<i>Anonymous</i>	With all the lame reality shows on TV it was so refreshing to have a show that educated and empowered women. A brilliant show like this can only last 2 seasons and rubbish like Family Guy is still on after more then a decade...

What idiot thought they should cancel  
this, my wife and I looked forward to this  
every week. What a tremendous program.  
These tv execs haven't a clue.

---

*Renee G.*

if your going to cancel bomb girls, I think  
itd be nice if we could just watch the last  
couple episodes online or even sell them  
in a store,... now the idea of a movie  
doesn't make sense to me because usually  
a show is already been made, so why  
would a movie come out.... anyways, I just  
want to knw what will happen

---

*Carrie W.*

'Bombgirls' is a history lesson intelligently  
woven into a modern and exciting  
tapestry of stories. These stories are  
relevant today to everyone - but especially  
to women. The Canadian backdrop is  
particularly important to our history,  
culture, politics and our 'story' in general  
and there is absolutely very limited  
opportunities for Canadians to access this  
kind of show on T.V now-a-days. Please  
let the show go on. We really need stuff

---

like this to keep Canadians aware and thoughtful, rather than consumed by terrible reality t.v shows and backward representations of women. I want to know more about what the women before me fought for and I want to learn more about our role in history, culture and politics. This show is entertaining and very clever and very uplifting and empowering. Without such narratives being portrayed more often (and for more than 1 or 2 seasons!) we risk losing them all together.

*T C.*

Wholeheartedly love the women of Bomb Girls! Great writing and cast. Please continue.

How can you cancel a show that everybody loves and wants more of it

The fanbase is growing over the internet like wildfire. So many people are out there just waiting for this show to come into their lives. I found it after it was already canceled, and so many of my blogging friends are also just discovering it now. Please rescind the cancelation because it's popularity is just getting started.

*Nancy*

The best show on TV!!!

Bomb girls encompass a wide variety of issues.. aside from it's obvious excellence in being able to inform younger generations of what women went through during WW2 it is one of the few Dramas on TV that deals with Women in an honest manner. It reminds me of the kind of quality show HBO does.. the big difference is HBO doesn't shy away from unusually subjects and is not as quick to cancel; to give the audience a chance to become caught up in the drama! This show has (perhaps) had a slow beginning but I know a number of people who have just recently started watching it and will (would?) continue to do so. Give it a little more time, please! Canadian shows often have a hard time at first. But the quality of the writing, acting and production is there for this to be a hit if you could persist for at least one more season. Please don't replace it will another testosterone filled police program or innane comedy.

---

*Sherry A.*

this tv show teaches us women in their age bracket how we have to value the liberty and equality we have today and how much women in the past even 70 years had to fight for it.

---

*Dawn N.*

When are you bring out Season 2 on DVDs? Why not put it have it on streaming media for us in the US?

---

*Christine H.*

Please make available to everyone! It's a fabulous show

---

*Christine D.*

Why on earth would this show be cancelled? It's a breath of fresh air compared to all the other GARBAGE being shown on TV these days!! Bring it back, please!!

---

---

<i>Alexandra N.</i>	Please give this show a chance at the ending it deserves!
<i>Tom R.</i>	when a good show comes along do not end it
<i>Anonymous</i>	Continue the show. I'm a 43 yr old straight male and I love these girls for their courage and true friendship because they remind me of my Mom. My mom's 86 and has lived through these days. She knew what the war worries were like and helped serve the war by working in factories. This show is my Mom. Listen to the masses.
<i>Lisa H.</i>	I absolutly love this show. I watch every episode, and will continue to do so. It is so well written, and the actors and actressess are so amazing. it has such a great message about the women of that time, and how they were such hard workers and really believed in the work they did. please keep the message alive.
<i>Simone O.</i>	never been interested in war dramas before but this show gave a womans versions & now it's being pulled. typical
<i>Vanessa M.</i>	don't quash the best canadian tv show in decades!
<i>Emily C.</i>	SAVE BOMB GIRLS
<i>Tina N.</i>	Please! It's such a unique show. It would be greatly missed!
<i>Kenya S.</i>	this show is amazing. Please stop canceling great programming.
<i>Faith E.</i>	Best drama award at the Gracie Awards in

LA and yet Bomb Girls is cancelled!  
Incomprehensible! It was one of the best  
series onTV and it's loss will be felt by  
many viewers. Yes, a third season would  
be most welcome!

---

*Carole S.*

Please bring back this excellent series. It  
was refreshing to watch intelligent  
interesting programs that shone a light on  
a very important part of our history.

---

*Bobbie B.*

I LOVE BOMB GIRLS!!!!

---

*Landon*

I love the show, so amazing and was very  
upset to hear that it was cancelled. Please  
bring back the show!!!! P.S I know this is  
asking a lot, but if you do bring back the  
show, maybe you should bring back  
James Dunn. I don't know save him  
somehow. I know it won't happen but I'm  
just dreaming, cried horribly when he  
died. Oh and if he does come back (plot  
twist, which won't happen) he should  
totally reunite with Gladys Witham!!!  
They are totes adorbs! Thanks!!!! Bomb  
Girls Fan!!!

before joining the Army.

<i>Kathy M.</i>	I think this is a fantastic show and there is no reason to stop showing it. It show a great history of our girls in wartime who took it upon themselves to help in a great time of need. We need more shows like this one!
<i>Anonymous</i>	The best show on tv at the moment
<i>Jacquie T.</i>	I would rather the series not be cancelled than to finalize with a movie
<i>Sheralyn B.</i>	Please keep Bomb Girls on the air. My husband and I both enjoy this slice of life from our parents era. We only became fans this past season and watched the older episodes to get caught up on story lines. This is a true Canadian gem.
<i>Cathy J.</i>	This is a fabulous show....plus history at the same time.
<i>Luanne M.</i>	Bomb Girls is an amazing show that deserves air time. I'm a huge fan.
<i>Rachael</i>	love the show. hate to see it end.
<i>Mary L.</i>	loved this show! it was pure family entertainment. history. the only decent show on tv now. instead of all those crap, unreal "reality" shows. who cares about keeping up with "whoever", love and hip hop/basketball etc..and "real housewives"???seriously,they're anything but "real". mindless,pointless shit TV..
<i>Jennifer H.</i>	Please save this show. There is nothing else like this on tv.
<i>Anonymous</i>	Please to NOT cancel this amazing show

---

---

<i>Leslie</i>	Great Show
<i>Nancy M.</i>	Save Bomb Girls!
<i>Steve M.</i>	We don't have very many good tv shows in Canada, now or historically. This is one of the few. Do what you can to support this industry, especially when you come up with the occasional gem like this.
<i>Anonymous</i>	This is a quality Canadian program. We need more, not less, of this!
<i>Kathryn L.</i>	please allow us to put our suggestions in the hatbox - please read them and ACT upon them! It would make for a much more successful line up for you if you bring us bomb girls! we must have our bomb girls! don't let your show be a bomb that blows up in your face - give us more, more, more of the show we love -bomb girls!
<i>Zyna P.</i>	do NOT cancel please this is such an original series
<i>Rosemary D.</i>	Please save Bomb Girls! I just love that show. Great acting and a piece of History as well!
<i>Anonymous</i>	Great show! It should continue!
<i>John M.</i>	This show is not only excellent, but totally unique in its content. It is well written and acted and the story lines are very good and historically accurate. We love this show a lot and look forward to it every week that it is on. I am not sure the producers realize the exposure it is having world wide, but it is growing in popularity

---

---

everywhere. I can't see any rational reason to cancel "Bomb Girls" and can only ask that it be saved. You have something truly EXCEPTIONAL here - don't lose it prematurely.

---

*Stacy H.*

Save Bomb Girls please!!

---

*Myron D.*

Bomb Girls is the only reason I keep Direct TV. Please reconsider your decision. There is outstanding talent on this program.

---

*Mike*

This show has helped me as a history teacher relate the achievements of women in WW2.

---

*Laryssa U.*

completely disappointed with Global that they would cancel a show that finally has some substance and a story line. This is the only show that I have discovered that I can watch with my whole family and we are all addicted! Bring back Bombgirls so that we can continue our family viewing.

---

*Georgina M.*

---

---

<i>Rhonda M.</i>	This is one of the best shows on television! It is well written and performed!
<i>Nancy G.</i>	Please don't cancel this show!
<i>Gail T.</i>	My husband and I really enjoy this show. So disappointed that it is being discontinued.
<i>Albert S.</i>	You cannot discard a show that has such compelling characters and storylines. This show stands tall against the usual Hollywood drivel with great originality and terrific actors giving us a glimpse at a vital piece of history.
<i>Kim C.</i>	I enjoy this show every time I watch it, my parents were the age of most of the solidest and bomb girls At that time, let's me get a glimpse of what their loves were like back then. Would hate for this show to end.
<i>Eric O.</i>	This is a wholly unique series in television, and its story is too involving to simply drop. It's extremely well-acted, superbly written, and it serves an important role in the landscape of television. This show has character, and like so many other series cancelled before their time, the fans of the show simply refuse to let it die before the fight is over.
<i>John O.</i>	Show is very well written and acted.
<i>Judith M.</i>	Bomb Girls is one of the best shows on tv. I love to watch it so please bring it back for season 3.

---

---

<i>Adrienne M.</i>	Bomb Girls is an amazing show with a fantastic cast. There is nothing else like it out there and I don't want to lose it. There are people out there who appreciate the beauty in costumes, makeup, hair, and cinematography of this show. Please don't block us out.
<i>Cher G.</i>	This is a great show! Please don't let it be cancelled as so many good shows seem to be.
<i>Sjenn</i>	Bomb Girls is one of the best shows on television right now. So tired of all the reality crap. Keep this good show for those of us who appreciate "real" stories played by real actors!
<i>Ralph</i>	please save bomb girls this show is becoming very popular
<i>Dallas A.</i>	A great show! It would be a shame to not do more of them.
<i>Julie C.</i>	In a media washed in gore, banality, and inane scripts. Bomb Girls stands out in it's smart writing, complex characters, and less predictable storylines. Please keep it going. It's a breath of fresh air.
<i>Judy S.</i>	SAVE BOMB GIRLS
<i>Bob D.</i>	My wife and I love this show. Please continue it!
<i>Sherri F.</i>	I just binge watched bomb girls on netflix. I was absolutely heart broken to find it was canceled. Perhaps Netflix will pick it up like arrested development? Bring the show back!

---

---

<i>Jenn</i>	every time a good show gets going, it gets cancelled. its ridiculous. a show needs time to get its base, just as it does, it gets cancelled. sick of it. reconsider.
<i>Ronald V.</i>	Please save bombgirls. Over here in the Netherlands we like it very much!
<i>neuralhandshake</i>	The show is beautiful and powerful and doesn't deserve to be off the air so soon. At about sixteen episodes, it's easy to digest and wonderful.
<i>VBDubGirl</i>	This show means a lot to so many fans. Saying it means 'a lot' doesn't actually really do justice to the connection people have developed with this show. It's very hard to articulate how a show can resonate with some people.
<i>miniprofessor</i>	[Excerpts from letter written to Global:] After only eighteen episodes, the potential end to a series of quality, integrity, and strength of character, speaks to a sense of corporate impatience rather than a committed investment in an artistic and commercial venture...The stories this show creates redefine the limits of our collective vision so that we can write new truths— truths that are far more meaningful for who we are and what we believe is possible...Betty McRae is the first character on television who tells my story. I look at her, and I see me. I see me. A television show is finally making my life visible through Betty's integrity, grit, and determination to live her life without shame. Ali Liebert, in partnership with the writers and their commitment to telling Betty's story in its fullness and in its honesty, have given me the gift of

---

affirmation. Because Betty McRae is on my television, I am no longer invisible. I cannot express how utterly life-changing this is...Cancelling this show after eighteen episodes sends the message that a dollar has more power than art, more worth than the writers, actors, directors, editors, designers, and crew who make art, and more importance than the incalculable intrinsic value contained in even a single episode of Bomb Girls.

*dinosauresrex*

I have loved Bomb Girls ever since it came out. I remember watching the preview for the show and thinking how great it will be. And every expectation I had rose greater than what I could ever imagine. I am extremely upset by the cancellation of this show. It shows the part of the war that no one knows of. Please bring this show back. The rich storylines and character development is what television needs. Not another "reality" show like survivor.

*needingyourswa

I cry because I loved Bomb Girls so much...and now I have to wait until the tv movie and then it's out of my life forever.

---

*spookypossum*

Ugh this show is so good. I am so upset that there are only 2 seasons.

---

*DeeDee M.*

Please Save Bomb Girls and let them have a 3rd season!

---

*Rebecca W.*

A thoughtful and well acted show. Such a better choice than reality TV.

---

*LORI C.*

I LOVED BOMB GIRLS AND I'M SHOCKED YOU DON'T WANT TO CONTINUE IT. IT GIVES SO MUCH INSIGHT TO WOMEN'S RIGHTS AND

---

HOW THINGS PROGRESSED FOR WOMEN FROM THE WAR ON. YOU DIDN'T DO A GREAT JOB ADVERTISING THE SECOND SEASON EITHER!! I HAD TO SEARCH AND SEARCH AND HAD TROUBLE FINDING THE SECOND SEASON SHOWS. I'M CATCHING UP WITH REPEATS NOW. REELZ DIDN'T DO WELL WITH RELEASING THE SHOW TO BE TAPED EITHER!! PLEASE RECONSIDER!!! MY HUSBAND EVEN ENJOYED IT!!

---

*Rick C.*

I think it a shame to let this so important & mostly overlooked view of life on the home front end. I've never seen anything like it. I think that it is very much the way that it really was. It changed the role of woman in the workforce as well as the world forever.

---

*Susan C.*

Love this show!

---

*Amy B.*

Why is it that all historical/good shows are cancelled? All generations can learn a lot from this show and many others that have been cancelled after one or two seasons. It isn't right that we can only watch junk on tv now a days. We should be teaching and showing the younger generations what it used to be like in an entertaining and tasteful way. Please bring back Bomb Girls!

---

*Cristal H.*

Bomb girls is one of the only two tv shows I care to watch. Please don't cancel it. It teaches some history and shows women in a very positive light. Not much of that happening on TV anymore. Don't cancel this show.

---

---

<i>Paul F.</i>	This is an entertaining and educational series.
<i>Liz A.</i>	Good show just watched the last episode. They at least need a final send off of the characters
<i>Anonymous</i>	strong Canadian female role models...do we need to say more?
<i>Gail H.</i>	please, please, please keep Bomb Girls on television. I want to watch Canadian tv but will go back to US programming.
<i>Liz M.</i>	I absolutely love this show, and was devastated to hear season 3 has been cancelled. There isn't anything quite like it on TV at the moment, the plot is unique, the characters inspiring, and the story worth fighting for.
<i>Alice</i>	Love this show!
<i>Sheila S.</i>	Excellent historical drama and from a Canadian perspective. Don't understand why such a quality show would be cancelled. I've recommended this show to many friends and family members. Keep the Canadian content on TV and this is one really worth keeping.

<i>Victoria</i>	Give bomb girls a future!
<i>Anonymous</i>	Great show, Keep it coming for all the fans both in Canada and the USA!
<i>Anonymous</i>	Do not cancel Bomb Girls!! I have been watching Bomb Girls in the USA on REELZ. I was so grateful that Canada shared the Bomb Girls series with the USA. I love Bomb Girls!! Bomb Girls is the one of the best series that I have seen, and it is educational. With all of the garbage reality shows that are stupid and pre-scripted, it doesn't make sense that a network cancels a high quality show like Bomb Girls.
<i>Anonymous</i>	This is the best show on television. Please don't let it be cancelled. Women and girls need this. Just let of have this one this time.
<i>Susan M.</i>	The best TV show to come along in quite a while. I enjoy the storyline and the fact that for a change it is not a police or medical drama. There are not many period dramas and I hope we can look forward to more of this one.
<i>Anonymous</i>	This is an amazing show. Has to be one of the best on television. Although I was not born until the 80's the 40's has to be one of my favorite time periods. I love how the show gives us a drama to watch but also does a very good job of incorporating history into it. This is such a great series that needs to come back for a third season, to finish up the show and not leave us hanging like this.

---

---

<i>Manny M.</i>	Only show I've been waiting for all season!!!!
<i>Sonja L.</i>	This is the first Canadian show I have bothered with since the original Degrassi High.

