SHOW
<i>Amanda A.</i>	I'll be marathoning season one with my friend, Alexandra Spradling-Flowers. I'm recruiting, y'all!
<i>Patricia M.</i>	More bomb girls....
<i>Michelle N.</i>	More Bomb Girls!!
<i>Shelley W.</i>	Please save!!
<i>Wendy B.</i>	SAVE BOMB GIRLS / PLEASE
<i>Che W.</i>	I've tweeted, posted, and emailed netflix execs...SAVE BOMB GIRLS!!

<i>wanderingaroundyoutube</i>	Every day on twitter I see people fall in love with Bomb Girls for the first time on Netflix. I don't mean they simply enjoy the show, tweet about it, then move on. I mean they devour those 18 episodes then go LOOKING for more. That is a huge thing, so I'm going to type it again, on it's own line in bold. They go looking for more. They fall for this show, for these characters, so hard that they open a new tab in their browser of choice and google "bomb girls season 3". They expect there to be more. And they are devastated when they find out there isn't. If that doesn't convince television execs that Bomb Girls needs to be saved, I don't know what will.
<i>joonas</i>	If you want tv-show with drama.. watch Bomb Girls okay. SO MUCH DRAMA I THINK I MY HEART CAN'T TAKE IT.
<i>beckatronsramblings</i>	Just finished Bomb Girls, and holy shit that show is AMAZING!! I was all excited for when the third season comes out, only to realize that IT WAS CANCELLED. LIKE WHAT THE FUCKING HELL.

I was so upset when my friend told me that it was cancelled before I even finished the first season :c this show NEEDS to come back, THE WORLD NEEDS MORE 1940S CANADIAN LESBIANS AND PRECIOUS FACTORY GIRLS.

johnwatsonablogging

Bomb girls is so important because it show's the women's side of the war and how women helped win the war and how the war effect them and their familys. Whenever you watch movies or show's about the war it's all about men and what they did and even when it's about women it's about women who are love sick and waiting for their man return. Nothing else. Yes bomb girl's show's that side of things but it also shows other things like how kick ass they are and how they are also fighting the war not just sitting around and waiting for their boyfriends or whatever to come home. With out women we wouldn't have been able to win the war. I believe that and I am so glad that bomb girl's show's that. It is such an amazing show we turely need more show's like it. Continuing the show wouldn't hurt ether.

So uh, hey followers, you heard of Bomb Girls? Yes I know the majority of you reading this would love this show. And you know the number one reason why you should check it out? LGBT Representation BITCHES. We gotta support and show love to those writers who show their willingness to portray LGBT persons on their shows, and do it responsibly and respectfully. We have to make sure shows like Bomb Girls stay on television and change minds and perspectives. We owe that to ourselves, other LGBT persons, and to society. So check out Bomb Girls on Netflix or anywhere else you can find and get behind shows like these that REPRESENT.

<i>Claire P.</i>	can' wait - we deserve to get the SERIES for 2014!

<i>Beth O.</i>	When can we in the US get to see the movie? I really really want to see it. Netflix got me hooked on the series I hope they play the movie shortly after it plays in Canada. Please the powers that be let us in the US see the movie soon.
<i>Tony B.</i>	It would also have been helpful if Global had provided the start time to go along with the March 27 air date. This explains why the BOMB GIRLS Movie isn't yet listed on my Program Grid. I guess we just have to stay tuned! CHEERS!
<i>Elizabeth A.</i>	I am trying to wait patiently--in the States--for the movie. In the meantime, I found all of the episodes for both Season 1 and Season 2 on YouTube. I can have my own Bomb Girls Festival!!
<i>Andora S.</i>	CANT WAIT !!!! This show should never have been canceled.
<i>Dawn C.</i>	Just ordered S1+2 as netflix hasn't picked up S2
<i>Brígida V.</i>	Girls a little help pleasee! Bomb Girls is returning like season 3 or a movie? Thanks :)*
<i>Amy W.</i>	I'd be most excited to see the Bomb Girls back as a SERIES on TV (not just a film) and not CANCELLED, like it has been.
<i>Laura S.</i>	When will it be on in the UK? Bomb girls should have never been cancelled!
<i>Terri R.</i>	Sure miss this show in the US!!

<i>Kim L.</i>	i have to say Gladys' mother is really good...i love her facial expressions...she is soooo cold What a good actress she is...but the whole cast is stellar! #BringBackBombgirls
<i>Sarah A.</i>	I just wanna know what happens to Betty!!!!!! Uggg how long will we wait for it to be on Netflix
<i>Kayla S.</i>	all of them. i loved watching this show!!
<i>Alicia P.</i>	BETTY. If you're not going to SaveBombGirls, then give Ali Liebert a spin-off, will ya?
<i>Barbara P.</i>	Love this show!
<i>Tory C.</i>	This was my fave show to actually keep up with!! And that's hard for a young single mom in school.
<i>Jill M.</i>	Im excited to see all of them come back to conclude things.Just wish the show was coming back on ! My fav that's hard but I might say Gladys...even though she was wealthy she was not a B---H about her ways.She was a normal person.Global TV will be shown in the USA right????
<i>Arielle R.</i>	Why did they cancel this show?
<i>Brenda S.</i>	Sad to lose this show...
<i>Lorie F.</i>	Looking forward to it, but wishing this wasn't going to be the last of Bomb Girls. When I see some of the things that stay on TV for years, I'm still in shock that this was pulled from the air so soon.

<i>Michael M.</i>	Such a good show...will be missed
<i>Elizabeth A.</i>	I wish I lived in Canada so I could watch Bomb Girls: Facing the Enemy next week. Any ideas when it will be shown on Reelz TV?
<i>Kelly A.</i>	When will it be on Reelz?
<i>Bomb G.</i>	Reelz will be airing the movie in the US sometime this spring. We'll let you know as soon as we hear a confirmed airdate!
<i>Kathi G.</i>	Looking forward to the new season!
<i>Valerie T.</i>	Please tell me Reelz will air this!!!!
<i>Chris M.</i>	Bomb Girls responded in these comments that it will air in the US this spring on Reelz. So glad because I never heard of Global.
<i>Tori S.</i>	Omg ! I thought the show was cancelled ??
<i>Joyce J.</i>	Yah...so looking forward to the movie.
<i>Amanda P.</i>	I hope it will be coming to the states soon!
<i>Crystal P.</i>	I cant wait!!! is the movie going to be in the US?
<i>Jo W.</i>	hope we get it here on reelz the Canada site will not let us even access the global site
<i>Diane W.</i>	They're building a device to destroy whomever it was that decided it was a good idea to cancel this show.

<i>Tracy W.</i>	Looking forward this being shown in the UK, love the series, is it available on Blu-ray Bomb Girls?
<i>Cindy R.</i>	When will this be aired in US? This show is great material for a project I'm researching, giving a good visual to that era. My mother worked in similar settings in the US.
<i>Sarah R.</i>	We want it in the US also!!! More than the movie, we want the weekly show back!!!!
<i>Diana M.</i>	YES!!! So glad it will air in the US, can't wait!
<i>Peggy S.</i>	Waiting for it to air in the us! Wish we knew what date!?
<i>Sandi E.</i>	Love to see the movie but wish the series was still one. gave me such insight to my grandparents generation why the women I know were so strong and such matriarchs.
<i>Elizabeth A.</i>	Can't wait until Spring has sprung and Bomb Girls: Facing the Enemy airs in the US. One of the best shows on television. Too bad the powers that be would rather air lesser quality programming.
<i>Theresa S.</i>	Get netflix to produce your show!!!!
<i>Christina J.</i>	Cant wait. This show is fantastic for so many reasons.
<i>Megan E.</i>	When is it on in the UK ? Looking forward to it !