<i>Lauren K.</i>	I have really enjoyed watching Bomb Girls and would love to see a third season!
<i>Lynn M.</i>	loved the show, great acting, and story lines, grew up in the 50's, near area where bomb factories had operated during the war years...
<i>Christina</i>	Bomb girls is a GREAT show its got to come back!!!
<i>Pat R.</i>	There is no show on TV with such great, strong women role models. With the lack of good shows on TV today, I can't believe that Global would cancel one that is far & away one of the best. Bomb Girls would

---

---

	be fantastic on CBC, back-to- back with Murdoch Mysteries. That would be a dynamite line-up!
<i>Gita</i>	we need more strong female actresses playing strong characters on tv. the time to change is NOW
<i>Lisa W.</i>	You can make a positive effect on today's girls and women by continuing one of the only TV shows that honestly and genuinely depicts women as strong, hardworking and interesting in their own right.
<i>Julie R.</i>	please save bomb girls!!!
<i>Carol L.</i>	Great program. So few out there. People need to see this history!
<i>Alexa K.</i>	This is my favourite show and promotes an interest in Canadian history!
<i>Cathy R.</i>	Outstanding show!!!!!!!!!!!!!!!!!!!! Not enough people know about it. Advertise!
<i>Lea M.</i>	We want Bomb Girls!!!

<i>Susan W.</i>	Great writing, excellent characters, please renew

<i>Sheila P.</i>	I love Bomb Girls. It is one of only two shows I watch. Please keep them.
<i>Denise G.</i>	KEEP BOMB GIRLS ON THE AIR!!!
<i>Anonymous</i>	This is a good show! Keep it going!
<i>Gessica G.</i>	We need TV shows like this back on air. So many TV shows have no actual value and only center around materialism and egotism. This is creative, intriguing, beautifully put together from every crew department that was apart of this show, and it's historical. This is what today's world is missing!
<i>Linda P.</i>	Save Bombgirls!
<i>Esther</i>	save this show its amazing
<i>Mark</i>	Please consider keeping this alive, the show is great. It's your distribution and marketing that's holding you back. Get this on amazon and iTunes etc..

---

---

<i>Gretchen C.</i>	This show is historical, has drama, is very unique, and different from so many mundane TV programs
<i>Wilhelmina R.</i>	There are too few Canadian made programmes. Why cancelled a top rated one? I'd rather have the series back, than a made-for-TV movie.
<i>Rick</i>	I loved the show and it was far better than what's being shown now!
<i>Lynne D.</i>	I love the program!

<i>Mark B.</i>	referred by John Challus and I support this petition. MJB
<i>Linda N.</i>	With so few quality programs on the air these days, it's all that much more important to save the ones that are.

<i>Lauriem</i>	I love Bomb Girl. It's an intelligent serial !!
<i>Neil</i>	I love Bomb Girl. It's a very smart media. Bomb girls are women served during the 2nd WW ! They deserve this duty of memory ! Vive Bomb Girls !
<i>LEANN B.</i>	Can't you sell the show to History Channel or H2? Sell it to Netflix, It has a growing following as one of it's most watched Streamed shows. I cannot believe YOU'RE GIVING UP!

---

less than a week to watch both series 1 and 2. And now I'm wanting more. And this doesn't only touch Canadians. My feelings were tested badly even I'm from Finland. I babbled like a baby. I love this show and hope to see more.

Végre nem egy értelmetlen látvány sorozat, hanem valami tartalmasabb. Kár lenne érte. (HUN) (Translation: Finally a show that's not just meaningless action but offers something of substance. Would be a shame.)

<i>Beth D.</i>	Please bring back this well acted high quality show as we feel that so much more could be told to the wonderful character's stories that enriched this period drama. Could someone tell me how an award winning show gets cancelled ?
<i>Anonymous</i>	Please renew this series. It has been a wonderful experience discovering our Canadian History.
<i>Kyle</i>	Crazy global! Good show that you did not market!
<i>Donata</i>	Bring 'Bomb girls' back please...

<i>ANN B.</i>	Please produce a Season 3 of Bomb Girls. I thoroughly enjoyed the shows & the history of the ammuniton factories
<i>Evelien T.</i>	It's for a great cause!

<i>Carolyn R.</i>	Love the Bomb Girls show. Keep it coming as there is not much on television other than murder shows. We need more shows like the Bomb Girls to bring the history of this country forward.

<i>Clifford J.</i>	I think it's the best tv. show since M*A*S*H, I don't watch many shows these days, but I feel this one is worthy of my time. Do what is right and needed, keep the show going. Thank You.
<i>Gil W.</i>	TV is infested with mindless, so-called reality shows. Finally, an original Canadian show that is believable & moving. It is admired worldwide & gets cancelled, another Canadian trait. Give me one last season to wrap it up, or I will never watch another Global production ever again !
<i>Stacia K.</i>	Please reconsider your support of this wonderful program, which was a victim of circumstance that unfairly concealed it's huge fan base.
<i>Lily S.</i>	Bomb Girls is great TV!

---

---

<i>Margaret G.</i>	How could you cancel the best show on TV? The guy who canceled Star Trek probably thought that was a good idea too. You have loyal fans for this show. Bring it back!

<i>NJ T.</i>	I love this show!
<i>Anne E.</i>	love this show. Support Canadian made shows!
<i>Guy R.</i>	As a Canadian, our TV networks should have a responsibility to showcase Canadian talent and shows on a regular basis.
<i>Brenda R.</i>	As a Canadian, our TV networks should have a responsibility to showcase Canadian talent and shows on a regular basis.
<i>Nancy C.</i>	Great show - that's what I call "real" TV!
<i>Robyn W.</i>	We need to save this great Canadian show!
<i>Kimberley J.</i>	Please don't cancel good Canadian programming!
<i>Anonymous</i>	A very strong Canadian show, showing historical events but with a fictional appeal. The reality of World War Two for many women, and deserves to have another season at least!
<i>Geri C.</i>	I would really like to see additional seasons of Bomb Girls. There are so many stories to be told about such an important time in our history. I understand that Bomb Girls is also popular outside Canada. Please reconsider additional seasons - it's honestly the best television today!
<i>Cliff S.</i>	The show has a growing following and is critics have given it a thumbs up. I would think that something should be given to

---

those who pay.

---

*Carol L.*

This is one of the most important shows on TV. The role of women changed forever during WW II. This show not only these changes, but a little known part of history. It is so important for women to understand that the freedoms we enjoy today, started during WW II.

---

*Norma A.*

I want season 3.

---

*Roberta B.*

Seeing the past is so much better. Watching something like this is so much better than all the reality crap that is on television. How are the children coming up in this day and age suppose to learn about past history.

---

*John E.*

Quality TV is a must in an age where reality TV rules the airwaves with worthless "entertainment". Please bring back this quality show!

---

*Kristy*

When I first watched the series earlier this year, I couldn't help but watch the entire thing over again! Bomb Girls is brilliantly-written, historically-based show with a top-notch cast of well-developed characters, which is so rare in "girly" TV shows! Although the show takes place in the 40s, the situations that each of the characters must deal with, both in and out of the workplace, are still relatable today. As an American, learning about women on the Canadian homefront during WWII adds an additional level of interest to the show. A Bomb Girl movie would be great...but more seasons of the show would be BETTER!

---

---

<i>Mark S.</i>	Really enjoyed the show and would love to see it continue.
<i>Sylvie F.</i>	Keep the bombs girls alive
<i>Chiara</i>	save Bomb Girls!! One of the best shows
<i>Eduardo A.</i>	Just finished watching season 2 and I really want to know what happens to the girls. A third season is a must
<i>MARY P.</i>	I just shake my head and role my eyes when a reality show from the US becomes more important that "our reality show" the Bomb Girls.
<i>Laurie</i>	Save Bomb Girls!
<i>Anonymous</i>	Please save Bomb Girls. It needs its proper closure
<i>Jeannie A.</i>	Please save this show!!!!
<i>Paul R.</i>	This is such an original show about life when Allied nations were at there best for the good of all nations. A third season would give us more of the same. Please a third season!!!!
<i>Anonymous</i>	I'm from Australia, and I love this show, cannot believe that such a great and loved show has been cancelled- please bring it back
<i>Geneviève P.</i>	This is an excellent canadian show that can really compete with the US' ones. The story, the actors, the filming locations, the director, everything is perfect. I can't believe there is one good reason to cancelled Bomb Girls! So please don't!!

---

---

<i>Natasha P.</i>	PLEASE KEEP THIS SHOW!!! This is like Firefly all over again - Listen to the fans!! don't make the same mistakes as Fox!
<i>Anonymous</i>	Love the show
<i>Judy C.</i>	Excellent show. Great stories and cast. Bring it back!
<i>Cheryl C.</i>	I loved the show. It was amazing and I looked forward to watching it every week. The only show I really got to watch with being a mom of 2 under the age of 6.
<i>Diana A.</i>	great show !! better than those garbage reality shows .i can't believe what people watch today.
<i>Ruth J.</i>	I had never heard of this show before, and happened to been loaned a box set of season 2. I was only going to watch on episode and next thing I know, I've watched the whole season in one day! This is a great show! With so much crap on television these days, can't we keep something of substance?
<i>Anonymous</i>	I loved the series Bomb Girls. This show was an intelligent and highly entertaining look at a very important time for women in history. The media seldom shows anything that represents women truthfully and intelligently. This show is such a powerful and moving insight into women's lives. Women are very under represented as 3 dimensional characters. I am so tired of seeing sex based portrayals of what women do in culture and history. There is really nothing to replace this incredible show. You had ratings you didn't even know about, albeit

---

---

	they were women.
<i>Sam</i>	Save the bomb girls!
<i>Ann C.</i>	I love watching this show. I could hardly wait for the new season. I had no idea that it was cancelled. Please put my name on the list to get the show back on the air. This may have started off as a miniseries but it has been very enjoyable to watch and I would like to keep it going.
<i>Connie</i>	Love the series great work
<i>Linda M.</i>	I loved this show, I told my mom about it, who I must say worked on planes during the war at Curits Wrights in NY Also my Aunt who worked in the uso's in Nigara falls We all watched and then talked about it. I was born during this time. Even my daughter who is 47 loved it. How could you take it off the air. Please Please for a family of women who work hard, and loved this show put it back on. thank The Bomb Girls of NJ and NY
<i>Anonymous</i>	We want Bomb Girls back. Pleaaaseeee!
<i>Yvonne O.</i>	Bring back Bomb Girls NOW!!!
<i>Anonymous</i>	Really enjoyed the show, would love to either see a movie to rap it up or a continuation.
<i>Anonymous</i>	Please keep Bomb Girls going!
<i>Anonymous</i>	Don't end the show Bomb girls!

---

---

<i>Anonymous</i>	I absolutely love this show. It shows a lot of power women received in those times and reminds women today they can still be just as powerful if not more.
<i>Golden H.</i>	This is a great show. My dvr has been set to record since the very first episode.. How dissapointed am I to hear it's been cancelled..SAVE OUR GIRLS!!!!
<i>Sue W.</i>	We love bomb girls. You want people to see the best of Canadian showcase. This was a wonderful way. Its our past and made us what we are now. We owe it to these people to tell their stories.
<i>Denise S.</i>	Bomb girls is an intelligent, well written, well acted series. It is an act of dumbing down television to cancel this program. I can't see this program on US tv, so I have to wait for it on NetFlix, and I will be waiting to see it.
<i>Juliane C.</i>	Please film season 3 of Bomb Girls. This show has been so amazing... WE NEED MORE!
<i>James A.</i>	Please bring back another season for us here in the USA who enjoys quality TV !
<i>Gwendoline C.</i>	I don't understand why such a great show has been canned. ?
<i>Angelina V.</i>	Please DoNotCancel
<i>Gina F.</i>	This is one of the best written shows on TV please give it another try
<i>Kate L.</i>	Passionate about the show.....story line and the great job done by the actors. Got the second season on Netflix....saw the

---

---

	whole thing in one day. Why ditch great stuff like this? Cheaper to have cheesy competition shows? One must pay actors and writers for work...we the audience deserve it.
<i>Dwayne W.</i>	Yes. Networks really piss me off when they cancel a show that's doing good. Stop canceling shit!
<i>Michelle S.</i>	Can't believe you're canceling such a great show!!!
<i>Marisa D.</i>	Save Bomb Girls
<i>Anonymous</i>	One of the best TV shows. Helps educate everyone about an important time in history. Excellent production values.
<i>Bailey C.</i>	This is an amazing show that deserves to be seen!
<i>Sammantha T.</i>	Don't cancel great Canadian tv
<i>Anonymous</i>	I will not watch Global television anymore until you reinstate bomb girls.
<i>Robert B.</i>	Great cast, great scripts, great story lines, great loss. Please bring it back. Thank you, Canada!!!
<i>Anonymous</i>	Awesome show. Just caught it on Netflix. Was looking forward to season 3!
<i>Vanessa G.</i>	Please don't leave this wonderful program unfinished like happens to so many other shows. The ladies of that era, like those portrayed in "Bomb Girls" who paved the way for us women in the workplace since WWII,deserve a better tribute than an

---

unfinished show.

---

*Cheri P.*

Most amazing, riveting series I have ever watched. I was spellbound, and could not bear it when each episode ended. Such a compelling story, well-written, well directed, and well acted. I loved, loved, loved it. PLEASE bring back another series. This is something women relate to, our mothers lived, and draws the collective together. I have never been so totally engrossed in a series as Bomb Girls. Please bring more.

---

*Lysbeth C.*

Please continue enriching my life with this show I love everything about! I have been in a deep depression but found the show on Netflix, the show I always wanted to watch on TV, and now and the show has made me desire the simple things in life that will make me happy.. like tea. Strange but true.. something has lifted from me and I dont want to let go! I too was abused and I also love the relationships/friendships in this story! Please keep the seasons coming! I need it!

---

*Steven K.*

excellent show and should have been promoted better.

---

*Laurel*

I love this show! I recently found out about it. Please do not cancel the show

---

*Leean*

Oh please, PLEASE bring BOMB GIRLS back! I have fallen deeply in love with every character and, as an American, even deeper in love with CANADA! Us Yanks were slow to catch on to "Foyle's War" but now that we have, we have an eighth season to look forward to! Go make it and, hand-on-heart, we will watch!

---

---

<i>Ray F.</i>	This is a drama of relationships that are complex and endearing. One sees the war from the perspective of "Rosie the Riveter" please do not cancel this show.
<i>Larry M.</i>	A major chick flick - but oh so well written and acted. As 67 and 70 respectively, my wife and I just discovered this show on Netflix a week ago and literally raced through the episodes. With proper marketing and widespread awareness this being continued would be a no brainer. Have you approached Public Television or FOX?
<i>Vicki P.</i>	Please have a season three. There are very few good tv shows. This is one of the best.
<i>Karen M.</i>	I just finished watching a repeat of the 1st episode of Bomb Girls on Global and got excited about the next season. I decided to look up when the new season would start, only to find out that it has been cancelled. Period dramas are so popular right now and this is Canada's answer to Downton Abbey...better in my opinion. Please do not cancel. Thanks, Karen MacIntyre
<i>Lynn B.</i>	The best show in years!! Just finished watching season 2 and am suffering withdrawal. Looking forward to the 2 hour movie but please reconsider future seasons. Best, Lynn
<i>Alice U.</i>	I'm interested in gender studies, and this show is both, educational and entertaining, i hope they bring it back
<i>Viola S.</i>	Save Bomb Girls!

---

---

<i>Kendra C.</i>	do NOT cancel this show. I finally found a show I love.
<i>Kelly R.</i>	My all-time favourite show.
<i>Theresa</i>	Save this show!
<i>Ellen Y.</i>	These are our mothers and grandmothers!
<i>Anonymous</i>	Love, love this show!!!
<i>Cindy F.</i>	This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment.
<i>Anonymous</i>	Just found this on Netflix and I think it's fascinating! Please consider another season!!!!!!
<i>Robert H.</i>	Please continue Bomb Girls. It is a great show.
<i>Debbie H.</i>	it's a little piece of CANADIAN history; makes some of the stories that our parents and grandparents told us come alive
<i>Barbara</i>	Please don't let this show fall into oblivion. It's intelligent, well written and very watchable. We want more than a Season 3 we want Seasons 4, 5 and 6!
<i>BJ S.</i>	this is a great show that gives us some insight, even if it is a bit dramatized, how things may have happened during this moment in Canadian history for women.

---

---

<i>Derrell G.</i>	If you are going to cancel this series that has such a great following I won't be watching anything else you bring on because if I find I am enjoying it you will cancel it also. In other words you are setting a precedent for future series.
<i>Anonymous</i>	This is a great series. Please let the story develop to the end.
<i>Anna B.</i>	<b>WANT TO SEE MORE OF THE BOMB GIRLS</b>
<i>Judy B.</i>	Keep Bomb Girls. It's too good a show to cancel. I can't believe why so many good shows are cancelled while crappy shows and stupid reality shows seem to keep on airing. Please reconsider your decision to cancel this show and keep it on your station. Thank you.
<i>Stacey D.</i>	Bomb Girls is an amazing show, especially because it's Canadian, and I can't believe they are cancelling it, I am so disappointed! :-( I am very glad to hear that they are atleast ending it properly with a TV movie, thank you for that....but I still think you should continue the show!!!
<i>Kristina R.</i>	Id be a loyal watcher for years to come. Bomb Girls is tv at its finest. Bring it back!
<i>Marlene D.</i>	Amazing show! Please continue it.
<i>Holly M.</i>	This is the one show Canadians can be proud of!
<i>Teagan C.</i>	save this show!

---

---

<i>Megan J.</i>	Cancelling this show was a horrible idea, and reflects poor judgement on the part of network executives.
<i>Sandy D.</i>	i found Bomb Girls while surfing Netflix one night and was hooked after just one show. It's rare to find a show that is entertaining, character driven, educational, and most of all affords a glimpse into another era for women. Although I don't care for the lesbian storyline, I do enjoy the show and would hate to see it cut short before it concludes the time period of WWII. Please do everything possible to keep it in production.
<i>Lidiadiaz96</i>	This is a great show!
<i>Anonymous</i>	I sign this petition whole heartily. Bomb Girls is more than a television show, it is a historical masterpiece that I cherish as it has brought my mother and I closer together in our relationship. There are no other shows that are as beautiful as this with the characters, cinematography, and stories. One more season to enjoy this wonderful show would be a wish come true.
<i>Susan S.</i>	Please come up with a way to continue bomb girls. It has so much more potential and stories just waiting to be told.
<i>Anonymous</i>	Please save this amazing show!
<i>Wendi W.</i>	I Love " Bomb Girls " please save the show for all women in Canada!
<i>Jeff K.</i>	This was a well written an acted series. I first saw it on an Air Canada flight and

---

immediately bought the first season. I am very disappointed that Global is not doing a third season.

---

*Anne C.*

A rare treat on TV. It stands out in a world of wasted air time. Please bring it back.

---

*Lana V.*

We are so upset to find out Bomb girls has been cancelled!!! Why???? Compared to all the other crap on TV this show depicted REAL life events of that era. So so so disappointed!!

---

*Lisa S.*

Great show with great acting is so hard to find on TV....It is filled with reality crap. I like to be entertained and I really like this show.

---

*Meg*

Please bring back this show! There are so many stories left to be told.

---

*Ber L.*

Love this show!! So well acted, beautiful costumes, great story being told about an era we don't need to forget - but be inspired by. A 3rd Season would be an incredible gift!

---

*Jacqueline*

Great canadian Show.

---

*Veda M.*

To Whom It May Concern: Just saw Bomb Girls on Netflix. Absolutely loved it! I checked immediately to see if there would be a 3rd season and found out it wasn't going to happen. What a shame! It's so hard this day and time to see quality TV. This show was able to cover all the issues that have been addressed during this time with grace and taste rather than trash and profanity that is so much of today's TV. Why can't we have

---

---

	more of this type of TV with quality script? -- Regretfully, Veda M.
<i>Melanie P.</i>	I really enjoy the Bomb Girls series. It reminds me of my grandmother working in an a ammunicions factory durning that time.
<i>Cj</i>	I have only just become aware of this show and its excellent! I am in love with the characters! .... especially Betty and Kate... lol
<i>Tracy R.</i>	Love this show!!!!
<i>Vanessa S.</i>	please keep the show it's so amazing and it shows how women were so strong through all this
<i>Ravenna</i>	The characters in this show really drew me in with their lives. To hear great stories of strong women who where trying to be acknowledged at such a time.
<i>Natalie</i>	Bomb Girls has far more to give!
<i>Aimee W.</i>	This is such a fantastic show for women especially! It really shows how far we've come and how much we've struggled throughout the years. The cast is amazing and it's a shame you aren't giving the die hard fans closure!
<i>Chantal</i>	I really love this program and i NEED the third season!Please do it!
<i>Colleen S.</i>	Please bring Bomb Girls back, at least for one or two more seasons!
<i>Amira D.</i>	bring this back!!! it's a great show and one

---

---

	of the few that shows powerful women.
<i>Susan G.</i>	This is a terrific show - there is nothing else on the air remotely like it. BRING IT BACK, PLEASE
<i>Anonymous</i>	This is a great show & with poor quality TV viewing I really hope this program can be saved.
<i>Myrna</i>	Love the show. Hate to see it go!
<i>Ashley O.</i>	This show needs to stay on the air! You are better than this!
<i>Leslie K.</i>	Produce a 3rd season! I love period pieces most of all WWII. It's well written and has great story lines. Nostalgia and the real heros. If anything get that movie out there! Now, how do I get a bandana!?
<i>Jason</i>	Too good to cancel..
<i>Chelsea R.</i>	soooo great!!
<i>Lisa J.</i>	This show is awesome keep it going!!!
<i>Michelle</i>	Its a big part of history. Finally a show that shows morals and what life was like back in the day. We have a lot of crap shows nowadays. This shows meaning and how females learned to help our country. It should be a show of inspiration for our young females vs ones of sex that are already on every station. That is what kids see today instead of something inspirational and of roll models. Then ppl wonder why the world is going to crap.

---

---

<i>Tammy D.</i>	Please bring back this show!!!
<i>Lory</i>	CONTINUUEEEEE PLEASEEE
<i>Maria R.</i>	I watched both seasons on Netflix and LOVED it! My husband is Canadian and he enjoyed watching the series with me, as it contains a lot of historically accurate references. Please reconsider for a 3rd season, or at most a TV movie made available on Netflix that we can watch to tie up loose ends.
<i>Richard N.</i>	Would like to see the series continued
<i>John K.</i>	Though fictional, this show depicts an important part of the history of 1941 to 1945.
<i>Anonymous</i>	This show had excellent acting and content, not to mention fans from around the world. Why was this cancelled?
<i>Chase B.</i>	Too good to cancel. Complex and human characters, fantastic stories, and great acting. We need this more than anything else on TV now. Bring it back!
<i>Linda O.</i>	Good show which these women deserve at that time.. please come back and renew on the 3rd seasons....
<i>Theresa W.</i>	Very saddened that this show has been cancelled! This show was a good way of learning about the times and life during that specific time era. It definitely depicts a bit of American History and I really enjoyed watching it...the cast members were great as well! Such a shame...

---

---

<i>Joanne D.</i>	Smart, well written televisions shows that revolve around strong women are rare, and need to be championed. Women also played a very important role in this war and nowhere else exists such a venue that shows what it was all about. Please reconsider and keep this show alive
<i>Kaitlin L.</i>	Its a fantastic show! Compelling plot, intriguing characters, great vintage settings. The next downton abbey! Please save
<i>Jennifer H.</i>	love the 1940s for fashion. I am a fashion student and love this show as i am so inspired. Also great acting so effortless and an amazing cast.
<i>Roberto S.</i>	Save the series it's too epic !
<i>Ataeres N.</i>	I love this show. Better than most of the vapid crap that prevades tv these days. entertaining and historically relevant drama.
<i>Jennifer B.</i>	I love the show. It is one of the best shows on TV.
<i>Michelle M.</i>	Love this show! Please bring it back!!!!
<i>Renee S.</i>	I love that it's NOT the reality garbage that glorifies being a redneck... it's a heritage show that has great story lines and depth. Please keep it on.
<i>Susan R.</i>	Love this show must continue!
<i>Lynne P.</i>	Please continue the series

---

---

<i>Kathleen M.</i>	why would you not renew a hit! excellent show, fantastic characters --- makes no sense not to continue with this series!!
<i>Caroline</i>	I love this show and really hope we get a chance to have the movie come out.
<i>Marylu S.</i>	I was looking for a powerful girl cast on netflix and I found it with bomb girls please put this show back on, at least on netflix like (mini series)house of cards :)
<i>Liz</i>	I live in Australia! Bomb Girls is one of the best shows share it with the world!!!
<i>Anonymous</i>	Please continue season 3. This is a decent, family, historical entertainment that we rarely see. It is wonderfully done and much loved. The stories, fashion, music, history.
<i>Jeannette M.</i>	Love this TV Show. Cant wait for more episodes.
<i>S. F.</i>	This would be less of a network financial risk than many of the other TV pilots under consideration.
<i>Jennifer</i>	Unfortunately I didn't know about the show until I watched both seasons on netflix. It truly captures a time in our history -historical fictions rules and we should support more of it!
<i>Kathy H.</i>	Wonderful show! Well written.
<i>Hannah L.</i>	I am an American who just recently found Bomb Girls on Netflix. I am a Women's Studies major at The Geoege Washington University in Washington, DC. Due to my education background and my history as a

---

television show junkie, I was absolutely thrilled to find Bomb Girls. This show encapsulates an intrinsic piece of feminism and history about which few people are educated. Bomb Girls brings light to this. I hope you will consider extending this amazing series to a third (plus!) season, as so many people support and realize the excellence of this program. Thank you!

---

*Bmw*

Please save this wonderful show !!

---

*Nicole T.*

What a disappointment that this show got canceled.. I will be looking forward to the movie!

---

*Jim W.*

So the formula is to create a unique award winning television show loved by both critics and fans alike, and then cancel it on a cliffhanger? It's like the BBC's The Hour all over again. What an utter disgrace.

---

*Chris W.*

There are just not enough Canadian, women-centric, WWII-based shows on TV! Only just started series 2 - so glad there'll be a TV movie to properly end the series!

---

*Sylvia M.*

we need this show back it tells lot of the people and current event for the time please reconsider it AND BRING IT BACK

---

*Michael S.*

Just watched another in the series, I am puzzled that the girls are not turning "Yellow" using Amatol. This was the trade mark of all girls in the armaments factories in UK during ww2 ?

---

*Kimberly M.*

So I am bummed that this show is

---

---

	cancelled. The story lines were getting better and better every episode. It needed to be on another network to get better exposure...like AMC or TMC would have been a good fit.
<i>Suzanne S.</i>	Hi there, just wrote a blog about how sad I am the show is cancelled and how to recreate some of the fantastic looks seen on Bomb Girls Red Velvet Rosie: Bomb Girls and Bombshell Vintage <a href="http://redvelvetrosie.blogspot.com">redvelvetrosie.blogspot.com</a>
<i>Andrea M.</i>	We want more than a week of filming! Bring back the series! More Bomb Girls!!!
<i>Japhia J.</i>	yay i thought it was cancelled! Love Bomb Girls!
<i>Andre G.</i>	MORE BOMBS GIRLS PLS GLOBAL !!! #globaltv
<i>Geoff L.</i>	And, thankfully, they are doing a two hour summary movie to complete the series.
<i>Heather M.</i>	they need to bring this show back!!
<i>John P.</i>	They could stretch this out for more than one two hour movie.Are the Canuks afraid of success ? Meg Tilly still looking good !
<i>Stina K.</i>	I wish I could be an extra! I live the vintage life already
<i>Stephanie R.</i>	Vintage life is the best!!!
<i>Tina R.</i>	Love this show!
<i>Bobbi W.</i>	Loved this show. I was heartbroken it was canceled. Thanks for the TV movie!

---

---

<i>Catherin H.</i>	We don,t get Global!! I may cry!
<i>Bob C.</i>	Fantastic show, can't believe it was cxld. Wasn't it a CBC record-setter of some sort?
<i>Bob C.</i>	Gave me a completely new insight into US-Canada relationship and the unique struggles of Canadians in WW2. Just watched episode tonight of fall of Singapore, brought tears to my eyes.
<i>Sarai D.</i>	Enjoyed the show very much in US on Reelz network, bring back!
<i>Elizabeth S.</i>	Still cannot believe that Bomb Girls got the axe and so many shows which are undeserving are still on the air.
<i>Harry B.</i>	I love the Timmies cup with the 50s costume
<i>Erika P.</i>	Filming is right near my house! Must drop by! My whole life is 1940's; can I be an extra?
<i>Ruth C.</i>	Got hooked on the show when I was living in Canada. So happy you are making a movie
<i>Debbie C.</i>	Please bring back "Bomb Girls", it's based on real life. It was so refreshing to see a show with some actual Canadian history. It doesn't make sense, stopping a show with such high ratings:(
<i>Sue C.</i>	Maybe if we all ask... They might listen.
<i>Jennifer S.</i>	I cannot believe they cancelled this show. It was great. I just came on this page to

---

see when it was going to start again. I have so many people watching it. Wow I hope someone else brings it back. All the shows on TV are for the 'younger' set. For once they had a show the some of us older tv fans to like and appreciate and they cancel it. I am really disappointed. This is better than some of the other shows they have on Reelz channel.

---

*Shawn M.* if they don't bring the show back I will kill myself. and it will be their fault.

---

*Barb S.* It's too bad they couldn't film in one of the original communities the war involved. I feel lucky to be living in a war time home in Ajax, ON. I loved The Bomb Girls series and was saddened to hear of the cancellation. Nothing could turn back time like the producers of the the show :)

---

*Andrea H.* cancelled?..... dang. I love that show

---

*Lori B.* I'm so sad this was cancelled!!!

---

*Greta C.* I can't believe they canceled the show. Just let's u know they aren't to smart for sure.

---

*Derek G.* It was only supposed to be a mini series, be happy you got what you got.

---

*Yvette B.* Need the series back!!!

---

<i>sin-tillate</i>	started watching Bomb Girls on Netflix last night and I'm about to start the second season, it's sooooo good
<i>Mel C.</i>	I just discovered Bomb Girls on netflix about 2 weeks ago & have already found myself dreading and holding out watching the final episode.I was hooked instantly.I don't get that way with many shows either.I am a proud young US Army Veteran wife and seeing a military related show with accuracy is just exciting! I have a real fascination with WWII & the way it made people come together.I think our country lacks that now and this show is a sweet reminder of the good ole days.Anyway, it seems shows I end up liking always seem to get canceled.Maybe because a lot of people are just too modernized to watch a show like Bomb Girls.Either way, I was devastated to hear the show was canceled right when I started watching it.Cant wait for the movie though!!! :)
<i>Marian O.</i>	save bomb girls
<i>Greta C.</i>	I loved the show. I wish they would have keep it going.
<i>Anita R.</i>	Save Bomb Girls. Absolutely fascinating series
<i>Julie V.</i>	I connected deeply with Bomb Girls. I grew up in 90's bushland Australia: the 2%. There were 24 people in my class in from year 6 to year 10. We didn't watch a lot of TV; there weren't any stations out there. The channels we got were static. In any case, our Christian school thought that the devil spoke through the

---

television. So not a lot of us even had one. So in that sense, 90's Australia isn't that different from 40's Canada. We had the radio, and we spent our days in fields with cows or horses or dirt bikes or tractors and running barefoot through bushland, exploring caves, catching bob-tailed lizards and never quite knowing what to do with an angry lizard at the end of your arm, running screaming from a newly-thrown lizard. We lived outside. We worked outside. When we got TV we were allowed to watch those old movies; the classics, the musicals. Ginger Rogers was my first crush closely followed by Doris Day and Katharine Hepburn. We caught up in the 00's, but I miss that sense of waiting for the next song, of waiting for Ginger's skirt to fly out just right. TV's come a hell of a long way since then, but still not far enough if a show like Bomb Girls can get cancelled. It's an audio-visual splendorama of beautifully distress chaos. It's everything I always wanted but never knew how to ask for. I know that look on Betty's face when Kate sprang away from her; I've been the recipient of that look. Hell, haven't we all? And I've been head-butted (in a gay bar no less) for telling a man that I wasn't interested because I was gay. His reply? 'That's what you get for not looking like a dyke.' It's confusing, but it happens. We still get beat up. That scene where Betty is dragged toward that car – it's something we fear. And it happens. And it needs to be talked about. Every issue in this show is something that's still relevant 70 years later. They need to be talked about, and Bomb Girls was opening the door for some heavy discordant discussions. When I moved to the big city, I got myself some

---

big city learning in the form of a Literature degree. I wrote. Constantly. About 7 years ago shit went down. Heavy shit. I don't talk about it because most of my friends didn't need telling; they saw the CCTV footage on the news, as did I when I woke up two weeks later in hospital. If you've ever seen your own feet dangling helplessly... after kicking for so long... But I digress. I drank through that, and came out the other side pretty damn broken. I got a cockatoo 3 months after I quit drinking and she keeps me strong on days I might crumble. 6 years worth of days. At the start of this year, in the gap between Bomb Girls season 2 part 1 and season 2 part 2, my mother called and told me she thought that my abstinence from a homosexual lifestyle was honourable and all sorts of Christian junk and the word abomination was mentioned and I kinda went to the place that's not good and then I found out Bomb Girls was cancelled so I got mad. It was something to focus all that mad on. And I started writing again. Paint Over It All was the first thing I wrote since my deposition 7 years ago. The support I got from the community was humbling and overwhelming. Studying engineering, I'd been living in an all-male hetro bubble for so long. I hadn't seen hide nor hair of a lesbian for years. I forgot there were people like me out there. People like me that connected so fully to these old-timey women. I gave them every possible happy ending, because that's what they deserved, these cancelled characters, these heart-broken fans. It's not just the show, in this case, that's important. It's the fanbase. It's the people this show has touched. It's your everyday Bomb Girl.

---

Because there's a little piece of us in every one of them. Bomb Girls got me writing again and if I can do that, I can do anything. I can answer an unknown number on my phone. I can open the front door to a stranger. I can sleep with the lights off. I can let someone hug me and not mind if their shoulder brushes my throat. Not today. But one day. One day soon. I love this show for what it is, and for what it is to me.