<i>Marisa W.</i>	When they cancelled Bomb Girls I cancelled my cable. Is this coming out on DVD?
<i>Tina M.</i>	So far no listing on Direct tv. Will it be coming to the US?
<i>Jill J.</i>	I see it announced but don't see it scheduled, does anyone know what channel it will be on in Canada
<i>Marlene I.</i>	No idea where or when we will see it in the US . hoping Netflix pics it up . you can watch both seasons on there! Sell the rights to Netlix so we can see it too!

<i>ilovebettymcrae</i>	I think #KateAndrews was my favorite from the #BombGirls movie. She was put together and she dealt with things head-on. No panic. No death.

<i>Tv_Gal55</i>	@manson26 @VBDubGirl Step away from twitter. Go watch #BombGirls in all it's glory like it's meant to be.
<i>ilovebettymcrae</i>	I am in love with #GladysWitham. Not Gladys the spy but the girl who fought for those who had no way to fight for themselves. #BombGirls
<i>ilovebettymcrae</i>	When given the option to work above the commoners of lesser status, Gladys Witham chose instead to descend to the factory floor. #BombGirls
<i>calesybub</i>	@UtahFilmCenter #Episodes #bombgirls (which has stupidly been cancelled!)
<i>PaulaWYerama</i>	@bombgirls @Global_TV loved it!! I was having Bomb Girls withdrawl.

<i>staybloomin</i>	Was talking to a lady at work Friday... her mom was a real "bomb girl" during #WWII in #Ontario! We need to #savebombgirls & save the stories.
<i>Kay L.</i>	when will we be able to see the movie, Bomb Girls on Netflix
<i>Melissa S.</i>	Such a great show! I miss it already!
<i>Petina S.</i>	I really wish we could view this show in Australia, it sounds awesome and just the sort of show I'd like to watch.
<i>Janette S.</i>	Extremely upset the show was cancelled. I enjoyed it so much.
<i>Maggie J.</i>	So I was just reading that Netflix is set to relaunch Firefly; do you think it would be worthwhile to start a campaign to get them to relaunch Bombgirls?
<i>Joyce J.</i>	I'm really going to miss you wonderful Bomb Girls. Thank you so much for two great seasons and a fabulous movie.
<i>Joseph B.</i>	bring it back.....
<i>Elinor O.</i>	Bring back the series!!

Charlotte S.

I was terribly disappointed. As much as I like Gladys, I didn't want to watch a "Gladys the Spy" movie that shortchanged all the other characters. As for closure for characters we've come to care about, there was none. Especially for McAndrews fans who are left still not even really sure what Kate feels. To me it was just a waste of an opportunity to serve the fans better.

Court S.

The last show was great!....I only wish the series continued...at least until the end of the war..and it could have dealt with the women going home.... My mother was the secretary to the manager of a hand grenade factory in Montreal during WW II. Thanks for the terrific show. Great acting...particularly Meg Tilly, great production values....and Canadian to the core.

Pat C.

I can not understand why they would cancel such an extraordinarily amazing show.....let's hope another tv station picks it up & moves forward with this sublime piece of television magic.....no cursing, overly sexual content needed, just great story and acting.....what more could one want.....I for one will miss it

Nikki G.

PLEASE bring the show back!! or make a SECOND movie

Michele B.

Last night's show was superb. It was great to see the four women collaborate on a sting operation!

Krista J.

gosh still not ready for it to be over.

<i>Jane B.</i>	Very satisfied with the movie. It did wrap things up perfectly. Thank you to all involved in the making of the series and the movie, I thoroughly enjoy every moment.
<i>Jo H.</i>	Really hoping to see this but can't watch the Global link because I'm in the UK - could anyone help, please?
<i>Dianne S.</i>	I'm really going to miss you girls. I love all the characters, and I looked forward to seeing you each week. I loved the last episode, Facing the Enemy.... but I want more!! I grew up listening to WWI and WWII music, and my Mom was a riveter in an airplane factory in Montreal. The show gave me an insight of what it may have been like for my family. I hope we get to see you all on TV again!
<i>Kim L.</i>	I really wish you had a spoiler thread so those of us who have seen it already can talk freely and commiserate with each other hahaha...while not spoiling it for others. I feel like I need a virtual group hug...the movie was fantastic, but I am so bummed! Bring Back BombGirls!!!
<i>Joyce J.</i>	The movie was great...but, it just makes me want more.
<i>Kevin W.</i>	Really enjoyed the show last night. Great story, great acting
<i>Ken C.</i>	Awesome movie last night. Well done!
<i>Emily A.</i>	amazing tear jerking movie, so sad the series is over

<i>Kim L.</i>	ya... they could do with this story line...the possibilities are endless...too bad they won't get a chance
<i>Joyce J.</i>	Feeling melancholy today. I would love to know where the show would have gone...what would have happened in the lives of the characters...sigh.
<i>Matt L.</i>	You'll be missed... again!
<i>Colleen L.</i>	What a shame, finally get a super show on the air and they cancel it!!!
<i>Alyshia S.</i>	Please give us more!!!
<i>Alexis D.</i>	Awesome movie shame that the serial was cancelled. It so beats reality shows.
<i>Teresa M.</i>	The Movie was awesome tonight... I just wish it could go one and on and on and on and on!!! Please let there be more!
<i>Derek G.</i>	Well done Girls. I really liked how you stepped up the intrigue and suspense for the movie Bomb Girls Facing the Enemy.
<i>Donna E.</i>	Loved this show ! More please!
<i>Colleen D.</i>	Just finished watching it! I don't want it to be over. I want more.
<i>Arianne L.</i>	I was so excited, and I wasn't dissapointed. Thank for the great show! Et chapeaux à Catherine Bérubé. J'avais le la misère à la reconnaître tellement son jeux était bon!

<i>Sandy D.</i>	Big thanks to Janis and Adrienne - sad to see the end of a great show but so glad we had it for two years plus a movie.
<i>Shirley A.</i>	Great TV movie, 'Bomb Girls--Facing the Enemy'!! Seeing something like this is entertaining as well as factual! Way to go, Canada! How about another movie, since the executives cancelled the show!
<i>Kim L.</i>	the movie was really really well done...they need to bring it back as a series though...there is soooo much potential here
<i>Jillian M.</i>	why did the show have to end! honestly my favorite show of all time!
<i>Ignacia I.</i>	Wow. Doing that to Vera was cheap and lazy.
<i>R.G. R.</i>	Just finished watching the show. Fantastic performances but of course I'm greedy for more and would like to see this brought back as a series. My only complaint, the movie was severely edited for commercial content, and the chance to spend more time with these marvellous characters has ended. Thanks for the series and the movie wonderful work by all, bravo, brava! (I'll be Seeing You playing somewhere in the distance)
<i>Kim L.</i>	I was so wound up i was almost afraid id be disappointed but WOW!!!! Excellent!!! But i want MORE!!!!!!!!!!!!!! BRING BACK BOMBGIRLS!!!!!!!!!!
<i>Natashia H.</i>	The movie was amazing. I got to laugh, cry, even got a little mad. This was remarkable. Ladies I am sad that it's over but it was one of the best show.