---

*Deborah*

LOVE this show! Keep[ it going. Out entire family looks forward to one of the best shows on TV. DON'T CANCEL!

*Val C.*

Canada is notorious for stopping production of it's hit shows after a couple of seasons. Meanwhile, mediocre shows (those with little or no budget) are telecast for years even though there is virtually no viewership, just to fill the void. Canada needs more series such as Bomb Girls if Canada wants to stay a contender in the television entertainment industry. I would prefer to watch Canadian made sitcoms, series, and movies over American or European if it's content was equal to or better than it's counterparts. It's time for Canada to step up and make quality shows that are worth watching, and leave them on the air for more than one or two seasons! A frustrated Canadian

I have fallen in love with Bomb Girls! TV needs more programming like this! A serious slice of life show that helps us all to understand a generation of courageous women during a time that changed things for women and men forever.

Please bring back production of Bomb Girls. We accidentally found this show on Netflix and have become devoted fans. At a time where American TV is devoid of intelligent, meaningful, or interesting shows, Bomb Girls has brought all of that and more. There are many of us here who are disgusted with reality TV and Survivor-like TV. Period dramas are the rage, but only if they are well written, well acted, and deal with issues critical in their era, as much as they are still critical today. Bomb Girls is quality TV that deserves to continue. We don't need more reality TV, which is not reality at all. SAVE BOMB GIRLS!

Watching Bomb Girls, it's so awesome but at the same time it breaks my heart into a million pieces. I can't lie it's like a better vintage version of Army Wives. It's just an amazingly casted and written show! Season 1 made me laugh and cry, time for season 2.

I just finished the second season and am absolutely dying, mostly because, in case you don't follow it, they've decided not to continue the series, even though it is

literally one of the best, well-written, thoughtful, beautifully-shot, subtly-acted, and timely, relevant shows on television at the moment.

I can't stop swooning over Betty in Bomb Girls

*natglee*

Binging on Bomb Girls thanks to Netflix. Oh my god, Betty. Episode after episode I just wanna hug you.

*catsuitmonarchy*

Bomb Girls is just getting tenser and tenser. I think the last four episodes have given more feels than all of Season 3 of Game of Thrones did.

---

*aqueerroadmap*

So, I'm finally finishing season two of Bomb Girls. I was so disappointed when it was cancelled that I didn't want it to end. What we're they thinking canceling this show? A female leading cast. Queer characters. Feminist sensibilities. Ugh.

---

*violashipwrecked*

As I'm on the topic of ensembles that I love, I finally finished Bomb Girls season 2. I say finished because there are no more episodes to watch. Why? WHHHHHHHYYYYYYYY? Can we talk about how wonderful this show is though? How shockingly excellent the writing was for its female characters? Or all of its characters in general? And how it found a way in only a handful of episodes to let every character find some kind of agency and dignity and voice all his or her own? I'd go on, but I'd start speaking in cliches. The episodes are streaming on Netflix right now, so it's pretty easy to give it a try. Before you know it, you'll realize you're watching some damn good tv.

<i>mooka219</i>	I just still really fucking miss Bomb Girls. I mean what the fuck Canada? You make me love a thing, then you make me wait a full year for the second season, then you take the whole thing away like that. There better be a movie or something coming because I am still so very disappointed in you Canada. You have never disappointed me like this before, and this is the show you decide to take away? Ugh doesn't matter that it happened months ago I am angry every time I think about it.
<i>jo-siris</i>	THERE WON'T BE A SEASON 3 FOR BOMB GIRLS?!?! my heart hurts..
<i>cucumber-sandwich</i>	Bombshells, I miss our show.
<i>extollereblog</i>	There is a surprisingly large and active fan base online for this show. Originally slated to be a 6 part mini series, Bomb Girls now has 18 episodes, and a movie in production, that will tie up the loose ends. The fans of this show fought hard, sending letters and petitions, to have it given a second season. I suggest it to everyone, and I am glad that it had such a loyal fan base! This show tells a great story of amazing women in a precarious time in history, and it deserves to have a spot light shown on it.
<i>firefliesnight</i>	I never before have been looking forward for a movie like I'm looking forward for the Bomb Girls TV movie!
<i>beautyandtheme ss</i>	I really need the bomb girls movie or I'm going to start running around and pushing street preachers off of balconies.

Why such a unique, well presented show is getting cancelled is beyond me. This show is the best I have seen in a very LONG time on Television. Reconsider and do not cancel this fine show. Thank you.

What are you doing!! Bomb Girls is an interesting and awesome Canadian film. It won awards a reminder to all that this show is great and imperative that you should look into keeping it alive . It deserves recognition. The cast is professional (excellent actors). Thanks for listening.

*jobethdalloway*

#savebombgirls! In only 18 episodes I feel like I have learned so much more about homefront struggles during WWII than I ever imagined. The intensity of the emotion in this show is so moving and so rare on TV these days and offers such a unique historical lens. It adds a new perspective to a subject we think we know everything about (how the war made "the greatest generation"). Please bring back our empowering, emotional, one-of-a-kind bomb girls!

*barrelfish*

Bomb Girls is hands down one of the best shows I've ever seen. The skilful characterisation and writing left me impressed each episode and I love the cast and the warmth and depth they bring to the characters. I love this show and have recommended it to everyone I know. Please bring me a chance to love it some more! A few years ago I grew tired with what I saw in television. I was bored (and am bored) with the vast majority of it. I have no patience for reality tv and no fondness for cop shows and hospital-based soaps. There is no shortage of US

---

exports (timed with their shows) on Canadian Television. What there is is a shortage of shows like Bomb Girls. Canadian period drama that has been highly successful - and has many fans all over the world.

*Lady Canuck*

A few years ago I grew tired with what I saw in television. I was bored (and am bored) with the vast majority of it. I have no patience for reality tv and no fondness for cop shows and hospital-based soaps. There is no shortage of US exports (timed with their shows) on Canadian Television. What there is is a shortage of shows like Bomb Girls. Canadian period drama that has been highly successful - and has many fans all over the world. What I do love is Bomb Girls. From the very first time I saw the show - I was hooked. It tells our stories; the stories of Canadian women during World War II. In history class in high school I think our textbook had one sentence on women working because the men (the vast majority of them) were overseas. A footnote in a small box besides a picture of a poster of Rosie the Riveter. That was it. Bomb Girls has opened my eyes to the world of women in 1940s Canada. I began watching for Betty and Kate's storyline - that is how the show was advertised to me by my sister (who figured her lesbian sister would get a huge kick out of it). The entire show has caught my heart. All the characters are complex and flawed; extremely human. Extremely relatable. Admittedly, I've always loved period shows. I have a weakness for them. And Bomb Girls is by far my favourite. This show deserves a second chance, they have many more stories to tell and it would be a crime

---

against Canadian television to not allow them to continue.

---

*thusspokemandy* Great period dramas like Bomb Girls come along once in a blue moon, and more often than not, they teach us something about an era long passed. I grew up with a love for this era thanks to the Golden Age of Hollywood, but never did I see a story so true to the daily struggles of women like our grandmothers and great-grandmothers. Bomb Girls is an eye-opening tale with a remarkably talented cast that shouldn't be laid to rest in such an anti-climactic fashion. A movie to tie up all loose ends just won't do. We need another full season to fully explore these unsung heroes of the Second World War.

---

*izzy31flavors* Bomb Girls is truly a quality show. It's a special show to have so many fans anticipate a third season or several films. The cinematography, and the recreation of the 1940's is really well done, and beautiful to look at. Plus the actors are very talented! The internet fan base is fascinating therefore, the series will succeed on any Network. Bomb Girls has soul; it has touched a lot of people around the world! A third season or more films should be developed.

---

*Debbie J.* I started out watching Call the Midwife, but when that ended, I started looking for a similar series. Bomb Girls proved every bit as entertaining. Please save this show. It is truly a gem.

---

*Katie N.* I just discovered Bomb Girls not too long ago on Netflix and have absolutely \*consumed\* it. I LOVE love love this

---

show! I am nearing the final episode and started to become worried about the fate of the show so I googled it and discovered it has now been cancelled. While a movie is exciting, I am still so disappointed a show of this caliber has been cancelled! I have learned so much from Bomb Girls, I find it fascinating! Bring back Bomb Girls!!!!

---

*Anissa H.*

I love this show!!! My grandmother Annetta Hart-Hendley was a bomb girl in Toronto! She juggled her job at the munitions factory while caring for my uncle while my grandfather was fighting the war in europe. He was part of the troops that liberated Holland! Every time I watch this show my heart bursts with pride for them! I think of them often, especially on this Remembrance day. This show is such an important part of our Canadian History! SAVE BOMB GIRLS!!!!!!

---

*Barbara W.*

We love this show both myself and fiance Gary Smith!Why! Because it's a Canadian story and because it tells the stories of our parents and their lives during WW11. My father served 1939-1945, signed up at 17. It is a human story that connects our present to our past.We don't need more American tv. We need and want Canadian shows! Bring back Bomb Girls please!!!!

---

*Sara B.*

---

*Heather C.*

A great Canadian show!!!

*Akila R.*

I just finished watching Bomb Girls on netflix. I LOVED it!

---

*Marcy H.*

I was captivated by this show and could not stop watching it on Netflix. I am saddened that there will not be a third season. Even though it does not air in the United States, I would gladly purchase a DVD of a third season or purchase episodes on Amazon.com.

---

*Gloria M.*

Love the show. More seasons ... please.

---

*The Bletchley  
Circle Watchers*

I love that Bomb Girls has a strong female cast to tell women-centred stories about WW2 time. We don't often get that perspective on war history. As a Canadian, I also appreciate that the show is set in this country and shares important Canadian history. And it's so well done. I am looking forward to the movie, but would rather see the series continue. So, I add my plea and support to the Save Bomb Girls campaign! Four apparently ordinary women have returned to domesticity, quietly setting aside the part they played in the Allied victory in World War II. But in fact, their brilliant work at top security HQ Bletchley Park helped crack the codes used by the German military.

---

*Kolynda R.*

Bomb Girls is amazing. I like that there is a show that gives a bit of a history lesson without being boring, shows girls what things used to be like and how lucky we are nowadays. I love that it shows different aspects of the world and how much society has progressed. It teaches girls of today to be their own woman, without telling them to get their clothes off!! It teaches you that whatever your sexuality you should be happy. That you need to work hard. There are just so many different things you can get out of this

---

show and i love it. FINDALLY an interesting tv show that isnt about vampires and other fictional/mythical stories!!

---

*Krystal M.*

I just watched all of both seasons in 3 days. I'm so sad I just found it, it's such a great show! I wish there was more!

---

*Barbara W.*

Please please don't cancel the show!!!!

---

*Lisa W.*

Bomb Girls is one of the best shows I've seen in a long time. As soon as I finished the last episode of Season 1, I went to my computer so I could order Season 2. Keep this great show going! I'm thinking of sending Season 1 to KVIE, our local (Sacramento, California) PBS station, so they will start showing it.

---

*Dave R.*

Just found this show on netflix and watched all the episodes...Only to find out its canceled? That hurts more than finding out there was no Santa!

---

*Rosalyn R.*

Bomb Girls is a great show, well written with wonderful actors. It is so much better than most of what is shown on TV. It should not have been cancelled.

---

*Bamby L.*

I WANT MY BOMB GIRLS BACK!!!!!! I am an American 48 year old woman that has seen a lot of television programs come and go. I have never had a "favorite show". Until now. Bomb Girls is more than a series, it was a wonderful escape back to a simpler more naïve time before technology, school shootings and reality T.V. It was my saving grace. Please give me back my innocence and bring back the world's best program. Today.

---

*Wynne E.*

It's Canadian, it's about strong women, it has a great story line and it is not a red neck mindless reality show. Maybe that is why it was cancelled.

---

*Audrey R.*

Absolutely love this show and think that having more seasons would be brilliant.

---

*Toni E.*

Can't wait to get on set and play Marco's mama again! Gianna!

---

*Lorraine Q.*

Betty McRae: one of the most brave, courageous, heroic, fearless, scared, flawed, strong-willed female characters EVER portrayed. Ali Liebert played her perfectly. It is a shame that women and young girls do not have this beautiful portrayal any more. A time in history that needs to be remembered for what it was: Women, called upon to help their countries in wartime; selflessly, bravely while their husbands, sons, fathers, uncles, brothers fought. It changed everything! So many stories. So much potential for a great series squandered.

---

*Kathy D.*

LOVE BOMB GIRLS! The characters portrayed so beautifully by the actors. Couldn't pick a better cast. Love the clothes, cars, sets - all so authentic!

---

Should be part of high school history class!

---

*James R.*

Finally a show that I actually LOOKED forward to seeing when I saw the original trailers for Season One. Loved the show from the start!

---

*Jennifer D.*

As someone who has taught a women in history class, I appreciated the realism of Bomb Girls to the time period. The costumes, lighting, story lines, conflicts, even inner struggles of the characters shed light on a very interesting time period for women. The characters are rich and deep and the storylines are creative. Any network could show the previous two seasons and easily pick up with a third to a huge audience. I think USA or TNT would be a great fit for this character driven drama. #savebombgirls

---

*Carol F.*

One of my favorite shows. Was so sorry to hear it was ending. Loved Pan Am, Smash and Bomb Girls and all three shows were cancelled. Guess no one appreciates quality TV.

Why do they always cancel the best shows??!My so called life,freaks and geeks,playboy club and now bomb girls!But the Kardashians are still on?And honey boo boo?This is a travesty!

This show is not just a fictional drama, with every episode it enlightens us on how women were the fabric of the country, the effects on our troops, and other sacrifices that had to be made. I hadn't watched tv in over a year until coming across Bomb Girls. If you can't fit it in to Reelz' schedule, can you at least make it a

---

Netflix series??? Please

*Anonymous*

Love this show and I hope it can be saved!

---

*Andrea M.*

I really love this show. I've emailed, sent letters and postcards. Can we really save Bomb Girls? The show was cancelled in April. Probably, most the actors have moved on. It has been a long time and yet no word from any network, except the regular template responses.

---

*Lara E.*

It's too bad that tv executives want to further diminish our percentage of Canadian shows. American tv is alright, but Canadian television is like your favourite sweater...its warm and cozy, and it fits perfectly. We have so many amazing Canadian content shows. Bomb girls is one of them. Instead of cancelling, perhaps try a different time slot. The time slot of the last season sucked. Was that premeditated? If it was successful in the first season, why not stay on the tried and true. To heck with Global/Canwest/Shaw...make a pitch to CBC! They rule! We want tv shows, fictional or not, that pertain to Canada. Please keep Bomb Girls going!

Love this show! the perfect, "Bomb Opera". Sad to learn they won't shoot another season. Not many shows out there as good as Bomb Girls. Betty is, "Da Bomb". Watched the last episode last night. Now, I gotta tell ya', they're gonna, "Tie up" all the loose ends in a two hour finale, no way. No way at all unless they blow up Vic Mu in the last 10 seconds of the finale. Now I get it, it's all about money. Ratings and all that good stuff TV execs get excited about but surely to goodness Bomb Girls has a strong market share, right? Perhaps a large number of the lead cast have other projects, that happens. Who knows for sure? This is just one whacking great show with a ton of potential. It gets solid reviews and I doubt it's a niche market show. When 90% of what's broadcast or view-able is totally insipid and unwatchable, Bomb Girls shines like new money. That is exactly the

---

dead opposite of how to do business.  
Viewers= Potential advertising revenue.  
That's business 101. Case in point;  
Seinfeld. Did well in it's first season in a  
good time slot. Next season it was moved  
and almost tanked.

	that there won't be a season 3. I hope you'll be able to change that!
<i>Beverlee B.</i>	Greetings! We at the The Murdoch Mysteries Winnipeg Constabulary lend our support and wish you success on your campaign!
<i>Patricia O.</i>	Only 2 episodes left of Season 2 and I find out it's not coming back?! My mum and I are addicted! I just read there will be a 2 hour movie to wrap things up. I'm hoping one of the Bomb Girl pages on Facebook will be sure to announce when it is and it will be available in the USA shortly after.
<i>Denise M.</i>	just finished watching all of season 2 on Netflix. I'm addicted. How can they cancel such a great show?? They can change their minds, can't they?
<i>Jessi C.</i>	OMG I just discovered this show recently and watched both seasons. I absolutely love it!!! Wish there were more. I want a Victory Bandana!!!! can I still get one somewhere?
<i>Janet R.</i>	A friend of mine works closely with the creator-producer of Bomb Girls and so far, no Canadian network will touch it. I just don't get it. Fabulous plot line, great actors and all those awards. Go figure...
<i>Vicki S.</i>	any chance of saving this great show
<i>Paul S.</i>	wish that I could help save the show--our family loves "Bomb Girls"
<i>Paula R.</i>	Please bring this series back. I missed season 2 because I had no idea it was on. How about promoting it better, and

---

---

	getting it on a more watched station. I loved everything about this series.
<i>Bj O.</i>	Bring the girls back!!! I miss them already!
<i>Suzie K.</i>	So is there any hope they'll bring this show back? I absolutely loved it.
<i>Lara M.</i>	For your interest, some pics of WW2 women at work, restored and retouched in colour: <a href="https://www.facebook.com/TheBletchleyCircleWatchers/posts/299920560151670">https://www.facebook.com/TheBletchleyCircleWatchers/posts/299920560151670</a>
<i>Beth W.</i>	just found Bomb Girls and now I find ur cancelling u. That really bites. What a great little series. ~~ SAVE BOMB GIRLS~~
<i>Jennifer W.</i>	HUGE fan from the US. It's available on Netflix. Keep promoting to save Bomb Girls. Quality programming needs a comeback!
<i>Christina W.</i>	I just discovered this show on Netflix. I love it. Figures they'd cancel it - the same thing Fox did to Firefly, another show I love. Just sent my email to all the Shaw Media execs to not bomb the Bomb Girls!
<i>Michele S.</i>	Nashville, TN here - LOVE the show - just wrote the CEO a letter. I finally find a show to watch between Downton Abbey seasons (award winning no less!) and it gets cancelled !?!? WHAT THE HECK?!
<i>Aubry S.</i>	This girl in Chicago, IL just got her bandanna! Thank you guys for all of your hard work; we can only hope that this show's legacy continues even after (or

---

preferably before) the tv movie. Many shows have come back from the grave only to become megahits. This show has the potential to become a worldwide success. As an American who was taught very little about Canadian history, I was absolutely fascinated by the Canadian WWII home front perspective and has led me to some self-study of Canadian history. Though I'm sad it's gone (for now), I'm so glad that it had a second season to continue its story.

---

*Shelbi B.*

Absolutely love this show, it's my favorite era!!! I loved Homefront in the 90's and thought I died and went to heaven when this show came on.....my mom and I never missed an episode!!! Please save the show!!

---

*Felecia S.*

I'm sorry to hear about the cancellation but a two hour movie is cool too. My grandmother worked in a defense plant building B24s so I love a show about these awesome women who did their part. Good luck Bomb Girls.

---

*Tanis C.*

I just found out. As a proud Canadian I have to say we are noted for bad TV. BUT it has been changing over the last few year. This is a great show, I just bought season two yesterday (shift worker, don't want to miss any). Better check, make sure Republic of Doyle is going. Stupid Global.

---

*Alyshia S.*

A great CANADIAN TV show. A great history show. A great show empowering women. A great show displaying the LGBT community. And they cancel it despite it being adored in many more places outside of Canada.

---

---

<i>Claire P.</i>	Come on ....that is sad! ....this is history - CANADIAN HISTORY! and not TRASHY! let's pull together for the all the GALS!
<i>Marianna R.</i>	My hand made greeting card was sent to Shaw Media. LOVE this show! Let's save this show!
<i>Hokie P.</i>	What a shame. Bomb Girls is one of the few shows of merit being shown on TV today. Bring it back!
<i>Judy L.</i>	I'll be writing down all of these e-mail addresses, and write all of these people letters, telling them that is cancelling of Bomb Girls is a BIG MISTAKE!
<i>Mary H.</i>	Just found this show on Netflix and love it! Also just found out it's been cancelled. I already signed the online petition, though I think the dimwits running the networks can only cater to the lowest common denominator--the reality shows. They don't want to keep the good shows on.
<i>Glenn I.</i>	Bring back Bomb Girls! My wife and I love this show!
<i>Shannon L.</i>	The email I just composed to Global Viewer Relations: Who the fuck cares about a 2 hour movie? You think that makes up for (or is equal to) another season? NOT. IMPRESSED. If you're so concerned with your viewers and our input...LISTEN TO WHAT WE SAY. We are saying "DON'T CANCEL BOMB GIRLS". It's ratings have only ever increased, and has been nominated for awards....WHY would you cancel it? WHY? WHY? WHY? I am fucking livid to say the least. LIVID! You are taking away

---

a show that pays tribute to Canadians. To women. To the female pioneers of our country, our families. A show that pays tribute to our Mothers, our Aunties, our Grandmothers!

---

*Judith R.*

I get over 240 channels in my satellite package-I watch only 60 on an occasional basis-and most of the time I just turn the TV off-nothing but garbage. Bomb Girls is one of the few programs I watch on a regular basis. I record it to send to my sister in another state because her carrier doesn't have that channel. She loves it. And it's being cancelled-are you people out of your mind? What is your problem? What possessed you to do that? What is left for those of us who will not watch all of that "reality" trash? PBS, that's it! One channel. Sad state of affairs.

---

*Joell H.*

Are you kidding me, why cancel this show when do many of us love it!

---

*Allison J.*

I think a Save Bomb Girls campaign would stand a better chance of success, if it were directed towards Netflix rather than Global TV.

---

*Kathryn M.*

Just got the my victory badges off in the mail! Was able to get 13 (this is a lucky number for SBGs!) people to sign as many and coloured them to show Global TV that people who set aside time to do that must really love the series. Chose flowers that grow in Vancouver gardens such as lilacs, passion flowers, hollyhocks, wild roses, pansies and poppies, to name a few. Too bad I forgot to take a photo of them and post it.

<i>Sharon N.</i>	Pleeezzzzeee, save this wonderful show. My mom was a General Motors factory worker when the guys left for war. Might not have been dangerous but the show reminds me of her youth.
<i>Nicole T.</i>	Save Bomb Girls, best show in a long time.
<i>Gloria D.</i>	I literally started watching this show a week ago, and I'm so hooked. My heart just broke when I found out the show was cancelled. =(
<i>Tina B.</i>	Wearing my Victory Bandana with pride! Now Global just needs to come to their senses... #SaveBombGirls
<i>Allison J.</i>	I just finished the final episode. I'd like to say "I can't wait" for the movie that's supposed to wrap everything up, but .... I'm still waiting for the "Xena" movie that was promised 12 years ago when Xena went off the air.
<i>Kim C.</i>	Daisy says Save Bomb Girls!!!
<i>Monica T.</i>	Just a week or two ago I started watching Bomb Girls. I got attached to the show instantly! I then started the second season online. The characters and plot line is well-developed. I think this show is well-made and has a lot of potential in the future. I hope to hear that we can save this wonderful show!!
<i>Kevin S.</i>	Canadian stories and content are a requirement for broadcasters and the show should get a chance to tell this story longer.

---

---

<i>Robert C.</i>	Great canadian show...!
<i>Devon B.</i>	Canadian television must be supported!
<i>Christine K.</i>	It's the best show I've seen in years!
<i>Ted B.</i>	Stories from the Homefront. Well written, well acted, Rare!
<i>Zachary W.</i>	If you can't even give Canadian TV series a fighting chance to survive, why even bother making Canadian television? Very disappointed in Global if they actually keep this show cancelled. Save Bomb Girls! P.S. I know that this show was originally pitched to CBC who turned it down (and later regretted it). I know it would do well on that network and CBC has saved other failing shows. If Global won't do anything, maybe CBC can.
<i>Cathy S.</i>	I LOVE the show. EVERY SINGLE CHARACTER!!!
<i>Rianne M.</i>	Its a damned good show - top quality Canadian drama. Don't cancel
<i>Jolyn B.</i>	Just found season 1 on netflix. Holding my breath for season 2. The progeam is a blessing, it shows the female side of war when handling it from home. As a veteran and a member of the LGBT community i find the show well written as well as wonderfully portrayed by such a strong female cast. Please keep up the great work and keep the show going. Thank you.
<i>Angela S.</i>	Good Series

---

---

<i>Wanda M.</i>	A show that I truly enjoyed watching. great writing, great acting. Loved the story line and the time era.
<i>Jemina P.</i>	it's the ONLY tv show my mother lets me watch.
<i>Lauren B.</i>	This is good Canadian tv! So amazing I do not want it to end!
<i>Laurie S.</i>	It's a wonderful show and global should support the Canadian arts.
<i>Jenna S.</i>	Please...I LOVE Bomb Girls...please, don't cancel my favorite show!! I can't imagine what I will do without my Bomb Girls!!
<i>Sherri M.</i>	It is a wonderful show that portrays an important part of Canadian history.
<i>Kim R.</i>	I had a terrible foreshadow the other night of what it will be like if Bomb Girls gets cancelled. I found myself folding laundry while watching A certain show containing various women living in large houses wearing big hair and lots of jewelery. No disrespect to those ladies...but what a waste of an hour. Bomb Girls has so much more to offer, and Global willingly throws it away. There is absolutely no sense in cancelling a show like this...what are you thinking? Please DO NOT CANCEL BOMB GIRLS!
<i>Shelley S.</i>	Finally...a great Canadian show...educational and empowering us women!! Do the right thing, and keep this show!!
<i>Miranda L.</i>	its a great show made in Canada and shows some unique social details from the

---

time. Sparks an interest, is entertaining and is a great historical time ~!

---

*Anna C.*

Beautifully made example of how to write varied and complex characters that also happen to be female. You just don't realize how rare it actually is til you see it done this well. The show portrays 'strong' women without resorting to stereotypes. It is doing what no other TV show has managed to do for a long time. The world needs another season!

---

*Katharine L.*

it is a good quality show. It shows how women were empowered to become independent and how they joined the work force. Excellent acting by Meg Tilly!

---

*Bonnie H.*

Haven't missed a single episode of this show since it began. It's absolutely the BEST show on TV. How can a network even consider cancelling such a popular show????

---

*Kelly N.*

What a great historical drama that shows a period where women made a huge contribution to the war effort and changed their lives forever. I love the variety of women from difference classes and background becoming friends and crossing society barriers. This is a story that needs to be told. Love the show!

---

*Nathan L.*

Poignant view of an unseen parts of life during wartime. Stunning period detail of timeless 40s style and culture. Don't lose this show. It is far more than tv entertainment. Artfully crafted and brilliant!

---

*Kanitta C.*

A well-written, complex, women-center TV show is a rare gem and Bomb Girls is

---

that show. Why cancel such a wonderful story premature when it hasn't finished telling its story yet? I just want more women to watch this show and realize how much women in that generation have been through. Bomb Girls has given so much positive messages to young females who can look at those characters and can relate to them and know that they can grow up and be strong women like them.

---

*Farah M.*

It's an amazing show with an incredible cast. And THE BEST LESBIAN CHARACTER on TV. It deserves 10 more seasons because there are still too many stories left to tell.

---

*Thais R.*

This is the only show that truly shows strong women first and relationships second and we need more of this. Please give us another season.

---

*Linda M.*

Such a smart, well written piece of work on television. So nice to watch something from an important period in Canadian history, with interesting complex characters. Love this show and can't believe it is being cancelled. Can it be picked up by a Canadian network such as CBC? What a shame to have it disappear. Somebody made a bad call.

---

*Shirley W.*

Good TV show that deserves another season.

---

*Jan H.*

Great characters and story line

---

*Andréanne P.*

This show is incredible. Well written, well played with an incredible plot.

---

*Catalina O.*

DUDE! WTF?! YOU CAN'T CANCEL

---

---

BOMB GIRLS! IT'S EPIC!!! I FCKING LOVE THE SHOW, NOW I'M SUPER UPSET NO COOL

---

*Mary F.*

I like Canadian history.

---

*Shannon B.*

This show is so well-written and very popular. it features strong female characters and a great portrayal of what life was like back then. It sparks the interest of those, like me, that were never really interested in history, to learn more!

---

*Siobhan O.*

I love this show. It's the best show that has been on TV so far.

---

*Avery C.*

Bomb Girls is a fantastically ambitious show. I truly believe the creators are doing their best to reveal a side of history rarely seen in mainstream media. The stories of Canadians who for whatever reason did not go overseas but who nonetheless overcame obstacles and who deserve to be honoured for their contribution to the war effort and the feminist movement. I believe that if this show is given a chance-- either as a TV movie or another season-- it will be even more engaging and insightful than the second season. It's not just that I've become incredibly invested in the complex and charming characters-- I really do think it's important for young Canadians to see this side of our history. So please consider the feedback of myself and my fellow Bombshells.

---

*Gil G.*

Enjoy the show

---

*Joan L.*

IT IS ONE OF THE 4 BEST CANADIAN SHOWS EVER PRODUCED

---

<i>Lisa M.</i>	My daddy is a WWII veteran...and I am a woman!
<i>Ol R.</i>	this show has it's own beating heart and deserves to be continued. wonderful, touching and powerful
<i>Nicola H.</i>	It's an AWESOME show! Smart, great acting and actually historically accurate. This is gem amid all the utter crap on TV and it kills me that this is what is being cancelled. What a stupid decision.
<i>Jim B.</i>	This is such a great show. Super story lines and great acting.
<i>Allison V.</i>	I am a proud supporter of Canadian content and am always sad when a great show gets cancelled. Bomb Girls was fantastic and it's a shame that we can't support our own talent in this country.
<i>Kay W.</i>	This show is getting international attention, and makes me proud of Canadian television. (And, believe me, I do not feel that way often about Canadian TV). It's a classy, quick-witted show that connects with me for its timeless characters, not just the period of time it is set in. The characters and relationships developed are real and honest, and deserve 42 mins of screen time at least 13 times a year. Sometimes, in a sick twist, TV shows don't garner as much attention until AFTER they're over (Battlestar Galactica, Friday Night Lights to name a few). I really feel like this show is being "cut-off" right when it's snowballing into something bigger.
<i>Bethany N.</i>	Quality shows so rare!!!

---

---

*Laura M.*

I love this show so much!!! Its got great actors and well written. I enjoy the stories so much!

---

*Tiril S.*

This show is very important to me because, I really enjoy watching this show, I think the actors da a great job, and it's well written. he show has a unique theme and story that is different form other shows in a positive way. It also brings up important terms and problems that is placed back in the days, that makes the show very intresting and makes the audience love the show even more. It also gives me as an audience hope and knowledge about the past and for my future as well.

---

*Rachel W.*

because this show is the bomb.

*Jennifer L.*

ITS ABOUT TIME GREAT TV COMES BACK. great historical insight for the forgotten time period with awesome acting and storylines to do this show justice!!! It will be a shame to lose another great show on TV, please stay!!!!

---

*Dawn N.*

Because I love this show!

---

*Teresa E.*

Bomb Girls is a great show depicting an important period in women's history. It has captured viewers from around the world and has won awards. Way better than all that stupid reality tv. Please support quality Canadian programming.

---

*Yian L.*

This show is too good to only have two seasons. It is exceptionally well written with an amazingly talented cast and 20 times better than most shows on TV at this moment. Renew Bomb Girls for

---

another season Please.

---

*Yian C.*

I haven't found a show as good as this for a really long time. over ten yrs! Please don't cancel I record this show and I look forward to watching it every week! I will be a loyal fan as long as it is airing..

---

*Lisa P.*

Bomb Girls was outstanding quality television. Please reconsider.

---

*Britanni S.*

This show has brought a new perspective into my life. It has shown me that there are people out there, even in decades way before my time, that have experienced what I have. I can see a part of myself in Betty McRae. As one who has had to hide my true sexuality, it's refreshing to see the LGBT portrayed on tv, gaining exposure, and showing the hardships of what some of us actually go through. If renewed, it will teach many of the realities of life. Plus, the show is incredibly well written. Absolutely stellar. The cast works so perfectly together and makes the scenes flow so effortlessly. The directing is impeccable. There's literally no other words to describe this show. Please Global TV, look at this fan base. So many people have been touched by this show. I know I truly have. I can only imagine the amount of people it could possibly reach, but that imagination will come to reality if, and only if, you renew for a third season. I'm only 17 now, but I know a damned good show when I see one. And I don't want to have to live the rest of my life knowing that my favorite character, Betty McRae, didn't get the proper treatment she needed. Don't make a mistake. Save Bomb Girls.

---

<i>Ginette H.</i>	Love the show. Keep it going.
<i>Elizabeth N.</i>	Bomb Girls is such a great show, superior to all that crap we see everyday. Please don't cancel it!!
<i>Michele B.</i>	It's a high-quality show that shows Canadian society in an important time in our history.
<i>Sophia A.</i>	It is a good show that has to much heart not to be canceled!
<i>Susan B.</i>	excellent show, well acted, revealing history that many forgot or never knew
<i>Allison H.</i>	This is a show which gives me a glimpse of my mother as a young woman. She had been married a week when her husband went overseas. His plane was shot down over the English Channel and he did not come home. Superlative show. Fantastic acting. A real glimpse into a very recent chapter of our history. Getting a phone installed. Please do not cancel one of the best shows on television!
<i>Carolyn S.</i>	This is a very good show. I don't see enough advertising about it's time slot. I thought the series was over but then my PVR picked it up again. Give it another chance.
<i>Marlene V.</i>	I Love it!
<i>Deb E.</i>	Bomb Girls is an excellent show! Great acting and well written
<i>Gabrielle K.</i>	It's so goooooood!!