<i>Deb P.</i>	Loved !! the movie. Going to miss you all. Good luck - and Farewell.
<i>Laura T.</i>	BRING BACK BOMB GIRLS !!!!!!!!!!!!!!!!!!!!!!
<i>Zoë S.</i>	I left the restaurant early just so I could watch the movie. You have made me cry and laugh and cry again ever since I started watching the serie and tonight the movie. Thank you, for one of my favorite show.
<i>Hana B.</i>	OMG that was soooo good. I just wish it wasn't the end!
<i>Meghan R.</i>	So disappointed in the mini movie... how could this end this way and so quick? Bomb Girls should NEVER been cancelled...
<i>Katherine W.</i>	AMAZING MOVIE.....in love with BombGirls all over again! Love, love, love this show.
<i>Alexandra B.</i>	please make more episodes.this show is awesome and must be continued.also would love to see seasons you can buy of the past episodes because here in montreal quebec there's none...
<i>Barbara R.</i>	Sniff sniff! Time flew by. Great show, great acting, great great great! Too bad it's cancelled!
<i>Andora S.</i>	Omg!!! The movie is soooo good!! Love it
<i>Carolyn P.</i>	Love this show!

Elena G.

The reason this wonderful show didn't get the expected viewership is because it's on a relatively unknown (and hardly accessible) network at least in the US. If it would have been pitched to the known American networks it would still be on. Such a shame this awesome show had to be cancelled. Maybe give it another try? Market it to the right networks? Hate to see it completely die!!

Marisa W.

When they canceled Bomb Girls, I canceled my DirectTV. There were so few shows that interested me, so when they canceled the one fascinating show with so many different female characters, that was it. Now I will miss the movie! Please say I can buy it on DVD!!!

Pj J.

HELP! I really, really, really want to watch the movie tomorrow night!! I've been looking forward to it for a long time!! I have DirecTV and can't seem to find a television station by the name of GlobalTV. Any suggestions?? I really don't want to miss it!

Sharon R.

I religiously watched the B.G. series on Reelz TV in the US and loved it. I heard that all the clothes, down to the underwear was authentic to the era. I loved the hair- do's, the clothes, music and everything of that time . I.hope to see the movie.

Tiffany C.

Where can i watch season two in the Uk. Watched first season on Netflix but gutted second isnt on there. Love bomb girls!!

Jill M.

Now another question....Isn't there anyway your company can re-negotiate a reprising of the show to be bought back on tv ?

Alan J.

My mother, a German Jew born, made bombs, artillery shells, near Leeds back in WWII, after escaping Germany, as a set up floater mechanic. She told me that she could set up and run every machine in the factory. Nice to see a show she would have really liked. I think the name of the firm was Appleyards though I could be wrong. The day the war ended the firm shut down, leaving her unemployed.

Amy V.

I found Bomb girls on Netflix NOW I am so very sad to hear that they had canceled this WONDERFULLY AWESOME show. The story, the characters. Why would they take such a show like this and cancel it. So sad, but then glad to hear about they movie...can't wait, but wish the show was back on...Thank you for great show I love.

Maisha E.

I'm confused. What's going on with the show? It's a fav! I've been waiting for season 3. Is there going to be a season 3? This show was AMAZING. The story and concept. If they don't move forward with a 3rd season, I'm sure we'll see some formation of it from the States. That's not what I want! Women during the wartime effort, same sex relationships, nationalism, classism, music! It has so much to offer. Not to mention period pieces are big right now! My mother was visiting me from GA, USA and we watched all the shows. Even she's been waiting for it to come back on! Ppl in the States hadn't heard of it, and that's a shame. I'll miss it

<i>Laure N.</i>	I hope Reels keeps Bomb Girls. It is one of the better shows on TV. Some of the reality shows are just junk.
<i>Lucrethia A.</i>	Seasons one and two can be seen on Netflix. I loved this show! Super Excited about the movie!!!
<i>Love L.</i>	Exciting, such a great show!
<i>Rhoda S.</i>	The clothes! The friendship between the women! It's history too love it for all those reasons and more!
<i>John S.</i>	In Canada we do not celebrate our own history history or historical accomplishments like we should. Part of the reason is we don't have the money to produce films like Hollywood does, because we don't have the population. Let's face it, Hollywood is not going to produce a bunch of films about Canada – it's always focused on American history. No issue with that. But as Canadians we tend to downplay our own achievements in the world. That's why when they get a program that does that and it's also successful commercially as well as artistically, it's sad that they would cancel it like they have this program. I really wish CBC would pick this up - But with Hockey Night in Canada being moved over to Rogers, CBC is scrambling and will not be providing as much Canadian programming as it has in the past, so I don't look for that to happen. Instead, will just get more American shows simulcast on global. I do love a lot of the American detective/action shows, but it's really nice to see something about Canada.

Andrea M.

The camaraderie of women banding together in such a life-altering time of their lives and making a difference is why I LOVE Bomb Girls, plus the talented and wonderful cast! When so many TV shows today put women against one another, it is refreshing to see a TV series where women band together. Today's TV networks just want to promote reality TV, but hey isn't this based on reality?! You can't get more REAL than the real stories of these amazing women who served during a crucial era of their lives. I say <<bring it back already!>>

Amanda J.

Love the women in the series each has a story, love their strength, their relationships and their struggles.....the cast are amazing, the fashion and music is fabulous!

Peggie T.

Some of us have family stories of our mothers or grandmothers working in the war effort. Our children need to know these stories and the many more stories similar. Our neighbours had 2 sons and 5 daughters. Each son, unbeknown to the other, signed up in the forces leaving the 5 girls to totally take over all the farm work. Others worked in factories, and other places they had never been allowed before. The amount of sock knitting etc and sending things to the troops - truly keeping the home fires burning. I want more of these stories. AND you can bring bomb girls back!!!!

<i>Alan J.</i>	My mother, a German Jew born, made bombs, artillery shells, near Leeds back in WWII, after escaping Germany, as a set up floater mechanic. Nice to see a show she would have really liked. I think the name of the firm was Appleyards though I could be wrong.
<i>Gabba D.</i>	Awewwwwwweww the love the actors have for this show! And yes I believe it is because of its originality.
<i>Travel B.</i>	Because of the writing and the cast. A unique story in a time we all have ties to. Women being empowered. The women have complex relationships, no one is always good or bad, they make mistakes, but ultimately they help each other. It interesting to see the Canadian perspective of this time in history. There is just so much to love about this show.
<i>Valerie Z.</i>	Great cast and realistic story line.
<i>Judith R.</i>	I was born during this period of time-I like to see what homes and fashions looked like-I think it's pretty accurate.
<i>Christina J.</i>	Many have a facination regarding WWII. I am onlythe next generation out and the war had a powerful lasting effect on my upbringing. And we all had a similar purpose, it changed who we are as countries and touched every home. And the clothes....and the redifining of femininity is hot.