---

---

<i>Rosanne L.</i>	i love this show. My mother in law was an original bomb girl in Ajax
<i>Carrie B.</i>	This show interested me as a view of Canada's side of the war effort. All history lessons I attended during my education completely skipped Canada's contribution as if it never existed. Although this show's excellent script and great casting are important, it is the handling of LGBT issues and discrimination that really drew me to it. Please renew for at least another season
<i>April W.</i>	great show!
<i>Kendall L.</i>	The show is amazing! Don't cancel it!
<i>Rosella G.</i>	I am italian fans actor Antonio Cupo. Renew Bomb Girls for another season. A superlative program in vision, acting, plotting and dialogue, both important for its historical perspective and for its intelligent. Please, è possibile vedere presto tutta la serie TV anche qua in Italia ?? Grazie !!
<i>Cheryl T.</i>	The show is a little bit of history, truth, and I fell in love with each and every character, set, costumes. Most importantly the show makes me happy, I look forward to when the show is on. Please renew Bomb Girls.
<i>Philip V.</i>	Great show
<i>Michelle L.</i>	Great cast, writing and subject line!
<i>Donna N.</i>	My neice is an actress on the show.

---

---

<i>Mandy Z.</i>	Bomb Girls is such an amazing series!! It should have more seasons!!
<i>Marion A.</i>	Canadian content - good stories - good acting - the whole nine yards
<i>Julie H.</i>	This is my favorite show!!!
<i>Ruby-Violet T.</i>	This show is soo awesome! I actually dont watch a whole lot of T.V. And I finally found a show that I LOVE. Please dont take it off the air
<i>Robin M.</i>	This is a quality show that offers great acting and story about a period and subject that fascinates me.
<i>Lesley F.</i>	a high quality CANADIAN show - why are you airing crap shows and killing this great seris - if Bomb Girls is not re-newed for more seasons - I will boycott Global and encourage my friends to do the same - shame on you Global - very bad decision!
<i>Bradie B.</i>	I love this show and it depicts an important time for women.
<i>Shahrazad E.</i>	This show is simply amazing! I've been captivated from the first episode and I can't imagine not having another season to look forward to! It's a beautiful representation of the time period and is a perfect way to educate people about a vital turning point in history. Please keep Bomb Girls!!!
<i>Loni W.</i>	Bomb Girls takes me back to a time I couldn't live in. I have always been fascinated with this era, and Bomb Girls reminds me of a time of class and respect.

---

---

<i>Paul D.</i>	I do like the show...and it has strong support on both sides of the border.
<i>Penelope P.</i>	This is the best show on TV! Wonderful acting, great writing and strong female characters. It is such a wonderful change from all of the low brow reality shows and mindless comedy out there. Please renew it!
<i>Giorgia S.</i>	Please save Bomb Girls. One of the greatest show ever!!
<i>Victoria L.</i>	Bomb Girls is an amazing show, it teaches us women quite a lot. Don't cancel a good thing!!!!!!!!!!
<i>Sarah P.</i>	This show is based on real events that occurred during World War II. All we see on television anymore are reality shows and talk shows. The beautiful dramas are always the first ones to get axed (Pan Am is another example). Keep this show - it has made this girl very happy!
<i>Tiffani I.</i>	This is such an amazing and heartfelt show. Most of what is on TV is such awful dribble. PLEASE don't give up on Bomb Girls! Please help continue to teach & enrich the lives of America with Bomb Girls!
<i>Teresa W.</i>	The is such an educational show and so well written. There are no shows that teach the young viewers about our history and the way people in this era lived. Very sad that we have to lose a show that is so beneficial to viewers with a great storyline. Bomb girls surpassed all other network shows and the viewers appreciated and welcomed this great change. Would love to save the Bomb

One of the few current TV offerings with valid historical backdrops, marvelous acting and addicting story lines....Please keep 'Bomb Girls' on. This is a Canadian 'Rosie the Riveter'..!!!

---

*Samantha G.*

Shows that teach us about our past and about the strength women had are important to me because those are the kinds of shows I want my daughters to see. Props to the ladies to busted their butts for the war effort!

---

*Meryem B.*

Because Bomb Girls is the best Canadian Show ever and it would be such a shame and a waste to cancel it, you have a strong and loyal base of fans, please reconsider this and renew Bomb Girls.

---

*Shanti B.*

Excellent, high-quality show that is one of the best Canadian series ever! The characters are all well developed and wonderful and this show is consistently brilliant. It's also very different from anything else on TV right now!

---

*Sarah T.*

This is the first show I've ever watched in which every single character is engaging and complex. Please don't make TV a worse place by cancelling it. Season 1 hasn't even been released on DVD in Australia, how can Global TV cancel this show based on one countries' reaction? Its impact is global. Please renew this show; it's amazing.

---

---

<i>Joanna P.</i>	Great shows are few & far between!
<i>Deborah A.</i>	I gave up watching TV years because there was nothing worth watching BUT I stop everything to watch this show....LOVE IT! It gave me a reason to turn on the TV again.Don't take it away!
<i>Alliston T.</i>	Please don't take away one of the best shows to come from Canada.
<i>Peggie T.</i>	This is the first series in a long time that I have enjoyed watching. I don't see any valid reason to cancel a winning show.
<i>Kat P.</i>	Even I myself am surprised that I would get hooked on a TV Drama, let alone a CANADIAN one! I really do enjoy this well written show that shows how women struggled, and how things were shaped historically. Please do not cancel this show!
<i>Ginger D.</i>	I love this show. Its shows how women came together, supported one another. A time when everyone worked together and supported a great cause. It also has beautiful costumes, the actors are amazing. Its a show thats like reading a book, you become part of it, you feel like your right in the middle of the whole story. It draws you in and when you so deep into the hour is up and you feel like it just started. Its a show that I DVR because I know my husband cant' stand it but I LOVE LOVE LOVE this show. Please oh please don't cancel this show.
<i>Carrie B.</i>	Awesome history. Too good to cancel.

*Robin F.*

Bomb Girls is one of the best written, well-acted dramas on TV today. With reality shows taking over the networks, it's refreshing to see such an historically accurate, interesting show these days with actresses and actors who have real talent. It's also been amazing to see a show (finally) that emphasizes the role that many women played during WWII. Please don't cancel Bomb Girls!

---

*Emily B.*

Such a good show and so much better than the plethora of average shows that have so many seasons. Not only a great show but piqued my interest in the history of women munitions workers, you owe it to history to keep it running!

---

*Kathryn F.*

This is an amazing show with history! it shows what the ladies of that time had to do to survive as well as help out the war. very good show and lets save it!!

---

*Alma N.*

I don't want the show cancelled! Bomb girls is my favorite show, you cant just cancel after two season's! Please, save the show!!!!

---

*Jessica H.*

♥ the show! Setting, costumes, hair, make up, music, story line and especially the actors are so believable. I feel like I'm there. Truly can relate to every character... male or FEMALE!

---

*Tanya S.*

It will be a complete shame if this series is cancelled. As people of all ages watch this show. Please don't let this happen. Everytime a great program is on tv it seems to get cancelled. The ones that seem to last the longest are the reality shows.

---

---

<i>Yvonne F.</i>	History about Canada and our wartime contributions has been sadly blown off - are you waiting for CBC to pick it up ? If this is cancelled to be replaced by another series which does not showcase Canada's importance during any of the WWars or Korea , I will not be watching Global AT ALL in future.
<i>Susan C.</i>	Love the show -- shows a strong set of women at a time when most were regulated to home and hearth
<i>Kristina A.</i>	Love this show. Wonderful stories. Please do not cancel this great show.
<i>Sue P.</i>	I love this show, true Canadian...great actors and actresses...so look forward to watching it on Monday evenings!
<i>Melissa M.</i>	love the show
<i>Erika B.</i>	Great show!
<i>Sonya P.</i>	It depicts an era I love reading and watching stuff about! It's great, and I love it!
<i>Marg K.</i>	Story line is very interesting and love that it is local history!
<i>Ulla G.</i>	A quality Canadian program that outshines many American produced dramas. It touches on many social issues and what it was like for people of all backgrounds during WW2.
<i>Catherine L.</i>	This is the only new show in the last 3 years I watch. Please keep it on the air.

As a guy, and an American, it's an important historical lesson to see the sacrifices of women and Canadians writ large. Plus, the writing, casting, and set design are fantastic!

---

*Jennifer C.*

Bomb Girls is an amazing empowering show. Not just about women but about an important, culture changing, time in the world!

---

*Ishbell A.*

In a TV land of yawn-worthy reality shows, carbon copy comedies and depressing dramas, Bomb Girls is an absolute breath of fresh air! This isn't just good TV, it's absolutely amazing, heart-warming, educational, inspiring TV! Every character is well-rounded and so thoughtfully put together and the actors and actresses and everyone involved clearly pour their hearts into the project. As a non-Canadian watching series 1 in the UK, I have learnt so much about Canadian history during WW2, and as a woman it has been so refreshing to see a series with such strong female characters and role-models, seeing how they overcame so many issues in a world so different to how it is today. I could watch this show forever; it would be so sad to lose such a good thing. Please renew!

---

*Nathan E.*

I love this show it shows a part of history that is rarely looked at

*Bojania G.*

It's an amazing TV show with a wonderful cast. It would be such a shame to cancel it after only two seasons!

Save the the "Bomb Girls, of course! I find history to be most excellent when blended into visual arts media programing. My

---

Grandmother, was an active participant during this era while "The Boys" were away fighting. So much of the past slips away a little every day unless documented in fresh / current programing, such as Bomb Girls! I can only sing the praises for "Bomb Girls" and ask for reconsideration of program cancelation!

---

*Karen M.*

This is a show is very well written. Love to see the clothing they were wearing in that era. Love the cast.

---

*Maggie K.*

ONE OF THE BEST CANADIAN SHOWS ON TV. THIS WOULD REALLY BE POPULAR IN BRITAIN TOO, IF YOU GAVE IT A CHANCE.

---

*Louise J.*

one of the best shows on TV and there aren't that many good ones.

---

*Alex D.*

Love the show, I want a next season!

---

*Claire E.*

I think its an incredible show!! and We want more of it in South Africa!

*Erin B.*

Listen up, Global TV! You must renew Bomb Girls for another season! The story and characters are beginning to show substance, the show has only just begun to take off. Like that classic WWII fighter jet, the Spitfire, that took time to develop and streak through the sky, Bomb Girls could do with some fine-tuning and development. Give the show another season to do just that. Bomb Girls is a

---

great show about Canadian women breaking new ground and joining the work force in the 1940s. It is interesting from a historical point of view and entertaining as a series. You have a great cast, beautiful sets and a show with so much promise. All that potential deserves another season in which to be realized on screen. Since the first season, Bomb Girls has dramatically improved in quality, from the acting, to sets, character development and script writing. Please keep producing with this show. It has begun to show its promise and the team behind Bomb Girls deserves the chance to keep developing and enriching the story.

*Jeanne M.*

This show is so different to all the other shows out there! Entertainment, educational, and SO feel good... why would you cancel it?

---

*Ailsa H.*

A fantastic, unique story which just keeps on giving- don't end it now, I want Betty to have a chance!

---

*Emily B.*

betty

---

*Angela S.*

There aren't many historical fiction shows out there. And this show is about women coming out of their homes to be more than just housewives. There are many good role models on this show. And I can't stop talking about it to everyone. I love it. And Betty is my favorite

---

*Carol N.*

This show is fantastic. Working women in the 40s, great story line, etc,

---

*April B.*

I am a history buff. My husband and I share an interest in military and its history.

---

We enjoy watching bomb girls to feel what life was like when our One grandpa of mine was army airborne and the other navy pilot. I would hate to not see more Bomb Girls!

---

*Jessika V.*

Because it is a good show!!! I am so sick of all these "reality" and fake shows that revolve around human stupidity. Bomb Girls is a breath of fresh air that allows younger people such as myself (23 yrs young) to see how life was back then during the war while still having that soap opera feel.

---

*Vickie F.*

With the overwhelming variety of garbage available for viewing, it would be a shame to lose a program that is this good.

---

*Lesleigh J.*

It is one of the few shows I look forward to! So different & it puts you back to that era & What they went through. Please don't take it off!

---

*Lolita N.*

Because there's so much crappy reality TV it's refreshing to have a show that's based on real events and portray real and strong women who played an important role in the war effort & Canadian history that many people weren't aware of. I don't know what kind of research led you to this decision but you're missing a broad demographic of boomers, near boomers, their children and grandkids who can relate to the well portrayed characters and storylines. The show is a big hit with my coworkers of all ages and they are spreading the word to friends and family as they get hooked. Give this amazing show and talented writers, actors and crew a chance to show what great Canadian programming can be.

---

---

<i>Bethany M.</i>	This show is really good! Good story lines and something different than all the other shows out there. Please give it another shot
<i>Misty M.</i>	I love the stories of the different women and men the show displayed. I adore the WWII era with the beautiful clothes, shoes, and hairstyles. I also think it's wonderful that this show had the courage to portray a lesbian during war time, and when it was still illegal to be gay.
<i>Ashley F.</i>	Global has cancelled many programs over the years and they need to keep this one. Its important to our country history and the actual bomb girls
<i>Lena N.</i>	This show is amazingly done and very different from what is aired on tv these days. It is a relief to the bad media that is presented to us.
<i>DeShunta C.</i>	Bomb girls is a well written, well acted show. It is different than anything else on TV. In an era with all these so called reality shows it is nice to have a scripted good quality show on TV. Please renew it. Save our show.
<i>Mirian M.</i>	It is a pity to not keep this great show on. This is by far one of the best shows out there. I hope you guys reconsider and sign them for a third season.
<i>Rose M.</i>	IT IS THE ONLY WORTHWHILE GOOD CLEAN SHOW TO WATCH ON TELEVISION!!!
<i>Samantha G.</i>	This show is full of strong women. Everyone should be watching.

---

---

<i>Darren D.</i>	Honest, well written shows are far too few these days, especially ones with brilliant female lead characters.
<i>Rebecca H.</i>	This is one of the top 5 best produced shows on television. Amazing writing, acting, costumes, production design, and cinematography! If its not getting enough ratings, that just means you need to advertise. You've already got the goods!
<i>Samantha K.</i>	Bomb girls is such a unique show that FINALLY tells a different story from everything else on TV
<i>Cynthia J.</i>	This show is wonderful! Please don't cancel it!!
<i>Rachel H.</i>	This is a great show!
<i>Liz M.</i>	How often are we going to come across a historical television show that demonstrates the strength and ability of our female predecessors? Not very damn often, I'll let you know. Save Bomb Girls!
<i>Leticia G.</i>	This show is so good ... love the era its based on very interesting stories and cast!!
<i>Maggie P.</i>	It is great to see strong independent female roles on TV.
<i>Carol G.</i>	I love the show. great scripts and great acting
<i>Maile T.</i>	This show reminds me of my grand so much And what a strong women she was, don't take these ladies off the air !!!

---

*Jessica W.*

This is an amazing show. It has a great story line and plot. There are tons and tons of WWII shows/movies about the men and all their hard work and sacrifices, the women have very few!!!! They were a huge part of it as well and need to be recognized! We were able to finally have some freedom and got the ball rolling on many other women's issues because of the independence we gained by being able to work outside of the house in this time period. PLEASE KEEP IT GOING!!!!

---

*Stacy L.*

My aunt was a "Rosie the Riveter" making parts for aircraft during WWII. I have never really thought about what life was like for her during that time. It also addresses racism, homophobia, women's independence, and the way all these things impact us. It is really a great show, that is original and not covering the same old ground every other TV show does. Please reconsider.

---

*Andra L.*

This show is so well-written and has such an emotional impact on viewers. There aren't a lot of shows you can say that about. Please renew!!!

---

*Teri S.*

Bomb Girls is the best.

---

*Roslynd F.*

I love this show! This show is educational , it is a part of history. It is refreshing to watch a show that is not mind numbing like some shows that are out there. PLEASE DON` t take it off the air!!!!!!

---

*Cheryl W.*

Keep Bomb Girls

---

*Tom R.*

I simply love interesting stories that are well acted

---

*Sarah S.*

love this show. it shows how people dealt with the issues of the day. it gives me a glimps of what it was like for my grandparents

---

*Jennifer P.*

My name is Jennifer Post and I am a student-athlete from Massachusetts. Over the summer, I underwent some shoulder surgery that is keeping me from playing the sport that I love. Near the end of October I found this show in my recommended to you section on Netflix. This part might seem irrelevant, but my favorite movie of all time is A League of Their Own. I am fascinated by the 40s and the WWII era in general, which made Bomb Girls an easy choice on my part. Instantly I started to connect with the characters. I love Gladys - she was amazing! But I especially understood Betty. I could see that she could make being more of the tomboy image work for her and that is an image that I have always had of myself. Not so much in a butch way, however I can see that in her time period she would have been considered more butch. My deepest connection to the show though comes in the form of Vera. As I mentioned earlier, I had shoulder surgery over the summer. Seeing the accident that Vera had in the munitions factory was obviously horrible to witness and would be one million times worse to physically endure but the biggest thing about Vera was that she got back in the factory. The strength that she showed to overcome her fear and the courage displayed was inspiring to me. I get extremely nervous just looking at a pull

---

up bar, or thinking about hang cleaning or benching again. I have dreams that my arm gives out entirely and that my career is ruined. Seeing that Vera came back to the place she changed her whole life completely with such bravery made things a little easier for me in the weight room. She gave me the strength to know that even when it doesn't look like the odds are in your favor, go out and try anyway. You just need to fake it until you make it. And finally, I just got one of my aunts hooked on this show and she loves the 40s too! Thank you for putting together this campaign and I really hope more seasons of this show can be produced. Good luck!

---

*Mark S.*

This is such a compelling program. I began watching it on Netflix last week and I have done nothing but work and come home and watch this series. I like every one of the characters. Thank you for bringing this part of world history to life with such life, feeling and intrigue. Please produce more seasons.

---

*Lenta K.*

I love this show! Please bring it back!!!!

---

*L. G.*

The show Bomb Girls has several years of future story lines in it. I am flabbergasted that it would be cut off at such a ripe time. This show is as excellent as any that has had a run for 5-7 years. I do not understand what the producers can be thinking. Dumb decision people.

---

*Linda D.*

I am writing because I just finished watching Bomb Girls on Netflix and loved it. The stories of that era and how much the war affected the people at home was mesmerizing. I will definitely be

---

contacting Netflix about taking up the show since I do not live in Canada and do not have access to Canadian TV. You don't see shows like this here in the States, which is too bad, because I am sure the war affected us here as much as it did Canada. Good luck with your efforts at continuing the Bomb Girls story with more than just a 2 hour TV movie.

---

*Nikki H.*

I just recently discovered Bomb Girls thru Netflix about 5 days ago, and have already finished both seasons. I am a working mother of two busy little boys and don't have much free time. I fell in love with the show with the first episode and couldn't stop watching. I was extremely disappointed when I went online just now to find out if there was a season 3 that hadn't hit Netflix yet to discover the show was cancelled. You have a hit here. If you ask me, your target audience. .. (20-35) I'm 29 mind you, you made a bad business decision canceling the show. I had never heard of it before I saw it 5 days ago, randomly and I've had Netflix for a year and a half. If the show wasn't doing well enough, someone wasn't doing their job in marketing it! Maybe you should try hiring someone that knows what they're doing. This show is amazing! The actors and actresses are fantastically talented and I can relate to each and every character. You have wonderful writers. I saw there are plans to make a movie. I think that's great, but continuing the show would be 100 times better! Please pass this on to whomever needs to see it. I'd love for the cast to know how much I have enjoyed their work! I relate to Mrs. Korbitz as my boyfriend of almost 5 years and I have been through relationship

---

challenges. I see my spitfire in all the lead women. I see my religious upbringing in Kate, even though mine wasn't crazy like hers. I relate to finding my worth like Vera and my voice like Kate AND Gladys. Anyways, I'm tired and need to sleep but I wanted to share my two cents. Thanks for taking the time to read.

---

*Joan O.*

We just finished watching the 2nd season of Bomb Girls via Netflix. We loved every episode and introduced it to others in our family. Our in-laws love it so much they watched 8 episodes in one day!!! We hope very much that you continue with this show and have a few more seasons. We are very interested in WWII history because of our parents' involvement in the war overseas. Please go ahead and have more seasons of this wonderful show!!! Your show is very much loved!!!

---

*Beverly A.*

Please keep this show going. The story is great. The acting is terrific. It is soooooo refreshing to watch a show with substance. PLEASE DON'T THROW IN THE TOWEL!!!

---

*Sally L.*

I want to add myself to the number of people trying to save bomb girls we need more quality shows like this on t v not some of the nonsense shows that have taken over like reality shows etc.

---

*Mel C.*

I just discovered Bomb Girls on netflix about 2 weeks ago & have already found myself dreading and holding out watching the final episode. I was hooked instantly. I don't get that way with many shows either. I am a proud young US Army Veteran wife and seeing a military related show with accuracy is just exciting! I have

---

a real fascination with WWII & the way it made people come together.I think our country lacks that now and this show is a sweet reminder of the good ole days.Anyway, it seems shows I end up liking always seem to get canceled.Maybe because a lot of people are just too modernized to watch a show like Bomb Girls.Either way, I was devistated to hear the show was canceled right when I started watching it.Cant wait for the movie though!!! :)

---

*chellesbelles*

Found Bomb Girls on Netflix last night and just finished watching both seasons. I love that they are making the 2 hour movie, but really wish they would continue the series. Meg Tilly is amazing.

<i>Jackie B.</i>	I really like the show!
<i>Teresa P.</i>	This show is great and very inspirational. its has great story lines, awesome characters and the character development from the first to the second season is well thought out. I hate the thought of not knowing how far these girls will go after a second season. please do not cancel.
<i>Anne S.</i>	You must be insane to not renew! One of the best shows on television, in fact, probably the best!!!
<i>Nancy K.</i>	It's a great show and true to the era the are portraying. Please don't cancel this show!!!!
<i>Nakisha J.</i>	I love this show! It has good storylines and one of the few tv shows i will even bother to watch. Please keep this good old wholesome program on tv. When i say wholesome, i'm referring to the fact that i'm not embarassed to say i watch it.
<i>Allison C.</i>	Shows demonstrating both queer and women's history are woefully lacking.
<i>Shelby D.</i>	I just loved the story line to the show.
<i>Jenifer S.</i>	I LOVE this show!!!!
<i>Ronald F.</i>	we love that show
<i>Alexis W.</i>	This is a great show, with a brilliant plot. Someone has to pick this up if you drop it.
<i>Sarah B.</i>	Bomb Girls is the only program that shows another era of women that is relatable, historically accurate and

---

---

	touches your heart. Don't cancel my favorite show!
<i>Bobby B.</i>	This is a great show, with great characters.
<i>Rose P.</i>	it's a great show
<i>Nancy Y.</i>	I love the history of the era and the characters bring it to life.
<i>Christine H.</i>	It's a great show!
<i>Lisa M.</i>	This is a wonderful show. I have not seen such a meaningful show in years. I have learned and enjoyed the stories that are purely Canadian. Why can't we sustain and support our own industry? Cancelling this show is a sad statement . I am sure if we exported this show worldwide they would embrace these wonderful stories. Keep this show going.
<i>Kristen R.</i>	I feel that Bombs Girls is a very good and well written show. It gives very good information on what it was like during WW 2. This show isnt available to me in my region of the U.S. but i always make sure i dont miss an episode. Im a very loyal fan to this show, it devastating to me that its cancelled. Please renew Bomb Girls for another season.
<i>Teresa K.</i>	The insight of what it was like for women joining the workplace for the first time is inspiring! I am so grateful for these pioneers that joined the workforce in support of the war effort.
<i>Dale M.</i>	Too much crap on TV this is a quality show!

---

---

*Courtney F.*

This show is fantastic. It shows a piece of history and is relatable to the war we see today, but on a different level. It is unique, has a great cast and fantastic story lines.

---

*Wendy B.*

I love this show!! It is amazing Please don't cancel it and make a 3rd season!! Please Please Please

---

*Linda K.*

This is a terrific show and helps us understand our own generation, too. With recording equipment so prevalent, the channels may set 2-3 shows against each other and we can watch them all, to heck with the programmers and their ratings battles. Unfortunately, we are the loser in the end because they only count the "live" version...I'm in US and love this series!

---

*Janine G.*

It's an excellent show. An important part of history, that hasn't been shown before. We in the US, usually get the many excellent Canadian TV shows, a couple of years behind live in CA. I just found this series a few days before the second series started. Excellent writing, excellent acting-Just a really good show. PLEASE don't cancel! PLEASE

---

*Mayra A.*

I love the show. It shows how things were in that time. It also teaches us girls and women how to be strong and fight for what we believe in. I also love the hair and fashion they use.

---

*Lindsay M.*

Please renew Bomb Girls, it's the best show I've seen in years and it deserves another chance to be seen by more people, it'd be a shame to end it now.

---

---

<i>Christy S.</i>	This is one of my favorite shows to watch...no matter what is recorded on my dvr...this is the first show I watch whenever it airs. Bring it back for another year.
<i>Patsy W.</i>	So much garbage on TV. Quality programs like Bomb Girls always lose. The group advertisers are marketing aren't even home to watch their garbage programming.
<i>Shelly C.</i>	I hope Bomb Girls doesn't become this decade's My So-Called Life.
<i>Rachel D.</i>	This show is so inspiring. It can't go away, the war is not won!
<i>Gretchen W.</i>	This is a fantastic-- and inspirational-- show. The acting is superb and it really transports you to a different time in the not-so-distant past, showing vibrant, strong women whose stories I actually care about.
<i>Ruth M.</i>	It is a part of history that needs to be remembered!
<i>Angela D.</i>	Bomb Girls is a one of a kind show. It is smart, sassy and gives a wonderful historical perspective of women. There are few shows that are focused on women. I can think of a lot of war movies, but there aren't any shows that celebrate how women kept countries alive and running while the men were fighting for freedom. I sincerely appreciate the perspectives, the complex characters, the wonderful writing and the way with which the 40's come alive in my living room every Wednesday night. Shame on you for canceling one of the best shows I've ever watched on

---

television. I can't even imagine where your logic comes from. Just from a trendy, fashionista aspect, the 40's are super hot right now. People flock to flea markets & antique stores to purchase items made in the 40's, the latest cookware and housewares are modeled from 40's styles, women's hairstyles are leaning toward hairstyles pioneered in the 40's. Do I really need to go on? There is FLAW in your logic. Bring my girls back! This American loves her Canadian bombshells!

---

*Rick M.* this is a great production and should get at least a third season if not more

---

*Sheryl C.* I love this show

---

*Traci G.* This is a great, quality show. Hard to find on TV these days. And you learn a lot about our history.

---

*Marian C.* I can see the show being a bit of a hard sell right up until someone watches the first episode. And then? Then you just want to sit there and watch everything until you run out of episodes and then you need more. We need more.

---

*Susan S.* If u cancel at least give ending! Love the show

---

*Gordon B.* Finally there is a decent show on tv and they want to cancel it. It happens everytime.

---

*Yolanda M.* I love this show. World War II the fashions and the characters are well portrayed.

---

---

<i>Melody T.</i>	One of the few really good shows on TV! I never go to movies, so rely on TV for quality entertainment, something I found in Bomb Girls! Keep this show alive and on the air!
<i>Ellie K.</i>	Finally we get an amazing show that supports the troops that's classy!!!
<i>Heather F.</i>	I really enjoy watching this show not only for the acting but for a show showing the lives of working class women. I can't think of anything I don't like about this wonderful show. Please keep it on.
<i>Amber M.</i>	I love this show it is amazing!!!
<i>Robin R.</i>	Because I love this show!!
<i>Leanne D.</i>	Bomb Girls tops Mad Men. I was so bummed that there was only 6 episodes in the first season, and I look forward to this show every week. Please don't kill the Bomb Girls.
<i>Vanessa F.</i>	I love the show.
<i>Cheryl N.</i>	I love this show and good historical dramas are hard to come by.
<i>Samantha M.</i>	Because the show is great and we need more shows like these. I'm sick of reality shows! Keep it up please!
<i>Alia M.</i>	It's an amazing show, with a wonderful storyline. I also enjoy learning a little bit about the 40s and the things that women had to go through while waiting for their soldiers to come home.

---

---

<i>Megan V.</i>	This is the only decent show for women on T.V. It has heart and soul, it tells the story of an important time in our country's history, and it does so accurately! So many people are going through now what those families went through then. And besides, even my boyfriend likes it! My car mechanic, grew up in the country, 4-wheeler riding boyfriend! What does that tell you?!
<i>Brooke P.</i>	Love the show!
<i>Dana R.</i>	We love this show. Please don't let it die like Firefly did.
<i>Kimberley A.</i>	This is a quality show. It matters to me as a female because it is telling women's stories and showing our work and lives during a pivotal period in history in a way that it has never been shown before.
<i>Laura B.</i>	Save Bomb Girls!!!!
<i>Nadene M.</i>	I'm so tired of reality shows and 24 hour news shows. It's refreshing to watch a show that is well written and has interesting and well developed characters.
<i>Linda S.</i>	There are not nearly enough shows depicting strong, capable women
<i>Belinda R.</i>	Love. Love. Love Bomb Girls.
<i>Diana P.</i>	I fell in love with this show, and got my 80 year old mother watching it too, said brings back many memories for her. Please dont take one of the best series off the air. I am sick of the reality shows that are on and look forward to MY Bomb

The characters are very real and very relate-able.

---

*S. E.*

This show is not only entertaining and has incredible fashion, it is educational and celebrates one of the most fascinating and

important parts of our history. These stories need to be told!!!!

---

*Margaret P.*

I love this show because I feel it is a part of history & that is a very important part of the way people had to deal with a lot of issues. It would be a shame to cancel something so important to a lot of people.

---

*Darla S.*

I love the show!!

---

*Rachel A.*

This is the best series in a long time that has held both my husband & I captive. It's engaging and we enjoy the humor, the music - especially from church mouse! - the clothing - everything. Please keep it!

---

*Melisa I.*

This is such a great show. It's got great history in it and an added bonus it's a clean show. It's not some stupid reality junk show like those ridiculous mtv teen mom, buck wild, jersey shore that is pure trash. Too many kids don't know enough about history as it is and this was a way to be able to show that history in an appealing way to younger people. Don't throw that away.

---

*Carmen B.*

I absolutely love this show its my favorite era one of my favorite shows on tv i would hate to see this show go away.

---

*Diane G.*

<i>Elizabeth M.</i>	It is a great show showing all walks of life and cultures. In an amazing time period. The characters a very 3 dimensional and very interesting . It shows the way a whole generation of men and women lived and made there choices thru war and at home. It is a fresh change from all the same old shows cop shows regular themed shows in the mainstream . It also shows untouched issues of the time LGBTQT community has very few awesome characters. It show a character in a true light and portrayed very well.
<i>Tammy M.</i>	Love the show and is a bit of history.
<i>Theresa L.</i>	Great show. Hope they reconsider. Makes me sad.
<i>Lydia B.</i>	its a good quality show, with amazing actors portraying a time where war was affecting our countries, and how women had to step into male roles because the men were out fighting the war. Please do not cancel such a great show. My daughter and I watch this show together and she loves it just as much as I do.
<i>Melissa A.</i>	It's a great show, with thoughtful content, and talented actors/actresses. Better than most shows on TV right now!
<i>Meaghan C.</i>	It's important to our history to keep this show going. For all our daughters and sisters!
<i>Tami B.</i>	I enjoy the show very much. It has taught me things about Canada and about WWII I did not know. It also shows the sacrifices made by men and woman alike.

---

---

<i>Alan H.</i>	great historical entertainment

<i>Gretchen S.</i>	I love this show and it's historic info in has embeded in it. It's not trashy, there's no swearing. It's good!

---

*Harriet F.*

I love this show so much and would be so sad to see it go. I am sick of all the reality tv that is being shoved down our throats. Please give Bomb Girls another change. A faithful Bomb Girls fan here.

---

*Veronica T.*

I don't know how it is in Canada, but in America, decent historical shows (even if they are realistic fiction) are few and far between. Bomb Girls is gritty, much like the time was. It tackles real subjects of World War 2. Please reconsider this cancellation.

---

*Katherine H.*

It's a great show, I love it and don't want it to end. I don't understand why you take the great shows off? It has never made any sense to me. Please renew Bomb Girls for another season.

I discovered "Bomb Girls" by accident and it is one of my favorite shows. It features strong, independent women succeeding in a man's world. Their struggles are still relevant. These types of shows are uncommon while mindless "reality"

---

shows flourish. Please bring these ladies back. Thanks!

---

*Sam F.*

Bomb Girls is one of the best shows ever created for TV. Not only is it a great piece of storytelling it shines a light on an important part of Canadian/US history that shouldn't be forgotten.

---

*Kaitlyn H.*

Bomb Girls is a great representation of the strength and versatility of the women in that era. The stories are so inspiring and a great way to remember the sacrifices, lives, and veterans of the war. Please keep Bomb Girls on the air. Thank you.

---

*Chelsea E.*

I love this show! Great for all Pin up girls looking for some styles to learn. Love Love Love this show!!!! i dont watch a whole lot of tv anymore but this is my favorite right now.

---

*Jeffrey C.*

Bomb Girls is truly wonderful. It's not afraid to talk about issues that actually existed during the 1940s and the characters are all relatable. It's one of the few shows I can truly enjoy. It also brings focus to Canada during WWII especially for Americans who watch the show. Please renew it.

---

*Susan T.*

This is one of the best shows I have seen in quite a long time! It is so well written and it is wonderful seeing these historical events through the eyes of women.

---

*Chad H.*

Bomb Girls is a great television show. For me it gives me a connection to the WWII history that I have devoted my life to learn. For young people who know next to nothing about that time period, it gives

---

---

them a glimpse into life at that time.  
PLEASE reconsider renewing this  
excellent TV show.