Darlene-Joy G.

This was an era when woman came into their own! The men were away so the women were able to prove that could do any job a man could do, do well and sometimes do it better! My mother was a bomb girl and she faced dangers of being blown up each and everyday. One must take their hats off to these woman and how they the home fires burning! My Mum was one he'll of a bomb girl. Hats off to Florence Helen Dockrill! Mum is still alive and is still as determined as she was way back in 1942.

Julia C.

Simple because its very good x

Christina W.

Even though I was born way after this generation... I still find it relatable at times. And it is so nice to watch girls have respect for themselves.

Kath J.

I love this show because it is our past. The costumes, the hairstyles, the way people behaved in society. The social and racial divides. It is based on real people, yes the stories and characters have been changed but they 're great and keep you captivated and you really cannot wait for the next one to air. I love the music, the classic cars and houses etc. My nan and Granadad met in a bomb factory after coming to England from Ireland. This helps with memories and educates those people who do not know anything about the war. We need this series and many more like it. Thank you to all involved in making this fantastic programme, can't wait for the film.

<i>Linda F.</i>	I wonder when or if it will show in the States. I didn't miss an episode of the series and want more....if only a final movie. Damn shame it was cancelled.
<i>Maureen S.</i>	Brilliant programme
<i>Monique D.</i>	Real women in an era where we don't hear much about women and yet they kept the country going. It's about real Canadian women, heroines at home. Best Canadian show of all time. If CBC could pick it up like they did for Murdoch.
<i>Leslie L.</i>	I cannot begin to tell you how much my family and I enjoyed this show.
<i>Sandy O.</i>	First of all, Franco is hot. Second, love the stories and the clothes and just the whole thing. Great show.
<i>Mary R.</i>	Bomb Girls is the story of my Aunts here in USA during the war. I have heard their stories. The show has some of all the stories. I love it and hop they will make more shows for TV.
<i>Tracy R.</i>	It transports you back in time. . .
<i>Chloe L.</i>	Keep it going!!! Bomb girls was a great show that not only showed how women and girls should act, but taught us a lot about how things happened! It was a show that showed the truth but also had good drama. Costumes were amazing and the hair was always perfect!!! Please try to find a way for it to stay bomb girls was the bomb!!!

<i>Lynne T.</i>	My Mum was in the ATS (women's army) during WWII and some of her stories would be great programming too, in the hands of these Bomb Girls writers!
<i>Kim L.</i>	Because its the only tv show that ever inspired me to Google Canadian history after each episode to learn more about the real women who inspired this show!!!and also, theres no robots or cartoon characters or dead las vegas showgirls left in garbage dumpsters for some dishevelled detective to discuss with the local coroner...this show has real acting and real stories!
<i>Diane W.</i>	I love bomb girls because that hat
<i>Art O.</i>	My mom made ammunition during WWII. I think of her during the factory scenes. I remember she told me metal clips had to be removed from bras and buttons sewn on as a fastener as one of many spark prevention measures.
<i>Victoria F.</i>	its a great story and it happened mt mom lives it she us 86 and relates to it
<i>Nicole G.</i>	It is women, it is Canadian, it is fiction but based on a true story
<i>Terpsichore D.</i>	Love the women. They are so easy to relate to.
<i>Cathy C.</i>	Love this show and cast!
<i>Diane W.</i>	Still love it for the lesbians and the hats.

Amy S.

My 22 year old daughter and I LOVE BOMB GIRLS. My daughter does not watch TV - except this series. We can't wait for the movie, but are sad to see it go. When will it be broadcast in America. Your number ones fans - from Dallas, TX!

Jennifer S.

I think Ali Liebert is the most incredible actress. Bomb Girls is an outstanding show, and I hope it comes back. I'm so excited for the movie, and so thankful to Ali Liebert for the life and the heart she brings to Betty...it's made me realize what's possible in acting...and gives me something to forever work towards and aspire to be as an actor. Thank you to the whole Bomb Girls cast and crew!

Amanda M.

I love bomb girls.. good writing and I love the cast. I appreciate the fact that they didn't shy away from a lesbian storyline either. I will definitely be watching out for this show in cali

Lorin E.

Shows great, and all the actors and actresses are amazing. I feel as if I could of been one of those girls, if I lived in that time. Love a show that can talk u away from reality, even if its only 44mins. I also like Betty because she is a good girl at heart.

Cindy G.

Both of my mothers, biological and adoptive, worked in war jobs in the U.S. So the visual of this movie frames that time period for me. Thank you!

Carla G.

I love this show because my grandma , it's like looking into her past . This is such an amazing show, cast and story lines. It truly is a shame they are not continuing the series, at least we will get a movie.

<i>Claudia F.</i>	She pretty much said what I wanted to say only more well spoken. I really wished they didn't cut the series so short
<i>Nan D.</i>	And my dear girl, this show is a pleasure to watch. I hope to see each and everyone of you in other shows since the powers that be deemed it necessary to cancel (???!!) this show. Looking forward to the big reveal soon.
<i>Gail J.</i>	I can hardly wait to see the movie. My mother worked in the Ajax ammunitions factory during the early 40's and this gives me a chance to see somewhat the things she went through.
<i>Kirsten M.</i>	i miss the tv series it never should have been cancelled!!!!
<i>Stephanie M.</i>	Miss this show. And Betty was perfect. She really brought out the vulnerability of all the characters, especially that of Kate. The factory enigma of the early 1900s also made it poignant and fun to watch.
<i>Michele F.</i>	Bomb Girls: THANK YOU for tying-up loose-ends...This series was great fun to watch! ~ I will buy Season II (already have Season I) and the Movie, as soon as I can! M.

<i>Maril M.</i>	Bomb Girls is awesome because it is inspired by historic facts. Of course there is the lady drama and the love stories intertwined with the main current of World War II but the cast is amazing and the costumes, music etc. is flawless! It's not about putting overly tanned cunts in the same house and film them getting wasted every night and bringing guys home. It's part of our history. It's a great show and I cannot wait for the movie.
<i>AmyLicious F.</i>	It's an amazing show, shows Girls they can do anything they want just as good as the boys,... I dont see men building Bombs, so really Girls are like Dangerous but in a Sexy way,. Watch out Boys, Just a Smile can be deadly,. ;D
<i>Lindz M.</i>	Well crafted, well acted, and an important reflection of our Canadian history that every person in Canada should know about. It should never have been cancelled. I can't wait to see the movie!
<i>Lisa N.</i>	Yay bomb girls!!!
<i>Brad D.</i>	Can't wait. So will the movie be the end or will the series continue after. Such a fresh show and would hate to see it end so quick.
<i>Dena W.</i>	I thought this show was cancelled and am happy it isn't! LOVE this show!!
<i>Ann M.</i>	I really enjoyed this show. Wish it would come back on.
<i>Svetlana D.</i>	Will it be air in USA? I am a big fan of this show. Can't wait for this movie.

<i>Kirsten M.</i>	i hate all the reality tv.. i want bombgirls back!!!!:(
<i>Katie C.</i>	Still mad this got cancelled. All the good shows get axed.
<i>DaGeneral P.</i>	excited to hear this. i watch via Netflix. i love all the bomb girls.
<i>Sandy K.</i>	So, so sad this is the end. What a shame
<i>Cecilia H.</i>	Waiting anxiously to see the movie , but so sad that this could very well be the finally if we don't save the Bomb Girls . I loved
<i>Jennifer D.</i>	so sad to see this series is not renewed but looking forward to the movie!
<i>Lorie F.</i>	I would really like to know whether this a comeback or a farewell! Didn't realize there was any chance it might be coming back -- but my fingers are definitely crossed.
<i>Christine D.</i>	Bring back the series!! I am very upset this show was cancelled and yet other garbage remains on television! I will be watching this 2 hour movie but it will NOT sooth the frustration I feel.
<i>Joyce F.</i>	an excellent show!! Why do the good shows get cancelled and the garbage remains? I agree with Christine I will LOVE to watch the movie but am quite frustrated that the series has ended.
<i>Brian W.</i>	One of the best Canadian productions ever made. A true turning point in history for women.

<i>Kirsten M.</i>	omg please global wake the hell up and get this series back on the air regularly!!!!!! can't wait for the movie tomorrow night but please god bring Bombgirls back!!!!
<i>Nicole G.</i>	More shows like this please. For once we had a good series and it gets canceled. So sad
<i>Andy O.</i>	'Unexpected hiatus'? That's a euphemism and a half. Global really made a mistake when they cancelled Bomb Girls.
<i>Coreen C.</i>	Can't believe this show got canceled. Other than Murdoch Mysteries, the only interesting Canadian program in years.
<i>Yvonne S.</i>	To bad series over enjoyed the series and the show this evening
<i>Victoria F.</i>	This show is soooooooooooooo damn good.....would like to see more shows like this...Canadian TV could sure use some decent shows and on at good times when there is nothing on which is most nights!!!!
<i>Kim L.</i>	so many opportunities to share more and represent the women who actually lived these lives...lost. Very sad. This show deserves to be brought back...we aren't ready to let Bomb Girls go
<i>Diane W.</i>	There's an upsetting sense of finality in how she talks about the end result of the fans who are still fighting. Shaw probably doesn't give two shakes of a rats butt but I'm still hoping.

<i>Christine D.</i>	The series should continue!! It was fantastic!! If it won't continue then we need to push for a few sequels to the movie!!
<i>Kayla S.</i>	This is Canadian History. This is more important to show then ratings.. money hungry people!!
<i>Stacey S.</i>	I'm going to be so sad once I finish the movie! It's a shame it couldn't have continued as a series...
<i>Susan B.</i>	They deserve the loyalty of their fans - it was a damned good show. Good plot lines, great actors, Canadian content, and part of Canada's history. Good for Ms. Tilly !!!!
<i>Sandra W.</i>	The loss of this show, as well as "Army Wives", makes me sad. Both excellent shows with important stories to tell.
<i>Barbara A.</i>	I really loved this show. C'mon people this is Canadian history!!
<i>Stephanie S.</i>	Dramas based on history make the best shows! When, how van we watch this in America?!?!?
<i>Angus S.</i>	Amazing what crap advertisers will support if the demographics are there! Good shows with meaning like Bomb Girls and Army Wives gone. Yet zombie tv and cheap reality shows just keep coming!

<i>Maggie S.</i>	is there anyway that the cast of bomb girls can talk them into bringing back the show. we have so few good shows like this to watch and we need more shows like this. it comforts a lot of us who are worried about this world and how if anything happens we all come together and support each other. please ask them to make more bomb girls shows.
<i>Dave R.</i>	Is there any chance Netflix could pick up Bomb Girls?
<i>Angus S.</i>	The series was cancelled. This 2 hr movie is to give us closure. Time Warner didnt dump it. Sadly, another good show was simply cancelled.
<i>Gabba D.</i>	Doo Season threeeeeeeee!!
<i>Renee K.</i>	I love this show and am sad it was cancelled. I hope Global replays the movie, or makes it available on Demand. I have to work tonight and do not have a DVR I am really disappointed to miss it.
<i>Kim L.</i>	Globals ratings are going to surge tonight, then poof...all gone tomorrow Love Bomb Girls!!!! Bring it back!!!!
<i>Judith M.</i>	Great show again. Missing you BOMB GIRLS!!! Come on back soon.
<i>Marilyn H.</i>	Bring The Bomb Girls back

<i>Christine D.</i>	The Bomb Girls are back for a "special movie" but the series NEVER should have been dropped!! Don't pat yourselves on the back too hard, Global....we fans are grateful for the movie but still feel very deep frustration towards the cancellation of this fantastic show in the first place!!
<i>Heather D.</i>	Still think it was dumb of them to cancel such a good show!
<i>Andrea H.</i>	Huge fan - watched the series on NetFlix here in the US. When / where will we be able to see the movie?
<i>Anne-Julie O.</i>	Will we be able to watch it another time than tonight because I'm going to miss it?!
<i>Kim L.</i>	Movie is great, bringing back the series would be even better!

<i>Nancy R.</i>	I'm so upset I don't get that channel! I really enjoyed this series.
<i>Elizabeth S.</i>	I'm so sad that I'm not in Canada tonight. Love Bomb Girls and Canada!!
<i>Kassie R.</i>	It was amazing and I'm very sad to know that this is the finale for Bomb Girls, forever. It was one of my favourite shows.

<i>Bob C.</i>	A movie that was wonderful! Great! Fantastic! Super! Well worth watching!! So when are we going to see more?? PLEASE bring back the weekly show, plus another movie!!!
<i>Maggie J.</i>	Was great (as my now stained on eyeliner on my cheek can attest to) but I really just wish the show would come back. Even though the movie was 2hrs I have so many unanswered questions
<i>Gracie P.</i>	I just don't understand how such a great show doesn't go on, but absolutely nasty crap is on week after week : (
<i>Pat S.</i>	The best show ever. I had a Mom that work in the Munitions Plant in Toronto and I heard all her stories. She sure would approved if she was still here. Thanks so much, it sure moved me.
<i>Janice D.</i>	Great movie. So sad this show will not be on any more!
<i>Jennifer N.</i>	I'm so excited for the movie; it's really quite bitter sweet. I'm so sad to see the end of such a wonderful series. Not often to you get an education while being entertained!
<i>Sandi E.</i>	Bring it to the USA. Can't believe on of the best shows in a long time cancelled.
<i>Carolyn P.</i>	OMG This is the BEST show on TV!!! I just HATE the thought that it's over!!!
<i>Judy C.</i>	it was so good seeing them all again and so sad knowing this is the end..