---

*Kyla B.*

This is one of the best shows on television  
right now.

---

*Adria T.*

Bomb Girls is an amazing show. I only  
just found it via Netflix, and I was  
instantly hooked. I am so terribly upset to  
hear the news that Bomb Girls is not  
being picked up for a third season. It's  
such a rare gem of a television show.  
Please, please reconsidering letting this  
show go! In a matter of only 2 episodes, it  
became my very favorite part of each  
week since season 2 started.

---

*Terri G.*

I love this show. This is a completely  
different type of show and I love it. I  
barely watch tv anymore cause its all  
"reality" shows.

---

*Lily J.*

BG is inspirational to so many girls and  
myself included. PLEASE DON'T  
CANCEL BOMB GIRLS!!!

---

*Tim B.*

This is a side of the story that's never been  
told before.

---

*Bianca S.*

Really think this one of the best show on i  
watch it online and when it comes on in  
America. So please keep it on one of my

---

---

	favorite show.
<i>Tiffany S.</i>	Bomb girls is a great show
<i>Sofia B.</i>	One of the best shows I've ever saw. Great construction of characters, very good storylines.
<i>Staci M.</i>	The show is a well written period drama featuring a core cast of strong female characters, showing a part of WW2 history that few really know about.
<i>Kendra J.</i>	I just found this show this year and rewatched all of last season. Loved It! It it was advertised more on local stations anywhere in the USA it would do awesome. I had never heard of it before or the channel Reels. Please renew!! Or do a show in the USA for USA. I guarantee it will do great!
<i>Susan A.</i>	My mom was a Rosie The Riveter at the Willow Run B24 Assembly Plant i8n Ypsilanti,Mi. I feel like I can get a connection with her on this show.
<i>Shawna F.</i>	Please, PLEASE don't cancel Bomb Girls!! It is the best series on TV!!
<i>David B.</i>	This is such an awesome show. Great charachters who are great role models. The writing is fantastic as is the acting. Keep this show going!!!!
<i>Meritxell M.</i>	It makes me happy.
<i>Anna K.</i>	This is one of the best TV shows to come along in a LONG time! I so have missed Meg Tilly & was so thrilled to see her on Bomb Girls. The entire cast, writers, crew,

---

all involved do a wonderful job! Don't take away our Bomb Girls!

---

*Dave E.*

Its a great Canadian show with great characters and a great Canadian story. A nice change from the constant barrage of shows about the USA view point.

---

*Linda F.*

Canadian women's role in the development of our country has always been under-rated, not explained very well nor well written about. The Bomb Girls is one television show which portrays a period in Canadian history of how much women have contributed; how they have struggled and the many obstacles they have overcome. Sadly, this is another obstacle to overcome...to have our voices and place in history not taken seriously. Shame on Global for cancelling this well-written, well-acted, informative and enjoyable programme.

---

*Lucie L.*

it's amazing serial

---

*Kylie S.*

This is one of the best shows that Canada has produce in a long time and it's leagues ahead of what other programming is trying to do. It has perspectives and story lines that are so rarely shown on prime time tv. Everyone who starts watching the show loves it, it just needs time to get to the viewers!

---

*Vicky O.*

Amazing acting, story and history. Love this show

---

*Emily T.*

This in one of the best TV shows I have seen in a long time! I'm 23 and I love how I'm actually learning things about history that I never knew about, while watching

---

---

this INCREDIBLE show and cast!

---

*Edward F.*

This is good, quality, Canadian drama that speaks of social issues of the day that still resonate today. Keep this show or sell it to the CBC. They took over another gem, Murdoch Mysteries.

---

*Kate G.*

Because I absolutely LOVE the show 'Bomb Girls' and I would be devastated if they cut it off

---

*Toni E.*

It's our story, it's original material, it features strong women characters.

---

*Natalie H.*

Its a great show CANADIAN at that , Canada never has great shows and this one is great.... This show shows our history and that's not something we should let go for some stupid reality show ... PLEASE KEEP THIS SHOW

---

*Carrie S.*

Sick of reality shows! Love the reality of THIS show! Girls are wonderful!

---

*Linda M.*

This is a Canadian produced program with an excellent story line, fine acting and production. It shows our history with pride as very few shows do. I am devoted to very few shows on tv, definitely not the "reality" fluff shown, but Bomb Girls is one that I NEVER fail to tune into. This show has so much potential for future episodes. The exploration of Betty's life and how lesbianism was handled in the 40's. The strength Lorna must gain to be a working mother supporting her family and the future of her relationship with Bob. Don't cease production of the fine Canadian show. We, the viewers deserve better. Let us make this decision this time, not the suits on Bay street.

---

---

<i>Cynthia H.</i>	This show is one of the best on television, and does a phenomenal job of making Canadian history come alive. I am devastated to hear that it is not coming back for a third season. This show deserves better!
<i>Peter M.</i>	These are our stories told in a way that intrigues the viewer and will also serve to educate.
<i>Michelle V.</i>	this show is AMAZING!!!! how can you possibly end it like that?!!!! NO WAY!!! i need more in my life, thankyouverymuch
<i>Aprile G.</i>	It's simply a great show
<i>Fabienne B.</i>	For once there is a quality show on t.v which displays interesting character and a dimension of WWII rarely mentionned.
<i>Judi M.</i>	We deserve some decent shows to watch a refreshing change from all the mindless drivel that is on each evening.
<i>Jessie S.</i>	I love this show, it deals with every day life and the actors are awesome. No darn wonder all our good actors go to the united states because Canada doesn't know when they have a good thing, and great actors.I don't watch much tv but this show I love.Most of the shows on TV are trash.I think you are making a big mistake taking this show off..
<i>Celina E.</i>	I love this show. Bomb Girls is a very entertaining television show and we will all be losing out if it ends. It's one of the most brilliant shows around and we need more of it. The actors are very great at portraying their characters. TV today

---

needs a show that's about strong women fighting to make a difference and to be heard. Please save Bomb Girls!

---

*Mary A.*

Good show, well written, excellent Canadian cast. Save Bomb Girls

---

*Anonymous*

Bomb Girls is not only an important piece of Canadian history but an important piece of history for woman everywhere who lent their hand to the war effort. By cancelling the show, Global/Shaw are saying women don't matter, their stories don't need to be told. We're not going to sit by a lose a fantastic array of female characters. "We can do it!" Join the @SaveBombGirls twitter!

---

*Katharine W.*

I look forward to watching this show every week, because it is a very well written show, telling important stories in their historical context. The acting is excellent, which brings the characters to life, and makes them very relatable. The show has so much potential, and I think it would be a waste to cancel it after so few seasons.

---

*Linda I.*

I am an expat Canadian and like the fact this show is well done and it's Canadian

---

*Liesbet D.*

The show is amazing and deals with a neglected subject (the "home" part of WWII) and a neglected group (aka women). So keep up the good work and give us an extra season.

---

*Susann L.*

this show is just great, fun to watch and characters / storylines are really well written.

---

*Lucy H.*

Because I look forward to watching it every week. It's one of the best Canadian shows out right now and it shows the history of Canada's contribution in the war effort - something most people know nothing about, let alone culture in that era in the 1940's. There are real quality actors in this - I cannot for the life of je understand why anyone would consider dumping this show. If its ratings add more advertising and promote it more. Once you watch it you're hooked! SAVE THE SHOW!!!!

---

*Chelsie C.*

because its canada

---

*Julie B.*

Originally, I began watching "Bomb Girls" because of the importance I place on being able to view complex, honest LGBTQ characters (lesbian in this situation) such as Betty McRae. From there, my own love of the era helped my adoration for the television show flourish with its beautiful set design, production values, and character development. The historical value alone is important to share in its Rosie the Riveter way. Not only should girls and women have these strong role models to have in their lives, but the world should see the brilliance that women accomplished even decades ago. "Bomb Girls" has given me (us) complex characters and storylines that I have not had the opportunity to enjoy elsewhere on television in a very long time. Even lesser characters like Theresa Hill and Sheila Corbett are still three-dimensional and present a positive portrayal of women in the media. With forward-thinking characters like Vera Burr and Gladys Witham and even Marco Moretti, the show has become an

---

incredible ensemble of tremendously talented actors that deserve to continue the stories of their characters and the people of history they may represent. This show is an amazing production and it would be a terrible loss for it to end so prematurely.

---

*Riva G.*

I urge you to renew Bomb Girls for another season! By canceling this show you are silencing the voices of woman all over the world. The stories that this show tells so beautifully resonate with the lives of every day woman. Not only that, but Betty McRae is the most realistic, incredible portrayal of a young gay woman on TV. This show has barely met its potential, it has years of storytelling to go. It is a visual masterpiece, with an amazingly talented cast. And oh the music and costumes! There is nothing about this show I don't love, it never ceases to amaze me with its thoughtful and tender care it takes of its characters. Please renew bomb girls!

---

*Nat H.*

It is simply an amazing show with incredibly well developed characters and it surpasses most of the entertainment that is currently out there. I'm not ready to leave this masterpiece behind just yet.

---

*Sarah E.*

Bomb Girls is the best show on TV right now. It has amazing writing, great well-rounded characters, and sends a great message about equality.

---

*Phyllis M.*

lessons in Canadian history -great acting and awareness of how the war changed the world. good tv - beats reality shows - tasteful acting

---

*Lynn S.*

As an aspiring screenwriter, I turn to Bomb Girls for lessons in writing strong, diverse women, and as a viewer, I love to soak in the 1940s gorgeousness. So well written and well acted. Support the fine television you have brought us!

---

*Nicole A.*

I've never been so inspired by and touched by a show. I've never related more with a character than with Betty McRae. The loss of this show would mean both the loss of her and the loss of so many strong, intelligent, complex female characters that are still so uncommon in the media.

---

*Bob L.*

Because it is a great show and it is Canadian. It's time we started looking after our own. Our stupid Liberal government gave bollywood 12 million for nothing but they won't give anything even support for a good Canadian show. What the hell are they thinking?

---

*Susan H.*

this is a well written show and it has a great cast of Canadian actors we don't see very often..it introduces the general public the fact that many women worked during WW2... as my mum did and the efforts they did should be discussed far more than they are...they are underrepresented in all media which is a shame and putting forth such a good show will only further awareness of their efforts.

---

*Achele I.*

Bomb Girls is one of the most amazing shows I have ever come across...It has truly changed my life. It is one of the best shows on TV

---

<i>Peggie T.</i>	Hating Gloval and Shaw at the moment - Bomb Girls series finale was left so unfinished - movie in 2014 BIG DEAL. Just continue the series and 6 episodes a year is a cop out. Has our American and British viewers as well as we Canadians out in the cold. BOO!!!
<i>Katherine N.</i>	Totally agree I hate the way it ended!
<i>Angel N.</i>	It's a shame there's so much more that can be done with the show.
<i>Erica J.</i>	Not a single photo of Ali Liebert/Betty McRae in this album, but several of Sir Terrible British Accent. I just don't get it.
<i>Mary-Jean B.</i>	Another important, engaging, and creative show chronicling Canadian history is cancelled. It is a crying shame!
<i>Yolanta K.</i>	No sense of closure at all for a series finale! So much was left up in the air! Very unsatisfying ending! This was one of the best TV series ever! Too bad there will be no season 3. A trilogy could have led up to the end of the war and shown how all the lead characters went their ways after the munitions factory closed. Pity that we who have followed the story faithfully will never know
<i>Lacie P.</i>	Ohh Marco. Ill miss you.
<i>Bob C.</i>	Those responsible for the sudden and unexpected cancellation have some explaining to do. We, the viewers, deserve nothing less.
<i>Maria C.</i>	Beautiful Marco!!!

---

---

<i>Debbie C.</i>	Well said bob...please put bomb girls back!!!
<i>Sheila W.</i>	Ok - did I miss something?? The series is cancelled!! Unbelievable - its such a great show! There's a long list of crap on TV and yet they kill off another great series. I'm pissed.
<i>Morgan L.</i>	When I read the description for this episode it said "series finale" and I was confused...I thought it was a typo....but sadly NO!!!! Why cancel such a great show? One of my all time favorite tv shows. I can only hope our voices are loud enough to get Global to bring it back!!!
<i>Jenny M.</i>	That is soooo not cool! I mean I had to wait for season two to air three months after it originally did.....& now they cancel it?! What the heck?!!
<i>Christine T.</i>	Bomb Girls is probably the best series to ever come out of Canada. I watched last night's episode without knowing it was the last one ever. Was even commenting how good the acting was. How can they cancel the show with nothing resolved?? Reminds me of Deadwood.
<i>Siri N.</i>	I actually feel physical pain because of this way to early end, of probably the best tv series I will ever encounter, it was just so perfect, genuine, original and packed with talent from writers to actors..such a shame
<i>Marlene H.</i>	Trenchard Have already signed the petiion ! Bring Bomb Girls back just like they did Rookie blue!!!

---

---

<i>Carol A.</i>	I LOVE Bomb girls, where can I sign the petition Please?
<i>Kiersten E.</i>	That was the series finale? I thought it was just the season. They can't do this! NOOOO! I NEED more Bomb Girls.
<i>Lorraine H.</i>	Someone made a mistake, surely! It had to be season finale. They can't just stop like that. There has to be more to come!!!!
<i>Marcy M.</i>	Bomb Girls is the best!!!!!!!!!!!!
<i>Colleen D.</i>	How come every time I get hooked on a little known unique TV series that is a breath of fresh air (considering some of the garbage on tv these days) it gets cancelled!! Geez....so disappointing.
<i>Margaret G.</i>	oh please don't hurt my Betty please
<i>Margaret G.</i>	Oh my God how stupid can these people be to cancel one of the few great Canadian TV shows..are they just total idiots...Global you are asses we stop watching your news due to how you always bashed the party we like..you are to report news not comment and how this...you are total total idiots
<i>Maria F.</i>	great show...quite a cliff hanger...hope it returns in the fall
<i>Paula B.</i>	An absolute shame that this fantastic Canadian show is cancelled!
<i>Judi M.</i>	how unfair that was a great show ...who makes these stupid decisions anyway??
<i>Sandra B.</i>	How can they cancel such a great show?

---

This show has really taught me what went on during WW2. Hopefully CBC or CTV will pick up the series just like Murdoch Mysteries when CityTV cancelled it.

---

*Lisa N.*

Instead of giving up on a great show like this, the network should have made it a summer series. Broadcast it on the same night as Rookie Blue. Couldn't have done any better than that, but it's just easier to toss one of the best shows ever made, aside. Thanks, Global.

---

*Amber R.*

Not sure what's coming in the mail but all I know is I've got a date with some bomb shells Wednesday!

---

*Lynn Marie P.*

Global Tv has a facebook page...and they have a message button at the top that doesn't require liking the page! So get on it Bomb Girl fans! Let's "Bomb" them with messages demanding they listen to us and bring back the show. Keep it polite or they will have you banned, but tell them how much you love this show and want to save it! If we start now, today we might save the show!

---

*Sandy H.*

One of the best episodes so far and it's the last. Go figure!

---

*Melanie L.*

I can't believe it This is the best show ever. Global tv you suck!! It was the only show I ever watch on your network. your network is now banned from my tv.

<i>Stéphanie L.</i>	it's over and i'm Soooooooooooooo sad! It's so good
<i>Maria F.</i>	:((
<i>Kristina C.</i>	Go to save the bomb girls sites and help out
<i>Cathy R.</i>	Just SICK that this fantastic show is being cancelled. Here's the sad truth: most people just don't care about history ~ not even about the Greatest Generation who saved our country & our butts!!!
<i>Joyce J.</i>	I feel like Kate looks in the top photo...so sad.
<i>Elizabeth H.</i>	Why was this show cancelled? It seems like any show or movie with a strong female lead is cancelled or doesn't do well. This is the only series I watch because of the strong female characters in it...really disappointed.
<i>Valerie H.</i>	I am saddendd - get a decent show and then bam cancel!
<i>Neil K.</i>	love bomb girls stupid network again not caring about its viewers

---

---

<i>Pat B.</i>	I fall in love the show. Well miss it if they take it off the air. Leave it on the air. A fan of the show.

<i>Lindsay C.</i>	Do not cancel this show Global & Shaw Media!
<i>Nicole M.</i>	I wish the show wasn't canceled
<i>Leanne B.</i>	I'm going to miss this show so much.....I don't understand why they would cancel such an amazing show, and leave all the crap on TV

<i>Caped M.</i>	NOOO!!! Keep the show going!!! It's so good!!!

<i>Brian W.</i>	Please sign the petition to not have Bomb Girls cancelled!!! This is the best drama on TV.
<i>Karine A.</i>	Amo!
<i>Georgia H.</i>	Just read today's announcement that Bomb Girls has been cancelled and there will be no season three. HOWEVER, there will be a two-hour movie to tie up the loose ends and bring closure for all of us die-hard fans.

<i>Kathleen R.</i>	This is a wonderful show. Global should be ashamed.