<i>Bob C.</i>	The movie tonight was great!! The ending suggested a sequel. We can hope.
<i>Leah W.</i>	I agree was a great movie, but they did leave the ending open to a possible sequel...or perhaps maybe they should just bring it back!!
<i>Misty R.</i>	I'm still upset they cancelled it, For what another vampire or zombie show?
<i>Cora C.</i>	Just bring the show back! Plz!
<i>Sylvie H.</i>	The movie was very good , i want the show back please
<i>Cameron R.</i>	While I hope they do another movie that brings the war to a close, if this was the last instalment, it was a fitting one that I am happy with, yet still saddened by (goodbye Vera). Watching this show made me wonder what life was like for my grandparent...See More
<i>Matt D.</i>	Small enough to cancel yet big enough to make a movie. The new Firefly.
<i>Diane W.</i>	I'd like to win a third season of Bomb Girls, thank you.
<i>Kerrienne F.</i>	Facing the Enemy - the network executives who canceled an awesome series.
<i>Kirsten M.</i>	omg global tv i hate them for cancelling this show!!!!!! and the movie left sooo many loose ends not gonna throw spoilers but OMG!!!!!!! the 2 hrs flew by and i was bawling my eyes out!!!!

<i>Julie P.</i>	Loved it !!!! I want to see more of the Bomb Girls. Tell me it's not over... C'mon TV executives, make it happen. Son much more could be written/scripted.. .
<i>Darlene-Joy G.</i>	Bring um back! !! Love the Bomb Girls!!
<i>Janeen A.</i>	I love and really miss this show. I'm so happy for the marathon and movie so I could dvr it, YES!!!!
<i>Catherine P.</i>	the movie is awesome Bomb Girls are the bomb, will there be DVD format of the movie to buy later?
<i>Stephen N.</i>	Yes, would just absolutely love more Bomb Girls!!
<i>Maggie J.</i>	Aww damn it! I was sick and missed out on most of the movie and this post. Any other way to get a VicMu badge? Could it be a Crowdfunder campaign to fund the next season of Bomb Girls? I am pretty sure you'd get more than enough of us helping out!
<i>Carol F.</i>	Loved it! The door was left open to continue, and considering that the war lasted for more years after this movie plot, I sincerely hope that happens!! I think that this is on a par with some of the British drama series. This series was not sold well, and needs a decent marketing campaign and a great producer. Start with the VicMu badges and get many more people talking about this!! Want more Bomb Girls - Please!

<i>Kassie R.</i>	I am so sad that I didn't know about this last night while it was going on. However, I'm going to say what I would have said here: I'm not surprised Betty got into boxing, but it was amazing seeing that side of her. My dad and I both knew that Ivan was going to die the moment Helen kept trying to get him to leave. I'm sad to see the show go because it is one of my favourites, but at least most ends were tied. Maybe one day, #BombGirls will return with renewed vigour! (if this counts toward the draw, I'd be super happy, and if not, I'm just glad I was able to voice my opinion.)
<i>Katharina R.</i>	I love this show!
<i>Judy N.</i>	Great show. Will miss it
<i>Theresa S.</i>	Great show, love Vera's story!
<i>Yvonne S.</i>	Sad to see the series end
<i>Marlene H.</i>	Great movie last night wish it was still on the air

<i>Amy W.</i>	so sad its been cancelled but happy to see the movie.

<i>Amanda S.</i>	I just want to scream, "Say it ain't so!" The cast and show is absolutely amazing. I've loved letting Bomb Girls into my home and look forward to the movie.
<i>Olivia R.</i>	We LOVE Bomb Girls in Great Britain💣
<i>Kim L.</i>	Best show EVER!!!! Its like saying bye to an old friend...good luck to all the cast and crew on your new adventures...hopefully Bomb Girls Part 2!!!
<i>Jill M.</i>	So sad that one of the very best Canadian shows ever made had to end! It has been such a pleasure and joy to watch this show and to see the development of the characters. It has also allowed people to have a glimpse into what life was like during WWII as so many people have either forgotten or have never heard what role women played in the history of the world during that time,
<i>Brian W.</i>	Most people have no idea how important the role of women changed during wartime. It's something that needs to be taught, and remembered. My mom was a bomb girl, and I wish I would have heard her stories while she was still with me. This show is like going back in time and seeing what she must have been like. One of the best productions ever made.
<i>Jessica R.</i>	So gonna miss this show!! All the good shows get canceled in favor of "unscripted reality shows"....

<i>Edna W.</i>	I loved watching it. It gave me a better understanding of both my parents who would have been about the same age, as the characters, at that time.
<i>Millie S.</i>	I love Bomb Girls; it is based on historical fact and shows the courage of the nations women; I was born in the mid 40's and conversations of male and female bravery were definite topics of dinner table conversation for many years following the end of WWII - seeing this past history brought to life is wonderful for me. Thank you all; I will miss the show, it's marvelous writers and directors and all you beautiful women.
<i>Judy C.</i>	we need more shows like this and a lot less so called "reality" shows.
<i>Elena G.</i>	Love Bomb Girls. Reason it didn't get the ratings was the network it's on. Most of my friends didn't even know what GlobalTV or Reelz was! Need to bring it to known American networks!!
<i>Bunka G.</i>	I love Bomb Girls so please bring it back.
<i>Becky P.</i>	I was SO looking forward to seeing the 2nd season, but with it being shown on a channel that's not shown in the United States any more, that's not going to happen. I LOVE this era. I love seeing how they dress and the historical fact of the show, it's such an awesome program!! Please bring it back a channel to the U.S., so we can see it too~!!

<i>Tori M.</i>	I absolutely love Bomb Girls! I have turned all of my friends on to the show. I can't wait to watch the movie on Netflix one day! So sad it's over
<i>Marlene I.</i>	We need to get it back on the air ! a 2 hr movie is great , but that show could go the distance because each character had a good story line and it could have been great !
<i>Gloria V.</i>	I love this show. Everything is perfect for the period. The emotions this show produces are priceless. Meg, you are the best.
<i>Judith M.</i>	With all the rubbish on tv these days BOMB GIRLS was a joy to watch. A real story. I will miss you all so much but will sure be watching tonight. Wouldn't miss it for the world.
<i>Debbie R.</i>	im excited for the movie tonite but then sad because we will never get to see all of you again
<i>Raven M.</i>	wish it wasn't ending. Amazing show. Can't believe this would get canceled but other stupid shows aren't.... it's sad
<i>Nicole G.</i>	Enjoyed movie so much, wish there was more and more
<i>Nan D.</i>	thank you. I loved the show and this cements it - you must come back!
<i>Shirley W.</i>	Loved it. No show? How about more movies?
<i>Darlene-Joy G.</i>	So enjoyed your wrap up! So sad it's finished! ! Miss Bomb Girls!

<i>R.G. R.</i>	Wonderful movie, shame such quality programming is being axed. Come on powers that be, we like smart shows, historical shows, with complicated funny, frustrating, compelling characters. Maybe I should quote another long running show's character, that you have made a mistake axing this one.. D'OH.
<i>Chris M.</i>	Anxiously waiting to see it in May. Can't believe it will be over.
<i>Kristy L.</i>	Sad that it's not going further... Figures a show about canada and women fails.
<i>Julie P.</i>	Bring it back !!! I love this show. The storyline could go on....and on !!!
<i>Sue M.</i>	So so so much love! Thank YOU for bringing this dream of a show to our screens. We'll never really let you go.
<i>Kim L.</i>	After watching the movie last night my frustration is all fired up again...well it never really left...but the potential here is so obvious...the new character was fantastically awful and I missed other characters and want to know what happened to them, and with Vera they could have gone 'on location'...that story line alone had me riveted to the screen!! Wake up Global...bring back Bomb Girls!!!!
<i>Helen F.</i>	It was a joy to have the Bomb girls back. Great research giving us some insight into a Canada most of us haven't known about, great cast and just enough suspense to keep you on the edge of your seat. it reminds me of Foyle's war (a UK drama) . If only we could see more of this standard of historic drama. Well done to all.

<i>Carolyn P.</i>	I absolutely LOVED the movie and I hope that they will bring us new episodes.
<i>Colleen R.</i>	Can't wait to see the movie. They never should have cancelled the show!
<i>Melissa H.</i>	hope they bring back this show!.. love this show ..
<i>Charles E.</i>	can not believe that they left so much to be told.I love every little thing about this show.Lets put this back on.By the way my favorite characters are Betty and Vera.
<i>Marlene I.</i>	Meg get your own Prouction Company going and Keep going with this show!!! NEVER GIVE UP!!!!
<i>Kim L.</i>	Start with Bomb Girls Part 2!!!
<i>Linda M.</i>	Love Bomb Girls!
<i>Sunny D.</i>	Ok on the serious....I'm so irritated that this was cancelled.. it was nominated for and won how many awards? Goes to show the politics behind the scenes is all that matters.

<i>Kim L.</i>	reading that global said the ratings went down during a time when they fiddled with the schedule to put Survivor on...well....DUH! I remember thinking what happened to Bomb Girls!!!! I certainly didnt watch Survivor hahahaha! Anyway I'm just shaking my head judging by the numerous fan posts begging for the return of this show...I have to ask who does their ratings measurements for them? Seriously...this show has a HUGE fanbase!!!! I just don't get it I will miss you BombGirls...come back!!!!!!
<i>Susan H.</i>	Awesome show but , some sad moments. Bring back the girls! Have missed this show so much.
<i>Debbie R.</i>	didn't want it to end
<i>Carol L.</i>	I began watching this Canadian show and found it hit home but I cannot find it on the telli anymore. What happened, I understand it won an award? It got canceled! What? That can't be so but now I believe some USA station picked it up. Where can I find it in Canada?
<i>Kirsten A.</i>	is there a possiblity of another movie still many loose ends...
<i>Amy W.</i>	I LOVED watching it, but it made me so sad because Bomb Girls is no more. Global did a REAL disservice to its massive audience by foolishly cancelling this stellar show.
<i>Wendy S.</i>	It was awesome:) Hoping for another Bomb Girls movie!!!!!!!!!!♥

<i>Mary-Louise A.</i>	Make a post war movie!
<i>Christine B.</i>	it was awesome ! would love another movie or serie about each main character's life after the war...
<i>James H.</i>	It was a good show.
<i>James H.</i>	this show need to keep going.
<i>Stephanie P.</i>	I wish we had that channel here. I loved Bomb Girls when we lived in Colorado. Im so sad I cant see the movie
<i>Peggie T.</i>	The movie was good but there is still so much more story to tell. HOW ABOUT IT GLOBAL!!
<i>Brian W.</i>	It was very good, so sad at the end. Was very well written!! Kudos to the cast, crew and writers. You make Canada proud!!
<i>Mike M.</i>	Great show, I wish it would continue.
<i>Mary-Lou L.</i>	I've loved this show from the beginning and I think Meg Tilley is superb in her role. The rest of cast is also outstanding and the writers are to be commended. This is a great boost for Canada! Thank you!!
<i>Sue H.</i>	Although I loved the series I thought last nights two hour special fell very flat....still too many loose ends.

<i>Shirley R.</i>	Yes, heard Lesley Roberts talking about it last night and saying, this 'successful' series had ended and the 2 hr. movie would tie up all the loose ends...why did it end if it was such a success? I really liked the series. Will watch the movie this w/end.
<i>Millie S.</i>	Excellent movie; I will miss you all.
<i>Deborah M.</i>	Loved the movie, just wished that the series didn't get cancelled
<i>Ellen P.</i>	Loved the show and movie. So good to see women from the 1940s playing strong characters and being good role models.
<i>Gizela D.</i>	Excellent movie...I will miss you
<i>Sheree J.</i>	Loved it! So sad that it's now over. Another movie some day?
<i>Mary A.</i>	Loved it, wish there was more!
<i>Victoria F.</i>	Another Movie for sure...they left us hanging just hope its not 5 years from now
<i>Kimberly J.</i>	was so great but what happens next we need more shows or movies
<i>Darlene-Joy E.</i>	Love love love this show...way more stories to tell!! Please bring the gals back!! One of the better Canadian shows. Really did not understand why it was cancelled, maybe a gentle reminder to new generations to what happen during the second world war years when women came into their own!!!!

<i>Debbie H.</i>	Loved it I want more
------------------	----------------------

<i>Peggie T.</i>	It's interesting how we know so much about every battalion and squadron in WW 2 but so little about what the women were doing. This movie was so pressed to try and finish stories that they left much of the girls stories out. Each 20 minute segment could have been it's own section.. What about Gladys 'training - what about the underground boxing - what about the singing career - what about Lorna - does she get involved in the secret service. What about victory gardens and saving fats - WHAT WERE THE WOMEN IN CANADA DOING DURING THE WAR!!!! I want so much more.
------------------	---

<i>Kelsey S.</i>	It kept me interested for sure but could've been better, I get it's a war based show but killing half the cast off was kinda lame.
------------------	--

<i>Angie S.</i>	I loved it! There's so much more that could happen tho! Hopefully there's another movie or better yet more seasons.
-----------------	---

<i>Maureen L.</i>	Yes, please, bring it back!
-------------------	-----------------------------

<i>Christina C.</i>	I loved it, but I agree with everyone-- we could have so much more!! They could expand on the movie and keep the stories going. So touching, so lovely. I miss this show
---------------------	--

<i>Sally R.</i>	Bring this show back..
-----------------	------------------------

<i>Sharon W.</i>	Want more! more more more, I say!
------------------	-----------------------------------

<i>Joyce J.</i>	I'm with the majority...I just don't want it to be over yet. More movies perhaps? At least until the end of the war...please.
<i>Gail J.</i>	I thought the movie was terrific; a few tears here and there. I too would like to see some continuance. Great job!!!
<i>Jessie L.</i>	It was a sad ending. I still have a lot of questions.. I didn't want it to be over!!
<i>Donna M.</i>	What part of GLOBAL don't they get!!
<i>Carol A.</i>	So that is it... no more episodes? OMG
<i>Tara C.</i>	It was so good. I only wish we had more seasons as I would love to have seen what became of the characters after the war ended.
<i>June A.</i>	That was fantastic. I am so sorry to see the show go. Wonderful acting, historical Toronto roots and a journey that is truth and educational. Thank you for putting closure to this wonderful series.
<i>Melanie Z.</i>	Wish it wasn't over
<i>Heather C.</i>	Kudos to everyone for a fantastic wrap-up. Just watched the movie and loved it. The script far exceeded expectations and of course the actors, sets and all were great. We will miss the show. Thank you for bringing us this part of our Canadian women's history with such class and cleverness.
<i>Natalie A.</i>	Awesome show, but so sad it was the last. Definitely should not have been cancelled.

<i>Linda H.</i>	I had to pvr it, and am watching it now. It is soooooo good. I have missed this show so very much. Wonder if Netflix will carry it on?? That would be wonderful.
<i>Mae G.</i>	We enjoyed watching it ,i wish the show was still on
<i>Luisa F.</i>	They did a great wrap up, hitting all the right notes. Terrific; sad t see it go, but so glad they got a proper send off!
<i>Sonia G.</i>	The movie was GREAT, but we need more! Definitely should NOT have been canceled.....sooo much talent, in both the actors and those behind the cameras! Thanks to all involved!
<i>Laida I.</i>	Was that a closure for the serie? I felt like I needed to know what happens at last with every single character. What happens with Marco,Gladys and what happens with Betty and Kate? I hope you are planning to restart the serie again, or at least film another film.
<i>Nancy S.</i>	Really want this series to continue to the end of the war, whether as a series or three two hour movies...let's get at it.
<i>Catarina P.</i>	i need more..
<i>Julie C.</i>	Loved it. Sorry to see it go.
<i>Judy Z.</i>	Loved Loved Loved it want morexoxo
<i>Val A.</i>	loved it and was reminded that there is no reason to cancel such a great show
<i>Brenda R.</i>	Gotta return. Last show was amazing!!!!

Elinor O.

I enjoyed the movie. So disappointed the series is over though. Bring back the series!

Erin T.

So sad the series is over! I loved watching the Bomb girls help out with the war effort... Each episode made me think of my Grandma who joined the Air Force and made her way to Ontario in the 40s to do her part. Thanks for bring this part of our history to the tele for a couple seasons at least!!

Patrick T.

Every time I find an intelligent, challenging series that I really like, it gets cancelled. I could definitely stand to see more of Bomb Girls. Superior writing, surprisingly fast-paced, well done production and effects, and a truly excellent cast. A lot of top notch talent went into this series. Really deserving of so much more acclaim. The war is not over yet. Bring on more Bomb Girls!

Joan B.

I thought the TV series really was entertaining and enjoyed it much more than the other stuff on TV these days

Jordan L.

I have always loved world war 2. It was great to see a show about Canadian woman workers during that time. Its makes me irate to see they took down this show after just two seasons by far one of my favorite tv shows but us the fighters are keeping it alive. I think it has the perfect cast i really hope that another tv network picks it up because its an awesome show and doesn't deserve to come crashing down. Glad to see so may other people feel the same way i do. I'am very avid about saving this show i don't think a male is more passionate about it then i am its pretty hilarious my girl friend laughs at me sometimes because of it. i have this website bookmarked so i can always be updated on how saving bomb girls going. Let me know what i can do to help. thank you for your time, lets save this magnificent show!

Choley B.

In a sea of ridiculous reality shows and cop dramas comes a refreshing idea that is Bomb Girls! My mum and I have enjoyed this show from the very beginning and believe it to be incredibly wonderful and unique. It deserves many more seasons! For the sake of all who desire more than the mediocre drabble that is constantly shown on television, please keep Bomb Girls alive!! :) Thank you and take care!

Maria P.

I'm hoping they continue the series. I love Bomb Girls and hope it continues because lets be honest, there is a lot of junk on Netflix and B movies so lets grace it with a show that is honorable and classy eh?

Judy C.

I am another fan as well. Just sent off emails to all the network execs. Thanks for putting this site together to try and save the show.

Jen D.

This has been an outstanding Canadian series. Please let's have more!

Camilla B.

I live in Melbourne, Australia and I absolutely adore Bomb Girls. I very rarely get attached to Television shows, there have been other TV shows I have liked which have been cancelled and I have gotten over it pretty quickly but Bomb Girls is different. From the very beginning when I first started watching Bomb Girls I fell in love with the characters. The characters really seem like real people. The acting is beautiful and the quality of the production overall is top notch. The thing about Bomb Girls which really got me hooked is that I haven't seen any other TV show that compares with this one, it is truly unique. There is nothing else like it on Television, there are no substitutes. This series dealt with so many different issues and did it well. It was an intelligent series. I'm so sick of all the same boring shows on TV. This series broke the mould and that is why it was bloody brilliant! I am desperately hoping by some miracle the series will continue... two seasons was nowhere near enough to satisfy me, Bomb Girls is so fresh and full of life. I will deeply miss this show.

Hedy L.

It's a great show!

Anne N.

This series is a shining light on a small segment of history done in a fun, interesting and riveting way. I was hooked after the first show! I can't wait for the next episode, only sadly, there are none on the horizon. Don't give up this sparkling infusion of the simple life, love of country, helping one another and working together for a common goal. I'm sorry I missed this the first time around but am very grateful I found it on Netflix. I'm spreading the word! Bring us more BOMB GIRLS!!! We could all use a dose of their spirit. I can't wait to share the series with my friends. Hope to hear good news soon!

Norina L.

Why are we subject to the dumbing of America? We are puppets to the dictates of the pleasures and ideas of those who think they know what is best for all. Network executives are wrong. They do not listen to our pleas, or simply have a reading comprehension problem, because if they did not, they would put shows like Bomb Girls back on the air. It is simply a travesty that this show is being cancelled. Perhaps network executives think that the public is stupid and not ready to comprehend that which has any sort of intelligent knowledge in its' scripts. Bomb Girls offers us a look into our history. It extends a view into that which most of us know very little about. As a young girl, my aunt told me what it was like to be a strong woman in Tarrytown, New York working in the factories during WWII. I couldn't really understand the depth of what she was trying to say, but I was intrigued at her strength and her independence. I was also saddened at the fact that she died as a result of her work, because she died due to being exposed to asbestos during that time period. Perhaps that would have been something that would have been an issue in one of the episodes. Who knows? Both my husband and I truly enjoyed this series and were eagerly awaiting the start of the new series only to be disappointed by finding out that it was cancelled. I found out by doing a web search; what a way to find out! I am starting to believe that network nit-wits would rather opt for the vampire-lust, dim-witted programs that fill the empty-headed noggins of idiots, rather than to present to serious minded people, because there's more money in it. Correct? Time to re-think your audiences. We pay for this stuff, and would like to know that for the 250+ stations there would be more to watch than blood lust, porn, and jerks running around. I don't care about cursing or well-placed sexual scenes, it is life as it should be, and I

<i>Jane M.</i>	Save this show. I hope eventually. I wil be recommissioned.
<i>Mary S.</i>	Love this show!!! Need to have it ended right, but not ended. Ha
<i>Liz G.</i>	Please save Bomb Girls
<i>Silvia</i>	Save Bomb Girls!!!!!!!!
<i>Penny B.</i>	After going thur cancer treatment this pass year. Their wasn't much to watch. But I found bomb girls. And I feel it was a very good show. Kept my mind off treatments and shots. .sorry to see it go off the air. Very good actors. Three wishes. No cancer. And more bomgb girls. Third wish is private. Good luck to all and thanks for the smiles from our girls. Job well done. Like rosie said We can do it. Thank again
<i>Carla F.</i>	I discovered Bomb Girls a year or so ago via my Netflix streaming subscription, and I was so upset to hear that it was not being renewed for a 3rd season, but was pleased to hear that in Ocotber of 2013 a 2 hour wrap-up movie was in production. Please, can't you all come to a logical conclusion that Bomb Girls should be reinstated as a TV show?
